**RCW 18.04.015 Purpose.** (1) It is the policy of this state and the purpose of this chapter:

(a) To promote the dependability of information which is used for guidance in financial transactions or for accounting for or assessing the status or performance of commercial and noncommercial enterprises, whether public, private or governmental; and

(b) To protect the public interest by requiring that:

(i) Persons who hold themselves out as licensees conduct themselves in a competent, ethical, and professional manner;

(ii) A public authority be established that is competent to prescribe and assess the qualifications of certified public accountants;

(iii) Persons other than licensees refrain from using the words "audit," "review," and "compilation" when designating a report customarily prepared by someone knowledgeable in accounting;

(iv) A public authority be established to provide for consumer alerts and public protection information to be published regarding persons or firms who violate the provisions of chapter 294, Laws of 2001 or board rule and to provide general consumer protection information to the public; and

(v) The use of accounting titles likely to confuse the public be prohibited. However as of June 30, 2024, an individual holding a CPA-inactive certificate must be designated as a licensee with an inactive status.

(2) The purpose of chapter 294, Laws of 2001 is to make revisions to chapter 234, Laws of 1983 and chapter 103, Laws of 1992 to: Fortify the public protection provisions of chapter 294, Laws of 2001; establish one set of qualifications to be a licensee; revise the regulations of certified public accountants; make revisions in the ownership of certified public accounting firms; assure to the greatest extent possible that certified public accountants from Washington state are substantially equivalent with certified public accountants in other states and can therefore perform the duties of certified public accountants in as many states and countries as possible; assure certified public accountants from other states and countries have met qualifications that are substantially equivalent to the certified public accountant qualifications of this state; and clarify the authority of the board of accountancy with respect to the activities of persons holding licenses and certificates under this chapter. It is not the intent of chapter 294, Laws of 2001 to in any way restrict or limit the activities of persons not holding licenses or certificates under this chapter except as otherwise specifically restricted or limited by chapter 234, Laws of 1983 and chapter 103, Laws of 1992.

(3) A purpose of chapter 103, Laws of 1992, revising provisions of chapter 234, Laws of 1983, is to clarify the authority of the board of accountancy with respect to the activities of persons holding certificates under this chapter. Furthermore, it is not the intent of chapter 103, Laws of 1992 to in any way restrict or limit the activities of persons not holding certificates under this chapter except as otherwise specifically restricted or limited by chapter 234, Laws of 1983. [2022 c 85 § 1; 2001 c 294 § 1; 1992 c 103 § 1; 1983 c 234 § 2.]

**Effective date—2001 c 294:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect July 1, 2001." [2001 c 294 § 24.]

(20) "Report," when used with reference to any attest or compilation service, means an opinion, report, or other form of language that states or implies assurance as to the reliability of the attested information or compiled financial statements and that also includes or is accompanied by any statement or implication that the person or firm issuing it has special knowledge or competence in the practice of public accounting. In ascertaining substantial equivalency and substantially equivalent as used in this chapter the board shall take into account the qualifications without regard to the sequence in which experience, education, or examination requirements were attained. [2022 c 85 § 2; 2016 c 127 § 1; 2008 c 16 § 2; 2001 c 294 § 2; 1999 c 378 § 1; 1994 c 211 § 1401; 1992 c 103 § 2; 1986 c 295 § 1; 1983 c 234 § 3.]

**Alphabetization—2008 c 16:** "The code reviser shall alphabetize and renumber the definitions in RCW 18.04.025 and correct any references." [2008 c 16 § 7.]

**Finding—Intent—2008 c 16:** "The legislature finds the multiple state licensing and registering requirements for certified public accountants to be cumbersome and an unnecessary constraint on the consumers of professional certified public accountant services. In the majority of United States jurisdictions, certified public accountants are licensed based on substantially equivalent education, national exam, and experience requirements. Yet in order to serve their various client needs, certified public accountants must often delay service while they first spend countless hours and dollars to register with regulators in the jurisdictions of the client.

To clarify the legislative intent of chapter 294, Laws of 2001, reduce the administrative licensing burden on certified public accountants licensed in any substantially equivalent jurisdiction, and facilitate consumer choice, the legislature intends to eliminate the requirement for out-of-state certified public accountants to notify the Washington state board of accountancy of intent to practice and pay a fee; however, firms providing audit or opinion-type services would be required to be licensed in this state. The requirement for notification will be replaced with "consent to automatic jurisdiction," which clarifies the legal disciplinary authority of the Washington state board of accountancy over out-of-state certified public accountants practicing in Washington state. This allows the board to more efficiently protect consumers while facilitating practice mobility and consumer choice." [2008 c 16 § 1.]

**Effective date—2001 c 294:** See note following RCW 18.04.015.

**Effective date—1994 c 211:** "This act shall take effect October 1, 1994." [1994 c 211 § 1312.]

**RCW 18.04.035 Board of accountancy—Members—Terms—Vacancies—Removal.** (1) There is created a board of accountancy for the state of Washington to be known as the Washington state board of accountancy.

Effective June 30, 2001, the board shall consist of nine members appointed by the governor. Members of the board shall include six persons who have been licensed in this state continuously for the previous ten years. Three members shall be public members qualified to judge whether the qualifications, activities, and professional practice of those regulated under this chapter conform with standards to protect the public interest, including one public member qualified to represent the interests of clients of individuals and firms licensed under this chapter.

(2) The members of the board shall be appointed by the governor to a term of three years. Vacancies occurring during a term shall be filled by appointment for the unexpired term. Upon the expiration of a member's term of office, the member shall continue to serve until a successor has been appointed and has assumed office. The governor shall remove from the board any member whose license to practice has been revoked or suspended and may, after hearing, remove any member of the board for neglect of duty or other just cause. No person who has served three successive complete terms is eligible for reappointment. Appointment to fill an unexpired term is not considered a complete term. In order to stagger their terms, of the two new appointments made to the board upon June 11, 1992, the first appointed member shall serve a term of two years initially. [2004 c 159 § 1; 2001 c 294 § 3; 1992 c 103 § 3; 1986 c 295 § 2; 1983 c 234 § 4.]

The executive director may employ such personnel as is appropriate for carrying out the purposes of this chapter. The executive director shall hold a valid Washington license. witnesses and compel their attendance, take testimony, and require that documentary evidence be submitted.

(8) The board may review the publicly available professional work of licensees on a general and random basis, without any requirement of a formal complaint or suspicion of impropriety on the part of any particular licensee. If as a result of such review the board discovers reasonable grounds for a more specific investigation, the board may proceed under its investigative and disciplinary rules.

(9) The board may provide for consumer alerts and public protection information to be published regarding persons or firms who violate the provisions of this chapter or board rule and may provide general consumer protection information to the public.

(10) As provided in RCW 18.04.370, the board may enter into stipulated agreements and orders of assurance with persons who have violated the provisions of RCW 18.04.345 or certify the facts to the prosecuting attorney of the county in which such person resides for criminal prosecution. [2001 c 294 § 4; 1992 c 103 § 4; 1986 c 295 § 3; 1983 c 234 § 5.]

**Effective date—2001 c 294:** See note following RCW 18.04.015.

**RCW 18.04.055 Board—Rules.** The board may adopt and amend rules under chapter 34.05 RCW for the orderly conduct of its affairs. The board shall prescribe rules consistent with this chapter as necessary to implement this chapter. Included may be:

(1) Rules of procedure to govern the conduct of matters before the board;

The board may refuse to grant a license on the ground of failure to satisfy this requirement only if there is a substantial connection between the lack of good character of the applicant and the professional and ethical responsibilities of a licensee and if the finding by the board of lack of good character is supported by a preponderance of evidence. When an applicant is found to be unqualified for a license because of a lack of good character, the board shall furnish the applicant a statement containing the findings of the board and a notice of the applicant's right of appeal;

(b) Who has met the educational standards established by rule as the board determines to be appropriate;

(c) Who has passed an examination;

(d) Who has had one year of experience which is gained:

The board shall prescribe by rule the methods of applying for and taking the examination, including methods for grading examinations and determining a passing grade required of an applicant for a license. The board shall to the extent possible see to it that the grading of the examination, and the passing grades, are uniform with those applicable to all other states. The board may make use of all or a part of the uniform certified public accountant examination and advisory grading service of the American Institute of Certified Public Accountants and may contract with third parties to perform administrative services with respect to the examination as the board deems appropriate to assist it in performing its duties under this chapter. The board shall establish by rule provisions for transitioning to a new examination structure or to a new media for administering the examination.

(3) No firm with an office in this state may perform or offer to perform attest services as defined in RCW 18.04.025(1) or compilation services as defined in RCW 18.04.025(5) unless the firm is licensed under RCW 18.04.195 and all offices of the firm in this state are maintained and registered under RCW 18.04.205. (4) No firm may perform the services defined in RCW 18.04.025(1) in this state unless the firm is licensed under RCW 18.04.195, renews the firm license as required under RCW 18.04.215, and all offices of the firm in this state are maintained and registered under RCW 18.04.205.

(5) No individual, partnership, limited liability company, or corporation offering public accounting services to the public may hold himself, herself, or itself out to the public, or assume or use along, or in connection with his, hers, or its name, or any other name the title or designation "certified accountant," "chartered accountant," "licensed accountant," "licensed public accountant," "public accountant," or any other title or designation likely to be confused with "certified public accountant" or any of the abbreviations "CA," "LA," "LPA," or "PA," or similar abbreviations likely to be confused with "CPA."

Nothing in this chapter requires individuals to be licensed as an acupuncturist or acupuncture and Eastern medicine practitioner in order to provide the techniques and services in subsection (1)(n) through (r) of this section or to sell herbal products. [2021 c 87 § 1; 2019 c 308 § 2; 2016 c 97 § 1; 2010 c 286 § 2; 1995 c 323 § 4; 1992 c 110 § 1; 1991 c 3 § 4; 1985 c 326 § 1.]

**Findings—2019 c 308:** "The legislature finds that acupuncture and Eastern medicine is a holistic system of medicine that has developed through traditional medical practices in China, Japan, Korea, and the other East Asian countries.

The legislature finds that the practice of acupuncture has become mainstream in the health care system nationally and internationally. The legislature intends to align the professional title of acupuncture with state and federal designations for the profession, defining it as

a comprehensive system of medicine. For the purposes of this act, the term Eastern medicine is more inclusive of the broader system of medicine and can be used interchangeably with acupuncture.

The legislature does not intend to require persons currently licensed under this chapter to change the business name of their practice if otherwise in compliance with this chapter." [2019 c 308 § 1.]

**RCW 18.06.020 Practice without license unlawful.** (1) No one may hold themselves out to the public as an acupuncturist, licensed acupuncturist, acupuncture and Eastern medicine practitioner, or any derivative thereof which is intended to or is likely to lead the public to believe such a person is an acupuncturist, licensed acupuncturist[,], or acupuncture and Eastern medicine practitioner, unless licensed as provided for in this chapter.

(2) A person may not practice acupuncture or Eastern medicine if the person is not licensed under this chapter.

(3) No one may use any configuration of letters after their name (including L.Ac., EAMP, or AEMP) which indicates a degree or formal training in acupuncture or Eastern medicine unless licensed as provided for in this chapter.

(4) The secretary may by rule proscribe or regulate advertising and other forms of patient solicitation which are likely to mislead or deceive the public as to whether someone is licensed under this chapter.

(5) A person licensed under this chapter may use the title acupuncture and Eastern medicine practitioner and may use the letters AEMP indicating such license. However, nothing in this section prohibits or limits in any way a practitioner licensed under this chapter from alternatively holding himself or herself out as an acupuncturist, licensed acupuncturist, or East Asian medicine practitioner or from using the letters L.Ac. or EAMP after his or her name. [2019 c 308 § 3; 2010 c 286 § 3; 1995 c 323 § 5; 1991 c 3 § 5; 1985 c 326 § 2.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**RCW 18.06.045 Exemptions from chapter.** Nothing in this chapter shall be construed to prohibit or restrict:

(1) The practice by an individual credentialed under the laws of this state and performing services within such individual's authorized scope of practice;

(2) The practice by an individual employed by the government of the United States while engaged in the performance of duties prescribed by the laws of the United States;

(3) The practice by a person who is a regular student in an educational program approved by the secretary, and whose performance of services is pursuant to a regular course of instruction or assignments from an instructor and under the general supervision of the instructor;

(4) The practice of acupuncture or Eastern medicine by any person credentialed to perform acupuncture or Eastern medicine in any other jurisdiction where such person is doing so in the course of regular instruction of a school of acupuncture, Eastern medicine, traditional

Chinese medicine, or medical traditions from Japan, Korea, or other East Asian countries, approved by the secretary or in an educational seminar by a professional organization of acupuncture or Eastern medicine, provided that in the latter case, the practice is supervised directly by a person licensed under this chapter or licensed under any other healing art whose scope of practice is acupuncture and Eastern medicine. [2019 c 308 § 4; 2010 c 286 § 4; 1995 c 323 § 6; 1992 c 110 § 2.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**RCW 18.06.050 Applications for licensure—Qualifications.** Any person seeking to be licensed shall present to the secretary:

(1) A written application on a form or forms provided by the secretary setting forth under affidavit such information as the secretary may require; and

(2) Proof that the candidate has:

(a) Successfully completed a course, approved by the secretary, of didactic training in basic sciences and acupuncture and Eastern medicine over a minimum period of two academic years. The training shall include such subjects as anatomy, physiology, microbiology, biochemistry, pathology, hygiene, and a survey of western clinical sciences. The basic science classes must be equivalent to those offered at the collegiate level. However, if the applicant is a licensed chiropractor under chapter 18.25 RCW or a naturopath licensed under chapter 18.36A RCW, the requirements of this subsection relating to basic sciences may be reduced by up to one year depending upon the extent of the candidate's qualifications as determined under rules adopted by the secretary;

(b) Successfully completed five hundred hours of clinical training in acupuncture or Eastern medicine that is approved by the secretary. [2019 c 308 § 5; 2010 c 286 § 5; 2004 c 262 § 2; 1991 c 3 § 7; 1987 c 447 § 15; 1985 c 326 § 5.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**Findings—2004 c 262:** "The legislature finds that the health care workforce shortage is contributing to the health care crisis. The legislature also finds that some unnecessary barriers exist that slow or prevent qualified applicants from becoming credentialed health care providers. The legislature further finds that eliminating these initial barriers to licensure will contribute to state initiatives directed toward easing the health care personnel shortage in Washington." [2004 c 262 § 1.]

**RCW 18.06.060 Approval of educational programs.** The department shall consider for approval any school or program that meets the requirements outlined in this chapter and provides the training required under RCW 18.06.050. Clinical and didactic training may be approved as separate programs or as a joint program. The process for approval shall be established by the secretary by rule. [2019 c 308 § 6; 1991 c 3 § 8; 1985 c 326 § 6.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**RCW 18.06.080 Authority of secretary—Examination—Contents—Immunity.** (1) The secretary is hereby authorized and empowered to execute the provisions of this chapter and shall offer examinations in order to become a licensed acupuncturist or acupuncture and Eastern medicine practitioner at least twice a year at such times and places as the secretary may select. The examination shall be a written examination and may include a practical examination.

(2) The secretary shall approve a licensure examination in the subjects that the secretary determines are within the scope of and commensurate with the work performed by an acupuncturist or acupuncture and Eastern medicine practitioner and shall include but not necessarily be limited to anatomy, physiology, microbiology, biochemistry, pathology, hygiene, acupuncture, and Eastern medicine. All application papers shall be deposited with the secretary and there retained for at least one year, when they may be destroyed.

(3) If the examination is successfully passed, the secretary shall confer on such candidate the title of acupuncturist or acupuncture and Eastern medicine practitioner. [2019 c 308 § 7; 2010 c 286 § 6; 2009 c 560 § 2; 1995 c 323 § 7; 1994 sp.s. c 9 § 502; 1992 c 110 § 3; 1991 c 3 § 10; 1985 c 326 § 8.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**Intent—2009 c 560:** "One of the key roles of advisory boards, committees, and commissions is to provide input, advice and recommendations from stakeholders, other interested parties, and the public to state agencies. Some advisory boards, committees, and commissions may be abolished without detriment to the mission of the agency each supports. Most of the advisory functions of some boards, committees, and commissions can be performed without the administrative costs of maintaining formal organizations. In the interest of building a leaner, more efficient, and more responsible government, this vital communications conduit must be maintained for the benefit of the state and its citizens, through the use of modern communication technology. It is the intent of the legislature this interim to identify criteria to evaluate those advisory boards, committees, and commissions that may be eliminated or consolidated, and for agencies to identify new, less costly, and more effective opportunities to ensure a broad range of citizen participation is provided and that all reasonable efforts are made to ensure that channels are maintained for vital input from the citizens of Washington." [2009 c 560 § 1.]

**Effective date—2009 c 560:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect June 30, 2009." [2009 c 560 § 30.]

**Disposition of property and funds—Assignment/delegation of contractual rights or duties—2009 c 560:** "(1) All documents and papers, equipment, or other tangible property in the possession of the terminated entity shall be delivered to the custody of the entity assuming the responsibilities of the terminated entity or if such responsibilities have been eliminated, documents and papers shall be delivered to the state archivist and equipment or other tangible property to the \*department of general administration.

(2) All funds held by, or other moneys due to, the terminated entity shall revert to the fund from which they were appropriated, or if that fund is abolished to the general fund.

(3) All contractual rights and duties of an entity shall be assigned or delegated to the entity assuming the responsibilities of the terminated entity, or if there is none to such entity as the governor shall direct." [2009 c 560 § 28.]

**\*Reviser's note:** The department of general administration was renamed the department of enterprise services by 2011 1st sp.s. c 43 § 107.

[1995 c 323 § 8; 1985 c 326 § 9.]

**RCW 18.06.100 Investigation of applicant's background.** Each applicant shall, as part of his or her application, furnish written consent to an investigation of his or her personal background, professional training, and experience by the department or any person acting on its behalf. [1985 c 326 § 10.]

(2) All fees collected under this section and \*RCW 18.06.070 shall be credited to the health professions account as required under RCW 43.70.320. [2010 c 286 § 7; 1996 c 191 § 3; 1995 c 323 § 10; 1992 c 110 § 4; 1991 c 3 § 12; 1985 c 326 § 12.]

(2) A person violating this section is guilty of a misdemeanor. [2019 c 308 § 8; 2010 c 286 § 8; 2003 c 53 § 121; 1995 c 323 § 11; 1991 c 3 § 13; 1985 c 326 § 13.]

**Findings—2019 c 308:** See note following RCW 18.06.010.

**Intent—Effective date—2003 c 53:** See notes following RCW 2.48.180.

**RCW 18.06.140 Consultation with other health care practitioners—Patient waiver—Emergencies—Penalty.** (1) When a person licensed under this chapter sees patients with potentially serious disorders such as cardiac conditions, acute abdominal symptoms, and such other conditions, the practitioner shall immediately request a consultation or recent written diagnosis from a primary health care provider licensed under chapter 18.71, 18.57, 18.36A, or 18.71A RCW or RCW 18.79.050. In the event that the patient with the disorder refuses to authorize such consultation or provide a recent diagnosis from such primary health care provider, acupuncture or Eastern medicine treatments may only be continued after the patient signs a written waiver acknowledging the risks associated with the failure to pursue treatment from a primary health care provider. The waiver must also include: (a) An explanation of an acupuncturist's or acupuncture and Eastern medicine practitioner's scope of practice, including the services and techniques acupuncturists or acupuncture and Eastern medicine practitioners are authorized to provide and (b) a statement that the services and techniques that an acupuncturist or acupuncture and Eastern medicine practitioner is authorized to provide will not resolve the patient's underlying potentially serious disorder. **RCW 18.06.190 Licensing by endorsement.** The secretary may license a person without examination if such person is credentialed as an acupuncturist or acupuncture and Eastern medicine practitioner, or equivalent, in another jurisdiction if, in the secretary's judgment, the requirements of that jurisdiction are equivalent to or greater than those of Washington state. [2019 c 308 § 10; 2010 c 286 § 10; 1995 c 323 § 13; 1991 c 3 § 18; 1985 c 326 § 19.]

The amount shall be based on the value of the goods and real estate sold at auctions conducted, supervised, arranged, sponsored, or managed by the auction company during the previous calendar year or, for a new auction company, the estimated value of the goods and real estate to be sold at auction during the current calendar year. The director shall establish by rule the procedures to be used for determining the amount of auction company bonds or other security.

(5) If any licensee fails or is alleged to have failed to comply with the provisions of this chapter or the agency rules adopted pursuant to this chapter, the director may hold a hearing in accordance with chapter 34.05 RCW, determine those persons who are proven claimants under the bond, and, if appropriate, distribute the bond proceeds to the proven claimants. The state or an injured person may also bring an action against the bond in superior court. The liability of the surety shall be only for actual damages and shall not exceed the amount of the bond.

(6) Damages that exceed the amount of the bond may be remedied by actions against the auctioneer or the auction company under RCW 18.11.260 or other available remedies at law. [1987 c 336 § 2; 1986 c 324 § 8.]

If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order. **Intent—2022 c 35:** "It is the intent of the legislature to help resolve issues relating to professional licensing for cosmetologists, hair designers, barbers, manicurists, estheticians, master estheticians, and instructors. The COVID-19 pandemic has affected all Washingtonians in different ways, and many people licensed to instruct or practice cosmetology, hair design, barbering, manicuring, and esthetics may not have renewed their license within the one year expiration window and, as a result, had their license canceled. The legislature intends to allow individuals whose licenses were canceled for failure to renew within the expiration period during the pandemic an opportunity to renew their license. Moving forward, the legislature intends to study barriers to maintaining a professional cosmetologist license in order to address this issue in a comprehensive way in the 2023 legislative session." [2022 c 35 § 1.]

**Notice of chapter 51, Laws of 2004—Effective date—2004 c 51:** See notes following RCW 18.16.060.

The legislature recognizes that access to federal financial aid is a major avenue for overcoming financial barriers to higher education for many students in Washington. The legislature recognizes that recent federal changes in federal regulations require the adjustment of definitions of certain postsecondary institutions in state statutes to ensure that those schools that currently meet the requirements are eligible for student financial aid programs provided by the federal government." (7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(8) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(a) At least 25 persons;

(b) A state or federal governmental subdivision or agency; or

(c) An association having at least 25 members.

(9) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(a) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) All hearings will be recorded. A copy of the recording will be made available on request.

(d) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(10) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(12) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(13) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(d) Protect public health and safety.

(14) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission. [2023 c 58 § 11.]

**RCW 18.17.110 Oversight—Dispute resolution—Enforcement.** (1) Oversight.

(a) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination. If the commission determines that a member state has defaulted in the

performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(a) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the commission; and

(b) Provide remedial training and specific technical assistance regarding the default.

(3) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(4) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(5) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(6) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(7) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(8) Dispute resolution.

(a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(9) Enforcement.

(a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney's fees.

(c) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law. [2023 c 58 § 12.]

**RCW 18.17.120 Date of implementation of the counseling compact commission and associated rules, withdrawal, and amendment.** (1) The compact shall come into effect on the date on which the compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rule-making powers necessary to the implementation and administration of the compact.

(2) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(3) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's professional counseling licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(4) Nothing contained in this compact shall be construed to invalidate or prevent any professional counseling licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states. [2023 c 58 § 13.]

**RCW 18.17.130 Construction—Severability.** This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the Constitution of any member state, the compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters. [2023 c 58 § 14.]

**RCW 18.17.140 Binding effect of compact and other laws.** (1) A licensee providing professional counseling services in a remote state under the privilege to practice shall adhere to the laws and regulations, including scope of practice, of the remote state.

(2) Nothing herein prevents enforcement of any other law of a member state that is not inconsistent with the compact.

(3) Any laws in a member state in conflict with the compact are superseded to the extent of the conflict.

(4) Any lawful actions of the commission, including all rules and bylaws properly promulgated by the commission, are binding upon the member states.

(5) All permissible agreements between the commission and the member states are binding in accordance with their terms.

(6) In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state. [2023 c 58 § 15.]

**RCW 18.20.010 Purpose.** The purpose of this chapter is to provide for the development, establishment, and enforcement of standards for the maintenance and operation of assisted living facilities, which, in the light of advancing knowledge, will promote safe and adequate care of the individuals therein. It is further the intent of the legislature that assisted living facilities be available to meet the needs of those for whom they care by recognizing the capabilities of individuals to direct their self-medication or to use supervised self-medication techniques when ordered and approved by a physician licensed under chapter 18.57 or 18.71 RCW or a podiatric physician and surgeon licensed under chapter 18.22 RCW.

The legislature finds that many residents of community-based long-term care facilities are vulnerable and their health and well-being are dependent on their caregivers. The quality, skills, and knowledge of their caregivers are often the key to good care. The legislature finds that the need for well-trained caregivers is growing as the state's population ages and residents' needs increase. The legislature intends that current training standards be enhanced. [2012 c 10 § 1. Prior: 2000 c 171 § 3; 2000 c 121 § 1; 1985 c 297 § 1; 1957 c 253 § 1.]

**Application—2012 c 10:** "All department of social and health services rules that apply to licensed boarding homes on June 7, 2012, continue in effect and apply to licensed assisted living facilities, as defined in RCW 18.20.020." [2012 c 10 § 75.]

**RCW 18.20.020 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adult day services" means care and services provided to a nonresident individual by the assisted living facility on the assisted

living facility premises, for a period of time not to exceed ten continuous hours, and does not involve an overnight stay.

(2) "Assisted living facility" means any home or other institution, however named, which is advertised, announced, or maintained for the express or implied purpose of providing housing, basic services, and assuming general responsibility for the safety and well-being of the residents, and may also provide domiciliary care, consistent with chapter 142, Laws of 2004, to seven or more residents after July 1, 2000. However, an assisted living facility that is licensed for three to six residents prior to or on July 1, 2000, may maintain its assisted living facility license as long as it is continually licensed as an assisted living facility. "Assisted living facility" shall not include facilities certified as group training homes pursuant to RCW 71A.22.040, nor any home, institution or section thereof which is otherwise licensed and regulated under the provisions of state law providing specifically for the licensing and regulation of such home, institution or section thereof. Nor shall it include any independent senior housing, independent living units in continuing care retirement communities, or other similar living situations including those subsidized by the department of housing and urban development.

(3) "Basic services" means housekeeping services, meals, nutritious snacks, laundry, and activities.

(4) "Department" means the state department of social and health services.

(5) "Domiciliary care" means: Assistance with activities of daily living provided by the assisted living facility either directly or indirectly; or health support services, if provided directly or indirectly by the assisted living facility; or intermittent nursing services, if provided directly or indirectly by the assisted living facility.

(6) "General responsibility for the safety and well-being of the resident" means the provision of the following: Prescribed general low sodium diets; prescribed general diabetic diets; prescribed mechanical soft foods; emergency assistance; monitoring of the resident; arranging health care appointments with outside health care providers and reminding residents of such appointments as necessary; coordinating health care services with outside health care providers consistent with RCW 18.20.380; assisting the resident to obtain and maintain glasses, hearing aids, dentures, canes, crutches, walkers, wheelchairs, and assistive communication devices; observation of the resident for changes in overall functioning; blood pressure checks as scheduled; responding appropriately when there are observable or reported changes in the resident's physical, mental, or emotional functioning; or medication assistance as permitted under RCW 69.41.085 and as defined in RCW 69.41.010.

(7) "Legal representative" means a person or persons identified in RCW 7.70.065 who may act on behalf of the resident pursuant to the scope of their legal authority. The legal representative shall not be affiliated with the licensee, assisted living facility, or management company, unless the affiliated person is a family member of the resident.

(8) "Nonresident individual" means a person who resides in independent senior housing, independent living units in continuing care retirement communities, or in other similar living environments or in an unlicensed room located within an assisted living facility. Nothing in this chapter prohibits nonresidents from receiving one or

more of the services listed in RCW 18.20.030(5) or requires licensure as an assisted living facility when one or more of the services listed in RCW 18.20.030(5) are provided to nonresidents. A nonresident individual may not receive domiciliary care, as defined in this chapter, directly or indirectly by the assisted living facility and may not receive the items and services listed in subsection (6) of this section, except during the time the person is receiving adult day services as defined in this section.

(9) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof.

(10) "Resident" means an individual who is not related by blood or marriage to the operator of the assisted living facility, and by reason of age or disability, chooses to reside in the assisted living facility and receives basic services and one or more of the services listed under general responsibility for the safety and well-being of the resident and may receive domiciliary care or respite care provided directly or indirectly by the assisted living facility and shall be permitted to receive hospice care through an outside service provider when arranged by the resident or the resident's legal representative under RCW 18.20.380.

(11) "Resident applicant" means an individual who is seeking admission to a licensed assisted living facility and who has completed and signed an application for admission, or such application for admission has been completed and signed in their behalf by their legal representative if any, and if not, then the designated representative if any.

(12) "Resident's representative" means a person designated voluntarily by a competent resident, in writing, to act in the resident's behalf concerning the care and services provided by the assisted living facility and to receive information from the assisted living facility, if there is no legal representative. The resident's competence shall be determined using the criteria in chapter 11.130 RCW. The resident's representative may not be affiliated with the licensee, assisted living facility, or management company, unless the affiliated person is a family member of the resident. The resident's representative shall not have authority to act on behalf of the resident once the resident is no longer competent.

(13) "Secretary" means the secretary of social and health services. [2020 c 312 § 726. Prior: 2012 c 10 § 2; prior: 2011 c 366 § 2; 2006 c 242 § 1; 2004 c 142 § 1; 2003 c 231 § 2; 2000 c 47 § 1; 1998 c 272 § 14; 1991 c 3 § 34; 1989 c 329 § 1; 1985 c 213 § 4; 1979 c 141 § 25; 1957 c 253 § 2.]

**Effective dates—2020 c 312:** See note following RCW 11.130.915.

**Application—2012 c 10:** See note following RCW 18.20.010.

**Conflict with federal requirements—2011 c 366:** "If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a

necessary condition to the receipt of federal funds by the state."  
[2011 c 366 § 9.]

**Findings—Purpose—2011 c 366:** "The legislature has a long history of supporting seniors where they live whether it is at home or in a licensed care facility. It is widely recognized that the consumer of senior services and long-term care of tomorrow will have different demands and expectations for the type and manner of supportive and health care services that they receive. Cost efficiencies must and can be achieved within the health care system. Through the use of care coaches, technology-supported health and wellness programs, and by allowing greater flexibility for the specialization and use of nursing facility beds, costly hospitalizations and rehospitalizations can be reduced and the entry to licensed care settings can be delayed." [2011 c 366 § 1.]

**Severability—2006 c 242:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2006 c 242 § 4.]

**Effective dates—2004 c 142:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 26, 2004], except that sections 1 through 10 and 12 of this act take effect September 1, 2004." [2004 c 142 § 18.]

**Findings—2003 c 231:** "The legislature finds and declares that, in keeping with the traditional concept of the dignity of the individual in our democratic society, the older citizens of this state and persons with disabilities are entitled to live in comfort, honor, and dignity in a manner that maximizes freedom and independence.

The legislature further finds that licensed boarding homes are an essential component of home and community-based services, and that the noninstitutional nature of this care setting must be preserved and protected by ensuring a regulatory structure that focuses on the actual care and services provided to residents, consumer satisfaction, and continuous quality improvement.

The legislature also finds that residents and consumers of services in licensed boarding homes should be encouraged to exercise maximum independence, and the legislature declares that the state's rules for licensed boarding homes must also be designed to encourage individual dignity, autonomy, and choice.

The legislature further finds that consumers should be afforded access to affordable long-term care services in licensed boarding homes, and believes that care delivery must remain responsive to consumer preferences. Residents and consumers in licensed boarding homes should be afforded the right to self-direct care, and this right should be reflected in the rules governing licensed boarding homes." [2003 c 231 § 1.]

**Effective date—2003 c 231:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 12, 2003]." [2003 c 231 § 12.]

**Effective date—2000 c 47:** "This act takes effect July 1, 2000."

(2) An assisted living facility license is not required for the housing, or services, that are customarily provided under landlord-tenant agreements governed by the residential landlord-tenant act, chapter 59.18 RCW, or when housing nonresident individuals who chose to participate in programs or services under subsection (5) of this section, when offered by the assisted living facility licensee or the licensee's contractor. This subsection does not prohibit the licensee from furnishing written information concerning available community resources to the nonresident individual or the individual's family members or legal representatives. The licensee may not require the use of any particular service provider.

(3) Residents receiving domiciliary care, directly or indirectly by the assisted living facility, are not considered nonresident individuals for the purposes of this section.

(4) An assisted living facility license is required when any person other than an outside service provider, under RCW 18.20.380, or family member:

(a) Assumes general responsibility for the safety and well-being of a resident;

(b) Provides assistance with activities of daily living, either directly or indirectly;

(c) Provides health support services, either directly or indirectly; or

(d) Provides intermittent nursing services, either directly or indirectly.

(5) An assisted living facility license is not required for one or more of the following services that may, upon the request of the nonresident, be provided to a nonresident individual: (a) Emergency assistance provided on an intermittent or nonroutine basis; (b) systems, including technology-based monitoring devices, employed by independent senior housing, or independent living units in continuing care retirement communities, to respond to the potential need for emergency services; (c) scheduled and nonscheduled blood pressure checks; (d) nursing assessment services to determine whether referral to an outside health care provider is recommended; (e) making and reminding the nonresident of health care appointments; (f) preadmission assessment for the purposes of transitioning to a licensed care setting; (g) medication assistance which may include reminding or coaching the nonresident, opening the nonresident's medication container, using an enabler, and handing prefilled insulin syringes to the nonresident; (h) falls risk assessment; (i) nutrition management and education services; (j) dental services; (k) wellness

programs; (l) prefilling insulin syringes when performed by a nurse licensed under chapter 18.79 RCW; or (m) services customarily provided under landlord-tenant agreements governed by the residential landlord-tenant act, chapter 59.18 RCW. [2012 c 10 § 3; 2011 c 366 § 3; 2004 c 142 § 17; 2003 c 231 § 3; 1957 c 253 § 3.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Findings—Purpose—Conflict with federal requirements—2011 c 366:** See notes following RCW 18.20.020.

**Effective dates—2004 c 142:** See note following RCW 18.20.020.

**Findings—Effective date—2003 c 231:** See notes following RCW 18.20.020.

**RCW 18.20.040 Application for license.** An application for a license shall be made to the department upon forms provided by the department and shall contain such information as the department reasonably requires, which shall include affirmative evidence of ability to comply with such rules as are lawfully adopted by the department. [2000 c 47 § 2; 1957 c 253 § 4.]

**Effective date—2000 c 47:** See note following RCW 18.20.020.

**RCW 18.20.050 Licenses—Issuance—Renewal—Provisional licenses—Fees—Display—Surrender, relinquishment—Change in licensee—Refusal of renewal, when—Copy of decision.** (1)(a) Upon receipt of an application for license, if the applicant and the facilities of the assisted living facility meet the requirements established under this chapter, the department may issue a license. If there is a failure to comply with the provisions of this chapter or the rules adopted under this chapter, the department may in its discretion issue a provisional license to an applicant for a license or for the renewal of a license. A provisional license permits the operation of the assisted living facility for a period to be determined by the department, but not to exceed twelve months and is not subject to renewal. The department may also place conditions on the license under RCW 18.20.190.

(b) At the time of the application for or renewal of a license or provisional license, the licensee shall pay a license fee. Beginning July 1, 2011, and thereafter, the per bed license fee must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and must include the department's cost of paying providers for the amount of the license fee attributed to medicaid clients.

(c) A license issued under this chapter may not exceed twelve months in duration and expires on a date set by the department. An assisted living facility license must be issued only to the person that applied for the license. All applications for renewal of a license shall be made not later than thirty days prior to the date of expiration of the license. Each license shall be issued only for the

premises and persons named in the application, and no license shall be transferable or assignable. Licenses shall be posted in a conspicuous place on the licensed premises.

(2) A licensee who receives notification of the department's initiation of a denial, suspension, nonrenewal, or revocation of an assisted living facility license may, in lieu of appealing the department's action, surrender or relinquish the license. The department shall not issue a new license to or contract with the licensee, for the purposes of providing care to vulnerable adults or children, for a period of twenty years following the surrendering or relinquishment of the former license. The licensing record shall indicate that the licensee relinquished or surrendered the license, without admitting the violations, after receiving notice of the department's initiation of a denial, suspension, nonrenewal, or revocation of a license.

(3) The department shall establish, by rule, the circumstances requiring a change in licensee, which include, but are not limited to, a change in ownership or control of the assisted living facility or licensee, a change in the licensee's form of legal organization, such as from sole proprietorship to partnership or corporation, and a dissolution or merger of the licensed entity with another legal organization. The new licensee is subject to the provisions of this chapter, the rules adopted under this chapter, and other applicable law. In order to ensure that the safety of residents is not compromised by a change in licensee, the new licensee is responsible for correction of all violations that may exist at the time of the new license.

(4) The department may deny, suspend, modify, revoke, or refuse to renew a license when the department finds that the applicant or licensee or any partner, officer, director, managerial employee, or majority owner of the applicant or licensee:

(a) Operated an assisted living facility without a license or under a revoked or suspended license; or

(b) Knowingly or with reason to know made a false statement of a material fact (i) in an application for license or any data attached to the application, or (ii) in any matter under investigation by the department; or

(c) Refused to allow representatives or agents of the department to inspect (i) the books, records, and files required to be maintained, or (ii) any portion of the premises of the assisted living facility; or

(d) Willfully prevented, interfered with, or attempted to impede in any way (i) the work of any authorized representative of the department, or (ii) the lawful enforcement of any provision of this chapter; or

(e) Has a history of significant noncompliance with federal or state regulations in providing care or services to vulnerable adults or children. In deciding whether to deny, suspend, modify, revoke, or refuse to renew a license under this section, the factors the department considers shall include the gravity and frequency of the noncompliance.

(5) The department shall serve upon the applicant a copy of the decision granting or denying an application for a license. An applicant shall have the right to contest denial of his or her application for a license as provided in chapter 34.05 RCW by requesting a hearing in writing within twenty-eight days after receipt of the notice of denial. **RCW 18.20.095 Resident contact information—Department requirements and duties.** (1) The department shall require each assisted living facility to:

(a) Create and regularly maintain a current resident roster containing the name and room number of each resident and provide a written copy immediately upon an in-person request from any long-term care ombuds;

(b) Create and regularly maintain current, accurate, and aggregated contact information for all residents, including contact information for the resident representative, if any, of each resident. The contact information for each resident must include the resident's name, room number, and, if available, telephone number and email address. The contact information for each resident representative must include the resident representative's name, relationship to the resident, phone number, and, if available, email and mailing address;

(c) Record and update the aggregated contact information required by this section, upon receipt of new or updated contact information from the resident or resident representative; and

(d) Upon the written request of any long-term care ombuds that includes reference to this section and the relevant legal functions and duties of long-term care ombuds, provide a copy of the aggregated

contact information required by this section within 48 hours, or within a reasonable time if agreed to by the requesting long-term care ombuds by electronic copy to the secure email address or facsimile number provided in the written request.

(2) In accordance with the federal older Americans act, federal regulations, and state laws that govern the state long-term care ombuds program, the department shall inform assisted living facilities that:

(a) Any long-term care ombuds is authorized to request and obtain from assisted living facilities the information required by this section in order to perform the functions and duties of long-term care ombuds as set forth in federal and state laws;

(b) The state long-term care ombuds program and all long-term care ombuds are considered a "health oversight agency," so that the federal health insurance portability and accountability act and chapter 70.02 RCW do not preclude assisted living facilities from providing the information required by this section when requested by any long-term care ombuds, and pursuant to these laws, the federal older Americans act, federal regulations, and state laws that govern the state long-term care ombuds program, facilities are not required to seek or obtain consent from residents or resident representatives prior to providing the information required by this section in accordance with the requirements of this section;

(c) The information required by this section, when provided by an assisted living facility to a requesting long-term care ombuds, becomes property of the state long-term care ombuds program and is subject to all state and federal laws governing the confidentiality and disclosure of the files, records, and information maintained by the state long-term care ombuds program or any local long-term care ombuds entity; and

(d) The assisted living facility may not refuse to provide or unreasonably delay providing the resident roster, the contact information for a resident or resident representative, or the aggregated contact information required by this section on any basis, including on the basis that the facility must first seek or obtain consent from one or more of the residents or resident representatives.

(3) Nothing in this section shall interfere with or diminish the authority of any long-term care ombuds to access facilities, residents, and resident records as otherwise authorized by law.

(4) For the purposes of this section, "resident representative" has the same meaning as in RCW 70.129.010. [2021 c 159 § 3.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**RCW 18.20.110 Inspection of assisted living facilities—Approval of changes or new facilities.** (1) The department shall make or cause to be made, at least every eighteen months with an annual average of fifteen months, an inspection and investigation of all assisted living facilities. However, the department may delay an inspection to twenty-four months if the assisted living facility has had three consecutive inspections with no written notice of violations and has received no written notice of violations resulting from complaint investigation during that same time period. The department may at anytime make an unannounced inspection of a licensed facility to assure that the licensee is in compliance with this chapter and the rules adopted

under this chapter. Every inspection shall focus primarily on actual or potential resident outcomes, and may include an inspection of every part of the premises and an examination of all records, methods of administration, the general and special dietary, and the stores and methods of supply; however, the department shall not have access to financial records or to other records or reports described in RCW 18.20.390. Financial records of the assisted living facility may be examined when the department has reasonable cause to believe that a financial obligation related to resident care or services will not be met, such as a complaint that staff wages or utility costs have not been paid, or when necessary for the department to investigate alleged financial exploitation of a resident. Following such an inspection or inspections, written notice of any violation of this law or the rules adopted hereunder shall be given to the applicant or licensee and the department. The department may prescribe by rule that any licensee or applicant desiring to make specified types of alterations or additions to its facilities or to construct new facilities shall, before commencing such alteration, addition, or new construction, submit plans and specifications therefor to the agencies responsible for plan reviews for preliminary inspection and approval or recommendations with respect to compliance with the rules and standards herein authorized.

(2) If a pandemic, natural disaster, or other declared state of emergency prevents the department from completing inspections according to the timeline in subsection (1) of this section, the department shall adopt rules to reestablish inspection timelines based on the length of time since last inspection, compliance history of each facility, and immediate health or safety concerns.

(a) Rules adopted under this subsection (2) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that all facility inspections are occurring according to time frames established in subsection (1) of this section, whichever is later. Once the department determines a rule adopted under this subsection (2) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of inspection compliance with subsection (1) of this section and provide the legislature with a report. [2021 c 203 § 15; 2012 c 10 § 6; 2004 c 144 § 3; 2003 c 280 § 1; 2000 c 47 § 4; 1985 c 213 § 7; 1957 c 253 § 11.]

**RCW 18.20.115 Quality improvement consultation program—**

**Principles.** The department shall, within available funding for this purpose, develop and make available to assisted living facilities a quality improvement consultation program using the following principles:

(1) The system shall be resident-centered and promote privacy, independence, dignity, choice, and a home or home-like environment for residents consistent with chapter 70.129 RCW.

(2) The goal of the system is continuous quality improvement with the focus on resident satisfaction and outcomes for residents. The quality improvement consultation program shall be offered to assisted living facilities on a voluntary basis. Based on requests for the services of the quality improvement consultation program, the department may establish a process for prioritizing service availability.

(3) Assisted living facilities should be supported in their efforts to improve quality and address problems, as identified by the licensee, initially through training, consultation, and technical assistance. At a minimum, the department may, within available funding, at the request of the assisted living facility, conduct on-site visits and telephone consultations.

(4) To facilitate collaboration and trust between the assisted living facilities and the department's quality improvement consultation program staff, the consultation program staff shall not simultaneously serve as department licensors, complaint investigators, or participate in any enforcement-related decisions, within the region in which they perform consultation activities; except such staff may investigate on an emergency basis, complaints anywhere in the state when the complaint indicates high risk to resident health or safety. Any records or information gained as a result of their work under the quality improvement consultation program shall not be disclosed to or shared with nonmanagerial department licensing or complaint investigation staff, unless necessary to carry out duties described under chapter 74.34 RCW. The emphasis should be on problem prevention. Nothing in this section shall limit or interfere with the consultant's mandated reporting duties under chapter 74.34 RCW.

(5) The department shall promote the development of a training system that is practical and relevant to the needs of residents and staff. To improve access to training, especially for rural communities, the training system may include, but is not limited to, the use of satellite technology distance learning that is coordinated through community colleges or other appropriate organizations. **RCW 18.20.125 Inspections—Enforcement remedies—Screening—Limitations on unsupervised access to vulnerable adults. (1)**

Inspections must be outcome based and responsive to resident complaints and based on a clear set of health, quality of care, and safety standards that are easily understandable and have been made available to facilities, residents, and other interested parties. This includes that when conducting licensing inspections, the department shall interview an appropriate percentage of residents, family members, and advocates in addition to interviewing appropriate staff.

(2) Prompt and specific enforcement remedies shall also be implemented without delay, consistent with RCW 18.20.190, for facilities found to have delivered care or failed to deliver care resulting in problems that are serious, recurring, or uncorrected, or that create a hazard that is causing or likely to cause death or serious harm to one or more residents. These enforcement remedies may also include, when appropriate, reasonable conditions on a license. In the selection of remedies, the safety, health, and well-being of residents shall be of paramount importance.

(3) (a) To the extent funding is available, the licensee, administrator, and their staff should be screened through background checks in a uniform and timely manner to ensure that they do not have a criminal history that would disqualify them from working with vulnerable adults. Employees may be provisionally hired pending the results of the background check if they have been given three positive references.

(b) Long-term care workers, as defined in RCW 74.39A.009, who are hired after January 7, 2012, are subject to background checks under RCW 74.39A.056.

(4) No licensee, administrator, or staff, or prospective licensee, administrator, or staff, with a stipulated finding of fact, conclusion of law, and agreed order, or finding of fact, conclusion of law, or final order issued by a disciplining authority, a court of law, or entered into the state registry finding him or her guilty of abuse, neglect, exploitation, or abandonment of a minor or a vulnerable adult as defined in chapter 74.34 RCW shall be employed in the care of and have unsupervised access to vulnerable adults. [2012 c 164 § 504; 2011 1st sp.s. c 31 § 15; 2009 c 580 § 3; 2004 c 140 § 4; 2003 c 231 § 5; 2001 c 85 § 2.]

**RCW 18.20.126 Screening—Certificates of parental improvement.**

Assisted living facilities, as defined in this chapter, may not automatically deny a prospective volunteer or employee solely because of a founded finding of child abuse or neglect involving the individual revealed in the record check or a court finding or a court finding that the individual's child was dependent as a result of a finding that the individual abused or neglected their child pursuant to RCW 13.34.030(6)(b) when that founded finding or court finding is

accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident without conducting a review to determine the individual's character, suitability, and competency to volunteer with vulnerable adults. [2020 c 270 § 5.]

**Effective date—2020 c 270:** See note following RCW 74.13.720.

**RCW 18.20.130 Fire protection—Duties of chief of the Washington state patrol.** Standards for fire protection and the enforcement thereof, with respect to all assisted living facilities to be licensed hereunder, shall be the responsibility of the chief of the Washington state patrol, through the director of fire protection, who shall adopt such recognized standards as may be applicable to assisted living facilities for the protection of life against the cause and spread of fire and fire hazards. The department, upon receipt of an application for a license, shall submit to the chief of the Washington state patrol, through the director of fire protection, in writing, a request for an inspection, giving the applicant's name and the location of the premises to be licensed. Upon receipt of such a request, the chief of the Washington state patrol, through the director of fire protection, or his or her deputy, shall make an inspection of the assisted living facility to be licensed, and if it is found that the premises do not comply with the required safety standards and fire rules as adopted by the chief of the Washington state patrol, through the director of fire protection, he or she shall promptly make a written report to the assisted living facility and the department as to the manner and time allowed in which the premises must qualify for a license and set forth the conditions to be remedied with respect to fire rules. The department, applicant, or licensee shall notify the chief of the Washington state patrol, through the director of fire protection, upon completion of any requirements made by him or her, and the chief of the Washington state patrol, through the director of fire protection, or his or her deputy, shall make a reinspection of such premises. Whenever the assisted living facility to be licensed meets with the approval of the chief of the Washington state patrol, through the director of fire protection, he or she shall submit to the department a written report approving same with respect to fire protection before a full license can be issued. The chief of the Washington state patrol, through the director of fire protection, shall make or cause to be made inspections of such facilities at least annually.

In cities which have in force a comprehensive building code, the provisions of which are determined by the chief of the Washington state patrol, through the director of fire protection, to be equal to the minimum standards of the code for assisted living facilities adopted by the chief of the Washington state patrol, through the director of fire protection, the chief of the fire department, provided the latter is a paid chief of a paid fire department, shall make the inspection with the chief of the Washington state patrol, through the director of fire protection, or his or her deputy, and they shall jointly approve the premises before a full license can be issued. **RCW 18.20.160 Persons requiring medical or nursing care.** No person operating an assisted living facility licensed under this chapter shall admit to or retain in the assisted living facility any aged person requiring nursing or medical care of a type provided by institutions licensed under chapters 18.51, 70.41 or 71.12 RCW, except that when registered nurses are available, and upon a doctor's order that a supervised medication service is needed, it may be provided. Supervised medication services, as defined by the department and consistent with chapters 69.41 and 18.79 RCW, may include an approved program of self-medication or self-directed medication. Such medication service shall be provided only to residents who otherwise meet all requirements for residency in an assisted living facility. No assisted living facility shall admit or retain a person who requires the frequent presence and frequent evaluation of a registered nurse, excluding persons who are receiving hospice care or persons who have a short-term illness that is expected to be resolved within fourteen days. **RCW 18.20.184 Communication system—Telephones and other equipment.** (1) Each assisted living facility shall be responsive to incoming communications and respond within a reasonable time to phone and electronic messages.

(2) Each assisted living facility must have a communication system, including a sufficient quantity of working telephones and other communication equipment, to ensure that residents have 24-hour access to communications with family, medical providers, and others, and also to allow for emergency contact to and from facility staff. The telephones and communication equipment must provide for auditory privacy, not be located in a staff office or station, be accessible and usable by persons with hearing loss and other disabilities, and not require payment for local calls. An assisted living facility is not required to provide telephones at no cost in each resident room. [2021 c 159 § 4.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**RCW 18.20.185 Complaints—Toll-free telephone number—Investigation and referral—Rules—Retaliation prohibited.** (1) The department shall establish and maintain a toll-free telephone number for receiving complaints regarding a facility that the department licenses.

(2) All facilities that are licensed under this chapter shall post in a place and manner clearly visible to residents and visitors the department's toll-free complaint telephone number and the toll-free number and program description of the long-term care ombuds as provided by RCW 43.190.050.

(3) The department shall investigate complaints if the subject of the complaint is within its authority unless the department determines that: (a) The complaint is intended to willfully harass a licensee or employee of the licensee; or (b) there is no reasonable basis for

investigation; or (c) corrective action has been taken as determined by the ombuds or the department.

(4) The department shall refer complaints to appropriate state agencies, law enforcement agencies, the attorney general, the long-term care ombuds, or other entities if the department lacks authority to investigate or if its investigation reveals that a follow-up referral to one or more of these entities is appropriate.

(5) The department shall adopt rules that include the following complaint investigation protocols:

(a) Upon receipt of a complaint, the department shall make a preliminary review of the complaint, assess the severity of the complaint, and assign an appropriate response time. Complaints involving imminent danger to the health, safety, or well-being of a resident must be responded to within two days. When appropriate, the department shall make an on-site investigation within a reasonable time after receipt of the complaint or otherwise ensure that complaints are responded to.

(b) The complainant must be: Promptly contacted by the department, unless anonymous or unavailable despite several attempts by the department, and informed of the right to discuss alleged violations with the inspector and to provide other information the complainant believes will assist the inspector; informed of the department's course of action; and informed of the right to receive a written copy of the investigation report.

(c) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the resident or residents allegedly harmed by the violations, and, in addition to facility staff, any available independent sources of relevant information, including if appropriate the family members of the resident.

(d) Substantiated complaints involving harm to a resident, if an applicable law or regulation has been violated, shall be subject to one or more of the actions provided in RCW 18.20.190. Whenever appropriate, the department shall also give consultation and technical assistance to the facility.

(e) After a department finding of a violation for which a stop placement has been imposed, the department shall make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(f) Substantiated complaints of neglect, abuse, exploitation, or abandonment of residents, or suspected criminal violations, shall also be referred by the department to the appropriate law enforcement

agencies, the attorney general, and appropriate professional disciplining authority.

(6) The department may provide the substance of the complaint to the licensee before the completion of the investigation by the department unless such disclosure would reveal the identity of a complainant, witness, or resident who chooses to remain anonymous. Neither the substance of the complaint provided to the licensee or contractor nor any copy of the complaint or related report published, released, or made otherwise available shall disclose, or reasonably lead to the disclosure of, the name, title, or identity of any complainant, or other person mentioned in the complaint, except that the name of the provider and the name or names of any officer, employee, or agent of the department conducting the investigation shall be disclosed after the investigation has been closed and the complaint has been substantiated. The department may disclose the identity of the complainant if such disclosure is requested in writing by the complainant. Nothing in this subsection shall be construed to interfere with the obligation of the long-term care ombuds program to monitor the department's licensing, contract, and complaint investigation files for long-term care facilities.

(7) The resident has the right to be free of interference, coercion, discrimination, and reprisal from a facility in exercising his or her rights, including the right to voice grievances about treatment furnished or not furnished. A facility licensed under this chapter shall not discriminate or retaliate in any manner against a resident, employee, or any other person on the basis or for the reason that such resident or any other person made a complaint to the department, the attorney general, law enforcement agencies, or the long-term care ombuds, provided information, or otherwise cooperated with the investigation of such a complaint. Any attempt to discharge a resident against the resident's wishes, or any type of retaliatory treatment of a resident by whom or upon whose behalf a complaint substantiated by the department has been made to the department, the attorney general, law enforcement agencies, or the long-term care ombuds, within one year of the filing of the complaint, raises a rebuttable presumption that such action was in retaliation for the filing of the complaint. "Retaliatory treatment" means, but is not limited to, monitoring a resident's phone, mail, or visits; involuntary seclusion or isolation; transferring a resident to a different room unless requested or based upon legitimate management reasons; withholding or threatening to withhold food or treatment unless authorized by a terminally ill resident or his or her representative pursuant to law; or persistently delaying responses to a resident's request for service or assistance. A facility licensed under this chapter shall not willfully interfere with the performance of official duties by a long-term care ombuds. The department shall sanction and may impose a civil penalty of not more than three thousand dollars for a violation of this subsection. [2013 c 23 § 9; 2001 c 193 § 2; 1997 c 392 § 214.]

**RCW 18.20.190 Department response to noncompliance or violations.** (1) The department of social and health services is authorized to take one or more of the actions listed in subsection (2) of this section in any case in which the department finds that an assisted living facility provider has:

(a) Failed or refused to comply with the requirements of this chapter or the rules adopted under this chapter;

(b) Operated an assisted living facility without a license or under a revoked license;

(c) Knowingly, or with reason to know, made a false statement of material fact on his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(d) Willfully prevented or interfered with any inspection or investigation by the department.

(2) When authorized by subsection (1) of this section, the department may take one or more of the following actions, using a tiered sanction grid that considers the extent of harm from the deficiency and the regularity of the occurrence of the deficiency when imposing civil fines:

(a) Refuse to issue a license;

(b) Impose reasonable conditions on a license, such as correction within a specified time, training, and limits on the type of clients the provider may admit or serve;

(c) Impose civil penalties of at least one hundred dollars per day per violation. Until July 1, 2019, the civil penalties may not exceed one thousand dollars per day per violation. Beginning July 1, 2019, through June 30, 2020, the civil penalties may not exceed two thousand dollars per day per violation. Beginning July 1, 2020, the civil penalties may not exceed three thousand dollars per day per violation;

(d) Impose civil penalties of up to ten thousand dollars for a current or former licensed provider who is operating an unlicensed facility;

(e) Suspend, revoke, or refuse to renew a license;

(f) Suspend admissions to the assisted living facility by imposing stop placement; or

(g) Suspend admission of a specific category or categories of residents as related to the violation by imposing a limited stop placement.

(3) When the department orders stop placement or a limited stop placement, the facility shall not admit any new resident until the stop placement or limited stop placement order is terminated. The department may approve readmission of a resident to the facility from a hospital or nursing home during the stop placement or limited stop placement. The department shall terminate the stop placement or limited stop placement when: (a) The violations necessitating the stop placement or limited stop placement have been corrected; and (b) the provider exhibits the capacity to maintain correction of the violations previously found deficient. However, if upon the revisit the department finds new violations that the department reasonably believes will result in a new stop placement or new limited stop placement, the previous stop placement or limited stop placement shall remain in effect until the new stop placement or new limited stop placement is imposed.

(4) After a department finding of a violation for which a stop placement or limited stop placement has been imposed, the department

shall make an on-site revisit of the provider within fifteen working days from the request for revisit, to ensure correction of the violation. For violations that are serious or recurring or uncorrected following a previous citation, and create actual or threatened harm to one or more residents' well-being, including violations of residents' rights, the department shall make an on-site revisit as soon as appropriate to ensure correction of the violation. Verification of correction of all other violations may be made by either a department on-site revisit or by written or photographic documentation found by the department to be credible. This subsection does not prevent the department from enforcing license suspensions or revocations. Nothing in this subsection shall interfere with or diminish the department's authority and duty to ensure that the provider adequately cares for residents, including to make departmental on-site revisits as needed to ensure that the provider protects residents, and to enforce compliance with this chapter.

(5) RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification. Chapter 34.05 RCW applies to department actions under this section, except that orders of the department imposing license suspension, stop placement, limited stop placement, or conditions for continuation of a license are effective immediately upon notice and shall continue pending any hearing.

(6) All receipts from civil penalties imposed under this chapter must be deposited in the assisted living facility temporary management account created in RCW 18.20.430.

(7) For the purposes of this section, "limited stop placement" means the ability to suspend admission of a specific category or categories of residents. [2018 c 173 § 4; 2012 c 10 § 13; 2003 c 231 § 6; 2001 c 193 § 4; 2000 c 47 § 7; 1998 c 272 § 15; 1995 1st sp.s. c 18 § 18.]

**RCW 18.20.195 Disputed violations, enforcement remedies—Informal dispute resolution process.** (1) The licensee or its designee has the right to an informal dispute resolution process to dispute any violation found or enforcement remedy imposed by the department during a licensing inspection or complaint investigation. The purpose of the informal dispute resolution process is to provide an opportunity for an exchange of information that may lead to the modification, deletion, or removal of a violation, or parts of a violation, or enforcement remedy imposed by the department.

(2) The informal dispute resolution process provided by the department shall include, but is not necessarily limited to, an opportunity for review by a department employee who did not participate in, or oversee, the determination of the violation or enforcement remedy under dispute. The department shall develop, or further develop, an informal dispute resolution process consistent with this section.

(3) A request for an informal dispute resolution shall be made to the department within ten working days from the receipt of a written finding of a violation or enforcement remedy. The request shall identify the violation or violations and enforcement remedy or remedies being disputed. The department shall convene a meeting, when possible, within ten working days of receipt of the request for informal dispute resolution, unless by mutual agreement a later date is agreed upon.

(4) If the department determines that a violation or enforcement remedy should not be cited or imposed, the department shall delete the violation or immediately rescind or modify the enforcement remedy. If the department determines that a violation should have been cited under a different more appropriate regulation, the department shall revise the report, statement of deficiencies, or enforcement remedy accordingly. Upon request, the department shall issue a clean copy of the revised report, statement of deficiencies, or notice of enforcement action.

(5) The request for informal dispute resolution does not delay the effective date of any enforcement remedy imposed by the department, except that civil monetary fines are not payable until the exhaustion of any formal hearing and appeal rights provided under this chapter. The licensee shall submit to the department, within the time period prescribed by the department, a plan of correction to address any undisputed violations, and including any violations that still remain following the informal dispute resolution. [2005 c 506 § 1; 2004 c 140 § 5; 2001 c 193 § 7.]

**RCW 18.20.210 License suspension—Noncompliance with support order—Reissuance.** The department shall immediately suspend the license of a person who has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the order. [1997 c 58 § 816.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Provisions ordering the department of social and health services to certify a responsible parent based on a court order to certify for noncompliance with residential provisions of a parenting plan were vetoed. See RCW 74.20A.320.

**Short title—Part headings, captions, table of contents not law—Exemptions and waivers from federal law—Conflict with federal requirements—Severability—1997 c 58:** See RCW 74.08A.900 through 74.08A.904.

**Effective dates—Intent—1997 c 58:** See notes following RCW 74.20A.320.

**RCW 18.20.220 Residential care contracted services, conversion to—Requirements.** For the purpose of encouraging a nursing home licensed under chapter 18.51 RCW to convert a portion or all of its licensed bed capacity to provide enhanced adult residential care contracted services under chapter 74.39A RCW, the department shall:

(1) Find the nursing home to be in satisfactory compliance with RCW 18.20.110 and 18.20.130, upon application for assisted living facility licensure and the production of copies of its most recent nursing home inspection reports demonstrating compliance with the safety standards and fire regulations, as required by RCW 18.51.140, and the state building code, as required by RCW 18.51.145, including any waivers that may have been granted. However, assisted living facility licensure requirements pertaining to resident to bathing fixture/toilet ratio, corridor call system, resident room door closures, and resident room windows may require modification, unless determined to be functionally equivalent, based upon a prelicensure survey inspection.

(2) Allow residents receiving enhanced adult residential care services to make arrangements for on-site health care services, consistent with Title 18 RCW regulating health care professions, to the extent that such services can be provided while maintaining the resident's right to privacy and safety in treatment, but this in no way means that such services may only be provided in a private room. The provision of on-site health care services must otherwise be consistent with RCW 18.20.160 and the rules adopted under RCW 18.20.160. [2012 c 10 § 14; 1997 c 164 § 1.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**RCW 18.20.230 Training standards review—Proposed enhancements.**

(1) The department of social and health services shall review, in coordination with the department of health, the \*nursing care quality assurance commission, adult family home providers, assisted living facility providers, in-home personal care providers, and long-term care consumers and advocates, training standards for administrators and resident caregiving staff. Any proposed enhancements shall be consistent with this section, shall take into account and not duplicate other training requirements applicable to assisted living facilities and staff, and shall be developed with the input of assisted living facility and resident representatives, health care professionals, and other vested interest groups. Training standards and the delivery system shall be relevant to the needs of residents served by the assisted living facility and recipients of long-term in-home personal care services and shall be sufficient to ensure that administrators and caregiving staff have the skills and knowledge necessary to provide high quality, appropriate care.

(2) The recommendations on training standards and the delivery system developed under subsection (1) of this section shall be based on a review and consideration of the following: Quality of care; availability of training; affordability, including the training costs incurred by the department of social and health services and private

providers; portability of existing training requirements; competency testing; practical and clinical coursework; methods of delivery of training; standards for management and caregiving staff training; and necessary enhancements for special needs populations and resident rights training. Residents with special needs include, but are not limited to, residents with a diagnosis of mental illness, dementia, or developmental disability. [2012 c 10 § 15; 1999 c 372 § 3; 1998 c 272 § 2.]

**\*Reviser's note:** The reference to "nursing care quality assurance commission" was changed to "board of nursing" by 2023 c 123.

**Application—2012 c 10:** See note following RCW 18.20.010.

**Findings—1998 c 272:** "The legislature finds that many residents of long-term care facilities and recipients of in-home personal care services are exceptionally vulnerable and their health and well-being are heavily dependent on their caregivers. The legislature further finds that the quality of staff in long-term care facilities is often the key to good care. The need for well-trained staff and well-managed facilities is growing as the state's population ages and the acuity of the health care problems of residents increases. In order to better protect and care for residents, the legislature directs that the minimum training standards be reviewed for management and caregiving staff, including those serving residents with special needs, such as mental illness, dementia, or a developmental disability, that management and caregiving staff receive appropriate training, and that the training delivery system be improved." [1998 c 272 § 1.]

**Severability—1998 c 272:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1998 c 272 § 25.]

**Effective date—1998 c 272:** "Except for section 5 of this act, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [April 1, 1998]." [1998 c 272 § 26.]

**RCW 18.20.250 Federal funding programs, opportunities—Secretary's duty to comply.** The secretary may adopt rules and policies as necessary to entitle the state to participate in federal funding programs and opportunities and to facilitate state and federal cooperation in programs under the department's jurisdiction. The secretary shall ensure that any internal reorganization carried out under the terms of this chapter complies with prerequisites for the receipt of federal funding for the various programs under the department's control. When interpreting any department-related section or provision of law susceptible to more than one interpretation, the secretary shall construe that section or provision in the manner most likely to comply with federal laws and rules entitling the state to receive federal funds for the various programs of the department. If any law or rule dealing with the department is ruled to be in conflict with federal prerequisites to the allocation of federal funding to the state, the department, or its agencies, the secretary shall declare

that law or rule inoperative solely to the extent of the conflict.  
[1998 c 272 § 16.]

**Findings—Severability—Effective date—1998 c 272:** See notes following RCW 18.20.230.

**RCW 18.20.270 Long-term caregiver training.** (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Caregiver" includes any person who provides residents with hands-on personal care on behalf of an assisted living facility, except volunteers who are directly supervised.

