CRITERIA FOR EVALUATION AND MODEL PROGRAMS

RCW 28A.405.100 Minimum criteria for the evaluation of certificated employees—Four-level rating evaluation system—Procedures—Steering committee—Implementation—Reports—Comprehensive performance evaluation. (1)(a) Except as provided in subsection (2) of this section, the superintendent of public instruction shall establish and may amend from time to time minimum criteria for the evaluation of the professional performance capabilities and development of certificated classroom teachers and certificated support personnel. For classroom teachers the criteria shall be developed in the following categories: Instructional skill; classroom management, professional preparation and scholarship; effort toward improvement when needed; the handling of student discipline and attendant problems; and interest in teaching pupils and knowledge of subject matter.

(b) Every board of directors shall, in accordance with procedure provided in RCW 41.59.010 through 41.59.170, 41.59.910, and 41.59.920, establish evaluative criteria and procedures for all certificated classroom teachers and certificated support personnel. The evaluative criteria must contain as a minimum the criteria established by the superintendent of public instruction pursuant to this section and must be prepared within six months following adoption of the superintendent of public instruction's minimum criteria. The district must certify to the superintendent of public instruction that evaluative criteria have been so prepared by the district.

(2)(a) Every board of directors shall, in accordance with procedures provided in RCW 41.59.010 through 41.59.170, 41.59.910, and 41.59.920, establish evaluative criteria and a four-level rating system for all certificated classroom teachers.

(b) The minimum criteria shall include: (i) Centering instruction on high expectations for student achievement; (ii) demonstrating effective teaching practices; (iii) recognizing individual student learning needs and developing strategies to address those needs; (iv) providing clear and intentional focus on subject matter content and curriculum; (v) fostering and managing a safe, positive learning environment; (vi) using multiple student data elements to modify instruction and improve student learning; (vii) communicating and collaborating with parents and the school community; and (viii) exhibiting collaborative and collegial practices focused on improving instructional practice and student learning. Student growth data must be a substantial factor in evaluating the performance of certificated classroom teachers for at least three of the evaluation criteria listed in this subsection.

(c) The four-level rating system used to evaluate the certificated classroom teacher must describe performance along a continuum that indicates the extent to which the criteria have been met or exceeded. The performance ratings shall be as follows: Level 1 - unsatisfactory; level 2 - basic; level 3 - proficient; and level 4 - distinguished. A classroom teacher shall receive one of the four performance ratings for each of the minimum criteria in (b) of this subsection and one of the four performance ratings for the evaluation as a whole, which shall be the comprehensive performance rating. The superintendent of public instruction must adopt rules prescribing a common method for calculating the comprehensive performance rating for each of the preferred instructional frameworks, including for a focused performance evaluation under subsection (12) of this section, giving appropriate weight to the indicators evaluated under each criteria and maximizing rater agreement among the frameworks.

(d) The superintendent of public instruction shall adopt rules that provide descriptors for each of the performance ratings with updates to the rules made following consultation with the steering committee described in subsection (7)(a)(i) of this section.

(e) The superintendent of public instruction shall identify up to three preferred instructional frameworks that support the four-level rating evaluation system. The instructional frameworks shall be research-based and establish definitions or rubrics for each of the four performance ratings for each evaluation criteria. Each school district must adopt one of the preferred instructional frameworks and post the selection on the district's website. The superintendent of public instruction shall establish a process for approving minor modifications or adaptations to a preferred instructional framework that may be proposed by a school district.

(f) Student growth data that is relevant to the teacher and subject matter must be a factor in the evaluation process and must be based on multiple measures that can include classroom-based, school-based, district-based, and state-based tools. Student growth data elements may include the teacher's performance as a member of a grade-level, subject matter, or other instructional team within a school when the use of this data is relevant and appropriate. Student growth data elements may also include the teacher's performance as a member of the overall instructional team of a school when use of this data is relevant and appropriate. As used in this subsection, "student growth" means the change in student achievement between two points in time.

(g) Student input may also be included in the evaluation process.

(3) (a) Except as provided in subsection (11) of this section, it shall be the responsibility of a principal or his or her designee to evaluate all certificated personnel in his or her school. During each school year all classroom teachers and certificated support personnel shall be observed for the purposes of evaluation at least twice in the performance of their assigned duties. Total observation time for each employee for each school year shall be not less than sixty minutes. An employee in the third year of provisional status as defined in RCW 28A.405.220 shall be observed at least three times in the performance of his or her duties and the total observation time for the school year shall not be less than ninety minutes. Following each observation, or series of observations, the principal or other evaluator shall promptly document the results of the observation in writing, and shall provide the employee with a copy thereof within three days after such report is prepared. New employees shall be observed at least once for a total observation time of thirty minutes during the first ninety calendar days of their employment period.

