EFFECT: Requires, for the purposes of residential service plumbing, that the work be on fixtures, fittings, and piping that are outside the interior wall or above the floor.

Removes, for the purposes of trainee supervision, references to jobsites in both the bill and underlying law.

Specifies, for the purposes of remote plumbing trainee supervision, the trainee's scope of work must be limited to the scope of a residential service plumber.

Requires plumbing work by trainees performing residential service plumbing at separate jobsites to be only in a like-in-kind manner.
