

**RCW 13.32A.082 Providing shelter to minor—Requirement to notify parent, law enforcement, or department.** (1)(a) Except as provided in (b) of this subsection, any person, unlicensed youth shelter, or runaway and homeless youth program that, without legal authorization, provides shelter to a minor and that knows at the time of providing the shelter that the minor is away from a lawfully prescribed residence or home without parental permission, shall promptly report the location of the child to the parent, the law enforcement agency of the jurisdiction in which the person lives, or the department.

(b)(i) If a licensed overnight youth shelter, or another licensed organization with a stated mission to provide services to homeless or runaway youth and their families, shelters a child and knows at the time of providing the shelter that the child is away from a lawfully prescribed residence or home without parental permission, it must contact the youth's parent within 72 hours, but preferably within 24 hours, following the time that the youth is admitted to the shelter or other licensed organization's program. The notification must include the whereabouts of the youth, a description of the youth's physical and emotional condition, and the circumstances surrounding the youth's contact with the shelter or organization. If there are compelling reasons not to notify the parent, the shelter or organization must instead notify the department. When a minor remains in a licensed overnight youth shelter or with another licensed organization with a stated mission to provide services to homeless or runaway youth and their families under subsection (1)(b)(i)(A) and (B) of this section [(b)(i)(A) and (B) of this subsection], the shelter or organization must also notify the department. A minor may provide authorization to remain in a licensed overnight youth shelter or with another licensed organization with a stated mission to provide services to homeless or runaway youth and their families, subject to any limits established by those licensed shelters or organizations, for up to 90 days if:

(A) The licensed overnight youth shelter or other licensed organization with a stated mission to provide services to homeless or runaway youth and their families is unable to make contact with a parent despite their notification efforts required under this section; or

(B) The licensed overnight youth shelter or other licensed organization with a stated mission to provide services to homeless or runaway youth and their families makes contact with a parent, but the parent does not request that the child return home even if the parent does not provide consent for the minor remaining in the licensed overnight youth shelter or other licensed organization with a stated mission to provide services to homeless or runaway youth.

(ii) At least once every eight hours after learning that a youth receiving services or shelter under this section is away from home without permission, the shelter or organization staff must consult the information that the Washington state patrol makes publicly available under RCW 43.43.510(2). If the youth is publicly listed as missing, the shelter or organization must immediately notify the department of its contact with the youth listed as missing. The notification must include a description of the minor's physical and emotional condition and the circumstances surrounding the youth's contact with the shelter or organization.

(c) Reports required under this section may be made by telephone or any other reasonable means.

(2) Unless the context clearly requires otherwise, the definitions in this subsection apply throughout this section.

(a) "Shelter" means the person's home or any structure over which the person has any control.

(b) "Promptly report" means to report within eight hours after the person has knowledge that the minor is away from a lawfully prescribed residence or home without parental permission.

(c) "Compelling reasons" include, but are not limited to:

(i) Circumstances that indicate that notifying the parent or legal guardian will subject the minor to abuse or neglect as defined in RCW 26.44.020; or

(ii) When a minor is seeking or receiving protected health care services.

(d) "Protected health care services" means gender-affirming treatment as defined in RCW 74.09.675 and reproductive health care services as defined in RCW 74.09.875.

(3) (a) When the department receives a report under subsection (1) of this section, it shall make a good faith attempt to notify the parent that a report has been received and offer services to the youth and the family designed to resolve the conflict, including offering family reconciliation services, and accomplish a reunification of the family. The department shall offer services under this subsection as soon as possible, but no later than three days, excluding weekends and holidays, following the receipt of a report under subsection (1) of this section.

(b) When the department receives a report under subsection (1) of this section for a minor who is seeking or receiving protected health care services, it shall:

(4) Nothing in this section prohibits any person, unlicensed youth shelter, or runaway and homeless youth program from immediately reporting the identity and location of any minor who is away from a lawfully prescribed residence or home without parental permission more promptly than required under this section.

(5) Nothing in this section limits a person's duty to report child abuse or neglect as required by RCW 26.44.030 or removes the requirement that the law enforcement agency of the jurisdiction in which the person lives be notified. **Findings—Intent—2023 c 408:** "The legislature finds that unsheltered homelessness for youth poses a serious threat to their health and safety. The Trevor project has found that one in three transgender youth report attempting suicide. Homelessness amongst transgender youth can further endanger an already at-risk population. The legislature further finds that barriers to accessing shelter can place a chilling effect on exiting unsheltered homelessness and therefore create additional risk and dangers for youth. Youth seeking

certain medical services are especially at risk and vulnerable. Therefore, the legislature intends to remove barriers to accessing temporary, licensed shelter accommodations for youth seeking certain protected health care services." [2023 c 408 § 1.]

**Effective date—2011 c 151 § 1:** "Section 1 of this act takes effect July 1, 2012." [2011 c 151 § 2.]

**Findings—2010 c 229:** "The legislature finds that youth services provide safety to youth on the streets and are a critical pathway to ensuring the youth's return home. Runaway youth are without protection, live under the threat of violence, and fall victim to predators who exploit their vulnerability. The policy of this state is to provide assistance to youth in crisis and to protect and preserve families. In order to effectively serve youth on the streets and promote their safe return home, shelters must have the time to establish and maintain an environment that facilitates open communication and trust.

The legislature also finds that parents of runaway youth have an interest in knowing their sons and daughters are safe in a shelter, rather than on the streets without protection. The legislature further finds that law enforcement and the department can notify a parent that the youth is safe, without disclosing the youth's location or compromising the ability of youth services providers to effectively assist youth in crisis." [2010 c 229 § 1.]