(b) As used in this subsection and subsection (4) of this section, "employees" means classroom teachers and certificated support personnel except where otherwise specified.

(4) (a) At any time after October 15th, an employee whose work is not judged satisfactory based on district evaluation criteria shall be notified in writing of the specific areas of deficiencies along with a reasonable program for improvement. For classroom teachers who are required to be on the four-level rating evaluation system, the following comprehensive performance ratings based on the evaluation criteria in subsection (2) (b) of this section mean a classroom teacher's work is not judged satisfactory:

(i) Level 1; or

(ii) Level 2 if the classroom teacher is a continuing contract employee under RCW 28A.405.210 with more than five years of teaching experience and if the level 2 comprehensive performance rating has been received for two consecutive years or for two years within a consecutive three-year time period.

(b) During the period of probation, the employee may not be transferred from the supervision of the original evaluator. Improvement of performance or probable cause for nonrenewal must occur and be documented by the original evaluator before any consideration of a request for transfer or reassignment as contemplated by either the individual or the school district. A probationary period of sixty school days shall be established. Days may be added if deemed necessary to complete a program for improvement and evaluate the probationer's performance, as long as the probationary period is concluded before May 15th of the same school year. The probationary period may be extended into the following school year if the probationer has five or more years of teaching experience and has a comprehensive performance rating as of May 15th of less than level 2. The establishment of a probationary period does not adversely affect the contract status of an employee within the meaning of RCW 28A.405.300. The purpose of the probationary period is to give the employee opportunity to demonstrate improvements in his or her areas of deficiency. The establishment of the probationary period and the giving of the notice to the employee of deficiency shall be by the school district superintendent and need not be submitted to the board of directors for approval. During the probationary period the evaluator shall meet with the employee at least twice monthly to supervise and make a written evaluation of the progress, if any, made

by the employee. The evaluator may authorize one additional certificated employee to evaluate the probationer and to aid the employee in improving his or her areas of deficiency. Should the evaluator not authorize such additional evaluator, the probationer may request that an additional certificated employee evaluator become part of the probationary process and this request must be implemented by including an additional experienced evaluator assigned by the educational service district in which the school district is located and selected from a list of evaluation specialists compiled by the educational service district. Such additional certificated employee shall be immune from any civil liability that might otherwise be incurred or imposed with regard to the good faith performance of such evaluation. If a procedural error occurs in the implementation of a program for improvement, the error does not invalidate the probationer's plan for improvement or evaluation activities unless the error materially affects the effectiveness of the plan or the ability to evaluate the probationer's performance. The probationer must be removed from probation if he or she has demonstrated improvement to the satisfaction of the evaluator in those areas specifically detailed in his or her initial notice of deficiency and subsequently detailed in his or her program for improvement. A classroom teacher who is required to be on the four-level rating evaluation system must be removed from probation if he or she has demonstrated improvement that results in a new comprehensive performance rating of level 2 or above for a provisional employee or a continuing contract employee with five or fewer years of experience, or of level 3 or above for a continuing contract employee with more than five years of experience. Lack of necessary improvement during the established probationary period, as specifically documented in writing with notification to the probationer constitutes grounds for a finding of probable cause under RCW 28A.405.300 or 28A.405.210.

(c) When a continuing contract employee with five or more years of experience receives a comprehensive performance rating below level 2 for two consecutive years, the school district shall, within ten days of the completion of the second comprehensive performance evaluation or May 15th, whichever occurs first, implement the employee notification of discharge as provided in RCW 28A.405.300.

(d) Immediately following the completion of a probationary period that does not produce performance changes detailed in the initial notice of deficiencies and program for improvement, the employee may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year. In the case of a classroom teacher who is required to be on the four-level rating evaluation system, the teacher may be removed from his or her assignment and placed into an alternative assignment for the remainder of the school year immediately following the completion of a probationary period that does not result in the required comprehensive performance ratings specified in (b) of this subsection. This reassignment may not displace another employee nor may it adversely affect the probationary employee's compensation or benefits for the remainder of the employee's contract year. If such reassignment is not possible, the district may, at its option, place the employee on paid leave for the balance of the contract term.

(5) Every board of directors shall establish evaluative criteria and procedures for all superintendents, principals, and other administrators. It shall be the responsibility of the district superintendent or his or her designee to evaluate all administrators.

Except as provided in subsection (6) of this section, such evaluation shall be based on the administrative position job description. Such criteria, when applicable, shall include at least the following categories: Knowledge of, experience in, and training in recognizing good professional performance, capabilities and development; school administration and management; school finance; professional preparation and scholarship; effort toward improvement when needed; interest in pupils, employees, patrons and subjects taught in school; leadership; and ability and performance of evaluation of school personnel.

