(1) The coordinating agency shall provide at least thirty days after notice has been published in a newspaper under subsection (2) of this section for public comment on a proposal to enter into or modify an environmental excellence program agreement. The coordinating agency may provide for an additional period of public comment if required by the complexity of the proposed environmental excellence program agreement and the degree of public interest. The fact sheet shall: (a) Briefly describe the principal facts and the significant factual, legal, methodological and policy questions considered by the directors signing the agreement, and the directors' proposed decisions; and (b) briefly describe how the proposed action meets the requirements of RCW 43.21K.020.

(3) The coordinating agency shall prepare and make available a responsiveness summary indicating the agencies' actions taken in response to comments and the reasons for those actions.

(4) With respect to an environmental excellence program agreement that affects legal requirements adopted to comply with provisions of a federal regulatory program, the coordinating agency shall provide a copy of the environmental excellence program agreement, and a copy of the notice required by subsection (1) of this section, to the federal agency that is responsible for administering that program at least thirty days before entering into or modifying the environmental excellence program agreement, and shall afford the federal agency the opportunity to object to those terms of the environmental excellence program agreement or modification of an environmental excellence program agreement affecting the legal requirements.
