By Senator King

WITHDRAWN 02/22/2023

1       On page 2, line 22, after "industries" insert ", or any other  
2 safety sensitive position for which impairment while working presents  
3 a substantial risk of death or serious injury to the worker,  
4 coworkers, or members of the public. Such safety sensitive positions  
5 must be identified by the employer prior to the applicant's  
6 application for employment"

EFFECT: Excludes safety sensitive positions for which impairment while working presents a substantial risk of death or serious injury to the worker, coworkers, or the public from the bill. Requires the positions to be identified by the employer prior to the applicant's application for employment.
