

RCW 77.110.010 Declaration. The people of the state of Washington declare that an emergency exists in the management of salmon and steelhead trout resources such that both are in great peril. An immediate resolution of this crisis is essential to perpetuating and enhancing these resources. [1985 c 1 § 1 (Initiative Measure No. 456, approved November 6, 1984). Formerly RCW 75.56.010.]
