

RCW 79.13.530 Geothermal resources—Guidelines for development.

In an effort to increase potential revenue to the geothermal account, the department shall, by December 1, 1991, adopt rules providing guidelines and procedures for leasing state-owned land for the development of geothermal resources. [2003 c 334 § 465; 1991 c 76 § 3. Formerly RCW 79.12.095.]

Intent—2003 c 334: See note following RCW 79.02.010.
