

**RCW 70.128.110 Prohibition against recommending unlicensed home
—Report and investigation of unlicensed home.** (1) No public agency contractor or employee shall place, refer, or recommend placement of a person into an adult family home that is operating without a license.

(2) Any public agency contractor or employee who knows that an adult family home is operating without a license shall report the name and address of the home to the department. The department shall investigate any report filed under this section. [1989 c 427 § 23.]
