

RCW 70.42.060 Quality control, quality assurance, recordkeeping, and personnel standards. The department shall adopt standards established in rule governing test sites for quality control, quality assurance, recordkeeping, and personnel consistent with federal laws and regulations. "Recordkeeping" for purposes of this chapter means books, files, or records necessary to show compliance with the quality control and quality assurance requirements adopted by the department. [1989 c 386 § 7.]
