

RCW 82.29A.138 Exemptions—Certain amateur radio repeaters. (1)

All leasehold interests in property used for the placement of amateur radio repeaters that are made available for use by, or are used in support of, a public agency in the event of an emergency or potential emergency to which the agency is, or may be, a qualified responder, are exempt from tax under this chapter.

(2) For purposes of this section, "amateur radio repeater" means an electronic device that receives a weak or low-level amateur radio signal and retransmits it at a higher level or higher power, so that the signal can cover longer distances without degradation, and is used by amateur radio operators possessing a valid license issued by the federal communications commission.
