

**RCW 35.21.890 Boundary changes—Providing factual information—  
Notice to boundary review board.** A city or town may provide factual information on the effects of a proposed boundary change on the city or town and the area potentially affected by the boundary change. A statement that the city or town has such information available, and copies of any printed materials or information available to be provided to the public shall be filed [filed] with the boundary review board for the board's information. [1989 c 84 § 70.]