(6) (a) Every board of directors shall establish evaluative criteria and a four-level rating system for principals.

(b) The minimum criteria shall include: (i) Creating a school culture that promotes the ongoing improvement of learning and teaching for students and staff; (ii) demonstrating commitment to closing the achievement gap; (iii) providing for school safety; (iv) leading the development, implementation, and evaluation of a data-driven plan for increasing student achievement, including the use of multiple student data elements; (v) assisting instructional staff with alignment of curriculum, instruction, and assessment with state and local district learning goals; (vi) monitoring, assisting, and evaluating effective instruction and assessment practices; (vii) managing both staff and fiscal resources to support student achievement and legal responsibilities; and (viii) partnering with the school community to promote student learning. Student growth data must be a substantial factor in evaluating the performance of the principal for at least three of the evaluation criteria listed in this subsection.

(c) The four-level rating system used to evaluate the principal must describe performance along a continuum that indicates the extent to which the criteria have been met or exceeded. The performance ratings shall be as follows: Level 1 - unsatisfactory; level 2 - basic; level 3 - proficient; and level 4 - distinguished. A principal shall receive one of the four performance ratings for each of the minimum criteria in (b) of this subsection and one of the four performance ratings for the evaluation as a whole, which shall be the comprehensive performance rating.

(d) The superintendent of public instruction shall adopt rules that provide descriptors for each of the performance ratings, with updates to the rules made following consultation with the steering committee described in subsection (7) (a) (i) of this section.

(e) The superintendent of public instruction shall identify up to three preferred leadership frameworks that support the four-level rating evaluation system. The leadership frameworks shall be research-based and establish definitions or rubrics for each of the four performance ratings for each evaluation criteria. Each school district shall adopt one of the preferred leadership frameworks and post the selection on the district's website. The superintendent of public instruction shall establish a process for approving minor modifications or adaptations to a preferred leadership framework that may be proposed by a school district.

(f) Student growth data that is relevant to the principal must be a factor in the evaluation process and must be based on multiple measures that can include classroom-based, school-based, district-based, and state-based tools. As used in this subsection, "student growth" means the change in student achievement between two points in time.

(g) Input from building staff may also be included in the evaluation process.

(h) The following comprehensive performance ratings mean a principal's work is not judged satisfactory:

(i) Level 1; or

(ii) Level 2 if the principal has more than five years of experience in the principal role and if the level 2 comprehensive performance rating has been received for two consecutive years or for two years within a consecutive three-year time period.

(7) (a) (i) The steering committee is composed of the following participants: State associations representing teachers, principals, administrators, school board members, and parents.

(ii) The superintendent of public instruction, in collaboration with the steering committee, shall periodically examine implementation issues and refine tools for the teacher and principal four-level rating evaluation systems, including professional learning that addresses issues of equity through the lens of the selected instructional and leadership frameworks.

(b) The superintendent of public instruction shall monitor the statewide implementation of teacher and principal four-level rating evaluation systems using data reported under RCW 28A.150.230 as well as periodic input from focus groups of administrators, principals, and teachers.

(8) (a) Beginning with the 2015-16 school year, evaluation results for certificated classroom teachers and principals must be used as one of multiple factors in making human resource and personnel decisions. Human resource decisions include, but are not limited to: Staff assignment, including the consideration of an agreement to an assignment by an appropriate teacher, principal, and superintendent; and reduction in force. Nothing in this section limits the ability to collectively bargain how the multiple factors shall be used in making human resource or personnel decisions, with the exception that evaluation results must be a factor.

(b) The office of the superintendent of public instruction must, in accordance with RCW 43.01.036, report to the legislature and the governor regarding the school district implementation of the provisions of (a) of this subsection by December 1, 2019, and December 1, 2020.

(9) Each certificated classroom teacher and certificated support personnel shall have the opportunity for confidential conferences with his or her immediate supervisor on no less than two occasions in each school year. Such confidential conference shall have as its sole purpose the aiding of the administrator in his or her assessment of the employee's professional performance.

(10) The failure of any evaluator to evaluate or supervise or cause the evaluation or supervision of certificated classroom teachers and certificated support personnel or administrators in accordance with this section, as now or hereafter amended, when it is his or her specific assigned or delegated responsibility to do so, shall be sufficient cause for the nonrenewal of any such evaluator's contract under RCW 28A.405.210, or the discharge of such evaluator under RCW 28A.405.300.

