

**RCW 80.50.065 Use of fully coordinated permitting process.**

Applicants utilizing the fully coordinated permitting process under chapter 43.158 RCW are not eligible for permitting under this chapter unless a substantial change is made to the proposed project. Prior to considering an application under this chapter from a project applicant that has previously used the fully coordinated permitting process under chapter 43.158 RCW for that project, the council must determine that the project applicant has made a substantial change to the project, relative to the project as it was proposed under the fully coordinated permitting process.
