

RCW 48.66.165 Conformity with federal law—Rules. The commissioner may adopt, from time-to-time, such rules as are necessary with respect to medicare supplemental insurance to conform Washington policies, contracts, certificates, standards, and practices to the requirements of federal law, specifically including 42 U.S.C. Sec. 1395ss, and federal regulations adopted thereunder. [1991 c 120 § 1.]