(11) After a certificated classroom teacher who is not required to be on the four-level rating evaluation system or a certificated support personnel has four years of satisfactory evaluations under subsection (1) of this section, a school district may use a short form of evaluation, a locally bargained evaluation emphasizing professional

growth, an evaluation under subsection (1) or (2) of this section, or any combination thereof. The short form of evaluation shall include either a thirty minute observation during the school year with a written summary or a final annual written evaluation based on the criteria in subsection (1) or (2) of this section and based on at least two observation periods during the school year totaling at least sixty minutes without a written summary of such observations being prepared. A locally bargained short-form evaluation emphasizing professional growth must provide that the professional growth activity conducted by the certificated classroom teacher be specifically linked to one or more of the certificated classroom teacher evaluation criteria. However, the evaluation process set forth in subsection (1) or (2) of this section shall be followed at least once every three years unless this time is extended by a local school district under the bargaining process set forth in chapter 41.59 RCW. The employee or evaluator may require that the evaluation process set forth in subsection (1) or (2) of this section be conducted in any given school year. No evaluation other than the evaluation authorized under subsection (1) or (2) of this section may be used as a basis for determining that an employee's work is not satisfactory under subsection (1) or (2) of this section or as probable cause for the nonrenewal of an employee's contract under RCW 28A.405.210 unless an evaluation process developed under chapter 41.59 RCW determines otherwise.

(12) Certificated classroom teachers and principals who are required to be on the four-level rating evaluation system must receive annual performance evaluations as provided in this subsection (12).

(a) A comprehensive performance evaluation assesses all eight evaluation criteria and all criteria contribute to the comprehensive performance rating. Classroom teachers and principals must receive a comprehensive performance evaluation according to the schedule specified in (b) of this subsection.

(b) (i) Except as otherwise provided in this subsection (12) (b), classroom teachers and principals must receive a comprehensive performance evaluation at least once every six years.

(ii) The following types of classroom teachers and principals must receive an annual comprehensive performance evaluation:

(A) A classroom teacher who is a provisional employee under RCW 28A.405.220;

(B) A principal in the first three consecutive school years of employment as a principal;

(C) A principal previously employed as a principal by another school district in the state of Washington for three or more consecutive school years and in the first full year as a principal in the school district; and

(D) A classroom teacher or principal who received a comprehensive performance rating of level 1 or level 2 in the previous school year.

(c) (i) In the years when a comprehensive performance evaluation is not required, classroom teachers and principals who received a comprehensive performance rating of level 3 or above in their previous comprehensive performance evaluation are required to complete a focused performance evaluation. A focused performance evaluation includes an assessment of one of the eight criteria selected for a performance rating plus professional growth activities specifically linked to the selected criteria.

(ii) The selected criteria must be approved by the teacher's or principal's evaluator and may have been identified in a previous

comprehensive performance evaluation as benefiting from additional attention. A group of teachers may focus on the same evaluation criteria and share professional growth activities. A group of principals may focus on the same evaluation criteria and share professional growth activities.

(iii) The evaluator must assign a performance rating for the focused performance evaluation using the methodology adopted by the superintendent of public instruction for the instructional or leadership framework being used.

(iv) A teacher or principal may be transferred from a focused performance evaluation to a comprehensive performance evaluation at the request of the teacher or principal, or at the direction of the teacher's or principal's evaluator.

(v) Due to the importance of instructional leadership and assuring rater agreement among evaluators, particularly those evaluating teacher performance, school districts are encouraged to conduct comprehensive performance evaluations of principals on an annual basis.

(vi) A classroom teacher or principal may apply the focused performance evaluation professional growth activities toward the professional growth plan for certificate renewal as required by the Washington professional educator standards board.

(13) Each school district is encouraged to acknowledge and recognize classroom teachers and principals who have attained level 4 - distinguished performance ratings. Representatives of the office of the superintendent of public instruction and statewide associations representing administrators, principals, human resources specialists, and certificated classroom teachers shall analyze how the evaluation systems in RCW 28A.405.100 (2) and (6) affect issues related to a change in contract status.

(2) The analysis shall be conducted during each of the phase-in years of the certificated classroom teacher and principal evaluation systems. The analysis shall include: Procedures, timelines, probationary periods, appeal procedures, and other items related to the timely exercise of employment decisions and due process provisions for certificated classroom teachers and principals. RCW 28A.405.106 Professional development program to support evaluation systems—Duties of the office of the superintendent of public instruction—Website with professional development materials.

(1) Subject to funds appropriated for this purpose, the office of the superintendent of public instruction must develop and make available a professional development program to support the implementation of the evaluation systems required by RCW 28A.405.100. The program components may be organized into professional development modules for principals, administrators, and teachers. The professional development program shall include a comprehensive online training package.