(b) "Direct supervision" means oversight by a person who has demonstrated competency in the core areas or has been fully exempted from the training requirements pursuant to this section, is on the premises, and is quickly and easily available to the caregiver.

(2) Training must have the following components: Orientation, basic training, specialty training as appropriate, and continuing education. All assisted living facility employees or volunteers who routinely interact with residents shall complete orientation. Assisted living facility administrators, or their designees, and caregivers shall complete orientation, basic training, specialty training as appropriate, and continuing education.

(3) Orientation consists of introductory information on residents' rights, communication skills, fire and life safety, and universal precautions. Orientation must be provided at the facility by appropriate assisted living facility staff to all assisted living facility employees before the employees have routine interaction with residents.

(4) Basic training consists of modules on the core knowledge and skills that caregivers need to learn and understand to effectively and safely provide care to residents. Basic training must be outcome-based, and the effectiveness of the basic training must be measured by demonstrated competency in the core areas through the use of a competency test. Basic training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care. Until competency in the core areas has been demonstrated, caregivers shall not provide hands-on personal care to residents without direct supervision. Assisted living facility administrators, or their designees, must complete basic training and demonstrate competency within one hundred twenty days of employment.

(5) For assisted living facilities that serve residents with special needs such as dementia, developmental disabilities, or mental illness, specialty training is required of administrators, or designees, and caregivers.

(a) Specialty training consists of modules on the core knowledge and skills that caregivers need to effectively and safely provide care to residents with special needs. Specialty training should be integrated into basic training wherever appropriate. Specialty training must be outcome-based, and the effectiveness of the specialty training measured by demonstrated competency in the core specialty areas through the use of a competency test.

(b) Specialty training must be completed by caregivers within one hundred twenty days of the date on which they begin to provide hands-on care to a resident having special needs. However, if specialty

training is not integrated with basic training, the specialty training must be completed within ninety days of completion of basic training. Until competency in the core specialty areas has been demonstrated, caregivers shall not provide hands-on personal care to residents with special needs without direct supervision.

(c) Assisted living facility administrators, or their designees, must complete specialty training and demonstrate competency within one hundred twenty days from the date on which the administrator or his or her designee is hired, if the assisted living facility serves one or more residents with special needs.

(6) Continuing education consists of ongoing delivery of information to caregivers on various topics relevant to the care setting and care needs of residents. Competency testing is not required for continuing education. Continuing education is not required in the same calendar year in which basic or modified basic training is successfully completed. Continuing education is required in each calendar year thereafter. If specialty training is completed, the specialty training applies toward any continuing education requirement for up to two years following the completion of the specialty training.

(7) Persons who successfully challenge the competency test for basic training are fully exempt from the basic training requirements of this section. Persons who successfully challenge the specialty training competency test are fully exempt from the specialty training requirements of this section.

(8) (a) Registered nurses and licensed practical nurses licensed under chapter 18.79 RCW are exempt from any continuing education requirement established under this section.

(b) The department may adopt rules that would exempt licensed persons from all or part of the training requirements under this chapter, if they are (i) performing the tasks for which they are licensed and (ii) subject to chapter 18.130 RCW.

(9) In an effort to improve access to training and education and reduce costs, especially for rural communities, the coordinated system of long-term care training and education must include the use of innovative types of learning strategies such as internet resources, videotapes, and distance learning using satellite technology coordinated through community colleges or other entities, as defined by the department.

(10) The department shall develop criteria for the approval of orientation, basic training, and specialty training programs.

(11) Assisted living facilities that desire to deliver facility-based training with facility designated trainers, or assisted living facilities that desire to pool their resources to create shared training systems, must be encouraged by the department in their efforts. The department shall develop criteria for reviewing and approving trainers and training materials that are substantially similar to or better than the materials developed by the department. The department may approve a curriculum based upon attestation by an assisted living facility administrator that the assisted living facility's training curriculum addresses basic and specialty training competencies identified by the department, and shall review a curriculum to verify that it meets these requirements. The department may conduct the review as part of the next regularly scheduled yearly inspection and investigation required under RCW 18.20.110. The department shall rescind approval of any curriculum if it determines that the curriculum does not meet these requirements.

(12) The department shall adopt rules for the implementation of this section.

(13)(a) Except as provided in (b) of this subsection, the orientation, basic training, specialty training, and continuing education requirements of this section commence September 1, 2002, or one hundred twenty days from the date of employment, whichever is later, and shall be applied to (i) employees hired subsequent to September 1, 2002; and (ii) existing employees that on September 1, 2002, have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 and this section. Existing employees who have not successfully completed the training requirements under RCW 74.39A.010 or 74.39A.020 shall be subject to all applicable requirements of this section.

(b) Beginning January 7, 2012, long-term care workers, as defined in RCW 74.39A.009, employed by facilities licensed under this chapter are also subject to the training requirements under RCW 74.39A.074.

(14) If a pandemic, natural disaster, or other declared state of emergency makes specialty training unavailable, the department may adopt rules to allow an assisted living facility where the administrator, designee, and caregiving staff have not completed specialty training to admit a resident or residents with special needs related to mental illness, dementia, or a developmental disability. Such rules must include information about how to complete the specialty training once the training is available.

(a) Rules adopted under this subsection (14) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that providers and resident managers who were unable to complete the specialty training required in subsection (5)(b) of this section have had adequate access to complete the required training, whichever is later. Once the department determines a rule adopted under this subsection (14) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of training compliance with subsection (5)(b) of this section and provide the legislature with a report. **RCW 18.20.280 General responsibility for each resident.** (1) The assisted living facility must assume general responsibility for each

resident and must promote each resident's health, safety, and well-being consistent with the resident negotiated care plan.

(2) The assisted living facility is not required to supervise the activities of a person providing care or services to a resident when the resident, or legal representative, has independently arranged for or contracted with the person and the person is not directly or indirectly controlled or paid by the assisted living facility. However, the assisted living facility is required to coordinate services with such person to the extent allowed by the resident, or legal representative, and consistent with the resident's negotiated care plan. Further, the assisted living facility is required to observe the resident and respond appropriately to any changes in the resident's overall functioning consistent with chapter 70.129 RCW, this chapter, and rules adopted under this chapter. [2012 c 10 § 17; 2003 c 231 § 7.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Findings—Effective date—2003 c 231:** See notes following RCW 18.20.020.

**RCW 18.20.290 Holding a medicaid eligible resident's room or unit—Payment rates.** (1) When an assisted living facility contracts with the department to provide adult residential care services, enhanced adult residential care services, or assisted living services under chapter 74.39A RCW, the assisted living facility must hold a medicaid eligible resident's room or unit when short-term care is needed in a nursing home or hospital, the resident is likely to return to the assisted living facility, and payment is made under subsection (2) of this section.

(2) The medicaid resident's bed or unit shall be held for up to twenty days. The per day bed or unit hold compensation amount shall be seventy percent of the daily rate paid for the first seven days the bed or unit is held for the resident who needs short-term nursing home care or hospitalization. The rate for the eighth through the twentieth day a bed is held shall be established in rule, but shall be no lower than ten dollars per day the bed or unit is held.

(3) The assisted living facility may seek third-party payment to hold a bed or unit for twenty-one days or longer. The third-party payment shall not exceed the medicaid daily rate paid to the facility for the resident. If third-party payment is not available, the medicaid resident may return to the first available and appropriate bed or unit, if the resident continues to meet the admission criteria under this chapter. **Application—2012 c 10:** See note following RCW 18.20.010.

**Effective dates—2004 c 142:** See note following RCW 18.20.020.

**RCW 18.20.300 Domiciliary care services—Scope of services—**

**Disclosure form.** (1) An assisted living facility, licensed under this chapter, may provide domiciliary care services, as defined in this chapter, and shall disclose the scope of care and services that it chooses to provide.

(2) The assisted living facility licensee shall disclose to the residents, the residents' legal representative if any, and if not, the residents' representative if any, and to interested consumers upon request, the scope of care and services offered, using the form developed and provided by the department, in addition to any supplemental information that may be provided by the licensee. The form that the department develops shall be standardized, reasonable in length, and easy to read. The assisted living facility's disclosure statement shall indicate the scope of domiciliary care assistance provided and shall indicate that it permits the resident or the resident's legal representative to independently arrange for outside services under RCW 18.20.380.

(3) (a) If the assisted living facility licensee decreases the scope of services that it provides due to circumstances beyond the licensee's control, the licensee shall provide a minimum of thirty days' written notice to the residents, the residents' legal representative if any, and if not, the residents' representative if any, before the effective date of the decrease in the scope of care or services provided.

(b) If the licensee voluntarily decreases the scope of services, and any such decrease in the scope of services provided will result in the discharge of one or more residents, then ninety days' written notice shall be provided prior to the effective date of the decrease. Notice shall be provided to the affected residents, the residents' legal representative if any, and if not, the residents' representative if any.

(c) If the assisted living facility licensee increases the scope of services that it chooses to provide, the licensee shall promptly provide written notice to the residents, the residents' legal representative if any, and if not, the residents' representative if any, and shall indicate the date on which the increase in the scope of care or services is effective.

(4) When the care needs of a resident exceed the disclosed scope of care or services that an assisted living facility licensee provides, the licensee may exceed the care or services disclosed consistent with RCW 70.129.030(3) and 70.129.110(3)(a). Providing care or services to a resident that exceed the care and services disclosed may or may not mean that the provider is capable of or required to provide the same care or services to other residents.

(5) Even though the assisted living facility licensee may disclose that it can provide certain care or services to resident applicants or to their legal representative if any, and if not, to the resident applicants' representative if any, the licensee may deny admission to a resident applicant when the licensee determines that the needs of the resident applicant cannot be met, as long as the provider operates in compliance with state and federal law, including RCW 70.129.030(3).

(6) The disclosure form is intended to assist consumers in selecting assisted living facility services and, therefore, shall not be construed as an implied or express contract between the assisted

living facility licensee and the resident. [2012 c 10 § 19; 2004 c 142 § 2.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Effective dates—2004 c 142:** See note following RCW 18.20.020.

**RCW 18.20.305 Disclosure to nonresidents.** (1) An assisted living facility must provide each nonresident a disclosure statement upon admission and at the time that additional services are requested by a nonresident.

(2) The disclosure statement shall notify the nonresident that:

(a) The resident rights of chapter 70.129 RCW do not apply to nonresidents;

(b) Licensing requirements for \*boarding homes under this chapter do not apply to nonresident units; and

(c) The jurisdiction of the long-term care ombuds does not apply to nonresidents and nonresident units. [2013 c 23 § 10; 2011 c 366 § 4.]

**\*Reviser's note:** The term "boarding home" was changed to "assisted living facility" by 2012 c 10 § 2.

**Findings—Purpose—Conflict with federal requirements—2011 c 366:** See notes following RCW 18.20.020.

**RCW 18.20.310 Assistance with activities of daily living.** (1) Assisted living facilities are not required to provide assistance with one or more activities of daily living.

(2) If an assisted living facility licensee chooses to provide assistance with activities of daily living, the licensee shall provide at least the minimal level of assistance for all activities of daily living consistent with subsection (3) of this section and consistent with the reasonable accommodation requirements in state or federal laws. "Activities of daily living" means the following self-care activities related to personal care:

(a) Bathing;

(b) Dressing;

(c) Eating;

(d) Personal hygiene;

(e) Transferring;

(f) Toileting;

(g) Ambulation and mobility; and

(h) Medication assistance, as defined in RCW 69.41.010.

(3) The department shall, in rule, define the minimum level of assistance that will be provided for all activities of daily living, however, such rules shall not require more than occasional stand-by assistance or more than occasional physical assistance.

(4) The licensee shall clarify, through the disclosure form, the assistance with activities of daily living that may be provided, and any limitations or conditions that may apply. The licensee shall also clarify through the disclosure form any additional services that may be provided.

(5) In providing assistance with activities of daily living, the assisted living facility shall observe the resident for changes in

overall functioning and respond appropriately when there are observable or reported changes in the resident's physical, mental, or emotional functioning. [2017 c 201 § 1; 2012 c 10 § 20; 2004 c 142 § 3.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Effective dates—2004 c 142:** See note following RCW 18.20.020.

**RCW 18.20.320 Health support services.** (1) The assisted living facility licensee may choose to provide any of the following health support services, however, the facility may or may not need to provide additional health support services to comply with the reasonable accommodation requirements in federal or state law:

- (a) Blood glucose testing;
- (b) Puree diets;
- (c) Calorie controlled diabetic diets;
- (d) Dementia care;
- (e) Mental health care; and
- (f) Developmental disabilities care.

(2) The licensee shall clarify on the disclosure form any limitations, additional services, or conditions that may apply.

(3) In providing health support services, the assisted living facility shall observe the resident for changes in overall functioning and respond appropriately when there are observable or reported changes in the resident's physical, mental, or emotional functioning. [2012 c 10 § 21; 2004 c 142 § 4.]

**RCW 18.20.380 Provision of outside services—Licensee's duty of care/negligence.** (1) The assisted living facility licensee shall permit the resident, or the resident's legal representative if any, to independently arrange for or contract with a practitioner licensed under Title 18 RCW regulating health care professions, or a home health, hospice, or home care agency licensed under chapter 70.127 RCW, to provide on-site care and services to the resident, consistent with RCW 18.20.160 and chapter 70.129 RCW. The licensee may permit the resident, or the resident's legal representative if any, to independently arrange for other persons to provide on-site care and services to the resident.

(2) The assisted living facility licensee may establish policies and procedures that describe limitations, conditions, or requirements that must be met prior to an outside service provider being allowed on-site.

(3) When the resident or the resident's legal representative independently arranges for outside services under subsection (1) of this section, the licensee's duty of care, and any negligence that may be attributed thereto, shall be limited to: The responsibilities described under subsection (4) of this section, excluding supervising the activities of the outside service provider; observation of the resident for changes in overall functioning, consistent with RCW 18.20.280; notification to the person or persons identified in RCW 70.129.030 when there are observed changes in the resident's overall functioning or condition; and appropriately responding to obtain needed assistance when there are observable or reported changes in the resident's physical or mental functioning.

When information sharing is authorized by the resident or the resident's legal representative, the licensee shall request such information and integrate relevant information from the outside service provider into the resident's negotiated service agreement, only to the extent that such information is actually shared with the licensee. [2012 c 10 § 27; 2004 c 142 § 10.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Effective dates—2004 c 142:** See note following RCW 18.20.020.

**RCW 18.20.390 Quality assurance committee.** (1) To ensure the proper delivery of services and the maintenance and improvement in quality of care through self-review, any assisted living facility licensed under this chapter may maintain a quality assurance committee that, at a minimum, includes:

- (a) A licensed registered nurse under chapter 18.79 RCW;
- (b) The administrator; and
- (c) Three other members from the staff of the assisted living facility.

(2) When established, the quality assurance committee shall meet at least quarterly to identify issues that may adversely affect quality of care and services to residents and to develop and implement plans of action to correct identified quality concerns or deficiencies in the quality of care provided to residents.

(3) To promote quality of care through self-review without the fear of reprisal, and to enhance the objectivity of the review process, the department shall not require, and the long-term care ombuds program shall not request, disclosure of any quality assurance committee records or reports, unless the disclosure is related to the committee's compliance with this section, if:

(a) The records or reports are not maintained pursuant to statutory or regulatory mandate; and

(b) The records or reports are created for and collected and maintained by the committee.

(4) If the assisted living facility refuses to release records or reports that would otherwise be protected under this section, the department may then request only that information that is necessary to determine whether the assisted living facility has a quality assurance committee and to determine that it is operating in compliance with this section. However, if the assisted living facility offers the department documents generated by, or for, the quality assurance committee as evidence of compliance with assisted living facility requirements, the documents are protected as quality assurance committee documents under subsections (6) and (8) of this section when in the possession of the department. The department is not liable for an inadvertent disclosure, a disclosure related to a required federal or state audit, or disclosure of documents incorrectly marked as quality assurance committee documents by the facility.

(5) Good faith attempts by the committee to identify and correct quality deficiencies shall not be used as a basis for sanctions.

(6) Information and documents, including the analysis of complaints and incident reports, created specifically for, and collected and maintained by, a quality assurance committee are not subject to discovery or introduction into evidence in any civil action, and no person who was in attendance at a meeting of such committee or who participated in the creation, collection, or maintenance of information or documents specifically for the committee shall be permitted or required to testify as to the content of such proceedings or the documents and information prepared specifically for the committee. This subsection does not preclude:

(a) In any civil action, the discovery of the identity of persons involved in the care that is the basis of the civil action whose involvement was independent of any quality improvement committee activity;

(b) In any civil action, the testimony of any person concerning the facts which form the basis for the institution of such proceedings of which the person had personal knowledge acquired independently of their participation in the quality assurance committee activities.

(7) A quality assurance committee under subsection (1) of this section, RCW 70.41.200, 74.42.640, 4.24.250, or 43.70.510 may share information and documents, including the analysis of complaints and incident reports, created specifically for, and collected and maintained by, the committee, with one or more other quality assurance committees created under subsection (1) of this section, RCW 70.41.200, 74.42.640, 4.24.250, or 43.70.510 for the improvement of the quality of care and services rendered to assisted living facility

residents. Information and documents disclosed by one quality assurance committee to another quality assurance committee and any information and documents created or maintained as a result of the sharing of information and documents shall not be subject to the discovery process and confidentiality shall be respected as required by subsections (6) and (8) of this section, RCW 43.70.510(4), 70.41.200(3), 4.24.250(1), and 74.42.640 (7) and (9). The privacy protections of chapter 70.02 RCW and the federal health insurance portability and accountability act of 1996 and its implementing regulations apply to the sharing of individually identifiable patient information held by a coordinated quality improvement program. Any rules necessary to implement this section shall meet the requirements of applicable federal and state privacy laws.

(8) Information and documents, including the analysis of complaints and incident reports, created specifically for, and collected and maintained by, a quality assurance committee are exempt from disclosure under chapter 42.56 RCW.

(9) Notwithstanding any records created for the quality assurance committee, the facility shall fully set forth in the resident's records, available to the resident, the department, and others as permitted by law, the facts concerning any incident of injury or loss to the resident, the steps taken by the facility to address the resident's needs, and the resident outcome. [2013 c 23 § 11; 2012 c 10 § 28; 2006 c 209 § 3; 2005 c 33 § 2; 2004 c 144 § 2.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Findings—2005 c 33:** "The legislature finds that facilitation of the quality assurance process in licensed boarding homes and nursing homes will promote safe patient care. The legislature also finds that communication and quality assurance efforts by boarding homes and nursing homes will achieve the goal of providing high quality of care to citizens residing in licensed boarding homes and nursing homes, and may reduce property and liability insurance premium costs for such facilities. The legislature further finds that sharing of quality assurance information between boarding homes, nursing homes, coordinated quality improvement plans, peer review organizations, and hospitals will promote safe patient care and ensure consistency of care across organizations and practices." [2005 c 33 § 1.]

**Finding—2004 c 144:** "The legislature finds that quality assurance efforts will promote compliance with regulations by providers and achieve the goal of providing high quality of care to citizens residing in licensed boarding homes, and may reduce property and liability insurance premium costs for such facilities." [2004 c 144 § 1.]

**Effective date—2004 c 144:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 26, 2004]." [2004 c 144 § 5.]

**RCW 18.20.400 Correction of violation/deficiency—Not included in facility report.** If during an inspection, reinspection, or complaint investigation by the department, an assisted living facility

corrects a violation or deficiency that the department discovers, the department shall record and consider such violation or deficiency for purposes of the facility's compliance history, however the licensor or complaint investigator shall not include in the facility report the violation or deficiency if the violation or deficiency:

- (1) Is corrected to the satisfaction of the department prior to the exit conference;
- (2) Is not recurring; and
- (3) Did not pose a significant risk of harm or actual harm to a resident.

For the purposes of this section, "recurring" means that the violation or deficiency was found under the same regulation or statute in one of the two most recent preceding inspections, reinspections, or complaint investigations. [2012 c 10 § 29; 2004 c 144 § 4.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Finding—Effective date—2004 c 144:** See notes following RCW 18.20.390.

**RCW 18.20.410 Standards for small assisted living facilities—Study.** The department of health, the department, and the building code council shall develop standards for small assisted living facilities between seven and sixteen beds that address at least the following issues:

- (1) Domestic food refrigeration and freezer storage;
- (2) Sinks and sink placement;
- (3) Dishwashers;
- (4) Use of heat supplements for water temperature in clothes washers;
- (5) Yard shrubbery;
- (6) Number of janitorial rooms in a facility;
- (7) Number and cross-purpose of dirty rooms;
- (8) Instant hot water faucets;
- (9) Medication refrigeration; and
- (10) Walled and gated facilities.

Based on the standards developed under this section, the department of health and the building code council shall study the risks and benefits of modifying and simplifying construction and equipment standards for assisted living facilities with a capacity of seven to sixteen persons. The study shall include coordination with the department. The department of health shall report its findings and recommendations to appropriate committees of the legislature no later than December 1, 2005. [2012 c 10 § 30; 2005 c 505 § 1.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**RCW 18.20.415 Rule-making authority.** The department of health and the department of social and health services may adopt rules to implement RCW 18.20.410. [2005 c 505 § 2.]

**RCW 18.20.420 Temporary management.** (1) If the department determines that the health, safety, or welfare of residents is

immediately jeopardized by an assisted living facility's failure or refusal to comply with the requirements of this chapter or the rules adopted under this chapter, and the department summarily suspends the assisted living facility license, the department may appoint a temporary manager of the assisted living facility, or the licensee may, subject to the department's approval, voluntarily participate in the temporary management program.

The purposes of the temporary management program are as follows:

- (a) To mitigate dislocation and transfer trauma of residents while the department and licensee may pursue dispute resolution or appeal of a summary suspension of license;
- (b) To facilitate the continuity of safe and appropriate resident care and services;
- (c) To protect the health, safety, and welfare of residents, by providing time for an orderly closure of the assisted living facility, or for the deficiencies that necessitated temporary management to be corrected; and
- (d) To preserve a residential option that meets a specialized service need or is in a geographical area that has a lack of available providers.

(2) The department may recruit, approve, and appoint qualified individuals, partnerships, corporations, and other entities interested in serving as a temporary manager of an assisted living facility. These individuals and entities shall satisfy the criteria established under this chapter or by the department for approving licensees. The department shall not approve or appoint any person, including partnerships and other entities, if that person is affiliated with the assisted living facility subject to the temporary management, or has owned or operated an assisted living facility ordered into temporary management or receivership in any state. When approving or appointing a temporary manager, the department shall consider the temporary manager's past experience in long-term care, the quality of care provided, the temporary manager's availability, and the person's familiarity with applicable state and federal laws. Subject to the provisions of this section and RCW 18.20.430, the department's authority to approve or appoint a temporary manager is discretionary and not subject to the administrative procedure act, chapter 34.05 RCW.

(3) When the department appoints a temporary manager, the department shall enter into a contract with the temporary manager and shall order the licensee to cease operating the assisted living facility and immediately turn over to the temporary manager possession and control of the assisted living facility, including but not limited to all resident care records, financial records, and other records necessary for operation of the facility while temporary management is in effect. If the department has not appointed a temporary manager and the licensee elects to participate in the temporary management program, the licensee shall select the temporary manager, subject to the department's approval, and enter into a contract with the temporary manager, consistent with this section. The department has the discretion to approve or revoke any temporary management arrangements made by the licensee.

(4) When the department appoints a temporary manager, the costs associated with the temporary management may be paid for through the assisted living facility temporary management account established by RCW 18.20.430, or from other departmental funds, or a combination thereof. All funds must be administered according to department

procedures. The department may enter into an agreement with the licensee allowing the licensee to pay for some of the costs associated with a temporary manager appointed by the department. If the department has not appointed a temporary manager and the licensee elects to participate in the temporary management program, the licensee is responsible for all costs related to administering the temporary management program at the assisted living facility and contracting with the temporary manager.

(5) The temporary manager shall assume full responsibility for the daily operations of the assisted living facility and is responsible for correcting cited deficiencies and ensuring that all minimum licensing requirements are met. The temporary manager must comply with all state and federal laws and regulations applicable to assisted living facilities. The temporary manager shall protect the health, safety, and welfare of the residents for the duration of the temporary management and shall perform all acts reasonably necessary to ensure residents' needs are met. The temporary management contract shall address the responsibility of the temporary manager to pay past due debts. The temporary manager's specific responsibilities may include, but are not limited to:

(a) Receiving and expending in a prudent and business-like manner all current revenues of the assisted living facility, provided that priority is given to debts and expenditures directly related to providing care and meeting residents' needs;

(b) Hiring and managing all consultants and employees and firing them for good cause;

(c) Making necessary purchases, repairs, and replacements, provided that such expenditures in excess of five thousand dollars by a temporary manager appointed by the department must be approved by the department;

(d) Entering into contracts necessary for the operation of the assisted living facility;

(e) Preserving resident trust funds and resident records; and

(f) Preparing all department-required reports, including a detailed monthly accounting of all expenditures and liabilities, which shall be sent to the department and the licensee.

(6) The licensee and department shall provide written notification immediately to all residents, resident representatives, interested family members, and the state long-term care ombuds program of the temporary management and the reasons for it. This notification shall include notice that residents may move from the assisted living facility without notifying the licensee or temporary manager in advance, and without incurring any charges, fees, or costs otherwise available for insufficient advance notice, during the temporary management period. The notification shall also inform residents and their families or representatives that the temporary management team will provide residents help with relocation and appropriate discharge planning and coordination if desired. The department shall provide assistance with relocation to residents who are department clients and may provide such assistance to other residents. The temporary manager shall meet regularly with staff, residents, residents' representatives, and families to inform them of the plans for and progress achieved in the correction of deficiencies, and of the plans for facility closure or continued operation.

(7) The department shall terminate temporary management:

(a) After sixty days unless good cause is shown to continue the temporary management. Good cause for continuing the temporary

management exists when returning the assisted living facility to its former licensee would subject residents to a threat to health, safety, or welfare;

(b) When all residents are transferred and the assisted living facility is closed;

(c) When deficiencies threatening residents' health, safety, or welfare are eliminated and the former licensee agrees to department-specified conditions regarding the continued facility operation; or

(d) When a new licensee assumes control of the assisted living facility.

Nothing in this section precludes the department from revoking its approval of the temporary management or exercising its licensing enforcement authority under this chapter. The department's decision whether to approve or to revoke a temporary management arrangement is not subject to the administrative procedure act, chapter 34.05 RCW.

(8) The department shall indemnify, defend, and hold harmless any temporary manager appointed or approved under this section against claims made against the temporary manager for any actions by the temporary manager or its agents that do not amount to intentional torts or criminal behavior.

(9) The department may adopt rules implementing this section. In the development of rules or policies implementing this section, the department shall consult with residents and their representatives, resident advocates, financial professionals, assisted living facility providers, and organizations representing assisted living facilities. [2013 c 23 § 12; 2012 c 10 § 31; 2007 c 162 § 1.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**RCW 18.20.430 Assisted living facility temporary management account.** The assisted living facility temporary management account is created in the custody of the state treasurer. All receipts from civil penalties imposed under this chapter must be deposited into the account. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures. Expenditures from the account may be used only for the protection of the health, safety, welfare, or property of residents of assisted living facilities found to be deficient. Uses of the account include, but are not limited to:

(1) Payment for the costs of relocation of residents to other facilities;

(2) Payment to maintain operation of an assisted living facility pending correction of deficiencies or closure, including payment of costs associated with temporary management authorized under this chapter;

(3) Reimbursement of residents for personal funds or property lost or stolen when the resident's personal funds or property cannot be recovered from the assisted living facility or third-party insurer; and

(4) The protection of the health, safety, welfare, and property of residents of assisted living facilities found to be noncompliant with licensing standards. [2018 c 173 § 5; 2016 sp.s. c 36 § 912; 2012 c 10 § 32; 2007 c 162 § 2.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**RCW 18.20.440 Withdrawal from medicaid program—Notice—Duties.**

(1) If an assisted living facility voluntarily withdraws from participation in a state medicaid program for residential care and services under chapter 74.39A RCW, but continues to provide services of the type provided by assisted living facilities, the facility's voluntary withdrawal from participation is not an acceptable basis for the transfer or discharge of residents of the facility (a) who were receiving medicaid on the day before the effective date of the withdrawal; or (b) who have been paying the facility privately for at least two years and who become eligible for medicaid within one hundred eighty days of the date of withdrawal.

(2) An assisted living facility that has withdrawn from the state medicaid program for residential care and services under chapter 74.39A RCW must provide the following oral and written notices to prospective residents. The written notice must be prominent and must be written on a page that is separate from the other admission documents. The notice shall provide that:

(a) The facility will not participate in the medicaid program with respect to that resident; and

(b) The facility may transfer or discharge the resident from the facility for nonpayment, even if the resident becomes eligible for medicaid.

(3) Notwithstanding any other provision of this section, the medicaid contract under chapter 74.39A RCW that exists on the day the facility withdraws from medicaid participation is deemed to continue in effect as to the persons described in subsection (1) of this section for the purposes of:

(a) Department payments for the residential care and services provided to such persons;

(b) Maintaining compliance with all requirements of the medicaid contract between the department and the facility; and

(c) Ongoing inspection, contracting, and enforcement authority under the medicaid contract, regulations, and law.

(4) Except as provided in subsection (1) of this section, this section shall not apply to a person who begins residence in a facility on or after the effective date of the facility's withdrawal from participation in the medicaid program for residential care and services.

(5) An assisted living facility that is providing residential care and services under chapter 74.39A RCW shall give the department and its residents sixty days' advance notice of the facility's intent to withdraw from participation in the medicaid program.

(6) Prior to admission to the facility, an assisted living facility participating in the state medicaid program for residential care and services under chapter 74.39A RCW must provide the following

oral and written notices to prospective residents. The written notice must be prominent and must be written on a page that is separate from the other admission documents, and must provide that:

(a) In the future, the facility may choose to withdraw from participating in the medicaid program;

(b) If the facility withdraws from the medicaid program, it will continue to provide services to residents (i) who were receiving medicaid on the day before the effective date of the withdrawal; or (ii) who have been paying the facility privately for at least two years and who will become eligible for medicaid within one hundred eighty days of the date of withdrawal;

(c) After a facility withdraws from the medicaid program, it may transfer or discharge residents who do not meet the criteria described in this section for nonpayment, even if the resident becomes eligible for medicaid. [2012 c 10 § 33; 2008 c 251 § 1.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**Effective date—2008 c 251:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [March 28, 2008], except for \*section 2 of this act which applies retroactively to September 1, 2007." [2008 c 251 § 3.]

**\*Reviser's note:** Section 2 of this act was vetoed by the governor.

**RCW 18.20.500 Information for consumers.** The department shall provide information to consumers about assisted living facilities. This information must be made available online and must include information related to site visits, substantiated inspection and complaint investigation reports, including any citation and remedy imposed, and a listing of licensed assisted living facilities by geographic location. [2018 c 173 § 2.]

**Findings—2018 c 173:** "The legislature finds that:

(1) Washington state is ranked number one in the nation in offering quality choices in its long-term services and supports system. Assisted living facilities are an important part of the state's long-term services and supports plan;

(2) Consumers should have access to current information about assisted living facilities to make informed choices;

(3) Washingtonians choose to live in assisted living facilities for many different reasons including safety, access to care, socialization, rehabilitation, and community;

(4) Deciding where to live and what kind of facility to live in are big decisions for potential residents and families. They deserve to have access to all information collected by the state to use in making their decisions. Providing transparency will allow for more informed consumer choices;

(5) Consumers already have access to information on nursing homes and adult family homes. This act would bring assisted living facilities in line with other settings; and

(6) Assisted living facilities need to be held accountable for the residents in their care and the fine structure should be reflective of that responsibility." [2018 c 173 § 1.]

**RCW 18.20.510 Work group—Quality metrics.** (1) The department shall facilitate a work group process to recommend quality metrics for assisted living facilities. The department shall keep a public record of comments submitted by stakeholders throughout the work group process.

(2) The work group shall consist of representatives from the department; assisted living provider associations; the long-term care ombuds; organizations with expertise in serving persons with mental health needs in an institutional setting, as selected by the department; organizations with expertise in serving persons with developmental disability needs in an institutional setting, as selected by the department; organizations with expertise in serving culturally diverse and non-English-speaking persons in an institutional setting, as selected by the department; health care professionals with experience caring for diverse and non-English-speaking patients, as selected by the department; licensed health care professionals with experience caring for geriatric patients, as selected by the department; and an Alzheimer's advocacy organization. The work group may solicit input from individuals with additional expertise, if necessary.

(3) The work group shall make an interim report by September 1, 2019, and final recommendations to the appropriate legislative committees by September 1, 2020, and shall include a dissent report if agreement is not achieved among stakeholders and the department.

(4) The work group must submit recommendations for a quality metric system, propose a process for monitoring and tracking performance, and recommend a process to inform consumers.

(5) The department shall include at least one meeting dedicated to review and analysis of other states with quality metric methodologies for assisted living and must include information on how well each state is achieving quality care outcomes. In addressing data metrics the work group shall consider whether the data that must be reported reflect and promote quality of care and whether reporting the data is unnecessarily burdensome upon assisted living facilities. [2018 c 173 § 3.]

**Findings—2018 c 173:** See note following RCW 18.20.500.

**RCW 18.20.520 Stop placement orders and limited stop placement orders.** The department must require an assisted living facility that is subject to a stop placement order or limited stop placement order under RCW 18.20.190 to publicly post in a conspicuous place at the facility a standardized notice that the department has issued a stop placement order or limited stop placement order for the facility. The standardized notice shall be developed by the department to include the date of the stop placement order or limited stop placement order, any conditions placed upon the facility's license, contact information for the department, contact information for the administrator or provider of the assisted living facility, and a statement that anyone may contact the department or the administrator or provider for

further information. The notice must remain posted until the department has terminated the stop placement order or limited stop placement order. [2021 c 159 § 2.]

**Findings—2021 c 159:** "The legislature finds that:

(1) Residents in licensed long-term care facilities have been disproportionately impacted and isolated by the COVID-19 pandemic and over 50 percent of all COVID-19 deaths in Washington have been associated with long-term care facilities;

(2) According to a University of Washington report, social isolation creates a "double pandemic" that disrupts care and exacerbates the difficulties of dementia, depression, suicide risk, chronic health conditions, and other challenges faced by long-term care residents and providers;

(3) A "digital divide" exists in many parts of Washington, particularly for older adults of color with low incomes and those in rural communities;

(4) Residents with sensory limitations, mental illness, intellectual disabilities, dementia, cognitive limitations, traumatic brain injuries, or other disabilities may not be able to fully utilize digital tools which exacerbates their social isolation;

(5) Long-term care facilities already have the legal responsibility to care for their residents in a manner and in an environment that promotes the maintenance or enhancement of each resident's quality of life. A resident should have a safe, clean, comfortable, and homelike environment as detailed in chapter 70.129 RCW; and

(6) The COVID-19 pandemic has exposed systematic weaknesses in the state's long-term care system and there is a need to enact additional measures to protect and improve the health, safety, and quality of life of residents." [2021 c 159 § 1.]

**RCW 18.20.525 Disaster preparedness plan.** (1) Each assisted living facility shall develop and maintain a comprehensive disaster preparedness plan to be followed in the event of a disaster or emergency, including fires, earthquakes, floods, infectious disease outbreaks, loss of power or water, and other events that may require sheltering in place, evacuations, or other emergency measures to protect the health and safety of residents. The facility shall review the comprehensive disaster preparedness plan annually, update the plan as needed, and train all employees when they begin work in the facility on the comprehensive disaster preparedness plan and related staff procedures.

(2) The department shall adopt rules governing the comprehensive disaster preparedness plan. At a minimum, the rules must address: Timely communication with the residents' emergency contacts; timely communication with state and local agencies, long-term care ombuds, and developmental disabilities ombuds; contacting and requesting emergency assistance; on-duty employees' responsibilities; meeting residents' essential needs; procedures to identify and locate residents; and procedures to provide emergency information to provide for the health and safety of residents. In addition, the rules shall establish standards for maintaining personal protective equipment and infection control capabilities, as well as department inspection procedures with respect to the plans. [2021 c 159 § 5.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**RCW 18.20.530 Multistate nurse license—Conditions of employment.** (1) Beginning September 1, 2023, and annually thereafter, individuals that hold a multistate nurse license issued by a state other than Washington and are employed by assisted living facilities licensed under this chapter shall complete any demographic data surveys required by the board of nursing in rule as a condition of employment.

(2) Individuals that hold a multistate nurse license issued by a state other than Washington and are employed by assisted living facilities licensed under this chapter shall complete the suicide assessment, treatment, and management training required by RCW 43.70.442(5) (a) as a condition of employment.

(3) Assisted living facilities shall report to the board of nursing, within 30 days of employment, all nurses holding a multistate license issued by a state other than Washington and an attestation that the employees holding a multistate license issued by a state other than Washington have completed the tasks required under this section as a condition of employment.

(4) This section is subject to enforcement by the department.

**Short title—2023 c 123:** See RCW 18.80.900.

**RCW 18.20.900 Severability—1957 c 253.** If any part, or parts, of this chapter shall be held unconstitutional, the remaining provisions shall be given full force and effect, as completely as if the part held unconstitutional had not been included herein, if any such remaining part can then be administered for the purpose of establishing and maintaining standards for assisted living facilities.  
[2012 c 10 § 34; 1957 c 253 § 20.]

**Application—2012 c 10:** See note following RCW 18.20.010.

**RCW 18.20.901 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. **RCW 18.22.005 Legislative finding—Purpose.** The legislature finds that the conduct of podiatric physicians and surgeons licensed to practice in this state plays a vital role in preserving the public

health and well-being. The purpose of this chapter is to establish an effective public agency to regulate the practice of podiatric medicine and surgery for the protection and promotion of the public health, safety, and welfare and to act as a disciplinary body for the licensed podiatric physicians and surgeons of this state and to ensure that only individuals who meet and maintain minimum standards of competence and conduct may obtain a license to provide podiatric services to the public. [1990 c 147 § 1; 1982 c 21 § 1.]

**RCW 18.22.010 Definitions.** As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(2) "Board" means the Washington state podiatric medical board.

(3) "Department" means the department of health.

All members must be residents of the state. Two members must be consumers whose occupation does not include the administration of health activities or the providing of health services and who have no material financial interest in providing health care services or fiduciary relationship to a health care delivery system. Five members must be podiatric physicians and surgeons who at the time of appointment have been licensed under the laws of this state for at least five consecutive years immediately preceding appointment and shall at all times during their terms remain licensed podiatric physicians and surgeons.

Board members serve five-year terms. No person may serve more than two consecutive terms on the board. Each member shall take the usual oath of a state officer, which must be filed with the secretary of state, and each member shall hold office for the term of appointment and until a successor is appointed and sworn.

Each member is subject to removal at the pleasure of the governor. If a vacancy on the board occurs from any cause, the governor shall appoint a successor for the unexpired term. [2020 c 248 § 1; 1990 c 147 § 3; 1982 c 21 § 8.]

(2) The inactive renewal fee shall be established by the secretary under RCW 43.70.250, but may not exceed twenty-five percent of the active license renewal fee. Failure to renew an inactive license results in cancellation in the same manner as an active license.

(3) An inactive license may be placed in an active status upon compliance with the rules established by the board.

(4) The provisions of this chapter relating to the denial, suspension, and revocation of a license are applicable to an inactive license, except that when proceedings to suspend or revoke an inactive license have been initiated, the license remains inactive until the proceedings have been completed. [1990 c 147 § 14.]

**RCW 18.22.191 Rules and regulations.** The secretary shall have the power and duty to formulate and prescribe such rules and regulations as may be reasonable in the proper administration of this chapter. In addition to any other authority provided by law, the secretary may:

(1) Set all fees required in this chapter in accordance with RCW 43.70.250;

(2) Establish forms necessary to administer this chapter;

(3) Maintain the official department record of all applicants and licensees. [1990 c 147 § 15; 1955 c 149 § 13.]

(2) By June 30, 2011, the board shall adopt new rules on chronic, noncancer pain management that contain the following elements:

(a) (i) Dosing criteria, including:

(A) A dosage amount that must not be exceeded unless a podiatric physician and surgeon first consults with a practitioner specializing in pain management; and

(B) Exigent or special circumstances under which the dosage amount may be exceeded without consultation with a practitioner specializing in pain management.

(ii) The rules regarding consultation with a practitioner specializing in pain management must, to the extent practicable, take into account:

(A) Circumstances under which repeated consultations would not be necessary or appropriate for a patient undergoing a stable, ongoing course of treatment for pain management;

(B) Minimum training and experience that is sufficient to exempt a podiatric physician and surgeon from the specialty consultation requirement;

(E) Minimizing the burden on practitioners and patients;

(b) Guidance on when to seek specialty consultation and ways in which electronic specialty consultations may be sought;

(2) A contract entered into under subsection (1) of this section shall be financed by a surcharge of fifty dollars per year or equivalent on each license issuance or renewal to be collected by the department from every podiatric physician licensed under this chapter. These moneys must be placed in the health professions account to be

used solely for implementation of the podiatric physician health program. [2022 c 43 § 1; 2017 c 22 § 1.]

**RCW 18.22.800 Opioid drug prescribing rules—Adoption.** (1) By January 1, 2019, the board must adopt rules establishing requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

[2017 c 297 § 2.]

**Findings—Intent—2017 c 297:** "The legislature finds that in 2015 an average of two Washington residents died per day in this state from opioid overdose and that opioid overdose deaths have more than doubled between 2010 and 2015.

The legislature finds that in 2015 an average of two Washington residents died per day in this state from opioid overdose and that opioid overdose deaths have more than doubled between 2010 and 2015.

The legislature further finds that medically prescribed opioids intended to treat pain have contributed to the opioid epidemic and although Washington has done much to address the prescribing and tracking of opioid prescriptions, more needs to be done to ensure proper prescribing and use of opioids and access to treatment. This includes allowing local health officers to access the prescription monitoring program in order to provide patient follow-up and care coordination, including directing care to opioid treatment programs in the area as appropriate to the patient following an overdose event.

The legislature intends to streamline its already comprehensive system of tracking and treating opioid abuse by: Reducing barriers to the siting of opioid treatment programs; ensuring ease of access for prescribers, including those prescribers who provide services in opioid treatment programs, to the prescription monitoring program; allowing facilities and practitioners to use the information received under the prescription monitoring program for the purpose of providing individual prescriber quality improvement feedback; and requiring the boards and commissions of the health care professions with prescriptive authority to adopt rules establishing requirements for prescribing opioid drugs with the goal of reducing the number of people who inadvertently become addicted to opioids and, consequently, reducing the burden on opioid treatment programs." [2017 c 297 § 1.]

**RCW 18.22.810 Opioid drugs—Right to refuse.** By January 1, 2020, the board must adopt or amend its rules to require podiatric physicians who prescribe opioids to inform patients of their right to refuse an opioid prescription or order for any reason. If a patient indicates a desire to not receive an opioid, the podiatric physician must document the patient's request and avoid prescribing or ordering opioids, unless the request is revoked by the patient. [2019 c 314 § 3.]

**Declaration—2019 c 314:** "The legislature declares that opioid use disorder is a public health crisis. State agencies must increase access to evidence-based opioid use disorder treatment services, promote coordination of services within the substance use disorder treatment and recovery support system, strengthen partnerships between opioid use disorder treatment providers and their allied community partners, expand the use of the Washington state prescription drug monitoring program, and support comprehensive school and community-based substance use prevention services.

This act leverages the direction provided by the Washington state interagency opioid working plan in order to address the opioid epidemic challenging communities throughout the state.

Agencies administering state purchased health care programs, as defined in RCW 41.05.011, shall coordinate activities to implement the provisions of this act and the Washington state interagency opioid working plan, explore opportunities to address the opioid epidemic, and provide status updates as directed by the joint legislative executive committee on health care oversight to promote legislative and executive coordination." [2019 c 314 § 1.]

**RCW 18.22.950 Short title.** This chapter shall be known as the Podiatric Physician and Surgeon Practice Act. [1990 c 147 § 19.]

**RCW 18.25.002 Purpose.** This chapter is enacted:

(1) In the exercise of the police power of the state and to provide an adequate public agency to act as a disciplinary body for the members of the chiropractic profession licensed to practice chiropractic in this state;

(2) Because the health and well-being of the people of this state are of paramount importance;

(3) Because the conduct of members of the chiropractic profession licensed to practice chiropractic in this state plays a vital role in preserving the health and well-being of the people of the state; and

(4) Because practicing other healing arts while licensed to practice chiropractic and while holding one's self out to the public as a chiropractor affects the health and welfare of the people of the state.

It is the purpose of the commission established under RCW 18.25.0151 to regulate the competency and quality of professional health care providers under its jurisdiction by establishing, monitoring, and enforcing qualifications for licensing, consistent standards of practice, continuing competency mechanisms, and discipline. Rules, policies, and procedures developed by the commission must promote the delivery of quality health care to the residents of the state. [1994 sp.s. c 9 § 101.]

**RCW 18.25.003 Regulation of health care professions—Criteria.**

See chapter 18.120 RCW.

**RCW 18.25.005 "Chiropractic" defined.** (1) Chiropractic is the practice of health care that deals with the diagnosis or analysis and care or treatment of the vertebral subluxation complex and its effects, articular dysfunction, and musculoskeletal disorders, all for the restoration and maintenance of health and recognizing the recuperative powers of the body.

(2) Chiropractic treatment or care includes the use of procedures involving spinal adjustments and extremity manipulation. Chiropractic treatment also includes the use of heat, cold, water, exercise, massage, trigger point therapy, dietary advice and recommendation of nutritional supplementation, the normal regimen and rehabilitation of the patient, first aid, and counseling on hygiene, sanitation, and preventive measures. Chiropractic care also includes such physiological therapeutic procedures as traction and light, but does not include procedures involving the application of sound, diathermy, or electricity.

(3) As part of a chiropractic differential diagnosis, a chiropractor shall perform a physical examination, which may include diagnostic x-rays, to determine the appropriateness of chiropractic care or the need for referral to other health care providers. The chiropractic quality assurance commission shall provide by rule for the type and use of diagnostic and analytical devices and procedures consistent with this chapter.

(4) Chiropractic care shall not include the prescription or dispensing of any medicine or drug, the practice of obstetrics or surgery, the use of x-rays or any other form of radiation for therapeutic purposes, colonic irrigation, or any form of venipuncture.

(5) Nothing in this chapter prohibits or restricts any other practitioner of a "health profession" defined in RCW 18.120.020(4) from performing any functions or procedures the practitioner is licensed or permitted to perform, and the term "chiropractic" as defined in this chapter shall not prohibit a practitioner licensed under chapter 18.71 RCW from performing medical procedures, except such procedures shall not include the adjustment by hand of any articulation of the spine. [2002 c 225 § 1; 1994 sp.s. c 9 § 102; 1992 c 241 § 2; 1974 ex.s. c 97 § 7.]

**Intent—1992 c 241:** "This act is intended to expand the scope of practice of chiropractic only with regard to adjustment of extremities in connection with a spinal adjustment." [1992 c 241 § 1.]

**Severability—1974 ex.s. c 97:** See note following RCW 18.25.0192.

**RCW 18.25.006 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(4) "Commission" means the Washington state chiropractic quality assurance commission.

(5) "Vertebral subluxation complex" means a functional defect or alteration of the biomechanical and physiological dynamics in a joint that may cause neuronal disturbances, with or without displacement detectable by X-ray. The effects of the vertebral subluxation complex may include, but are not limited to, any of the following: Fixation, hypomobility, hypermobility, periarticular muscle spasm, edema, or inflammation.

Such care includes manual or mechanical adjustment of any vertebral articulation and contiguous articulations beyond the normal passive physiological range of motion.

(10) "Extremity manipulation" means a corrective thrust or maneuver applied to a joint of the appendicular skeleton. [2002 c 225

§ 2; 1994 sp.s. c 9 § 103; 1992 c 241 § 3; 1991 c 3 § 36; 1989 c 258 § 12.]

**Intent—1992 c 241:** See note following RCW 18.25.005.

**RCW 18.25.011 License required.** It is a violation of RCW 18.130.190 for any person to practice chiropractic in this state unless the person has obtained a license as provided in this chapter. [1987 c 150 § 14.]

**Severability—1987 c 150:** See RCW 18.122.901.

**RCW 18.25.0151 Commission established—Membership.** The Washington state chiropractic quality assurance commission is established, consisting of fourteen members appointed by the governor to four-year terms, and including eleven practicing chiropractors and three public members. No member may serve more than two consecutive full terms. In appointing the initial members of the commission, it is the intent of the legislature that, to the extent possible, the governor appoint members of the previous boards and committees regulating this profession to the commission. Members of the commission hold office until their successors are appointed. The governor may appoint the members of the initial commission to staggered terms of from one to four years. Thereafter, all members shall be appointed to full four-year terms. The governor may consider persons who are recommended for appointment by chiropractic associations of this state. [2000 c 171 § 5; 1994 sp.s. c 9 § 104.]

**RCW 18.25.0161 Commission—Removal of member—Order of removal—Vacancy.** The governor may remove a member of the commission for neglect of duty, misconduct, or malfeasance or misfeasance in office. Whenever the governor is satisfied that a member of the commission has been guilty of neglect of duty, misconduct, or malfeasance or misfeasance in office, the governor shall file with the secretary of state a statement of the causes for and the order of removal from office, and the secretary shall forthwith send a certified copy of the order of removal and statement of causes by certified mail to the last known post office address of the member. [2022 c 240 § 31; 1994 sp.s. c 9 § 106.]

**RCW 18.25.0167 Commission—Budget—Staff—Dispute resolution.**

- (1) The secretary shall employ an executive director that is:
  - (a) Hired by and serves at the pleasure of the commission;

  - (c) Responsible for performing all administrative duties of the commission, including preparing an annual budget, and any other duties as delegated to the executive director by the commission.
- (2) Consistent with the budgeting and accounting act, the commission is responsible for proposing its own biennial budget which the secretary must submit to the office of financial management.
- (3) Prior to adopting credentialing fees under RCW 43.70.250, the secretary shall collaborate with the commission to determine the appropriate fees necessary to support the activities of the commission.
- (4) Prior to the secretary exercising the secretary's authority to adopt uniform rules and guidelines, or any other actions that might impact the licensing or disciplinary authority of the commission, the secretary shall first meet with the commission to determine how those rules or guidelines, or changes to rules or guidelines, might impact the commission's ability to effectively carry out its statutory duties. If the commission, in consultation with the secretary, determines that the proposed rules or guidelines, or changes to existing rules or guidelines, will negatively impact the commission's ability to effectively carry out its statutory duties, then the individual commission shall collaborate with the secretary to develop alternative solutions to mitigate the impacts. If an alternative solution cannot be reached, the parties may resolve the dispute through a mediator as set forth in subsection (6) of this section.
- (5) The commission shall negotiate with the secretary to develop performance-based expectations, including identification of key performance measures. The performance expectations should focus on consistent, timely regulation of health care professionals.
- (6) In the event there is a disagreement between the commission and the secretary, that is unable to be resolved through negotiation, a representative of both parties shall agree on the designation of a third party to mediate the dispute.
- (7) The secretary shall employ staff that are hired and managed by the executive director provided that nothing contained in this section may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement. [2018 c 215 § 1; 2013 c 81 § 1; 2011 c 60 § 5; 2008 c 134 § 31. Formerly RCW 18.25.210.]

Meetings of the commission are open to the public, except that the commission may hold executive sessions to the extent permitted by chapter 42.30 RCW. The secretary of health shall furnish such secretarial, clerical, and other assistance as the commission may require.

Each member of the commission shall be compensated in accordance with RCW 43.03.265. Members shall be reimbursed for travel expenses incurred in the actual performance of their duties, as provided in RCW 43.03.050 and 43.03.060.

A majority of the commission members appointed and serving constitutes a quorum for the transaction of commission business. The affirmative vote of a majority of a quorum of the commission is required to carry a motion or resolution, to adopt a rule, or to pass a measure.

The commission may appoint members of panels of at least three members. A quorum for transaction of any business by a panel is a minimum of three members. A majority vote of a quorum of the panel is required to transact business delegated to it by the commission.

The members of the commission are immune from suit in an action, civil or criminal, based upon its disciplinary proceedings or other official acts performed in good faith as members of the commission.

The commission may, whenever the workload of the commission requires, request that the secretary appoint pro tempore members. While serving as members pro tempore persons have all the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses, of the commission.

The commission shall prepare or determine the nature of the examinations for applicants to practice chiropractic.

The commission may adopt such rules as are consistent with this chapter as may be deemed necessary and proper to carry out the purposes of this chapter. [1999 c 366 § 2; 1994 sp.s. c 9 § 107.]

**RCW 18.25.0172 Commission successor to other boards, committee.**

The commission is the successor in interest of the board of chiropractic examiners, the chiropractic disciplinary board, and the chiropractic peer review committee. All contracts, undertakings, agreements, rules, regulations, and policies of those bodies continue in full force and effect on July 1, 1994, unless otherwise repealed or rejected by chapter 9, Laws of 1994 sp. sess. or by the commission. [1994 sp.s. c 9 § 119.]

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.25.0192 Discrimination—Legislative finding and declaration.** The legislature finds and declares that the costs of health care to the people are rising disproportionately to other costs and that there is a paramount concern that the right of the people to obtain access to health care in all its facets is being impaired thereby. For this reason, the reliance on the mechanism of health care service contractors, whether profit or nonprofit, is the only effective manner in which the large majority of the people can attain access to quality health care, and it is therefore declared to be in the public interest that health care service contractors be regulated to assure that all the people have access to health care to the greatest extent possible. Chapter 97, Laws of 1974 ex. sess., prohibiting discrimination against the legally recognized and licensed profession of chiropractic, is necessary in the interest of the public health, welfare, and safety. [1974 ex.s. c 97 § 1. Formerly RCW 18.25.120.]

political subdivisions, and all officials, agents, employees, or representatives thereof, are prohibited from entering into any agreement or contract with any individual, group, association, or corporation which in any way, directly or indirectly, discriminates against licensed chiropractors in performing and receiving compensation for services covered by their licenses. **RCW 18.27.005 Strict enforcement.** This chapter shall be strictly enforced. Therefore, the doctrine of substantial compliance shall not be used by the department in the application and construction of this chapter. Anyone engaged in the activities of a contractor is presumed to know the requirements of this chapter. [1997 c 314 § 1.]

**RCW 18.27.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1)(a) "Contractor" includes any person, firm, corporation, or other entity who or which, in the pursuit of an independent business undertakes to, or offers to undertake, or submits a bid to, construct, alter, repair, add to, subtract from, improve, develop, move, wreck, or demolish any building, highway, road, railroad, excavation or other structure, project, development, or improvement attached to real estate or to do any part thereof including the installation of carpeting or other floor covering, the erection of scaffolding or other structures or works in connection therewith, the installation or repair of roofing or siding, performing tree removal services, or cabinet or similar installation; or, who, to do similar work upon his or her own property, employs members of more than one trade upon a single job or project or under a single building permit except as otherwise provided in this chapter.

(b) "Contractor" also includes a consultant acting as a general contractor.

(c) "Contractor" also includes any person, firm, corporation, or other entity covered by this subsection (1), whether or not registered as required under this chapter or who are otherwise required to be registered or licensed by law, who offer to sell their property without occupying or using the structures, projects, developments, or improvements for more than one year from the date the structure, project, development, or improvement was substantially completed or abandoned. A person, firm, corporation, or other entity is not a contractor under this subsection (1)(c) if the person, firm,

corporation, or other entity contracts with a registered general contractor and does not superintend the work.

(2) "Department" means the department of labor and industries.

(3) "Director" means the director of the department of labor and industries or designated representative employed by the department.

(4) "Filing" means delivery of a document that is required to be filed with an agency to a place designated by the agency.

(5) "General contractor" means a contractor whose business operations require the use of more than one building trade or craft upon a single job or project or under a single building permit. A general contractor also includes one who superintends, or consults on, in whole or in part, work falling within the definition of a contractor.

(6) "Notice of infraction" means a form used by the department to notify contractors that an infraction under this chapter has been filed against them.

(7) "Partnership" means a business formed under Title 25 RCW.

(9) "Registration suspension" means either an automatic suspension as provided in this chapter, or a written notice from the department that a contractor's action is a violation of this chapter and that the contractor's registration has been suspended for a specified time, or until the contractor shows evidence of compliance with this chapter.

(10) "Residential homeowner" means an individual person or persons owning or leasing real property:

(a) Upon which one single-family residence is to be built and in which the owner or lessee intends to reside upon completion of any construction; or

(b) Upon which there is a single-family residence to which improvements are to be made and in which the owner or lessee intends to reside upon completion of any construction.

(11) "Service," except as otherwise provided in RCW 18.27.225 and 18.27.370, means posting in the United States mail, properly addressed, postage prepaid, return receipt requested, or personal service. Service by mail is complete upon deposit in the United States mail to the last known address provided to the department.

(12) "Specialty contractor" means a contractor whose operations do not fall within the definition of "general contractor". A specialty contractor may only subcontract work that is incidental to the specialty contractor's work.

(13) "Substantial completion" means the same as "substantial completion of construction" in RCW 4.16.310.

(14) "Successor" means an applicant operating with all or part of the assets of another entity previously registered under this chapter, where the applicant is under substantially common ownership, management, or control of the other entity.

(15) "Unregistered contractor" means a person, firm, corporation, or other entity doing work as a contractor without being registered in compliance with this chapter. "Unregistered contractor" includes contractors whose registration is expired, revoked, or suspended. "Unregistered contractor" does not include a contractor who has maintained a valid bond and the insurance or assigned account required by RCW 18.27.050, and whose registration has lapsed for 30 or fewer days.

(4) All gross misdemeanor actions under this chapter shall be prosecuted in the county where the infraction occurs.

(5) A person is guilty of a separate gross misdemeanor for each day worked if, after the person receives a citation from the department, the person works while unregistered, or while his or her registration is suspended or revoked, or works under a registration issued to another contractor. A person is guilty of a separate gross misdemeanor for each worksite on which he or she violates subsection (2) of this section. Nothing in this subsection applies to a registered contractor.

coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington.

(3) (a) The department shall deny an application for registration if: (i) The applicant has been previously performing work subject to this chapter as a sole proprietor, partnership, corporation, or other entity and the department has notice that the applicant has an unsatisfied final judgment against him or her in an action based on work performed subject to this chapter or the applicant owes the department money for penalties assessed or fees due under this chapter as a result of a final judgment; (ii) the applicant was an owner, principal, or officer of a partnership, corporation, or other entity that either has an unsatisfied final judgment against it in an action that was incurred for work performed subject to this chapter or owes the department money for penalties assessed or fees due under this chapter as a result of a final judgment; (iii) the applicant is a successor to an entity with an unsatisfied final judgment against it in an action that was incurred for work performed subject to this chapter or owes the department money for penalties assessed or fees due under this chapter as a result of a final judgment, except as provided under (d) of this subsection (3); (iv) the applicant does not have a valid unified business identifier number; (v) the department determines that the applicant has falsified information on the application, unless the error was inadvertent; (vi) the applicant does not have an active and valid certificate of registration with the department of revenue; or (vii) the applicant is under 18 years old at the time of application.

(b) The department shall suspend an active registration if (i) the department has determined that the registrant has an unsatisfied final judgment against it for work within the scope of this chapter; (ii) the department has determined that the registrant is a sole proprietor or an owner, principal, or officer of a registered contractor that has an unsatisfied final judgment against it for work within the scope of this chapter; (iii) the registrant does not maintain a valid unified business identifier number; (iv) the department has determined that the registrant falsified information on the application, unless the error was inadvertent; or (v) the registrant does not have an active and valid certificate of registration with the department of revenue.

(c) The department may suspend an active registration if the department has determined that an owner, principal, partner, or officer of the registrant was an owner, principal, or officer of a previous partnership, corporation, or other entity that has an unsatisfied final judgment against it.

(d) For the purposes of (a) (iii) of this subsection (3), it is presumed that an applicant knew or should have known of the relevant unsatisfied final judgment. If an applicant demonstrates by a preponderance of the evidence that the applicant did not know of the unsatisfied final judgment, by having exercised due diligence and timely verifying with the department that the other contractor was in good standing, then the department may grant the application for registration under this section, provided that the applicant meets applicable requirements under this chapter. The department shall adopt rules for the purposes of implementing this subsection (3) (d).

(4) The department shall not deny an application or suspend a registration because of an unsatisfied final judgment if the

applicant's or registrant's unsatisfied final judgment was determined by the director to be the result of the fraud or negligence of another party, unless the applicant or registrant is a successor to said party under subsection (3)(a)(iii) of this section. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state." [2008 c 120 § 15.]

**RCW 18.27.040 Bond or other security required—Actions against—Suspension of registration upon impairment—Work group. (Effective until July 1, 2024.)** (1) Each applicant shall file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in the sum of twelve thousand dollars if the applicant is a general contractor and six thousand dollars if the applicant is a specialty contractor. If no valid bond is already on file with the department at the time the application is filed, a bond must accompany the registration application. The bond shall have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director. A cancellation or revocation of the bond or withdrawal of the surety from the bond automatically suspends the registration issued to the contractor until a new bond or reinstatement notice has been filed and approved as provided in this section. The bond shall be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of breach of contract including improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity shall not impair a bond for the purposes of this section so

long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) At the time of initial registration or renewal, the contractor shall provide a bond or other security deposit as required by this chapter and comply with all of the other provisions of this chapter before the department shall issue or renew the contractor's certificate of registration. Any contractor registered as of July 1, 2001, who maintains that registration in accordance with this chapter is in compliance with this chapter until the next renewal of the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit against the contractor and the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. Action upon the bond or deposit brought by a residential homeowner for breach of contract by a party to the construction contract shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within two years from the date the claimed contract work was substantially completed or abandoned, whichever occurred first. Action upon the bond or deposit brought by any other authorized party shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was substantially completed or abandoned, whichever occurred first. Service of process in an action filed under this chapter against the contractor and the contractor's bond or the deposit shall be exclusively by service upon the department. Three copies of the summons and complaint and a fee adopted by rule of not less than fifty dollars to cover the costs shall be served by registered or certified mail, or other delivery service requiring notice of receipt, upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the fee and three copies of the summons and complaint. The service shall constitute service and confer personal jurisdiction on the contractor and the surety for suit on claimant's claim against the contractor and the bond or deposit and the department shall transmit the summons and complaint or a copy thereof to the contractor at the address listed in the contractor's application and to the surety within two days after it shall have been received.

(4) The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety shall not cumulate where the bond has been renewed, continued, reinstated, reissued or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated but if the actions commenced and pending and provided to the department as required in subsection (3) of this section, at any one time exceed the amount of the bond then

unimpaired, claims shall be satisfied from the bond in the following order:

(a) Employee labor and claims of laborers, including employee benefits;

(b) Claims for breach of contract by a party to the construction contract;

(c) Registered or licensed subcontractors, material, and equipment;

(d) Taxes and contributions due the state of Washington;

(e) Any court costs, interest, and attorneys' fees plaintiff may be entitled to recover. The surety is not liable for any amount in excess of the penal limit of its bond.

A payment made by the surety in good faith exonerates the bond to the extent of any payment made by the surety.

(5) The total amount paid from a bond or deposit required of a general contractor by this section to claimants other than residential homeowners must not exceed one-half of the bond amount. The total amount paid from a bond or deposit required of a specialty contractor by this section to claimants other than residential homeowners must not exceed one-half of the bond amount or four thousand dollars, whichever is greater.

(6) The prevailing party in an action filed under this section against the contractor and contractor's bond or deposit, for breach of contract by a party to the construction contract involving a residential homeowner, is entitled to costs, interest, and reasonable attorneys' fees. The surety upon the bond or deposit is not liable in an aggregate amount in excess of the amount named in the bond or deposit nor for any monetary penalty assessed pursuant to this chapter for an infraction.

(7) If a final judgment impairs the liability of the surety upon the bond or deposit so furnished that there is not in effect a bond or deposit in the full amount prescribed in this section, the registration of the contractor is automatically suspended until the bond or deposit liability in the required amount unimpaired by unsatisfied judgment claims is furnished.

(8) In lieu of the surety bond required by this section the contractor may file with the department an assigned savings account, upon forms provided by the department.

(9) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

(10) Within ten days after resolution of the case, a certified copy of the final judgment and order, or any settlement documents where a case is not disposed of by a court trial, a certified copy of the dispositive settlement documents must be provided to the department by the prevailing party. Failure to provide a copy of the final judgment and order or the dispositive settlement documents to the department within ten days of entry of such an order constitutes a

violation of this chapter and a penalty adopted by rule of not less than two hundred fifty dollars may be assessed against the prevailing party.

(11) The director may require an applicant applying to renew or reinstate a registration or applying for a new registration to file a bond of up to three times the normally required amount, if the director determines that an applicant, or a previous registration of a corporate officer, owner, or partner of a current applicant, has had in the past five years one final judgment in actions under this chapter involving a residential single-family dwelling.

(12) The director may adopt rules necessary for the proper administration of the security.

(13)(a) The department must convene a work group no later than August 1, 2019, to consider additional safeguards for consumers who engage contractors. The department must provide staff support for the work group and include in the work group: Department staff; large and small contractors that primarily contract with residential homeowners, those that build new and rehabilitate residences, and other interested contractors; surety bond companies; realtors or their representatives; workers and/or their representatives; representatives from the consumer protection division of the office of the attorney general; consumers and/or advocates representing them; and local building officials.

