State of Washington **68th Legislature** **2023 Regular Session**

By Senators Holy, Frame, King, Lovelett, Padden, and J. Wilson

Read first time 01/11/23. Referred to Committee on Law & Justice.

1 AN ACT Relating to fiscal notes for supreme court decisions; and
2 amending RCW 43.88A.010, 43.88A.020, 43.88A.030, 43.132.020,
3 43.132.040, 43.132.810, and 28A.300.0401.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 43.88A.010 and 1977 ex.s. c 25 s 1 are each amended
6 to read as follows:

7 The legislature hereby recognizes the necessity of developing a
8 uniform and coordinated procedure for determining the expected fiscal
9 impact of supreme court decisions and legislative bills and
10 resolutions on state government. The legislature also recognizes that
11 developing such statements of fiscal impact, which shall be known as
12 fiscal notes, requires the designation of a state agency to be
13 principally responsible therefor.

14 **Sec. 2.** RCW 43.88A.020 and 2011 c 140 s 1 are each amended to
15 read as follows:

16 (1)(a) The office of financial management shall, in cooperation
17 with appropriate legislative committees and legislative staff,
18 establish a procedure for the provision of fiscal notes on the
19 expected impact of bills and resolutions which increase or decrease
20 or tend to increase or decrease state government revenues or

1 expenditures. Such fiscal notes shall indicate by fiscal year the
2 impact for the remainder of the biennium in which the bill or
3 resolution will first take effect as well as a cumulative forecast of
4 the fiscal impact for the succeeding four fiscal years. Fiscal notes
5 shall separately identify the fiscal impacts on the operating and
6 capital budgets. Estimates of fiscal impacts shall be calculated
7 using the procedures contained in the fiscal note instructions issued
8 by the office of financial management.

9 (b) The office of financial management shall, in consultation
10 with the administrative office of the courts, establish a procedure
11 for the provision of fiscal notes estimating the impact of Washington
12 state supreme court decisions that increase or decrease or tend to
13 increase or decrease state and local government revenues or
14 expenditures. The fiscal note must identify when a supreme court
15 decision as explained in a published opinion imposes new or different
16 levels of service that are not currently provided by the government.
17 Supreme court decisions with discrete impact to a person, family,
18 business, or property that are likely to have impacts of less than
19 \$500,000 on any state or local government agency do not need to be
20 created yet may be created if the amount is a significant portion of
21 a state or local government's total budget. The fiscal notes shall
22 indicate by fiscal year the impact for the remainder of the biennium
23 in which the opinion will first take effect as well as a cumulative
24 forecast of the fiscal impact for the succeeding four fiscal years.
25 Fiscal notes shall separately identify the fiscal impacts on the
26 operating, capital, and transportation budgets, and provide a general
27 understanding of expected impacts on local governments in a manner
28 similar to the one established in RCW 43.132.020. Estimates of fiscal
29 impacts shall be calculated using the procedures contained in the
30 fiscal note instructions issued by the office of financial
31 management.

32 (2) In establishing the fiscal impact called for pursuant to this
33 chapter, the office of financial management shall coordinate the
34 development of fiscal notes with all state agencies affected.

35 (3) The preparation and dissemination of the ongoing cost
36 projections and other requirements of RCW 43.135.031 for bills
37 increasing taxes or fees shall take precedence over fiscal notes.

38 (4) For proposed legislation that uniquely affects school
39 districts, in addition to any fiscal note prepared under this

1 chapter, a school district fiscal note must be prepared under the
2 process established in RCW 28A.300.0401.

3 **Sec. 3.** RCW 43.88A.030 and 2008 c 1 s 4 are each amended to read
4 as follows:

6 accuracy, and completeness by the office of financial management,
7 which depicts the expected fiscal impact of a bill or resolution,
8 copies shall be filed immediately with:

12 successor; and

13 ~~((3))~~ (iii) The house committees on revenue and appropriations,
14 or their successors.

15 (b) Whenever possible, such fiscal note and, in the case of a
16 bill increasing taxes or fees, the cost projection and other
17 information required under RCW 43.135.031 shall be provided prior to
18 or at the time the bill or resolution is first heard by the committee
19 of reference in the house of origin.

20 (c) When a fiscal note has been prepared for a bill or
21 resolution, a copy of the fiscal note shall be placed in the bill
22 books or otherwise attached to the bill or resolution and shall
23 remain with the bill or resolution throughout the legislative process
24 insofar as possible. For bills increasing taxes or fees, the cost
25 projection and other information required by RCW 43.135.031 shall be
26 placed in the bill books or otherwise attached to the bill or
27 resolution and shall remain with the bill or resolution throughout
28 the legislative process insofar as possible.

29 (2) When a fiscal note is prepared and approved as to form,
30 accuracy, and completeness by the office of financial management,
31 which depicts the expected fiscal impact of a supreme court decision,
32 copies shall be filed immediately with:

33 (a) The fiscal committees of the legislature with jurisdiction of
34 any state fund or account impacted by the decision;

35 (b) The committees of the legislature with jurisdiction of the
36 supreme court; and

37 (c) Prompt reporting by public press release via email to each

5 **Sec. 4.** RCW 43.132.020 and 2011 c 140 s 2 are each amended to
6 read as follows:

7 The director of financial management or the director's designee
8 shall, in cooperation with appropriate legislative committees and
9 legislative staff, establish a mechanism for the determination of the
10 fiscal impact of supreme court decisions and proposed legislation
11 which if enacted into law would directly or indirectly increase or
12 decrease revenues received or expenditures incurred by counties,
13 cities, towns, or any other units of local government. For purposes

15 to the extent that the proposed legislation affects school districts
16 in the same manner as it affects other units of local government.
17 Where proposed legislation uniquely affects school districts, a
18 school district fiscal note must be prepared under the process
19 established in RCW 28A.300.0401. The office of financial management
20 shall, when requested by a member of the state legislature, report in
21 writing as to such fiscal impact and said report shall be known as a
22 "fiscal note".

23 Such fiscal notes shall indicate by fiscal year the total impact
24 on the local governments involved for the first two years the
25 legislation would be in effect and also a cumulative six year
26 forecast of the fiscal impact. Where feasible and applicable, the
27 fiscal note also shall indicate the fiscal impact on each individual
28 county or on a representative sampling of cities, towns, or other
29 units of local government.

30 A fiscal note as defined in this section shall be provided only
31 upon request of any member of the state legislature. A request for a
32 fiscal note on legislation shall be considered to be a continuing
33 request for a fiscal note on any formal alteration of the legislation
34 in the form of amendments to the legislation that are adopted by a
35 committee or a house of the legislature or a substitute version of
36 such legislation that is adopted by a committee and preparation of
37 the fiscal note on the prior version of the legislation shall stop,
38 unless the legislator requesting the fiscal note specifies otherwise

1 or the altered version is first adopted or enacted in the last week
2 of a legislative session.

3 Fiscal notes shall be completed within one week of the request
4 unless a longer time period is allowed by the requesting legislator.

8 where it is practicable to do so within available resources, prepare
9 school district fiscal notes on supreme court decisions and proposed
10 legislation that increases or decreases, or tends to increase or
11 decrease, school district revenues or expenditures in a manner that
12 uniquely affects school districts. Proposed legislation or a supreme
13 court decision that uniquely affects school districts includes, but
14 is not limited to, legislation and supreme court decisions that