(2) The training program must include, but not be limited to, the following topics:

- (a) Introduction of the evaluation criteria for teachers and principals and the four-level rating system;
- (b) Orientation to and use of instructional frameworks;
- (c) Orientation to and use of the leadership frameworks;
- (d) Best practices in developing and using data in the evaluation systems, including multiple measures, student growth data, classroom observations, and other measures and evidence;
- (e) Strategies for achieving maximum rater agreement;

- (f) Evaluator feedback protocols in the evaluation systems;
- (g) Examples of high quality teaching and leadership; and
- (h) Methods to link the evaluation process to ongoing educator professional development.

(3) The training program must also include the foundational elements of cultural competence, focusing on multicultural education and principles of English language acquisition, including information regarding best practices to implement the tribal history and culture curriculum. The content of the training must be aligned with the standards of practice developed by the Washington professional educator standards board under RCW 28A.410.260. The office of the superintendent of public instruction, in consultation with the Washington professional educator standards board, the steering committee established in RCW 28A.405.100, and the educational opportunity gap oversight and accountability committee, must integrate the content for cultural competence into the overall training for principals, administrators, and teachers to support the revised evaluation systems.

(4) To the maximum extent feasible, the professional development program must incorporate or adapt existing online training or curriculum, including securing materials or curriculum under contract or purchase agreements within available funds. Multiple modes of instruction should be incorporated including videos of classroom teaching, participatory exercises, and other engaging combinations of online audio, video, and print presentation.

(5) The professional development program must be developed in modules that allow:

- (a) Access to material over a reasonable number of training sessions;
- (b) Delivery in person or online; and
- (c) Use in a self-directed manner.

(6) The office of the superintendent of public instruction must maintain a website that includes the online professional development materials along with sample evaluation forms and templates, links to relevant research on evaluation and on high quality teaching and leadership, samples of contract and collective bargaining language on key topics, examples of multiple measures of teacher and principal performance, suggestions for data to measure student growth, and other tools that will assist school districts in implementing the revised evaluation systems.

(7) The office of the superintendent of public instruction must identify the number of in-service training hours associated with each professional development module and develop a way for users to document their completion of the training. Documented completion of the training under this section is considered approved in-service training for the purposes of *RCW 28A.415.020.

(8) The office of the superintendent of public instruction shall periodically update the modules to reflect new topics and research on performance evaluation so that the training serves as an ongoing source of continuing education and professional development.

(9) The office of the superintendent of public instruction shall work with the educational service districts to provide clearinghouse services for the identification and publication of professional development opportunities for teachers and principals that align with performance evaluation criteria. [2021 c 197 § 10; 2016 c 72 § 202; 2012 c 35 § 5.]

RCW 28A.405.110 Evaluations—Legislative findings. The legislature recognizes the importance of teachers in the educational system. Teachers are the fundamental element in assuring a quality education for the state's and the nation's children. Teachers, through their direct contact with children, have a great impact on the development of the child. The legislature finds that this important role of the teacher requires an assurance that teachers are as successful as possible in attaining the goal of a well-educated society. The legislature finds, therefore, that the evaluation of those persons seeking to enter the teaching profession is no less important than the evaluation of those persons currently teaching. The evaluation of persons seeking teaching credentials should be strenuous while making accommodations uniquely appropriate to the applicants. Strenuous teacher training and preparation should be complemented by examinations of prospective teachers prior to candidates being granted official certification by the professional educator standards board. Teacher preparation program entrance evaluations, teacher training, teacher preparation program exit examinations, official certification, in-service training, and ongoing evaluations of individual progress and professional growth are all part of developing and maintaining a strong precertification and postcertification professional education system.

The legislature further finds that an evaluation system for teachers has the following elements, goals, and objectives: (1) An evaluation system must be meaningful, helpful, and objective; (2) an evaluation system must encourage improvements in teaching skills, techniques, and abilities by identifying areas needing improvement; (3) an evaluation system must provide a mechanism to make meaningful distinctions among teachers and to acknowledge, recognize, and encourage superior teaching performance; and (4) an evaluation system must encourage respect in the evaluation process by the persons conducting the evaluations and the persons subject to the evaluations through recognizing the importance of objective standards and minimizing subjectivity. CONDITIONS AND CONTRACTS OF EMPLOYMENT

RCW 28A.405.200 Annual salary schedules as basis for salaries of certificated employees. Every school district by action of its board of directors shall adopt annual salary schedules and reproduce the same by printing, mimeographing or other reasonable method, which shall be the basis for salaries for all certificated employees in the district. [1969 ex.s. c 283 § 1. Formerly RCW 28A.67.066, 28.67.066.]

Severability—1969 ex.s. c 283: See note following RCW 28A.150.050.

