NOT CONSIDERED 05/17/2023

1 On page 2, line 27, after "(3)" insert "(a) Upon application from
2 a nursing education program, for the purpose of requiring additional
3 clinical training hours for students who need additional hours to
4 reach standard competency, the commission may waive:

5 (i) The maximum clinical or direct patient care experience hours
6 listed in subsection (2)(b) of this section; and

7 (ii) The requirements for counting the number of allowable
8 simulation training hours under WAC 246-840-534.

9 (b) Any additional training hours required by a nursing education
10 program pursuant to a waiver shall be simulation training hours.

11 (4) "

12 Renumber the remaining subsections consecutively and correct any
13 internal references accordingly.

EFFECT: Allows the Commission to waive the maximum training hours and simulation training limitations, upon application from a nursing education program, for students who need additional hours to reach standard competency. Requires any additional training hours by a nursing education program be simulation training hours.
