

**RCW 50.06.050 Use of wages and time worked for prior claims—**

**Effect.** The fact that wages, hours or weeks worked during the special base year may have been used in the computation of a prior valid claim for unemployment compensation shall not affect a claim for benefits made pursuant to the provisions of this chapter; however, wages, hours and weeks worked used in computing entitlement on a claim filed pursuant to this chapter shall not be available or used for establishing entitlement or amount of benefits in any succeeding benefit year. [1975 1st ex.s. c 228 § 11.]

**Effective date—1975 1st ex.s. c 228:** See note following RCW 50.04.355.
