(5) If an initial or annual report does not contain the information required by this section, the secretary of state promptly shall notify the reporting entity in a record and return the report for correction.

(6) If an initial or annual report contains the name or address of a registered agent that differs from the information shown in the records of the secretary of state immediately before the annual report becomes effective, the differing information in the initial or annual report is considered a statement of change under RCW 23.95.430.

(7) The secretary of state shall send to each domestic entity and registered foreign entity, not less than thirty or more than ninety days prior to the expiration date of the entity's annual renewal, a notice that the entity's annual report must be filed as required by this chapter and that any applicable annual renewal fee must be paid, and stating that if the entity fails to file its annual report or pay the annual renewal fee it will be administratively dissolved. The notice may be sent by postal or email as elected by the entity, addressed to its registered agent within the state, or to an electronic address designated by the entity in a record retained by the secretary of state. Failure of the secretary of state to provide any such notice does not relieve a domestic entity or registered foreign entity from its obligations to file the annual report required by this chapter or to pay any applicable annual renewal fee.
