and must be deposited into the Account. The deposit to the Account may only occur if the Legislature authorizes the deposit in the biennial omnibus appropriation act.

Expenditures from the Account may only be made for allowable expenses related to implementation of the statewide tourism program and operation of the Authority. The Account is subject to appropriation. During the 2023 legislative session the Legislature authorized a reduced match requirement for expenditures from the Account. The match of nonstate or state fund, other than State General Fund, went from two-to-one to one-to-one, for all expenditures from the Account.

A match may consist of nonstate or state fund, other than State General Fund, cash contributions, the value of an advertising equivalency contribution, or an in-kind contribution. The Authority's board of directors must determine criteria for what qualifies as an in-kind contribution.