RCW 28A.405.210 Conditions and contracts of employment—Determination of probable cause for nonrenewal of contracts—Nonrenewal due to enrollment decline or revenue loss—Notice—Opportunity for hearing. (1) No teacher, principal, supervisor, superintendent, or other certificated employee, holding a position as such with a school district, hereinafter referred to as "employee," shall be employed except by written order of a majority of the directors of the district at a regular or special meeting thereof, nor unless he or she is the holder of an effective teacher's certificate or other certificate required by law or the Washington professional educator standards board for the position for which the employee is employed.

(2) (a) The board shall make with each employee employed by it a written contract, which shall be in conformity with the laws of this state, and except as otherwise provided by law and under (b) of this subsection, limited to a term of not more than one year. Every such contract shall be made in duplicate, one copy to be retained by the school district superintendent or secretary and one copy to be delivered to the employee. No contract shall be offered by any board for the employment of any employee who has previously signed an employment contract for that same term in another school district of

the state of Washington unless such employee shall have been released from his or her obligations under such previous contract by the board of directors of the school district to which he or she was obligated. Any contract signed in violation of this provision shall be void.

(b) A written contract made by a board with a principal under (a) of this subsection may be for a term of up to three years if the principal has: (i) Been employed as a principal for three or more consecutive years; (ii) been recommended by the superintendent as a candidate for a two or three-year contract because the principal has demonstrated the ability to stabilize instructional practices and received a comprehensive performance rating of level 3 or above in their most recent comprehensive performance evaluation under RCW 28A.405.100; and (iii) met the school district's requirements for satisfying an updated record check under RCW 28A.400.303. A written contract made by a board with a principal under (a) of this subsection for a term of three years may not be renewed before the final year of the contract.

(3) In the event it is determined that there is probable cause or causes that the employment contract of an employee should not be renewed by the district for the next ensuing term such employee shall be notified in writing on or before May 15th preceding the commencement of such term of that determination, or if the omnibus appropriations act has not passed the legislature by the end of the regular legislative session for that year, then notification shall be no later than June 15th, which notification shall specify the cause or causes for nonrenewal of contract. Such determination of probable cause for certificated employees, other than the superintendent, shall be made by the superintendent. Such notice shall be served upon the employee personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such employee so notified, at his or her request made in writing and filed with the president, chair or secretary of the board of directors of the district within 10 days after receiving such notice, shall be granted opportunity for hearing pursuant to RCW 28A.405.310 to determine whether there is sufficient cause or causes for nonrenewal of contract: PROVIDED, That any employee receiving notice of nonrenewal of contract due to an enrollment decline or loss of revenue may, in his or her request for a hearing, stipulate that initiation of the arrangements for a hearing officer as provided for by RCW 28A.405.310(4) shall occur within 10 days following July 15 rather than the day that the employee submits the request for a hearing. If any such notification or opportunity for hearing is not timely given, the employee entitled thereto shall be conclusively presumed to have been reemployed by the district for the next ensuing term upon contractual terms identical with those which would have prevailed if his or her employment had actually been renewed by the board of directors for such ensuing term.

(4) This section shall not be applicable to "provisional employees" as so designated in RCW 28A.405.220; transfer to a subordinate certificated position as that procedure is set forth in RCW 28A.405.230 or 28A.405.245 shall not be construed as a nonrenewal of contract for the purposes of this section. (1) Notwithstanding the provisions of RCW 28A.405.210, every person employed by a school district in a teaching or other nonsupervisory certificated position shall be subject to nonrenewal of employment contract as provided in this section during the first three years of employment by such district, unless: (a) The employee has previously completed at least two years of certificated employment in another school district in the state of Washington, in which case the employee shall be subject to nonrenewal of employment contract pursuant to this

section during the first year of employment with the new district; or (b) the employee has received an evaluation rating below level 2 on the four-level rating system established under RCW 28A.405.100 during the third year of employment, in which case the employee shall remain subject to the nonrenewal of the employment contract until the employee receives a level 2 rating; or (c) the school district superintendent may make a determination to remove an employee from provisional status if the employee has received one of the top two evaluation ratings during the second year of employment by the district. Employees as defined in this section shall hereinafter be referred to as "provisional employees."

(2) In the event the superintendent of the school district determines that the employment contract of any provisional employee should not be renewed by the district for the next ensuing term such provisional employee shall be notified thereof in writing on or before May 15th preceding the commencement of such school term, or if the omnibus appropriations act has not passed the legislature by the end of the regular legislative session for that year, then notification shall be no later than June 15th, which notification shall state the reason or reasons for such determination. Such notice shall be served upon the provisional employee personally, or by certified or registered mail, or by leaving a copy of the notice at the place of his or her usual abode with some person of suitable age and discretion then resident therein. The determination of the superintendent shall be subject to the evaluation requirements of RCW 28A.405.100.