The work group shall submit a report with recommendations to the department and, if applicable, the appropriate committees of the legislature by June 30, 2020. The report must address whether:

(i) Bond amounts are sufficient and appropriate to protect consumers, workers, and suppliers and meet tax obligations;

(ii) Additional criteria for contractors would provide a greater level of protection;

(iii) Strategies to discourage the transfer of a business to a different entity for the purpose of evading penalties or judgments under this chapter should be implemented;

(iv) Any other registration requirements or options for consumer recovery under this chapter should be changed to increase protections for consumers; and

(v) Incentives to adopt industry best practices would increase consumer protections.

(b) The work group must dissolve once the report is submitted. [2019 c 155 § 1; 2007 c 436 § 4; 2001 c 159 § 3; 1997 c 314 § 5; 1988 c 139 § 1; 1987 c 362 § 6; 1983 1st ex.s. c 2 § 18; 1977 ex.s. c 11 § 1; 1973 1st ex.s. c 153 § 4; 1972 ex.s. c 118 § 2; 1967 c 126 § 1; 1963 c 77 § 4.]

**RCW 18.27.040 Bond or other security required—Actions against—  
Suspension of registration upon impairment. (Effective July 1, 2024.)**

(1) Each applicant shall file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in the sum of \$30,000 if the applicant is a general contractor or \$15,000 if the applicant is a specialty contractor. If no valid bond is already on file with the department at the time the application is filed, a bond must accompany the registration application. The bond

shall have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director. A cancellation or revocation of the bond or withdrawal of the surety from the bond automatically suspends the registration issued to the contractor until a new bond or reinstatement notice has been filed and approved as provided in this section. The bond shall be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of breach of contract including improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity shall not impair a bond for the purposes of this section so long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) At the time of initial registration or renewal, the contractor shall provide a bond or other security deposit as required by this chapter and comply with all of the other provisions of this chapter before the department shall issue or renew the contractor's certificate of registration. Any contractor registered as of June 30, 2024, who maintains that registration in accordance with this chapter is in compliance with this chapter until the next renewal of the contractor's certificate of registration.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit against the contractor and the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond shall be named as a party to any suit upon the bond. Action upon the bond or deposit brought by a residential homeowner for breach of contract by a party to the construction contract shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within two years from the date the claimed contract work was substantially completed or abandoned, whichever occurred first. Action upon the bond or deposit brought by any other authorized party shall be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was substantially completed or abandoned, whichever occurred first. Service of process in an action filed under this chapter against the contractor and the contractor's bond or the deposit shall be exclusively by service upon the department. Three copies of the summons and complaint and a fee adopted by rule of not less than \$50 to cover the costs shall be served by registered or certified mail, or other delivery service requiring notice of receipt, upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the fee and three copies of the summons and complaint. The service shall constitute service and confer personal jurisdiction on the contractor and the surety for suit on claimant's claim against the contractor and the bond or deposit and the department shall transmit the summons and

complaint or a copy thereof to the contractor at the address listed in the contractor's application and to the surety within two days after it shall have been received.

(4) The surety upon the bond shall not be liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety shall not cumulate where the bond has been renewed, continued, reinstated, reissued or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond shall be exonerated but if the actions commenced and pending and provided to the department as required in subsection (3) of this section, at any one time exceed the amount of the bond then unimpaired, claims shall be satisfied from the bond in the following order:

(a) Employee labor and claims of laborers, including employee benefits;

(b) Claims for breach of contract by a party to the construction contract;

(c) Registered or licensed subcontractors, material, and equipment;

(d) Taxes and contributions due the state of Washington;

(e) Any court costs, interest, and attorneys' fees plaintiff may be entitled to recover. The surety is not liable for any amount in excess of the penal limit of its bond.

A payment made by the surety in good faith exonerates the bond to the extent of any payment made by the surety.

(5) The total amount paid from a bond or deposit to claimants other than residential homeowners must not exceed one-half of the bond or deposit.

(6) The prevailing party in an action filed under this section against the contractor and contractor's bond or deposit, for breach of contract by a party to the construction contract involving a residential homeowner, is entitled to costs, interest, and reasonable attorneys' fees. The surety upon the bond or deposit is not liable in an aggregate amount in excess of the amount named in the bond or deposit nor for any monetary penalty assessed pursuant to this chapter for an infraction.

(7) If a final judgment impairs the liability of the surety upon the bond or deposit so furnished that there is not in effect a bond or deposit in the full amount prescribed in this section, the registration of the contractor is automatically suspended until the bond or deposit liability in the required amount unimpaired by unsatisfied judgment claims is furnished.

(8) In lieu of the surety bond required by this section the contractor may file with the department an assigned savings account, upon forms provided by the department.

(9) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department

shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department shall be the order of receipt by the department, but the department shall have no liability for payment in excess of the amount of the deposit.

(10) Within 10 days after resolution of the case, a certified copy of the final judgment and order, or any settlement documents where a case is not disposed of by a court trial, a certified copy of the dispositive settlement documents must be provided to the department by the prevailing party. Failure to provide a copy of the final judgment and order or the dispositive settlement documents to the department within 10 days of entry of such an order constitutes a violation of this chapter and a penalty adopted by rule of not less than \$250 may be assessed against the prevailing party.

(11) The director may require an applicant applying to renew or reinstate a registration or applying for a new registration to file a bond of up to three times the normally required amount, if the director determines that an applicant, or a previous registration of a corporate officer, owner, or partner of a current applicant, has had in the past five years one final judgment in actions under this chapter involving a residential single-family dwelling.

(12) The director may adopt rules necessary for the proper administration of the security. (2) An expiration, cancellation, or revocation of the insurance policy or withdrawal of the insurer from the insurance policy automatically suspends the registration issued to the registrant until a new insurance policy or reinstatement notice has been filed and approved as provided in this section.

(3) (a) Proof of financial responsibility authorized in this section may be given by providing, in the amount required by subsection (1) of this section, an assigned account acceptable to the department. The assigned account shall be held by the department to satisfy any execution on a judgment issued against the contractor for damage to property or injury or death to any person occurring in the contractor's contracting operations, according to the provisions of the assigned account agreement. The department shall have no liability for payment in excess of the amount of the assigned account.

if, in either case, no legal action has been instituted against the contractor or on the account at the expiration of the three-year period.

(c) If a contractor chooses to file an assigned account as authorized in this section, the contractor shall, on any contracting project, notify each person with whom the contractor enters into a contract or to whom the contractor submits a bid that the contractor has filed an assigned account in lieu of insurance and that recovery from the account for any claim against the contractor for property damage or personal injury or death occurring in the project requires the claimant to obtain a court judgment. The department shall mail notice of the suspension to the contractor's address on the certificate of registration within two days after suspension using a method by which the mailing can be tracked or the delivery can be confirmed.

(4) Renewal of registration is valid on the date the department receives the required fee and proof of bond and liability insurance, if sent by certified mail or other means requiring proof of delivery. The receipt or proof of delivery shall serve as the contractor's proof of renewed registration until he or she receives verification from the department.

(5) The department shall immediately suspend the certificate of registration of a contractor who has been certified by the department of social and health services as a person who is not in compliance with a support order or a visitation order as provided in RCW 74.20A.320. The fact that a contractor is found to have committed a misdemeanor or infraction under this chapter shall be deemed to affect the public interest and shall constitute a violation of chapter 19.86 RCW. The surety bond shall not be liable for monetary penalties or violations of chapter 19.86 RCW. [1986 c 197 § 11.]

**RCW 18.27.370 Notices of infraction—Filing—Warrant—Notice and order, withhold property—Service—Civil penalties.** (1) A notice of infraction issued under this chapter constitutes a notice of assessment for purposes of this section.

(2) A notice of infraction becomes final thirty days from the date it is served upon the contractor unless a timely appeal of the infraction is received as provided in RCW 18.27.270.

(3) When a notice of infraction becomes final, the director or the director's designee may file with the clerk of any county within the state, a warrant in the amount of the notice of infraction, plus interest, penalties, and a filing fee of twenty dollars. The clerk of the county in which the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the contractor mentioned in the warrant, the amount of payment, penalty, fine due on it, or filing fee, and the date when the warrant was filed. The aggregate amount of the warrant as docketed shall become a lien upon the title to, and interest in, all real and personal property of the contractor against whom the warrant is issued, the same as a judgment in a civil case docketed in the office of the clerk. The sheriff shall proceed upon the warrant in all respects and with like effect as prescribed by law with respect to execution or other process issued against rights or property upon judgment in a court of competent jurisdiction. The

warrant so docketed is sufficient to support the issuance of writs of garnishment in favor of the state in a manner provided by law in case of judgment, wholly or partially unsatisfied. The clerk of the court is entitled to a filing fee which will be added to the amount of the warrant. A copy of the warrant shall be mailed to the contractor within three days of filing with the clerk.

(4) The director or the director's designee may issue to any person, firm, corporation, other entity, municipal corporation, political subdivision of the state, a public corporation, or any agency of the state, a notice and order to withhold and deliver property of any kind whatsoever when he or she has reason to believe that there is in the possession of the person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state, property that is or will become due, owing, or belonging to a contractor upon whom a notice of infraction has been served by the department for payments, penalties, or fines due to the department. The effect of a notice and order is continuous from the date the notice and order is first made until the liability out of which the notice and order arose is satisfied or becomes unenforceable because of lapse of time. The department shall release the notice and order when the liability out of which the notice and order arose is satisfied or becomes unenforceable by reason of lapse of time and shall notify the person against whom the notice and order was made that the notice and order has been released.

The notice and order to withhold and deliver must be served by the sheriff of the county or by the sheriff's deputy, using a method by which the mailing can be tracked or the delivery can be confirmed, or by an authorized representative of the director. A person, firm, corporation, other entity, municipal corporation, political subdivision of the state, public corporation, or agency of the state upon whom service has been made shall answer the notice within twenty days exclusive of the day of service, under oath and in writing, and shall make true answers to the matters inquired of in the notice and order. Upon service of the notice and order, if the party served possesses any property that may be subject to the claim of the department, the party shall promptly deliver the property to the director or the director's authorized representative. The director shall hold the property in trust for application on the contractor's indebtedness to the department, or for return without interest, in accordance with a final determination of a petition for review. In the alternative, the party shall furnish a good and sufficient surety bond satisfactory to the director conditioned upon final determination of liability. If a party served and named in the notice fails to answer the notice within the time prescribed in this section, the court may render judgment by default against the party for the full amount claimed by the director in the notice, together with costs. If a notice and order to withhold and deliver wages is served upon a contractor upon whom a notice of infraction has been served, the contractor may assert in the answer all exemptions provided for by chapter 6.27 RCW to which the wage earner is entitled.

(5) In addition to the procedure for collection of a payment, penalty, or fine due to the department as set forth in this section, the department may recover civil penalties imposed under this chapter in a civil action in the name of the department brought in a court of competent jurisdiction of the county where the violation is alleged to have occurred. [2011 c 301 § 3; 2011 c 15 § 3; 2001 c 159 § 6.]

The team shall develop a written plan to coordinate the activities of the participating agencies to enforce the state's contractor registration laws and rules and other state laws and rules deemed appropriate by the team. In developing the plan, the team shall seek the input and advice of interested stakeholders who support the work of the team.

(3) The director or the director's designee shall call the initial meeting of the unregistered contractors enforcement team by September 1, 2001. (ii) The judgment specifies the actual damages suffered as a consequence of such a claim;

(iii) The claimant has proceeded against any existing bond covering the contractor;

(iv) The judgment has not been satisfied in full; and

(v) An application for recovery under (b) of this subsection is made within 90 days after the conclusion of the civil action brought under RCW 18.27.040(3).

Payment for an eligible application must be to the full extent of eligibility, without proration, before consideration of payment for a subsequent application in the order of receipt. Determinations regarding payments must be made by the department in its sole discretion.

(b) Payment from the account is limited to actual damages awarded in a final judgment, after recovery against the bond, for a claim brought under RCW 18.27.040(3). Payment from the account for other costs related to or pursuant to civil proceedings, such as attorneys' fees, court costs, or punitive damages, is prohibited.

(c) Payment from the account may not exceed \$25,000 per contractor per parcel, or the amount unpaid on the judgment, whichever is less.

(d) (i) Total payments under the homeowner recovery program for a fiscal year may not be greater than 80 percent of the account balance calculated at the end of the previous fiscal year.

Any amount subsequently recovered on the judgment must be for the purpose of reimbursing the account.

(b) A claimant in receipt of payment from the account pursuant to an application under this section is prohibited from pursuing collection, or authorizing another entity to pursue collection on the claimant's behalf, of the damages attributable to the same claims to the extent of such payment.

(c) Upon any payment from the account, the department shall notify the contractor that a payment has been made and the claimant has made an assignment under this section. The department shall include any additional information about the process for reimbursing the account under subsection (5) of this section.

(5) (a) The department may pursue reimbursement to the account from the contractor for the amount paid from the account, as well as interest on that amount, in accordance with rules adopted by the department. The department may establish reimbursement payment plans up to 36 months. Any payment plan longer than 12 months must assess

interest as provided in RCW 43.17.240. The department must deposit all moneys recovered in the account.

(b) Where a contractor defaults in payment of reimbursement, collection of amounts will be handled pursuant to the procedures in RCW 49.48.086.

(c) The department's duties with respect to obtaining reimbursement from the contractor to the account are limited to those specified within this subsection (5).

(6) Nothing contained herein limits the authority of the department to take action against a contractor for a violation under this chapter or the rules promulgated thereunder; nor does the reimbursement in full of all obligations to the account by a contractor effect any enforcement of a violation under this chapter or the rules promulgated thereunder.

**RCW 18.30.005 Finding, intent.** The state of Washington finds that to realize the state's current statutory policy of regulating health professions at the least restrictive level consistent with the public interest, a program of licensure for denturists should be established. The intent of the legislature is to help assure the public's health, provide a mechanism for consumer protection, and offer cost-effective alternatives for denture care services and products to individual consumers and the state. [1995 c 1 § 1 (Initiative Measure No. 607, approved November 8, 1994).]

In such cases, the denturist shall take no further action to manufacture or place a denture until the patient has been examined by a dentist or physician and the dentist or physician gives written clearance that the denture will pose no threat to the patient's health.

[2002 c 160 § 2; 1995 c 198 § 18; 1995 c 1 § 3 (Initiative Measure No. 607, approved November 8, 1994).]

**RCW 18.32.002 Findings—Purpose.** The legislature finds that the health and well-being of the people of this state are of paramount importance.

The legislature further finds that the conduct of members of the dental profession licensed to practice dentistry in this state plays a vital role in preserving the health and well-being of the people of the state.

The legislature further finds that requiring continuing dental education for all licensed dentists in the state is an important component of providing high quality dentistry for the people of this state.

The legislature further finds that there is no effective means of handling disciplinary proceedings against members of the dental profession licensed in this state when such proceedings are necessary for the protection of the public health.

Therefore, the legislature declares its intention to exercise the police power of the state to protect the public health, to promote the welfare of the state, and to provide a commission to act as a disciplinary and regulatory body for the members of the dental profession licensed to practice dentistry in this state.

It is the purpose of the commission established in RCW 18.32.0351 to regulate the competency and quality of professional health care providers under its jurisdiction by establishing, monitoring, and enforcing qualifications for licensure, continuing education, consistent standards of practice, continuing competency mechanisms, and discipline. Rules, policies, and procedures developed by the commission must promote the delivery of quality health care to the residents of the state. [1999 c 364 § 1; 1994 sp.s. c 9 § 201.]

**RCW 18.32.005 Regulation of health care professions—Criteria.**

**RCW 18.32.020 Practice of dentistry defined.** A person practices dentistry, within the meaning of this chapter, who (1) represents himself or herself as being able to diagnose, treat, remove stains and concretions from teeth, operate or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the human teeth, alveolar process, gums, or jaw, or (2) offers or undertakes by any means or methods to diagnose, treat, remove stains or concretions from teeth, operate or prescribe for any disease, pain, injury, deficiency, deformity, or physical condition of the same, or take impressions of the teeth or jaw, or (3) owns, maintains, or operates an office for the practice of dentistry, or (4) engages in any of the practices included in the curricula of recognized and approved dental schools or colleges, or (5) professes to the public by any method to furnish, supply, construct, reproduce, or repair any prosthetic denture, bridge, appliance, or other structure to be worn in the human mouth.

The fact that a person uses any dental degree, or designation, or any card, device, directory, poster, sign, or other media whereby he or she represents himself or herself to be a dentist, shall be prima facie evidence that such person is engaged in the practice of dentistry.

X-ray diagnosis as to the method of dental practice in which the diagnosis and examination is made of the normal and abnormal structures, parts, or functions of the human teeth, the alveolar process, maxilla, mandible or soft tissues adjacent thereto, is hereby declared to be the practice of dentistry. Any person other than a regularly licensed physician or surgeon who makes any diagnosis or interpretation or explanation, or attempts to diagnose or to make any interpretation or explanation of the registered shadow or shadows of any part of the human teeth, alveolar process, maxilla, mandible or soft tissues adjacent thereto by the use of X-ray is declared to be engaged in the practice of dentistry, medicine, or surgery.

The practice of dentistry includes the performance of any dental or oral and maxillofacial surgery. "Oral and maxillofacial surgery" means the specialty of dentistry that includes the diagnosis and surgical and adjunctive treatment of diseases, injuries, and defects of the hard and soft tissues of the oral and maxillofacial region. **RCW 18.32.195 Licensure without examination—Dental school faculty and residents.** The commission may, without examination, issue a license to persons who possess the qualifications set forth in this section.

(1) The commission may, upon written request of the dean of the school of dentistry of any institution of higher education in Washington state accredited by the commission on dental accreditation, issue a license to practice dentistry in this state to persons who have been licensed or otherwise authorized to practice dentistry in another state or country and who have been accepted for employment by the school of dentistry as faculty members. For purposes of this subsection, this means teaching members of the faculty of any school of dentistry in any institution of higher education in Washington state accredited by the commission on dental accreditation. Such license shall permit the holder thereof to practice dentistry within the confines of the university facilities for a period of one year while he or she is so employed as a faculty member by the school of dentistry. It shall terminate whenever the holder ceases to be a faculty member. Such license shall permit the holder thereof to practice dentistry only in connection with his or her duties in employment with the school of dentistry. This limitation shall be stated on the license.

(2) The commission may, upon written request of the dean of the school of dentistry of any institution of higher education in Washington state accredited by the commission on dental accreditation or the director of a postdoctoral dental residency program approved by the commission, issue a limited license to practice dentistry in this state to university postdoctoral students or residents in dental education or to postdoctoral residents in a dental residency program approved by the commission. Prior to July 1, 2010, a dental residency program must be accredited by the commission on dental accreditation, or be in the process of obtaining such accreditation, in order to be approved by the commission. On or after July 1, 2010, the dental residency program must be accredited by the commission on dental accreditation in order to be approved by the commission. The license shall permit the resident dentist to provide dental care only in connection with his or her duties as a university postdoctoral dental student or resident or a postdoctoral resident in a program approved by the commission.

(3) The commission may condition the granting of a license under this section with terms the commission deems appropriate. All persons licensed under this section shall be subject to the jurisdiction of the commission to the same extent as other members of the dental profession, in accordance with this chapter, and in addition the licensee may be disciplined by the commission after a hearing has been held in accordance with the provisions set forth in this chapter, and determination by the commission that such licensee has violated any of the restrictions set forth in this section.

(4) Persons applying for licensure pursuant to this section shall pay the application fee determined by the secretary and, in the event the license applied for is issued, a license fee at the rate provided for licenses generally. After review by the commission, licenses issued under this section may be renewed annually if the licensee continues to be employed as a faculty member of the school of dentistry of any institution of higher education in Washington state accredited by the commission on dental accreditation, or is a university postdoctoral student or resident in dental education, or a postdoctoral resident in a dental residency program approved by the commission, and otherwise meets the requirements of the provisions and conditions deemed appropriate by the commission. **RCW 18.32.215 Licensure without examination—Licensed in another state.** (1) An applicant holding a valid license and currently engaged

in practice in another state may be granted a license without examination required by this chapter, on the payment of any required fees, if the applicant:

(a) Is a graduate of a dental college, school, or dental department of an institution approved by the commission under RCW 18.32.040(1); or

(b) (i) Has practiced in another state for at least four years; and

(ii) Has completed a one-year postdoctoral residency approved by the commission. The residency may have been completed outside Washington.

(2) The commission may also require the applicant to: (a) File with the commission documentation certifying the applicant is licensed to practice in another state; and (b) provide information as the commission deems necessary pertaining to the conditions and criteria of the Uniform Disciplinary Act, chapter 18.130 RCW, and to demonstrate to the commission a knowledge of Washington law pertaining to the practice of dentistry. [2008 c 147 § 1; 2003 c 57 § 2; 1994 sp.s. c 9 § 219; 1989 c 202 § 30.]

**Finding—2003 c 57:** "The legislature finds and declares that access to dental care is severely hampered by a critical and emergent shortage of dental providers in Washington state. Dental disease is an epidemic among poor children, the elderly, the disabled, and anyone who does not have access to adequate dental care. Dental decay is worsening among children under four years of age, with forty-one percent of the state's head start children needing treatment for dental decay. The lack of qualified dentists poses a serious and compelling threat to the oral health of the people of this state.

Shortages are also due to licensing restrictions that have discouraged qualified dentists from coming into this state. Increasing the number of dentists from other states and from military service would enable retiring dentists in this state to sell their practices to other qualified practitioners." [2003 c 57 § 1.]

**RCW 18.32.220 Certificate available for dentists going out-of-state.** Anyone who is a licensed dentist in the state of Washington who desires to change residence to another state or territory, shall, upon application to the secretary and payment of a fee as determined by the secretary under RCW 43.70.250 and 43.70.280, receive a certificate over the signature of the secretary or his or her designee, which shall attest to the facts mentioned in this section, and giving the date upon which the dentist was licensed. [1996 c 191 § 17; 1991 c 3 § 70; 1989 c 202 § 23; 1935 c 112 § 14; RRS § 10031-14. FORMER PART OF SECTION: 1935 c 112 § 15; RRS § 10031-15, now codified as RCW 18.32.225.]

**RCW 18.32.222 Commission report—Foreign-trained dentists—Licensure.** By November 15, 2009, the commission shall report to the governor and the legislature with recommendations for appropriate standards for issuing a license to a foreign-trained dentist. The recommendations shall consider the balance between maintaining assurances that Washington's dental professionals are well-qualified and planning for an adequate supply of dentists to meet the future

needs of Washington's diverse urban and rural communities. In addition to considering the use of standards established by accreditation organizations, the recommendations shall consider other options to reduce barriers to licensure. [2008 c 147 § 2.]

**RCW 18.32.226 Community-based sealant programs in schools. (1)**

For low-income, rural, and other at-risk populations and in coordination with local public health jurisdictions and local oral health coalitions, a dental assistant working as of April 19, 2001, under the supervision of a licensed dentist may apply sealants and fluoride varnishes under the general supervision of a dentist in community-based sealant programs carried out in schools without attending the department's school sealant endorsement program.

(2) For low-income, rural, and other at-risk populations and in coordination with local public health jurisdictions and local oral health coalitions, dental assistants who are school sealant endorsed under RCW 43.70.650 may apply sealants and fluoride varnishes under the general supervision of a dentist in community-based sealant programs carried out in schools. **RCW 18.32.677 Interference with licensee's independent clinical judgment.** (1) A person that is not licensed under this chapter or an entity that is not a professional entity practices dentistry in violation of this chapter, and subject to enforcement under RCW 18.130.190, if the person or entity interferes with a licensed dentist's independent clinical judgment by:

(a) Limiting or imposing requirements on the length of time a dentist spends with a patient or performing dental services, or otherwise placing conditions on the number of patients a dentist must treat in a certain period of time or the number of certain types of procedures a dentist must complete in a certain time period;

(b) Limiting or imposing requirements on the decision of a dentist regarding a course or alternative course of treatment for a patient or the manner in which a course of treatment is carried out by the dentist;

(c) Limiting or imposing requirements on the manner in which a dentist uses dental equipment or materials for the provision of dental treatment;

(d) Limiting or imposing requirements on the use of a laboratory or the materials, supplies, instruments, or equipment deemed

(e) Limiting or imposing requirements for the professional training deemed reasonably necessary by a dentist to properly serve the dentist's patients;

(f) Limiting or imposing requirements on the referrals by a dentist to another licensed dentist specialist or any other practitioner the dentist determines is necessary;

(j) Limiting or imposing requirements on communications with a dentist's patients.

(2) For the purpose of this section, "dentist" means a dentist licensed under this chapter.

(3) Violations of this section shall be enforced pursuant to RCW 18.130.190, including the authority to issue subpoenas pursuant to RCW 18.130.050(4). Communication of complaints or information to a state agency pursuant to RCW 4.24.500 through 4.24.520 are covered by those provisions. [2017 c 320 § 3.]

**\*Reviser's note:** RCW 18.130.020 was amended by 2018 c 300 § 3, changing subsection (12)(b) to subsection (13)(b).

**Finding—Intent—2017 c 320:** "The legislature finds that Washington law should allow dentists to determine, based on their individual circumstances, which dental practice model would allow them to best serve the needs of their patients. Dentists should have the option to contract for administrative support services and dentists should also be able to lease real or personal property in a manner that meets their individual business needs. The legislature intends that these contract decisions must not interfere with the independent clinical judgment of the dentist entering the contract." [2017 c 320 § 1.]

**RCW 18.32.683 Patient abandonment.** (1) The attending dentist, without reasonable cause, must not neglect, ignore, abandon, or refuse to complete the current procedure for a patient. If the dentist chooses to withdraw responsibility for a patient of record, the dentist shall:

(a) Advise the patient that termination of treatment is contemplated and that another dentist should be sought to complete the current procedure and for future care; and

(b) Advise the patient that the dentist will remain reasonably available under the circumstances for up to fifteen days from the date of such notice to render emergency care related to that current procedure.

(2) If a dentist provides dental services as an employee or contractor of another dentist or an entity authorized to render dental services pursuant to chapter 18.100, 25.05, or 25.15 RCW or to operate a dental office pursuant to RCW 18.32.675(1), the other dentist or entity shall be responsible for the continuing treatment of patients

and a dentist who ceases to be an employee or contractor of such other dentist or entity is not deemed to have abandoned any patient, and is not obligated to advise any patient as provided in this section, with respect to which the continuing treatment responsibility is retained by the other dentist or entity. If an entity is responsible for the continuing treatment of patients, any licensed dentist who is the owner of the entity is considered the attending dentist responsible for ensuring compliance by the entity with this section.

(3) A dental practice owner who is discontinuing a dental practice or moving a dental practice to a new location must comply with the requirements of subsection (1) of this section, or must make reasonable arrangements for the transfer of the patient records of active patients of the dental practice, or copies of the records, to a licensed dentist or professional entity, or at the written request of any patient, transfer of the patient's records, or copies of the records, to the patient. An unlicensed person or entity shall not intentionally prevent a dental practice owner from complying with this subsection. [2017 c 320 § 4.]

The markings shall be done during fabrication and shall be permanent, legible, and cosmetically acceptable. The exact location of the markings and the methods used to apply or implant them shall be determined by the dentist or dental laboratory fabricating the prosthesis. If, in the professional judgment of the dentist or dental laboratory, this identification is not practical, identification shall be provided as follows:

(1) The initials of the patient may be shown alone, if use of the name of the patient is impracticable; or

(2) The identification marks may be omitted in their entirety if none of the forms of identification specified in subsection (1) of this section is practicable or clinically safe. [1987 c 252 § 1. Formerly RCW 18.32.322.]

(2) The sworn statement shall not be used as evidence in any subsequent court proceedings, except in a prosecution for perjury connected with its execution.

**RCW 18.32.765 Pilot project—Commission—Authority over budget.**

(1) The commission may conduct a pilot project to evaluate the effect of granting the commission additional authority over budget development, spending, and staffing. If the commission intends to conduct a pilot project, it must provide a notice in writing to the secretary by June 1, 2008. If the commission chooses to conduct a pilot project, the pilot project shall begin on July 1, 2008, and conclude on June 30, 2013.

(2) The pilot project shall include the following provisions:

(a) That the secretary shall employ an executive director that is:

(i) Hired by and serves at the pleasure of the commission;

(ii) Exempt from the provisions of the civil service law, chapter 41.06 RCW and whose salary is established by the commission in accordance with RCW 43.03.028; and

(iii) Responsible for performing all administrative duties of the commission, including preparing an annual budget, and any other duties as delegated to the executive director by the commission;

(b) Consistent with the budgeting and accounting act:

(ii) Beginning with the 2009-2011 biennium, the commission is responsible for proposing its own biennial budget which the secretary must submit to the office of financial management;

(c) That, prior to adopting credentialing fees under RCW 43.70.250, the secretary shall collaborate with the commission to determine the appropriate fees necessary to support the activities of the commission;

(d) That, prior to the secretary exercising the secretary's authority to adopt uniform rules and guidelines, or any other actions that might impact the licensing or disciplinary authority of the commission, the secretary shall first meet with the commission to determine how those rules or guidelines, or changes to rules or guidelines, might impact the commission's ability to effectively carry out its statutory duties. If the commission, in consultation with the secretary, determines that the proposed rules or guidelines, or changes to existing rules or guidelines, will negatively impact the commission's ability to effectively carry out its statutory duties, then the individual commission shall collaborate with the secretary to develop alternative solutions to mitigate the impacts. If an alternative solution cannot be reached, the parties may resolve the dispute through a mediator as set forth in (f) of this subsection;

(e) That the commission shall negotiate with the secretary to develop performance-based expectations, including identification of key performance measures. The performance expectations should focus on consistent, timely regulation of health care professionals; and

(f) That in the event there is a disagreement between the commission and the secretary, that is unable to be resolved through negotiation, a representative of both parties shall agree on the designation of a third party to mediate the dispute.

(3) By December 15, 2013, the secretary, the commission, and the other commissions conducting similar pilot projects under RCW 18.71.430, 18.79.390, and \*18.25.210, shall report to the governor and the legislature on the results of the pilot project. The report shall:

(b) Compare the efficiency of each commission with respect to the timeliness and personnel resources during the pilot project to the efficiency of the commission prior to the pilot project and the efficiency of other disciplining authorities during the same period as the pilot project;

(c) Compare the budgetary activity of each commission during the pilot project to the budgetary activity of the commission prior to the pilot project and to the budgetary activity of other disciplining authorities during the same period as the pilot project;

(d) Evaluate each commission's regulatory activities, including timelines, consistency of decision making, and performance levels in comparison to other disciplining authorities; and

(e) Review summaries of national research and data regarding regulatory effectiveness and patient safety.

(4) The secretary shall employ staff that are hired and managed by the executive director provided that nothing contained in this section may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement. [2011 c 60 § 6; 2008 c 134 § 32.]

**RCW 18.32.775 Disciplinary proceedings—Cost and fee recovery.**

(1) In any disciplinary case pertaining to a dentist where there is a contested hearing, if the commission or its hearing panel makes the finding requisite for, and imposes upon the dentist, a disciplinary sanction or fine under RCW 18.130.160, unless it determines to waive the assessment of a hearing fee, it shall assess against the licensee a partial recovery of the state's hearing expenses as follows:

(a) The partial recovery hearing fee must be:

(i) An amount equal to six thousand dollars for each full hearing day in the proceeding and one-half of that amount for any partial hearing day; and

(ii) A partial recovery of investigative and hearing preparation expenses in an amount as found to be reasonable reimbursement under the circumstances but no more than ten thousand dollars;

(b) Substantiation of investigative and hearing preparation expenses for purposes of (a) of this subsection may be by affidavit or declaration descriptive of efforts expended, which are reviewable in the hearing as would be a cost bill;

(c) The commission or its hearing panel may waive the partial recovery hearing fee if it determines the assessment of the fee (i) would create substantial undue hardship for the dentist, or (ii) in all the circumstances of the case, including the nature of the charges alleged, it would be manifestly unjust to assess the fee.

Consideration of the waiver must be applied for and considered during the hearing itself. This may be in advance of the decision related to RCW 18.130.160.

(2) If the dentist seeks judicial review of the disciplinary action and there was a partial recovery hearing fee assessed, then unless the license holder achieves a substantial element of relief, the reviewing trial court or appellate court shall further impose a partial cost recovery fee in the amount of twenty-five thousand dollars at the superior court level, twenty-five thousand dollars at the court of appeals level, and twenty-five thousand dollars at the supreme court level. Application for waiver may be made to the court at each level and must be considered by the court under the standards stated in subsection (1)(c) of this section.

(3) In any disciplinary case pertaining to a dentist where the case is resolved by agreement prior to completion of a contested hearing, the commission shall assess against the dentist a partial recovery of investigative and hearing preparation expenses in an amount as found to be reasonable reimbursement in the circumstances but no more than ten thousand dollars, unless it determines to waive this fee under the standards stated in subsection (1)(c) of this section.

(4) In any stipulated informal disposition of allegations pertaining to a dentist as contemplated under RCW 18.130.172, the

potential dollar limit of reimbursement of investigative and processing costs may not exceed two thousand dollars per allegation.

(5) Should the dentist fail to pay any agreed reimbursement or ordered cost recovery under the statute, the commission may seek collection of the amount in the same manner as enforcement of a fine under RCW 18.130.165.

(6) All fee recoveries and reimbursements under this statute must be deposited to the health professions account for the portion of it allocated to the commission. The fee recoveries shall be fully credited in reduction of actual or projected expenditures used to determine dentist license renewal fees.

(7) The authority of the commission under this section is in addition to all of its authorities under RCW 18.130.160, elsewhere in chapter 18.130 RCW, or in this chapter. [2009 c 177 § 1.]

**RCW 18.32.785 Pain management rules—Criteria for new rules.**

(1) By June 30, 2011, the commission shall adopt new rules on chronic, noncancer pain management that contain the following elements:

(a) (i) Dosing criteria, including:

(A) A dosage amount that must not be exceeded unless a dentist first consults with a practitioner specializing in pain management; and

(B) Exigent or special circumstances under which the dosage amount may be exceeded without consultation with a practitioner specializing in pain management.

(ii) The rules regarding consultation with a practitioner specializing in pain management must, to the extent practicable, take into account:

(A) Circumstances under which repeated consultations would not be necessary or appropriate for a patient undergoing a stable, ongoing course of treatment for pain management;

(B) Minimum training and experience that is sufficient to exempt a dentist from the specialty consultation requirement;

(C) Methods for enhancing the availability of consultations;

(D) Allowing the efficient use of resources; and

(E) Minimizing the burden on practitioners and patients;

(b) Guidance on when to seek specialty consultation and ways in which electronic specialty consultations may be sought;

(c) Guidance on tracking clinical progress by using assessment tools focusing on pain interference, physical function, and overall risk for poor outcome; and

(d) Guidance on tracking the use of opioids.

(2) The commission shall consult with the agency medical directors' group, the department of health, the University of Washington, and the largest professional association of dentists in the state.

(3) The rules adopted under this section do not apply:

(a) To the provision of palliative, hospice, or other end-of-life care; or

(b) To the management of acute pain caused by an injury or a surgical procedure. [2010 c 209 § 2.]

**RCW 18.32.800 Opioid drug prescribing rules—Adoption.** (1) By January 1, 2019, the commission must adopt rules establishing

requirements for prescribing opioid drugs. The rules may contain exemptions based on education, training, amount of opioids prescribed, patient panel, and practice environment.

(2) In developing the rules, the commission must consider the agency medical directors' group and centers for disease control guidelines, and may consult with the department of health, the University of Washington, and the largest professional association of dentists in the state. [2017 c 297 § 3.]

**Findings—Intent—2017 c 297:** See note following RCW 18.22.800.

**RCW 18.32.810 Opioid drugs—Right to refuse.** By January 1, 2020, the commission must adopt or amend its rules to require dentists who prescribe opioids to inform patients of their right to refuse an opioid prescription or order for any reason. If a patient indicates a desire to not receive an opioid, the dentist must document the patient's request and avoid prescribing or ordering opioids, unless the request is revoked by the patient. **RCW 18.33.005 Short title—Purpose—2023 c 297.** Chapter 297, Laws of 2023 shall be known and cited as the dentist and dental hygienist compact. The purposes of this compact are to facilitate the interstate practice of dentistry and dental hygiene and improve public access to dentistry and dental hygiene services by providing dentists and dental hygienists licensed in a participating state the ability to practice in participating states in which they are not licensed. The compact does this by establishing a pathway for dentists and dental hygienists licensed in a participating state to obtain a compact privilege that authorizes them to practice in another participating state in which they are not licensed. The compact enables participating states to protect the public health and safety with respect to the practice of such dentists and dental hygienists, through the state's authority to regulate the practice of dentistry and dental hygiene in the state. The compact:

- (1) Enables dentists and dental hygienists who qualify for a compact privilege to practice in other participating states without satisfying burdensome and duplicative requirements associated with securing a license to practice in those states;
- (2) Promotes mobility and addresses workforce shortages through each participating state's acceptance of a compact privilege to practice in that state;
- (3) Increases public access to qualified, licensed dentists and dental hygienists by creating a responsible, streamlined pathway for licensees to practice in participating states;
- (4) Enhances the ability of participating states to protect the public's health and safety;
- (5) Does not interfere with licensure requirements established by a participating state;
- (6) Facilitates the sharing of licensure and disciplinary information among participating states;
- (7) Requires dentists and dental hygienists who practice in a participating state pursuant to a compact privilege to practice within the scope of practice authorized in that state;
- (8) Extends the authority of a participating state to regulate the practice of dentistry and dental hygiene within its borders to

dentists and dental hygienists who practice in the state through a compact privilege;

(9) Promotes the cooperation of participating states in regulating the practice of dentistry and dental hygiene within those states; and

(10) Facilitates the relocation of military members and their spouses who are licensed to practice dentistry or dental hygiene.  
[2023 c 297 § 1.]

**RCW 18.33.010 Definitions.** As used in this compact, unless the context requires otherwise, the following definitions shall apply:

(1) "Active military member" means any individual in full-time duty status in the armed forces of the United States including members of the national guard and reserve.

(2) "Adverse action" means disciplinary action or encumbrance imposed on a license or compact privilege by a state licensing authority.

(3) "Alternative program" means a nondisciplinary monitoring or practice remediation process applicable to a dentist or dental hygienist approved by a state licensing authority of a participating state in which the dentist or dental hygienist is licensed. This includes, but is not limited to, programs to which licensees with substance abuse or addiction issues are referred in lieu of adverse action.

(4) "Clinical assessment" means an examination or process, required for licensure as a dentist or dental hygienist as applicable, that provides evidence of clinical competence in dentistry or dental hygiene.

**RCW 18.33.020 State participation in the compact.** (1) In order to join the compact and thereafter continue as a participating state, a state must:

(a) Enact a compact that is not materially different from the model compact as determined in accordance with commission rules;

(b) Participate fully in the commission's data system;

(c) Have a mechanism in place for receiving and investigating complaints about its licensees and license applicants;

(d) Notify the commission, in compliance with the terms of the compact and commission rules, of any adverse action or the availability of significant investigative information regarding a licensee and license applicant;

(e) Fully implement a criminal background check requirement, within a time frame established by commission rule, by receiving the results of a qualifying criminal background check;

(f) Comply with the commission rules applicable to a participating state;

(g) Accept the national board examinations of the joint commission on national dental examinations or another examination accepted by commission rule as a licensure examination;

(h) Accept for licensure that applicants for a dentist license graduate from a predoctoral dental education program accredited by the commission on dental accreditation or another accrediting agency recognized by the United States department of education for the accreditation of dentistry and dental hygiene education programs, leading to the doctor of dental surgery or doctor of dental medicine degree;

(i) Accept for licensure that applicants for a dental hygienist license graduate from a dental hygiene education program accredited by the commission on dental accreditation or another accrediting agency recognized by the United States department of education for the accreditation of dentistry and dental hygiene education programs;

(j) Require for licensure that applicants successfully complete a clinical assessment;

(k) Have continuing professional development requirements as a condition for license renewal; and

(1) Pay a participation fee to the commission as established by commission rule.

(2) Providing alternative pathways for an individual to obtain an unrestricted license does not disqualify a state from participating in the compact.

(3) When conducting a criminal background check the state licensing authority shall:

(a) Consider that information in making a licensure decision;

(b) Maintain documentation of completion of the criminal background check and background check information to the extent allowed by state and federal law; and

(c) Report to the commission whether it has completed the criminal background check and whether the individual was granted or denied a license.

(4) A licensee of a participating state who has a qualifying license in that state and does not hold an encumbered license in any other participating state shall be issued a compact privilege in a remote state in accordance with the terms of the compact and commission rules. If a remote state has a jurisprudence requirement a compact privilege will not be issued to the licensee unless the

licensee has satisfied the jurisprudence requirement. [2023 c 297 § 3.]

**RCW 18.33.030 Compact privilege.** (1) To obtain and exercise the compact privilege under the terms and provisions of the compact, the licensee shall:

(a) Have a qualifying license as a dentist or dental hygienist in a participating state;

(b) Be eligible for a compact privilege in any remote state in accordance with subsections (4), (7), and (8) of this section;

(c) Submit to an application process whenever the licensee is seeking a compact privilege;

(d) Pay any applicable commission and remote state fees for a compact privilege in the remote state;

(e) Meet any jurisprudence requirement established by a remote state in which the licensee is seeking a compact privilege;

(h) For a dental hygienist, have graduated from a dental hygiene education program accredited by the commission on dental accreditation or another accrediting agency recognized by the United States department of education for the accreditation of dentistry and dental hygiene education programs;

(i) Have successfully completed a clinical assessment for licensure;

(j) Report to the commission adverse action taken by any nonparticipating state when applying for a compact privilege and, otherwise, within 30 days from the date the adverse action is taken;

(k) Report to the commission when applying for a compact privilege the address of the licensee's primary residence and thereafter immediately report to the commission any change in the address of the licensee's primary residence; and

(l) Consent to accept service of process by mail at the licensee's primary residence on record with the commission with respect to any action brought against the licensee by the commission or a participating state, and consent to accept service of a subpoena by mail at the licensee's primary residence on record with the commission with respect to any action brought or investigation conducted by the commission or a participating state.

(2) The licensee must comply with the requirements of subsection (1) of this section to maintain the compact privilege in the remote state. If those requirements are met, the compact privilege will continue as long as the licensee maintains a qualifying license in the state through which the licensee applied for the compact privilege and pays any applicable compact privilege renewal fees.

(3) A licensee providing dentistry or dental hygiene in a remote state under the compact privilege shall function within the scope of practice authorized by the remote state for a dentist or dental hygienist licensed in that state.

(4) A licensee providing dentistry or dental hygiene pursuant to a compact privilege in a remote state is subject to that state's regulatory authority. A remote state may, in accordance with due process and that state's laws, by adverse action revoke or remove a licensee's compact privilege in the remote state for a specific period of time and impose fines or take any other necessary actions to protect the health and safety of its citizens. If a remote state imposes an adverse action against a compact privilege that limits the compact privilege, that adverse action applies to all compact privileges in all remote states. A licensee whose compact privilege in a remote state is removed for a specified period of time is not eligible for a compact privilege in any other remote state until the specific time for removal of the compact privilege has passed and all encumbrance requirements are satisfied.

(5) If a license in a participating state is an encumbered license, the licensee shall lose the compact privilege in a remote state and shall not be eligible for a compact privilege in any remote state until the license is no longer encumbered.

(6) Once an encumbered license in a participating state is restored to good standing, the licensee must meet the requirements of subsection (1) of this section to obtain a compact privilege in a remote state.

(7) If a licensee's compact privilege in a remote state is removed by the remote state, the individual shall lose or be ineligible for the compact privilege in any remote state until the following occur:

(a) The specific period of time for which the compact privilege was removed has ended; and

(b) All conditions for removal of the compact privilege have been satisfied.

(8) Once the requirements of subsection (7) of this section have been met, the licensee must meet the requirements in subsection (1) of this section to obtain a compact privilege in a remote state. [2023 c 297 § 4.]

**RCW 18.33.040 Active military member or their spouse.** An active military member and their spouse shall not be required to pay to the commission for a compact privilege the fee otherwise charged by the commission. If a remote state chooses to charge a fee for a compact privilege, it may choose to charge a reduced fee or no fee to an active military member and their spouse for a compact privilege. [2023 c 297 § 5.]

**RCW 18.33.050 Adverse action.** (1) A participating state in which a licensee is licensed shall have exclusive authority to impose adverse action against the qualifying license issued by that participating state.

(2) A participating state may take adverse action based on the significant investigative information of a remote state, so long as the participating state follows its own procedures for imposing adverse action.

(3) Nothing in this compact shall override a participating state's decision that participation in an alternative program may be used in lieu of adverse action and that such participation shall remain nonpublic if required by the participating state's laws.

Participating states must require licensees who enter any alternative program in lieu of discipline to agree not to practice pursuant to a compact privilege in any other participating state during the term of the alternative program without prior authorization from such other participating state.

(4) Any participating state in which a licensee is applying to practice or is practicing pursuant to a compact privilege may investigate actual or alleged violations of the statutes and regulations authorizing the practice of dentistry or dental hygiene in any other participating state in which the dentist or dental hygienist holds a license or compact privilege.

(5) A remote state shall have the authority to:

(a) Take adverse actions as set forth in RCW 18.33.030(4) against a licensee's compact privilege in the state;

(b) In furtherance of its rights and responsibilities under the compact and the commission's rules, issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a state licensing authority in a participating state for the attendance and testimony of witnesses or the production of evidence from another participating state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state where the witnesses or evidence is located; and

(c) If otherwise permitted by state law, recover from the licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee.

(6) (a) In addition to the authority granted to a participating state by its dentist or dental hygienist licensure act or other applicable state law, a participating state may jointly investigate licensees with other participating states.

(b) Participating states shall share any significant investigative information, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

(7) (a) After a licensee's compact privilege in a remote state is terminated, the remote state may continue an investigation of the licensee that began when the licensee had a compact privilege in that remote state.

(b) If the investigation yields what would be significant investigative information had the licensee continued to have a compact privilege in that remote state, the remote state shall report the presence of such information to the data system as required by RCW 18.33.070(2)(f) as if it was significant investigative information. [2023 c 297 § 6.]

#### **RCW 18.33.060 Establishment and operation of the commission.**

(1) The compact participating states hereby create and establish a joint government agency whose membership consists of all participating states that have enacted the compact. The commission is an instrumentality of the participating states acting jointly and not an instrumentality of any one state. The commission shall come into existence on or after the effective date of the compact as set forth in RCW 18.33.100(1).

(2) (a) Each participating state shall have and be limited to one commissioner selected by that participating state's state licensing authority or, if the state has more than one state licensing authority, selected collectively by the state licensing authorities.

Nothing herein shall be construed to prevent a remote state from charging a licensee a fee for a compact privilege or renewals of a compact privilege, or a fee for the jurisprudence requirement if the remote state imposes such a requirement for the grant of a compact privilege;

(m) Accept any and all appropriate gifts, donations, grants of money, other sources of revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of the same; provided that at all times the commission shall avoid any appearance of impropriety and/or conflict of interest;

(n) Lease, purchase, retain, own, hold, improve, or use any property, real, personal, or mixed, or any undivided interest therein;

(o) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed;

(p) Establish a budget and make expenditures;

(r) Appoint committees, including standing committees, which may be composed of members, state regulators, state legislators or their representatives, consumer representatives, and such other interested persons as may be designated in this compact and the bylaws;

(t) Elect a chair, vice chair, secretary, treasurer, and such other officers of the commission as provided in the commission's bylaws;

(u) Establish and elect an executive board;

(v) Adopt and provide to the participating states an annual report;

(w) Determine whether a state's enacted compact is materially different from the model compact language such that the state would not qualify for participation in the compact; and

(x) Perform such other functions as may be necessary or appropriate to achieve the purposes of this compact.

(4) (a) All meetings of the commission that are not closed pursuant to this subsection shall be open to the public. Notice of public meetings shall be posted on the commission's website at least 30 days prior to the public meeting.

(b) Notwithstanding (a) of this subsection, the commission may convene an emergency public meeting by providing at least 24 hours prior notice on the commission's website, and any other means as provided in the commission's rules, for any of the reasons it may dispense with notice of proposed rule making under RCW 18.33.080(12). The commission's legal counsel shall certify that one of the reasons justifying an emergency public meeting has been met.

(c) Notice of all commission meetings shall provide the time, date, and location of the meeting, and if the meeting is to be held or accessible via telecommunication, videoconference, or other electronic means, the notice shall include the mechanism for access to the meeting through such means.

(d) The commission may convene in a closed, nonpublic meeting for the commission to receive legal advice or to discuss:

(e) If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the meeting will be closed and reference each relevant exempting provision, and such reference shall be recorded in the minutes.

(f) The commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the commission or order of a court of competent jurisdiction.

(5) (a) The commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The commission may accept any and all appropriate sources of revenue, donations, and grants of money, equipment, supplies, materials, and services.

(c) The commission may levy on and collect an annual assessment from each participating state and impose fees on licensees of participating states when a compact privilege is granted to cover the cost of the operations and activities of the commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each fiscal year for which sufficient revenue is not provided by other sources. The aggregate annual assessment amount for participating states shall be allocated based upon a formula that the commission shall promulgate by rule.

(d) The commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the commission pledge the credit of any participating state, except by and with the authority of the participating state.

(e) The commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the commission.

(6) (a) The executive board shall have the power to act on behalf of the commission according to the terms of this compact. The powers, duties, and responsibilities of the executive board shall include:

(i) Overseeing the day-to-day activities of the administration of the compact including compliance with the provisions of the compact and the commission's rules and bylaws;

(ii) The executive board shall give five business days' notice of its public meetings, posted on its website and as it may otherwise determine to provide notice to persons with an interest in the public matters the executive board intends to address at those meetings.

(e) The executive board may hold an emergency meeting when acting for the commission to:

(i) Meet an imminent threat to public health, safety, or welfare;

(ii) Prevent a loss of commission or participating state funds;

or

(iii) Protect public health and safety.

(7) (a) The members, officers, executive director, employees, and representatives of the commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing in this subsection (7) (a) shall be construed to protect

any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the commission shall not in any way compromise or limit the immunity granted hereunder.

(b) The commission shall defend any member, officer, executive director, employee, and representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or as determined by the commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(c) Notwithstanding (a) of this subsection, should any member, officer, executive director, employee, or representative of the commission be held liable for the amount of any settlement or judgment arising out of any actual or alleged act, error, or omission that occurred within the scope of that individual's employment, duties, or responsibilities for the commission, or that the person to whom that individual is liable had a reasonable basis for believing occurred within the scope of the individual's employment, duties, or responsibilities for the commission, the commission shall indemnify and hold harmless such individual, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of the individual.

(d) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(e) Nothing in this compact shall be interpreted to waive or otherwise abrogate a participating state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman act, Clayton act, or any other state or federal antitrust or anticompetitive law or regulation.

(f) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the participating states or by the commission. [2023 c 297 § 7.]

**RCW 18.33.070 Data system.** (1) The commission shall provide for the development, maintenance, operation, and utilization of a coordinated database and reporting system containing licensure, adverse action, and the presence of significant investigative information on all licensees and applicants for a license in participating states.

(2) Notwithstanding any other provision of state law to the contrary, a participating state shall submit a uniform data set to the data system on all individuals to whom this compact is applicable as required by the rules of the commission, including:

(a) Identifying information;

(b) Licensure data;

(f) The presence of significant investigative information; and

(g) Other information that may facilitate the administration of this compact or the protection of the public, as determined by the rules of the commission.

(3) The records and information provided to a participating state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, shall constitute the authenticated business records of the commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a participating state.

(4) Significant investigative information pertaining to a licensee in any participating state will only be available to other participating states.

(5) It is the responsibility of the participating states to monitor the database to determine whether adverse action has been taken against a licensee or license applicant. Adverse action information pertaining to a licensee or license applicant in any participating state will be available to any other participating state.

(6) Participating states contributing information to the data system may designate information that may not be shared with the public without the express permission of the participating state.

(7) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the participating state contributing the information shall be removed from the data system. [2023 c 297 § 8.]

**RCW 18.33.080 Rule making.** (1) The commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the compact. A commission rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rule-making authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.

(2) The rules of the commission shall have the force of law in each participating state, provided however that where the rules of the commission conflict with the laws of the participating state that establish the participating state's scope of practice as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the conflict.

(3) The commission shall exercise its rule-making powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules shall become binding as of the date specified by the commission for each rule.

(4) If a majority of the legislatures of the participating states rejects a commission rule or portion of a commission rule, by enactment of a statute or resolution in the same manner used to adopt the compact, within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any

participating state or to any state applying to participate in the compact.

(5) Rules shall be adopted at a regular or special meeting of the commission.

(6) Prior to adoption of a proposed rule, the commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

(7) Prior to adoption of a proposed rule by the commission, and at least 30 days in advance of the meeting at which the commission will hold a public hearing on the proposed rule, the commission shall provide a notice of proposed rule making:

(a) On the website of the commission or other publicly accessible platform;

(b) To persons who have requested notice of the commission's notices of proposed rule making; and

(c) In such other way or ways as the commission may by rule specify.

(8) The notice of proposed rule making shall include:

(a) The time, date, and location of the public hearing at which the commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the commission will consider and vote on the proposed rule;

(b) If the hearing is held via telecommunication, videoconference, or other electronic means, the commission shall include the mechanism for access to the hearing in the notice of proposed rule making;

(c) The text of the proposed rule and the reason therefor;

(d) A request for comments on the proposed rule from any interested person; and

(e) The manner in which interested persons may submit written comments.

(9) All hearings will be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule shall be available to the public.

(10) Nothing in this section shall be construed as requiring a separate hearing on each commission rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(11) The commission shall, by majority vote of all commissioners, take final action on the proposed rule based on the rule-making record.

(a) The commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.

(b) The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(c) The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection (12) of this section, the effective date of the rule shall be no sooner than 30 days after the commission issuing the notice that it adopted or amended the rule.

(12) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule with 24 hours' notice, with opportunity to comment, provided that the usual rule-making procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of

this provision, an emergency rule is one that must be adopted immediately in order to:

- (a) Meet an imminent threat to public health, safety, or welfare;
- (b) Prevent a loss of commission or participating state funds;
- (c) Meet a deadline for the promulgation of a rule that is established by federal law or rule; or
- (d) Protect public health and safety.

(13) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

(14) No participating state's rule-making requirements shall apply under this compact. [2023 c 297 § 9.]

**RCW 18.33.090 Oversight—Dispute resolution—Enforcement.** (1) (a)

The executive and judicial branches of state government in each participating state shall enforce this compact and take all actions necessary and appropriate to implement the compact.

(b) Venue is proper and judicial proceedings by or against the commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the commission is located. The commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct, or any such similar matter.

(c) The commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the compact or commission rule and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the commission service of process shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) (a) If the commission determines that a participating state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the commission may take, and shall offer training and specific technical assistance regarding the default.

(b) The commission shall provide a copy of the notice of default to the other participating states.

(3) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the commissioners, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the

default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(4) Termination of participation in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's state licensing authority or authorities, as applicable, and each of the participating states' state licensing authority or authorities, as applicable.

(5) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(6) Upon the termination of a state's participation in this compact, that state shall immediately provide notice to all licensees of the state, including licensees of other participating states issued a compact privilege to practice within that state, of such termination. The terminated state shall continue to recognize all compact privileges then in effect in that state for a minimum of 180 days after the date of said notice of termination.

(7) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(8) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(9) (a) Upon request by a participating state, the commission shall attempt to resolve disputes related to the compact that arise among participating states and between participating states and nonparticipating states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(10) (a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact and the commission's rules.

(b) By majority vote, the commission may initiate legal action against a participating state in default in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting participating state's law.

(c) A participating state may initiate legal action against the commission in the United States district court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its promulgated rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(d) No individual or entity other than a participating state may enforce this compact against the commission. [2023 c 297 § 10.]

**RCW 18.33.100 Effective date—Withdrawal—Amendment.** (1) The compact shall come into effect on the date on which the compact statute is enacted into law in the seventh participating state.

(a) On or after the effective date of the compact, the commission shall convene and review the enactment of each of the states that enacted the compact prior to the commission convening ("charter participating states") to determine if the statute enacted by each such charter participating state is materially different than the model compact.

(i) A charter participating state whose enactment is found to be materially different from the model compact shall be entitled to the default process set forth in RCW 18.33.090.

(ii) If any participating state is later found to be in default, or is terminated or withdraws from the compact, the commission shall remain in existence and the compact shall remain in effect even if the number of participating states should be less than seven.

(b) Participating states enacting the compact subsequent to the charter participating states shall be subject to the process set forth in RCW 18.33.060(3)(w) to determine if their enactments are materially different from the model compact and whether they qualify for participation in the compact.

(c) All actions taken for the benefit of the commission or in furtherance of the purposes of the administration of the compact prior to the effective date of the compact or the commission coming into existence shall be considered to be actions of the commission unless specifically repudiated by the commission.

(d) Any state that joins the compact subsequent to the commission's initial adoption of the rules and bylaws shall be subject to the commission's rules and bylaws as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(2) Any participating state may withdraw from this compact by enacting a statute repealing that state's enactment of the compact.

(a) A participating state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority or authorities to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(c) Upon the enactment of a statute withdrawing from this compact, the state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all compact privileges to practice within that state granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal.

(3) Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a participating state and a nonparticipating state that does not conflict with the provisions of this compact.

(4) This compact may be amended by the participating states. No amendment to this compact shall become effective and binding upon any participating state until it is enacted into the laws of all participating states. [2023 c 297 § 11.]

**RCW 18.33.110 Construction—Severability.** (1) This compact and the commission's rule-making authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration, of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the commission's rule-making authority solely for those purposes.

(2) The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the constitution of any participating state, a state seeking participation in the compact, or of the United States, or the applicability thereof to any government, agency, person, or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this compact and the applicability thereof to any other government, agency, person, or circumstance shall not be affected thereby.

(3) Notwithstanding subsection (2) of this section, the commission may deny a state's participation in the compact or, in accordance with the requirements of RCW 18.33.090(2), terminate a participating state's participation in the compact, if it determines that a constitutional requirement of a participating state is a material departure from the compact. Otherwise, if this compact shall be held to be contrary to the constitution of any participating state, the compact shall remain in full force and effect as to the remaining participating states and in full force and effect as to the participating state affected as to all severable matters. [2023 c 297 § 12.]

**RCW 18.33.120 Consistent effect—Conflict with other state laws.**

(1) Nothing in this chapter shall prevent or inhibit the enforcement of any other law of a participating state that is not inconsistent with the compact.

(2) Any laws, statutes, regulations, or other legal requirements in a participating state in conflict with the compact are superseded to the extent of the conflict.

(3) All permissible agreements between the commission and the participating states are binding in accordance with their terms. [2023 c 297 § 13.]

(2) "Audiology" means the application of principles, methods, and procedures related to hearing and the disorders of hearing and to related language and speech disorders, whether of organic or nonorganic origin, peripheral or central, that impede the normal process of human communication including, but not limited to, disorders of auditory sensitivity, acuity, function, processing, or vestibular function, the application of aural habilitation, rehabilitation, and appropriate devices including fitting and dispensing of hearing instruments, and cerumen management to treat such disorders.

hearing instrument systems, specific hearing instruments, or specific hearing instrument characteristics, the taking of impressions for ear molds for these purposes, the use of nondiagnostic procedures and equipment to verify the appropriateness of the hearing instrument fitting, and hearing instrument orientation. The fitting and dispensing of hearing instruments as defined by this chapter may be equally provided by a licensed hearing aid specialist or licensed audiologist.

(9) "Good standing" means a licensed hearing aid specialist, licensed audiologist, licensed speech-language pathologist, or certified speech-language pathology assistant whose license or certification has not been subject to sanctions pursuant to chapter 18.130 RCW or sanctions by other states, territories, or the District of Columbia in the last two years.

(1) For unethical conduct in dispensing hearing instruments. Unethical conduct shall include, but not be limited to:

(a) Using or causing or promoting the use of, in any advertising matter, promotional literature, testimonial, guarantee, warranty, label, brand, insignia, or any other representation, however disseminated or published, which is false, misleading or deceptive;

(b) Failing or refusing to honor or to perform as represented any representation, promise, agreement, or warranty in connection with the promotion, sale, dispensing, or fitting of the hearing instrument;

(c) Advertising a particular model, type, or kind of hearing instrument for sale which purchasers or prospective purchasers responding to the advertisement cannot purchase or are dissuaded from purchasing and where it is established that the purpose of the

advertisement is to obtain prospects for the sale of a different model, type, or kind than that advertised;

(d) Falsifying hearing test or evaluation results;

(e) (i) Whenever any of the following conditions are found or should have been found to exist either from observations by the licensee or interim permit holder or on the basis of information furnished by the prospective hearing instrument user prior to fitting and dispensing a hearing instrument to any such prospective hearing instrument user, failing to advise that prospective hearing instrument user in writing that the user should first consult a licensed physician specializing in diseases of the ear or if no such licensed physician is available in the community then to any duly licensed physician:

(H) Pain or discomfort in the ear; or

(I) Any other conditions that the board may by rule establish. It is a violation of this subsection for any licensee or that licensee's employees and putative agents upon making such required referral for medical opinion to in any manner whatsoever disparage or discourage a prospective hearing instrument user from seeking such medical opinion prior to the fitting and dispensing of a hearing instrument. No such referral for medical opinion need be made by any licensed hearing aid specialist, licensed audiologist, or interim permit holder in the instance of replacement only of a hearing instrument which has been lost or damaged beyond repair within twelve months of the date of purchase. The licensed hearing aid specialist, licensed audiologist, or interim permit holder or their employees or putative agents shall obtain a signed statement from the hearing instrument user documenting the waiver of medical clearance and the waiver shall inform the prospective user that signing the waiver is not in the user's best health interest: PROVIDED, That the licensed hearing aid specialist, licensed audiologist, or interim permit holder shall maintain a copy of either the physician's statement showing that the prospective hearing instrument user has had a medical evaluation within the previous six months or the statement waiving medical evaluation, for a period of three years after the purchaser's receipt of a hearing instrument. Nothing in this section required to be performed by a licensee or interim permit holder shall mean that the licensee or interim permit holder is engaged in the diagnosis of illness or the practice of medicine or any other activity prohibited under the laws of this state;

(ii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined and cleared for hearing instrument use within the previous six months by a physician specializing in otolaryngology except in the case of replacement instruments or except in the case of the parents or guardian of such

person refusing, for good cause, to seek medical opinion: PROVIDED, That should the parents or guardian of such person refuse, for good cause, to seek medical opinion, the licensed hearing aid specialist or licensed audiologist shall obtain from such parents or guardian a certificate to that effect in a form as prescribed by the department;

(iii) Fitting and dispensing a hearing instrument to any person under eighteen years of age who has not been examined by an audiologist who holds at least a master's degree in audiology for recommendations during the previous six months, without first advising such person or his or her parents or guardian in writing that he or she should first consult an audiologist who holds at least a master's degree in audiology, except in cases of hearing instruments replaced within twelve months of their purchase;

(f) Representing that the services or advice of a person licensed to practice medicine and surgery under chapter 18.71 RCW or osteopathic medicine and surgery under chapter 18.57 RCW or of a clinical audiologist will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing instruments when that is not true, or using the word "doctor," "clinic," or other like words, abbreviations, or symbols which tend to connote a medical or osteopathic medicine and surgery profession when such use is not accurate;

(g) Permitting another to use his or her license or interim permit;

(h) Stating or implying that the use of any hearing instrument will restore normal hearing, preserve hearing, prevent or retard progression of a hearing impairment, or any other false, misleading, or medically or audiologicaly unsupportable claim regarding the efficiency of a hearing instrument;

(i) Representing or implying that a hearing instrument is or will be "custom-made," "made to order," "prescription made," or in any other sense specially fabricated for an individual when that is not the case; or

(j) Directly or indirectly offering, giving, permitting, or causing to be given, money or anything of value to any person who advised another in a professional capacity as an inducement to influence that person, or to have that person influence others to purchase or contract to purchase any product sold or offered for sale by the hearing aid specialist, audiologist, or interim permit holder, or to influence any person to refrain from dealing in the products of competitors.

(2) Engaging in any unfair or deceptive practice or unfair method of competition in trade within the meaning of RCW 19.86.020.

