RCW 79A.25.800 Intent.
(1) The legislature recognizes that coordinated funding efforts are needed to maintain, develop, and improve the state's community outdoor athletic fields. Rapid population growth and increased urbanization have caused a decline in suitable outdoor fields for community athletic activities and has resulted in overcrowding and deterioration of existing surfaces. Lack of adequate community outdoor athletic fields directly affects the health and well-being of all citizens of the state, reduces the state's economic viability, and prevents Washington from maintaining and achieving the quality of life that it deserves. Therefore, it is the policy of the state and its agencies to maintain, develop, fund, and improve youth or community athletic facilities, including but not limited to community outdoor athletic fields.
(2) In carrying out this policy, the legislature intends to promote the building of new community outdoor athletic fields, the upgrading of existing community outdoor athletic fields, and the maintenance of existing community outdoor athletic fields across the state of Washington.
