

**RCW 68.64.090 Manner in which an anatomical gift may be made—
After donor's death.** (1) A person authorized to make an anatomical gift under RCW 68.64.080 may make an anatomical gift by a document of gift signed by the person making the gift or by that person's oral communication that is electronically recorded or is contemporaneously reduced to a record and signed by the individual receiving the oral communication.

(2) Subject to subsection (3) of this section, an anatomical gift by a person authorized under RCW 68.64.080 may be amended or revoked orally or in a record by any member of a prior class who is reasonably available. If more than one member of the prior class is reasonably available, the gift made by a person authorized under RCW 68.64.080 may be:

(a) Amended only if a majority of the reasonably available members agree to the amending of the gift; or

(b) Revoked only if a majority of the reasonably available members agree to the revoking of the gift or if they are equally divided as to whether to revoke the gift.

(3) A revocation under subsection (2) of this section is effective only if, before an incision has been made to remove a part from the donor's body or before transplant procedures have begun on the recipient, the procurement organization, transplant hospital, or physician or technician knows of the revocation.
