

RCW 36.57A.191 Maintenance plan. As a condition of receiving state funding, a public transportation benefit area authority shall submit a maintenance and preservation management plan for certification by the department of transportation. The plan must inventory all transportation system assets within the direction and control of the authority, and provide a preservation plan based on lowest life-cycle cost methodologies. [2006 c 334 § 9; 2003 c 363 § 304.]

Effective date—2006 c 334: See note following RCW 47.01.051.

Finding—Intent—2003 c 363: See note following RCW 35.84.060.

Part headings not law—Severability—2003 c 363: See notes following RCW 47.28.241.
