(1) The resolution establishing benefit charges as specified in RCW 52.26.180 must specify, by legal geographical areas or other specific designations, the charge to apply to each property by location, type, or other designation, or other information that is necessary to the proper computation of the benefit charge to be charged to each property owner subject to the resolution.

(2) The county assessor of each county in which the regional fire protection service authority is located shall determine and identify the personal properties and improvements to real property that are subject to a benefit charge in each authority and shall furnish and deliver to the county treasurer of that county a listing of the properties with information describing the location, legal description, and address of the person to whom the statement of benefit charges is to be mailed, the name of the owner, and the value of the property and improvements, together with the benefit charge to apply to each.