(3) Every such provisional employee so notified, at his or her request made in writing and filed with the superintendent of the district within ten days after receiving such notice, shall be given the opportunity to meet informally with the superintendent for the purpose of requesting the superintendent to reconsider his or her decision. Such meeting shall be held no later than ten days following the receipt of such request, and the provisional employee shall be given written notice of the date, time and place of meeting at least three days prior thereto. At such meeting the provisional employee shall be given the opportunity to refute any facts upon which the superintendent's determination was based and to make any argument in support of his or her request for reconsideration.

(4) Within ten days following the meeting with the provisional employee, the superintendent shall either reinstate the provisional employee or shall submit to the school district board of directors for consideration at its next regular meeting a written report recommending that the employment contract of the provisional employee be nonrenewed and stating the reason or reasons therefor. A copy of such report shall be delivered to the provisional employee at least three days prior to the scheduled meeting of the board of directors. In taking action upon the recommendation of the superintendent, the board of directors shall consider any written communication which the provisional employee may file with the secretary of the board at any time prior to that meeting.

"Subordinate certificated position" as used in this section, shall mean any administrative or nonadministrative certificated position for which the annual compensation is less than the position currently held by the administrator.

Every superintendent determining that the best interests of the school district would be served by transferring any administrator to a subordinate certificated position shall notify that administrator in writing on or before May 15th preceding the commencement of such school term of that determination, or if the omnibus appropriations act has not passed the legislature by the end of the regular legislative session for that year, then notification shall be no later than June 15th, which notification shall state the reason or reasons for the transfer, and shall identify the subordinate certificated position to which the administrator will be transferred. Such notice shall be served upon the administrator personally, or by certified or registered mail, or by leaving a copy of the notice at the place of his or her usual abode with some person of suitable age and discretion then resident therein.

"Subordinate certificated position" as used in this section means any administrative or nonadministrative certificated position for which the annual compensation is less than the position currently held by the administrator. This section applies only to school districts with an annual average student enrollment of more than thirty-five thousand full-time equivalent students.

(2) During the first three consecutive school years of employment as a principal by the school district, or during the first full school year of such employment in the case of a principal who has been previously employed as a principal by another school district in the state for three or more consecutive school years, the transfer of the principal to a subordinate certificated position may be made by a determination of the superintendent that the best interests of the school district would be served by the transfer.

(3) Commencing with the fourth consecutive school year of employment as a principal, or the second consecutive school year of such employment in the case of a principal who has been previously employed as a principal by another school district in the state for three or more consecutive school years, the transfer of the principal to a subordinate certificated position shall be based on the superintendent's determination that the results of the evaluation of the principal's performance using the evaluative criteria and rating system established under RCW 28A.405.100 provide a valid reason for the transfer without regard to whether there is probable cause for the transfer. If a valid reason is shown, it shall be deemed that the transfer is reasonably related to the principal's performance. No probationary period is required. However, provision of support and an attempt at remediation of the performance of the principal, as defined by the superintendent, are required for a determination by the superintendent under this subsection that the principal should be transferred to a subordinate certificated position.

(4) Any superintendent transferring a principal under this section to a subordinate certificated position shall notify that principal in writing on or before May 15th before the beginning of the school year of that determination, or if the omnibus appropriations act has not passed the legislature by the end of the regular legislative session for that year, then notification shall be no later than June 15th. The notification shall state the reason or reasons for the transfer and shall identify the subordinate certificated position to which the principal will be transferred. The notification shall be served upon the principal personally, or by certified or registered mail, or by leaving a copy of the notice at the place of his or her usual abode with some person of suitable age and discretion then resident therein.

(5) Any principal so notified may request to the president or chair of the board of directors of the district, in writing and within

ten days after receiving notice, an opportunity to meet informally with the board of directors in an executive session for the purpose of requesting the board to reconsider the decision of the superintendent, and shall be given such opportunity. The board, upon receipt of such request, shall schedule the meeting for no later than the next regularly scheduled meeting of the board, and shall give the principal written notice at least three days before the meeting of the date, time, and place of the meeting. At the meeting the principal shall be given the opportunity to refute any evidence upon which the determination was based and to make any argument in support of his or her request for reconsideration. The principal and the board may invite their respective legal counsel to be present and to participate at the meeting. The board shall notify the principal in writing of its final decision within ten days following its meeting with the principal. No appeal to the courts shall lie from the final decision of the board of directors to transfer a principal to a subordinate certificated position.

