### SENATE COMMITTEE ON LOCAL GOVERNMENT, LAND USE & TRIBAL AFFAIRS

**Staff:** Maggie Douglas (786-7279)

**Background:** State Environmental Policy Act. The State Environmental Policy Act (SEPA) establishes a review process for state and local governments to identify environmental impacts that may result from governmental decisions such as the issuance of permits or the adoption of land use plans. The SEPA environmental review process involves a project proponent or the lead agency completing an environmental checklist to identify and evaluate probable environmental impacts. Government decisions that the SEPA checklist process identifies as having significant adverse environmental impacts must then undergo a more comprehensive environmental analysis in the form of an environmental impact statement (EIS). Under SEPA, certain nonproject actions are categorically exempt

from threshold determinations, and EISs in rule. Examples of categorical exemptions include various kinds of minor new construction and minor land use decisions.

**Summary of Bill:** The bill as referred to committee not considered.

**Summary of Bill (Proposed Substitute):** The development or extension of a trail or path are categorically exempted from compliance with SEPA if:

- the surface area of the proposed development or extension of a trail or path does not exceed ten acres; and
- the proposed development or extension of a trail or path is not located in a designated critical area.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Creates Committee/Commission/Task Force that includes Legislative members:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.
