14 commissioner's powers and duties granted by this subsection are
15 discretionary and not mandatory.

16 (b) In establishing these maximum limits the commission shall
17 take into account the amount of income received, or expected to be
18 received, from the class of activities to which the limits will apply
19 and the amount of money the games could generate for authorized
20 charitable or nonprofit purposes absent such expenses. The commission
21 may also take into account, in its discretion, other factors,

24 roster of officers and employees.

25 (8) Provide for, formulate and hold competitive tests to
26 determine the relative qualifications of persons who seek employment
27 in any class or position and as a result thereof establish eligible
28 lists for the various classes of positions, and to provide that