**RCW 18.35.185 Rescission of transaction—Requirements—Notice.**

(1) In addition to any other rights and remedies a purchaser may have, the purchaser of a hearing instrument shall have the right to rescind the transaction for other than the licensed hearing aid specialist, licensed audiologist, or interim permit holder's breach if:

(a) The purchaser, for reasonable cause, returns the hearing instrument or holds it at the licensed hearing aid specialist, licensed audiologist, or interim permit holder's disposal, if the hearing instrument is in its original condition less normal wear and tear. "Reasonable cause" shall be defined by the board but shall not include a mere change of mind on the part of the purchaser or a change of mind related to cosmetic concerns of the purchaser about wearing a hearing instrument; and

(b) The purchaser sends notice of the cancellation by certified mail, return receipt requested, to the establishment employing the licensed hearing aid specialist, licensed audiologist, or interim permit holder at the time the hearing instrument was originally purchased, and the notice is posted not later than thirty days following the date of delivery, but the purchaser and the licensed hearing aid specialist, licensed audiologist, or interim permit holder may extend the deadline for posting of the notice of rescission by mutual, written agreement. In the event the hearing instrument develops a problem which qualifies as a reasonable cause for rescission or which prevents the purchaser from evaluating the hearing instrument, and the purchaser notifies the establishment employing the licensed hearing aid specialist, licensed audiologist, or interim permit holder of the problem during the thirty days following the date of delivery and documents such notification, the deadline for posting the notice of rescission shall be extended by an equal number of days as those between the date of the notification of the problem to the date of notification of availability for redeliveries. Where the hearing instrument is returned to the licensed hearing aid specialist, licensed audiologist, or interim permit holder for any inspection for modification or repair, and the licensed hearing aid specialist, licensed audiologist, or interim permit holder has notified the purchaser that the hearing instrument is available for redelivery, and where the purchaser has not responded by either taking possession of the hearing instrument or instructing the licensed hearing aid

specialist, licensed audiologist, or interim permit holder to forward it to the purchaser, then the deadline for giving notice of the rescision shall extend no more than seven working days after this notice of availability.

(2) If the transaction is rescinded under this section or as otherwise provided by law and the hearing instrument is returned to the licensed hearing aid specialist, licensed audiologist, or interim permit holder, the licensed hearing aid specialist, licensed audiologist, or interim permit holder shall refund to the purchaser any payments or deposits for that hearing instrument. However, the licensed hearing aid specialist, licensed audiologist, or interim permit holder may retain, for each hearing instrument, fifteen percent of the total purchase price or one hundred twenty-five dollars, whichever is less. After December 31, 1996, the rescision amount shall be determined by the board. The licensed hearing aid specialist, licensed audiologist, or interim permit holder shall also return any goods traded in contemplation of the sale, less any costs incurred by the licensed hearing aid specialist, licensed audiologist, or interim permit holder in making those goods ready for resale. The refund shall be made within ten business days after the rescission. The buyer shall incur no additional liability for such rescission.

(3) For the purposes of this section, the purchaser shall have recourse against the bond held by the establishment entering into a purchase agreement with the buyer, as provided by RCW 18.35.240. [2014 c 189 § 14; 2002 c 310 § 19; 1998 c 142 § 13; 1996 c 200 § 25; 1993 c 313 § 9; 1989 c 198 § 12.]

Therefore, the provisions of this chapter relating to the licensing of hearing aid specialists, speech-language pathologists, and audiologists, the certification of speech-language pathology assistants, and regulation of interim permit holders and their respective establishments or facilities is exclusive. (a) Violated any provisions of this chapter or chapter 18.130 RCW; or

(b) Violated any lawful order, or rule of the board an order may be issued by the board requiring the person to cease and desist from the unlawful practice. The board shall then take affirmative action as is necessary to carry out the purposes of this chapter.

(2) If the board makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, a temporary cease and desist order may be issued. Prior to issuing a temporary cease and desist order, the board, whenever possible, shall give notice by telephone or otherwise of the proposal to issue a temporary cease and desist order to the person to whom the order would be directed. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held to determine whether the order becomes permanent.

(3) The department, with or without prior administrative proceedings, may bring an action in the superior court to enjoin the acts or practices and to enforce compliance with this chapter, or rule or order under this chapter. (2) In lieu of the surety bond required by this section, the licensee or permit holder may deposit cash or other negotiable security in a banking institution as defined in \*chapter 30.04 RCW or a credit union as defined in chapter 31.12 RCW. All obligations and remedies relating to surety bonds shall apply to deposits and security filed in lieu of surety bonds.

(3) If a cash deposit or other negotiable security is filed, the licensee or permit holder shall maintain such cash or other negotiable security for one year after discontinuing the fitting and dispensing of hearing instruments.

(4) Each invoice for the purchase of a hearing instrument provided to a customer must clearly display on the first page the bond number covering the licensee or interim permit holder responsible for fitting/dispensing the hearing instrument.

(5) All licensed hearing aid specialists, licensed audiologists, and permit holders must verify compliance with the requirement to hold a surety bond or cash or other negotiable security by submitting a signed declaration of compliance upon annual renewal of their license or permit. Up to twenty-five percent of the credential holders may be randomly audited for surety bond compliance after the credential is renewed. It is the credential holder's responsibility to submit a copy of the original surety bond or bonds, or documentation that cash or other negotiable security is held in a banking institution during the time period being audited. Failure to comply with the audit documentation request or failure to supply acceptable documentation within thirty days may result in disciplinary action. (a) Prior to initial fitting and purchase, notify a person seeking to purchase a hearing instrument, both orally and in writing, about the uses, benefits, and limitations of current hearing assistive technologies, as defined by the department of health in rule.

(b) Provide to each person who enters into an agreement to purchase a hearing instrument a receipt, which must be signed by the purchaser at the time of the purchase, containing language that verifies that prior to initial fitting and purchase the consumer was informed, both orally and in writing, about the uses, benefits, and limitations of current hearing assistive technologies, as defined by the department of health in rule.

(2) The department may adopt rules to create a standard receipt form that persons required to provide notice under this section may provide to purchasers, as required in subsection (1)(a) of this section.

(3) A person required to provide written notice in subsection (1) of this section may produce written materials, use materials produced by hearing instrument manufacturers or others, or use the materials created by the office of the deaf and hard of hearing, as required in RCW 43.20A.675.

(4) This section may not be construed to create a private right of action or claim against any person engaging in the fitting and dispensing of hearing instruments.

(5) The department must adopt rules necessary to implement this section. The department may consider a number of factors in defining current hearing assistive technologies, but must consider whether hearing assistive technologies are compatible with assistive listening

systems that are compliant with the Americans with disabilities act.  
[2019 c 183 § 2.]

**Findings—Intent—2019 c 183:** "The legislature finds that approximately twenty percent of the population have hearing loss, including more than six hundred fifty thousand Washington state residents who have been diagnosed with hearing loss. The number is rising; the aging baby boomer generation is increasing age-related hearing loss exponentially, and hearing loss has increased among children and youth in the last decade. As these trends continue, telecoil technology has the potential to benefit more people, but only if consumers are made aware of the technology and its benefits.

The legislature finds that the federal Americans with disabilities act of 1990 was amended in 2010 to require assistive listening systems in places of public assembly, served by a public address system, to be hearing aid compatible. Currently, the telecoil is the only component within a consumer hearing instrument that enables this mandated compatibility. Without a telecoil-enabled hearing instrument a person cannot effectively access mandated assistive listening systems.

The legislature finds that bluetooth technology is evolving, but it is still generally not suited for long range transmission in a large venue like an auditorium. To date, hearing aid bluetooth technology does not meet compliance standards for assistive listening system requirements.

Therefore, the legislature intends to increase consumer awareness of benefits and uses of the different types of hearing instruments and technologies." [2019 c 183 § 1.]

**RCW 18.35A.010 Purpose.** (1) The purpose of this compact is to facilitate interstate practice of audiology and speech-language pathology with the goal of improving public access to audiology and speech-language pathology services. The practice of audiology and speech-language pathology occurs in the state where the patient, client, or student is located at the time of the patient, client, or student encounter. The compact preserves the regulatory authority of states to protect public health and safety through the current system of state licensure.

(2) This compact is designed to achieve the following objectives:

(a) Increase public access to audiology and speech-language pathology services by providing for the mutual recognition of other member state licenses;

(b) Enhance the states' ability to protect the public's health and safety;

(c) Encourage the cooperation of member states in regulating multistate audiology and speech-language pathology practice;

(d) Support spouses of relocating active duty military personnel;

(e) Enhance the exchange of licensure, investigative, and disciplinary information between member states;

(f) Allow a remote state to hold a provider of services with a compact privilege in that state accountable to that state's practice standards; and

(g) Allow for the use of telehealth technology to facilitate increased access to audiology and speech-language pathology services.

(9) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state. (10) Member states may charge a fee for granting a compact privilege.

(11) Member states must comply with the bylaws and rules and regulations of the commission. [2023 c 53 § 3.]

(3) Except as provided in RCW 18.35A.060, if an audiologist or speech-language pathologist changes primary state of residence by moving between two member states, the audiologist or speech-language pathologist must apply for licensure in the new home state, and the license issued by the prior home state shall be deactivated in accordance with applicable rules adopted by the commission.

(4) The audiologist or speech-language pathologist may apply for licensure in advance of a change in primary state of residence.

(5) A license shall not be issued by the new home state until the audiologist or speech-language pathologist provides satisfactory evidence of a change in primary state of residence to the new home state and satisfies all applicable requirements to obtain a license from the new home state.

(6) If an audiologist or speech-language pathologist changes primary state of residence by moving from a member state to a nonmember state, the license issued by the prior home state shall convert to a single-state license, valid only in the former home state and the privilege to practice in any member state shall be deactivated in accordance with rules promulgated by the commission.

(7) The compact privilege is valid until the expiration date of the home state license. The licensee must comply with the requirements of subsection (1) of this section to maintain the compact privilege in the remote state.

(12) Once the requirements of subsection (10) of this section have been met, the licensee must meet the requirements in subsection (1) of this section to obtain a compact privilege in a remote state.

[2023 c 53 § 4.]

**RCW 18.35A.050 Compact privilege to practice telehealth.** Member states shall recognize the right of an audiologist or speech-language pathologist, licensed by a home state in accordance with RCW 18.35A.030 and under rules promulgated by the commission, to practice audiology or speech-language pathology in any member state via

telehealth under a privilege to practice as provided in the compact and rules promulgated by the commission. A licensee providing audiology or speech-language pathology services in a remote state under the compact privilege shall function within the laws and regulations of the state where the patient, client, or student is located. [2023 c 53 § 5.]

(a) Take adverse action against an audiologist's or speech-language pathologist's privilege to practice within that member state;

(b) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses as well as the production of evidence. Subpoenas issued by a licensing board in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(2) Only the home state shall have the power to take adverse action against an audiologist's or speech-language pathologist's license issued by the home state.

(3) For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

(4) The home state shall complete any pending investigations of an audiologist or speech-language pathologist who changes primary state of residence during the course of the investigations. The home state shall also have the authority to take appropriate action and shall promptly report the conclusions of the investigations to the administrator of the data system. The administrator of the data system shall promptly notify the new home state of any adverse actions.

(5) If otherwise permitted by state law, the member state may recover from the affected audiologist or speech-language pathologist the costs of investigations and disposition of cases resulting from any adverse action taken against that audiologist or speech-language pathologist.

(6) The member state may take adverse action based on the factual findings of the remote state, provided that the member state follows the member state's own procedures for taking the adverse action.

(7) (a) In addition to the authority granted to a member state by its respective audiology or speech-language pathology practice act or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

(b) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

(8) If adverse action is taken by the home state against an audiologist's or speech-language pathologist's license, the audiologist's or speech-language pathologist's privilege to practice in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose adverse action against an audiologist's or speech-language pathologist's license shall include a statement that the audiologist's or speech-language pathologist's privilege to practice is deactivated in all member states during the pendency of the order.

(9) If a member state takes adverse action against a licensee, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state and any remote states in which the licensee has a privilege to practice of any adverse actions by the home state or remote states.

(10) Nothing in this compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action. [2023 c 53 § 7.]

**RCW 18.35A.080 Audiology and speech-language pathology compact commission—Establishment.** (1) The compact member states hereby create and establish a joint public agency known as the audiology and speech-language pathology compact commission:

(a) The commission is an instrumentality of the compact states.

(f) A delegate shall vote in person or by other means as provided in the bylaws. The bylaws may provide for delegates' participation in meetings by telephone or other means of communication.

(g) The commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws.

(3) The commission shall have the following powers and duties:

(a) Establish the fiscal year of the commission;

Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. However, this section shall not be deemed to prohibit a funeral establishment from entering into prearrangement funeral service contracts in accordance with this chapter or to prohibit a funeral director from providing advice about government or insurance benefits.

(2) A violation of this section is a gross misdemeanor and is grounds for disciplinary action.

(3) The board shall adopt rules as the board deems necessary to prevent unethical financial dealings between licensees and their clients. [2005 c 365 § 20; 2003 c 53 § 130; 1986 c 259 § 66; 1982 c 66 § 15.]

**Effective dates—1982 c 66:** "This act shall take effect on September 1, 1982, with the exception of sections 20, 21, and 22 of this act, which are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately [March 26, 1982]." [1982 c 66 § 24.]

**Transfer of records, files, and pending business—1982 c 66:** "(1) All records, files, reports, papers, or other written material in the possession of the insurance commissioner pertaining to the regulation of prepaid funeral expenses shall be delivered to the director of licensing on the effective date of this act.

**Savings—1982 c 66:** "The transfer of duties under sections 2 through 14 of this act shall not affect the validity of any rule, action, decision promulgated or held prior to the effective date of this act." [1982 c 66 § 18.]

**RCW 18.39.250 Prearrangement contracts—Trusts—Refunds.** (1) Any funeral establishment selling funeral merchandise or services by prearrangement funeral service contract and accepting moneys therefore must establish and maintain one or more prearrangement funeral service trusts under Washington state law with two or more designated trustees, for the benefit of the beneficiary of the prearrangement funeral service contract. Funeral establishments may join with one or more other Washington state licensed funeral establishments in a "master trust" provided that each member of the "master trust" complies individually with the requirements of this chapter.

(2) Up to ten percent of the cash purchase price of each prearrangement funeral service contract, excluding sales tax, may be retained by the funeral establishment unless otherwise provided in this chapter. If the prearrangement funeral service contract is canceled within thirty calendar days of its signing, then the purchaser must receive a full refund of all moneys paid under the contract.

(3) At least ninety percent of the cash purchase price of each prearrangement funeral service contract, paid in advance, excluding sales tax, shall be placed in the trust established or utilized by the funeral establishment. Deposits to the prearrangement funeral service trust must be made not later than the twentieth day of the month

following receipt of each payment made on the last ninety percent of each prearrangement funeral service contract, excluding sales tax.

(4) All prearrangement funeral service trust moneys must be deposited in an insured account in a commercial bank, trust company, mutual savings bank, savings and loan association, or credit union, whether state or federally chartered. The account or investments shall be designated as the prearrangement funeral service trust of the funeral establishment for the benefit of the beneficiaries named in the prearrangement funeral service contracts. The prearrangement funeral service trust shall not be considered as, or used as, an asset of the funeral establishment. All prearrangement funeral service trust moneys must be invested in accordance with the provisions of RCW 11.100.020 subject to the following restrictions:

(a) No officer or director of the funeral establishment, trustee of the prearrangement trust funds, or spouse, sibling, parent, grandparent, or issue of such officer, director, or trustee, may borrow any of such funds for himself or herself, directly or indirectly;

(b) No funds may be loaned to the funeral establishment, its agents, or employees, or to any corporation, partnership, or other business entity in which the funeral establishment has any ownership interest; and

(c) No funds may be invested with persons or business entities operating in a business field directly related to funeral homes.

(5) After deduction of reasonable fees for the administration of the trust, taxes paid or withheld, or other expenses of the trust, all interest, dividends, or growth earned by a trust become a part of the trust. Adequate records must be maintained to allocate the share of principal and interest to each contract. Fees deducted for the administration of the trust may not exceed one percent per year of the amount in trust. In no instance may the administrative charges deducted from the prearrangement funeral service trust reduce, diminish, or in any other way lessen the value of the trust so that the services or merchandise provided for under the contract are reduced, diminished, or in any other way lessened.

(6) Except as otherwise provided in this chapter, the trustees of a prearrangement funeral service trust must permit withdrawal of all funds deposited under a prearrangement funeral service contract, plus accruals thereon, under the following circumstances and conditions:

(a) If the funeral establishment files a verified statement with the trustees that the prearrangement funeral merchandise and services covered by the contract have been furnished and delivered in accordance therewith; or

(b) If the funeral establishment files a verified statement with the trustees that the prearrangement funeral merchandise and services covered by the contract have been canceled in accordance with its terms.

(7) Subsequent to the thirty calendar day cancellation period provided for in this chapter, any purchaser or beneficiary who has a revocable prearrangement funeral service contract has the right to demand a refund of the amount in trust.

(8) Prearrangement funeral service contracts which have or should have an account in a prearrangement funeral service trust may be terminated by the board if the funeral establishment goes out of business, becomes insolvent or bankrupt, makes an assignment for the benefit of creditors, has its prearrangement funeral service certificate of registration revoked, or for any other reason is unable

to fulfill the obligations under the contract. In such event, or upon demand by the purchaser or beneficiary of the prearrangement funeral service contract, the funeral establishment must refund to the purchaser or beneficiary all moneys deposited in the trust and allocated to the contract unless otherwise ordered by a court of competent jurisdiction. The purchaser or beneficiary may, in lieu of a refund, elect to transfer the prearrangement funeral service contract and all amounts in trust to another funeral establishment licensed under this chapter which will agree, by endorsement to the contract, to be bound by the contract and to provide the funeral merchandise or services. Election of this option does not relieve the defaulting funeral establishment of its obligation to the purchaser or beneficiary for any amounts required to be, but not placed, in trust.

(9) Prior to the sale or transfer of ownership or control of any funeral establishment which has contracted for prearrangement funeral service contracts, any person, corporation, or other legal entity desiring to acquire such ownership or control must apply to the director in accordance with RCW 18.39.145. Persons and business entities selling or relinquishing, and persons and business entities purchasing or acquiring ownership or control of such funeral establishments must each verify and attest to a report showing the status of the prearrangement funeral service trust or trusts on the date of the sale. This report must be on a form prescribed by the board and shall be considered part of the application for a funeral establishment license. In the event of failure to comply with this subsection, the funeral establishment is deemed to have gone out of business and the provisions of subsection (8) of this section apply.

(10) Prearrangement funeral service trust moneys may not be used, directly or indirectly, for the benefit of the funeral establishment or any director, officer, agent, or employee of the funeral establishment including, but not limited to, any encumbrance, pledge, or other use of prearrangement funeral service trust moneys as collateral or other security.

(11)(a) If, at the time of the signing of the prearrangement funeral service contract, the beneficiary of the trust is a recipient of public assistance as defined in RCW 74.04.005, or reasonably anticipates being so defined, the contract may provide that the trust will be irrevocable. If after the contract is entered into, the beneficiary becomes eligible or seeks to become eligible for public assistance under Title 74 RCW, the contract may provide for an election by the beneficiary, or by the purchaser on behalf of the beneficiary, to make the trust irrevocable thereafter in order to become or remain eligible for such assistance.

(b) The department of social and health services must notify the trustee of any prearrangement service trust that the department has a claim on the estate of a beneficiary for long-term care services. Such notice must be renewed at least every three years. The trustees upon becoming aware of the death of a beneficiary must give notice to the department of social and health services, office of financial recovery, who shall file any claim there may be within thirty days of the notice.

(12) Every prearrangement funeral service contract financed through a prearrangement funeral service trust must contain language which:

(a) Informs the purchaser of the prearrangement funeral service trust and the amount to be deposited in the trust;

(b) Indicates if the contract is revocable or not in accordance with subsection (11) of this section;

(c) Specifies that a full refund of all moneys paid on the contract will be made if the contract is canceled within thirty calendar days of its signing;

(d) Specifies that, in the case of cancellation by a purchaser or beneficiary eligible to cancel under the contract or under this chapter, up to ten percent of the contract amount may be retained by the seller to cover the necessary expenses of selling and setting up the contract;

(e) Identifies the trust to be used and contains information as to how the trustees may be contacted. [2012 c 206 § 2; 2005 c 365 § 21; 1996 c 217 § 8; 1995 1st sp.s. c 18 § 62; 1989 c 390 § 3; 1982 c 66 § 3.]

(3) Informs the purchaser that amounts paid for insurance may not be refundable;

(4) Informs that any funds from the policy not used for services may be subject to a claim for reimbursement for long-term care services paid for by the state; and

(5) States that for purposes of the contract, the procedures in RCW 18.39.250(11)(b) shall control such recoupment. [2005 c 365 § 22; 1995 1st sp.s. c 18 § 63; 1989 c 390 § 4.]

**RCW 18.43.040 Registration requirements.** (1) The following will be considered as minimum evidence satisfactory to the board that the applicant is qualified for registration as a professional engineer, engineer-in-training, professional land surveyor, or land-surveyor-in-training, respectively:

(a)(i) As a professional engineer: A specific record of eight years or more of experience in engineering work of a character satisfactory to the board and indicating that the applicant is competent to practice engineering; and successfully passing a written or oral examination, or both, in engineering as prescribed by the board.

(ii) Graduation in an approved engineering curriculum of four years or more from a school or college approved by the board as of satisfactory standing shall be considered equivalent to four years of such required experience. The satisfactory completion of each year of such an approved engineering course without graduation shall be considered as equivalent to a year of such required experience. Graduation in a curriculum other than engineering from a school or college approved by the board shall be considered as equivalent to two

years of such required experience. However, no applicant shall receive credit for more than four years of experience because of undergraduate educational qualifications. The board may, at its discretion, give credit as experience not in excess of one year, for satisfactory postgraduate study in engineering.

(iii) Structural engineering is recognized as a specialized branch of professional engineering. To receive a certificate of registration in structural engineering, an applicant must hold a current registration in this state in engineering and have at least two years of structural engineering experience, of a character satisfactory to the board, in addition to the eight years' experience required for registration as a professional engineer. An applicant for registration as a structural engineer must also pass an additional examination as prescribed by the board.

(iv) An engineer must be registered as a structural engineer in order to provide structural engineering services for significant structures. The board may waive the requirements of this subsection (1) (a) (iv) until December 31, 2010, if:

(A) On January 1, 2007, the engineer is registered with the board as a professional engineer; and

(B) Within two years of January 1, 2007, the engineer demonstrates to the satisfaction of the board that the engineer has sufficient experience in the duties typically provided by a professional structural engineer regarding significant structures.

(b) (i) As an engineer-in-training: An applicant for registration as a professional engineer shall take the prescribed examination in two stages. The first stage of the examination may be taken upon submission of his or her application for registration as an engineer-in-training and payment of the application fee prescribed in RCW 18.43.050 at any time after the applicant has completed four years of the required engineering experience, as defined in this section, or has achieved senior standing in a school or college approved by the board. The first stage of the examination shall test the applicant's knowledge of appropriate fundamentals of engineering subjects, including mathematics and the basic sciences.

(ii) At any time after the completion of the required eight years of engineering experience, as defined in this section, the applicant may take the second stage of the examination upon submission of an application for registration and payment of the application fee prescribed in RCW 18.43.050. This stage of the examination shall test the applicant's ability, upon the basis of his or her greater experience, to apply his or her knowledge and experience in the field of his or her specific training and qualifications.

(c) (i) As a professional land surveyor: A specific record of eight years or more of experience in land surveying work of a character satisfactory to the board and indicating that the applicant is competent to practice land surveying, and successfully passing a written or oral examination, or both, in surveying as prescribed by the board.

(ii) Graduation from a school or college approved by the board as of satisfactory standing, including the completion of an approved course in surveying, shall be considered equivalent to four years of the required experience. Postgraduate college courses approved by the board shall be considered for up to one additional year of the required experience.

(d) (i) As a land-surveyor-in-training: An applicant for registration as a professional land surveyor shall take the prescribed

examination in two stages. The first stage of the examination may be taken upon submission of his or her application for registration as a land-surveyor-in-training and payment of the application fee prescribed in RCW 18.43.050 at any time after the applicant has completed four years of the required land surveying experience, as defined in this section, or has achieved senior standing in a school or college approved by the board. The first stage of the examination shall test the applicant's knowledge of appropriate fundamentals of land surveying subjects, including mathematics and the basic sciences.

(ii) At any time after the completion of the required eight years of land surveying experience, as defined in this section, the applicant may take the second stage of the examination upon submission of an application for registration and payment of the application fee prescribed in RCW 18.43.050. This stage of the examination shall test the applicant's ability, upon the basis of greater experience, to apply knowledge and experience in the field of land surveying.

(iii) The first stage shall be successfully completed before the second stage may be attempted. BONDING

**RCW 18.44.201 Financial responsibility—Fidelity bond—Errors and omissions policy—Surety bond.** (1) At the time of filing an application for an escrow agent license, or any renewal or reinstatement of an escrow agent license, the applicant shall provide satisfactory evidence to the director of having obtained the following as evidence of financial responsibility:

(a) A fidelity bond providing coverage in the aggregate amount of one million dollars with a deductible no greater than ten thousand dollars covering each corporate officer, partner, escrow officer, and employee of the applicant engaged in escrow transactions;

(b) An errors and omissions policy issued to the escrow agent providing coverage in the minimum aggregate amount of fifty thousand dollars or, alternatively, cash or securities in the principal amount of fifty thousand dollars deposited in an approved depository on condition that they be available for payment of any claim payable under an equivalent errors and omissions policy in that amount and pursuant to rules and regulations adopted by the department for that purpose; and

(c) A surety bond in the amount of ten thousand dollars executed by the applicant as obligor and by a surety company authorized to do a surety business in this state as surety, unless the fidelity bond obtained by the licensee to satisfy the requirement in (a) of this subsection does not have a deductible. The bond shall run to the state of Washington as obligee, and shall run to the benefit of the state

and any person or persons who suffer loss by reason of the applicant's or its employee's violation of this chapter. The bond shall be conditioned that the obligor as licensee will faithfully conform to and abide by this chapter and all rules adopted under this chapter, and shall reimburse all persons who suffer loss by reason of a violation of this chapter or rules adopted under this chapter. The bond shall be continuous and may be canceled by the surety upon the surety giving written notice to the director of its intent to cancel the bond. The cancellation shall be effective thirty days after the notice is received by the director. Whether or not the bond is renewed, continued, reinstated, reissued, or otherwise extended, replaced, or modified, including increases or decreases in the penal sum, it shall be considered one continuous obligation, and the surety upon the bond shall not be liable in an aggregate amount exceeding the penal sum set forth on the face of the bond. In no event shall the penal sum, or any portion thereof, at two or more points in time be added together in determining the surety's liability. The bond shall not be liable for any penalties imposed on the licensee, including but not limited to, any increased damages or attorneys' fees, or both, awarded under RCW 19.86.090.

(2) For the purposes of this section, a "fidelity bond" shall mean a primary commercial blanket bond or its equivalent satisfactory to the director and written by an insurer authorized to transact this line of business in the state of Washington. Such bond shall provide fidelity coverage for any fraudulent or dishonest acts committed by any one or more of the corporate officers, partners, sole practitioners, escrow officers, and employees of the applicant engaged in escrow transactions acting alone or in collusion with others. This bond shall be for the sole benefit of the escrow agent and under no circumstances whatsoever shall the bonding company be liable under the bond to any other party unless the corporate officer, partner, or sole practitioner commits a fraudulent or dishonest act, in which case, the bond shall be for the benefit of the harmed consumer. The bond shall name the escrow agent as obligee and shall protect the obligee against the loss of money or other real or personal property belonging to the obligee, or in which the obligee has a pecuniary interest, or for which the obligee is legally liable or held by the obligee in any capacity, whether the obligee is legally liable therefor or not. An escrow agent's bond must be maintained until all accounts have been reconciled and the escrow trust account balance is zero. The bond may be canceled by the insurer upon delivery of thirty days' written notice to the director and to the escrow agent. In the event that the fidelity bond required under this subsection is not reasonably available, the director may adopt rules to implement a surety bond requirement.

(3) For the purposes of this section, an "errors and omissions policy" shall mean a group or individual insurance policy satisfactory to the director and issued by an insurer authorized to transact insurance business in the state of Washington. Such policy shall provide coverage for unintentional errors and omissions of the escrow agent and its employees, and may be canceled by the insurer upon delivery of thirty days' written notice to the director and to the escrow agent.

(4) Except as provided in RCW 18.44.221, the fidelity bond, surety bond, and the errors and omissions policy required by this section shall be kept in full force and effect as a condition precedent to the escrow agent's authority to transact escrow business

in this state, and the escrow agent shall supply the director with satisfactory evidence thereof upon request. [2013 c 64 § 4; 2010 c 34 § 7; 1999 c 30 § 5; 1979 c 70 § 1; 1977 ex.s. c 156 § 5; 1971 ex.s. c 245 § 4; 1965 c 153 § 5. Formerly RCW 18.44.050.]

**RCW 18.44.211 Cancellation of fidelity bond or surety bond, or both—New bond required.** In the event of cancellation of either the fidelity bond, the surety bond, or both, the director shall require the filing of a new bond or bonds. Failure to provide the director with satisfactory evidence of a new bond after receipt by the director of notification that one is required or by the effective date of the cancellation notice, whichever is later, shall be sufficient grounds for the suspension or revocation of the escrow agent's license. [1999 c 30 § 6; 1965 c 153 § 6. Formerly RCW 18.44.060.]

**RCW 18.44.221 Waiver of bond or policy where not reasonably available—Determination procedure—Waiver period.** The director shall, within thirty days after a written request, hold a public hearing to determine whether the fidelity bond, surety bond, and/or the errors and omissions policy specified in RCW 18.44.201 is reasonably available to a substantial number of licensed escrow agents. If the director determines and the insurance commissioner concurs that such bond or bonds and/or policy is not reasonably available, the director shall waive the requirements for such bond or bonds and/or policy for a fixed period of time. [2011 1st sp.s. c 21 § 46; 1999 c 30 § 31; 1988 c 178 § 2; 1977 ex.s. c 156 § 30. Formerly RCW 18.44.360.]

**Effective date—2011 1st sp.s. c 21:** See note following RCW 72.23.025.

**Severability—1988 c 178:** See note following RCW 18.44.400.

**RCW 18.44.231 Corporation for insuring where bond or policy not reasonably available.** After a written determination by the director, with the consent of the insurance commissioner, that the fidelity bond, the surety bond, and/or the errors and omissions policy required under RCW 18.44.201 is cost-prohibitive, or after a determination as provided in RCW 18.44.221 that such bond or policy is not reasonably available, an association comprised of licensed escrow agents, with the consent of the insurance commissioner, may organize a corporation pursuant to chapter 24.06 RCW, exempt from the provisions of Title 48 RCW, for the purpose of insuring or self-insuring against claims arising out of escrow transactions. The insurance commissioner may limit the authority of the corporation to the insuring or self-insuring of claims which would be within the coverage specified in RCW 18.44.201. The insurance commissioner may revoke the authority of the corporation to transact insurance or self-insurance if he or she determines, pursuant to chapter 34.05 RCW, that the corporation is not acting in a financially responsible manner or for the benefit of the public. [1999 c 30 § 32; 1987 c 471 § 4; 1977 ex.s. c 156 § 31. Formerly RCW 18.44.370.]

**Severability—1987 c 471:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1987 c 471 § 11.]

**Effective date—1987 c 471:** "This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1987." [1987 c 471 § 13.]

**RCW 18.44.241 Waiver of errors and omissions policy requirement**

**—Criteria.** The following criteria will be considered by the director when deciding whether to grant a licensed escrow agent a waiver from the errors and omissions policy requirement under RCW 18.44.201:

(1) Whether the director has determined pursuant to RCW 18.44.221 that an errors and omissions policy is not reasonably available to a substantial number of licensed escrow agents;

(2) Whether purchasing an errors and omissions policy would be cost-prohibitive for the licensed escrow agent requesting the exemption;

(3) Whether a licensed escrow agent has wilfully violated the provisions of chapter 18.44 RCW, which violation thereby resulted in the termination of the agent's certificate, or engaged in any other conduct resulting in the termination of the escrow certificate;

(4) Whether a licensed escrow agent has paid claims directly or through an errors and omissions carrier, exclusive of costs and attorney fees, in excess of ten thousand dollars in the calendar year preceding the year for which the waiver is requested;

(5) Whether a licensed escrow agent has paid claims directly or through an errors or omissions insurance carrier, exclusive of costs and attorney fees, totaling in excess of twenty thousand dollars in the three calendar years preceding the calendar year for which the exemption is requested; and

(6) Whether the licensed escrow agent has been convicted of a crime involving honesty or moral turpitude.

(2) Require or permit any person to file a statement in writing, under oath or otherwise as the director determines, as to all facts and circumstances concerning the matter to be investigated.

For the purpose of any investigation or proceeding under this chapter, the director or any officer designated by the director may administer oaths or affirmations, and upon his or her own motion or upon request of any party, may subpoena witnesses, compel their attendance, take evidence, and require the production of any matter which is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge or relevant facts, or any other matter reasonably calculated to lead to the discovery of material evidence.

Upon failure to obey a subpoena or to answer questions propounded by the investigating officer and upon reasonable notice to all persons affected thereby, the director may apply to the superior court for an order compelling compliance.

Except as otherwise provided in this chapter, all proceedings under this chapter shall be in accordance with the administrative procedure act, chapter 34.05 RCW. [1999 c 30 § 23; 1977 ex.s. c 156 § 21. Formerly RCW 18.44.280.]

**RCW 18.44.425 Subpoena authority—Application—Contents—Notice—**

**Fees.** (1) The director or authorized assistants may apply for and obtain a superior court order approving and authorizing a subpoena in advance of its issuance. The application may be made in the county where the subpoenaed person resides or is found, or the county where the subpoenaed documents, records, or evidence are located, or in Thurston county. The application must:

(a) State that an order is sought under this section;

(b) Adequately specify the documents, records, evidence, or testimony; and

(c) Include a declaration made under oath that an investigation is being conducted for a lawfully authorized purpose related to an investigation within the department's authority and that the subpoenaed documents, records, evidence, or testimony are reasonably related to an investigation within the department's authority.

(2) When an application under this section is made to the satisfaction of the court, the court must issue an order approving the subpoena. An order under this subsection constitutes authority of law for the agency to subpoena the documents, records, evidence, or testimony.

(3) The director or authorized assistants may seek approval and a court may issue an order under this section without prior notice to any person, including the person to whom the subpoena is directed and the person who is the subject of an investigation. An application for court approval is subject to the fee and process set forth in RCW 36.18.012(3). [2011 c 93 § 2.]

**Finding—Intent—2011 c 93:** "The legislature finds that in the case of *State v. Miles*, the state supreme court held that Article I, section 7 of the state Constitution requires judicial review of a subpoena under some circumstances. The legislature intends to provide a process for the department to apply for court approval of an agency investigative subpoena that is authorized under law in cases when the agency seeks approval, or when court approval is required by Article I, section 7 of the state Constitution. The legislature does not intend to require court approval except when otherwise required by law or Article I, section 7 of the state Constitution." [2011 c 93 § 1.]

(f) Failing, upon demand, to disclose any information within his or her knowledge to, or to produce any document, book, or record in his or her possession for inspection of, the director or his or her authorized representatives.

(g) Committing any act of fraudulent or dishonest dealing, and a certified copy of the final holding of any court of competent jurisdiction in such matter shall be conclusive evidence in any hearing under this chapter.

(3) In addition to or in lieu of a license suspension, revocation, or denial, the director may assess a fine of up to one hundred dollars per day for each violation of this chapter or rules adopted under this chapter and may remove and/or prohibit from participation in the conduct of the affairs of any licensed escrow agent, any officer, controlling person, director, employee, or licensed escrow officer. The statute of limitations on actions not subject to RCW 4.16.160 that are brought under this chapter by the director is five years.

(4) In addition to or in lieu of (a) a license suspension, revocation, or denial, or (b) fines payable to the department, the director may order an escrow agent, officer, controlling person, director, employee, or licensed escrow officer violating this chapter to make restitution to an injured consumer. [2014 c 36 § 1; 2010 c 34 § 10; 1999 c 30 § 22; 1977 ex.s. c 156 § 16; 1971 ex.s. c 245 § 13. Formerly RCW 18.44.260.]

**RCW 18.44.440 Violations—Cease and desist orders.** If the director determines after notice and hearing that a person has:

(2) Directly, or through an agent or employee, engaged in any false, unfair and deceptive, or misleading:

(a) Advertising or promotional activity; or  
(b) Business practices; or

If the director makes a finding of fact in writing that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order. Every temporary cease and desist order shall include in its terms a provision that upon request a hearing will be held to determine whether or not the order becomes permanent. [1999 c 30 § 19; 1977 ex.s. c 156 § 20. Formerly RCW 18.44.175.]

(2) No real property lender, escrow agent, or officer or employee of any escrow agent or real property lender may give or agree to pay or give any money, service, or object of value to any real estate agent or broker, to any real property lender, or to any officer or employee of any agent, broker, or lender in return for the referral of any real estate escrow services. Nothing in this subsection prohibits the payment of fees or other compensation permitted under the federal Real Estate Settlement Procedures Act as amended (12 U.S.C. sections 2601 through 2617).

(3) The legislature finds that the practices governed by this subsection are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. Any violation of this section is not reasonable in relation to the development and preservation of business and is an unfair and deceptive act or practice and an unfair method of competition in the conduct of trade or commerce in violation of RCW 19.86.020. Remedies provided by chapter 19.86 RCW are cumulative and not exclusive. [2000 c 171 § 17; 1999 c 30 § 33; 1988 c 178 § 3. Formerly RCW 18.44.145.]

(b) The licensee has suspended payment of its trust obligations;

or

(c) The licensee neglects or refuses to comply with any order of the director made pursuant to this chapter unless the enforcement of such an order is restrained in a proceeding brought by the licensee.

**RCW 18.44.457 Possession of property and business—Scope of director's authority.** (1) During the time that the director retains possession of the property and business of a licensee, the director has the power and authority to conduct the licensee's business and take any action on behalf of the licensee to protect consumers, including but not limited to discontinuing any violations and unsafe or injurious practices, making good any deficiencies, and making claims against the licensee's fidelity bond, errors and omissions bond, or surety bond on behalf of the company.

(2) The director, the department, and its employees are not subject to liability for actions under this section and RCW 18.44.455 and no moneys from the department's fund may be required to be expended on behalf of the licensee or the licensee's clients, creditors, employees, shareholders, members, investors, or any other party or entity. If the person has continued to meet all other requirements for licensing during the suspension, reinstatement shall be automatic upon receipt of the notice and payment of any reinstatement fee the director may impose. [1999 c 30 § 15; 1996 c 293 § 11. Formerly RCW 18.44.125.]

**RCW 18.44.465 Termination of license—Effect upon preexisting escrows—Notice to principals.** The revocation, suspension, surrender, or expiration of an escrow agent's license shall not impair or affect preexisting escrows accepted by the agent prior to such revocation, suspension, surrender, or expiration: PROVIDED, That the escrow agent shall within five workdays provide written notice to all principals of such preexisting escrows of the agent's loss of license. The notice shall include as a minimum the reason for the loss of license, the estimated date for completing the escrow, and the condition of the agent's bond and whether it is in effect or whether notice of cancellation has been given. The notice shall afford the principals the right to withdraw the escrow without monetary loss. [1999 c 30 § 16; 1977 ex.s. c 156 § 9; 1965 c 153 § 13. Formerly RCW 18.44.130.]

**RCW 18.44.490 Authority to prosecute—Grants of injunctive relief, temporary restraining orders.** (1) The director, through the attorney general, may prosecute an action in any court of competent jurisdiction to enforce any order made by him or her pursuant to this chapter and shall not be required to post a bond in any such court proceedings.

(2) If the director has cause to believe that any person has violated any penal provision of this chapter he or she may refer the violation to the attorney general or the prosecuting attorney of the county in which the offense was committed.

(3) Whenever the director has cause to believe that any person, required to be licensed by this chapter, is conducting business as an escrow agent without a valid license, or that any licensed escrow agent, directly or through an agent or employee, is engaged in any false, unfair and deceptive, or misleading advertising or promotional, activity or business practices, or is conducting business in a manner deemed unsafe or injurious to the public, or has violated, is violating, or is about to violate any of the provisions of this chapter, or a rule or order under this chapter, the director, through the attorney general, may bring an action in any court of competent jurisdiction to enjoin the person from continuing the violation or doing any action in furtherance thereof. **RCW 18.51.005 Purpose.** The purpose of this chapter is to provide for the development, establishment, and enforcement of standards for the maintenance and operation of nursing homes, which, in the light of advancing knowledge, will promote safe and adequate care and treatment of the individuals therein. An important secondary purpose is the improvement of nursing home practices by educational methods so that such practices eventually exceed the minimum requirements of the basic law and its original standards. [1951 c 117 § 1.]

**RCW 18.51.007 Legislative intent.** It is the intent of the legislature in enacting chapter 99, Laws of 1975 1st ex. sess. to establish (1) a system for the imposition of prompt and effective sanctions against nursing homes in violation of the laws and regulations of this state relating to patient care; (2) an inspection and reporting system to insure that nursing homes are in compliance with state statutes and regulations pertaining to patient care; and (3) a mechanism to insure that licenses are issued to or retained by only those nursing homes that meet state standards for resident health and safety. [1981 1st ex.s. c 2 § 14; 1975 1st ex.s. c 99 § 3.]

**Severability—Effective dates—1981 1st ex.s. c 2:** See notes following RCW 18.51.010.

**RCW 18.51.009 Resident rights.** RCW 70.129.007, 70.129.105, 70.129.150 through 70.129.170, and 70.129.190 apply to this chapter and persons regulated under this chapter. [2021 c 159 § 6; 1994 c 214 § 22.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**Conflict with federal requirements—1994 c 214:** See RCW 70.129.901.

**RCW 18.51.010 Definitions.** (1) "Community-based care" means but is not limited to the following:

- (a) Home delivered nursing services;
- (b) Personal care;

(2) "Department" means the state department of social and health services.

(3) "Nursing home" means any home, place or institution which operates or maintains facilities providing convalescent or chronic care, or both, for a period in excess of twenty-four consecutive hours for three or more patients not related by blood or marriage to the operator, who by reason of illness or infirmity, are unable properly to care for themselves. Convalescent and chronic care may include but not be limited to any or all procedures commonly employed in waiting on the sick, such as administration of medicines, preparation of special diets, giving of bedside nursing care, application of dressings and bandages, and carrying out of treatment prescribed by a duly licensed practitioner of the healing arts. It may also include care of mentally incompetent persons. It may also include community-based care. Nothing in this definition shall be construed to include general hospitals or other places which provide care and treatment for the acutely ill and maintain and operate facilities for major surgery or obstetrics, or both. Nothing in this definition shall be construed to include any \*assisted living facility, guest home, hotel or related institution which is held forth to the public as providing, and which is operated to give only board, room and laundry to persons not in

need of medical or nursing treatment or supervision except in the case of temporary acute illness. The mere designation by the operator of any place or institution as a hospital, sanatorium, or any other similar name, which does not provide care for the acutely ill and maintain and operate facilities for major surgery or obstetrics, or both, shall not exclude such place or institution from the provisions of this chapter: PROVIDED, That any nursing home providing psychiatric treatment shall, with respect to patients receiving such treatment, comply with the provisions of RCW 71.12.560 and 71.12.570.

(4) "Person" means any individual, firm, partnership, corporation, company, association, or joint stock association, and the legal successor thereof.

**Reviser's note:** \*(1) The term "boarding home" was changed to "assisted living facility" throughout the code by 2012 c 10. However, in this section, "assisted living facility" appears to be the incorrect term.

(2) The definitions in this section have been alphabetized pursuant to RCW 1.08.015(2)(k).

**Application—2012 c 10:** See note following RCW 18.20.010.

**Construction—1983 c 236:** "Nothing in this 1983 act affects the provisions of chapter 70.38 RCW." [1983 c 236 § 3.]

[1953 c 160 § 3; 1951 c 117 § 5.]

**RCW 18.51.050 License—Issuance, renewal—Fee—Display.** (1)(a) Upon receipt of an application for a license, the department may issue

a license if the applicant and the nursing home's facilities meet the requirements established under this chapter, except that the department shall issue a temporary license to a court-appointed receiver for a period not to exceed six months from the date of appointment.

(b) (i) Except as provided in (b) (ii) of this subsection, prior to the issuance or renewal of the license, the licensee shall pay a license fee. Beginning July 1, 2011, and thereafter, the per bed license fee must be established in the omnibus appropriations act and any amendment or additions made to that act. The license fees established in the omnibus appropriations act and any amendment or additions made to that act may not exceed the department's annual licensing and oversight activity costs and shall include the department's cost of paying providers for the amount of the license fee attributed to medicaid clients.

any partner, officer, director, managerial employee, or owner of five percent or more of the applicant:

(1) Operated a nursing home without a license or under a revoked or suspended license; or

(4) Willfully prevented, interfered with, or attempted to impede in any way (a) the work of any authorized representative of the department or (b) the lawful enforcement of any provision of this chapter or chapter 74.42 RCW; or

(5) Has a history of significant noncompliance with federal or state regulations in providing nursing home care. In deciding whether to deny a license under this section, the factors the department considers shall include the gravity and frequency of the noncompliance. [1989 c 372 § 7; 1985 c 284 § 1.]

**RCW 18.51.060 Penalties—Grounds.** (1) In any case in which the department finds that a licensee, or any partner, officer, director, owner of five percent or more of the assets of the nursing home, or managing employee failed or refused to comply with the requirements of this chapter or of chapter 74.42 RCW, or the standards, rules, and regulations established under them or, in the case of a medicaid contractor, failed or refused to comply with the medicaid requirements of Title XIX of the social security act, as amended, and regulations promulgated thereunder, the department may take any or all of the following actions:

(a) Suspend, revoke, or refuse to renew a license;

(b) Order stop placement;

(c) Assess monetary penalties of a civil nature;

(d) Deny payment to a nursing home for any medicaid resident admitted after notice to deny payment. Residents who are medicaid recipients shall not be responsible for payment when the department takes action under this subsection;

(e) Appoint temporary management as provided in subsection (7) of this section.

(2) The department may suspend, revoke, or refuse to renew a license, assess monetary penalties of a civil nature, or both, in any case in which it finds that the licensee, or any partner, officer, director, owner of five percent or more of the assets of the nursing home, or managing employee:

(a) Operated a nursing home without a license or under a revoked or suspended license; or

(b) Knowingly or with reason to know made a false statement of a material fact in his or her application for license or any data attached thereto, or in any matter under investigation by the department; or

(c) Refused to allow representatives or agents of the department to inspect all books, records, and files required to be maintained or any portion of the premises of the nursing home; or

(d) Willfully prevented, interfered with, or attempted to impede in any way the work of any duly authorized representative of the department and the lawful enforcement of any provision of this chapter or of chapter 74.42 RCW; or

(e) Willfully prevented or interfered with any representative of the department in the preservation of evidence of any violation of any of the provisions of this chapter or of chapter 74.42 RCW or the standards, rules, and regulations adopted under them; or

(f) Failed to report patient abuse or neglect in violation of chapter 70.124 RCW; or

(g) Fails to pay any civil monetary penalty assessed by the department pursuant to this chapter within ten days after such assessment becomes final.

(3) The department shall deny payment to a nursing home having a medicaid contract with respect to any medicaid-eligible individual admitted to the nursing home when:

(a) The department finds the nursing home not in compliance with the requirements of Title XIX of the social security act, as amended, and regulations promulgated thereunder, and the facility has not complied with such requirements within three months; in such case, the department shall deny payment until correction has been achieved; or

(b) The department finds on three consecutive standard surveys that the nursing home provided substandard quality of care; in such case, the department shall deny payment for new admissions until the facility has demonstrated to the satisfaction of the department that it is in compliance with medicaid requirements and that it will remain in compliance with such requirements.

(4) (a) Civil penalties collected under this section or under chapter 74.42 RCW shall be deposited into a special fund administered by the department to be applied to the protection of the health or property of residents of nursing homes found to be deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(b) Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day a nursing home is or was out of compliance. Civil monetary penalties shall not exceed three thousand dollars per violation. Each day upon which the same or a substantially similar action occurs is a separate violation subject to the assessment of a separate penalty.

(c) Any civil penalty assessed under this section or chapter 74.46 RCW shall be a nonreimbursable item under chapter 74.46 RCW.

(5) (a) The department shall order stop placement on a nursing home, effective upon oral or written notice, when the department determines:

(i) The nursing home no longer substantially meets the requirements of chapter 18.51 or 74.42 RCW, or in the case of medicaid contractors, the requirements of Title XIX of the social security act, as amended, and any regulations promulgated under such statutes; and

(ii) The deficiency or deficiencies in the nursing home:

(A) Jeopardize the health and safety of the residents, or

(B) Seriously limit the nursing home's capacity to provide adequate care.

(b) When the department has ordered a stop placement, the department may approve a readmission to the nursing home from a

hospital when the department determines the readmission would be in the best interest of the individual seeking readmission.

(c) The department shall terminate the stop placement when:

(i) The provider states in writing that the deficiencies necessitating the stop placement action have been corrected; and

(ii) The department staff confirms in a timely fashion not to exceed fifteen working days that:

(A) The deficiencies necessitating stop placement action have been corrected, and

(B) The provider exhibits the capacity to maintain adequate care and service.

(d) A nursing home provider shall have the right to an informal review to present written evidence to refute the deficiencies cited as the basis for the stop placement. A request for an informal review must be made in writing within ten days of the effective date of the stop placement.

(e) A stop placement shall not be delayed or suspended because the nursing home requests a hearing pursuant to chapter 34.05 RCW or an informal review. The stop placement shall remain in effect until:

(i) The department terminates the stop placement; or

(ii) The stop placement is terminated by a final agency order, after a hearing, pursuant to chapter 34.05 RCW.

(6) If the department determines that an emergency exists as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a medicaid contractor, its failure or refusal to comply with medicaid requirements of Title XIX of the social security act, as amended, and rules adopted thereunder, the department may suspend the nursing home's license and order the immediate closure of the nursing home, the immediate transfer of residents, or both.

(7) If the department determines that the health or safety of residents is immediately jeopardized as a result of a nursing home's failure or refusal to comply with requirements of this chapter or, in the case of a medicaid contractor, its failure or refusal to comply with medicaid requirements of Title XIX of the social security act, as amended, and rules adopted thereunder, the department may appoint temporary management to:

(a) Oversee the operation of the facility; and

(b) Ensure the health and safety of the facilities residents while:

(i) Orderly closure of the facility occurs; or

(ii) The deficiencies necessitating temporary management are corrected.

(8) The department shall by rule specify criteria as to when and how the sanctions specified in this section shall be applied. Such criteria shall provide for the imposition of incrementally more severe penalties for deficiencies that are repeated, uncorrected, pervasive, or present a threat to the health, safety, or welfare of the residents. [2011 c 336 § 486; 1989 c 372 § 8; 1987 c 476 § 23; 1981 1st ex.s. c 2 § 18; 1979 ex.s. c 228 § 10; 1975 1st ex.s. c 99 § 2; 1953 c 160 § 5; 1951 c 117 § 7.]

[2005 c 375 § 1.]

All orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension, shall be effective immediately upon notice. Orders of the department imposing denial of payment shall become final twenty days after the same has been served, unless a hearing is requested, except that such orders shall be effective immediately upon notice and pending any hearing when the department determines the deficiencies jeopardize the health and safety of the residents or seriously limit the nursing home's capacity to provide adequate care. All hearings hereunder and judicial review of such determinations shall be in accordance with the administrative procedure act, chapter ((34.04)) 34.05 RCW, except that all orders of the department imposing stop placement, temporary management, emergency closure, emergency transfer, or license suspension shall be effective pending any hearing, and except that chapter 34.05 RCW shall have no application to receivership, which is instituted by direct petition to superior court as provided for in RCW 18.51.410 through 18.51.520. [1997 c 58 § 824.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Part 488, Subpart E. The inspection shall be made without providing advance notice of it. Every inspection may include an inspection of every part of the premises and an examination of all records, methods of administration, the general and special dietary and the stores and methods of supply. Those nursing homes that provide community-based care shall establish and maintain separate and distinct accounting and other essential records for the purpose of appropriately allocating

(d) The nursing home may not refuse to provide or unreasonably delay providing the resident roster, the contact information for a resident or resident representative, or the aggregated contact information required by this section, on any basis, including on the basis that the nursing home must first seek or obtain consent from one or more of the residents or resident representatives.

(3) Nothing in this section shall interfere with or diminish the authority of any long-term care ombuds to access nursing homes, residents, and resident records as otherwise authorized by law.

(4) For the purposes of this section, "resident representative" has the same meaning as in RCW 70.129.010. [2021 c 159 § 8.]

**Intent—1984 c 127:** "The legislature finds that the senior citizens of this state, particularly those living in low-income public housing or in nursing homes, often lead lonely and harsh lives. The legislature recognizes that the warmth and companionship provided by pets can significantly improve the quality of senior citizens' lives. **RCW 18.51.350 Conflict with federal requirements.** If any part of this chapter is found to conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this chapter is hereby declared to be inoperative solely to the extent of the conflict, and such finding or determination shall not affect the operation of the remainder of this chapter. [1981 2nd ex.s. c 11 § 1.]

**RCW 18.51.400 Receivership—Legislative findings.** The legislature finds that the closure of a nursing home can have devastating effects on residents and, under certain circumstances, courts should consider placing nursing homes in receivership. As receivership has long existed as a remedy to preserve assets subject to litigation and to reorganize troubled affairs, the legislature finds that receivership is to be used to correct problems associated with either the disregard of residents' health, safety, or welfare or with the possible closure of the nursing home for any reason. [1987 c 476 § 9.]

**RCW 18.51.410 Receivership—Petition to establish—Grounds.** A petition to establish a receivership shall allege that one or more of the following conditions exist and that the current operator has demonstrated an inability or unwillingness to take actions necessary to immediately correct the conditions alleged:

(1) The facility is operating without a license;

(2) The facility has not given the department prior written notice of its intent to close and has not made arrangements within thirty days before closure for the orderly transfer of its residents: PROVIDED, That if the facility has given the department prior written notice but the department has not acted with all deliberate speed to transfer the facility's residents, this shall bar the filing of a petition under this subsection;

(3) The health, safety, or welfare of the facility's residents is immediately jeopardized;

(4) The facility demonstrates a pattern and practice of violating chapter 18.51 or 74.42 RCW and rules adopted thereunder such that the facility has demonstrated a repeated inability to maintain minimum patient care standards; or

(5) The facility demonstrates a pattern or practice of violating a condition level as defined by the federal government under the authority of Title XIX of the social security act.

The department may file a petition in the superior court in the county in which the nursing home is located or in the superior court of Thurston county. The current or former operator or licensee and the owner of the nursing home, if different than the operator or licensee, shall be made a party to the action. The court shall grant the petition if it finds, by a preponderance of the evidence, that one or more of the conditions listed in subsections (1) through (5) of this section exists and, subject to RCW 18.51.420, that the current operator is unable or unwilling to take actions necessary to immediately correct the conditions. [1989 c 372 § 10; 1987 c 476 § 10.]

**RCW 18.51.420 Receivership—Defenses to petition.** It shall be a defense to the petition to establish a receivership that the conditions alleged do not in fact exist. It shall not be a defense to the petition to allege that the respondent did not possess knowledge of the alleged condition or could not have been reasonably expected to know about the alleged condition. In a petition that alleges that the health, safety, or welfare of the residents of the facility is at issue, it shall not be a defense to the petition that the respondent had not been afforded a reasonable opportunity to correct the alleged condition. [1987 c 476 § 11.]

**RCW 18.51.430 Receivership—Persons qualified to act as receiver.** A petition for receivership shall include the name of the candidate for receiver. The department shall maintain a list of qualified persons to act as receivers, however, no person may be considered to be qualified to be a receiver who:

- (1) Is the owner, licensee, or administrator of the facility;
- (2) Is affiliated with the facility;
- (3) Has a financial interest in the facility at the time the receiver is appointed; or
- (4) Has owned or operated a nursing home that has been ordered into receivership.

If a receiver is appointed, he or she may be drawn from the list but need not be, but an appointee shall have experience in providing long-term health care and a history of satisfactory operation of a nursing home. Preference may be granted to persons expressing an interest in permanent operation of the facility. [1989 c 372 § 3; 1987 c 476 § 12.]

**RCW 18.51.440 Receivership—Judicial hearing.** Upon receipt of a petition for receivership, the court shall hear the matter within fourteen days. Temporary relief may be obtained under chapter 7.40 RCW and other applicable laws. In all actions arising under RCW 18.51.410 through 18.51.530, the posting of a certified copy of the summons and petition in a conspicuous place in the nursing home shall constitute service of those documents upon the respondent. [1989 c 372 § 11; 1987 c 476 § 13.]

**RCW 18.51.450 Receivership—Appointment of receiver.** Upon agreement of the candidate for receiver to the terms of the

receivership and any special instructions of the court, the court may appoint that person as receiver of the nursing home if the court determines it is likely that a permanent operator will be found or conditions will be corrected without undue risk of harm to the patients. Appointment of a receiver may be in lieu of or in addition to temporary removal of some or all of the patients in the interests of their health, security, or welfare. A receiver shall be appointed for a term not to exceed six months, but a term may be extended for good cause shown. [1987 c 476 § 14.]

**RCW 18.51.460 Receivership—Termination—Conditions.** (1) The receivership shall terminate:

(a) When all deficiencies have been eliminated and the court determines that the facility has the management capability to ensure continued compliance with all requirements; or

(b) When all residents have been transferred and the facility closed.

(2) Upon the termination of a receivership, the court may impose conditions to assure the continued compliance with chapters 18.51 and 74.42 RCW, and, in the case of medicaid contractors, continued compliance with Title XIX of the social security act, as amended, and regulations promulgated thereunder. [1989 c 372 § 12; 1987 c 476 § 15.]

**RCW 18.51.470 Receivership—Accounting of acts and expenditures by receiver.** The receiver shall render to the court an accounting of acts performed and expenditures made during the receivership. Nothing in this section relieves a court-appointed receiver from the responsibility of making all reports and certifications to the department required by law and regulation relating to the receiver's operation of the nursing home, the care of its residents, and participation in the medicaid program, if any. [1987 c 476 § 16.]

**RCW 18.51.480 Receivership—Compensation, liability—Revision of medicaid reimbursement rate.** If a receiver is appointed, the court shall set reasonable compensation for the receiver to be paid from operating revenues of the nursing home. The receiver shall be liable in his or her personal capacity only for negligent acts, intentional acts, or a breach of a fiduciary duty to either the residents of the facility or the current or former licensee or owner of the facility.

The department may revise the nursing home's medicaid reimbursement rate, consistent with reimbursement principles in chapter 74.46 RCW and rules adopted under that chapter, if revision is necessary to cover the receiver's compensation and other reasonable costs associated with the receivership and transition of control. Rate revision may also be granted if necessary to cover start-up costs and costs of repairs, replacements, and additional staff needed for patient health, security, or welfare. The property return on investment components of the medicaid rate shall be established for the receiver consistent with reimbursement principles in chapter 74.46 RCW. The department may also expedite the issuance of necessary licenses, contracts, and certifications, temporary or otherwise,

necessary to carry out the purposes of receivership. [1987 c 476 § 17.]

**RCW 18.51.490 Receivership—Powers of receiver.** Upon appointment of a receiver, the current or former licensee or operator and managing agent, if any, shall be divested of possession and control of the nursing home in favor of the receiver who shall have full responsibility and authority to continue operation of the home and the care of the residents. The receiver may perform all acts reasonably necessary to carry out the purposes of receivership, including, but not limited to:

(1) Protecting the health, security, and welfare of the residents;

(2) Remediating violations of state and federal law and regulations governing the operation of the home;

(3) Hiring, directing, managing, and discharging all consultants and employees for just cause; discharging the administrator of the nursing home; recognizing collective bargaining agreements; and settling labor disputes;

(4) Receiving and expending in a prudent manner all revenues and financial resources of the home; and

(5) Making all repairs and replacements needed for patient health, security, and welfare: PROVIDED, That expenditures for repairs or replacements in excess of five thousand dollars shall require approval of the court which shall expedite approval or disapproval for such expenditure.

Upon order of the court, a receiver may not be required to honor leases, mortgages, secured transactions, or contracts if the rent, price, or rate of interest was not a reasonable rent, price, or rate of interest at the time the contract was entered into or if a material provision of the contract is unreasonable. [1987 c 476 § 18.]

**RCW 18.51.500 Receivership—Financial assistance—Use of revenues and proceeds of facility.** Upon order of the court, the department shall provide emergency or transitional financial assistance to a receiver not to exceed thirty thousand dollars. The receiver shall file with the court an accounting for any money expended. Any emergency or transitional expenditure made by the department on behalf of a nursing home not certified to participate in the Medicaid Title XIX program shall be recovered from revenue generated by the facility which revenue is not obligated to the operation of the facility. An action to recover such sums may be filed by the department against the former licensee or owner at the time the expenditure is made, regardless of whether the facility is certified to participate in the Medicaid Title XIX program or not.

In lieu of filing an action, the department may file a lien on the facility or on the proceeds of the sale of the facility. Such a lien shall take priority over all other liens except for liens for wages to employees. The owner of the facility shall be entitled to the proceeds of the facility or the sale of the facility to the extent that these exceed the liabilities of the facility, including liabilities to the state, receiver, employees, and contractors, at the termination of the receivership.

Revenues relating to services provided by the current or former licensee, operator, or owner and available operating funds belonging to such licensee, operator, or owner shall be under the control of the receiver. The receiver shall consult the court in cases of extraordinary or questionable debts incurred prior to his or her appointment and shall not have the power to close the home or sell any assets of the home without prior court approval.

Priority shall be given to debts and expenditures directly related to providing care and meeting the needs of patients. Any payment made to the receiver shall discharge the obligation of the payor to the owner of the facility. [1989 c 372 § 4; 1987 c 476 § 19.]

**RCW 18.51.510 Receivership—State medical assistance.** If the nursing home is providing care to recipients of state medical assistance, the receiver shall become the medicaid contractor for the duration of the receivership period and shall assume all reporting and other responsibilities required by applicable laws and regulations. The receiver shall be responsible for the refund of medicaid rate payments in excess of costs during the period of the receivership. [1987 c 476 § 20.]

**RCW 18.51.520 Receivership—Foreclosures and seizures not allowed.** No seizure, foreclosure, or interference with nursing home revenues, supplies, real property, improvements, or equipment may be allowed for the duration of the receivership without prior court approval. [1987 c 476 § 21.]

**RCW 18.51.530 Notice of change of ownership or management.** At least sixty days before the effective date of any change of ownership, change of operating entity, or change of management of a nursing home, the current operating entity shall notify separately and in writing, each resident of the home or the resident's guardian of the proposed change. The notice shall include the identity of the proposed new owner, operating entity, or managing entity and the names, addresses, and telephone numbers of departmental personnel to whom comments regarding the change may be directed. If the proposed new owner, operating entity, or managing entity is a corporation, the notice shall include the names of all officers and the registered agent in the state of Washington. If the proposed new owner, operating entity, or managing entity is a partnership, the notice shall include the names of all general partners. This section shall apply regardless of whether the current operating entity holds a medicaid provider contract with the department and whether the operating entity intends to enter such a contract. [1987 c 476 § 22.]

**RCW 18.51.540 Cost disclosure to attending physicians.** (1) The legislature finds that the spiraling costs of nursing home care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. The causes of this phenomenon are complex. By making nursing home facilities and care providers more aware of the cost consequences of care services for

consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial services and care, with a potential for reducing the utilization of those services. The requirement of the nursing home to inform physicians, consumers, and other care providers of the charges of the services that they order may have a positive effect on containing health costs.

(2) All nursing home administrators in facilities licensed under this chapter shall be required to develop and maintain a written procedure for disclosing patient charges to attending physicians with admitting privileges. The nursing home administrator shall have the capability to provide an itemized list of the charges for all health care services that may be ordered by a physician. The information shall be made available on request of consumers, or the physicians or other appropriate health care providers responsible for prescribing care. [1993 c 492 § 268.]

**Findings—Intent—1993 c 492:** See notes following RCW 43.20.050.

**Short title—Savings—Reservation of legislative power—Effective dates—1993 c 492:** See RCW 43.72.910 through 43.72.915.

**RCW 18.51.550 Investigation of complaints of violations concerning nursing technicians.** The department shall investigate complaints of violations of RCW 18.79.350 and 18.79.360 by an employer. The department shall maintain records of all employers that have violated RCW 18.79.350 and 18.79.360. [2003 c 258 § 9.]

**Severability—Effective date—2003 c 258:** See notes following RCW 18.79.330.

**RCW 18.51.560 Employment of physicians.** (1) A nursing home licensed under this chapter may employ physicians for the provision of professional services to its residents under the following conditions:

(a) The nursing home may not in any manner, directly or indirectly, supplant, diminish, or regulate any employed physician's judgment concerning the practice of medicine or the diagnosis and treatment of any patient; and

(b) The employed physicians may provide professional services only to residents of the nursing home or a related living facility.

(2) The employment of physicians as authorized by this section may be through the following entities:

(a) The entity licensed to operate the nursing home; or

(b) A separate entity authorized to conduct business in the state of Washington that has common or overlapping ownership as an affiliate or subsidiary of the licensee, as long as the licensee complies with subsection (3) of this section.

(3) Nothing in this section relieves the licensee of its ultimate responsibility for the daily operations of the nursing home.

(4) Nothing in this section may be construed to interfere with the federal resident rights requirements found in 42 C.F.R. 483.10, or successor rules, or found in this chapter, chapter 74.42 RCW, or the rules adopted by the department addressing resident's rights under this chapter or chapter 74.42 RCW.

