Read first time 01/16/23. Referred to Committee on Health Care & Wellness.

1 AN ACT Relating to establishing behavioral health support
2 specialists; amending RCW 18.130.040 and 18.130.040; adding a new
3 section to chapter 48.43 RCW; adding a new chapter to Title 18 RCW;
4 providing an effective date; and providing expiration dates.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that a behavioral
7 health support specialist is a new member of the workforce in
8 Washington state trained in the competencies developed by the
9 University of Washington behavioral health support specialist
10 clinical training program. The behavioral health support specialist
11 clinical training program is characterized by brief, evidence-based
12 interventions delivered to the intensity and expected duration of the
13 behavioral health problem. The approach features routine outcome
14 monitoring and regular, outcome-focused supervision. Use of
15 behavioral health support specialists in Washington is expected to
16 improve access to behavioral health services and ease workforce
17 shortages while helping behavioral health professionals work at the
18 top of their scope of practice.

1 NEW SECTION. **Sec. 2.** The definitions in this section apply
2 throughout this chapter unless the context clearly requires
3 otherwise.

4 (1) "Adult" means a person 18 years of age or older.

5 (2) "Applicant" means a person who completes the required
6 application, pays the required fee, is at least 18 years of age, and
7 meets any background check requirements and uniform disciplinary act
8 requirements.

9 (3) "Behavioral health" is a term that encompasses mental health,
10 substance use, and co-occurring disorders.

11 (4) "Behavioral health support specialist" means a person
12 certified to deliver brief, evidence-based interventions with a scope
13 of practice that includes behavioral health under the supervision of
14 a Washington state credentialed provider who has the ability to
15 assess, diagnose, and treat identifiable mental and behavioral health
16 conditions as part of their scope of practice. A behavioral health
17 support specialist does not have within their scope of practice the
18 ability to make diagnoses but does track and monitor treatment
19 response and outcomes using measurement-based care.

20 (5) "Department" means the department of health.

21 (6) "Secretary" means the secretary of health or the secretary's
22 designee.

23 NEW SECTION. **Sec. 3.** The department shall partner with the
24 University of Washington department of psychiatry and behavioral
25 sciences and consult with other stakeholders to develop rules to
26 implement this chapter by January 1, 2025, which shall be consistent
27 with the University of Washington behavioral health support
28 specialist clinical training program guidelines, and shall include
29 appropriate standards for accreditation of educational programs for
30 behavioral health support specialists, which shall include a
31 practicum component and may be integrated into a bachelor's degree
32 program or structured as a continuing education program.

33 NEW SECTION. **Sec. 4.** A person may not represent themselves as a
34 behavioral health support specialist without being certified by the
35 department.

36 NEW SECTION. **Sec. 5.** Nothing in this chapter shall be construed
37 to prohibit or restrict delivery of behavioral health interventions

1 by an individual otherwise regulated under this title and performing
2 services within their authorized scope of practice.

3 NEW SECTION. **Sec. 6.** In addition to any other authority
4 provided by law, the secretary has the authority to:

14 and to deny a certification to applicants who do not meet the
15 requirements;

16 (5) Develop, administer, and supervise the grading and taking of
17 an examination for applicants for certification;

18 (6) Adopt rules requiring completion of 20 hours of continuing
19 education every two years after initial certification for
20 certification renewal;

21 (7) Maintain the official record of all applicants and
22 certification holders; and

23 (8) Establish by rule the procedures for an appeal of an
24 examination failure.

25 NEW SECTION. **Sec. 7.** The uniform disciplinary act, chapter
26 18.130 RCW, governs uncertified practice, the issuance and denial of
27 certification, and the discipline of persons certified under this
28 chapter. The secretary shall be the disciplinary authority under this
29 chapter.

35 specialist program that is accredited to meet standards consistent

37 specialist clinical training program guidelines, including a

1 supervised clinical practicum with demonstrated clinical skills in
2 core competencies; and

3 (3) Successful completion of an approved jurisprudential
4 examination.

5 NEW SECTION. **Sec. 9.** (1) The date and location of examinations
6 shall be established by the secretary. Applicants who have been found
7 by the secretary to meet the other requirements for certification
8 shall be scheduled for the next examination following the filing of
9 the application. The secretary shall establish by rule the
10 examination application deadline.

11 (2) The secretary or the secretary's designee shall examine each
12 applicant, by means determined to be most effective, on subjects
13 appropriate to the scope of practice, as applicable. Such
14 examinations shall be limited to the purpose of determining whether
15 the applicant possesses the minimum skill and knowledge necessary to
16 practice competently.

17 (3) The examination papers, all grading of the papers, and the
18 grading of any practical work shall be preserved for a period of not
19 less than one year after the secretary has made and published the
20 decisions. All examinations shall be conducted using fair and wholly
21 impartial methods.

22 (4) The secretary may approve an examination prepared or
23 administered by a private testing agency or association of licensing
24 agencies for use by an applicant in meeting the certification
25 requirements.

26 NEW SECTION. **Sec. 10.** Applications for certification shall be
27 submitted on forms provided by the secretary. The secretary may
28 require any information and documentation which reasonably relates to
29 the need to determine whether the applicant meets the criteria for
