

**RCW 74.09.700 Medical care—Limited casualty program.** (1) To the extent of available funds and subject to any conditions placed on appropriations made for this purpose, medical care may be provided under the limited casualty program to persons not eligible for medical assistance or medical care services who are medically needy as defined in the social security Title XIX state plan and medical indigents in accordance with eligibility requirements established by the authority. The eligibility requirements may include minimum levels of incurred medical expenses. This includes residents of nursing facilities, residents of intermediate care facilities for persons with intellectual disabilities, and individuals who are otherwise eligible for section 1915(c) of the federal social security act home and community-based waiver services, administered by the department who are aged, blind, or disabled as defined in Title XVI of the federal social security act and whose income exceeds three hundred percent of the federal supplement security income benefit level.

(2) Determination of the amount, scope, and duration of medical coverage under the limited casualty program shall be the responsibility of the authority, subject to the following:

(a) Only the following services may be covered:

(i) For persons who are medically needy as defined in the social security Title XIX state plan: Inpatient and outpatient hospital services, and home and community-based waiver services;

(ii) For persons who are medically needy as defined in the social security Title XIX state plan, and for persons who are medical indigents under the eligibility requirements established by the authority: Rural health clinic services; physicians' and clinic services; prescribed drugs, dentures, prosthetic devices, and eyeglasses; nursing facility services; and intermediate care facility services for persons with intellectual disabilities; home health services; hospice services; other laboratory and X-ray services; rehabilitative services, including occupational therapy; medically necessary transportation; and other services for which funds are specifically provided in the omnibus appropriations act;

(b) Medical care services provided to the medically indigent and received no more than seven days prior to the date of application shall be retroactively certified and approved for payment on behalf of a person who was otherwise eligible at the time the medical services were furnished: PROVIDED, That eligible persons who fail to apply within the seven-day time period for medical reasons or other good cause may be retroactively certified and approved for payment.

(3) The authority shall establish standards of assistance and resource and income exemptions. All nonexempt income and resources of limited casualty program recipients shall be applied against the cost of their medical care services.