(5) As used in this section, "related living facility" means (a) a separate nursing home that is owned, controlled, or managed by the same or an affiliated or subsidiary entity; or (b) a facility that (i) provides independent living services or \*boarding home services under chapter 18.20 RCW, in a single contiguous campus as the nursing home, and (ii) is owned, controlled, or managed by the same or related entity as the nursing home. For purposes of this subsection "contiguous" means land adjoining or touching property on which the nursing home is located, including land divided by a public road. [2011 c 228 § 1.]

**\*Reviser's note:** The term "boarding home" was changed to "assisted living facility" by 2012 c 10.

**RCW 18.51.570 Employment—Certificates of parental improvement.**

Nursing homes, as defined in this chapter, may not automatically deny a prospective volunteer or employee solely because of a founded finding of child abuse or neglect involving the individual revealed in the record check or a court finding or a court finding that the individual's child was dependent as a result of a finding that the individual abused or neglected their child pursuant to RCW 13.34.030(6)(b) when that founded finding or court finding is accompanied by a certificate of parental improvement as defined in chapter 74.13 RCW related to the same incident without conducting a review to determine the individual's character, suitability, and competency to volunteer with vulnerable adults. [2020 c 270 § 6.]

**Effective date—2020 c 270:** See note following RCW 74.13.720.

**RCW 18.51.575 Communication system—Telephones and other equipment.** (1) Each nursing home must be responsive to incoming communications and respond within a reasonable time to phone and electronic messages.

(2) Each nursing home must have a communication system, including a sufficient quantity of working telephones and other communication equipment to ensure that residents have 24-hour access to communications with family, medical providers, and others, and also to allow for emergency contact to and from facility staff. The telephones and communication equipment must provide for auditory privacy, not be located in a staff office or station, be accessible and usable by persons with hearing loss and other disabilities, and not require payment for local calls. A nursing home is not required to provide telephones at no cost in each resident room. [2021 c 159 § 9.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**RCW 18.51.580 Disaster preparedness plan.** (1) Each nursing home shall develop and maintain a comprehensive disaster preparedness plan to be followed in the event of a disaster or emergency, including fires, earthquakes, floods, infectious disease outbreaks, loss of power or water, and other events that may require sheltering in place, evacuations, or other emergency measures to protect the health and safety of residents. The nursing home shall review the comprehensive disaster preparedness plan annually, update the plan as needed, and

train all employees when they begin work in the nursing home on the comprehensive disaster preparedness plan and related staff procedures.

(2) The department shall adopt rules governing the comprehensive disaster preparedness plan. At a minimum, the rules must address the following if not already adequately addressed by federal requirements for emergency planning: Timely communication with the residents' emergency contacts; timely communication with state and local agencies, long-term care ombuds, and developmental disabilities ombuds; contacting and requesting emergency assistance; on-duty employees' responsibilities; meeting residents' essential needs; procedures to identify and locate residents; and procedures to provide emergency information to provide for the health and safety of residents. In addition, the rules shall establish standards for maintaining personal protective equipment and infection control capabilities, as well as department inspection procedures with respect to the plans. [2021 c 159 § 11.]

**Findings—2021 c 159:** See note following RCW 18.20.520.

**RCW 18.51.590 Multistate nurse license—Conditions of employment.** (1) Beginning September 1, 2023, and annually thereafter, individuals that hold a multistate nurse license issued by a state other than Washington and are employed by nursing homes licensed under this chapter shall complete any demographic data surveys required by the board of nursing in rule as a condition of employment.

(2) Individuals that hold a multistate nurse license issued by a state other than Washington and are employed by nursing homes licensed under this chapter shall complete the suicide assessment, treatment, and management training required by RCW 43.70.442(5)(a) as a condition of employment.

(3) Nursing homes shall report to the board of nursing, within 30 days of employment, all nurses holding a multistate license issued by a state other than Washington and an attestation that the employees holding a multistate license issued by a state other than Washington have completed the tasks required under this section as a condition of employment.

(4) This section is subject to enforcement by the department. [2023 c 123 § 27.]

**Short title—2023 c 123:** See RCW 18.80.900.

**RCW 18.51.920 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral,

and applicable to individuals in state registered domestic partnerships. [2009 c 521 § 47.]

*Labor regulations, collective bargaining—Health care activities:  
Chapter 49.66 RCW.*

**RCW 18.52.010 Short title—Intent.** This chapter shall be known as the "Nursing Home Administrator Licensing Act" and is intended to establish and provide for the enforcement of standards for the licensing of nursing home administrators. The legislature finds that the quality of patient care in nursing homes is directly related to the competence of the nursing home administrators. It is the intent of this chapter that licensed nursing home administrators continually maintain (1) the suitable character required and (2) the capacity to consider the available resources and personnel of the facility subject to their authority and come to reasonable decisions implementing patient care. [1977 ex.s. c 243 § 1; 1970 ex.s. c 57 § 1.]

**RCW 18.52.020 Definitions.** When used in this chapter, unless the context otherwise clearly requires:

(1) "Board" means the state board of nursing home administrators representative of the professions and institutions concerned with the care of the chronically ill and infirm aged patients.

(2) "Secretary" means the secretary of health or the secretary's designee.

(3) "Nursing home" means any facility or portion thereof licensed under state law as a nursing home.

(4) "Nursing home administrator" means an individual qualified by education, experience, training, and examination to administer a nursing home. A nursing home administrator administering a nursing home must be in active administrative charge as defined by the board. Nothing in this definition or this chapter shall be construed to prevent any person, so long as he or she is otherwise qualified, from obtaining and maintaining a license even though he or she has not administered or does not continue to administer a nursing home. [1992 c 53 § 1; 1991 c 3 § 116; 1979 c 158 § 44; 1970 ex.s. c 57 § 2.]

**RCW 18.52.025 Authority of secretary of health.** In addition to any other authority provided by law, the secretary shall have the following authority:

(1) To set all fees required in this chapter in accordance with RCW 43.70.250 which may include fees for approval of continuing competency, supervision of practical experience, all applications, verification, renewal, examination, and late penalties;

(2) To establish forms necessary to administer this chapter;

(3) To issue a license to any applicant who has met the education, training, and examination requirements for licensure and deny a license to applicants who do not meet the minimum qualifications for licensure, except that proceedings concerning the denial of licenses based on unprofessional conduct or impaired practice shall be governed by the uniform disciplinary act, chapter 18.130 RCW;

(4) To employ clerical, administrative, and investigative staff as needed to implement and administer this chapter and to employ individuals including those licensed under this chapter to serve as examiners or consultants as necessary to implement and administer this chapter; and

(5) To maintain the official department record of all applicants and licensees. [1992 c 53 § 2.]

**RCW 18.52.030 Management and supervision of nursing homes by licensed administrators required.** Nursing homes operating within this state shall be under the active, overall administrative charge and supervision of an on-site full-time administrator licensed as provided in this chapter. No person acting in any capacity, unless the holder of a nursing home administrator's license issued under this chapter, shall be charged with the overall responsibility to make decisions or direct actions involved in managing the internal operation of a nursing home, except as specifically delegated in writing by the administrator to identify a responsible person to act on the administrator's behalf when the administrator is absent. The administrator shall review the decisions upon the administrator's return and amend the decisions if necessary. The board shall define by rule the parameters for on-site full-time administrators in nursing homes with small resident populations, nursing homes in rural areas, nursing homes with small resident populations when the nursing home has converted some of its licensed nursing facility bed capacity for use as assisted living or enhanced assisted living services under chapter 74.39A RCW, or separately licensed facilities collocated on the same campus. [2011 c 366 § 5; 2000 c 93 § 6; 1992 c 53 § 3; 1970 ex.s. c 57 § 3.]

**Findings—Purpose—Conflict with federal requirements—2011 c 366:** See notes following RCW 18.20.020.

**RCW 18.52.040 Board of nursing home administrators—Created—Membership.** (1) The state board of nursing home administrators shall consist of eleven members appointed by the governor. No member who is a nonadministrator representative shall have any direct or family financial interest in nursing homes while serving as a member of the board. The governor shall consult with and seek the recommendations of the appropriate statewide business and professional organizations and societies primarily concerned with long-term health care facilities in the course of considering his or her appointments to the board. [2022 c 240 § 3; 2011 c 336 § 488; 1992 c 53 § 4; 1975 1st ex.s. c 97 § 1; 1970 ex.s. c 57 § 4.]

The board shall meet at least four times each year and may hold additional meetings as called by the secretary or the chair. A majority of the board members appointed and serving constitutes a quorum for the transaction of board business. The affirmative vote of a majority of a quorum of the board is required to carry a motion or resolution, to adopt a rule, or to pass a measure. [2022 c 240 § 4; 1992 c 53 § 5; 1970 ex.s. c 57 § 5.]

**RCW 18.52.061 Board—Authority.** In addition to any authority provided by law, the board shall have the following authority:

(1) To adopt rules in accordance with chapter 34.05 RCW necessary to implement this chapter;

(2) To prepare and administer or approve the preparation and administration of examinations for licensure;

(3) To conduct a hearing on an appeal of a denial of license based on the applicant's failure to meet the minimum qualifications

for licensure. The hearing shall be conducted pursuant to chapter 34.05 RCW;

(4) To establish by rule the procedures for an appeal of an examination failure;

(5) To adopt rules implementing a continuing competency program;

(6) To issue subpoenas, statements of charges, statements of intent to deny licenses, and orders, and to delegate in writing to a designee to issue subpoenas; and

(7) To issue temporary license permits under circumstances defined by the board. [1992 c 53 § 6.]

**RCW 18.52.066 Application of uniform disciplinary act.** The uniform disciplinary act, chapter 18.130 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter. [1987 c 150 § 32.]

**Severability—1987 c 150:** See RCW 18.122.901.

**RCW 18.52.071 Qualifications of licensees.** The department shall issue a license to any person applying for a nursing home administrator's license who meets the following requirements:

(1) Successful completion of the requirements for a baccalaureate degree from a recognized institution of higher learning and any federal requirements;

(2) Successful completion of a practical experience requirement as determined by the board;

(4) At least twenty-one years of age; and

(5) Not having engaged in unprofessional conduct as defined in RCW 18.130.180 or being unable to practice with reasonable skill and safety as defined in RCW 18.130.170. The board shall establish by rule what constitutes adequate proof of meeting the above requirements.

A limited license indicating the limited extent of authority to administer institutions conducted by and for those who rely upon treatment by prayer or spiritual means in accordance with the creed or tenets of any well-recognized church or religious denomination shall be issued to individuals demonstrating membership in such church or denomination. However, nothing in this chapter shall be construed to require an applicant employed by such institution to demonstrate proficiency in any medical techniques or to meet any medical educational qualifications or medical standards not in accord with the remedial care and treatment provided in such institutions. [1996 c 271 § 1; 1992 c 53 § 7.]

**RCW 18.52.110 License renewal.** (1) Every holder of a nursing home administrator's license shall renew that license by fulfilling the continuing competency requirement and by complying with administrative procedures, administrative requirements, and fees as determined according to RCW 43.70.250 and 43.70.280. The board may prescribe rules for maintenance of a license for temporary or

permanent withdrawal or retirement from the active practice of nursing home administration.

(2) A condition of renewal shall be the presentation of proof by the applicant that the board requirement for continuing competency related to the administration of nursing homes has been met. [1996 c 191 § 26; 1992 c 53 § 8; 1991 c 3 § 120; 1984 c 279 § 69; 1975 1st ex.s. c 30 § 54; 1971 ex.s. c 266 § 9; 1970 ex.s. c 57 § 11.]

**Severability—1984 c 279:** See RCW 18.130.901.

**RCW 18.52.130 Recognition of out-of-state licensees.** The secretary may issue a nursing home administrator's license to anyone who holds a current administrator's license from another jurisdiction upon receipt of an application and complying with administrative procedures, administrative requirements, and fees determined according to RCW 43.70.250 and 43.70.280, if the standards for licensing in such other jurisdiction are substantially equivalent to those prevailing in this state, and that the applicant is otherwise qualified as determined by the board. [1996 c 191 § 27; 1992 c 53 § 9; 1991 c 3 § 121; 1985 c 7 § 50; 1975 1st ex.s. c 30 § 55; 1970 ex.s. c 57 § 13.]

**RCW 18.52.140 Penalty for unlicensed acts.** It shall be unlawful and constitute a gross misdemeanor for any person to act or serve in the capacity of a nursing home administrator unless he or she is the holder of a nursing home administrator's license issued in accordance with the provisions of this chapter: PROVIDED HOWEVER, That persons carrying out functions and duties delegated by a licensed administrator as defined in RCW 18.52.030 shall not be construed to be committing any unlawful act under this chapter. [1992 c 53 § 10; 1970 ex.s. c 57 § 14.]

**RCW 18.52.160 Examinations—Times and places—Meetings of board.** The board shall meet as often as may be necessary to carry out the duties of the board under this chapter. Examinations shall be administered at intervals not less than semiannually and at such times and places as may be determined by the board. *Violation of Uniform Controlled Substances Act—Suspension of license: RCW 69.50.413.*

**RCW 18.53.145 Unlawful advertising of indemnity benefits.** It shall be unlawful for any licensee subject to the provisions of

None of the said governmental agencies, or agents, officials or employees thereof, including the public schools, in the performance of their duties shall in any way show discrimination among licensed ocular practitioners. [1949 c 149 § 1; Rem. Supp. 1949 § 9991a.]

**RCW 18.53.165 Discrimination prohibited—Legislative finding and declaration.** The legislature finds and declares that the costs of health care to the people are rising disproportionately to other costs and that there is a paramount concern that the right of the people to obtain access to health care in all its facets is being impaired thereby. For this reason, the reliance on the mechanism of insurance, whether profit or nonprofit, is the only effective manner in which the large majority of the people can attain access to quality health care, and it is therefore declared to be in the public interest that health care insurance be regulated to assure that all the people have access to health care rendered by whatever means, and to the greatest extent possible. RCW 18.53.165 through 18.53.190 and 18.53.901, prohibiting discrimination against the legally recognized and licensed profession of optometrists, is necessary in the interest of the public health, welfare and safety. [1973 c 48 § 3.]

**RCW 18.53.180 Discrimination prohibited—Agreements or contracts by state and subdivisions.** Notwithstanding any other provision of law, the state and its political subdivisions, and all officials, agents, employees, or representatives thereof, are prohibited from entering into any agreement or contract with any individual, group, association, or corporation which in any way, directly or indirectly, discriminates against licensed optometrists in performing and receiving compensation for services covered by their licenses. [1973 c 48 § 4.]

**RCW 18.53.185 Discrimination prohibited—Costs immaterial.** Notwithstanding any other provision of law, for the purpose of RCW 18.53.165 through 18.53.180 and 18.53.190 it is immaterial whether the cost of any policy, plan, agreement, or contract be deemed additional compensation for services, or otherwise. [1973 c 48 § 5.]

**RCW 18.53.190 Discrimination prohibited—Application of law.** RCW 18.53.165 through 18.53.185 shall apply to all agreements, renewals, or contracts issued on or after June 7, 1973. Health care service contracts having a participant agreement with a majority of the licensed optometrists within its service area may provide benefits to persons or groups of persons through contracts which allow a subscriber to utilize on an equal participation basis the services of any participant provided in the contract, and such contracts shall not be discriminatory. [1975 1st ex.s. c 69 § 8; 1973 c 48 § 6.]

**RCW 18.53.200 Privileged communications.** The information and records of a licensed optometrist pertaining to a patient shall be privileged communications, the same as now or hereafter may exist in the relationship of physician and patient and shall not be released or subjected to disclosure without the consent of the patient or as otherwise required by law. **RCW 18.53.210 Inactive license status.** The optometry board may adopt rules under this section authorizing an inactive license status.

- (1) An individual licensed under this chapter may place his or her license on inactive status. The holder of an inactive license must not practice optometry in this state without first activating the license.
- (2) The inactive renewal fee must be established by the secretary under RCW 43.70.250. Failure to renew an inactive license shall result

in cancellation of the inactive license in the same manner as an active license.

(3) An inactive license may be placed in an active status upon compliance with rules established by the optometry board.

(4) Provisions relating to disciplinary action against a person with a license are applicable to a person with an inactive license, except that when disciplinary proceedings against a person with an inactive license have been initiated, the license will remain inactive until the proceedings have been completed. [2006 c 232 § 2.]

**RCW 18.53.900 Short title—1919 c 144.** This act shall be known, and may be referred to as, "The Optometry Law". [1919 c 144 § 20.]

(6) "Modified stock-eye" means a stock-eye that has been altered in some manner by the ocularist or service provider selling or fitting, or both, said prosthesis to a patient or customer. "Altered" is as defined in subsection (5) of this section. A modified stock-eye cannot be defined as either a "custom" or "impression-fitted" eye or prosthesis by adding material that incorporates an impression-surface of the patient or customer socket or implant surfaces.

(7) "Custom-eye" means an original, newly manufactured eye or prosthesis that has been specifically crafted by an ocularist or authorized service provider for the patient or customer to whom it is sold or provided. The "custom-eye" may be either an impression-fitted eye (an impression of the socket or implant surfaces) or an empirical/wax pattern-fitted method eye, or a combination of either, as delineated in the ocularist examination. **Chapter 18.56 RCW**  
**CORRECTIVE LENS PRESCRIPTIONS—REMOTE TECHNOLOGY**

**Sections**

- 18.56.010 Intent.
- 18.56.020 Definitions.
- 18.56.030 Use of remote technology for corrective lens prescriptions.
- 18.56.040 Remote technology standards for use.
- 18.56.050 Rule making.

**RCW 18.56.010 Intent.** (1) The legislature recognizes the importance of allowing licensed practitioners to use their professional judgment, based on their education, training, and expertise, to determine the appropriate use of current and future technologies to enhance patient care. Guidelines for providing health care services through remote technology have been addressed by the medical community, and the legislature intends to complement and clarify those guidelines with respect to using remote technology to provide prescriptions for corrective lenses.

(2) The legislature also recognizes that health care consumers, including eye health care consumers, can benefit from developments in technology that offer advantages such as increased convenience or increased speed in delivery of services. However, the legislature recognizes that health care consumers can be misled or harmed by the use of developments in technology that are not properly supervised by qualified providers.

(3) The legislature recognizes that the use of technology that permits a consumer to submit data to an entity for the purposes of obtaining a prescription for corrective lenses, including contact lenses, may fail to detect serious eye health issues resulting in permanent vision loss if the patient is not also receiving comprehensive eye care according to standard of care.

(4) Therefore, the legislature concludes that consumers should be protected from improper or unsupervised use of technology for purposes of obtaining a prescription for corrective lenses, without unduly restricting the development and implementation of technology and without unduly restricting licensed practitioners from using such technology where appropriate. [2020 c 241 § 2.]

**Short title—2020 c 241:** "This act may be known and cited as the consumer protection in eye care act." [2020 c 241 § 1.]

**RCW 18.56.020 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Contact lens" means any lens placed directly on the surface of the eye, regardless of whether or not it is intended to correct a visual defect. Contact lens includes, but is not limited to, cosmetic, therapeutic, and corrective lenses that are a federally regulated medical device.

(2) "Corrective lenses" means any lenses, including lenses in spectacles and contact lenses, that are manufactured in accordance with the specific terms of a valid prescription for an individual

patient for the purpose of correcting the patient's refractive or binocular error.

(3) "Department" means the department of health.

(4) "Diagnostic information and data" mean any and all information and data, including but not limited to photographs and scans, generated by or through the use of any remote technology.

(5) "Patient-practitioner relationship" means the relationship between a provider of medical services, the practitioner, and a receiver of medical services, the patient, based on mutual understanding of their shared responsibility for the patient's health care.

(6) "Prescription" means the written or electronic directive from a qualified provider for corrective lenses and consists of the refractive power as well as contact lens parameters in the case of contact lens prescriptions.

(7) "Qualified provider" means a physician licensed under chapter 18.71 RCW or an osteopathic physician licensed under chapter 18.57 RCW practicing ophthalmology, or a person licensed under chapter 18.53 RCW to practice optometry.

(8) "Remote qualified provider" means any qualified provider who is not physically present at the time of the examination.

(9) "Remote technology" means any automated equipment or testing device and any application designed to be used on or with a phone, computer, or internet-based device that is used without the physical presence and participation of a qualified provider that generates data for purposes of determining an individual's refractive error. Remote technology does not include the use of telemedicine as defined in RCW 48.43.735 for purposes other than determining an individual's refractive error.

(10) "Spectacles" means any device worn by an individual that has one or more lenses through which the wearer looks. Spectacles are commonly known and referred to as glasses, and may include cosmetic or corrective lenses.

(11) "Standard of care" means those standards developed and defined by the American academy of ophthalmology preferred practice pattern "Comprehensive Adult Medical Eye Evaluation" (Appendix 1), as the preferred practice pattern existed on June 11, 2020.

(12) "Standard of care for contact lenses" means the frequency of eye examinations as recommended for contact lens wearers in the American academy of ophthalmology publication "Refractive Errors & Refractive Surgery Preferred Practice Pattern" (Appendix 2), as the preferred practice pattern existed on June 11, 2020. [2020 c 241 § 3.]

**Short title—2020 c 241:** See note following RCW 18.56.010.

**RCW 18.56.030 Use of remote technology for corrective lens prescriptions.** A qualified provider may prepare a prescription for corrective lenses intended to correct an individual's refractive error by remote technology if:

(1) The prescribing qualified provider is held to the same standard of care applicable to qualified providers providing corrective lens prescriptions in traditional in-person clinical settings;

(2) A patient-practitioner relationship is clearly established by the qualified provider agreeing to provide a corrective lens prescription, whether or not there was an in-person encounter between the parties. The parameters of the patient-practitioner relationship for the use of remote technology must mirror those that would be expected for similar in-person encounters to provide corrective lens prescriptions;

(3) The remote technology is only offered to patients who meet appropriate screening criteria. A review of the patient's medical and ocular history that meets standard of care is required to determine who may or may not be safely treated with refraction without a concurrent comprehensive eye exam. Patients must also be informed that a refraction alone, whether utilizing remote technology or in person, does not substitute for a comprehensive eye exam;

(4) Continuity of care is maintained. Continuity of care requires but is not limited to:

(a) A qualified provider addressing an adverse event that occurs as a result of the prescription written by the qualified provider by:

(i) Being available to address the patient's vision or medical condition directly, either in-person or remotely, if it is possible to address the adverse event remotely;

(ii) Having an agreement with another qualified provider or licensed medical provider who is available to address the patient's vision or medical condition, either in-person or remotely; or

(iii) Referring the patient to a qualified provider or licensed medical provider who is capable of addressing the patient's condition;

(b) Retaining patient exam documentation for a minimum of ten years and retaining communication between the remote qualified provider who evaluated the patient and prescribed corrective lenses and any applicable providers as they normally would in an in-person setting; and

(5) When prescribing for contact lenses, the examination of the eyes is performed in accordance with the standard of care and standard of care for contact lenses. The components of the eye examination, if done remotely, must be to the same evaluation and standard of care the qualified provider would typically do in an in-person setting for the same condition. If the eye examination is performed by someone other than the prescribing qualified provider, the prescribing qualified provider must obtain written, faxed, or electronically communicated affirmative verification of the results of that eye examination from the provider who performed the examination. The absence of receipt of affirmative verification within any specified time period cannot be used as presumed affirmative verification. [2020 c 241 § 4.]

**Short title—2020 c 241:** See note following RCW 18.56.010.

**RCW 18.56.040 Remote technology standards for use.** It is unlawful for any person to offer or otherwise make available to consumers in this state remote technology under this chapter without fully complying with the following:

(1) The remote technology must be approved by the United States food and drug administration when applicable;

(2) The remote technology must be designed and operated in a manner that provides any accommodation required by the Americans with

disabilities act of 1990, 42 U.S.C. Sec. 12101 et seq. when applicable;

(3) The remote technology, when used for the collection and transmission of diagnostic information and data, must gather and transmit any protected health information in compliance with the federal health insurance portability and accountability act of 1996 and related regulations;

(4) The remote technology, when used for the collection and transmission of diagnostic information and data, may only transmit the diagnostic information and data to a qualified provider, their staff, contracted support staff, or another licensed health care provider for the purposes of collaboration in providing care to the patient. When diagnostic information and data are collected and transmitted through remote technology, that information must be read and interpreted by a qualified provider in order to release a corrective lens prescription to the patient or other entity. Contracted support staff must comply with all requirements of this chapter. Contract support staff and the supervising provider retain personal and professional responsibility for any violation of this chapter by the contracted support staff; and

(5) The owner, lessee, or operator of the remote technology must maintain liability insurance in an amount reasonably sufficient to cover claims which may be made by individuals diagnosed or treated based on information and data by the automated equipment, including but not limited to photographs and scans. [2020 c 241 § 5.]

**Short title—2020 c 241:** See note following RCW 18.56.010.

**RCW 18.56.050 Rule making.** The department shall adopt any rules necessary to implement this chapter. [2020 c 241 § 7.]

**RCW 18.57.020 Licenses—Application requirements.** A license shall be issued by the secretary authorizing the holder to practice osteopathic medicine and surgery. In order to procure a license to practice osteopathic medicine and surgery, the applicant must provide the board evidence that a diploma has been issued to the applicant by an accredited school of osteopathic medicine and surgery, approved by the board. for the purposes of this compact, a licensee shall have only one home state license.

(5) Nothing in this compact shall affect the requirements established by a member state for the issuance of a single-state license.

## **ARTICLE 6 ACTIVE DUTY MILITARY PERSONNEL OR THEIR SPOUSES**

Active duty military personnel, or their spouses, shall designate a home state where the individual has a current license in good standing. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located.

(3) For purposes of taking adverse action, the home state shall give the same priority and effect to reported conduct received from a member state as it would if the conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action.

(4) The home state shall complete any pending investigations of an occupational therapist or occupational therapy assistant who changes primary state of residence during the course of the investigations. The home state, where the investigations were initiated, shall also have the authority to take appropriate action or actions and shall promptly report the conclusions of the investigations to the occupational therapy compact commission data system. The occupational therapy compact commission data system administrator shall promptly notify the new home state of any adverse actions.

(5) A member state, if otherwise permitted by state law, may recover from the affected occupational therapist or occupational

therapy assistant the costs of investigations and disposition of cases resulting from any adverse action taken against that occupational therapist or occupational therapy assistant.

(6) A member state may take adverse action based on the factual findings of the remote state, provided that the member state follows its own procedures for taking the adverse action.

(7) Joint investigations.

(a) In addition to the authority granted to a member state by its respective state occupational therapy laws and regulations or other applicable state law, any member state may participate with other member states in joint investigations of licensees.

(b) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under this compact.

(8) If an adverse action is taken by the home state against an occupational therapist's or occupational therapy assistant's license, the occupational therapist's or occupational therapy assistant's compact privilege in all other member states shall be deactivated until all encumbrances have been removed from the state license. All home state disciplinary orders that impose adverse action against an occupational therapist's or occupational therapy assistant's license shall include a statement that the occupational therapist's or occupational therapy assistant's compact privilege is deactivated in all member states during the pendency of the order.

(9) If a member state takes adverse action, it shall promptly notify the administrator of the data system. The administrator of the data system shall promptly notify the home state of any adverse actions by remote states.

(10) Nothing in this compact shall override a member state's decision that participation in an alternative program may be used in lieu of adverse action.

## **ARTICLE 10 RULE MAKING**

(1) The commission shall exercise its rule-making powers pursuant to the criteria set forth in this Article and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

(2) The commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding the foregoing, in the event the commission exercises its rule-making authority in a manner that is beyond the scope of the purposes of this compact, or the powers granted hereunder, then such an action by the commission shall be invalid and have no force and effect.

(3) If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt this compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(4) Rules or amendments to the rules shall be adopted at a regular or special meeting of the commission.

(5) Prior to promulgation and adoption of a final rule or rules by the commission, and at least 30 days in advance of the meeting at which the rule will be considered and voted upon, the commission shall file a notice of proposed rule making:

(a) On the website of the commission or other publicly accessible platform; and

(b) On the website of each member state occupational therapy licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

(6) The notice of proposed rule making shall include:

(a) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(b) The text of the proposed rule or amendment and the reason for the proposed rule;

(c) A request for comments on the proposed rule from any interested person; and

(d) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(8) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(a) At least 25 persons;

(b) A state or federal governmental subdivision or agency; or

(c) An association or organization having at least 25 members.

(9) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the

commission shall publish the mechanism for access to the electronic hearing.

(a) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) All hearings will be recorded. A copy of the recording will be made available on request.

(d) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this Article.

(10) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(12) The commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(13) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in this compact and in this Article shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this subsection, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(d) Protect public health and safety.

(14) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

## **ARTICLE 11 OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT**

(1) Oversight.

(a) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take

all actions necessary and appropriate to effectuate this compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(b) All courts shall take judicial notice of this compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination.

(a) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(i) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to cure the default, the defaulting state may be terminated from this compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in this compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(d) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(e) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from this compact, unless agreed upon in writing between the commission and the defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) Dispute resolution.

(a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(4) Enforcement.

(a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of this compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(c) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

## **ARTICLE 12**

### **DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR OCCUPATIONAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT**

(1) The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of. Thereafter, the commission shall meet and exercise rule-making powers necessary to the implementation and administration of this compact.

(2) Any state that joins this compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which this compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day this compact becomes law in that state.

(3) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's occupational therapy licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(4) Nothing contained in this compact shall be construed to invalidate or prevent any occupational therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

## **ARTICLE 13**

### **CONSTRUCTION AND SEVERABILITY**

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected

thereby. If this compact shall be held contrary to the constitution of any member state, this compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

**ARTICLE 14**

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**Severability—1971 ex.s. c 201:** "If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected." [1971 ex.s. c 201 § 9.]

**RCW 18.64.043 Pharmacy license—Fee—Display—Declaration of ownership and location—Penalties.** (1) The owner of each pharmacy shall pay an original license fee to be determined by the secretary, and annually thereafter, on or before a date to be determined by the secretary, a fee to be determined by the secretary, for which he or she shall receive a license of location, which shall entitle the owner to operate such pharmacy at the location specified, or such other temporary location as the secretary may approve, for the period ending on a date to be determined by the secretary as provided in RCW 43.70.250 and 43.70.280, and each such owner shall at the time of filing proof of payment of such fee as provided in RCW 18.64.045 as now or hereafter amended, file with the commission on a blank therefor provided, a declaration of ownership and location, which declaration of ownership and location so filed as aforesaid shall be deemed presumptive evidence of ownership of the pharmacy mentioned therein.

(2) (a) For a hospital licensed under chapter 70.41 RCW, the license of location provided under this section may include any individual practitioner's office or multipractitioner clinic owned, operated, or under common control with a hospital, and identified by the hospital on the pharmacy application or renewal. The definition of "hospital" under RCW 70.41.020 to exclude "clinics, or physician's offices where patients are not regularly kept as bed patients for twenty-four hours or more," does not limit the ability of a hospital to include individual practitioner's offices or multipractitioner clinics owned, operated, or under common control with a hospital on the pharmacy application or renewal or otherwise prevent the implementation of chapter 118, Laws of 2016. A hospital that elects to include one or more offices or clinics under this subsection on its hospital pharmacy application shall describe the type of services relevant to the practice of pharmacy provided at each such office or clinic as requested by the commission. Any updates to the application, renewal, or related forms that are necessary to accomplish the provision of this licensure option must be made no later than ninety days after June 9, 2016. Nothing in this section limits the ability of a hospital to transfer drugs to another location consistent with federal laws and RCW 70.41.490, regardless of whether or not an election has been made with respect to adding the receiving location to the hospital's pharmacy license under this section.

(b) This chapter must be interpreted in a manner that supports regulatory, inspection, and investigation standards that are reasonable and appropriate based on the level of risk and the type of services provided in a pharmacy, including pharmacy services provided

in a hospital and pharmacy services provided in an individual practitioner office or multipractitioner clinic owned, operated, or under common control with a hospital regardless of the office or clinic's physical address. The commission shall provide clear and specific information regarding the standards to which particular pharmacy services will be held, as appropriate, based on the type of pharmacy service provided at a particular location.

(c) The secretary may adopt rules to establish an additional reasonable fee for any such office or clinic.

(3) It shall be the duty of the owner to immediately notify the commission of any change of location, ownership, or licensure and to keep the license of location or the renewal thereof properly exhibited in said pharmacy.

(4) Failure to comply with this section shall be deemed a misdemeanor, and each day that said failure continues shall be deemed a separate offense.

(5) In the event such license fee remains unpaid on the date due, no renewal or new license shall be issued except upon compliance with administrative procedures, administrative requirements, and fees determined as provided in RCW 43.70.250 and 43.70.280.

(6) If the commission determines that rules are necessary for the immediate implementation of the inspection standards described in this section, it must adopt rules under the emergency rule-making process in RCW 34.05.350, with such emergency rules effective not later than ninety days after June 9, 2016. The commission shall then begin the process to adopt any necessary permanent rules in accordance with chapter 34.05 RCW. The commission shall ensure that during the transition to the permanent rules adopted under this section, an emergency rule remains in effect without a break between the original emergency rule and any subsequent emergency rules that may be necessary. The commission shall ensure that during the transition to permanent rules there is no interruption in provision of the licensure option described under this section. [2016 c 118 § 2; 2015 c 234 § 4; 1996 c 191 § 43; 1991 c 229 § 3; 1989 1st ex.s. c 9 § 414; 1984 c 153 § 4; 1979 c 90 § 8; 1971 ex.s. c 201 § 2; 1963 c 38 § 3; 1949 c 153 § 4; 1935 c 98 § 8; 1909 c 213 § 12; Rem. Supp. 1949 § 10145. Formerly RCW 18.67.020.]

**Intent—2016 c 118:** "The intent of this legislation is to make clear the legislature's directive to the commission to allow hospital pharmacy licenses to include individual practitioner offices and multipractitioner clinics owned, operated, or under common control with a hospital and that such offices and clinics are regulated, inspected, and investigated according to the level of service provided. While legislation providing for such a system was enacted in 2015, it has yet to be implemented. The legislature wishes to specify a clear timeline for implementation." [2016 c 118 § 1.]

**RCW 18.64.044 Shopkeeper's registration—Penalty—Ephedrine/pseudoephedrine/phenylpropanolamine.** (1) A shopkeeper registered as

provided in this section may sell nonprescription drugs, if such drugs are sold in the original package of the manufacturer.

(2) Every shopkeeper not a licensed pharmacist, desiring to secure the benefits and privileges of this section, is required to register as a shopkeeper through the business licensing system established under chapter 19.02 RCW, and he or she must pay the fee determined by the secretary for registration, and on a date to be determined by the secretary thereafter the fee determined by the secretary for renewal of the registration; and must at all times keep said registration or the current renewal thereof conspicuously exposed in the location to which it applies. In event such shopkeeper's registration is not renewed by the business license expiration date, no renewal or new registration may be issued except upon payment of the registration renewal fee and the business license delinquency fee under chapter 19.02 RCW. This registration fee does not authorize the sale of legend drugs or controlled substances.

(3) The registration fees determined by the secretary under subsection (2) of this section may not exceed the cost of registering the shopkeeper.

(4) Any shopkeeper who vends or sells, or offers to sell to the public any such nonprescription drug or preparation without having registered to do so as provided in this section, is guilty of a misdemeanor and each sale or offer to sell constitutes a separate offense.

(5) A shopkeeper who is not a licensed pharmacy may purchase products containing any detectable quantity of ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, only from a wholesaler licensed by the department under RCW 18.64.046 or from a manufacturer licensed by the department under RCW 18.64.045. The commission must issue a warning to a shopkeeper who violates this subsection, and may suspend or revoke the registration of the shopkeeper for a subsequent violation.

(6) A shopkeeper who has purchased products containing any detectable quantity of ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, in a suspicious transaction as defined in RCW 69.43.035, is subject to the following requirements:

(a) The shopkeeper may not sell any quantity of ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, if the total monthly sales of these products exceed ten percent of the shopkeeper's total prior monthly sales of nonprescription drugs in March through October. In November through February, the shopkeeper may not sell any quantity of ephedrine, pseudoephedrine, or phenylpropanolamine, or their salts, isomers, or salts of isomers, if the total monthly sales of these products exceed twenty percent of the shopkeeper's total prior monthly sales of nonprescription drugs. For purposes of this section, "monthly sales" means total dollars paid by buyers. The commission may suspend or revoke the registration of a shopkeeper who violates this subsection.

(b) The shopkeeper must maintain inventory records of the receipt and disposition of nonprescription drugs, utilizing existing inventory controls if an auditor or investigator can determine compliance with (a) of this subsection, and otherwise in the form and manner required by the commission. The records must be available for inspection by the commission or any law enforcement agency and must be maintained for two years. The commission may suspend or revoke the registration of a shopkeeper who violates this subsection. For purposes of this

subsection, "disposition" means the return of product to the wholesaler or distributor. [2013 c 144 § 14; 2013 c 19 § 8; 2005 c 388 § 5; 2004 c 52 § 2. Prior: 1989 1st ex.s. c 9 § 401; 1989 c 352 § 1; 1984 c 153 § 5; 1982 c 182 § 30; 1979 c 90 § 17.]

**Reviser's note:** This section was amended by 2013 c 19 § 8 and by 2013 c 144 § 14, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

**Finding—Effective dates—Severability—2005 c 388:** See notes following RCW 69.43.105.

**Finding—2004 c 52:** "The legislature finds that quantities of ephedrine, pseudoephedrine, and phenylpropanolamine continue to be sold at the wholesale and retail levels far in excess of legitimate consumer needs. The excess quantities being sold are most likely used in the criminal manufacture of methamphetamine. It is therefore necessary for the legislature to further regulate the sales of these drugs, including sales from out-of-state sources, in order to reduce the threat that methamphetamine presents to the people of the state." [2004 c 52 § 1.]

**Severability—2004 c 52:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2004 c 52 § 8.]

(b) The itinerant vendor shall maintain inventory records of the receipt and disposition of nonprescription drugs, utilizing existing inventory controls if an auditor or investigator can determine compliance with (a) of this subsection, and otherwise in the form and manner required by the commission. The records must be available for inspection by the commission or any law enforcement agency and must be maintained for two years. The commission may suspend or revoke the registration of an itinerant vendor who violates this subsection. For purposes of this subsection, "disposition" means the return of product to the wholesaler or distributor. (b) Implied warranty provisions under the uniform commercial code Title 62A RCW.

(2) The limitation on pharmacist's liability as provided in subsection (1) of this section shall only apply if the pharmacist complies with recordkeeping requirements pursuant to chapters 18.64, 69.41, and 69.50 RCW, and related administrative rules.

(3) A pharmacist who dispenses a prescription product in the form manufactured by a commercial manufacturer issued by a licensed practitioner is liable to the claimant only if the claimant's harm was proximately caused by (a) the negligence of the pharmacist; (b) breach of an express warranty made by the pharmacist; or (c) the intentional misrepresentation of facts about the product by the pharmacist or the intentional concealment of information about the product by the pharmacist. **RCW 18.64.310 Department of health—Powers and duties.** The department shall:

(1) Establish reasonable license and examination fees and fees for services to other agencies in accordance with RCW 43.70.250 and 43.70.280. In cases where there are unanticipated demands for services, the department may request payment for services directly from the agencies for whom the services are performed, to the extent that revenues or other funds are available. The payment may be made on either an advance or a reimbursable basis as approved by the director of financial management;

**RCW 18.64.350 Nonresident pharmacies—Findings.** (1) The legislature finds and declares that the practice of pharmacy is a dynamic, patient-oriented health service that applies a scientific body of knowledge to improve and promote patient health by means of appropriate drug use and drug-related therapy.

(2) The legislature recognizes that with the proliferation of alternate methods of health delivery, there has arisen among third-party payors and insurance companies the desire to control the cost and utilization of pharmacy services through a variety of mechanisms, including the use of mail order pharmacies located outside the state of Washington.

(3) As a result, the legislature finds and declares that to continue to protect the Washington consumer-patient, all out-of-state pharmacies, including those located in Canada, that provide services to Washington residents shall be licensed by the department of health, disclose specific information about their services, and provide pharmacy services at a high level of protection and competence. [2005 c 275 § 2; 1991 c 87 § 1.]

**Finding—Intent—2005 c 275:** "The legislature finds that as consumers' prescription drug costs continue to rise, people across the state of Washington are exercising the option to purchase prescription drugs from Canada for their personal use. The state has a strong interest in the safety of drugs purchased through this mechanism. To address this interest, the legislature intends to authorize the \*state board of pharmacy to regulate nonresident Canadian pharmacies." [2005 c 275 § 1.]

**\*Reviser's note:** Chapter 19, Laws of 2013 changed "state board of pharmacy" to "pharmacy quality assurance commission."

**Effective date—1991 c 87:** "This act shall take effect October 1, 1991." [1991 c 87 § 15.]

**RCW 18.64.360 Nonresident pharmacies—Definition—Requirements—Exemption—Reciprocity with Canadian pharmacies.** (1) For the purposes of this chapter any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an individual, controlled substances, legend drugs, or devices into this state is a nonresident pharmacy, and shall be licensed by the department of health, and shall disclose to the department the following:

(a) The location, names, and titles of all owners including corporate officers and all pharmacists employed by the pharmacy who are dispensing controlled substances, legend drugs, or devices to residents of this state. A report containing this information shall be made on an annual basis and within ninety days after a change of location, corporate officer, or pharmacist;

(b) Proof of compliance with all lawful directions and requests for information from the regulatory or licensing agency of the state or Canadian province in which it is licensed as well as with all requests for information made by the department of health under this

section. The nonresident pharmacy shall maintain, at all times, a valid unexpired license, permit, or registration to operate the pharmacy in compliance with the laws of the state or Canadian province in which it is located. As a prerequisite for initial licensure and renewal of a license by the department of health, the nonresident pharmacy must submit a copy of an inspection report:

(i) Conducted by an inspection program approved by the commission as having substantially equivalent standards to those of the commission; and

(ii) Issued within two years of application or renewal of a license; and

(c) Proof that it maintains its records of controlled substances, legend drugs, or devices dispensed to patients in this state so that the records are readily retrievable from the records of other drugs dispensed.

(2) Any pharmacy subject to this section shall, during its regular hours of operation, provide a toll-free telephone service to facilitate communication between patients in this state and a pharmacist at the pharmacy who has access to the patient's records. This toll-free number shall be disclosed on the label affixed to each container of drugs dispensed to patients in this state.

(3) A pharmacy subject to this section shall comply with commission rules regarding the maintenance and use of patient medication record systems.

(4) A pharmacy subject to this section shall comply with commission rules regarding the provision of drug information to the patient. Drug information may be contained in written form setting forth directions for use and any additional information necessary to assure the proper utilization of the medication prescribed. A label bearing the expiration date of the prescription must be affixed to each box, bottle, jar, tube, or other container of a prescription that is dispensed in this state by a pharmacy subject to this section.

(5) A pharmacy subject to this section shall not dispense medication in a quantity greater than authorized by the prescriber.

(6) The license fee specified by the secretary, in accordance with the provisions of RCW 43.70.250, shall not exceed the fee charged to a pharmacy located in this state.

(7) The license requirements of this section apply to nonresident pharmacies that ship, mail, or deliver controlled substances, legend drugs, and devices into this state only under a prescription. The commission may grant an exemption from licensing under this section upon application by an out-of-state pharmacy that restricts its dispensing activity in Washington to isolated transactions.

(8) Each nonresident pharmacy that ships, mails, or delivers legend drugs or devices into this state shall designate a resident agent in Washington for service of process. The designation of such an agent does not indicate that the nonresident pharmacy is a resident of Washington for tax purposes.

(9) The commission shall attempt to develop a reciprocal licensing agreement for licensure of nonresident pharmacies with Health Canada or an applicable Canadian province. If the commission is unable to develop such an agreement, the commission shall develop a process to license participating Canadian nonresident pharmacies through on-site inspection and certification. [2019 c 25 § 1; 2013 c 19 § 22; 2005 c 275 § 3; 1996 c 109 § 1; 1991 c 87 § 2.]

**Finding—Intent—2005 c 275:** See note following RCW 18.64.350.

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.370 Nonresident pharmacies—License required—Application—Renewal.** (1) A nonresident pharmacy that has not obtained a license from the department of health shall not conduct the business of selling or distributing drugs in this state.

(2) Applications for a nonresident pharmacy license under RCW 18.64.350 through 18.64.400 shall be made on a form furnished by the department. The department may require such information as it deems is reasonably necessary to carry out the purpose of RCW 18.64.350 through 18.64.400.

(3) The nonresident pharmacy license shall be renewed annually on a date to be established by the department by rule. In the event the license fee remains unpaid, no renewal or new license shall be issued except upon payment of the license renewal fee and a penalty fee equal to the original license fee. [1991 c 87 § 3.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.380 Nonresident pharmacies—Information required—Inspection.** A nonresident pharmacy shall:

(1) Submit to the department, upon request, information acceptable to the secretary concerning controlled substances shipped, mailed, or delivered to a Washington resident.

(2) Submit to on-site inspection by the department of the nonresident pharmacy's prescription records if the information in subsection (1) of this section is not provided to the department upon request. [1991 c 87 § 4.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.390 Nonresident pharmacies—Violations—Penalties.** (1) The commission may deny, revoke, or suspend a nonresident pharmacy license or impose a fine not to exceed one thousand dollars per violation for failure to comply with any requirement of RCW 18.64.350 through 18.64.400.

(2) The commission may deny, revoke, or suspend a nonresident pharmacy license or impose a fine not to exceed one thousand dollars per violation for conduct that causes serious bodily or psychological injury to a resident of this state if the secretary has referred the matter to the regulatory or licensing agency in the state in which the pharmacy is located and that regulatory or licensing agency fails to initiate an investigation within forty-five days of the referral under this subsection or fails to make a determination on the referral. [2013 c 19 § 23; 1991 c 87 § 5.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.400 Nonresident pharmacies—Definition—Advertising.** For the purposes of this chapter, a nonresident pharmacy is defined as

any pharmacy located outside this state that ships, mails, or delivers, in any manner, except when delivered in person to an individual, controlled substances, legend drugs, or devices into this state. It is unlawful for:

(1) Any nonresident pharmacy that is not licensed under RCW 18.64.350 through 18.64.400 to advertise its service in this state; or

(2) Any resident of this state to advertise the pharmaceutical services of a nonresident pharmacy with the knowledge that the nonresident pharmacy is not licensed by the department and that the advertisement will or is likely to induce persons within this state to use the nonresident pharmacy to fill prescriptions. [1991 c 87 § 6.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.410 Nonresident pharmacies—Rules.** The commission may adopt rules to implement the provisions of RCW 18.64.350 through 18.64.400 and 18.64.420. [2013 c 19 § 24; 1991 c 87 § 11.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.420 Nonresident pharmacies—Information confidential—Exceptions.** All records, reports, and information obtained by the department from or on behalf of an entity licensed under chapter 48.20, 48.21, 48.44, or 48.46 RCW shall be confidential and exempt from inspection and copying under chapter 42.56 RCW. Nothing in this section restricts the investigation or the proceedings of the commission or the department so long as the commission and the department comply with the provisions of chapter 42.56 RCW. Nothing in this section or in chapter 42.56 RCW shall restrict the commission or the department from complying with any mandatory reporting requirements that exist or may exist under federal law, nor shall the commission or the department be restricted from providing to any person the name of any nonresident pharmacy that is or has been licensed or disciplined under RCW 18.64.350 through 18.64.400. [2013 c 19 § 25; 2005 c 274 § 226; 1991 c 87 § 12.]

**Effective date—1991 c 87:** See note following RCW 18.64.350.

**RCW 18.64.430 Cost disclosure to health care providers.** The registered or licensed pharmacist under this chapter shall establish and maintain a procedure for disclosing to physicians and other health care providers with prescriptive authority information detailed by prescriber, of the cost and dispensation of all prescriptive medications prescribed by him or her for his or her patients on request. These charges should be made available on at least a quarterly basis for all requested patients and should include medication, dosage, number dispensed, and the cost of the prescription. Pharmacies may provide this information in a summary form for each prescribing physician for all patients rather than as individually itemized reports. All efforts should be made to utilize the existing computerized records and software to provide this information in the least costly format. [2000 c 171 § 22; 1993 c 492 § 267.]

**Cost containment—1993 c 492:** "The legislature finds that the spiraling costs of health care continue to surmount efforts to contain them, increasing at approximately twice the inflationary rate. One of the fastest growing segments of the health care expenditure involves prescription medications. By making physicians and other health care providers with prescriptive authority more aware of the cost consequences of health care treatments for consumers, these providers may be inclined to exercise more restraint in providing only the most relevant and cost-beneficial drug and medication treatments. The requirement of the pharmacy to inform physicians and other health care providers of the charges of prescription drugs and medications that they order may have a positive effect on containing health costs. Further, the option of the physician or other health care provider to inform the patient of these charges may strengthen the necessary dialogue in the provider-patient relationship that tends to be diminished by intervening third-party payers." [1993 c 492 § 266.]

**Findings—Intent—1993 c 492:** See notes following RCW 43.20.050.

**Short title—Savings—Reservation of legislative power—Effective dates—1993 c 492:** See RCW 43.72.910 through 43.72.915.

**RCW 18.64.450 Health care entity—License requirements for legend drugs and controlled substances—Exception.** (1) In order for a health care entity to purchase, administer, dispense, and deliver legend drugs, the health care entity must be licensed by the department.

(2) In order for a health care entity to purchase, administer, dispense, and deliver controlled substances, the health care entity must annually obtain a license from the department in accordance with the commission's rules.

(3) The receipt, administration, dispensing, and delivery of legend drugs or controlled substances by a health care entity must be performed under the supervision or at the direction of a pharmacist.

(4) A health care entity may only administer, dispense, or deliver legend drugs and controlled substances to patients who receive care within the health care entity and in compliance with rules of the commission. Nothing in this subsection shall prohibit a practitioner, in carrying out his or her licensed responsibilities within a health care entity, from dispensing or delivering to a patient of the health care entity drugs for that patient's personal use in an amount not to exceed seventy-two hours of usage. [2013 c 19 § 26; 1995 c 319 § 3.]

**RCW 18.64.460 Health care entity—License fee—Requirements—Penalty.** (1) The owner of a health care entity shall pay an original license fee to be determined by the secretary, and annually thereafter, on or before a date to be determined by the secretary, a fee to be determined by the secretary, for which he or she shall receive a license of location, which shall entitle the owner to purchase legend drugs or controlled substances at the location specified for the period ending on a date to be determined by the secretary. A declaration of ownership and location filed with the department under this section shall be deemed presumptive evidence of ownership of the health care entity.

(2) The owner shall immediately notify the department of any change of location or ownership in which case a new application and fee shall be submitted.

(3) It shall be the duty of the owner to keep the license of location or the renewal license properly exhibited in the health care entity.

(4) Failure to comply with this section is a misdemeanor and each day that the failure continues is a separate offense.

(5) In the event that a license fee remains unpaid after the date due, no renewal or new license may be issued except upon payment of the license renewal fee and a penalty fee equal to the original license fee. [1995 c 319 § 4.]

**RCW 18.64.470 Health care entity—Records.** Every proprietor or manager of a health care entity shall keep readily available a suitable record of drugs, which shall preserve for a period of not less than two years the record of every drug used at such health care entity. The record shall be maintained either separately from all other records of the health care entity or in such form that the information required is readily retrievable from ordinary business records of the health care entity. All recordkeeping requirements for controlled substances must be complied with. Such record of drugs shall be for confidential use in the health care entity, only. The record of drugs shall be open for inspection by the commission, who is authorized to enforce chapter 18.64, 69.41, or 69.50 RCW. [2013 c 19 § 27; 1995 c 319 § 6.]

**RCW 18.64.480 Waiver request to allow importation of prescription drugs from Canada.** (1) By September 1, 2005, the commission shall, in consultation with the department and the health care authority, submit a waiver request to the federal food and drug administration that authorizes the importation of prescription drugs from Canada.

(2) Upon approval of the federal waiver allowing for the importation of prescription drugs from Canada, the commission, in consultation with the department and the health care authority, shall license Canadian pharmacies that provide services to Washington residents under RCW 18.64.350 and 18.64.360. [2013 c 19 § 28; 2005 c 275 § 4.]

**Finding—Intent—2005 c 275:** See note following RCW 18.64.350.

**RCW 18.64.490 Waiver request to authorize the state to license Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers under RCW 18.64.046—Implementation—Rules.** (1) By September 1, 2005, the commission shall, in consultation with the department and the health care authority, submit a waiver request to the federal food and drug administration that will authorize the state of Washington to license Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers under RCW 18.64.046, thereby providing retail pharmacies licensed in Washington state the opportunity to purchase prescription drugs from approved wholesalers and pass those savings on to consumers. The waiver shall provide that:

(a) Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers meet the requirements of RCW 18.64.046 and any rules adopted by the commission to implement those requirements;

(b) The commission must ensure the integrity of the prescription drug products being distributed by:

(i) Requiring that prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers originate only from approved manufacturing locations;

(ii) Routinely testing prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers for safety;

(iii) Establishing safe labeling, tracking, and shipping procedures for prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers; and

(iv) Closely monitoring compliance with RCW 18.64.046 and any rules adopted to implement the waiver;

(c) The prescription drugs purchased from Canadian, United Kingdom, Irish, and other nondomestic wholesalers must be limited to those that are not temperature sensitive or infused and for which potential savings to consumers can be demonstrated and those available through purchase by individuals only at licensed retail pharmacies;

(d) To ensure that the program benefits those consumers without insurance coverage for prescription drugs who are most in need of price relief, prescription drug purchases from pharmacies under the waiver will be limited to those not eligible for reimbursement by third party insurance coverage, whether public or private, for the particular drug being purchased; and

(e) Savings associated with purchasing prescription drugs from Canadian, United Kingdom, Irish, and other nondomestic wholesalers will be passed on to consumers.

(2) Upon approval of the federal waiver submitted in accordance with subsection (1) of this section, the commission, in consultation with the department and the health care authority, shall submit a detailed implementation plan to the governor and appropriate committees of the legislature that details the mechanisms that the commission will use to implement each component of the waiver under subsection (1) of this section.

(3) The commission shall adopt rules as necessary to implement chapter 293, Laws of 2005. [2013 c 19 § 29; 2005 c 293 § 2.]

**Finding—Intent—2005 c 293:** "The legislature finds that as consumers' prescription drug costs continue to rise, people across the state of Washington are seeking opportunities to purchase lower cost prescription drugs from Canada, the United Kingdom, Ireland, and other countries for their personal use. The state has a strong interest in promoting the safe use of prescription drugs by consumers in Washington state. To address this interest, the legislature intends to seek authorization from the federal government to license Canadian, United Kingdom, Irish, and other nondomestic prescription drug wholesalers, thereby providing licensed retail pharmacies the opportunity to purchase prescription drugs from approved wholesalers and pass those savings on to consumers, and providing consumers the opportunity to purchase prescription drugs from a trusted community pharmacist who is aware of all of their prescription drug needs."  
[2005 c 293 § 1.]

**Conflict with federal requirements—2005 c 293:** "If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state." [2005 c 293 § 3.]

**RCW 18.64.500 Tamper-resistant prescription pads or paper. (1)**

Every prescription written in this state by a licensed practitioner must be written on a tamper-resistant prescription pad or paper approved by the commission.

(2) A pharmacist may not fill a written prescription from a licensed practitioner unless it is written on an approved tamper-resistant prescription pad or paper, except that a pharmacist may provide emergency supplies in accordance with the commission and other insurance contract requirements.

(3) If a hard copy of an electronic prescription is given directly to the patient, the manually signed hard copy prescription must be on approved tamper-resistant paper that meets the requirements of this section.

(4) For the purposes of this section, "tamper-resistant prescription pads or paper" means a prescription pad or paper that has been approved by the commission for use and contains the following characteristics:

(a) One or more industry-recognized features designed to prevent unauthorized copying of a completed or blank prescription form;

(b) One or more industry-recognized features designed to prevent the erasure or modification of information written on the prescription form by the practitioner; and

(c) One or more industry-recognized features designed to prevent the use of counterfeit prescription forms.

(5) Practitioners shall employ reasonable safeguards to assure against theft or unauthorized use of prescriptions.

(6) All vendors must have their tamper-resistant prescription pads or paper approved by the commission prior to the marketing or sale of pads or paper in Washington state.

(7) The commission shall create a seal of approval that confirms that a pad or paper contains all three industry-recognized characteristics required by this section. The seal must be affixed to all prescription pads or paper used in this state.

(8) The commission may adopt rules necessary for the administration of chapter 328, Laws of 2009.

(9) The tamper-resistant prescription pad or paper requirements in this section shall not apply to:

(a) Prescriptions that are transmitted to the pharmacy by telephone, facsimile, or electronic means; or

(b) Prescriptions written for inpatients of a hospital, outpatients of a hospital, residents of a long-term care facility, patients of a hospice program, inpatients or residents of a mental health facility, or individuals incarcerated in a local, state, or federal correction facility, when the health care practitioner

authorized to write prescriptions, or his or her authorized agent, writes the order into the patient's medical or clinical record, the order is given directly to the pharmacy, and the patient never has the opportunity to handle the written order.

(10) All acts related to the prescribing, dispensing, and records maintenance of all prescriptions shall be in compliance with applicable federal and state laws, rules, and regulations. [2016 c 148 § 18; 2013 c 19 § 30; 2009 c 328 § 1.]

**RCW 18.64.510 Limitation on authority to regulate or establish standards regarding a jail.** Nothing in this chapter or in any provision of law shall be interpreted to invest the commission with the authority to regulate or establish standards regarding a jail as defined in RCW 70.48.020 that does not operate, in whole or in part, a pharmacy or a correctional pharmacy. This section does not limit the commission's authority to regulate a pharmacist that has entered into an agreement with a jail for the provision of pharmaceutical services. [2013 c 19 § 31; 2009 c 411 § 2.]

**RCW 18.64.520 Dispensing of drug other than controlled substance —Supply limit.** (1) A pharmacist may dispense not more than a ninety-day supply of a drug other than a controlled substance pursuant to a valid prescription that specifies an initial quantity of less than a ninety-day supply followed by periodic refills of that amount if all of the following requirements are satisfied:

(a) The patient has completed an initial thirty-day supply of the drug. However, if the prescription continues the same medication as previously dispensed in a ninety-day supply, the initial thirty-day supply under this subsection (1) is not required;

(b) The total quantity of dosage units dispensed does not exceed the total quantity of dosage units authorized by the prescriber on the prescription including refills;

(c) The prescriber has not specified on the prescription that dispensing the prescription in an initial amount followed by periodic refills is medically necessary; and

(d) The pharmacist is exercising his or her professional judgment.

(2) In no case may a pharmacist dispense a greater supply of a drug pursuant to this section if the prescriber personally indicates, either orally or in their own handwriting, "no change to quantity," or words of similar meaning. Nothing in this section prohibits a prescriber from checking a box on a prescription marked "no change to quantity," provided that the prescriber personally initials the box or checkmark.

(3) A pharmacist dispensing an increased supply of a drug pursuant to this section shall notify the prescriber of the increase in the quantity of dosage units dispensed.

(4) Nothing in this section may be construed to require a health benefit plan, health carrier, workers' compensation insurance plan, pharmacy benefit manager, or any other person or entity including, but not limited to, a state program or state employer, to provide coverage in a manner inconsistent with the beneficiary's or enrollee's plan benefit. [2013 c 262 § 1.]

**RCW 18.64.530 Topical ophthalmic products—Early refills authorized.** A pharmacist is authorized, without consulting a physician or obtaining a new prescription or refill from a physician, to provide for one early refill of a prescription for topical ophthalmic products if all of the following criteria are met:

- (1) The refill is requested by a patient at or after seventy percent of the predicted days of use of:
  - (a) The date the original prescription was dispensed to the patient; or
  - (b) The date that the last refill of the prescription was dispensed to the patient;
- (2) The prescriber indicates on the original prescription that a specific number of refills will be needed; and
- (3) The refill does not exceed the number of refills that the prescriber indicated under subsection (2) of this section. [2015 c 85 § 1.]

**RCW 18.64.540 Provision of drugs to ambulance or aid services associated with providing emergency medical services to patients.** A pharmacy that is licensed under this chapter and operated by a hospital that is licensed under chapter 70.41 RCW may provide drugs to ambulance or aid services that are licensed under RCW 18.73.130 for use associated with providing emergency medical services to patients if the following conditions are met:

- (1) The hospital is located in the same or an adjacent county to the county in which the ambulance or aid service operates;
- (2) A medical program director of an ambulance or aid service has requested drugs from the hospital per agreed protocol. A medical program director may only request drugs that:
  - (a) Are relevant to the level of service provided by the ambulance or aid service and the training of its emergency medical personnel; and
  - (b) Are approved as part of the ambulance or aid service prehospital patient care protocols for use by emergency medical personnel in the county in which the ambulance or aid service is located; and
- (3) The provision of the drugs by the pharmacy is not contingent upon arrangements for the transport of patients to the hospital that operates the pharmacy for reasons other than the consideration of patients' medical needs and any patient care procedures. [2015 c 255 § 1.]

**RCW 18.64.550 Chart order as prescription—Long-term care facilities and hospice programs.** (1) A chart order must be considered a prescription if it contains:

- (a) The full name of the patient;
- (b) The date of issuance;
- (c) The name, strength, and dosage form of the drug prescribed;
- (d) Directions for use; and
- (e) An authorized signature. The order must contain the prescribing practitioner's signature or the signature of the practitioner's authorized agent, including the name of the prescribing practitioner.

(2) A licensed nurse, pharmacist, or physician practicing in a long-term care facility or hospice program may act as the practitioner's agent for purposes of this chapter, without need for a written agency agreement, to document a chart order in the patient's medical record on behalf of the prescribing practitioner pending the prescribing practitioner's signature; or to communicate a prescription to a pharmacy whether telephonically, via facsimile, or electronically. The communication of a prescription to a dispenser by the prescriber's agent has the same force and effect as if communicated directly by the authorized practitioner.

(3) Nothing in this chapter prevents an authorized credentialed employee of a long-term care facility from transmitting a chart order pursuant to RCW 74.42.230, or transmitting a prescription on behalf of a resident to the extent otherwise authorized by law. [2020 c 57 § 27; 2016 c 148 § 2.]

**RCW 18.64.560 Nursing homes and hospice programs—Emergency drug kits—Supplemental dose kits.**

(1) A pharmacy or pharmacist may provide a limited quantity of drugs to a nursing home or hospice program without a prescription for emergency administration by authorized personnel of the facility or program pursuant to a valid prescription. The drugs so provided must be limited to those required to meet the immediate therapeutic needs of residents or patients and may not be available from another authorized source in sufficient time to prevent risk of harm by delay resulting from obtaining drugs from another source. Emergency kits must be secured in a locked room, container, or device to prevent unauthorized access and to ensure the proper environment for preservation of the drugs.

(2) In addition to or in connection with the emergency kit authorized under subsection (1) of this section, a nursing home that employs a unit dose drug distribution system may maintain a supplemental dose kit for supplemental nonemergency drug therapy. Supplemental dose kits must be secured in a locked room, container, or device to prevent unauthorized access, and to ensure the proper environment for preservation of the drugs. Administration of drugs from a supplemental dose kit must be under a valid prescription or chart order.

(3) The types and quantity of drugs appropriate to serve the resident or patient population of a nursing home or hospice program using an emergency kit or supplemental dose kit and procedures for the proper storage and security of drugs must be determined by a pharmaceutical services committee that includes a pharmacist licensed under this chapter, a physician licensed under chapter 18.71 RCW, an osteopathic physician licensed under chapter 18.57 RCW, or an advanced registered nurse practitioner licensed under chapter 18.79 RCW, and appropriate clinical or administrative personnel of the nursing home or hospice program as set forth in rules adopted by the pharmacy quality assurance commission.

(4) A registered nurse or licensed practical nurse operating under appropriate direction and supervision by a pharmacist may restock an emergency kit or supplemental dose kit to provide for safe and timely patient access. [2016 c 148 § 3.]

**RCW 18.64.570 Long-term care facilities and hospice programs—Legend drug resupply—Shared pharmacy services—Unused drugs.** (1) A pharmacy may resupply a legend drug to a patient at a long-term care facility or hospice program pursuant to a valid chart order that is signed by the prescribing practitioner, is not time limited, and has not been discontinued.

(2) A pharmacy may outsource shared pharmacy services for a long-term care facility or hospice program to another pharmacy if the outsourcing pharmacy:

(a) Obtains approval from the long-term care facility or hospice program to outsource shared pharmacy services for the facility's or program's residents or patients; and

(b) Provides a copy of the prescription or order to the pharmacy providing the shared pharmacy services.

(3) Shared pharmacy services may be used for, but are not limited to, the purpose of ensuring that drugs or devices are attainable to meet the immediate needs of residents of the long-term care facility or hospice program, or when the outsourcing pharmacy cannot provide services on an ongoing basis. Where a pharmacy uses shared pharmacy services to have a second pharmacy provide a first dose or partial fill of a prescription or drug order to meet a patient's or resident's immediate needs, the second supplying pharmacy may dispense the first dose or partially filled prescription on a satellite basis without the outsourcing pharmacy being required to fully transfer the prescription to the supplying pharmacy. The supplying pharmacy must retain a copy of the prescription or order on file, a copy of the dispensing record or fill, and must notify the outsourcing pharmacy of the service and quantity provided.

