(4) For the purposes of this section, "public schools" has the same meaning as in RCW 28A.150.010. [2023 c 242 § 6; 2022 c 222 § 2.]

Intent—2022 c 222: "(1) The legislature recognizes that the office of the education ombuds within the office of the governor was established by the legislature in 2006 to reduce educational opportunity gaps by supporting families, students, educators, and communities in understanding the K-12 school system and resolving concerns collaboratively. The legislature recognizes that it placed the education ombuds within the office of the governor to ensure independence and impartiality.

(2) The legislature further recognizes that the education ombuds provides services including:

(a) Informing students, parents or guardians, employees, and members of the public about the state's public elementary and secondary education system;

(b) Identifying obstacles and recommending strategies to help students and community members to participate effectively in schools;

(c) Identifying and recommending strategies for improving student success;

(d) Referring individuals and families to appropriate resources, agencies, or departments;

(e) Facilitating the resolution of informal complaints made by parents and students with regard to the state's public elementary and secondary education system; and

(f) Serving as the lead agency to provide resources and tools to parents and families about public school antiharassment policies and strategies.

(3) The legislature intends for public schools to annually notify parents or guardians, students, and school employees about these services." [2022 c 222 § 1.]
