

RCW 41.26.545 Emergency medical technicians—Establishing service credit—Dates—Process—Contributions. (1) A member who provided service as an emergency medical technician to an employer may establish credit for such service rendered on or after July 24, 2005, and prior to July 23, 2017, unless that service is already credited. Upon receipt of a written request, the department of retirement systems must notify the member of the cost to establish credit for all or part of such service.

(a) Before July 1, 2018, a member not enrolled in the public employees' retirement system for service between July 24, 2005, and July 23, 2017, may elect to establish credit in plan 2 under this section. Such election must be filed in writing with the department of retirement systems by June 30, 2018. The elected period must be in contiguous monthly increments beginning with the oldest service.

(i) To establish service under this section, except as provided in RCW 41.26.546, the member must pay the employee contributions he or she would have paid if he or she had been participating in the retirement system at the time of the service:

(A) No later than five years from the effective date of the election made under this section; and

(B) Prior to retirement.

(ii) Upon full payment of employee contributions for the elected period of service the department of retirement systems must:

(A) Credit the member with the service; and

(B) Bill the employer for the employer contributions it would have paid if such member had been participating in the retirement system at the time of such service. The amount billed to the employer by the department of retirement systems must be reduced by the amount of any employer contributions to an employee's retirement account prior to January 1, 2016, not to exceed three percent of the member's basic salary from July 1, 2005, through December 31, 2015.

(iii) The employer shall pay the required amount prior to July 1, 2028.

(b) (i) A member of the public employees' retirement system who is eligible for membership in the law enforcement officers' and firefighters' retirement system plan 2 under this section may:

(A) Make an election in writing to the department of retirement systems by January 1, 2018, to remain a member of the public employees' retirement system and not participate in the law enforcement officers' and firefighters' retirement system plan 2;

(B) Leave any service credit earned as a member of the public employees' retirement system in the public employees' retirement system, and have service rendered on or after January 1, 2018, as an emergency medical technician in the law enforcement officers' and firefighters' retirement system plan 2, becoming a dual member under the provisions of chapter 41.54 RCW; or

(C) Before July 1, 2018, elect to transfer service credit previously earned as an emergency medical technician to the law enforcement officers' and firefighters' retirement system plan 2 as defined in RCW 41.26.030. Such election must be filed in writing with the department of retirement systems by June 30, 2018.

(I) A member who elects to transfer service credit under this subsection (1)(b) shall pay, for the applicable period of service, the difference between the contributions the employee paid to the public employees' retirement system plan and the contributions that would have been paid by the employee had the employee been a member of the

law enforcement officers' and firefighters' retirement system plan 2, plus interest on this difference as determined by the director.

(II) The payment under (a) of this subsection must be made no later than five years from the effective date of the election and must be made prior to retirement, except as provided under RCW 41.26.546.

(2) Upon transfer or establishment of service credit, contributions, and interest under this section, the employee is permanently excluded from membership in the public employees' retirement system for all service transfers related to their time served as an emergency medical technician under the public employees' retirement system.

(3) Employers shall provide the department of retirement systems with a list of former employees who were employed as emergency medical technicians on or after July 24, 2005, and who are eligible to establish credit for service under this section. The list must include a former employee's name, last known address, and period of employment. The department of retirement systems must notify former employees of the process and cost to establish credit for service under this section. [2017 c 309 § 2.]
