

RCW 71.09.099 Conditional release to less restrictive alternative—Conditional release and transition facilities study. To facilitate the primary role of the department in identifying less restrictive alternative placements under RCW 71.09.090 and discharge planning under RCW 71.09.080, subject to the availability of amounts appropriated for this specific purpose, the department shall conduct a study to explore the development of conditional release and transition facilities, which may include community-based state-operated living alternatives similar to the state-operated living alternative program operated by the developmental disabilities administration. Any facilities or placements developed under this section may be identified through a request for proposal process or through direct state acquisition and development. Any contracts with facilities or placements entered into under this section shall include a provision requiring oversight by the department to ensure the programs are operating appropriately.
