

**RCW 86.15.050 Zones—Supervisors—Election of supervisors. (1)**

The board of county commissioners of each county shall be ex officio, by virtue of their office, supervisors of the zones created in each county. In any zone with more than two thousand residents, an election of supervisors other than the board of county commissioners may be held as provided in this section.

(2) When proposed by citizen petition or by resolution of the board of county commissioners, a ballot proposition authorizing election of the supervisors of a zone shall be submitted by ordinance to the voters residing in the zone at any general election, or at any special election which may be called for that purpose.

(3) The ballot proposition shall be submitted (a) if the board of county supervisors enacts an ordinance submitting the proposition after adopting a resolution proposing the election of supervisors of a zone; or (b) if a petition proposing the election of supervisors of a zone is submitted to the county auditor of the county in which the zone is located that is signed by registered voters within the zone, numbering at least fifteen percent of the votes cast in the last county general election by registered voters within the zone.

(4) Upon receipt of a citizen petition under subsection (3)(b) of this section, the county auditor shall determine whether the petition is signed by a sufficient number of registered voters, using the registration records and returns of the preceding general election, and, no later than forty-five days after receipt of the petition, shall attach to the petition the auditor's certificate stating whether or not sufficient signatures have been obtained. If the signatures are found by the auditor to be insufficient, the petition shall be returned to the person filing it.

(5) The ballot proposition authorizing election of supervisors of zones shall appear on the ballot of the next general election or at the next special election date specified under RCW 29A.04.330 occurring sixty or more days after the last resolution proposing election of supervisors or the date the county auditor certifies that the petition proposing such election contains sufficient valid signatures.

(6) The petition proposing the election of zone supervisors, or the ordinance submitting the question to the voters, shall describe the proposed election process. The ballot proposition shall include the following:

"For the direct election of flood control zone district supervisors."

"Against the direct election of flood control zone district supervisors."

(7) The ordinance or petition submitting the ballot proposition shall designate the proposed composition of the supervisors of zones, which shall be clearly described in the ballot proposition. The ballot proposition shall state that the zone supervisors shall thereafter be selected by election, and, at the same election at which the proposition is submitted to the voters as to whether to elect zone supervisors, three zone supervisors shall be elected. The election of zone supervisors is null and void if the voters, by a simple majority, do not approve the direct election of the zone supervisors. Candidates shall run for specific supervisor positions. No primary may be held to nominate candidates. The person receiving the greatest number of votes for each position shall be elected as a supervisor. The staggering of

the terms of office shall occur as follows: (a) The person who is elected receiving the greatest number of votes shall be elected to a six-year term of office if the election is held in an odd-numbered year or a five-year term of office if the election is held in an even-numbered year; (b) the person who is elected receiving the second greatest number of votes shall be elected to a four-year term of office if the election is held in an odd-numbered year or a three-year term of office if the election is held in an even-numbered year; and (c) the other person who is elected shall be elected to a two-year term of office if the election is held in an odd-numbered year or a one-year term of office if the election is held in an even-numbered year. The initial supervisors shall take office immediately when they are elected and qualified, and for purposes of computing their terms of office the terms shall be assumed to commence on the first day of January in the year after they are elected. Thereafter, all supervisors shall be elected to six-year terms of office. All supervisors shall serve until their respective successors are elected and qualified and assume office in accordance with RCW 29A.60.280. Vacancies may occur and shall be filled as provided in chapter 42.12 RCW.

(8) The costs and expenses directly related to the election of zone supervisors shall be borne by the zone. [2015 c 53 § 102; 2003 c 304 § 1; 1961 c 153 § 5.]
