Effective date—2018 c 52: "This act takes effect July 1, 2019."
[2018 c 52 § 7.]

Intent—Finding—2018 c 52: "(1) The legislature recognizes that child care subsidy programs include the working connections child care program and the seasonal child care program. Child care subsidy programs provide children with stable, nurturing, and enriching activities while parents are supported in stable employment that contributes to financial independence. The legislature acknowledges that the department of early learning develops subsidized child care policy and conducts quality assurance for provider payments and the department of social and health services is responsible for other aspects of service delivery. The legislature intends for these child care subsidy programs to be thoughtfully integrated into the department of children, youth, and families while maintaining a delivery system that continues to support families and providers with consistent, accurate, and effective services.

(2) The legislature finds that the department of children, youth, and families submitted a report according to section 103, chapter 6, Laws of 2017 3rd sp. sess. with recommendations for effectively transferring working connections child care eligibility into the department of children, youth, and families by July 1, 2019. The legislature intends for the transfer of all aspects of service delivery of child care subsidy programs from the department of social and health services to the department of children, youth, and families to follow the recommendations of that report."
