

RCW 70.335.040 Public registry—Notification of changes. (1)

The department shall create and maintain an online public registry of all registered blood-collecting or distributing establishments that supply blood products for transfusion in Washington.

(2) The department shall, within fourteen days of receipt, publish in the public registry the information received from each registered blood-collecting or distributing establishment under RCW 70.335.030, including changes in the standing of the establishment's United States food and drug administration license.

(3) The department shall notify all of a blood-collecting or distributing establishment's Washington clients within fourteen days of receiving notice under RCW 70.335.030 that the establishment has experienced a change in standing in its United States food and drug administration license or no longer holds a license issued by the United States food and drug administration.