(6) This section provides the exclusive means for transferring a certificated employee first employed by a school district under this section as a principal after June 10, 2010, to a subordinate certificated position at the expiration of the term of his or her employment contract. Finding—2010 c 235: "The legislature finds that the presence of highly effective principals in schools has never been more important than it is today. To enable students to meet high academic standards, principals must lead and encourage teams of teachers and support staff to work together, align curriculum and instruction, use student data to target instruction and intervention strategies, and serve as the chief school officer with parents and the community. Greater responsibility should come with greater authority over personnel, budgets, resource allocation, and programs. But greater responsibility also comes with greater accountability for outcomes. Washington is putting into place an updated and rigorous system of evaluating principal performance, one that will measure what matters. This system will never be truly effective unless the results are meaningfully used." [2010 c 235 § 301.]

RCW 28A.405.250 Certificated employees, applicants for certificated position, not to be discriminated against—Right to inspect personnel file. The board of directors of any school district, its employees or agents shall not discriminate in any way against any applicant for a certificated position or any certificated employee

(1) On account of his or her membership in any lawful organization, or

(2) For the orderly exercise during off-school hours of any rights guaranteed under the law to citizens generally, or

(3) For family relationship, except where covered by chapter 42.23 RCW.

The school district personnel file on any certificated employee in the possession of the district, its employees, or agents shall not

be withheld at any time from the inspection of that employee. [1990 c 33 § 394; 1969 ex.s. c 34 § 21. Formerly RCW 28A.58.445.]

In the event it is determined that there is probable cause or causes for a teacher, principal, supervisor, superintendent, or other certificated employee, holding a position as such with the school district, hereinafter referred to as "employee", to be discharged or otherwise adversely affected in his or her contract status, such employee shall be notified in writing of that decision, which notification shall specify the probable cause or causes for such action. Such determinations of probable cause for certificated employees, other than the superintendent, shall be made by the superintendent. Such notices shall be served upon that employee personally, or by certified or registered mail, or by leaving a copy of the notice at the house of his or her usual abode with some person of suitable age and discretion then resident therein. Every such employee so notified, at his or her request made in writing and filed with the president, chair of the board or secretary of the board of directors of the district within ten days after receiving such notice, shall be granted opportunity for a hearing pursuant to RCW 28A.405.310 to determine whether or not there is sufficient cause or causes for his or her discharge or other adverse action against his or her contract status.

In the event any such notice or opportunity for hearing is not timely given, or in the event cause for discharge or other adverse action is not established by a preponderance of the evidence at the hearing, such employee shall not be discharged or otherwise adversely affected in his or her contract status for the causes stated in the original notice for the duration of his or her contract.

If such employee does not request a hearing as provided herein, such employee may be discharged or otherwise adversely affected as provided in the notice served upon the employee.

Transfer to a subordinate certificated position as that procedure is set forth in RCW 28A.405.230 or 28A.405.245 shall not be construed as a discharge or other adverse action against contract status for the purposes of this section. (2) In any request for a hearing pursuant to RCW 28A.405.300 or 28A.405.210, the employee may request either an open or closed hearing. The hearing shall be open or closed as requested by the employee, but if the employee fails to make such a request, the hearing officer may determine whether the hearing shall be open or closed.

Should said nominees fail to agree as to who should be appointed as the hearing officer, either the

board of directors or the employee, upon appropriate notice to the other party, may apply to the presiding judge of the superior court for the county in which the district is located for the appointment of such hearing officer, whereupon such presiding judge shall have the duty to appoint a hearing officer who shall, in the judgment of such presiding judge, be qualified to fairly and impartially discharge his or her duties. Nothing herein shall preclude the board of directors and the employee from stipulating as to the identity of the hearing officer in which event the foregoing procedures for the selection of the hearing officer shall be inapplicable. The district shall pay all fees and expenses of any hearing officer selected pursuant to this subsection.

(5) Within five days following the selection of a hearing officer pursuant to subsection (4) of this section, the hearing officer shall schedule a prehearing conference to be held within such five day period, unless the board of directors and employee agree on another date convenient with the hearing officer. The employee shall be given written notice of the date, time, and place of such prehearing conference at least three days prior to the date established for such conference.

If the final decision is in favor of the employee, the employee shall be restored to his or her employment position and shall be awarded reasonable attorneys' fees.

(8) Any final decision by the hearing officer to nonrenew the employment contract of the employee, or to discharge the employee, or to take other action adverse to the employee's contract status, as the case may be, shall be based solely upon the cause or causes specified in the notice of probable cause to the employee and shall be established by a preponderance of the evidence at the hearing to be sufficient cause or causes for such action.

(9) All subpoenas and prehearing discovery orders shall be enforceable by and subject to the contempt and other equity powers of the superior court of the county in which the school district is located upon petition of any aggrieved party.

(10) A complete record shall be made of the hearing and all orders and rulings of the hearing officer and school board. [1990 c 33 § 396; 1987 c 375 § 1; 1977 ex.s. c 7 § 1; 1975-'76 2nd ex.s. c 114 § 5. Formerly RCW 28A.58.455.]
