ADOPTED 02/13/2024

1 On page 2, beginning on line 3, after "structures" strike all
2 material through "foundation" on line 6 and insert ":

3 (a) Designed and constructed in a factory to sufficient life,
4 health, and safety standards as outlined in the United States
5 department of housing and urban development code; and

6 (b) Inspected at the factory by the department of labor and
7 industries for in-state factories, or inspected by the functional
8 equivalent of the department of labor and industries for out-of-state
9 factories"

EFFECT: Refers sufficient life, health, and safety standards to the U.S. Housing and Urban Development Code.

Requires kit homes to be inspected at the factory, either by the department of labor and industries (L&I) for in-state factories, or by the functional equivalent of L&I for out-of-state factories.
