Brief Summary of Bill

- Adds commercial vehicle, bus, and other large vehicle awareness to the required curriculum for driver training schools and school districts providing a traffic safety education program.

SENATE COMMITTEE ON TRANSPORTATION

Staff: Brandon Popovac (786-7465)

Background: The Department of Licensing (DOL) requires individuals under the age of 18 to obtain an instruction permit and to complete a driver training education course to be eligible to obtain an intermediate driver's license. These requirements do not apply to individuals aged 18 or older.

Private driver training schools and some school districts offer driver training education courses.

The Office of the Superintendent of Public Instruction and DOL are required to jointly develop and maintain a required curriculum for school districts and approved private

schools operating a traffic safety education program. The required curriculum for driver training schools and school districts providing a traffic safety education program must include the following information:

- the safe, lawful, and responsible operation of motor vehicles;
- intermediate driver's license issuance;
- passenger and driving restrictions, and sanctions for violating these restrictions;
- the effect of traffic violations and collisions on driving privileges;
- the effects of alcohol and drug use on motor vehicle operators;
- motorcycle awareness;
- bicycle safety;
- pedestrian safety;
- proper use of the left-hand lane by motor vehicles on multilane highways; and
- bicyclists' and pedestrians' rights and responsibilities and suggested riding procedures in common traffic situations.

Summary of Bill: Commercial vehicle, bus, and other large vehicle awareness is added to the required curriculum for driver training schools and school districts providing a traffic safety education program to ensure instruction in the importance of sharing the road with such vehicles.
