

SHB 1458 - S AMD 227

By Senator Braun

WITHDRAWN 03/22/2023

1 On page 1, line 12, after "department." insert "Members selected
2 for the work group must have demonstrated honesty and integrity in
3 their professional careers, and the employment security department
4 must thoroughly vet each applicant's background to ensure that their
5 work history has not been exaggerated, fabricated, or falsified."

EFFECT: Requires that members selected for the work group must have demonstrated honesty and integrity in their professional careers, and that the employment security department must thoroughly vet each applicant's background to ensure that their work history has not been exaggerated, fabricated, or falsified.

--- END ---