(4) A pharmacy may repackage and dispense unused drugs returned by a long-term care facility or hospice program to the pharmacy in per-use, blister packaging, whether in unit dose or modified unit dose form, except as prohibited by federal law. The commission must adopt rules providing for the safe and efficient repackaging, reuse, and disposal of unused drugs returned to a pharmacy from a long-term care facility or hospice program. In adopting rules, the commission must take into consideration the acceptance and dispensing requirements of RCW 69.70.050 (1), (2), and (5). [2016 c 148 § 4.]

**RCW 18.64.580 Long-term care pharmacies—Ratio of pharmacists to pharmacy technicians—Standards.** The commission must adopt reasonable, task-based standards regarding the ratio of pharmacists to pharmacy technicians in a closed door long-term care pharmacy. For the purpose of such standards, a pharmacy technician licensed under chapter 18.64A RCW may not be considered to be practicing as a pharmacy technician while performing administrative tasks not associated with immediate dispensing of drugs that may lawfully be performed by a registered pharmacy assistant. Administrative tasks not associated with immediate dispensing of drugs include but are not necessarily limited to medical records maintenance, billing, prepackaging unit dose drugs, inventory control, delivery, and processing returned drugs. [2016 c 148 § 5.]

**RCW 18.64.590 Long-term care facilities and hospice programs—Commission authority.** The commission may adopt rules implementing RCW 18.64.550 through 18.64.580. [2016 c 148 § 6.]

**RCW 18.64.600 Opioid use disorder medications—Remote dispensing sites—Registration—Rules—Fees.** (1) The license of location for a pharmacy licensed under this chapter may be extended to a remote dispensing site where technology is used to dispense medications used for the treatment of opioid use disorder or its symptoms.

(2) In order for a pharmacy to use remote dispensing sites, a pharmacy must register each separate remote dispensing site with the commission.

(3) The commission shall adopt rules that establish minimum standards for remote dispensing sites registered under this section. The minimum standards shall address who may retrieve medications for opioid use disorder stored in or at a remote dispensing site pursuant to a valid prescription or chart order. The minimum standards must require the pharmacy be responsible for stocking and maintaining a perpetual inventory of the medications for opioid use disorder stored in or at the registered remote dispensing site. The dispensing technology may be owned by either the pharmacy or the registered remote dispensing site.

(4) The secretary may adopt rules to establish a reasonable fee for obtaining and renewing a registration issued under this section.

(5) The registration issued under this section will be considered as part of the pharmacy license issued under RCW 18.64.043. If the underlying pharmacy license is not active, then the registration shall be considered inoperable by operation of law. [2023 sp.s. c 1 § 37; 2020 c 244 § 2.]

**Intent—2020 c 244:** "(1) The legislature declares opioid use disorder is a public health crisis. Access to medications to treat this disease needs to be made readily available, especially to vulnerable populations who may not be able to access medical care or a pharmacy.

(2) The legislature recognizes that increased access to buprenorphine, as well as additional medications necessary to aid in recovery, could benefit individuals who are suffering from opioid use disorder. The legislature further recognizes that access to pharmacies may be difficult for vulnerable populations. To increase access to medications while ensuring patient safety the legislature intends to create a new credential to allow for a pharmacy license to be extended to a remote dispensing site where technology is used to dispense medications." [2020 c 244 § 1.]

**RCW 18.64.610 Prescription drug return and reuse—Rules.** The commission must adopt rules allowing the department of corrections pharmacy to accept returns of unit dose packages or full or partial multiple dose medication cards from the facilities it serves and reuse the unexpired medication. [2020 c 264 § 1.]

**RCW 18.64.920 Repealer—1935 c 98.** All acts and parts of acts in conflict herewith are hereby repealed. [1935 c 98 § 11.]

**RCW 18.71.002 Purpose.** It is the purpose of the commission to regulate the competency and quality of professional health care providers under its jurisdiction by establishing, monitoring, and enforcing qualifications for licensing, consistent standards of practice, continuing competency mechanisms, and discipline. Rules, policies, and procedures developed by the commission must promote the delivery of quality health care to the residents of the state of Washington. [2019 c 55 § 2; 1994 sp.s. c 9 § 301.]

**Severability—Headings and captions not law—Effective date—1994 sp.s. c 9:** See RCW 18.79.900 through 18.79.902.

**RCW 18.71.003 Declaration of purpose.** This chapter is passed:

(1) In the exercise of the police power of the state to protect public health, to promote the welfare of the state, and to provide an adequate public agency to act as a disciplinary body for the members of the medical profession licensed to practice medicine and surgery in this state;

(2) Because the health and well-being of the people of this state are of paramount importance;

(3) Because the conduct of members of the medical profession licensed to practice medicine and surgery in this state plays a vital role in preserving the health and well-being of the people of the state; and

(4) Because the agency which now exists to handle disciplinary proceedings for members of the medical profession licensed to practice medicine and surgery in this state is ineffective and very infrequently employed, and consequently there is no effective means of handling such disciplinary proceedings when they are necessary for the protection of the public health. [1955 c 202 § 1. Formerly RCW 18.72.010.]

**RCW 18.71.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the Washington medical commission.

(2) "Emergency medical care" or "emergency medical service" has the same meaning as in chapter 18.73 RCW.

(3) "Maintenance of certification" means the satisfactory participation in a formal recertification program to maintain board certification after initial certification from the American board of medical specialties or other accrediting organization recognized by the commission.

**Intent—2015 c 252:** See note following RCW 70.112.010.

**Finding—Intent—2009 c 403:** "The legislature finds that increasing the number of retired physicians who provide volunteer health care services is a cost-effective way to improve access to health care for many citizens of this state. Physicians holding a retired active license must currently meet many of the same requirements as physicians in active practice, including at least fifty hours of continuing education a year, despite the fact that retired active physicians may only practice a maximum of ninety days a year, are limited to providing primary care services, and are limited to providing such services only in community clinics that are operated by public or private tax-exempt corporations. This presents both financial and practical barriers for retired physicians who wish to provide health care services on a volunteer basis, barriers that are not as stringent in other states that provide similar licenses for retired physicians. It is therefore the intent of the legislature to ease some of these barriers in a manner that does not adversely affect public safety." [2009 c 403 § 1.]

(1) The commission may, upon the written request of the secretary of the department of social and health services, the secretary of children, youth, and families, or the secretary of corrections, issue a limited license to practice medicine in this state to persons who have been accepted for employment by the department of social and health services, the department of children, youth, and families, or the department of corrections as physicians; who are licensed to practice medicine in another state of the United States or in the country of Canada or any province or territory thereof; and who meet all of the qualifications for licensure set forth in RCW 18.71.050.

Such license shall permit the holder thereof to practice medicine only in connection with patients, residents, or inmates of the state institutions under the control and supervision of the secretary of the department of social and health services, the department of children, youth, and families, or the department of corrections.

(2) The commission may issue a limited license to practice medicine in this state to persons who have been accepted for employment by a county or city health department as physicians; who are licensed to practice medicine in another state of the United States or in the country of Canada or any province or territory thereof; and who meet all of the qualifications for licensure set forth in RCW 18.71.050.

Such license shall permit the holder thereof to practice medicine only in connection with his or her duties in employment with the city or county health department.

(3) Upon receipt of a completed application showing that the applicant meets all of the requirements for licensure set forth in RCW 18.71.050 except for completion of two years of postgraduate medical training, and that the applicant has been appointed as a resident physician in a program of postgraduate clinical training in this state approved by the commission, the commission may issue a limited license to a resident physician. Such license shall permit the resident physician to practice medicine only in connection with his or her duties as a resident physician and shall not authorize the physician to engage in any other form of practice. Each resident physician shall practice medicine only under the supervision and control of a physician licensed in this state, but such supervision and control shall not be construed to necessarily require the personal presence of the supervising physician at the place where services are rendered.

(4) (a) Upon nomination by the dean of an accredited school of medicine in the state of Washington or the chief executive officer of a hospital or other appropriate health care facility licensed in the state of Washington, the commission may issue a limited license to a physician applicant invited to serve as a teaching-research member of the institution's instructional staff if the sponsoring institution and the applicant give evidence that he or she has graduated from a recognized medical school and has been licensed or otherwise privileged to practice medicine at his or her location of origin. Such license shall permit the recipient to practice medicine only within the confines of the instructional program specified in the application and shall terminate whenever the holder ceases to be involved in that program, or at the end of one year, whichever is earlier. Upon request of the applicant and the institutional authority, the license may be renewed. The holder of a teaching research license under this

Such license shall permit the holder only to practice medicine within the confines of the fellowship program to which he or she has been appointed and, upon the request of the applicant and the sponsoring institution, the license may be renewed by the commission.

All persons licensed under this section shall be subject to the jurisdiction of the commission to the same extent as other members of the medical profession, in accordance with this chapter and chapter 18.130 RCW.

(e) A limited license issued under this subsection is valid for two years and may be renewed once by the commission upon application for renewal by the nominating entity.

(f) All persons licensed under this subsection are subject to the jurisdiction of the commission to the same extent as other members of the medical profession, in accordance with this chapter and chapter 18.130 RCW.

The requirements shall include completion of an accredited physician assistant training program approved by the commission and within one year successfully take and pass an examination approved by the commission, if the examination tests subjects substantially equivalent to the curriculum of an accredited physician assistant training program. An interim permit may be granted by the department of health for one year provided the applicant meets all other requirements. Physician assistants licensed by the board of medical examiners, or the commission as of July 1, 1999, shall continue to be licensed.

(2)(a) The commission shall adopt rules governing the extent to which:

(i) Physician assistant students may practice medicine during training; and

(ii) Physician assistants may practice after successful completion of a physician assistant training course.

(b) Such rules shall provide:

(i) That the practice of a physician assistant shall be limited to the performance of those services for which he or she is trained; and

(ii) That each physician assistant shall practice medicine only under the terms of one or more practice agreements, each signed by one or more supervising physicians licensed in this state. A practice agreement may be signed electronically using a method for electronic signatures approved by the commission. Supervision shall not be construed to necessarily require the personal presence of the supervising physician or physicians at the place where services are rendered.

(3) Applicants for licensure shall file an application with the commission on a form prepared by the secretary with the approval of the commission, detailing the education, training, and experience of the physician assistant and such other information as the commission may require. The application shall be accompanied by a fee determined by the secretary as provided in RCW 43.70.250 and 43.70.280. The commission may require an applicant to submit to such examination or examinations as it deems necessary to determine an applicant's physical or mental capability, or both, to safely practice as a physician assistant.

(b) The license shall be renewed as determined under RCW 43.70.250 and 43.70.280. The commission shall request licensees to submit information about their current professional practice at the time of license renewal and licensees must provide the information requested. It is therefore the intent of the legislature to clarify in statute what was adopted by rule in WAC 246-918-140, that a physician assistant may sign and attest to any document that might ordinarily be signed by the supervising physician and that is consistent with the terms of the practice arrangement plan." (i) Except as provided in (e)(ii) of this subsection, the physician assistant or supervising physician must provide written notice at least thirty days prior to the termination.

(ii) The physician assistant or supervising physician may terminate the practice agreement immediately due to good faith concerns regarding unprofessional conduct or failure to practice medicine while exercising reasonable skill and safety.

(3) A practice agreement may be amended for any reason, such as to add or remove supervising physicians or alternate physicians or to amend the duties and responsibilities of the physician assistant.

(4) Whenever a physician assistant is practicing in a manner inconsistent with the practice agreement, the commission may take disciplinary action under chapter 18.130 RCW.

(5) Whenever a physician is subject to disciplinary action under chapter 18.130 RCW related to the practice of a physician assistant, the case must be referred to the appropriate disciplining authority.

**RCW 18.71B.010 Purpose.** In order to strengthen access to health care, and in recognition of the advances in the delivery of health care, the member states of the interstate medical licensure compact have allied in common purpose to develop a comprehensive process that complements the existing licensing and regulatory authority of state medical boards, provides a streamlined process that allows physicians to become licensed in multiple states, thereby enhancing the portability of a medical license and ensuring the safety of patients. The compact creates another pathway for licensure and does not otherwise change a state's existing medical practice act. The compact also adopts the prevailing standard for licensure and affirms that the practice of medicine occurs where the patient is located at the time of the physician-patient encounter, and therefore, requires the physician to be under the jurisdiction of the state medical board where the patient is located. State medical boards that participate in the compact retain the jurisdiction to impose an adverse action against a license to practice medicine in that state issued to a physician through the procedures in the compact. (2) If a license granted to a physician by the member board in the state of principal license is revoked, surrendered or relinquished in lieu of discipline, or suspended, then all licenses issued to the physician by member boards shall automatically be placed, without further action necessary by any member board, on the same status. If the member board in the state of principal license subsequently reinstates the physician's license, a license issued to the physician by any other member board shall remain encumbered until that respective member board takes action to reinstate the license in a manner consistent with the medical practice act of that state.

(3) If disciplinary action is taken against a physician by a member board not in the state of principal license, any other member board may deem the action conclusive as to matter of law and fact decided, and:

(a) Impose the same or lesser sanctions against the physician so long as such sanctions are consistent with the medical practice act of that state; or

(b) Pursue separate disciplinary action against the physician under its respective medical practice act, regardless of the action taken in other member states.

(4) If a license granted to a physician by a member board is revoked, surrendered or relinquished in lieu of discipline, or suspended, then any licenses issued to the physician by any other member boards shall be suspended, automatically and immediately without further action necessary by the other member boards, for ninety days upon entry of the order by the disciplining board, to permit the member boards to investigate the basis for the action under the medical practice act of that state. A member board may terminate the automatic suspension of the license it issued prior to the completion of the ninety-day suspension period in a manner consistent with the medical practice act of that state. [2017 c 195 § 10.]

**RCW 18.71B.110 Interstate medical licensure compact commission.**

(1) The member states hereby create the "interstate medical licensure compact commission."

(2) The purpose of the interstate commission is the administration of the interstate medical licensure compact, which is a discretionary state function.

(3) The interstate commission shall be a body corporate and joint agency of the member states and shall have all the responsibilities, powers, and duties set forth in the compact, and such additional powers as may be conferred upon it by a subsequent concurrent action

of the respective legislatures of the member states in accordance with the terms of the compact.

(4) The interstate commission shall consist of two voting representatives appointed by each member state who shall serve as commissioners. In states where allopathic and osteopathic physicians are regulated by separate member boards, or if the licensing and disciplinary authority is split between multiple member boards within a member state, the member state shall appoint one representative from each member board. A commissioner shall be:

(a) An allopathic or osteopathic physician appointed to a member board;

(b) An executive director, executive secretary, or similar executive of a member board; or

(c) A member of the public appointed to a member board.

(5) The interstate commission shall meet at least once each calendar year. A portion of this meeting shall be a business meeting to address such matters as may properly come before the commission, including the election of officers. The chairperson may call additional meetings and shall call for a meeting upon the request of a majority of the member states.

(6) The bylaws may provide for meetings of the interstate commission to be conducted by telecommunication or electronic communication.

(7) Each commissioner participating at a meeting of the interstate commission is entitled to one vote. A majority of commissioners shall constitute a quorum for the transaction of business, unless a larger quorum is required by the bylaws of the interstate commission. A commissioner shall not delegate a vote to another commissioner. In the absence of its commissioner, a member state may delegate voting authority for a specified meeting to another person from that state who shall meet the requirements of subsection (4) of this section.

(8) The interstate commission shall provide public notice of all meetings and all meetings shall be open to the public. The interstate commission may close a meeting, in full or in portion, where it determines by a two-thirds vote of the commissioners present that an open meeting would be likely to:

(a) Relate solely to the internal personnel practices and procedures of the interstate commission;

(b) Discuss matters specifically exempted from disclosure by federal statute;

(c) Discuss trade secrets, commercial, or financial information that is privileged or confidential;

(d) Involve accusing a person of a crime, or formally censuring a person;

(e) Discuss information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(f) Discuss investigative records compiled for law enforcement purposes; or

(g) Specifically relate to the participation in a civil action or other legal proceeding.

(9) The interstate commission shall keep minutes which shall fully describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, including record of any roll call votes.

(10) The interstate commission shall make its information and official records, to the extent not otherwise designated in the compact or by its rules, available to the public for inspection.

(11) The interstate commission shall establish an executive committee, which shall include officers, members, and others as determined by the bylaws. The executive committee shall have the power to act on behalf of the interstate commission, with the exception of rule making, during periods when the interstate commission is not in session. When acting on behalf of the interstate commission, the executive committee shall oversee the administration of the compact including enforcement and compliance with the provisions of the compact, its bylaws and rules, and other such duties as necessary.

(12) The interstate commission may establish other committees for governance and administration of the compact. [2017 c 195 § 11.]

**RCW 18.71B.120 Interstate commission—Powers and duties.** The interstate commission shall have the duty and power to:

(1) Oversee and maintain the administration of the compact;

(2) Promulgate rules which shall be binding to the extent and in the manner provided for in the compact;

(3) Issue, upon the request of a member state or member board, advisory opinions concerning the meaning or interpretation of the compact, its bylaws, rules, and actions;

(4) Enforce compliance with compact provisions, the rules promulgated by the interstate commission, and the bylaws, using all necessary and proper means including, but not limited to, the use of judicial process;

(5) Establish and appoint committees including, but not limited to, an executive committee as required by RCW 18.71B.110, which shall have the power to act on behalf of the interstate commission in carrying out its powers and duties;

(6) Pay, or provide for the payment of[, ] the expenses related to the establishment, organization, and ongoing activities of the interstate commission;

(7) Establish and maintain one or more offices;

(8) Borrow, accept, hire, or contract for services of personnel;

(9) Purchase and maintain insurance and bonds;

(10) Employ an executive director who shall have such powers to employ, select[, ] or appoint employees, agents, or consultants, and to determine their qualifications[, ] define their duties, and fix their compensation;

(11) Establish personnel policies and programs relating to conflicts of interest, rates of compensation, and qualifications of personnel;

(12) Accept donations and grants of money, equipment, supplies, materials and services, and to receive, utilize, and dispose of it in a manner consistent with the conflict of interest policies established by the interstate commission;

(13) Lease, purchase, accept contributions or donations of, or otherwise to own, hold, improve[, ] or use, any property, real, personal, or mixed;

(14) Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, real, personal, or mixed;

(15) Establish a budget and make expenditures;

(16) Adopt a seal and bylaws governing the management and operation of the interstate commission;

(17) Report annually to the legislatures and governors of the member states concerning the activities of the interstate commission during the preceding year. Such reports shall also include reports of financial audits and any recommendations that may have been adopted by the interstate commission;

(18) Coordinate education, training, and public awareness regarding the compact, its implementation, and its operation;

(19) Maintain records in accordance with the bylaws;

(20) Seek and obtain trademarks, copyrights, and patents; and

(21) Perform such functions as may be necessary or appropriate to achieve the purposes of the compact. [2017 c 195 § 12.]

**RCW 18.71B.130 Interstate commission—Finance powers.** (1) The interstate commission may levy on and collect an annual assessment from each member state to cover the cost of the operations and activities of the interstate commission and its staff. The total assessment must be sufficient to cover the annual budget approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount shall be allocated upon a formula to be determined by the interstate commission, which shall promulgate a rule binding upon all member states.

(2) The interstate commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same.

(3) The interstate commission shall not pledge the credit of any of the member states, except by, and with the authority of, the member state.

(4) The interstate commission shall be subject to a yearly financial audit conducted by a certified or licensed public accountant and the report of the audit shall be included in the annual report of the interstate commission. [2017 c 195 § 13.]

**RCW 18.71B.140 Interstate commission—Organization and operation.** (1) The interstate commission shall, by a majority of commissioners present and voting, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes of the compact within twelve months of the first interstate commission meeting.

(2) The interstate commission shall elect or appoint annually from among its commissioners a chair, a vice chair, and a treasurer, each of whom shall have such authority and duties as may be specified in the bylaws. The chair, or in the chair's absence or disability, the vice chair, shall preside at all meetings of the interstate commission.

(3) Officers selected in subsection (2) of this section shall serve without remuneration from the interstate commission.

(4) The officers and employees of the interstate commission shall be immune from suit and liability, either personally or in their official capacity, for a claim for damage to or loss of property or personal injury or other civil liability caused or arising out of, or relating to, an actual or alleged act, error, or omission that occurred, or that such person had a reasonable basis for believing occurred, within the scope of interstate commission employment,

duties, or responsibilities, provided that such person shall not be protected from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(a) The liability of the executive director and employees of the interstate commission or representatives of the interstate commission, acting within the scope of such person's employment or duties for acts, errors, or omissions occurring within such person's state, may not exceed the limits of liability set forth under the Constitution and laws of that state for state officials, employees, and agents. The interstate commission is considered to be an instrumentality of the states for the purposes of any such action. Nothing in this subsection shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.

(b) The interstate commission shall defend the executive director, its employees, and subject to the approval of the attorney general or other appropriate legal counsel of the member state represented by an interstate commission representative, shall defend such interstate commission representative in any civil action seeking to impose liability arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such person.

(c) To the extent not covered by the state involved, member state, or the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settlement or judgment, including attorneys' fees and costs, obtained against such persons arising out of an actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton misconduct on the part of such persons. [2017 c 195 § 14.]

**RCW 18.71B.150 Interstate commission—Rule-making functions.**

(1) The interstate commission shall promulgate reasonable rules in order to effectively and efficiently achieve the purposes of the compact. Notwithstanding the foregoing, in the event the interstate commission exercises its rule-making authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the interstate commission shall be invalid and have no force or effect.

(2) Rules deemed appropriate for the operations of the interstate commission shall be made pursuant to a rule-making process that substantially conforms to the "model state administrative procedure act" of 2010, and subsequent amendments thereto.

(3) Not later than thirty days after a rule is promulgated, any person may file a petition for judicial review of the rule in the

United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices, provided that the filing of such a petition shall not stay or otherwise prevent the rule from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the interstate commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a reasonable exercise of the authority granted to the interstate commission. [2017 c 195 § 15.]

**RCW 18.71B.160 State enforcement—Judicial notice—Service of process.** (1) The executive, legislative, and judicial branches of state government in each member state shall enforce the compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of the compact and the rules promulgated hereunder shall have standing as statutory law but shall not override existing state authority to regulate the practice of medicine.

(2) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter [matter] of the compact which may affect the powers, responsibilities, or actions of the interstate commission.

(3) The interstate commission shall be entitled to receive all service of process in any such proceeding, and shall have standing to intervene in the proceeding for all purposes. Failure to provide service of process to the interstate commission shall render a judgment or order void as to the interstate commission, the compact, or promulgated rules. [2017 c 195 § 16.]

**RCW 18.71B.170 Enforcement by interstate commission.** (1) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of the compact.

(2) The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States district court for the District of Columbia, or, at the discretion of the interstate commission, in the federal district where the interstate commission has its principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in default. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorneys' fees.

(3) The remedies herein shall not be the exclusive remedies of the interstate commission. The interstate commission may avail itself of any other remedies available under state law or the regulation of a profession. [2017 c 195 § 17.]

**RCW 18.71B.180 Default.** (1) The grounds for default include, but are not limited to, failure of a member state to perform such obligations or responsibilities imposed upon it by the compact, or the rules and bylaws of the interstate commission promulgated under the compact.

(2) If the interstate commission determines that a member state has defaulted in the performance of its obligations or responsibilities under the compact, or the bylaws or promulgated rules, the interstate commission shall:

(a) Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default, and any action taken by the interstate commission. The interstate commission shall specify the conditions by which the defaulting state must cure its default; and

(b) Provide remedial training and specific technical assistance regarding the default.

(3) If the defaulting state fails to cure the default, the defaulting state shall be terminated from the compact upon an affirmative vote of a majority of the commissioners and all rights, privileges, and benefits conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of the default.

(4) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to terminate shall be given by the interstate commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(5) The interstate commission shall establish rules and procedures to address licenses and physicians that are materially impacted by the termination of a member state, or the withdrawal of a member state.

(6) The member state which has been terminated is responsible for all dues, obligations, and liabilities incurred through the effective date of termination including obligations, the performance of which extends beyond the effective date of termination.

(7) The interstate commission shall not bear any costs relating to any state that has been found to be in default or which has been terminated from the compact, unless otherwise mutually agreed upon in writing between the interstate commission and the defaulting state.

(8) The defaulting state may appeal the action of the interstate commission by petitioning the United States district court for the District of Columbia or the federal district where the interstate commission has its principal offices. The prevailing party shall be awarded all costs of such litigation including reasonable attorneys' fees. [2017 c 195 § 18.]

**RCW 18.71B.190 Dispute resolution.** (1) The interstate commission shall attempt, upon the request of a member state, to resolve disputes which are subject to the compact and which may arise among member states or member boards.

(2) The interstate commission shall promulgate rules providing for both mediation and binding dispute resolution as appropriate. [2017 c 195 § 19.]

**RCW 18.71B.200 Withdrawal.** (1) Once effective, the compact shall continue in force and remain binding upon each and every member state; provided that a member state may withdraw from the compact by specifically repealing the statute which enacted the compact into law.

(2) Withdrawal from the compact shall be by the enactment of a statute repealing the same, but shall not take effect until one year after the effective date of such statute and until written notice of the withdrawal has been given by the withdrawing state to the governor of each other member state.

(3) The withdrawing state shall immediately notify the chairperson of the interstate commission in writing upon the introduction of legislation repealing the compact in the withdrawing state.

(4) The interstate commission shall notify the other member states of the withdrawing state's intent to withdraw within sixty days of its receipt of notice provided under subsection (3) of this section.

(5) The withdrawing state is responsible for all dues, obligations, and liabilities incurred through the effective date of withdrawal, including obligations, the performance of which extend beyond the effective date of withdrawal.

(6) Reinstatement following withdrawal of a member state shall occur upon the withdrawing state reenacting the compact or upon such later date as determined by the interstate commission.

(7) The interstate commission is authorized to develop rules to address the impact of the withdrawal of a member state on licenses granted in other member states to physicians who designated the withdrawing member state as the state of principal license. [2017 c 195 § 21.]

**RCW 18.71B.210 Dissolution.** (1) The compact shall dissolve effective upon the date of the withdrawal or default of the member state which reduces the membership in the compact to one member state.

(2) Upon the dissolution of the compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the interstate commission shall be concluded and surplus funds shall be distributed in accordance with the bylaws. [2017 c 195 § 22.]

**RCW 18.71B.900 Member states, effective date, and amendment.**

(1) Any state is eligible to become a member state of the compact.

(2) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than seven states. Thereafter, it shall become effective and binding on a state upon enactment of the compact into law by that state.

(3) The governors of nonmember states, or their designees, shall be invited to participate in the activities of the interstate commission on a nonvoting basis prior to adoption of the compact by all states.

(4) The interstate commission may propose amendments to the compact for enactment by the member states. No amendment shall become effective and binding upon the interstate commission and the member states unless and until it is enacted into law by unanimous consent of the member states. [2017 c 195 § 20.]

**RCW 18.71B.901 Severability—Construction.** (1) The provisions of the compact shall be severable, and if any phrase, clause,

sentence, or provision is deemed unenforceable, the remaining provisions of the compact shall be enforceable.

(2) The provisions of the compact shall be liberally construed to effectuate its purposes.

(3) Nothing in the compact shall be construed to prohibit the applicability of other interstate compacts to which the states are members. [2017 c 195 § 23.]

**RCW 18.71B.902 Binding effect of compact and other laws.** (1)

Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the compact.

(2) All laws in a member state in conflict with the compact are superseded to the extent of the conflict.

(3) All lawful actions of the interstate commission, including all rules and bylaws promulgated by the commission, are binding upon the member states.

(4) All agreements between the interstate commission and the member states are binding in accordance with their terms.

(5) In the event any provision of the compact exceeds the constitutional limits imposed on the legislature of any member state, such provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state. [2017 c 195 § 24.]

**RCW 18.73.010 Legislative finding.** The legislature finds that a statewide program of emergency medical care is necessary to promote the health, safety, and welfare of the citizens of this state. The intent of the legislature is to assure minimum standards and training for first responders and emergency medical technicians, and minimum standards for ambulance services, ambulances, aid vehicles, aid services, and emergency medical equipment. [1990 c 269 § 22; 1988 c 104 § 2; 1987 c 214 § 1; 1973 1st ex.s. c 208 § 1.]

**RCW 18.73.020 Supersession of local regulation.** The legislature further declares its intention to supersede all ordinances, regulations, and requirements promulgated by counties, cities and other political subdivisions of the state of Washington, insofar as they may provide for the regulation of emergency medical care, first aid, and ambulance services which do not exceed the provisions of this chapter; except that (1) license fees established in this chapter shall supersede all license fees of counties, cities and other political subdivisions of this state; and, (2) nothing in this chapter shall alter the provisions of RCW 18.71.200, 18.71.210, and 18.71.220. [1986 c 259 § 118; 1973 1st ex.s. c 208 § 2.]

**Severability—1986 c 259:** See note following RCW 18.130.010.

[2023 c 290 § 11; 2022 c 136 § 1; 2021 c 69 § 1; 2015 c 93 § 5. Prior: 2010 1st sp.s. c 7 § 25; 2005 c 193 § 2; 2000 c 93 § 16;

1990 c 269 § 23; 1988 c 104 § 3; 1987 c 214 § 2; 1983 c 112 § 5; 1979 ex.s. c 261 § 1; 1973 1st ex.s. c 208 § 3.]

**Finding—2005 c 193:** "The legislature finds that requiring all patients who need to travel in a prone or supine position but are medically stable, to be transported by ambulance can be overly restrictive to individuals with disabilities. These individuals frequently travel by means of reclining wheelchairs or devices commonly referred to as banana carts. Expanding travel options for these individuals will give them greater opportunities for mobility and reduce their costs of travel." [2005 c 193 § 1.]

**RCW 18.73.081 Duties of secretary—Minimum requirements to be prescribed.** In addition to other duties prescribed by law, the secretary shall:

  - (b) Procedures for provisional certification, certification, recertification, decertification, or modification of certificates;
  - (c) Adoption of requirements for ongoing training and evaluation, as approved by the county medical program director, to include appropriate evaluation for individual knowledge and skills. The first responder, emergency medical technician, or emergency medical services provider agency may elect a program of continuing education and a written and practical examination instead of meeting the ongoing training and evaluation requirements;
  - (d) Procedures for reciprocity with other states or national certifying agencies;
  - (e) Review and approval or disapproval of training programs; and
  - (f) Adoption of standards for numbers and qualifications of instructional personnel required for first responder and emergency medical technician training programs;

**RCW 18.73.101 Variance from requirements.** The secretary may grant a variance from a provision of this chapter and RCW 18.71.200 through 18.71.220 if no detriment to health and safety would result from the variance and compliance is expected to cause reduction or

loss of existing emergency medical services. Variances may be granted for a period of no more than one year. A variance may be renewed by the secretary. [2010 1st sp.s. c 7 § 26; 2000 c 93 § 17; 1987 c 214 § 9.]

**RCW 18.73.130 Ambulance services and aid services—Licensing.**

An ambulance service or aid service may not operate in the state of Washington without holding a license for such operation, issued by the secretary when such operation is consistent with the statewide and regional emergency medical services and trauma care plans established pursuant to chapter 70.168 RCW, indicating the general area to be served and the number of vehicles to be used, with the following exceptions:

- (1) The United States government;
- (2) Ambulance services providing service in other states when bringing patients into this state;
- (3) Owners of businesses in which ambulance or aid vehicles are used exclusively on company property but occasionally in emergencies may transport patients to hospitals not on company property;
- (4) Operators of vehicles pressed into service for transportation of patients in emergencies when licensed ambulances are not available or cannot meet overwhelming demand; and
- (5) Emergency services supervisory organizations, as defined in \*RCW 18.73.030(13). All entities that employ certified emergency medical services personnel must ensure that such personnel work under the medical oversight and protocols of a medical program director and within their scope of practice, are able to meet certification training requirements, and are provided with necessary medical equipment to provide care at their level of certification.

The license shall be valid for a period of two years and shall be renewed on request provided the holder has consistently complied with the regulations of the department and the department of licensing and provided also that the needs of the area served have been met satisfactorily. The license shall not be transferable and may be revoked if the service is found in violation of rules adopted by the department. [2021 c 69 § 2; 2000 c 93 § 18; 1992 c 128 § 2; 1990 c 269 § 25; 1987 c 214 § 10; 1979 ex.s. c 261 § 13; 1979 c 158 § 61; 1973 1st ex.s. c 208 § 13.]

**Effective date—1973 1st ex.s. c 208:** See RCW 18.73.910.

**RCW 18.73.140 Ambulance, organ transport vehicle, and aid vehicles—Licenses.** The secretary shall issue an ambulance, organ transport vehicle, or aid vehicle license for each vehicle so designated. The license shall be for a period of two years and may be reissued on expiration if the vehicle and its equipment meet requirements in force at the time of expiration of the license period. The license may be revoked if the ambulance, organ transport vehicle, or aid vehicle is found to be operating in violation of the regulations promulgated by the department or without required equipment. The license shall be terminated automatically if the vehicle is sold or transferred to the control of any organization not currently licensed as an ambulance, organ transport vehicle, or aid vehicle service. The license number shall be prominently displayed on each vehicle. [2023 c 290 § 9; 2000 c 93 § 19; 1992 c 128 § 3; 1987 c 214 § 11; 1979 ex.s. c 261 § 14; 1973 1st ex.s. c 208 § 14.]

The self-inspection shall coincide with the vehicle licensing cycle and shall be recorded on forms provided by the department. The department may perform an on-site inspection of any licensed service or vehicles as needed. [1987 c 214 § 13.]

**RCW 18.73.150 Ambulance personnel requirements.** (1) (a) Any ambulance operated as such shall operate with sufficient personnel for adequate patient care, at least one of whom shall be an emergency medical technician under standards promulgated by the secretary. The emergency medical technician shall have responsibility for its operation and for the care of patients both before they are placed aboard the vehicle and during transit. If there are two or more emergency medical technicians operating the ambulance, a nondriving medical technician shall be in command of the vehicle. The emergency medical technician in command of the vehicle shall be in the patient compartment and in attendance to the patient.

(b) Except as provided in subsection (2) of this section, the driver of the ambulance shall have at least a certificate of advance first aid qualification recognized by the secretary pursuant to RCW 18.73.120 unless there are at least two certified emergency medical technicians in attendance of the patient, in which case the driver shall not be required to have such certificate.

(2) With approval from the department, an ambulance service established by volunteer or municipal corporations, or by an association made up entirely of two or more municipalities, in a rural area with insufficient personnel may use a driver without any medical or first aid training so long as the driver is at least eighteen years old, successfully passes a background check issued or approved by the department, possesses a valid driver's license with no restrictions, is accompanied by a nondriving emergency medical technician while operating the ambulance during a response or transport of a patient, and only provides medical care to patients to the level that they are

trained. [2021 c 17 § 1; 2017 c 70 § 1; 1992 c 128 § 4; 1979 ex.s. c 261 § 15; 1973 1st ex.s. c 208 § 15.]

**RCW 18.73.155 Requirements—Military training or experience.** An applicant with military training or experience satisfies the training or experience requirements of this chapter unless the secretary determines that the military training or experience is not substantially equivalent to the standards of this state. [2011 c 32 § 7.]

**RCW 18.73.170 Aid vehicles—Personnel—Use.** The aid vehicle shall be operated in accordance with standards promulgated by the secretary, by at least one person holding a certificate recognized under RCW 18.73.120.

The aid vehicle may be used for transportation of patients only when it is impossible or impractical to obtain an ambulance or when a wait for arrival of an ambulance would place the life of the patient in jeopardy. If so used, the vehicle shall be under the command of a person holding a certificate recognized pursuant to RCW 18.73.081 other than the driver. [1987 c 214 § 12; 1979 ex.s. c 261 § 17; 1973 1st ex.s. c 208 § 17.]

**Effective date—1973 1st ex.s. c 208:** See RCW 18.73.910.

**RCW 18.73.180 Other transportation vehicles.** Other vehicles not herein defined by this chapter shall not be used for transportation of patients who must be carried on a stretcher or who may require medical attention en route, except that such transportation may be used when:

(1) A disaster creates a situation that cannot be served by licensed ambulances; or

(2) The use of a stretcher is necessary because an individual's personal mobility aid cannot be adequately secured in the nonambulance vehicle and the individual has written authorization from his or her physician that it is safe to transfer the individual from a personal mobility aid to a stretcher. [2007 c 305 § 1; 1987 c 214 § 14; 1979 ex.s. c 261 § 18; 1973 1st ex.s. c 208 § 18.]

**Effective date—1973 1st ex.s. c 208:** See RCW 18.73.910.

**RCW 18.73.190 Violations—Penalties.** Any person who violates any of the provisions of this chapter and for which a penalty is not provided shall be deemed guilty of a misdemeanor and upon conviction thereof, shall be fined in any sum not exceeding one hundred dollars for each day of the violation, or may be imprisoned in the county jail not exceeding six months. [1987 c 214 § 15; 1973 1st ex.s. c 208 § 19.]

**Effective date—1973 1st ex.s. c 208:** See RCW 18.73.910.

**RCW 18.73.200 Administrative procedure act applicable.** The administrative procedure act, chapter 34.05 RCW, shall wherever applicable govern the rights, remedies, and procedures respecting the administration of this chapter. [1973 1st ex.s. c 208 § 21.]

**RCW 18.73.240 Application of uniform disciplinary act.** The uniform disciplinary act, chapter 18.130 RCW, shall govern the issuance and denial of credentials, unauthorized practice, and the discipline of persons credentialed under this chapter. The secretary shall act as the disciplinary authority under this chapter. Disciplinary action shall be initiated against a person credentialed under this chapter in a manner consistent with the responsibilities and duties of the medical program director under whom such person is responsible. [1992 c 128 § 5.]

**RCW 18.73.250 Epinephrine—Availability—Administration.** (1) All of the state's ambulance and aid services shall make epinephrine available to their emergency medical technicians in their emergency care supplies. The emergency medical technician may administer epinephrine.

(2) Nothing in this section authorizes the administration of epinephrine by a first responder. [2005 c 463 § 1; 2001 c 24 § 1; 1999 c 337 § 4.]

**Findings—Purpose—1999 c 337:** "The legislature finds that allergies are a serious medical disorder that affect more than one in five persons in the United States and are the sixth leading cause of chronic disease. Anaphylaxis is the most severe form of allergic reaction. Rapid and appropriate administration of the drug epinephrine to a patient suffering an anaphylaxis allergic reaction may make the difference between the life and death of that patient. The legislature further finds that some situations may arise when the administration of epinephrine by an emergency medical technician is required to save a person's life and that it is paramount that these valuable emergency response personnel receive the appropriate training on the use of epinephrine to treat anaphylaxis.

It is the purpose of chapter 337, Laws of 1999 to investigate the rate of anaphylaxis statewide and the training and care standards needed to allow emergency medical technicians to administer lifesaving epinephrine." [1999 c 337 § 1.]

**Effective dates—1999 c 337:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 14, 1999], except for section 4 of this act which takes effect January 1, 2000." [1999 c 337 § 5.]

**Short title—1999 c 337:** "This act may be known and cited as the Kristine Kastner Act." [1999 c 337 § 6.]

**RCW 18.73.260 Guidelines.** (1) The department of health shall convene a stakeholder group including the department of social and health services, the department of transportation, and local special

needs transportation providers who shall assist in the development of guidelines for the safe transport of individuals who rely on stretchers and personal mobility devices.

(2) The department of health shall prepare guidelines for the public and vehicle operators relating to:

(a) Appropriate situations in which vehicles other than ambulances may be used to transport individuals who rely upon personal mobility aids in the normal course of their lives; and

(b) Methods for properly securing personal mobility aids on vehicles other than ambulances and determining if they are adequately secured. [2007 c 305 § 2.]

**RCW 18.73.270 Disclosure of information by emergency medical personnel—Violent injuries—Immunity.** (1) Except when treatment is provided in a hospital licensed under chapter 70.41 RCW, a \*physician's trained emergency medical service intermediate life support technician and paramedic, emergency medical technician, or first responder who renders treatment to a patient for (a) a bullet wound, gunshot wound, powder burn, or other injury arising from or caused by the discharge of a firearm; (b) an injury caused by a knife, an ice pick, or any other sharp or pointed instrument which federal, state, or local law enforcement authorities reasonably believe to have been intentionally inflicted upon a person; (c) a blunt force injury that federal, state, or local law enforcement authorities reasonably believe resulted from a criminal act; or (d) injuries sustained in an automobile collision, shall disclose without the patient's authorization, upon a request from a federal, state, or local law enforcement authority as defined in \*\*RCW 70.02.010(3), the following information, if known:

(i) The name of the patient;

(ii) The patient's residence;

(iii) The patient's sex;

(vi) Whether the patient was conscious when contacted;

(vii) Whether the patient appears to have consumed alcohol or appears to be under the influence of alcohol or drugs;

(viii) The name or names of the \*physician's trained emergency medical service intermediate life support technician and paramedic, emergency medical technician, or first responder who provided treatment to the patient; and

(ix) The name of the facility to which the patient is being transported for additional treatment.

(2) A \*physician's trained emergency medical service intermediate life support technician and paramedic, emergency medical technician, first responder, or other individual who discloses information pursuant to this section is immune from civil or criminal liability or professional licensure action for the disclosure, provided that the \*physician's trained emergency medical service intermediate life support technician and paramedic, emergency medical technician, first responder, or other individual acted in good faith and without gross negligence or willful or wanton misconduct.

(3) The obligation to provide information pursuant to this section is secondary to patient care needs. Information must be provided as soon as reasonably possible taking into consideration a patient's emergency care needs.

(4) For purposes of this section, "a \*physician's trained emergency medical service intermediate life support technician and paramedic" has the same meaning as in RCW 18.71.200. [2009 c 359 § 1.]

**Reviser's note:** \*(1) The term "physician's trained emergency medical service intermediate life support technician and paramedic" was changed to "physician's trained advanced emergency medical technician and paramedic" by 2015 c 93 § 2.

\*\* (2) RCW 70.02.010 was amended by 2013 c 200 § 1, changing subsection (3) to subsection (12). RCW 70.02.010 was subsequently amended by 2018 c 201 § 8001, changing subsection (12) to subsection (13).

**RCW 18.73.280 Ambulance service—Transport of patients to a nonmedical facility.** An ambulance service may transport patients to a nonmedical facility, such as a mental health facility or chemical dependency program as authorized in regional emergency medical services and trauma care plans under RCW 70.168.100. [2015 c 157 § 4.]

(2) Organ transport services must ensure that personnel operating organ transport vehicles:

- (a) Are at least 25 years of age;

  - (c) Have a minimum of five years' experience operating a police, fire department, or emergency medical service vehicle under emergency conditions;

**RCW 18.74.005 Purpose of chapter.** The purpose of this chapter is to protect the public health, safety, and welfare, and to provide for state administrative control, supervision, licensure, and regulation of the practice of physical therapy. It is the intent of the legislature that only individuals who meet and maintain prescribed standards of competence and conduct be allowed to engage in the practice of physical therapy as defined and authorized by this chapter. [2005 c 501 § 1; 1983 c 116 § 1.]

**RCW 18.74.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authorized health care practitioner" means and includes licensed physicians, osteopathic physicians, chiropractors, naturopaths, podiatric physicians and surgeons, dentists, and advanced registered nurse practitioners: PROVIDED, HOWEVER, That nothing herein shall be construed as altering the scope of practice of such practitioners as defined in their respective licensure laws.

(2) "Board" means the board of physical therapy created by RCW 18.74.020.

(3) "Close supervision" means that the supervisor has personally diagnosed the condition to be treated and has personally authorized the procedures to be performed. The supervisor is continuously on-site and physically present in the operatory while the procedures are performed and capable of responding immediately in the event of an emergency.

(4) "Department" means the department of health.

(5) "Direct supervision" means the supervisor must (a) be continuously on-site and present in the department or facility where the person being supervised is performing services; (b) be immediately available to assist the person being supervised in the services being performed; and (c) maintain continued involvement in appropriate aspects of each treatment session in which a component of treatment is delegated to assistive personnel or is required to be directly supervised under RCW 18.74.190.

(6) "Indirect supervision" means the supervisor is not on the premises, but has given either written or oral instructions for treatment of the patient and the patient has been examined by the physical therapist at such time as acceptable health care practice requires and consistent with the particular delegated health care task.

(7) "Intramuscular needling," also known as "dry needling," means a skilled intervention that uses a single use, sterile filiform needle

to penetrate the skin and stimulate underlying myofascial trigger points and connective and muscular tissues for the evaluation and management of neuromusculoskeletal pain and movement impairments. Intramuscular needling requires an examination and diagnosis. Intramuscular needling does not include needle retention without stimulation or the stimulation of auricular and distal points.

(8) "Physical therapist" means a person who meets all the requirements of this chapter and is licensed in this state to practice physical therapy.

(9) (a) "Physical therapist assistant" means a person who meets all the requirements of this chapter and is licensed as a physical therapist assistant and who performs physical therapy procedures and related tasks that have been selected and delegated only by the supervising physical therapist. However, a physical therapist may not delegate sharp debridement to a physical therapist assistant.

(b) "Physical therapy aide" means an unlicensed person who receives ongoing on-the-job training and assists a physical therapist or physical therapist assistant in providing physical therapy patient care and who does not meet the definition of a physical therapist, physical therapist assistant, or other assistive personnel. A physical therapy aide may directly assist in the implementation of therapeutic interventions, but may not alter or modify the plan of therapeutic interventions and may not perform any procedure or task which only a physical therapist may perform under this chapter.

(c) "Other assistive personnel" means other trained or educated health care personnel, not defined in (a) or (b) of this subsection, who perform specific designated tasks that are related to physical therapy and within their license, scope of practice, or formal education, under the supervision of a physical therapist, including but not limited to licensed massage therapists, athletic trainers, and exercise physiologists. At the direction of the supervising physical therapist, and if properly credentialed and not prohibited by any other law, other assistive personnel may be identified by the title specific to their license, training, or education.

(10) "Physical therapy" means the care and services provided by or under the direction and supervision of a physical therapist licensed by the state. Except as provided in RCW 18.74.190, the use of Roentgen rays and radium for diagnostic and therapeutic purposes, the use of electricity for surgical purposes, including cauterization, and the use of spinal manipulation, or manipulative mobilization of the spine and its immediate articulations, are not included under the term "physical therapy" as used in this chapter.

(11) "Practice of physical therapy" is based on movement science and means:

(a) Examining, evaluating, and testing individuals with mechanical, physiological, and developmental impairments, functional limitations in movement, and disability or other health and movement-related conditions in order to determine a diagnosis, prognosis, plan of therapeutic intervention, and to assess and document the ongoing effects of intervention;

(b) Alleviating impairments and functional limitations in movement by designing, implementing, and modifying therapeutic interventions that include therapeutic exercise; functional training related to balance, posture, and movement to facilitate self-care and reintegration into home, community, or work; manual therapy including soft tissue and joint mobilization and manipulation; therapeutic massage; assistive, adaptive, protective, and devices related to

postural control and mobility except as restricted by (c) of this subsection; airway clearance techniques; physical agents or modalities; mechanical and electrotherapeutic modalities; and patient-related instruction;

(c) Training for, and the evaluation of, the function of a patient wearing an orthosis or prosthesis as defined in RCW 18.200.010. Physical therapists may provide those direct-formed and prefabricated upper limb, knee, and ankle-foot orthoses, but not fracture orthoses except those for hand, wrist, ankle, and foot fractures, and assistive technology devices specified in RCW 18.200.010 as exemptions from the defined scope of licensed orthotic and prosthetic services. It is the intent of the legislature that the unregulated devices specified in RCW 18.200.010 are in the public domain to the extent that they may be provided in common with individuals or other health providers, whether unregulated or regulated under this title, without regard to any scope of practice;

(d) Performing wound care services that are limited to sharp debridement, debridement with other agents, dry dressings, wet dressings, topical agents including enzymes, hydrotherapy, electrical stimulation, ultrasound, and other similar treatments. Physical therapists may not delegate sharp debridement. A physical therapist may perform wound care services only by referral from or after consultation with an authorized health care practitioner;

(e) Performing intramuscular needling;

(f) Reducing the risk of injury, impairment, functional limitation, and disability related to movement, including the promotion and maintenance of fitness, health, and quality of life in all age populations; and

(g) Engaging in administration, consultation, education, and research.

(12) "Secretary" means the secretary of health.

(13) "Sharp debridement" means the removal of devitalized tissue from a wound with scissors, scalpel, and tweezers without anesthesia. "Sharp debridement" does not mean surgical debridement. A physical therapist may perform sharp debridement, to include the use of a scalpel, only upon showing evidence of adequate education and training as established by rule. Until the rules are established, but no later than July 1, 2006, physical therapists licensed under this chapter who perform sharp debridement as of July 24, 2005, shall submit to the secretary an affidavit that includes evidence of adequate education and training in sharp debridement, including the use of a scalpel.

(14) "Spinal manipulation" includes spinal manipulation, spinal manipulative therapy, high velocity thrust maneuvers, and grade five mobilization of the spine and its immediate articulations.

(15) Words importing the masculine gender may be applied to females. [2023 c 198 § 1; 2018 c 222 § 1; 2016 c 41 § 16. Prior: 2014 c 116 § 3; 2007 c 98 § 1; 2005 c 501 § 2; 1997 c 275 § 8; 1991 c 12 § 1; (1991 c 3 §§ 172, 173 repealed by 1991 sp.s. c 11 § 2); (1990 c 297 § 17 repealed by 1991 c 12 § 6); 1988 c 185 § 1; 1983 c 116 § 2; 1961 c 64 § 1; 1949 c 239 § 1; Rem. (c) A request for comments on the proposed rule from any interested person; and

(d) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.

(7) Prior to adoption of a proposed rule, the commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(8) The commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

(a) At least twenty-five persons;

(b) A state or federal governmental subdivision or agency; or

(c) An association having at least twenty-five members.

(9) If a hearing is held on the proposed rule or amendment, the commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the commission shall publish the mechanism for access to the electronic hearing.

(a) All persons wishing to be heard at the hearing shall notify the executive director of the commission or other designated member in

writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.

(b) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(c) All hearings will be recorded. A copy of the recording will be made available on request.

(d) Nothing in this Article IX shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this Article IX.

(10) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission shall consider all written and oral comments received.

(11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with promulgation of the proposed rule without a public hearing.

(13) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in the compact and in this Article IX shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of commission or member state funds;

(c) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule; or

(d) Protect public health and safety.

(14) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the chair of the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission.

#### **ARTICLE X - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT**

(1) Oversight.

(a) The executive, legislative, and judicial branches of state government in each member state shall enforce this compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules promulgated hereunder shall have standing as statutory law.

(b) All courts shall take judicial notice of the compact and the rules in any judicial or administrative proceeding in a member state

pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission shall be entitled to receive service of process in any such proceeding, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission shall render a judgment or order void as to the commission, this compact, or promulgated rules.

(2) Default, technical assistance, and termination.

(a) If the commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the commission shall:

(i) Provide written notice to the defaulting state and other member states of the nature of the default, the proposed means of curing the default, and/or any other action to be taken by the commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

(d) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(e) The commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the District of Columbia or the federal district where the commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) Dispute resolution.

(a) Upon request by a member state, the commission shall attempt to resolve disputes related to the compact that arise among member states and between member and nonmember states.

(b) The commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

(4) Enforcement.

(a) The commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the District of Columbia or the federal district where the commission has its principal offices against a member state in default to enforce compliance with the provisions of the compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the

event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(c) The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law.

**ARTICLE XI - DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR PHYSICAL THERAPY PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENT**

(1) The compact shall come into effect on the date on which the compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the commission relating to assembly and the promulgation of rules. Thereafter, the commission shall meet and exercise rule-making powers necessary to the implementation and administration of the compact.

(2) Any state that joins the compact subsequent to the commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule that has been previously adopted by the commission shall have the full force and effect of law on the day the compact becomes law in that state.

(3) Any member state may withdraw from this compact by enacting a statute repealing the same.

(a) A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(b) Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(4) Nothing contained in this compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this compact.

(5) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

**ARTICLE XII - CONSTRUCTION AND SEVERABILITY**

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the constitution of any party state or of the United States or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any party state, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters. At the time of applying for compact privilege in this state, the applicant shall comply with established fee requirements.

(2) The fees established in subsection (1) of this section must be an amount sufficient to cover the state's monetary obligations as a member state to the physical therapy licensure compact. [2017 c 108 § 2.]

**Chapter 18.76 RCW**  
**POISON INFORMATION CENTERS**

**Sections**

18.76.010	Purpose.
18.76.020	Definitions.
18.76.030	Poison information center—Statewide program.
18.76.041	Consulting with other poison programs.
18.76.050	Rules and standards.
18.76.060	Poison center medical director—Poison information specialist—Certification required.
18.76.070	Immunity from liability.
18.76.080	Department to defend personnel.
18.76.090	Use of gifts and grants.
18.76.110	Certificate suspension—Noncompliance with support order—Reissuance.

**RCW 18.76.010 Purpose.** The legislature finds that accidental and purposeful exposure to drugs, poisons, and toxic substances continues to be a severe health problem in the state of Washington. It further finds that a significant reduction in the consequences of such accidental exposures has occurred as a result of the services provided by poison information centers.

The purpose of this chapter is to reduce morbidity and mortality associated with overdose and poisoning incidents by providing emergency telephone assistance and treatment referral to victims of such incidents, by providing immediate treatment information to health care professionals, and public education and prevention programs. Further, the purpose is to improve utilization of drugs by providing information to health professionals relating to appropriate therapeutic drug use.

The legislature recognizes that enhanced cooperation between the emergency medical system and poison control centers will aid in responding to emergencies resulting from exposure to drugs, poisons, and toxic substances, and that, by providing telephone assistance to individuals with possible exposure to these substances, the need for emergency room and professional office visits will be reduced. As a result the cost of health care to those who may have exposures to drugs, poisons, and toxic substances will be avoided and appropriate treatment will be assured. [1993 c 343 § 1; 1987 c 214 § 16; 1980 c 178 § 1. Formerly RCW 18.73.210.]

(1) Standards for the operation of a poison information center;

(2) This section:

(a) Applies only to acts or omissions committed or omitted in the performance of duties which are within the area of responsibility and expertise of the poison center medical director or poison information specialist.

(b) Does not relieve the poison center or any person from any duty imposed by law for the designation or training of a person certified under this chapter.

[2015 c 104 § 1.]

**RCW 18.79.260 Registered nurse—Activities allowed—Delegation of tasks.** (1) A registered nurse under his or her license may perform for compensation nursing care, as that term is usually understood, to individuals with illnesses, injuries, or disabilities.

(2) A registered nurse may, at or under the general direction of a licensed physician and surgeon, dentist, osteopathic physician and surgeon, naturopathic physician, optometrist, podiatric physician and surgeon, physician assistant, advanced registered nurse practitioner, or midwife acting within the scope of his or her license, administer medications, treatments, tests, and inoculations, whether or not the severing or penetrating of tissues is involved and whether or not a degree of independent judgment and skill is required. Such direction must be for acts which are within the scope of registered nursing practice.

(3) A registered nurse may delegate tasks of nursing care to other individuals where the registered nurse determines that it is in the best interest of the patient.

(a) The delegating nurse shall:

(i) Determine the competency of the individual to perform the tasks;

(ii) Evaluate the appropriateness of the delegation;

(iii) Supervise the actions of the person performing the delegated task; and

(iv) Delegate only those tasks that are within the registered nurse's scope of practice.

(b) A registered nurse, working for a home health or hospice agency regulated under chapter 70.127 RCW, may delegate the application, instillation, or insertion of medications to a registered or certified nursing assistant under a plan of care.

(c) Except as authorized in (b) or (e) of this subsection, a registered nurse may not delegate the administration of medications. Except as authorized in (e) or (f) of this subsection, a registered nurse may not delegate acts requiring substantial skill, and may not delegate piercing or severing of tissues. Acts that require nursing judgment shall not be delegated.

(d) No person may coerce a nurse into compromising patient safety by requiring the nurse to delegate if the nurse determines that it is inappropriate to do so. Nurses shall not be subject to any employer reprisal or disciplinary action by the \*nursing care quality assurance commission for refusing to delegate tasks or refusing to provide the required training for delegation if the nurse determines delegation may compromise patient safety.

(e) For delegation in community-based care settings or in-home care settings, a registered nurse may delegate nursing care tasks only to registered or certified nursing assistants under chapter 18.88A RCW or home care aides certified under chapter 18.88B RCW. Simple care tasks such as blood pressure monitoring, personal care service, diabetic insulin device set up, verbal verification of insulin dosage for sight-impaired individuals, or other tasks as defined by the \*nursing care quality assurance commission are exempted from this requirement.

(i) "Community-based care settings" includes: Community residential programs for people with developmental disabilities, certified by the department of social and health services under chapter 71A.12 RCW; adult family homes licensed under chapter 70.128 RCW; and assisted living facilities licensed under chapter 18.20 RCW. Community-based care settings do not include acute care or skilled nursing facilities.

(ii) "In-home care settings" include an individual's place of temporary or permanent residence, but does not include acute care or skilled nursing facilities, and does not include community-based care settings as defined in (e)(i) of this subsection.

(iii) Delegation of nursing care tasks in community-based care settings and in-home care settings is only allowed for individuals who have a stable and predictable condition. "Stable and predictable condition" means a situation in which the individual's clinical and behavioral status is known and does not require the frequent presence and evaluation of a registered nurse.

(iv) The determination of the appropriateness of delegation of a nursing task is at the discretion of the registered nurse. Other than delegation of the administration of insulin by injection for the purpose of caring for individuals with diabetes, the administration of medications by injection, sterile procedures, and central line maintenance may never be delegated.

(v) When delegating insulin injections under this section, the registered nurse delegator must instruct the individual regarding proper injection procedures and the use of insulin, demonstrate proper injection procedures, and must supervise and evaluate the individual performing the delegated task as required by the \*commission by rule. If the registered nurse delegator determines that the individual is

competent to perform the injection properly and safely, supervision and evaluation shall occur at an interval determined by the \*commission by rule.

(vi) (A) The registered nurse shall verify that the nursing assistant or home care aide, as the case may be, has completed the required core nurse delegation training required in chapter 18.88A or 18.88B RCW prior to authorizing delegation.

(B) Before commencing any specific nursing tasks authorized to be delegated in this section, a home care aide must be certified pursuant to chapter 18.88B RCW and must comply with RCW 18.88B.070.

(vii) The nurse is accountable for his or her own individual actions in the delegation process. Nurses acting within the protocols of their delegation authority are immune from liability for any action performed in the course of their delegation duties.

(viii) Nursing task delegation protocols are not intended to regulate the settings in which delegation may occur, but are intended to ensure that nursing care services have a consistent standard of practice upon which the public and the profession may rely, and to safeguard the authority of the nurse to make independent professional decisions regarding the delegation of a task.

(f) The delegation of nursing care tasks only to registered or certified nursing assistants under chapter 18.88A RCW or to home care aides certified under chapter 18.88B RCW may include glucose monitoring and testing.

(g) The \*nursing care quality assurance commission may adopt rules to implement this section.

(4) Only a person licensed as a registered nurse may instruct nurses in technical subjects pertaining to nursing.

(5) Only a person licensed as a registered nurse may hold herself or himself out to the public or designate herself or himself as a registered nurse. **RCW 18.80.005 Findings—Purpose.** (1) The legislature finds that:

- (a) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws;
  - (b) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public;
  - (c) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation's health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation;
  - (d) New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex;
  - (e) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant for both nurses and states; and
  - (f) Uniformity of nurse licensure requirements throughout the states promotes public safety and public health benefits.
- (2) The general purposes of this compact are to:
- (a) Facilitate the states' responsibility to protect the public's health and safety;
  - (b) Ensure and encourage the cooperation of party states in the areas of nurse licensure and regulation;
  - (c) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation, and adverse actions;
  - (d) Promote compliance with the laws governing the practice of nursing in each jurisdiction;
  - (e) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses;
  - (f) Decrease redundancies in the consideration and issuance of nurse licenses; and

(g) Provide opportunities for interstate practice by nurses who meet uniform licensure requirements. [2023 c 123 § 2.]

**RCW 18.80.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adverse action" means any administrative, civil, equitable, or criminal action permitted by a state's laws which is imposed by a licensing board or other authority against a nurse, including actions against an individual's license or multistate licensure privilege such as revocation, suspension, probation, monitoring of the licensee, limitation on the licensee's practice, or any other encumbrance on licensure affecting a nurse's authorization to practice, including issuance of a cease and desist action.

(2) "Alternative program" means a nondisciplinary monitoring program approved by a licensing board.

(3) "Coordinated licensure information system" means an integrated process for collecting, storing, and sharing information on nurse licensure and enforcement activities related to nurse licensure laws that is administered by a nonprofit organization composed of and controlled by licensing boards.

(4) "Current significant investigative information" means:

(a) Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond, if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or

(b) Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.

(5) "Encumbrance" means a revocation or suspension of, or any limitation on, the full and unrestricted practice of nursing imposed by a licensing board.

(6) "Home state" means the party state which is the nurse's primary state of residence.

(7) "Interstate commission" means the interstate commission of nurse licensure compact administrators.

(8) "Licensing board" means a party state's regulatory body responsible for issuing nurse licenses.

(9) "Multistate license" means a license to practice as a registered or a licensed practical nurse or vocational nurse issued by a home state licensing board that authorizes the licensed nurse to practice in all party states under a multistate licensure privilege.

(10) "Multistate licensure privilege" means a legal authorization associated with a multistate license permitting the practice of nursing as either a registered nurse, or licensed practical or vocational nurse, in a remote state.

(11) "Nurse" means registered nurse, or licensed practical or vocational nurse, as those terms are defined by each party state's practice laws.

(12) "Party state" means any state that has adopted this compact.

(13) "Remote state" means a party state, other than the home state.

(14) "Single-state license" means a nurse license issued by a party state that authorizes practice only within the issuing state and

does not include a multistate licensure privilege to practice in any other party state.

(15) "State" means a state, territory, or possession of the United States or the District of Columbia.

(16) "State practice laws" means a party state's laws, rules, and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. State practice laws do not include requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state. [2023 c 123 § 3.]

**RCW 18.80.020 General provisions—Jurisdiction.** (1) A multistate license to practice registered or licensed practical or vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a nurse to practice as a registered nurse, or licensed practical or vocational nurse, under a multistate licensure privilege, in each party state.

(2) A state must implement procedures for considering the criminal history records of applicants for initial multistate license or licensure by endorsement. Such procedures shall include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an applicant's criminal history record information from the federal bureau of investigation and the agency responsible for retaining that state's criminal records.

(3) Each party state shall require the following for an applicant to obtain or retain a multistate license in the home state:

(a) Meets the home state's qualifications for licensure or renewal of licensure, as well as all other applicable state laws;

(b) (i) Has graduated or is eligible to graduate from a licensing board-approved registered nurse, or licensed practical or vocational nurse, prelicensure education program; or

(ii) Has graduated from a foreign registered nurse, or licensed practical or vocational nurse, prelicensure education program that (A) has been approved by the authorized accrediting body in the applicable country and (B) has been verified by an independent credentials review agency to be comparable to a licensing board-approved prelicensure education program;

(c) Has, if a graduate of a foreign prelicensure education program not taught in English or if English is not the individual's native language, successfully passed an English proficiency examination that includes the components of reading, speaking, writing, and listening;

(d) Has successfully passed an NCLEX-RN® or NCLEX-PN® examination or recognized predecessor, as applicable;

(e) Is eligible for or holds an active, unencumbered license;

(f) Has submitted, in connection with an application for initial licensure or licensure by endorsement, fingerprints or other biometric data for the purpose of obtaining criminal history record information from the federal bureau of investigation and the agency responsible for retaining that state's criminal records;

(g) Has not been convicted or found guilty, or has entered into an agreed disposition, of a felony offense under applicable state or federal criminal law;

(h) Has not been convicted or found guilty, or has entered into an agreed disposition, of a misdemeanor offense related to the practice of nursing as determined on a case-by-case basis;

(i) Is not currently enrolled in an alternative program;

(j) Is subject to self-disclosure requirements regarding current participation in an alternative program; and

(k) Has a valid United States social security number.

(4) All party states shall be authorized, in accordance with existing state due process law, to take adverse action against a nurse's multistate licensure privilege such as revocation, suspension, probation, or any other action that affects a nurse's authorization to practice under a multistate licensure privilege, including cease and desist actions. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.

(5) A nurse practicing in a party state must comply with the state practice laws of the state in which the client is located at the time service is provided. The practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of the party state in which the client is located. The practice of nursing in a party state under a multistate licensure privilege will subject a nurse to the jurisdiction of the licensing board, the courts, and the laws of the party state in which the client is located at the time service is provided.

(6) Individuals not residing in a party state shall continue to be able to apply for a party state's single-state license as provided under the laws of each party state. However, the single-state license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state. Nothing in this compact shall affect the requirements established by a party state for the issuance of a single-state license.

(7) Any nurse holding a home state multistate license, on the effective date of this compact, may retain and renew the multistate license issued by the nurse's then-current home state, provided that:

(a) A nurse, who changes primary state of residence after the effective date of this compact, must meet all applicable requirements of subsection (3) of this section to obtain a multistate license from a new home state.

