

**RCW 54.08.070 Construction or acquisition of electric facilities for generation, transmission, or distribution of power—When voter approval required—Election.** Any district which does not own or operate electric facilities for the generation, transmission, or distribution of electric power on March 25, 1969, or any district which hereafter does not construct or acquire such electric facilities within ten years of its creation, shall not construct or acquire any such electric facilities without the approval of such proposal by the voters of such district: PROVIDED, That a district shall have the power to construct or acquire electric facilities within ten years following its creation by action of its commission without voter approval of such action.

At any general election held in an even-numbered year, the proposal to construct or acquire electric facilities may be submitted to the voters of the district by resolution of the public utility district commission or shall be submitted to the voters of the district by the county legislative authority on petition of ten percent of the qualified electors of such district, based on the total vote cast in the last general county election held in an even-numbered year. A form of petition for the construction or acquisition of electric facilities by the public utility district shall be submitted to the county auditor within ten months prior to the election at which such proposition is to be submitted to the voters. Petitions shall be filed with the county auditor not less than four months before such election and the county auditor shall within thirty days examine the signatures thereof and certify to the sufficiency or insufficiency thereof. If such petition is found to be insufficient, it shall be returned to the persons filing the same, who may amend and add names thereto for ten days, when the same shall be returned to the county auditor, who shall have an additional fifteen days to examine the same and attach his or her certificate thereto. No person having signed such petition shall be allowed to withdraw his or her name therefrom after the filing of the same with the county auditor: PROVIDED, That each signature shall be dated and that no signature dated prior to the date on which the form of petition was submitted to the county auditor shall be valid. Whenever such petition shall be certified to as sufficient, the county auditor shall forthwith transmit the same, together with his or her certificate of sufficiency attached thereto, to the county legislative authority which shall submit such proposition to the voters of said district at the next general election in an even-numbered year according to RCW 29A.04.330. The notice of the election shall state the object of such election, and shall in other respects conform to the requirements of the general laws of Washington, governing the time and manner of holding elections.

The proposal submitted to the voters for their approval or rejection, shall be expressed on the ballot substantially in the following terms:

Shall Public Utility District No. . . . . of . . . . . County construct or acquire electric facilities for the generation, transmission or distribution of electric power?

Yes   
No

Within ten days after such election, the election board of the county shall canvass the returns, and if at such election a majority

of the voters voting on such proposition shall vote in favor of such construction or acquisition of electric facilities, the district shall be authorized to construct or acquire electric facilities. [2010 c 8 § 17005; 2006 c 344 § 37; 1979 ex.s. c 240 § 2; 1969 c 106 § 3.]
