

RCW 57.16.140 Excess sewer capacity or water supply not grounds for zoning decision challenge. The construction of or existence of sewer capacity or water supply in excess of the needs of the density allowed by zoning shall not be grounds for any legal challenge to any zoning decision by the county. [1996 c 230 § 504; 1982 c 213 § 4.]

Part headings not law—Effective date—1996 c 230: See notes following RCW 57.02.001.