(b) A nurse who fails to satisfy the multistate licensure requirements in subsection (3) of this section due to a disqualifying event occurring after the effective date of this compact shall be ineligible to retain or renew a multistate license, and the nurse's multistate license shall be revoked or deactivated in accordance with applicable rules adopted by the interstate commission. [2023 c 123 § 4.]

**RCW 18.80.030 Application for licensure in a party state. (1)**

Upon application for a multistate license, the licensing board in the issuing party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any encumbrances on any license or multistate licensure privilege held by the applicant, whether any adverse action has been taken against any license or multistate licensure privilege held by the applicant, and

whether the applicant is currently participating in an alternative program.

(2) A nurse may hold a multistate license, issued by the home state, in only one party state at a time.

(3) If a nurse changes primary state of residence by moving between two party states, the nurse must apply for licensure in the new home state, and the multistate license issued by the prior home state will be deactivated in accordance with applicable rules adopted by the interstate commission.

(a) The nurse may apply for licensure in advance of a change in primary state of residence.

(b) A multistate license shall not be issued by the new home state until the nurse provides satisfactory evidence of a change in primary state of residence to the new home state and satisfies all applicable requirements to obtain a multistate license from the new home state.

(4) If a nurse changes primary state of residence by moving from a party state to a nonparty state, the multistate license issued by the prior home state will convert to a single-state license, valid only in the former home state. [2023 c 123 § 5.]

**RCW 18.80.040 Additional authorities invested in party state licensing boards.** (1) In addition to the other powers conferred by state law, a licensing board shall have the authority to:

(a) Take adverse action against a nurse's multistate licensure privilege to practice within that party state.

(i) Only the home state shall have the power to take adverse action against a nurse's license issued by the home state.

(ii) For purposes of taking adverse action, the home state licensing board shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine appropriate action;

(b) Issue cease and desist orders or impose an encumbrance on a nurse's authority to practice within that party state;

(c) Complete any pending investigations of a nurse who changes primary state of residence during the course of such investigations. The licensing board shall also have the authority to take appropriate action and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions;

(d) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a licensing board in a party state for the attendance and testimony of witnesses or the production of evidence from another party state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings pending before it. The issuing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located;

(e) Obtain and submit, for each nurse licensure applicant, fingerprint or other biometric-based information to the federal bureau

of investigation for criminal background checks, receive the results of the federal bureau of investigation record search on criminal background checks, and use the results in making licensure decisions;

(f) If otherwise permitted by state law, recover from the affected nurse the costs of investigations and disposition of cases resulting from any adverse action taken against that nurse;

(g) Take adverse action based on the factual findings of the remote state, provided that the licensing board follows its own procedures for taking such adverse action.

(2) If adverse action is taken by the home state against a nurse's multistate license, the nurse's multistate licensure privilege to practice in all other party states shall be deactivated until all encumbrances have been removed from the multistate license. All home state disciplinary orders that impose adverse action against a nurse's multistate license shall include a statement that the nurse's multistate licensure privilege is deactivated in all party states during the pendency of the order.

(3) Nothing in this compact shall override a party state's decision that participation in an alternative program may be used in lieu of adverse action. The home state licensing board shall deactivate the multistate licensure privilege under the multistate license of any nurse for the duration of the nurse's participation in an alternative program. [2023 c 123 § 6.]

**RCW 18.80.050 Coordinated licensure information system—Exchange of information.**

(1) All party states shall participate in a coordinated licensure information system of all licensed registered nurses, and licensed practical or vocational nurses. This system will include information on the licensure and disciplinary history of each nurse, as submitted by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(2) The interstate commission, in consultation with the administrator of the coordinated licensure information system, shall formulate necessary and proper procedures for the identification, collection, and exchange of information under this compact.

(3) All licensing boards shall promptly report to the coordinated licensure information system any adverse action, any current significant investigative information, denials of applications, the reasons for such denials, and nurse participation in alternative programs known to the licensing board regardless of whether such participation is deemed nonpublic or confidential under state law.

(4) Current significant investigative information and participation in nonpublic or confidential alternative programs shall be transmitted through the coordinated licensure information system only to party state licensing boards.

(5) Notwithstanding any other provision of law, all party state licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with nonparty states or disclosed to other entities or individuals without the express permission of the contributing state.

(6) Any personally identifiable information obtained from the coordinated licensure information system by a party state licensing board shall not be shared with nonparty states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

(7) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.

(8) The compact administrator of each party state shall furnish a uniform data set to the compact administrator of each other party state, which shall include, at a minimum:

(a) Identifying information;

(b) Licensure data;

(c) Information related to alternative program participation; and

(d) Other information that may facilitate the administration of this compact, as determined by interstate commission rules.

(9) The compact administrator of a party state shall provide all investigative documents and information requested by another party state. [2023 c 123 § 7.]

**RCW 18.80.060 Interstate commission of nurse licensure compact administrators—Establishment.** (1) The party states hereby create and establish a joint public entity known as the interstate commission of nurse licensure compact administrators.

(a) The interstate commission is an instrumentality of the party states.

(b) Venue is proper, and judicial proceedings by or against the interstate commission shall be brought solely and exclusively, in a court of competent jurisdiction where the principal office of the interstate commission is located. The interstate commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings.

(c) Nothing in this compact shall be construed to be a waiver of sovereign immunity.

(2) (a) Each party state shall have and be limited to one administrator. The head of the state licensing board or designee shall be the administrator of this compact for each party state. Any administrator may be removed or suspended from office as provided by the law of the state from which the administrator is appointed. Any vacancy occurring in the interstate commission shall be filled in accordance with the laws of the party state in which the vacancy exists.

(b) Each administrator shall be entitled to one vote with regard to the promulgation of rules and creation of bylaws and shall otherwise have an opportunity to participate in the business and affairs of the interstate commission. An administrator shall vote in person or by such other means as provided in the bylaws. The bylaws may provide for an administrator's participation in meetings by telephone or other means of communication.

(c) The interstate commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the bylaws or rules of the interstate commission.

(d) All meetings shall be open to the public, and public notice of meetings shall be given in the same manner as required under the rule-making provisions in RCW 18.80.070.

(e) The interstate commission may convene in a closed, nonpublic meeting if the interstate commission must discuss:

(i) Noncompliance of a party state with its obligations under this compact;

(ii) The employment, compensation, discipline, or other personnel matters, practices, or procedures related to specific employees or other matters related to the interstate commission's internal personnel practices and procedures;

(iii) Current, threatened, or reasonably anticipated litigation;

(iv) Negotiation of contracts for the purchase or sale of goods, services, or real estate;

(v) Accusing any person of a crime or formally censuring any person;

(vi) Disclosure of trade secrets or commercial or financial information that is privileged or confidential;

(vii) Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(viii) Disclosure of investigatory records compiled for law enforcement purposes;

(ix) Disclosure of information related to any reports prepared by or on behalf of the interstate commission for the purpose of investigation of compliance with this compact; or

(x) Matters specifically exempted from disclosure by federal or state statute.

(f) If a meeting, or portion of a meeting, is closed pursuant to this provision, the interstate commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision. The interstate commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefor, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the interstate commission or order of a court of competent jurisdiction.

(3) The interstate commission shall, by a majority vote of the administrators, prescribe bylaws or rules to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of this compact, including but not limited to:

(a) Establishing the fiscal year of the interstate commission;

(b) Providing reasonable standards and procedures:

(i) For the establishment and meetings of other committees; and

(ii) Governing any general or specific delegation of any authority or function of the interstate commission;

(c) Providing reasonable procedures for calling and conducting meetings of the interstate commission, ensuring reasonable advance notice of all meetings, and providing an opportunity for attendance of such meetings by interested parties, with enumerated exceptions designed to protect the public's interest, the privacy of individuals, and proprietary information, including trade secrets. The interstate commission may meet in closed session only after a majority of the administrators vote to close a meeting in whole or in part. As soon as practicable, the interstate commission must make public a copy of the vote to close the meeting revealing the vote of each administrator, with no proxy votes allowed;

(d) Establishing the titles, duties, and authority and reasonable procedures for the election of the officers of the interstate commission;

(e) Providing reasonable standards and procedures for the establishment of the personnel policies and programs of the interstate commission. Notwithstanding any civil service or other similar laws of any party state, the bylaws shall exclusively govern the personnel policies and programs of the interstate commission; and

(f) Providing a mechanism for winding up the operations of the interstate commission and the equitable disposition of any surplus funds that may exist after the termination of this compact after the payment or reserving of all of its debts and obligations.

(4) The interstate commission may not, through bylaw or rule, determine or alter:

(a) What is required by RCW 18.80.020(3) by a party state for an applicant to obtain or retain a multistate license in the home state;

(b) Requirements to obtain or renew a single-state license;

(c) The scope of nursing practice in a state;

(d) The methods and grounds for disciplining a nurse in a state;

(e) State labor laws; or

(f) The obligation of any employer to comply with statutory requirements.

(5) The interstate commission shall publish its bylaws and rules, and any amendments thereto, in a convenient form on the web site of the interstate commission.

(6) The interstate commission shall maintain its financial records in accordance with the bylaws.

(7) The interstate commission shall meet and take such actions as are consistent with the provisions of this compact and the bylaws.

(8) The interstate commission shall have the following powers:

(a) To promulgate uniform rules to facilitate and coordinate implementation and administration of this compact. The rules shall have the force and effect of law and shall be binding in all party states;

(b) To bring and prosecute legal proceedings or actions in the name of the interstate commission, provided that the standing of any licensing board to sue or be sued under applicable law shall not be affected;

(c) To purchase and maintain insurance and bonds;

(d) To borrow, accept, or contract for services of personnel including, but not limited to, employees of a party state or nonprofit organizations;

(e) To cooperate with other organizations that administer state compacts related to the regulation of nursing, including but not limited to sharing administrative or staff expenses, office space, or other resources;

(f) To hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of this compact, and to establish the interstate commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

(g) To accept any and all appropriate donations, grants, and gifts of money, equipment, supplies, materials, and services, and to receive, utilize, and dispose of the same; provided that at all times the interstate commission shall avoid any appearance of impropriety or conflict of interest;

(h) To lease, purchase, accept appropriate gifts or donations of, or otherwise to own, hold, improve, or use, any property, whether

real, personal, or mixed; provided that at all times the interstate commission shall avoid any appearance of impropriety;

(i) To sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property, whether real, personal, or mixed;

(j) To establish a budget and make expenditures;

(9) (a) The interstate commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The interstate commission may also levy on and collect an annual assessment from each party state to cover the cost of its operations, activities, and staff in its annual budget as approved each year. The aggregate annual assessment amount, if any, shall be allocated based upon a formula to be determined by the interstate commission, which shall promulgate a rule that is binding upon all party states.

(c) The interstate commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the interstate commission pledge the credit of any of the party states, except by, and with the authority of, such party state.

(d) The interstate commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the interstate commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the interstate commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the interstate commission.

(10) (a) The administrators, officers, executive director, employees, and representatives of the interstate commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of interstate commission employment, duties, or responsibilities; provided that nothing in this subsection shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the intentional, willful, or wanton misconduct of that person.

(b) The interstate commission shall defend any administrator, officer, executive director, employee, or representative of the interstate commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that the person against whom the claim is made

had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further that the actual or alleged act, error, or omission did not result from that person's intentional, willful, or wanton misconduct.

(c) The interstate commission shall indemnify and hold harmless any administrator, officer, executive director, employee, or representative of the interstate commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional, willful, or wanton misconduct of that person. [2023 c 123 § 8.]

**RCW 18.80.070 Rule making.** (1) The interstate commission shall exercise its rule-making powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment and shall have the same force and effect as provisions of this compact.

(2) Rules or amendments to the rules shall be adopted at a regular or special meeting of the interstate commission.

(3) Prior to promulgation and adoption of a final rule or rules by the interstate commission, and at least sixty days in advance of the meeting at which the rule will be considered and voted upon, the interstate commission shall file a notice of proposed rule making:

(a) On the web site of the interstate commission; and

(b) On the web site of each licensing board or the publication in which each state would otherwise publish proposed rules.

(4) The notice of proposed rule making shall include:

(a) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

(b) The text of the proposed rule or amendment, and the reason for the proposed rule;

(c) A request for comments on the proposed rule from any interested person; and

(d) The manner in which interested persons may submit notice to the interstate commission of their intention to attend the public hearing and any written comments.

(5) Prior to adoption of a proposed rule, the interstate commission shall allow persons to submit written data, facts, opinions, and arguments, which shall be made available to the public.

(6) The interstate commission shall grant an opportunity for a public hearing before it adopts a rule or amendment.

(7) The interstate commission shall publish the place, time, and date of the scheduled public hearing.

(a) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing. All hearings will be recorded, and a copy will be made available upon request.

(b) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the

convenience of the interstate commission at hearings required by this section.

(8) If no one appears at the public hearing, the interstate commission may proceed with promulgation of the proposed rule.

(9) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the interstate commission shall consider all written and oral comments received.

(10) The interstate commission shall, by majority vote of all administrators, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rule-making record and the full text of the rule.

(11) Upon determination that an emergency exists, the interstate commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rule-making procedures provided in this compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(a) Meet an imminent threat to public health, safety, or welfare;

(b) Prevent a loss of interstate commission or party state funds;

or

(c) Meet a deadline for the promulgation of an administrative rule that is required by federal law or rule.

(12) The interstate commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the web site of the interstate commission. The revision shall be subject to challenge by any person for a period of thirty days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing, and delivered to the interstate commission, prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the interstate commission. [2023 c 123 § 9.]

**RCW 18.80.080 Oversight—Dispute resolution—Enforcement. (1)**

Each party state shall enforce this compact and take all actions necessary and appropriate to effectuate this compact's purposes and intent.

(2) The interstate commission shall be entitled to receive service of process in any proceeding that may affect the powers, responsibilities, or actions of the interstate commission, and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process in such proceeding to the interstate commission shall render a judgment or order void as to the interstate commission, this compact, or promulgated rules.

(a) If the interstate commission determines that a party state has defaulted in the performance of its obligations or responsibilities under this compact or the promulgated rules, the interstate commission shall:

(i) Provide written notice to the defaulting state and other party states of the nature of the default, the proposed means of curing the default, or any other action to be taken by the interstate commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to cure the default, the defaulting state's membership in this compact may be terminated upon an affirmative vote of a majority of the administrators, and all rights, privileges, and benefits conferred by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in this compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the interstate commission to the governor of the defaulting state and to the executive officer of the defaulting state's licensing board and each of the party states.

(d) A state whose membership in this compact has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(e) The interstate commission shall not bear any costs related to a state that is found to be in default or whose membership in this compact has been terminated unless agreed upon in writing between the interstate commission and the defaulting state.

(f) The defaulting state may appeal the action of the interstate commission by petitioning the United States district court for the District of Columbia or the federal district in which the interstate commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(3) (a) Upon request by a party state, the interstate commission shall attempt to resolve disputes related to the compact that arise among party states and between party and nonparty states.

(b) The interstate commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes, as appropriate.

(c) In the event the interstate commission cannot resolve disputes among party states arising under this compact:

(i) The party states may submit the issues in dispute to an arbitration panel, which will be comprised of individuals appointed by the compact administrator in each of the affected party states and an individual mutually agreed upon by the compact administrators of all the party states involved in the dispute.

(ii) The decision of a majority of the arbitrators shall be final and binding.

(4) (a) The interstate commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this compact.

(b) By majority vote, the interstate commission may initiate legal action in the United States district court for the District of Columbia or the federal district in which the interstate commission has its principal offices against a party state that is in default to enforce compliance with the provisions of this compact and its promulgated rules and bylaws. The relief sought may include both

injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorneys' fees.

(c) The remedies herein shall not be the exclusive remedies of the interstate commission. The interstate commission may pursue any other remedies available under federal or state law. [2023 c 123 § 10.]

**RCW 18.80.090 Effective date—Withdrawal—Amendment.** (1) This compact shall become effective and binding on the earlier of the date of legislative enactment of this compact into law by no less than twenty-six states or December 31, 2018. All party states to this compact, that also were parties to the prior nurse licensure compact, superseded by this compact, shall be deemed to have withdrawn from the prior compact within six months after the effective date of this compact.

(2) Each party state to this compact shall continue to recognize a nurse's multistate licensure privilege to practice in that party state issued under the prior compact until such party state has withdrawn from the prior compact.

(3) Any party state may withdraw from this compact by enacting a statute repealing the same. A party state's withdrawal shall not take effect until six months after enactment of the repealing statute.

(4) A party state's withdrawal or termination shall not affect the continuing requirement of the withdrawing or terminated state's licensing board to report adverse actions and significant investigations occurring prior to the effective date of such withdrawal or termination.

(5) Nothing contained in this compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with the other provisions of this compact.

(6) This compact may be amended by the party states. No amendment to this compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states.

(7) Representatives of nonparty states to this compact shall be invited to participate in the activities of the interstate commission, on a nonvoting basis, prior to the adoption of this compact by all states. [2023 c 123 § 11.]

**RCW 18.80.100 Construction—Severability.** This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States, or if the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this compact shall be held to be contrary to the Constitution of any party state, this compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters. [2023 c 123 § 12.]

**RCW 18.80.900 Short title—2023 c 123.** This act shall be known and cited as the interstate nurse licensure compact of 2023. [2023 c 123 § 1.]

**RCW 18.83A.010 Findings.** (1) The legislature finds:

(a) States license psychologists in order to protect the public through verification of education, training, and experience, and to ensure accountability for professional practice;

(b) The psychology interjurisdictional compact is intended to regulate the day-to-day practice of telepsychology and the provision of psychological services using telecommunication technologies by psychologists across state boundaries in the performance of their psychological practice as assigned by an appropriate authority;

(c) The psychology interjurisdictional compact is intended to regulate the temporary in-person, face-to-face practice of psychology by psychologists across state boundaries for 30 days within a calendar year in the performance of their psychological practice as assigned by an appropriate authority;

(d) The psychology interjurisdictional compact is intended to authorize state psychology regulatory authorities to afford legal recognition, in a manner consistent with the terms of the compact, to psychologists licensed in another state;

(e) The psychology interjurisdictional compact recognizes that states have a vested interest in protecting the public's health and safety through their licensing and regulation of psychologists and that state regulation best protects public health and safety;

(f) The psychology interjurisdictional compact does not apply when a psychologist is licensed in both the home and receiving states; and

(g) The psychology interjurisdictional compact does not apply to permanent in-person, face-to-face practice; it does allow for authorization of temporary psychological practice.

(2) Consistent with the findings of subsection (1) of this section, the psychology interjurisdictional compact is designed to achieve the following purposes and objectives:

(a) Increase public access to professional psychological services by allowing for telepsychological practice across state lines as well as temporary in-person, face-to-face services into a state in which the psychologist is not licensed to practice psychology;

(b) Enhance the states' ability to protect the public's health and safety, especially client/patient safety;

(c) Encourage the cooperation of compact states in the areas of psychology licensure and regulation;

(d) Facilitate the exchange of information between compact states regarding psychologist licensure, adverse actions, and disciplinary history;

(e) Promote compliance with the laws governing psychological practice in each compact state; and

(f) Invest all compact states with the authority to hold licensed psychologists accountable through the mutual recognition of compact state licenses. [2022 c 5 § 2.]

- (4) A psychologist practicing into a distant state under the temporary authorization to practice is subject to the distant state's authority and law. A distant state may, in accordance with that state's due process law, limit or revoke a psychologist's temporary authorization to practice in the distant state and may take other necessary actions under the distant state's applicable law to protect the health and safety of the distant state's citizens. If a distant state takes action, the state must promptly notify the home state and the commission.
- (5) If a psychologist's license in any home state or compact state, or any temporary authorization to practice in any distant state, is restricted, suspended, or otherwise limited, the interjurisdictional practice certificate must be revoked and the psychologist may not practice telepsychology in a compact state under the temporary authorization to practice. [2022 c 5 § 6.]

**RCW 18.83A.070 Adverse actions.** (1) A home state may impose adverse action against a psychologist's license issued by the home state. A distant state may take adverse action on a psychologist's temporary authorization to practice within that distant state.

(2) A receiving state may take adverse action on a psychologist's authority to practice interjurisdictional telepsychology within that receiving state. A home state may take adverse action against a psychologist based on an adverse action taken by a distant state regarding temporary in-person, face-to-face practice.

(3) If a home state takes adverse action against a psychologist's license, that psychologist's authority to practice interjurisdictional telepsychology is terminated and the e-passport is revoked. Furthermore, that psychologist's temporary authorization to practice is terminated and the interjurisdictional practice certificate is revoked.

(a) All home state disciplinary orders which impose adverse action must be reported to the commission in accordance with the rules adopted by the commission. A compact state must report adverse actions in accordance with the rules of the commission.

(b) In the event discipline is reported on a psychologist, the psychologist will not be eligible for telepsychology or temporary in-

person, face-to-face practice in accordance with the rules of the commission.

(c) Other actions may be imposed as determined by the rules adopted by the commission.

(4) A home state's psychology regulatory authority must investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a licensee which occurred in a receiving state as it would if such conduct had occurred by a licensee within the home state. In such cases, the home state's law controls in determining any adverse action against a psychologist's license.

(5) A distant state's psychology regulatory authority must investigate and take appropriate action with respect to reported inappropriate conduct engaged in by a psychologist practicing under a temporary authorization to practice which occurred by a distant state as it would if such conduct had occurred by a licensee within the home state. In such cases, distant state's law controls in determining any adverse action against a psychologist's temporary authorization to practice.

(6) Nothing in this compact overrides a compact state's decision that a psychologist's participation in an alternative program may be used in lieu of adverse action and that such participation remains nonpublic if required by the compact state's law. Compact states must require psychologists who enter any alternative programs to not provide telepsychology services under the authority to practice interjurisdictional telepsychology services under the temporary authorization to practice in any other compact state during the term of the alternative program.

(7) No other judicial or administrative remedy is available to a psychologist if a compact state imposes an adverse action under subsection (3) of this section. [2022 c 5 § 8.]

#### **RCW 18.83A.080 Regulatory authority—Powers and duties—**

**Investigations.** (1) In addition to any other powers granted under state law, a compact state's psychology regulatory authority may:

(a) Issue subpoenas, for both hearings and investigations, which require the attendance and testimony of witnesses and the production of evidence. Subpoenas issued by a compact state's psychology regulatory authority for the attendance and testimony of witnesses, or the production of evidence from another compact state must be enforced in the latter state by any court of competent jurisdiction, according to that court's practice and procedure in considering subpoenas issued in its own proceedings. The issuing state psychology regulatory authority must pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state where the witnesses or evidence are located; and

(b) Issue cease and desist or injunctive relief orders to revoke a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice.

(2) During the course of any investigation, a psychologist may not change his or her home state licensure. A home state psychology regulatory authority may complete any pending investigations of a psychologist and take any actions appropriate under its law. The home state psychology regulatory authority must promptly report the conclusions of the investigations to the commission. Once an investigation has been completed, and pending the outcome of the

investigation, the psychologist may change his or her home state licensure. The commission must promptly notify the new home state of any such decisions as provided in the rules of the commission. All information provided to the commission or distributed by compact states under the investigation of the psychologist is confidential, filed under seal, and used for investigatory or disciplinary matters. The commission may create additional rules for mandated or discretionary sharing of information by compact states. [2022 c 5 § 9.]

(l) To provide and receive information from, and to cooperate with, law enforcement agencies;

(m) To adopt and use an official seal; and

(n) To perform other functions necessary or appropriate to achieve the purposes of the psychology interjurisdictional compact consistent with the state regulation of psychology licensure; temporary in-person, face-to-face practice; and telepsychology practice.

(a) The executive board must be comprised of six members:

(d) The executive board must meet at least annually.

(e) The executive board has the following duties and responsibilities:

(b) The commission may accept any and all appropriate revenue sources, donations, and grants of money, equipment, supplies, materials, and services.

(c) The commission may levy on and collect an annual assessment from each compact state or impose fees on other parties to cover the cost of the operations and activities of the commission and its staff which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount must be allocated based upon a formula to be determined by the commission which must adopt rules binding upon all compact states.

(d) The commission may not incur obligations of any kind before securing the funds adequate to meet these obligations. It may not pledge the credit of any of the compact states, except by and with the authority of the compact state.

(e) The commission must keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the commission are subject to the audit and accounting procedures established under its bylaws. (7) (a) The members, officers, executive director, employees, and representatives of the commission are immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities. Nothing in this subsection may be construed to protect any such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

(b) The commission must defend any member, officer, executive director, employee, or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct. (c) The commission must indemnify and hold harmless any member, officer, executive director, employee, or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties, or responsibilities, if the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person. [2022 c 5 § 11.]

#### **RCW 18.83A.100 Psychology interjurisdictional compact commission**

—**Rule making.** (1) The commission must exercise its rule-making powers under the criteria set forth in this section and the rules adopted under this section. Rules and amendments become binding as of the date specified in each rule or amendment.

(2) If a majority of the legislatures of the compact states reject a rule, by enactment of a statute or resolution in the same manner used to adopt the psychology interjurisdictional compact, the rule will have no further force and effect in any compact state.

(3) Rules or amendments to the rules must be adopted at a regular or special meeting of the commission.

(4) Before adoption of a final rule or rules by the commission, and at least 60 days in advance of the meeting at which the rule will be considered and voted upon, the commission must file a notice of proposed rule making:

- (a) On the website of the commission; and
  - (b) On the website of each compact state's psychology regulatory authority or the publication in which each state would otherwise publish proposed rules.
- (5) The notice of proposed rule making must include:
- (a) The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;
  - (b) The text of the proposed rule or amendment and the reason for the proposed rule;
  - (c) A request for comments on the proposed rule from any interested person; and
  - (d) The manner in which interested persons may submit notice to the commission of their intention to attend the public hearing and any written comments.
- (6) Before adoption of a proposed rule, the commission must allow persons to submit written data, facts, opinions, and arguments, which must be made available to the public.
- (7) The commission must grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:
- (a) At least 25 persons who submit comments independently of each other;
  - (b) A governmental subdivision or agency; or
  - (c) A duly appointed person in an association that has at least 25 members.
- (8) If a hearing is held on the proposed rule or amendment, the commission must publish the place, time, and date of the scheduled public hearing.
- (a) All persons wishing to be heard at the hearing must notify the executive director of the commission or other designated member in writing of their desire to appear and testify at the hearing not less than five business days before the scheduled date of the hearing.
  - (b) Hearings must be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.
  - (c) No transcript of the hearing is required, unless a written request for a transcript is made, in which case the person requesting the transcript must bear the cost of producing the transcript. A recording may be made in lieu of a transcript under the same terms and conditions as a transcript. This subsection does not preclude the commission from making a transcript or recording of the hearing if it so chooses.
  - (d) This section does not require a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.
- (9) Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the commission must consider all written and oral comments received.
- (10) The commission must, by majority vote of all members, take final action on the proposed rule and must determine the effective date of the rule, if any, based on the rule making record and the full text of the rule.
- (11) If no written notice of intent to attend the public hearing by interested parties is received, the commission may proceed with adoption of the proposed rule without a public hearing.
- (12) Upon determination that an emergency exists, the commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, if the usual rule-making

procedures provided in the psychology interjurisdictional compact and in this section are retroactively applied to the rule as soon as reasonably possible, in no event more than 90 days after the effective date of the rule. For the purposes of this subsection, an emergency rule is one that must be adopted immediately in order to:

- (a) Meet an imminent threat to public health, safety, or welfare;
- (b) Prevent a loss of commission or compact state funds;
- (c) Meet a deadline for the adoption of an administrative rule that is established by federal law or rule; or
- (d) Protect public health and safety.

(13) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions must be posted on the website of the commission. The revision is subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge must be made in writing and delivered to the chair of the commission before the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the commission. [2022 c 5 § 12.]

**RCW 18.83A.110 Coordinated licensure information system—**

**Reporting information.** (1) The commission must provide for the development and maintenance of a coordinated licensure information system and reporting system containing licensure and disciplinary action information on all psychologists to whom the psychology interjurisdictional compact is applicable in all compact states as defined by rules of the commission.

(2) A compact state must submit a uniform data set to the coordinated licensure information system on all licensees as required by the rules of the commission, including:

- (a) Identifying information;
- (b) Licensure data;
- (c) Significant investigatory information;
- (d) Adverse actions against a psychologist's license;
- (e) An indicator that a psychologist's authority to practice interjurisdictional telepsychology or temporary authorization to practice is revoked;

(f) Nonconfidential information related to alternative program participation information;

(g) Any denial of application for licensure, and the reasons for such denial; and

(h) Other information which may facilitate the administration of the psychology interjurisdictional compact, as determined by the rules of the commission.

(3) The coordinated database administrator must promptly notify all compact states of any adverse action taken against, or significant investigative information on, any licensee in a compact state.

(4) Compact states reporting information to the coordinated database may designate information that may not be shared with the public without the express permission of the compact state reporting the information.

(5) Any information submitted to the coordinated database that is subsequently required to be expunged by the law of the compact state reporting the information must be removed from the coordinated database. [2022 c 5 § 10.]

**RCW 18.83A.120 Enforcement—Default—Termination of compact membership—Dispute resolution.** (1)(a) The executive, legislative, and judicial branches of state government in each compact state must enforce the psychology interjurisdictional compact and take all actions necessary and appropriate to effectuate the compact's purposes and intent. The provisions of this compact and the rules adopted under this compact have standing as statutory law.

(b) All courts must take judicial notice of the compact and the rules in any judicial or administrative proceeding in a compact state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the commission.

(c) The commission must receive service of process in any such proceeding and has standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the commission renders a judgment or order void as to the commission, this compact, or rules adopted under this compact.

(2)(a) If the commission determines that a compact state has defaulted in the performance of its obligations or responsibilities under the psychology interjurisdictional compact or rules adopted under this compact, the commission must:

(i) Provide written notice to the defaulting state and other compact states of the nature of the default, the proposed means of remedying the default, or any other action to be taken by the commission; and

(ii) Provide remedial training and specific technical assistance regarding the default.

(b) If a state in default fails to remedy the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compact states, and all rights, privileges, and benefits conferred by this compact are terminated on the effective date of the termination. A remedy of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(c) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or termination must be submitted by the commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the compact states.

(d) A compact state which has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations which extend beyond the effective date of termination.

(e) The commission shall not bear any costs incurred by the state which is found to be in default or which has been terminated from the compact, unless agreed upon in writing between the commission and the defaulting state.

(f) The defaulting state may appeal the action of the commission by petitioning the United States district court for the state of Georgia or the federal district where the compact has its principal

offices. The prevailing member must be awarded all costs of the litigation, including reasonable attorneys' fees.

(3) (a) Upon request by a compact state, the commission must attempt to resolve disputes related to the compact that arise among compact states and between compact and noncompact states.

(b) The commission must adopt a rule providing for both mediation and binding dispute resolution for disputes that arise before the commission.

(4) (a) The commission, in the reasonable exercise of its discretion, must enforce the provisions and rules of the psychology interjurisdictional compact.

(b) By majority vote, the commission may initiate legal action in the United States district court for the state of Georgia or the federal district where the compact has its principal offices against a compact state in default to enforce compliance with the provisions of the compact and its adopted rules and bylaws. The relief sought may include both injunctive relief and damages. If judicial enforcement is necessary, the prevailing member must be awarded all costs of such litigation, including reasonable attorneys' fees.

(c) The remedies in this section are not the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or state law. [2022 c 5 § 13.]

**RCW 18.83A.130 Rule-making authority—Fees.** To the extent necessary to implement chapter 5, Laws of 2022, the examining board of psychology is authorized to adopt rules necessary to implement the psychology interjurisdictional compact and the department of health is authorized to adopt rules to establish fees pursuant to RCW 43.70.250. [2022 c 5 § 16.]

**RCW 18.83A.900 Short title—2022 c 5.** Chapter 5, Laws of 2022 may be known and cited as the psychology interjurisdictional compact act. [2022 c 5 § 1.]

**RCW 18.83A.901 Contingent effective date—Withdrawal—Amendment.**

(1) This chapter takes effect on the date on which the compact is enacted into law in the seventh compact state. The provisions that become effective at that time are limited to the powers granted to the commission relating to the assembly and the adoption of rules. Thereafter, the commission must meet and exercise rule-making powers necessary to the implementation and administration of the compact.

(2) Any state which joins the compact subsequent to the commission's initial adoption of the rules are subject to the rules as they exist on the date on which the compact becomes law in that state. Any rule which has been previously adopted by the commission has the full force and effect of law on the day the compact becomes law in that state.

(3) Any compact state may withdraw from this compact by enacting a statute repealing the compact.

(a) A compact state's withdrawal does not take effect until six months after enactment of the repealing statute.

(b) Withdrawal does not affect the continuing requirements of the withdrawing state's psychology regulatory authority to comply with the

investigative and adverse action reporting requirements of this chapter before the effective date of withdrawal.

(4) Nothing contained in the psychology interjurisdictional compact may be construed to invalidate or prevent any psychology licensure agreement or other cooperative arrangement between a compact state and a noncompact state which does not conflict with the provisions of this compact.

(5) This compact may be amended by the compact states. No amendment to this compact becomes effective and binding upon any compact state until it is enacted into the law of all compact states. [2022 c 5 § 14.]

**Reviser's note:** The contingency in subsection (1) of this section occurred prior to enactment of this chapter into law. Therefore, this chapter takes effect June 9, 2022, ninety days after adjournment of the 2022 regular session.

**Department of health—Notice—2022 c 5 § 14:** "The department of health must provide written notice of the effective date of section 14 of this act [June 9, 2022,] to affected parties, the chief clerk of the house of representatives, the secretary of the senate, the office of the code reviser, and others as deemed appropriate by the department." [2022 c 5 § 17.]

**RCW 18.83A.902 Liberal construction.** The psychology interjurisdictional compact must be liberally construed so as to effectuate the purposes of the compact. If the compact is held to be contrary to the constitution of any state member to the compact, the compact remains in full force and effect as to the remaining compact states. [2022 c 5 § 15.]

*Regulation of health professions—Criteria: Chapter 18.120 RCW.*

**RCW 18.84.010 Legislative intent—Insurance coverage not required.** It is the intent and purpose of this chapter to protect the public by the certification and registration of practitioners of radiological technology. By promoting high standards of professional performance, by requiring professional accountability, and by credentialing those persons who seek to provide radiological technology under the title of radiologic technologists, and by regulating all persons utilizing ionizing radiation on human beings this chapter identifies those practitioners who have achieved a particular level of competency. Nothing in this chapter shall be construed to require that individual or group policies or contracts of an insurance carrier, health care service contractor, or health maintenance organization provide benefits or coverage for services and supplies provided by a person certified under this chapter.

**RCW 18.85.191 License fees—Expiration—Renewal—Identification cards—Background checks.** Before receiving a license, every real estate broker, managing broker, and firm must pay a license fee as prescribed by the director by rule. A license issued under the provisions of this chapter expires two years from the issuance date. Licenses issued to real estate firms that are partnerships, limited liability partnerships, limited liability companies, corporations, and other legally recognized business entities expire on the date when the registration or certificate of authority filed with the secretary of state expires. Licenses must be renewed every two years on or before the date established under this section and a biennial renewal license fee as prescribed by the director by rule must be paid. A license is considered expired when the licensee fails to meet the renewal requirements as of the date of renewal for that license.

If the director does not receive the application for a renewal license on or before the renewal date, a penalty fee as prescribed by the director by rule shall be paid. Acceptance by the director of an application for renewal after the renewal date shall not be a waiver of the delinquency.

The license of a person whose license renewal fee is not received within one year from the date of expiration is canceled. This person may obtain a new license by satisfying the procedures and requirements as prescribed by the director by rule.

The director may issue to each active licensee a license and a pocket identification card in the form and size as prescribed by rule.

The director must develop by rule a procedure and a schedule to ensure all active licensees and licensees applying for active status, renewal, or reinstatement have a fingerprint and background check done on a regular basis. **RCW 18.85.211 Licenses—Renewal—Continuing education.** (1) All

real estate brokers and managing brokers shall furnish proof as prescribed by rule of the director that they have successfully completed at least the required minimum number of 30 clock hours of instruction every two years in real estate courses approved by the director to renew their licenses. The director may adopt rules to limit the number of hours of distance education courses that may be used for license renewal. Up to 15 clock hours of instruction in excess of the required 30 clock hours acquired within the immediately preceding two-year period may be carried forward for credit in a subsequent two-year period. Examinations shall not be required to fulfill any part of the education requirement in this section.

(2) For active license renewals, three hours of the required 30 hours of instruction in subsection (1) of this section must be focused on fair housing education and prevention of unfair practices with respect to real estate transactions, facilities, or services as specified in RCW 49.60.222. However, active license renewal applicants who did not complete fair housing and consumer protection training as part of the instruction required by RCW 18.85.101 must complete six hours of the required 30 hours of instruction in subsection (1) of this section focused on fair housing education and prevention of unfair practices with respect to real estate transactions, facilities, or services as specified in RCW 49.60.222 only for the renewal cycle immediately following June 1, 2022.

A real estate firm has the option to utilize one or more assumed names in the conduct and operation of the firm's real estate business. However, before using a name other than that appearing on the license, the firm must obtain a separate license for each and every additional assumed name. Each duplicate license shall be prominently displayed in the office for which it is issued. Each branch office shall be required to have a branch manager who shall be a managing broker authorized by the designated broker to perform the duties of a branch manager.

**RCW 18.85.265 Inactive licenses.** (1) Any license issued under this chapter and not otherwise revoked is deemed "inactive" at any time it is delivered to the director. Until reissued under this chapter, the holder of an inactive license is prohibited from conducting real estate brokerage services.

(2) An inactive license may be renewed on the same terms and conditions as an active license, except that a person with an inactive license need not comply with the education requirements of RCW 18.85.101(1)(c) or 18.85.211. Failure to renew shall result in cancellation in the same manner as an active license.

(3) An inactive license may be placed in an active status upon completion of an application as provided by the director and upon compliance with this chapter and the rules adopted pursuant thereto. If a holder has an inactive license for more than three years, the holder must show proof of successfully completing a thirty clock hour course in real estate within one year before the application for active status. Holders employed by the state and conducting real estate transactions on behalf of the state are exempt from this course requirement.

(4) The provisions of this chapter relating to the denial, suspension, and revocation of a license are applicable to an inactive license as well as an active license, except that when proceedings to suspend or revoke an inactive license have been initiated, the license shall remain inactive until the proceedings have been completed. (2) Listings, transactions, management agreements, and other contracts relating to providing brokerage services are property of the

real estate firm. Brokers shall timely deliver to their appointed managing broker all funds and records required to be held or maintained by the real estate firm. A managing broker is responsible for such funds and records only after they are received from the broker. A managing broker shall timely deliver to the designated broker all funds and records required to be held or maintained by the real estate firm. The designated broker is responsible for such funds and records only after they are received from the managing broker or broker.

(3) The designated broker may delegate by written agreement the duties of safe handling of client funds, maintenance of trust accounts, and transaction and trust account records, along with supervision of brokers, to a managing broker licensed to the firm. The designated broker shall maintain a record of the firm's managing brokers and delegations to managing brokers.

(4) The designated broker or the designated broker's delegate has the authority to amend, modify, bind, create, rescind, terminate, or release real estate brokerage service contracts on behalf of the real estate firm. (5) A broker who supervises or exercises right of control over other brokers in the performance of real estate brokerage services must be licensed as a managing broker.

(6) During the first two years of a broker's licensure, a managing broker must provide a heightened level of supervision as provided by rule of the director. [2008 c 23 § 21.]

**RCW 18.85.285 Transactions and recordkeeping—Trust accounts—Requirements.** (1) Brokers and managing brokers must submit complete copies of their transactions to their firm. The designated broker shall keep adequate records of all real estate transactions handled by or through the firm or firms to which the designated broker is registered. The records shall include, but are not limited to, a copy of the purchase and sale agreement, earnest money receipt, and an itemization of the receipts and disbursements with each transaction. (3) Every real estate licensee shall deliver or cause to be delivered to all parties signing the same, within a reasonable time after signing, purchase and sale agreements, listing agreements, and all other like or similar instruments signed by the parties.

(4) Every real estate firm that keeps separate real estate trust fund accounts must keep the accounts in a recognized Washington state depository. A real estate firm must maintain an adequate amount of funds in the trust fund accounts to facilitate the opening of the trust fund accounts or to prevent the closing of the trust fund accounts.

(5) All licensees shall keep separate and apart and physically segregated from the licensees' own funds, all funds or moneys including advance fees of clients that are being held by the licensees pending the closing of a real estate sale or transaction, or that have

been collected for the clients and are being held for disbursement for or to the clients.

(6) A firm is not required to maintain a trust fund account for transactions concerning a purchase and sale agreement that instructs the broker to deliver the earnest money check directly to a named closing agent or to the seller.

(7) Brokers must deposit all funds into their firm's trust bank account the next banking day following receipt of the funds unless the purchase and sale agreement provides for deferred deposit or delivery. In that event, the broker must promptly deposit or deliver funds in accordance with the terms of the purchase and sale agreement.

(8) (a) If a real estate broker receives or maintains earnest money or client funds for deposit, the real estate firm shall maintain a pooled interest-bearing trust account for deposit of client funds, with the exception of property management trust accounts.

(b) The interest accruing on this account, net of any reasonable and appropriate financial institution service charges or fees, shall be paid to the state treasurer for deposit in the Washington housing trust fund created in \*RCW 43.185.030 and the real estate education program account created in RCW 18.85.321. Appropriate service charges or fees are those charges made by financial institutions on other demand deposit or "now" accounts. The firm or designated broker is not required to notify the client of the intended use of the funds.

(c) The department shall adopt rules that will serve as guidelines in the choice of an account specified in this subsection.

(9) If trust funds are claimed by more than one party, the designated broker or designated broker's delegate must promptly provide written notification to all contracting parties to a real estate transaction of the intent of the designated broker or designated broker's delegate to disburse client funds. The notification must include the names and addresses of all parties to the contract, the amount of money held and to whom it will be disbursed, and the date of disbursement that must occur no later than thirty consecutive days after the notification date.

(10) For an account created under subsection (8) of this section, the designated or managing broker shall direct the depository institution to:

(a) Remit interest or dividends, net of any reasonable and appropriate service charges or fees, on the average monthly balance in the account, or as otherwise computed in accordance with an institution's standard accounting practice, at least quarterly, to the state treasurer for deposit in the housing trust fund created by \*RCW 43.185.030 and the real estate education program account created in RCW 18.85.321; and

(b) Transmit to the director of commerce a statement showing the name of the person or entity for whom the remittance is spent, the rate of interest applied, and the amount of service charges deducted, if any, and the account balance(s) of the period in which the report is made, with a copy of the statement to be transmitted to the depositing person or firm.

(11) The director of commerce shall forward a copy of the reports required by subsection (10) of this section to the department to aid in the enforcement of the requirements of this section consistent with the normal enforcement and auditing practices of the department.

(12) (a) This section does not relieve any real estate broker, managing broker, or firm of any obligation with respect to the safekeeping of clients' funds.

(b) Any violation by real estate brokers, managing brokers, or firms of any of the provisions of this section, RCW 18.85.361, or chapter 18.235 RCW is grounds for disciplinary action against the licenses issued to the brokers, managing brokers, or firms. Brokers and managing brokers must submit written notification to the designated broker for their firm when they terminate affiliation with their firm. The firm, through the designated broker, shall give notice to the director and such notice shall be accompanied by and include the surrender of the broker's or managing broker's license. **The Law of Real Estate Agency**

This pamphlet describes your legal rights in dealing with a real estate firm or broker. Please read it carefully before signing any documents.

The following is only a brief summary of the attached law:

Sec. 1. Definitions. Defines the specific terms used in the law.

Sec. 2. Relationships between Brokers and the Public. Prescribes that a broker who works with a buyer or tenant represents that buyer or tenant—unless the broker is the listing agent, a seller's subagent, a dual agent, the seller personally or the parties agree otherwise. Also prescribes that in a transaction involving two different brokers licensed to the same real estate firm, the firm's designated broker and any managing broker responsible for the supervision of both brokers, are dual agents and each broker solely represents his or her client—unless the parties agree in writing that both brokers are dual agents.

Sec. 3. Duties of a Broker Generally. Prescribes the duties that are owed by all brokers, regardless of who the broker represents. Requires disclosure of the broker's agency relationship in a specific transaction.

Sec. 4. Duties of a Seller's Agent. Prescribes the additional duties of a broker representing the seller or landlord only.

Sec. 5. Duties of a Buyer's Agent. Prescribes the additional duties of a broker representing the buyer or tenant only.

Sec. 6. Duties of a Dual Agent. Prescribes the additional duties of a broker representing both parties in the same transaction, and requires the written consent of both parties to the broker acting as a dual agent.

Sec. 7. Duration of Agency Relationship. Describes when an agency relationship begins and ends. Provides that the duties of accounting and confidentiality continue after the termination of an agency relationship.

Sec. 8. Compensation. Allows real estate firms to share compensation with cooperating real estate firms. States that payment of compensation does not necessarily establish an agency relationship. Allows brokers to receive compensation from more than one party in a transaction with the parties' consent.

Sec. 9. Vicarious Liability. Eliminates the liability of a party for the conduct of the party's agent or subagent, unless the principal participated in or benefited from the

conduct or the agent or subagent is insolvent. Also limits the liability of a broker for the conduct of a subagent.  
Sec. 10. Imputed Knowledge and Notice. Eliminates the common law rule that notice to or knowledge of an agent constitutes notice to or knowledge of the principal.  
Sec. 11. Interpretation. This law establishes statutory duties which replace common law fiduciary duties owed by an agent to a principal.  
Sec. 12. Short Sale. Prescribes an additional duty of a firm representing the seller of owner-occupied real property in a short sale.

(2) (a) The pamphlet required under RCW 18.86.030(1)(f) must also include the following disclosure: When the seller of owner-occupied residential real property enters into a listing agreement with a real estate firm where the proceeds from the sale may be insufficient to cover the costs at closing, it is the responsibility of the real estate firm to disclose to the seller in writing that the decision by any beneficiary or mortgagee, or its assignees, to release its interest in the real property, for less than the amount the borrower owes, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including fees such as the real estate firm's commission.

(b) For the purposes of this subsection, "owner-occupied real property" means real property consisting solely of a single-family residence, a residential condominium unit, or a residential cooperative unit that is the principal residence of the borrower. [2013 c 58 § 13; 2012 c 185 § 2; 1997 c 217 § 7; 1996 c 179 § 13.]

**Effective date—1997 c 217 § 7:** "Section 7 of this act takes effect January 1, 1998." [1997 c 217 § 10.]

**RCW 18.86.120 Pamphlet on real estate brokerage in Washington—Content—Definition. (Effective January 1, 2024.)** The pamphlet required under RCW 18.86.030(1)(f) shall be formatted so it can be easily reviewed by a buyer or seller, including a legible font and font size. The pamphlet shall be in the following form:

## **Real Estate Brokerage in Washington**

### **Introduction**

This pamphlet provides general information about real estate brokerage and summarizes the laws related to real estate brokerage relationships. It describes a real estate broker's duties to the seller/landlord and buyer/tenant. Detailed and complete information about real estate brokerage relationships is available in chapter 18.86 RCW.

If you have any questions about the information in this pamphlet, contact your broker or the designated broker of your broker's firm.

## **Licensing and Supervision of Brokers**

To provide real estate brokerage services in Washington, a broker must be licensed under chapter 18.85 RCW and licensed with a real estate firm, which also must be licensed. Each real estate firm has a designated broker who is responsible for supervising the brokers licensed with the firm. Some firms may have branch offices that are supervised by a branch manager and some firms may delegate certain supervisory duties to one or more managing brokers.

The Washington State Department of Licensing is responsible for enforcing all laws and rules relating to the conduct of real estate firms and brokers.

## **Agency Relationship**

In an agency relationship, a broker is referred to as an "agent" and the seller/landlord and buyer/tenant is referred to as the "principal." For simplicity, in this pamphlet, seller includes landlord, and buyer includes tenant.

### **For Sellers**

A real estate firm and broker must enter into a written services agreement with a seller to establish an agency relationship. The firm will then appoint one or more brokers to be agents of the seller. The firm's designated broker and any managing broker responsible for the supervision of those brokers are also agents of the seller.

### **For Buyers**

A real estate firm and broker(s) who perform real estate brokerage services for a buyer establish an agency relationship by performing those services. The firm's designated broker and any managing broker responsible for the supervision of that broker are also agents of the buyer. A written services agreement between the buyer and the firm must be entered into before, or as soon as reasonably practical after, a broker begins rendering real estate brokerage services to the buyer.

### **For both Buyer and Seller - as a Limited Dual Agent**

A limited dual agent provides limited representation to both the buyer and the seller in a transaction. Limited dual agency requires the consent of each principal in a written services agreement and may occur in two situations: (1) When the buyer and the seller are represented by the same broker, in which case the broker's designated broker and any managing broker responsible for the supervision of that broker are also limited dual agents; and (2) when the buyer and the seller are represented by different brokers in the same firm, in which case each broker solely represents the principal the broker was appointed to represent, but the broker's designated broker and any managing broker responsible for the supervision of those brokers are limited dual agents.

### **Duration of Agency Relationship**

Once established, an agency relationship continues until the earliest of the following:

- (1) Completion of performance by the broker;
- (2) Expiration of the term agreed upon by the parties;
- (3) Termination of the relationship by mutual agreement of the parties; or

(4) Termination of the relationship by notice from either party to the other. However, such a termination does not affect the contractual rights of either party.

### **Written Services Agreement**

A written services agreement between the firm and principal must contain the following:

- (1) The term (duration) of the agreement;
- (2) Name of the broker(s) appointed to act as an agent for the principal;
- (3) Whether the agency relationship is exclusive (which does not allow the principal to enter into an agency relationship with another firm during the term) or nonexclusive (which allows the principal to enter into an agency relationship with multiple firms at the same time);
- (4) Whether the principal consents to limited dual agency;
- (5) The terms of compensation;
- (6) In an agreement with a buyer, whether the broker agrees to show a property when there is no agreement or offer by any party or firm to pay compensation to the broker's firm; and
- (7) Any other agreements between the parties.

### **A Broker's Duties to All Parties**

A broker owes the following duties to all parties in a transaction:

- (1) To exercise reasonable skill and care;
- (2) To deal honestly and in good faith;
- (3) To timely present all written offers, written notices, and other written communications to and from either party;
- (4) To disclose all existing material facts known by the broker and not apparent or readily ascertainable to a party. A material fact includes information that substantially adversely affects the value of the property or a party's ability to perform its obligations in a transaction, or operates to materially impair or defeat the purpose of the transaction. However, a broker does not have any duty to investigate matters that the broker has not agreed to investigate;
- (5) To account in a timely manner for all money and property received from or on behalf of either party;
- (6) To provide this pamphlet to all parties to whom the broker renders real estate brokerage services and to any unrepresented party;
- (7) To disclose in writing who the broker represents; and
- (8) To disclose in writing any terms of compensation offered by a party or a real estate firm to a real estate firm representing another party.

### **A Broker's Duties to the Buyer or Seller**

A broker owes the following duties to their principal (either the buyer or seller):

- (1) To be loyal to their principal by taking no action that is adverse or detrimental to their principal's interest in a transaction;
- (2) To timely disclose to their principal any conflicts of interest;
- (3) To advise their principal to seek expert advice on matters relating to the transaction that are beyond the broker's expertise;
- (4) To not disclose any confidential information from or about their principal; and
- (5) To make a good faith and continuous effort to find a property for the buyer or to find a buyer for the seller's property, until the

principal has entered a contract for the purchase or sale of property or as agreed otherwise in writing.

### **Limited Dual Agent Duties**

A limited dual agent may not advocate terms favorable to one principal to the detriment of the other principal. A broker, acting as a limited dual agent, owes the following duties to both the buyer and seller:

- (1) To take no action that is adverse or detrimental to either principal's interest in a transaction;
- (2) To timely disclose to both principals any conflicts of interest;
- (3) To advise both principals to seek expert advice on matters relating to the transaction that are beyond the limited dual agent's expertise;
- (4) To not disclose any confidential information from or about either principal; and
- (5) To make a good faith and continuous effort to find a property for the buyer and to find a buyer for the seller's property, until the principals have entered a contract for the purchase or sale of property or as agreed otherwise in writing.

### **Compensation**

In any real estate transaction, a firm's compensation may be paid by the seller, the buyer, a third party, or by sharing the compensation between firms. To receive compensation from any party, a firm must have a written services agreement with the party the firm represents (or provide a "Compensation Disclosure" to the buyer in a transaction for commercial real estate).

A services agreement must contain the following regarding compensation:

- (1) The amount the principal agrees to compensate the firm for broker's services as an agent or limited dual agent;
- (2) The principal's consent, if any, and any terms of such consent, to compensation sharing between firms and parties; and
- (3) The principal's consent, if any, and any terms of such consent, to compensation of the firm by more than one party.

### **Short Sales**

A "short sale" is a transaction where the seller's proceeds from the sale are insufficient to cover seller's obligations at closing (e.g., the seller's outstanding mortgage is greater than the sale price). If a sale is a short sale, the seller's real estate firm must disclose to the seller that the decision by any beneficiary or mortgagee, to release its interest in the property for less than the amount the seller owes to allow the sale to proceed, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including real estate firms' compensation. **RCW 18.88A.010 Legislative declaration.** (1) The legislature takes special note of the contributions made by nursing assistants in health care facilities whose tasks are arduous and whose working conditions may be contributing to the high and often critical turnover among the principal cadre of health care workers who provide for the basic needs of patients. The legislature also recognizes the growing shortage of nurses as the proportion of the elderly population grows and as the acuity of patients in hospitals and nursing homes becomes generally more severe.

(2) The legislature finds and declares that:

(a) Occupational nursing assistants should have a formal system of educational and experiential qualifications leading to career mobility and advancement. The establishment of such a system should bring about a more stabilized workforce in health care facilities, as well as provide a valuable resource for recruitment into licensed nursing practice.

(b) The quality of patient care in health care facilities is dependent upon the competence of the personnel who staff their facilities. To assure the availability of trained personnel in health care facilities the legislature recognizes the need for training programs for nursing assistants.

(c) Certified home care aides and medical assistants are a valuable potential source of nursing assistants who will be needed to

meet the care needs of the state's growing aging population. To assure continued opportunity for recruitment into licensed nursing practice and career advancement for certified home care aides and medical assistants, nursing assistant training programs should recognize the relevant training and experience obtained by these credentialed professionals. By taking advantage of the authority granted under the federal social security act to certify nursing assistants through a state-approved competency evaluation program as a federally recognized alternative to the state-approved training and competency evaluation program, the legislature intends to increase the potential for recruitment into licensed nursing practice while maintaining a single standard for competency evaluation of certified nursing assistants.

(d) The registration of nursing assistants and providing for voluntary certification of those who wish to seek higher levels of qualification is in the interest of the public health, safety, and welfare. [2010 c 169 § 1; 1991 c 16 § 1; 1989 c 300 § 3; 1988 c 267 § 1. Formerly RCW 18.52B.010.]

**Conflict with federal requirements—2010 c 169:** "If any part of this act is found by a federal agency to be in conflict with federal requirements, including requirements related to the medicare and medicaid programs under the federal social security act, that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements, including requirements related to the medicare and medicaid programs under the federal social security act, that are a necessary condition to the receipt of federal funds by the state." [2010 c 169 § 13.]

**RCW 18.88A.020 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

**RCW 18.88A.082 Medication assistant endorsement—Requirements.**

(1) Beginning July 1, 2013, the secretary shall issue a medication assistant endorsement to any nursing assistant-certified who meets the following requirements:

(a) Ongoing certification as a nursing assistant-certified in good standing under this chapter;

(b) Completion of a minimum number of hours of documented work experience as a nursing assistant-certified in a long-term care setting as defined in rule by the \*commission;

(c) Successful completion of an education and training program approved by the \*commission by rule, such as the model medication

assistant-certified curriculum adopted by the national council of state boards of nursing. The education and training program must include training on the specific tasks listed in subsection (2) of this section as well as training on identifying tasks that a medication assistant may not perform under subsection (4) of this section;

(d) Passage of an examination approved by the \*commission by rule, such as the medication aide competency examination available through the national council of state boards of nursing; and

(e) Continuing competency requirements as defined in rule by the \*commission.

(2) Subject to subsection (3) of this section, a medication assistant may perform the following additional tasks:

(a) The administration of medications orally, topically, and through inhalation;

(b) The performance of simple prescriber-ordered treatments, including blood glucose monitoring, noncomplex clean dressing changes, pulse oximetry reading, and oxygen administration, to be defined by the \*commission by rule; and

(c) The documentation of the tasks in this subsection (2) on applicable medication or treatment forms.

(3) A medication assistant may only perform the additional tasks in subsection (2) of this section:

(a) In a nursing home;

(b) Under the direct supervision of a designated registered nurse who is on-site and immediately accessible during the medication assistant's shift. The registered nurse shall assess the resident prior to the medication assistant administering medications or treatments and determine whether it is safe to administer the medications or treatments. The judgment and decision to administer medications or treatments is retained by the registered nurse; and

(c) If, while functioning as a medication assistant, the primary responsibility of the medication assistant is performing the additional tasks. The \*commission may adopt rules regarding the medication assistant's primary responsibilities and limiting the duties, within the scope of practice of a nursing assistant-certified, that a nursing assistant-certified may perform while functioning as a medication assistant.

**Effective date—2012 c 208 §§ 2-10:** See note following RCW 18.88A.020.

**Findings—2012 c 208:** "(1) The legislature finds that many residents of skilled nursing facilities are vulnerable and their health and well-being are dependent on their caregivers. The quality, skills, and knowledge of their caregivers are often the key to good care and the need for well-trained caregivers with diverse skill sets is growing as the state's population ages and residents' needs increase.

(2) The legislature further finds that the evidence-based practice of allowing nursing assistants certified to administer certain medications and treatments promotes quality and safety for residents in skilled nursing facilities, and that creating opportunities for career advancement and pay improvement through additional training and credentialing will help enhance the working environment for nursing assistants certified in skilled nursing facilities.

(3) The legislature further finds that creating continued opportunities for recruitment into nursing practice and career advancement for nursing assistants certified will help ensure quality care for residents, and nurse training programs should recognize the relevant training and experience obtained by these credentialed professionals." At least one option adopted by the \*commission must allow an applicant to take the competency evaluation if he or she:

(a) (i) Is a certified home care aide pursuant to chapter 18.88B RCW; or

(ii) Is a certified medical assistant pursuant to a certification program accredited by a national medical assistant accreditation organization and approved by the \*commission; and

(b) Has successfully completed at least twenty-four hours of training that the \*commission determines is necessary to provide training equivalent to approved training on topics not addressed in the training specified for certification as a home care aide or medical assistant, as applicable. In the \*commission's discretion, a portion of these hours may include clinical training.

(2) (a) The \*commission, in consultation with the secretary, the department of social and health services, and consumer, employer, and worker representatives, shall adopt rules to implement this section and to provide for a program of credentialing reciprocity to the extent required by this section between home care aide and medical assistant certification and nursing assistant certification. The secretary shall also adopt such rules as may be necessary to implement this section and the credentialing reciprocity program.

(b) Rules adopted under this section must be consistent with requirements under 42 U.S.C. Sec. 1395i-3(e) and (f) of the federal social security act relating to state-approved competency evaluation programs for certified nurse aides.

(3) The secretary, in consultation with the \*commission, shall report annually by December 1st to the governor and the appropriate committees of the legislature on the progress made in achieving career advancement for certified home care aides and medical assistants into nursing practice. **RCW 18.88A.090 Competency evaluations.** (1) The \*commission shall examine each applicant, by a written or oral and a manual component of competency evaluation. The competency evaluation shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(2) Any applicant failing to make the required grade in the first competency evaluation may take up to three subsequent competency evaluations as the applicant desires upon prepaying a fee determined by the secretary under RCW 43.70.250 for each subsequent competency evaluation. Upon failing four competency evaluations, the secretary may invalidate the original application and require such remedial education before the person may take future competency evaluations.

The \*commission may approve a competency evaluation prepared or administered by a private testing agency or association of licensing agencies for use by an applicant in meeting the credentialing requirements. (2) The department shall send a notification to the last known address of each person who held a certificate under this chapter and, since January 1, 2020, failed to renew the certificate to inform the person that a certificate may be restored without a financial penalty or payment of a renewal fee under subsection (1) of this section. For persons who have allowed their certificates to expire since January 1, 2023, the department must allow six months to pass since the expiration prior to contacting them to inform them that a certificate may be restored without a financial penalty or payment of a renewal fee under subsection (1) of this section.

The opportunity for a nurse to delegate to nursing assistants qualifying under RCW 18.88A.210 may enhance the viability and quality of health care services in community-based care settings and in-home care settings to allow individuals to live as independently as possible with maximum safeguards. [2003 c 140 § 4; 1995 1st sp.s. c 18 § 45.]

(2) For the purposes of this section, "nursing assistant" means a nursing assistant-registered or a nursing assistant-certified. Nothing in this section may be construed to affect the authority of nurses to delegate nursing tasks to other persons, including licensed practical nurses, as authorized by law.

(3) (a) Before commencing any specific nursing care tasks authorized under this chapter, the nursing assistant must (i) provide to the delegating nurse a certificate of completion issued by the department of social and health services indicating the completion of basic core nurse delegation training, (ii) be regulated by the department of health pursuant to this chapter, subject to the uniform disciplinary act under chapter 18.130 RCW, and (iii) meet any additional training requirements identified by the \*nursing care quality assurance commission. (b) In addition to meeting the requirements of (a) of this subsection, before commencing the care of individuals with diabetes that involves administration of insulin by injection, the nursing assistant must provide to the delegating nurse a certificate of completion issued by the department of social and health services indicating completion of specialized diabetes nurse delegation training. The training must include, but is not limited to, instruction regarding diabetes, insulin, sliding scale insulin orders, and proper injection procedures. Nursing assistants following written delegation instructions from registered nurses performed in the course of their accurately written, delegated duties shall be immune from liability.

(2) Nursing assistants shall not be subject to any employer reprisal or disciplinary action by the secretary for refusing to accept delegation of a nursing task based on patient safety issues. No community-based care setting as defined in RCW 18.79.260(3) (e), or in-

**Finding—Intent—2012 c 164:** "The legislature finds that numerous enactments and amendments to long-term care services statutes over many years have resulted in duplicated provisions, ambiguities, and other technical errors. **Rules—2012 c 164:** "By September 1, 2012, the department of social and health services shall adopt rules that reflect all statutory and regulatory training requirements for long-term care workers, as defined in RCW 74.39A.009, to provide the services identified in RCW 74.39A.009(5)(a)." **Intent—Findings—Construction—Short title—2009 c 2 (Initiative Measure No. 1029):** See notes following RCW 18.88B.050.

**RCW 18.88B.021 Certification requirements.** (1) Beginning January 7, 2012, except as provided in RCW 18.88B.041, any person hired as a long-term care worker must be certified as a home care aide as provided in this chapter within 200 calendar days after the date of hire. A long-term care worker who is not currently certified or eligible to reactivate an expired credential shall receive a new date of hire when beginning work with either a new employer or returning to a former employer after prior employment has ended.

(2) (a) No person may practice or, by use of any title or description, represent himself or herself as a certified home care aide without being certified as provided in this chapter.

(b) This section does not prohibit a person: (i) From practicing a profession for which the person has been issued a license or which is specifically authorized under this state's laws; or (ii) who is exempt from certification under RCW 18.88B.041 from providing services as a long-term care worker.

(c) In consultation with consumer and worker representatives, the department shall, by January 1, 2013, establish by rule a single scope of practice that encompasses both long-term care workers who are certified home care aides and long-term care workers who are exempted from certification under RCW 18.88B.041.

(3) If a pandemic, natural disaster, or other declared state of emergency impacts the ability of long-term care workers to complete certification as required by this section, the department may adopt rules to allow long-term care workers additional time to become certified.

(a) Rules adopted under this subsection (3) are effective until the termination of the pandemic, natural disaster, or other declared state of emergency or until the department determines that additional time for long-term care workers to become certified is no longer necessary, whichever is later. Once the department determines a rule adopted under this subsection (3) is no longer necessary, it must repeal the rule under RCW 34.05.353.

(b) Within 12 months of the termination of the pandemic, natural disaster, or other declared state of emergency, the department shall conduct a review of certification compliance with subsection (1) of this section and rules adopted under this subsection (3) and provide the legislature with a report.

**RCW 18.88B.031 Certification examinations.** (1) Except as provided in RCW 18.88B.041 and subject to the other requirements of this chapter, to be certified as a home care aide, a long-term care worker must successfully complete the training required under RCW 74.39A.074(1) and a certification examination. Any long-term care worker failing to make the required grade for the examination may not be certified as a home care aide.

(2) The department, in consultation with consumer and worker representatives, shall develop a home care aide certification examination to evaluate whether an applicant possesses the skills and knowledge necessary to practice competently.

(3) The examination or series of examinations shall include both a skills demonstration and a written or oral knowledge test. The department shall establish rules governing the number of times and under what circumstances individuals who have failed the examination may sit for the examination, including whether any intermediate remedial steps should be required. The skills demonstration, the knowledge test, or both, may be administered throughout training, on the last day of training, or after a student's formal training. An applicant may apply to take the examination during or after training. An applicant may not sit for any part of the examination prior to completing the part of the training associated with that part of the examination. The examination or series of examinations may be conducted at local testing sites around the state. For the purpose of reducing the travel time for applicants, the department shall explore alternative testing options such as remote testing.

