

RCW 43.60A.904 Federal programs—Rules and regulations—Internal reorganization to meet federal requirements—Construction to comply with federal law—Conflicting parts inoperative. In furtherance of the policy of the state to cooperate with the federal government in all of the programs included in this chapter, such rules and regulations as may become necessary to entitle the state to participate in federal funds may be adopted, unless the same be expressly prohibited by law. Any internal reorganization carried out under the terms of this chapter shall meet federal requirements which are a necessary condition to state receipt of federal funds. Any section or provision of this chapter which may be susceptible to more than one construction shall be interpreted in favor of the construction most likely to comply with federal laws entitling this state to receive federal funds for the various programs of the department. If any part of this chapter is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds to the state, or to any departments or agencies thereof, such conflicting part of this chapter is declared to be inoperative solely to the extent of the conflict.
