

RCW 70A.60.090 Refrigerants—Rules. The department shall adopt rules to implement RCW 70A.60.070 and 70A.60.080. Rules shall include but not be limited to minimum performance specifications for refrigerant extraction equipment, procedures under which owners or operators of stationary refrigeration equipment and air conditioning equipment subject to the requirements of RCW 70A.60.030 must provide the department with information related to their use of regulated refrigerants and substitutes, as well as procedures for enforcing RCW 70A.60.070, 70A.60.080, and 70A.60.020. [2021 c 315 § 6; 2020 c 20 § 1160; 1991 c 199 § 604. Formerly RCW 70A.15.6430, 70.94.990.]

Finding—1991 c 199: See note following RCW 70A.15.1005.