(4) (a) All examinations shall be conducted by fair and wholly impartial methods. All examinations shall be available to be administered in the preferred language for the applicant taking the examination. The certification examination shall be administered and evaluated by:

(i) The department;

(ii) A contractor to the department that is not an employer of long-term care workers unless the employer is a department of social and health services approved instructor and has met the department standards for administering the examination; or

(iii) A high school or community college that has met department standards for administering the examination.

(b) The department shall conduct an annual evaluation of the examination results of applicants who complete the examination in a language other than English. If the department finds that applicants taking the examination in a particular language fail at a disproportionately higher rate than other examination takers, the department shall conduct a review of the translation to ensure that it is accurate and understandable.

(5) The department shall adopt rules to implement this section. [2023 c 323 § 2; 2012 c 164 § 304; 2012 c 1 § 104 (Initiative Measure No. 1163, approved November 8, 2011).]

**Finding—2023 c 323:** "(1) Long-term care supports people who need help meeting their health or personal care needs due to age or

disabling conditions. Maintaining an adequate workforce of long-term care workers is critical to the system.

(2) Current law requires that home care aides complete required training and pass a test to become certified. A 2022 performance audit found that many home care aide applicants faced barriers in scheduling the test, challenges getting to the test site, and often delays of months between completing training and taking the test. Barriers and inefficiencies in this process were cited as a primary reason for many applicants dropping out prior to becoming certified.

(3) The legislature finds that improvements in this process and the reduction of barriers are necessary to ensure an adequate home care workforce." [2023 c 323 § 1.]

**RCW 18.88B.035 Provisional certification.** (1) The department may issue a provisional certification to a long-term care worker who is limited English proficient to allow the person additional time to comply with the requirement that a long-term care worker become certified as a home care aide within two hundred calendar days after the date of hire as provided in RCW 18.88B.021, if the long-term care worker:

(a) Is limited English proficient; and

(b) Complies with other requirements established by the department in rule.

(2) The department shall issue a provisional certification to a long-term care worker who has met the requirements of subsection (1) of this section. The provisional certification may only be issued once and is valid for no more than sixty days after the expiration of the two hundred calendar day requirement for becoming certified.

(3) The department shall adopt rules to implement this section.

(4) For the purposes of this section, "limited English proficient" means that an individual is limited in his or her ability to read, write, or speak English. [2015 c 152 § 4; 2013 c 259 § 2.]

(B) A person who was initially hired as a long-term care worker prior to January 7, 2012, and who completes all of the training requirements in effect as of the date the person was hired.

(ii) Individuals exempted by (a)(i) of this subsection may obtain certification as a home care aide without fulfilling the training requirements in RCW 74.39A.074(1)(d)(ii) but must successfully complete a certification examination pursuant to RCW 18.88B.031.

(d) A person working as an individual provider who provides twenty hours or less of care for one person in any calendar month.

(e) A person working as an individual provider who only provides respite services and works less than three hundred hours in any calendar year.

(f) A long-term care worker providing approved services only for a spouse or registered domestic partner, pursuant to the long-term services and supports trust program established in chapter 50B.04 RCW.

(g) A long-term care worker providing approved services only for a spouse or registered domestic partner and funded through the United States department of veterans affairs home and community-based programs.

(2) A long-term care worker exempted by this section from the training requirements contained in RCW 74.39A.074 may not be prohibited from enrolling in training pursuant to that section.

(3) The department shall adopt rules to implement this section. [2023 c 424 § 7; 2019 c 363 § 20; 2015 c 152 § 1; 2014 c 139 § 6; 2012 c 164 § 302; 2012 c 1 § 105 (Initiative Measure No. 1163, approved November 8, 2011).]

**RCW 18.88B.050 Disciplinary action—Uncertified practice.** (1) The uniform disciplinary act, chapter 18.130 RCW, governs uncertified practice, issuance and renewal of certificates, and the discipline of persons with certificates under this chapter. The secretary shall be the disciplinary authority under this chapter.

(2) The secretary may take action to immediately suspend the certification of a home care aide upon finding that conduct of the home care aide has caused or presents an imminent threat of harm to a functionally disabled person in his or her care.

(3) If the secretary imposes suspension or conditions for continuation or renewal of certification, the suspension or conditions for continuation or renewal are effective immediately upon notice and shall continue in effect pending the outcome of any hearing.

(4) The department shall take appropriate enforcement action related to the licensure of a private agency or facility licensed by the state, to provide personal care services, other than an individual provider, who knowingly employs a long-term care worker who is not a certified home care aide as required under this chapter or whose certification is revoked or, if exempted from certification by RCW 18.88B.041, who has not completed his or her required training pursuant to RCW 74.39A.074.

(5) Chapter 34.05 RCW shall govern actions by the department under this section.

(6) The department shall adopt rules to implement this section. [2012 c 164 § 601; 2011 1st sp.s. c 31 § 4; 2009 c 580 § 17; 2009 c 2 § 13 (Initiative Measure No. 1029, approved November 4, 2008).]

**Finding—Intent—Rules—Effective date—2012 c 164:** See notes following RCW 18.88B.010.

**Effective date—2011 1st sp.s. c 31:** "Except for sections 6, 10, and 14 through 17 of this act, this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [June 15, 2011]." [2011 1st sp.s. c 31 § 18.]

**Intent—Findings—2009 c 2 (Initiative Measure No. 1029):** "It is the intent of the people through this initiative to protect the safety of and improve the quality of care to the vulnerable elderly and persons with disabilities.

The people find and declare that current procedures to train and educate long-term care workers and to protect the elderly or persons with disabilities from caregivers with a criminal background are insufficient. The people find and declare that long-term care workers for the elderly or persons with disabilities should have a federal criminal background check and a formal system of education and experiential qualifications leading to a certification test.

The people find that the quality of long-term care services for the elderly and persons with disabilities is dependent upon the competency of the workers who provide those services. To assure and enhance the quality of long-term care services for the elderly and persons with disabilities, the people recognize the need for federal criminal background checks and increased training requirements. Their establishment should protect the vulnerable elderly and persons with disabilities, bring about a more stabilized workforce, improve the quality of long-term care services, and provide a valuable resource for recruitment into long-term care services for the elderly and persons with disabilities." [2009 c 2 § 1 (Initiative Measure No. 1029, approved November 4, 2008).]

**Construction—2009 c 2 (Initiative Measure No. 1029):** "The provisions of this act are to be liberally construed to effectuate the intent, policies, and purposes of this act." [2009 c 2 § 19 (Initiative Measure No. 1029, approved November 4, 2008).]

**Short title—2009 c 2 (Initiative Measure No. 1029):** "This act may be known and cited as the better background checks and improved training for long-term care workers for the elderly and persons with disabilities initiative of 2008." [2009 c 2 § 21 (Initiative Measure No. 1029, approved November 4, 2008).]

**RCW 18.88B.060 Authority of department.** (1) The department has the authority to:

- (a) Establish forms, procedures, and examinations necessary to certify home care aides pursuant to this chapter;
- (b) Hire clerical, administrative, and investigative staff as needed to implement this section;
- (c) Issue certification as a home care aide to any applicant who has successfully completed the home care aide examination, and renew such certificates;
- (d) Maintain the official record of all applicants and persons with certificates;
- (e) Exercise disciplinary authority as authorized in chapter 18.130 RCW; and
- (f) Deny certification to applicants who do not meet training, competency examination, and conduct requirements, including background checks, for certification.

(2) The department shall adopt rules that establish the procedures, including criteria for reviewing an applicant's state and federal background checks, and examinations necessary to implement this section. [2012 c 164 § 303.]

**Finding—Intent—Rules—Effective date—2012 c 164:** See notes following RCW 18.88B.010.

**RCW 18.88B.070 Nurse delegated tasks.** (1) The legislature recognizes that nurses have been successfully delegating nursing care tasks to family members and others for many years. The opportunity for a nurse to delegate nursing care tasks to home care aides certified under this chapter may enhance the viability and quality of health care services in community-based care settings and in-home care settings to allow individuals to live as independently as possible with maximum safeguards.

(2) (a) A certified home care aide who wishes to perform a nurse delegated task pursuant to RCW 18.79.260 must complete nurse delegation core training under chapter 18.88A RCW before the home care aide may be delegated a nursing care task by a registered nurse delegator. Before administering insulin, a home care aide must also complete the specialized diabetes nurse delegation training under chapter 18.88A RCW. Before commencing any specific nursing care tasks authorized under RCW 18.79.260, the home care aide must:

(i) Provide to the delegating nurse a transcript or certificate of successful completion of training issued by an approved instructor or approved training entity indicating the completion of basic core nurse delegation training; and

(ii) Meet any additional training requirements mandated by the \*nursing care quality assurance commission. Any exception to these training requirements is subject to RCW 18.79.260(3)(e)(vi).

(b) In addition to meeting the requirements of (a) of this subsection, before providing delegated nursing care tasks that involve administration of insulin by injection to individuals with diabetes, the home care aide must provide to the delegating nurse a transcript or certificate of successful completion of training issued by an approved instructor or approved training entity indicating completion of specialized diabetes nurse delegation training. The training must include, but is not limited to, instruction regarding diabetes, insulin, sliding scale insulin orders, and proper injection procedures.

(3) The home care aide is accountable for his or her own individual actions in the delegation process. Home care aides accurately following written delegation instructions from a registered nurse are immune from liability regarding the performance of the delegated duties.

(4) Home care aides are not subject to any employer reprisal or disciplinary action by the secretary for refusing to accept delegation of a nursing care task based on his or her concerns about patient safety issues. No provider of a community-based care setting as defined in RCW 18.79.260, or in-home services agency as defined in RCW 70.127.010, may discriminate or retaliate in any manner against a person because the person made a complaint about the nurse delegation process or cooperated in the investigation of the complaint. [2012 c 164 § 406.]

**\*Reviser's note:** The reference to "nursing care quality assurance commission" was changed to "board of nursing" by 2023 c 123.

**Finding—Intent—Rules—Effective date—2012 c 164:** See notes following RCW 18.88B.010.

**RCW 18.88B.080 Disqualification.** A long-term care worker disqualified from working with vulnerable persons under chapter 74.39A RCW may not be certified or maintain certification as a home care aide under this chapter. [2023 c 223 § 1; 2012 c 164 § 501.]

**Finding—Intent—Rules—Effective date—2012 c 164:** See notes following RCW 18.88B.010.

**RCW 18.88B.090 Reinstatement of certification.** (1) A certificate that has been expired for five years or less may be reinstated if the person holding the expired certificate:

(a) Completes an abbreviated application form;

(b) Pays any necessary fees, including the current certification fee, late renewal fees, and expired credential reissuance fees, unless exempt pursuant to RCW 18.88B.091;

(c) Provides a written declaration that no action has been taken by a state or federal jurisdiction or hospital which would prevent or restrict the person holding the expired certificate from practicing as a home care aide;

(d) Provides a written declaration that the person holding the expired certificate has not voluntarily given up any credential or privilege or has not been restricted from practicing as a home care aide in lieu of or to avoid formal action; and

(e) Submits to a state and federal background check as required by RCW 74.39A.056, if the certificate has been expired for more than one year.

(2) In addition to meeting the requirements of subsection (1) of this section, a certificate that has been expired for more than five years may be reinstated if the person holding the expired certificate demonstrates competence to the standards established by the secretary and meets other requirements established by the secretary. [2023 c 424 § 3.]

**RCW 18.88B.091 Reinstatement of certification—Exemption from fees. (Expires July 1, 2025.)** (1) Beginning September 1, 2023, a person whose home care aide certificate has been expired for more than six months and less than two years who seeks to restore the certificate to active status is exempt from the payment of any late renewal fee or current renewal fee if the person complies with all other certification requirements determined necessary by the department to return to active status.

(2) The department shall send a notification to the last known address of each person who held a certificate under this chapter and, since January 1, 2020, failed to renew the certificate to inform the person that a certificate may be restored without a financial penalty or payment of a renewal fee under subsection (1) of this section. For persons who have allowed their certificates to expire since January 1, 2023, the department must allow six months to pass since the expiration prior to contacting them to inform them that a certificate may be restored without a financial penalty or payment of a renewal fee under subsection (1) of this section.

(3) The department and the department of social and health services, as applicable, shall adopt rules to assure that continuing education requirements are not a barrier for persons seeking to reactivate their certificates under this chapter.

(4) This section expires July 1, 2025. [2023 c 424 § 4.]

**RCW 18.88B.800 Reduction of barriers—Training and testing system—Examination of testing sites—Report. (Expires July 30, 2026.)**

(1) The department of health, in consultation with the department of social and health services and other relevant participants, shall:

(a) Devise a system that reduces delays between training and testing for home care aides that includes the following:

(i) Developing and implementing a plan to integrate testing into training that allows applicants to test at the same location where they train;

(ii) Allowing remote testing within home care aide training programs immediately or shortly after completion of the program; and

(iii) Determining the benefits and costs of having home care aide training programs authorize applicants to test instead of the department of health;

(b) Examine existing challenges related to a lack of testing sites and develop a plan, including an estimation of costs, to expand testing sites, which shall include the following considerations:

(i) Applicant travel time and availability of testing for comparable professions;

(ii) How many test sites are needed, where these sites should be located, and the best way to establish appropriate partnerships that can lead to new test sites;

(iii) How often test sites should be available to applicants; and

(iv) Whether there are areas of the state where a stipend for travel expenses would be beneficial and appropriate protocols for travel stipends;

(c) Establish performance measures and data collection criteria to monitor the overall length of time between training and testing and the number of available test sites;

(d) Establish accountability mechanisms for the overall training to testing process; and

(e) Establish performance-based contracts for vendors who administer the tests that include the following:

(i) All key performance measures expected, including a definition of what sufficient access to test sites entails; and

(ii) Detailed vendor costs.

(2) (a) When completing the requirements of subsection (1) of this section, the department of health shall ensure that its decisions are informed by existing data on test completion, including passage and failure rates for both parts of the examination.

(b) When conducting the examination under subsection (1) (b) of this section, the department of health shall:

(i) Use various geographic measures, including by county and by zip code; and

(ii) Conduct a survey of all approved testing locations in Washington to determine their current capacity for offering tests and their potential capacity to offer tests if not for the lack of available proctors.

(3) The department of health, in consultation with the department of social and health services and other relevant participants, shall submit to the governor and the appropriate committees of the legislature a preliminary report no later than June 30, 2024, and a final report no later than December 31, 2024, that includes a summary of the work conducted in accordance with the requirements specified in subsection (1) of this section and any recommendations for improvement.

(4) This section expires July 30, 2026. [2023 c 323 § 3.]

**RCW 18.89.030 Respiratory care practitioner—What constitutes.**

A respiratory care practitioner is a person who adopts or uses any title or any description of services which incorporates one or more of the following terms or designations: (1) RT, (2) RCP, (3) respiratory care practitioner, (4) respiratory therapist, (5) respiratory technician, (6) inhalation therapist, or (7) any other words, abbreviation, or insignia indicating that he or she is a respiratory care practitioner. management, diagnostic testing, rehabilitation, disease prevention, and care of patients with deficiencies and abnormalities which affect the cardiopulmonary system and associated aspects of other systems, and is under the direct written, verbal, or telephonic order and under the qualified medical direction of a health care practitioner. The practice of respiratory care includes:

(a) The use and administration of prescribed medical gases, exclusive of general anesthesia, including the administration of nitrous oxide for analgesia under the direct supervision of a health care practitioner;

(b) The use of air and oxygen administering apparatus;

(c) The use of humidification and aerosols;

(d) The administration, to the extent of training, as determined by the secretary, of prescribed pharmacologic agents, including any medications administered via a nebulizer, related to cardiopulmonary care;

(m) Acting as an extracorporeal membrane oxygenation specialist for the purposes of extracorporeal life support and extracorporeal membrane oxygenation in all critical areas, including the operating room, only if a respiratory therapist has obtained specialized education and training as determined by the secretary. Programs meeting the extracorporeal life support organization guidelines for training and continuing education of extracorporeal membrane oxygenation specialists shall be considered sufficient to meet the specialized education requirement. For the purposes of this subsection, extracorporeal membrane oxygenation specialist duties do not include the conduct and management of cardiopulmonary bypass, the incorporation of venous reservoirs, or cardiotomy suction during extracorporeal membrane oxygenation therapy; and

(n) Cardiopulmonary stress testing, including the administration of medications used during cardiopulmonary stress testing.

**RCW 18.89.050 Powers of secretary—Ad hoc advisers—Application of Uniform Disciplinary Act.** (1) In addition to any other authority provided by law, the secretary may:

(a) Adopt rules, in accordance with chapter 34.05 RCW, necessary to implement this chapter;

(b) Set all license, examination, and renewal fees in accordance with RCW 43.70.250;

(c) Establish forms and procedures necessary to administer this chapter;

(d) Issue a license to any applicant who has met the education, training, and examination requirements for licensure;

**RCW 18.92.012 Authority to dispense legend drugs prescribed by other veterinarians.** A veterinarian licensed under this chapter may dispense veterinary legend drugs prescribed by other veterinarians licensed under this chapter, so long as, during any year, the total drugs so dispensed do not constitute more than five percent of the total dosage units of legend drugs the veterinarian dispenses and the veterinarian maintains records of his or her dispensing activities consistent with the requirements of chapters 18.64, 69.04, 69.41, and 69.50 RCW. For purposes of this section, a "veterinary legend drug" is a legend drug, as defined in chapter 69.41 RCW, which is either: (1) Restricted to use by licensed veterinarians by any law or regulation of the federal government, or (2) designated by rule by the pharmacy quality assurance commission as being a legend drug that one licensed veterinarian may dispense for another licensed veterinarian under this section. **RCW 18.92.013 Dispensing of drugs by registered or licensed personnel.** (1) A veterinarian legally prescribing drugs may delegate to a registered veterinary medication clerk, while under the veterinarian's direct supervision, certain nondiscretionary functions defined by the board and used in the preparing of legend and nonlegend drugs (except controlled substances as defined in or under chapter 69.50 RCW) associated with the practice of veterinary medicine. A veterinarian legally prescribing drugs may delegate to a licensed veterinary technician, while under the veterinarian's indirect supervision, certain nondiscretionary functions defined by the board

and used in the preparing of legend drugs, nonlegend drugs, and controlled substances associated with the practice of veterinary medicine. Upon final approval of the packaged prescription following a direct physical inspection of the packaged prescription for proper formulation, packaging, and labeling by the veterinarian, the veterinarian may delegate the delivery of the prescription to a registered veterinary medication clerk or licensed veterinary technician, while under the veterinarian's indirect supervision. Dispensing of drugs by veterinarians, licensed veterinary technicians, and registered veterinary medication clerks shall meet the applicable requirements of chapters 18.64, 69.40, 69.41, and 69.50 RCW and is subject to inspection by the pharmacy quality assurance commission investigators.

(2) A licensed veterinary technician may administer legend drugs under chapter 69.41 RCW and controlled substances under chapter 69.50 RCW under indirect supervision of a veterinarian.

(5) "Veterinary technician" means a person who is licensed by the board upon meeting the requirements of RCW 18.92.128. The board may exempt any veterinarian or veterinary technician who completed training substantially equivalent to the training developed under subsection (1) of this section in the three years prior to July 1, 2022.

(3) The hours spent completing training under this section count toward meeting any applicable continuing education requirements for veterinarians and veterinary technicians.

territory of the United States, the District of Columbia, or another country, if that individual's qualifications and experience are determined by the board to be equivalent to the qualifications and experience required of a person licensed under RCW 18.96.070.

A licensee who fails to pay a renewal fee for a period of five years may be reinstated under such circumstances as the board determines.

(2) Any licensee in good standing may withdraw from the practice of landscape architecture by giving written notice to the director, and may within five years thereafter resume active practice upon payment of the then-current renewal fee. A licensee may be reinstated after a withdrawal of more than five years under such circumstances as the board determines.

(3) A licensed landscape architect must demonstrate continuing professional education activities since the landscape architect's last renewal or initial licensure, as the case may be; the board shall by rule describe the professional development activities required by the board. The board may decline to renew a license if the landscape architect's continuing professional education activities do not meet the standards in the board's rules. In the application of this subsection, the board shall strive to ensure that rules are consistent with the continuing professional education requirements in use by the national professional organizations representing landscape architects and in use by other cohort states. (3) Having a financial interest in the bidding for or the performance of a contract to supply labor or materials for or to construct a project for which employed or retained as a landscape architect except with the consent of the client or employer after disclosure of such facts; or allowing an interest in any business to affect a decision regarding landscape architectural work for which retained, employed, or called upon to perform;

(4) Signing or permitting a seal to be affixed to any drawings or specifications that were not prepared or reviewed by the landscape architect or under the landscape architect's personal supervision by persons subject to the landscape architect's direction and control; or

(5) Willfully evading or trying to evade any law, ordinance, code, or regulation governing site or landscape construction. [2009 c 370 § 12; 2002 c 86 § 235; 1997 c 58 § 827; 1969 ex.s. c 158 § 12.]

All certificates of licensure shall show the full name of the licensee, have the license number, and shall be signed by the chair of the board and by the director. The issuance of a certificate of licensure by the director is prima facie evidence that the person named therein is entitled to all the rights and privileges of a licensed landscape architect.

(2) Each licensee shall obtain a seal of the design authorized by the board bearing the landscape architect's name, license number, the legend "Licensed Landscape Architect," and the name of this state. Drawings prepared by the licensee shall be sealed and signed by the licensee when filed with public authorities. It is unlawful to seal and sign a document after a licensee's certificate of licensure or authorization has expired, been revoked, or is suspended. A landscape architect shall not seal and sign technical submissions not prepared by the landscape architect or his or her regularly employed subordinates or individuals under his or her direct control, or if prepared by a landscape architect licensed in any jurisdiction recognized by the board, reviewed and accepted as the sealing landscape architect's own work; a landscape architect who signs or seals drawings or specifications that he or she has reviewed is responsible to the same extent as if prepared by that landscape architect. **RCW 18.104.005 Transfer of duties to the department of health.**

The powers and duties of the department of social and health services under this chapter shall be performed by the department of health. [1989 1st ex.s. c 9 § 237.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.104.010 Purpose.** The legislature declares that the drilling, making or constructing of wells within the state is a business and activity of vital interest to the public. In order to protect the public health, welfare, and safety of the people it is necessary that provision be made for the regulation and licensing of

well contractors and operators and for the regulation of well design and construction. [1993 c 387 § 1; 1971 ex.s. c 212 § 1.]

**RCW 18.104.020 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abandoned well" means a well that is unmaintained or is in such disrepair that it is unusable or is a risk to public health and welfare.

(2) "Constructing a well" or "construct a well" means:

(a) Boring, digging, drilling, or excavating a well;

(b) Installing casing, sheeting, lining, or well screens, in a well;

(c) Drilling a geotechnical soil boring; or

(d) Installing an environmental investigation well.

"Constructing a well" or "construct a well" includes the alteration of an existing well.

(3) "Decommission" means to fill or plug a well so that it will not produce water, serve as a channel for movement of water or pollution, or allow the entry of pollutants into the well or aquifers.

(4) "Department" means the department of ecology.

(5) "Dewatering well" means a cased or lined excavation or boring that is intended to withdraw or divert groundwater for the purpose of facilitating construction, stabilizing a landslide, or protecting an aquifer.

(6) "Director" means the director of the department of ecology.

(7) "Environmental investigation well" means a cased hole intended or used to extract a sample or samples of groundwater, vapor, or soil from an underground formation and which is decommissioned immediately after the sample or samples are obtained. An environmental investigation well is typically installed using direct push technology or auger boring and uses the probe, stem, auger, or rod as casing. An environmental investigation well is not a geotechnical soil boring.

(8) "Geotechnical soil boring" or "boring" means a well drilled for the purpose of obtaining soil samples or information to ascertain structural properties of the subsurface.

(9) "Ground source heat pump boring" means a vertical boring constructed for the purpose of installing a closed loop heat exchange system for a ground source heat pump.

(10) "Grounding well" means a grounding electrode installed in the earth by the use of drilling equipment to prevent buildup of voltages that may result in undue hazards to persons or equipment. Examples are anode and cathode protection wells.

(11) "Groundwater" means and includes groundwaters as defined in RCW 90.44.035.

(12) "Instrumentation well" means a well in which pneumatic or electric geotechnical or hydrological instrumentation is permanently or periodically installed to measure or monitor subsurface strength and movement. Instrumentation well includes borehole extensometers, slope indicators, pneumatic or electric pore pressure transducers, and load cells.

(13) "Monitoring well" means a well designed to obtain a representative groundwater sample or designed to measure the water level elevation in either clean or contaminated water or soil.

(14) "Observation well" means a well designed to measure the depth to the water level elevation in either clean or contaminated water or soil.

(15) "Operator" means a person who (a) is employed by a well contractor; (b) is licensed under this chapter; or (c) who controls, supervises, or oversees the construction of a well or who operates well construction equipment.

(16) "Owner" or "well owner" means the person, firm, partnership, copartnership, corporation, association, other entity, or any combination of these, who owns the property on which the well is or will be constructed or has the right to the well by means of an easement, covenant, or other enforceable legal instrument for the purpose of benefiting from the well.

(17) "Pollution" and "contamination" have the meanings provided in RCW 90.48.020.

(18) "Remediation well" means a well intended or used to withdraw groundwater or inject water, air (for air sparging), or other solutions into the subsurface for the purpose of remediating, cleaning up, or controlling potential or actual groundwater contamination.

(19) "Resource protection well" means a cased boring intended or used to collect subsurface information or to determine the existence or migration of pollutants within an underground formation. Resource protection wells include monitoring wells, observation wells, piezometers, spill response wells, remediation wells, environmental investigation wells, vapor extraction wells, ground source heat pump boring, grounding wells, and instrumentation wells.

(20) "Resource protection well contractor" means any person, firm, partnership, copartnership, corporation, association, or other entity, licensed and bonded under chapter 18.27 RCW, engaged in the business of constructing resource protection wells or geotechnical soil borings.

(21) "Water well" means any excavation that is constructed when the intended use of the well is for the location, diversion, artificial recharge, observation, monitoring, dewatering, or withdrawal of groundwater. "Water wells" include ground source heat pump borings and grounding wells.

(22) "Water well contractor" means any person, firm, partnership, copartnership, corporation, association, or other entity, licensed and bonded under chapter 18.27 RCW, engaged in the business of constructing water wells.

(23) (a) "Well" means water wells, resource protection wells, dewatering wells, and geotechnical soil borings.

(b) Well does not mean an excavation made for the purpose of:

(i) Obtaining or prospecting for oil, natural gas, geothermal resources, minerals, or products of mining, or quarrying, or for inserting media to repressure oil or natural gas bearing formations, or for storing petroleum, natural gas, or other products;

(ii) Siting and constructing an on-site sewage disposal system as defined in RCW 70A.105.020 or a large on-site sewage system as defined in RCW 70A.115.010; or

(iii) Inserting any device or instrument less than ten feet in depth into the soil for the sole purpose of performing soil or water testing or analysis or establishing soil moisture content as long as there is no withdrawal of water in any quantity other than as necessary to perform the intended testing or analysis.

(24) "Well contractor" means a resource protection well contractor and a water well contractor licensed and bonded under

chapter 18.27 RCW. [2021 c 65 § 14. Prior: 2011 c 196 § 1; 2005 c 84 § 1; 2002 c 48 § 1; 2000 c 171 § 26; 1993 c 387 § 2; 1983 1st ex.s. c 27 § 14; 1971 ex.s. c 212 § 2.]

**RCW 18.104.043 Well sealing and decommissioning—Delegation of authority.** (1) If requested in writing by the governing body of a local health district or county, the department by memorandum of agreement may delegate to the governing body the authority to administer and enforce the well tagging, sealing, and decommissioning portions of the water well construction program.

(2) The department shall determine whether a local health district or county that seeks delegation under this section has the resources, capability, and expertise, including qualified field inspectors, to administer the delegated program. If the department determines the local government has these resources, it shall notify well contractors and operators of the proposal. The department shall accept written comments on the proposal for sixty days after the notice is mailed.

(3) If the department determines that a delegation of authority to a local health district or county to administer and enforce the well sealing and decommissioning portions of the water well construction program will enhance the public health and safety and the environment, the department and the local governing body may enter into a memorandum of agreement setting forth the specific authorities delegated by the department to the local governing body. The memorandum of agreement must be, at a minimum, reviewed annually. The department, in consultation with the technical advisory group, created under RCW 18.104.190, shall adopt rules outlining the annual review and reporting process. A detailed summary of the review must be made available to well contractors and operators upon request and be published on the department's website.

(4) With regard to the portions of the water well construction program delegated under this section, the local governing agency shall exercise only the authority delegated to it under this section. If, after a public hearing, the department determines that a local governing body is not administering the program in accordance with this chapter, it shall notify the local governing body of the deficiencies. If corrective action is not taken within a reasonable time, not to exceed sixty days, the department by order shall withdraw the delegation of authority.

(5) The department shall promptly furnish the local governing body with a copy of each water well report and notification of start cards received in the area covered by a delegated program.

(6) The department and the local governing body shall coordinate to reduce duplication of effort and shall share all appropriate information including technical reports, violations, and well reports.

(7) Any person aggrieved by a decision of a local health district or county under a delegated program may appeal the decision to the department. The department's decision is subject to review by the pollution control hearings board as provided in RCW 43.21B.110.

(8) The department shall not delegate the authority to license well contractors, renew licenses, receive notices of intent to commence constructing a well, receive well reports, or collect state fees provided for in this chapter. [2005 c 84 § 2; 2000 c 32 § 1; 1996 c 12 § 2; 1993 c 387 § 5; 1992 c 67 § 2.]

**Findings—Intent—1996 c 12:** "The legislature finds that experimental delegation of portions of the well drilling administration and enforcement authority of the department of ecology to willing and able local governments has been successful to date. Delegation has provided a more effective and efficient means of assuring proper well construction and decommissioning and protection of public health and safety than could be accomplished by the department of ecology acting alone. The legislature further finds that without legislative action, the authority for such delegation will expire June 30, 1996. Therefore, it is the intent of the legislature to extend the authority for delegation an additional four years." [1996 c 12 § 1.]

**Legislative findings—1992 c 67:** "The legislature finds that the public health and safety and the environment would be enhanced by permitting qualified local governmental agencies to administer and enforce portions of the water well construction program." [1992 c 67 § 1.]

**RCW 18.104.048 Prior notice of well construction, reconstruction, or decommissioning.** A property owner or the owner's agent shall notify the department of his or her intent to begin well construction, reconstruction, or decommissioning procedures at least seventy-two hours in advance of commencing work. The notice shall be submitted on forms provided by the department and shall be accompanied by the fees required by RCW 18.104.055. The notice shall contain the name of the owner of the well, location of the well, proposed use, approximate start date, well contractor's or operator's name and license number, company's name, and other pertinent information as prescribed by rule of the department. Rules of the department shall also provide for prior telephonic notification by well contractors or operators in exceptional situations. The department shall issue a receipt indicating that the notice required by this section has been filed and the fees required by RCW 18.104.055 have been paid not later than three business days after the department has received the notice and fees. [1993 c 387 § 6; 1987 c 394 § 3.]

**RCW 18.104.049 Modification of construction standards.** The department by rule shall adopt procedures to permit a well operator to modify construction standards to meet unforeseen circumstances encountered during the construction of a well. The procedures shall be developed in consultation with the technical advisory group established in RCW 18.104.190. [1993 c 387 § 7.]

**RCW 18.104.050 Reports of well construction or decommissioning.**

(1) Any person authorized by this chapter to construct or decommission a well shall furnish a well report to the director within thirty days after the completion of the construction or decommissioning of a well. The director, by rule, shall prescribe the form of the report and the information to be contained therein.

(2) In the case of a dewatering well project:

(a) A single well construction report may be submitted for all similar dewatering wells constructed with no significant change in geologic formation; and

(b) A single well decommissioning report may be submitted for all similar dewatering wells decommissioned that have no significant change in geologic formation. [2005 c 84 § 3; 1993 c 387 § 8; 1971 ex.s. c 212 § 5.]

**RCW 18.104.055 Fees.** (1) A fee is hereby imposed on each well constructed in this state on or after July 1, 2005.

(2) (a) The fee for one water well, other than a dewatering well, with a minimum top casing diameter of less than twelve inches is two hundred dollars. This fee does not apply to a ground source heat pump boring or a grounding well.

(b) The fee for one water well, other than a dewatering well, with a minimum top casing diameter of twelve inches or greater is three hundred dollars.

(c) The fee for a resource protection well, except for an environmental investigation well, a ground source heat pump boring, or a grounding well, is forty dollars for each well.

(d) The fee for an environmental investigation well in which groundwater is sampled or measured is forty dollars for construction of up to four environmental investigation wells per project, ten dollars for each additional environmental investigation well constructed on a project with more than four wells. There is no fee for soil or vapor sampling purposes.

(e) The fee for a ground source heat pump boring or a grounding well is forty dollars for construction of up to four ground source heat pump borings or grounding wells per project and ten dollars for each additional ground source heat pump boring or grounding well constructed on a project with more than four wells.

(f) The combined fee for construction and decommissioning of a dewatering well system shall be forty dollars for each two hundred horizontal lineal feet, or portion thereof, of the dewatering well system.

(h) The fee to decommission a resource protection well, except for an environmental investigation well, is twenty dollars. There is no fee to decommission an environmental investigation well or a geotechnical soil boring.

(i) The fee to decommission a ground source heat pump boring or a grounding well is twenty dollars.

(3) The fees imposed by this section shall be paid at the time the notice of well construction is submitted to the department as provided by RCW 18.104.048. The department by rule may adopt procedures to permit the fees required for resource protection wells to be paid after the number of wells actually constructed has been determined. The department shall refund the amount of any fee collected for wells, borings, probes, or excavations as long as construction has not started and the department has received a refund request within one hundred eighty days from the time the department received the fee. The refund request shall be made on a form provided by the department. [2005 c 84 § 4; 2002 c 48 § 2; 1993 c 387 § 9.]

**RCW 18.104.060 Violations—Cease and desist orders.**

Notwithstanding and in addition to any other powers granted to the department, whenever it appears to the director, or to an assistant authorized by the director to issue regulatory orders under this section, that a person is violating or is about to violate any of the provisions of this chapter, the director, or the director's authorized assistant, may cause a written regulatory order to be served upon said person either personally, or by registered or certified mail delivered to the addressee only with return receipt requested and acknowledged by him or her. The order shall specify the provision of this chapter, and if applicable, the rule adopted pursuant to this chapter alleged to be or about to be violated, and the facts upon which the conclusion of violating or potential violation is based, and shall order the act constituting the violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary corrective action to be taken with regard to such acts within a specific and reasonable time. An order issued under this chapter shall become effective immediately upon receipt by the person to whom the order is directed, and shall become final unless review thereof is requested as provided in this chapter. [1993 c 387 § 10; 1971 ex.s. c 212 § 6.]

**RCW 18.104.065 Remedies for noncomplying wells.** (1) The department may order a well contractor or well operator to repair, alter, or decommission a well if the department demonstrates that the construction of the well did not meet the standards for well construction in effect at the time construction of the well was completed.

(2) The department may not issue an order pursuant to this section:

(a) For wells for which construction has been substantially completed before July 1, 1993, more than six years after construction has been substantially completed; or

(b) For wells for which construction has been substantially completed on or after July 1, 1993, more than three years after construction has been substantially completed.

For purposes of this subsection, "construction has been substantially completed" has the same meaning as "substantial completion of construction" in RCW 4.16.310.

(3) Subsection (2) of this section shall only apply to a well for which the notice of construction required by RCW 18.104.048 and the

report required by RCW 18.104.050 have been filed with the department.  
[1993 c 387 § 11.]

**RCW 18.104.070 Water well operator's license.** A person shall be qualified to receive a water well operator's license if the person:

- (1) Has submitted a completed application to the department on forms provided by the department and has paid to the department the application fee determined by rule adopted pursuant to this chapter; and
- (2) Has the field experience and educational training required by rule adopted by the department pursuant to this chapter; and
- (3) Has passed a written examination as provided for in RCW 18.104.080; and

assuming liability for any and all well construction activities of the person seeking the training license.

A person with a water well construction operator's training license may operate a drilling rig without the direct supervision of a licensed operator if a licensed operator is available by radio, telephone, or other means of communication. [2019 c 232 § 13; 1993 c 387 § 13.]

(4) Has passed an on-site examination by the department if the person's qualifying field experience is from another state. The department may waive the on-site examination.

A person with a license issued pursuant to this chapter before July 1, 1993, may obtain a resource protection well construction operator's license by paying the application fee determined by rule adopted by the department pursuant to this chapter and submitting evidence required by the department to demonstrate that the person has the required experience to construct resource protection wells. [1993 c 387 § 14.]

**RCW 18.104.100 Licenses—Duration—Renewal—Failure to renew, procedure—Suspension—Conditional licenses.** (1) Licenses issued pursuant to this chapter shall be renewed every two years. A license shall be renewed upon payment of a renewal fee and completion of continuing education requirements and receipt of a completed license renewal application. If a licensee fails to submit an application for renewal, the renewal fee, and proof of completion of the required continuing education, the license shall be suspended at the end of its effective term. The licensee is not allowed to perform work authorized by their license during the time that it is suspended. The licensee is allowed thirty days to submit an application for renewal, the renewal fee, and proof of completion of the required continuing education for the renewal period. Continuing education obtained during the thirty-day suspension period may be applied only to the next renewal period. If a licensee fails to submit an application for renewal, the renewal fee, and proof of completion of the required continuing education by the end of the thirty-day suspension period, the license expires. The department shall adopt rules, in consultation with the technical advisory group created under RCW 18.104.190, that allow for an extension of the thirty-day suspension period for certain situations that are beyond the control of the licensee. The rules must also allow for a retirement or inactive license.

(2) A person whose license has expired must apply for a new license as provided in this chapter. The department may waive the requirement for a written examination and on-site testing for a person whose license has expired.

(3) The department may refuse to renew a license if the licensee has not complied with an order issued by the department or has not paid a penalty imposed in accordance with this chapter, unless the order or penalty is under appeal.

(4) The department may issue a conditional license to enable a former licensee to comply with an order to correct problems with a well. [2005 c 84 § 5; 1993 c 387 § 17; 1971 ex.s. c 212 § 10.]

**RCW 18.104.110 Actions against licenses—Grounds—Duration.** (1) In cases other than those relating to the failure of a licensee to renew a license, the director may suspend or revoke a license issued pursuant to this chapter for any of the following reasons:

(a) For fraud or deception in obtaining the license;

If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order.

(3) No license shall be suspended for more than six months, except that a suspension under RCW 74.20A.320 shall continue until the department receives a release issued by the department of social and

health services stating that the person is in compliance with the order.

(4) No person whose license is revoked shall be eligible to apply for a license for one year from the effective date of the final order of revocation. [1997 c 58 § 828; 1993 c 387 § 18; 1991 c 3 § 251; 1971 ex.s. c 212 § 11.]

administration of the well construction, well operators' licensing, and education programs.

(2) The department shall provide grants to local governing entities that have been delegated portions of the well construction program pursuant to RCW 18.104.043 to assist in supporting well inspectors hired by the local governing body. Grants provided to a local governing body shall not exceed the revenues generated from fees for the portion of the program delegated and from the area in which authority is delegated to the local governing body. (i) Without a license; or

(ii) After the person's license has been suspended for more than ninety days or revoked.

(3) (a) The penalty for a minor violation shall be not less than one hundred dollars and not more than five hundred dollars. Before the imposition of a penalty for a minor violation, the department may issue an order of noncompliance to provide an opportunity for mitigation or compliance.

(b) The penalty for a serious violation shall be not less than five hundred dollars and not more than five thousand dollars.

(c) The penalty for a major violation shall be not less than five thousand dollars and not more than ten thousand dollars.

**RCW 18.106.020 Certificate or permit required—Photo identification—Trainee supervision required—Medical gas piping installer endorsement—Penalty—Notice of infraction.** (1) No person may engage in or offer to engage in the trade of plumbing without having a journey level certificate, specialty certificate, residential service certificate, temporary permit, or trainee certificate and photo identification in his or her possession. The department must establish by rule a requirement that the person also wear and visibly display his or her certificate or permit. A trainee must be supervised by a person who has a journey level certificate, specialty certificate, residential service certificate, or temporary permit, as specified in RCW 18.106.070. Until January 1, 2021, no contractor may employ a person to engage in or offer to engage in the trade of plumbing unless the contractor is a registered plumbing contractor under chapter 18.27 RCW and the person performing the plumbing work has a journey level certificate, specialty certificate, temporary permit, or trainee certificate. After January 1, 2021, no contractor may employ a person to engage in or offer to engage in the trade of plumbing unless the contractor is a licensed plumbing contractor under this chapter and the person performing the plumbing work has a journey level certificate, specialty certificate, residential service certificate, temporary permit, or training certificate.

(2) Without exception, no person may engage in or offer to engage in medical gas piping installation without having a certificate of competency as a journey level plumber and a medical gas piping installer endorsement and photo identification in his or her possession. The department must establish by rule a requirement that the person also wear and visibly display his or her endorsement. A trainee may engage in medical gas piping installation if he or she has a training certificate and is supervised by a person with a medical gas piping installer endorsement. No plumbing contractor may employ a person to engage in or offer to engage in medical gas piping installation unless the person employed has a certificate of competency as a journey level plumber and a medical gas piping installer endorsement.

(3) Violation of this chapter is an infraction. Each worksite at which a person engages in the trade of plumbing in violation of this chapter or at which a person is employed in violation of this chapter is a separate infraction.

(4) Notices of infractions for violations of this chapter may be issued to:

(a) The person engaging in or offering to engage in the trade of plumbing in violation of this chapter;

(b) The contractor in violation of this chapter; and

(c) The contractor's employee who authorized the work assignment of the person employed in violation of this chapter.

(5) It is unlawful for anyone required to be licensed under this chapter or registered under chapter 18.27 RCW to subcontract to or use anyone not licensed under this chapter for work covered by the provisions of this chapter. **Finding—Intent—2009 c 36:** "(1) The legislature finds that dishonest construction contractors sometimes hire workers without proper licenses, certificates, permits, and endorsements to do electrical, plumbing, and conveyance work. This practice gives these contractors an unfair competitive advantage and leaves workers and customers vulnerable.

(2) The legislature intends that electricians, plumbers, and conveyance workers be required to have their licenses, certificates, permits, and endorsements and photo identification in their possession while working. The legislature further intends that the department of labor and industries be authorized to require electricians, plumbers, and conveyance workers to wear and visibly display their licenses, certificates, permits, and endorsements while working, and to include photo identification on these documents. These requirements will help address the problems of the underground economy in the construction industry, level the playing field for honest contractors, and protect workers and consumers." [2009 c 36 § 1.]

**Effective date—1997 c 326:** See note following RCW 18.106.010.

**Effective date—1994 c 174:** "This act shall take effect July 1, 1994." [1994 c 174 § 10.]

**Effective date—1983 c 124:** "Sections 4 through 16 of this act shall take effect on January 1, 1984." [1983 c 124 § 21.]

Completion of a course of study in the plumbing trade in the armed services of the United States or at a school accredited by the workforce training and education coordinating board shall constitute sufficient evidence of experience and competency to enable such person to make application for a certificate of competency for a journey level plumber, specialty plumber, or residential service plumber.

(2) Any person desiring to be issued a medical gas piping installer endorsement shall deliver evidence in a form prescribed by the department affirming that the person has met the requirements established by the department for a medical gas piping installer endorsement.

(3) Upon determination that the applicant is eligible to take the examination, the director shall so notify the applicant, indicating the time and place for taking the same.

(4) No other requirement for eligibility may be imposed. [2020 c 153 § 8; 2013 c 23 § 17; 2006 c 185 § 2; 2001 c 281 § 2; 1977 ex.s. c 149 § 4; 1975 1st ex.s. c 71 § 3; 1973 1st ex.s. c 175 § 4.]

(3) An examination to determine the competency of an applicant for a domestic water pumping system specialty plumbing certificate as defined by RCW 18.106.010(14)(c) must be established by the department in consultation with the advisory board by December 31, 2006. The department may include an examination for appropriate electrical safety and technical requirements as required by RCW 19.28.191 with the examination required by this section. The department, in consultation with the advisory board, may accept the certification by a professional or trade association or other acceptable entity as meeting the examination requirement of this section. The department shall establish a single document for those who have received both the plumbing specialty certification defined by this subsection and have also met the certification requirements for a pump and irrigation or domestic pump specialty electrician, showing that the individual has received both certifications.

(4) The department shall certify the results of the examinations provided by this chapter, and shall notify the applicant in writing whether he or she has passed or failed. Any applicant who has failed

the examination may retake the examination, upon the terms and after a period of time that the director shall set by rule. **RCW 18.106.070 Certificates of competency, installer endorsement—Issuance—Renewal—Rights of holder—Training certificates—**

**Supervision—Training, certified plumber—Work group.** (1) The department shall issue a certificate of competency to all applicants who have passed the examination and have paid the fee for the certificate. The certificate may include a photograph of the holder. The certificate shall bear the date of issuance, and be renewed every three years, upon application, on or before the birthdate of the holder. The department shall renew a certificate of competency if the applicant: (a) Pays the renewal fee assessed by the department; and (b) during the past three years has completed twenty-four hours of continuing education approved by the department with the advice of the advisory board, including four hours related to electrical safety. For holders of the specialty plumber certificate under RCW 18.106.010(14)(c), the continuing education may comprise both electrical and plumbing education with a minimum of twelve of the required twenty-four hours of continuing education in plumbing. If a person fails to renew the certificate by the renewal date, he or she must pay a doubled fee. If the person does not renew the certificate within ninety days of the renewal date, he or she must retake the examination and pay the examination fee.

The journey level plumber, specialty plumber, and residential service plumber certificates of competency, the medical gas piping installer endorsement, and the temporary permit provided for in this chapter grant the holder the right to engage in the work of plumbing as a journey level plumber, specialty plumber, residential service plumber, or medical gas piping installer, in accordance with their provisions throughout the state and within any of its political subdivisions on any job or any employment without additional proof of competency or any other license or permit or fee to engage in the work. This section does not preclude employees from adhering to a union security clause in any employment where such a requirement exists.

(2) A person who is indentured to an apprenticeship program approved under chapter 49.04 RCW for the plumbing construction trade or who is learning the plumbing construction trade may work in the plumbing construction trade if supervised by a certified journey level plumber or a certified specialty plumber in that plumber's specialty. All apprentices and individuals learning the plumbing construction trade shall obtain a plumbing training certificate from the department. The certificate shall authorize the holder to learn the plumbing construction trade while under the direct supervision of a journey level plumber or a specialty plumber working in his or her specialty. The certificate may include a photograph of the holder. The holder of the plumbing training certificate shall renew the certificate annually. At the time of renewal, the holder shall provide the department with an accurate list of the holder's employers in the

plumbing construction industry for the previous year and the number of hours worked for each employer. Failure to provide plumbing hours worked for each employer is a violation of this chapter, subject to an infraction under RCW 18.106.320, and must result in nonrenewal of the trainee certificate. A fee shall be charged for the issuance or renewal of the certificate. The department shall set the fee by rule. The fee shall cover but not exceed the cost of administering and enforcing the trainee certification and supervision requirements of this chapter.

(3) (a) Trainee supervision shall consist of a trainee being on the same jobsite and under the control of either a journey level plumber, residential service plumber, or an appropriate specialty plumber who has an applicable certificate of competency issued under this chapter. Either a journey level plumber, residential service plumber, or an appropriate specialty plumber shall be:

(i) On the same jobsite as the trainee for a minimum of seventy-five percent of each working day unless otherwise provided in this chapter.

(ii) Available via mobile phone or similar device in a manner that allows both audio and visual direction to the trainee from the supervising plumber. Remote trainee supervision using these types of technology is only permitted in cases that meet the following criteria:

(A) The trainee has more than two thousand hours of training;

(B) The supervising plumber is no more than forty miles from the jobsite; and

(C) The scope of work on the trainee's jobsite is service plumbing in a residential structure.

(b) An individual who has a current training certificate and who has successfully completed or is currently enrolled in an approved apprenticeship program or in a technical school program in the plumbing construction trade in a school approved by the workforce training and education coordinating board, may work without direct on-site supervision during the last six months of meeting the practical experience requirements of this chapter.

(4) (a) Until December 31, 2025, the ratio of trainees to certified journey level, residential service, or specialty plumbers working on a jobsite must be:

(i) Not more than three trainees working on any one residential structure jobsite for every certified specialty plumber or journey level plumber working as a specialty plumber;

(ii) Not more than one trainee working on any one jobsite for every certified journey level plumber working as a journey level plumber; and

(iii) Not more than one trainee working on any one jobsite for every certified residential service plumber.

(b) After December 31, 2025, not more than two trainees may work on any residential structure jobsite for every certified specialty plumber or journey level plumber working as a specialty plumber.

(5) An individual who has a current training certificate and who has successfully completed or is currently enrolled in a medical gas piping installer training course approved by the department may work on medical gas piping systems if the individual is under the direct supervision of a certified medical gas piping installer who holds a medical gas piping installer endorsement one hundred percent of a working day on a one-to-one ratio.

(6) The training to become a certified plumber must include not less than sixteen hours of classroom training established by the director with the advice of the advisory board. The classroom training must include, but not be limited to, electrical wiring safety, grounding, bonding, and other related items plumbers need to know to work under this chapter.

(7) All persons who are certified plumbers before January 1, 2003, are deemed to have received the classroom training required in subsection (6) of this section.

(8) (a) The department shall instruct the advisory board of plumbers to convene a subgroup that includes the statewide association representing plumbing, heating, and cooling contractors; the union representing plumbers and pipefitters; the association representing plumbing contractors who employ union plumbers and pipefitters; and other directly affected stakeholders after the completion of the 2023 legislative session, the 2024 legislative session, and every three years thereafter.

(b) The work group shall evaluate the effects that the trainee ratio changes have had on the industry, including public safety and industry response to public demand for plumbing services. The work group shall determine a sustainable plan for maintaining sufficient numbers of plumbers and trainees within the plumbing workforce to safely meet the needs of the public. The report is due to the standing labor committees of the legislature before December 1st of each year that the work group convenes. The work group shall conclude on receipt of the report by the legislature. Within current funding appropriated to the department, the department must reimburse each member of the work group in accordance with the provisions of RCW 43.03.050 and 43.03.060 for each day in which the member is actually engaged in attendance of meetings of the advisory board. **Effective date—1997 c 326:** See note following RCW 18.106.010.

**RCW 18.106.080 Persons engaged in plumbing business or trade on effective date.** No examination shall be required of any applicant for a certificate of competency who, on July 16, 1973, was engaged in a bona fide business or trade of plumbing, or on said date held a valid journey level plumber's license issued by a political subdivision of the state of Washington and whose license is valid at the time of

making his or her application for said certificate. Applicants qualifying under this section shall be issued a certificate by the department upon making an application as provided in RCW 18.106.030 and paying the fee required under RCW 18.106.050: PROVIDED, That no applicant under this section shall be required to furnish such evidence as required by RCW 18.106.030. For the purposes of this section, "maintenance and repair" include cleaning and replacing internal parts of an assembly, but do not include installing or replacing backflow prevention assemblies.

(2) After January 1, 2003, backflow assembly testers exempted under subsection (1) of this section are required to meet the eligibility requirements for a specialty plumber's certificate of competency under \*RCW 18.106.040(1)(c). [2001 c 281 § 3.]

(ii) Attest that trainee hours were under the supervision of a certified plumber and within the proper ratio;

(iii) Provide the names and certification numbers of the supervising plumbers; and

(iv) Upon request, provide the department with trainee hours worked by all trainees within their employment for the past two-year period.

(b) Plumbing contractors are not required to identify which hours a trainee works with a specific certified plumber. Plumbing hours reported on all payroll reports for audit purposes will be considered work performed by a certified plumber or trainee working within ratio. Plumbing work reported for noncertified plumbers or supervision and ratio requirements is a violation of this chapter and subject to issuance of an infraction.

(2) The department may audit the records of a plumbing contractor that has verified the hours of experience submitted by a plumbing trainee to the department under RCW 18.106.030 in the following circumstances: Excessive hours were reported; hours were reported outside the normal course of the plumbing contractor's business; or for other similar circumstances in which the department demonstrates a likelihood of excessive or improper hours being reported. The department shall limit the audit to records necessary to verify hours. Failure to have or maintain payroll and other records for each employee performing plumbing work for the company is a violation of this chapter and subject to issuance of an infraction. The department may assess a penalty of up to five thousand dollars for failure to maintain adequate records. Records used to document plumbing work must be maintained for a minimum of three years. The department shall adopt rules implementing audit procedures. Information obtained from a plumbing contractor under the provisions of this section is confidential and is not open to public inspection under chapter 42.56 RCW.

(3) Violation of this section by a contractor is an infraction. [2020 c 153 § 20; 2005 c 274 § 229; 2002 c 82 § 5.]

**RCW 18.106.400 Plumbing contractor license—Application—Requirements—Exemption.** (1) Except as provided in this chapter, as of July 1, 2021, it is unlawful for any person, firm, partnership, corporation, or other entity to advertise, offer to do work, submit a bid, or perform any work under this chapter without being licensed as a plumbing contractor under this chapter. A plumbing contractor license expires twenty-four calendar months following the day of its issuance. An application for a plumbing contractor license must be made in writing to the department, accompanied by the required fee. The application shall state:

(a) The name and address of the applicant. In the case of firms or partnerships, the application must state the names of the individuals comprising the firm or partnership. In the case of

corporations, the application must state the names of the corporation's managing officials;

(b) The location of the place of business of the applicant and the name under which the business is conducted;

(c) The employer social security number or tax identification number;

(d) Evidence of workers' compensation coverage for the applicant's employees working in Washington, as follows:

(i) The applicant's industrial insurance account number issued by the department;

(ii) The applicant's self-insurer number issued by the department;

(iii) For applicants domiciled in another state or a province of Canada subject to an agreement entered into under RCW 51.12.120(7), filing a certificate of coverage issued by the agency that administers workers' compensation law in the applicant's state or province of domicile certifying that the applicant has secured the payment of compensation under the other state's or province's workers' compensation law.

The department may verify the workers' compensation coverage information required by this subsection (1)(d), including information regarding coverage of an individual employee of the applicant. If coverage is provided under the laws of another state, the department may notify the other state that the applicant is employing employees in Washington;

(e) The employment security department number; and

(f) The state excise tax registration number.

(2) The unified business identifier account number may be substituted for the information required by subsection (1)(d), (e), and (f) of this section if the applicant will not employ employees in Washington.

(3) Contractors licensed under this chapter are not required to be registered under chapter 18.27 RCW.

(4) To obtain a plumbing contractor license, the applicant must employ a full-time individual who currently possesses a valid journey level plumber's certificate of competency, or specialty plumber's certificate of competency in the specialty for the scope of work performed. No individual may serve as the certified plumber for any work exceeding the scope of his or her certificate, license, or endorsement.

(5) A plumbing contractor shall:

(a) Ensure that all plumbing work complies with the certification laws and rules of the state; and

(b) Ensure that all plumbing work is performed by properly licensed and certified plumbing individuals.

(6) As of January 1, 2021, for a contractor who employs specialty plumbers as described in RCW 18.106.010(14)(c), and is also required to be licensed as an electrical contractor as required in RCW 19.28.041, while doing pump and irrigation or domestic pump work described in rule as authorized by RCW 19.28.251, the department shall establish a single licensing document for those who qualify for both plumbing contractor license as defined by this chapter and an electrical contractor license as defined by chapter 19.28 RCW.

(7) This section does not apply to: A person who is contracting for plumbing work on his or her own residence, unless the plumbing work is on a building that is for rent, sale, or lease. [2020 c 153 § 2.]

**RCW 18.106.410 Plumbing contractor license—Surety bond. (1)**

Each applicant for a plumbing contractor license shall file with the department a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in the sum of six thousand dollars. If no valid bond is already on file with the department at the time the application is filed, a bond must accompany the license application. The bond must have the state of Washington named as obligee with good and sufficient surety in a form to be approved by the department. The bond must be continuous and may be canceled by the surety upon the surety giving written notice to the director. A cancellation or revocation of the bond or withdrawal of the surety from the bond automatically suspends the license issued to the contractor until a new bond or reinstatement notice has been filed and approved as provided in this section. The bond must be conditioned that the applicant will pay all persons performing labor, including employee benefits, for the contractor, will pay all taxes and contributions due to the state of Washington, and will pay all persons furnishing material or renting or supplying equipment to the contractor and will pay all amounts that may be adjudged against the contractor by reason of breach of contract including improper work in the conduct of the contracting business. A change in the name of a business or a change in the type of business entity does not impair a bond for the purposes of this section so long as one of the original applicants for such bond maintains partial ownership in the business covered by the bond.

(2) At the time of initial license or renewal, the contractor shall provide a bond or other security deposit as required by this chapter and comply with all of the other provisions of this chapter before the department may issue or renew the contractor's license.

(3) Any person, firm, or corporation having a claim against the contractor for any of the items referred to in this section may bring suit against the contractor and the bond or deposit in the superior court of the county in which the work was done or of any county in which jurisdiction of the contractor may be had. The surety issuing the bond must be named as a party to any suit upon the bond. Action upon the bond or deposit brought by a residential homeowner for breach of contract by a party to the construction contract must be commenced by filing the summons and complaint with the clerk of the appropriate superior court within two years from the date the claimed contract work was substantially completed or abandoned, whichever occurred first. Action upon the bond or deposit brought by any other authorized party must be commenced by filing the summons and complaint with the clerk of the appropriate superior court within one year from the date the claimed labor was performed and benefits accrued, taxes and contributions owing the state of Washington became due, materials and equipment were furnished, or the claimed contract work was substantially completed or abandoned, whichever occurred first. Service of process in an action filed under this chapter against the contractor and the contractor's bond or the deposit must be exclusively by service upon the department. Three copies of the summons and complaint and a fee adopted by rule of not less than fifty dollars to cover the costs must be served by registered or certified mail, or other delivery service requiring notice of receipt, upon the department at the time suit is started and the department shall maintain a record, available for public inspection, of all suits so commenced. Service is not complete until the department receives the

fee and three copies of the summons and complaint. This service constitutes service and confers personal jurisdiction on the contractor and the surety for suit on claimant's claim against the contractor and the bond or deposit and the department shall transmit the summons and complaint or a copy thereof to the contractor at the address listed in the contractor's application and to the surety within two days after it has been received.

(4) The surety upon the bond is not liable in an aggregate amount in excess of the amount named in the bond nor for any monetary penalty assessed pursuant to this chapter for an infraction. The liability of the surety does not cumulate where the bond has been renewed, continued, reinstated, reissued, or otherwise extended. The surety upon the bond may, upon notice to the department and the parties, tender to the clerk of the court having jurisdiction of the action an amount equal to the claims thereunder or the amount of the bond less the amount of judgments, if any, previously satisfied therefrom and to the extent of such tender the surety upon the bond is exonerated but if the actions commenced and pending and provided to the department as required in subsection (3) of this section, at any one time exceed the amount of the bond then unimpaired, claims must be satisfied from the bond in the following order:

(a) Employee labor and claims of laborers, including employee benefits;

(b) Claims for breach of contract by a party to the construction contract;

(c) Registered or licensed subcontractors, material, and equipment;

(d) Taxes and contributions due the state of Washington;

(e) Any court costs, interest, and attorneys' fees plaintiff may be entitled to recover.

The surety is not liable for any amount in excess of the penal limit of its bond. A payment made by the surety in good faith exonerates the bond to the extent of any payment made by the surety.

(5) The total amount paid from a bond or deposit required of a plumbing contractor by this section to claimants other than residential homeowners must not exceed one-half of the bond amount.

(6) The prevailing party in an action filed under this section against the contractor and contractor's bond or deposit, for breach of contract by a party to the construction contract involving a residential homeowner, is entitled to costs, interest, and reasonable attorneys' fees. The surety upon the bond or deposit is not liable in an aggregate amount in excess of the amount named in the bond or deposit nor for any monetary penalty assessed pursuant to this chapter for an infraction.

(7) If a final judgment impairs the liability of the surety upon the bond or deposit so furnished that there is not in effect a bond or deposit in the full amount prescribed in this section, the contractor license is automatically suspended until the bond or deposit liability in the required amount unimpaired by unsatisfied judgment claims is furnished.

(8) In lieu of the surety bond required by this section the contractor may file with the department an assigned savings account, upon forms provided by the department.

(9) Any person having filed and served a summons and complaint as required by this section having an unsatisfied final judgment against the registrant for any items referred to in this section may execute upon the security held by the department by serving a certified copy

of the unsatisfied final judgment by registered or certified mail upon the department within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the department shall pay or order paid from the deposit, through the registry of the superior court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the department must be the order of receipt by the department, but the department has no liability for payment in excess of the amount of the deposit.

(10) Within ten days after resolution of the case, a certified copy of the final judgment and order, or any settlement documents where a case is not disposed of by a court trial, a certified copy of the dispositive settlement documents must be provided to the department by the prevailing party. Failure to provide a copy of the final judgment and order or the dispositive settlement documents to the department within ten days of entry of such an order constitutes a violation of this chapter and a penalty adopted by rule of not less than two hundred fifty dollars may be assessed against the prevailing party.

(11) If the director determines that an applicant, or a previous license of a corporate officer, owner, or partner of a current applicant, has had in the past five years a final judgment in actions under this chapter involving a residential structure, the director may require an applicant applying to renew or reinstate a plumbing contractor's license or applying for a new plumbing contractor's license to file a bond of up to three times the normally required amount. [2020 c 153 § 3.]

**RCW 18.106.420 Plumbing contractor licensing—Insurance—Financial responsibility.** (1) At the time of plumbing contractor licensing and subsequent license renewal, the applicant shall furnish insurance or financial responsibility in the form of an assigned account in the amount of fifty thousand dollars for injury or damages to property, and one hundred thousand dollars for injury or damage including death to any one person, and two hundred thousand dollars for injury or damage including death to more than one person.

(2) An expiration, cancellation, or revocation of the insurance policy or withdrawal of the insurer from the insurance policy automatically suspends the license issued to the registrant until a new insurance policy or reinstatement notice has been filed and approved as provided in this section.

(3) (a) Proof of financial responsibility authorized in this section may be given by providing, in the amount required by subsection (1) of this section, an assigned account acceptable to the department. The assigned account shall be held by the department to satisfy any execution on a judgment issued against the contractor for damage to property or injury or death to any person occurring in the contractor's contracting operations, according to the provisions of the assigned account agreement. The department has no liability for payment in excess of the amount of the assigned account.

(b) The assigned account filed with the director as proof of financial responsibility must be canceled at the expiration of three years after:

(i) The contractor's license has expired or been revoked; or  
(ii) The contractor has furnished proof of insurance as required by subsection (1) of this section;

If, in either case, no legal action has been instituted against the contractor or on the account at the expiration of the three-year period.

(c) If a contractor chooses to file an assigned account as authorized in this section, the contractor shall, on any contracting project, notify each person with whom the contractor enters into a contract or to whom the contractor submits a bid that the contractor has filed an assigned account in lieu of insurance and that recovery from the account for any claim against the contractor for property damage or personal injury or death occurring in the project requires the claimant to obtain a court judgment. [2020 c 153 § 4.]

**RCW 18.106.430 Plumbing contractor license—Suspension—**

**Revocation—Penalties.** (1) A certificate, license, or endorsement issued under this chapter may be suspended, revoked, or subject to civil penalty by the department upon determination that any one or more of the following exist:

(a) A false statement as to a material matter in the application for a certificate, license, or endorsement;

(b) Fraud, misrepresentation, or bribery in securing a certificate, license, or endorsement;

(c) A violation of any provision of this chapter; or

(d) If the plumbing contractor does not employ a full-time individual who currently possesses a valid journey level plumber's certificate of competency or specialty plumber's certificate of competency in the specialty for the scope of work performed.

(2) If the department has suspended or revoked a certificate, license, or endorsement, because of fraud or error and a hearing is requested, the suspension or revocation must be stayed until the hearing is concluded and a decision is issued.

(3) The department must remove a suspension or reinstate a revoked certificate, license, or endorsement, if the licensee pays all assessed civil penalties and is able to demonstrate to the department that the licensee has met all the qualifications established by this chapter. [2020 c 153 § 5.]

**RCW 18.106.440 Plumbing contractor license—Permitting**

**requirements.** (1) No city, town, or county shall issue a plumbing permit for work which is to be done by any contractor required to be licensed under this chapter without verification that such contractor is currently licensed as required by law. When such verification is made, nothing contained in this section is intended to be, nor shall be construed to create, or form the basis for any liability under this chapter on the part of any city, town, or county, or its officers, employees, or agents.

(2) At the time of issuing the plumbing permit, all cities, towns, or counties are responsible for:

(a) Printing the plumbing contractor license number on the plumbing permit; and

(b) Providing a written notice to the plumbing permit applicant informing them of plumbing contractor license laws and the potential risk and monetary liability to the homeowner for using an unlicensed plumbing contractor.

(3) If a plumbing permit is obtained by an applicant or contractor who falsifies information to obtain an exemption provided under RCW 18.106.150 the plumbing permit shall be forfeited. [2020 c 153 § 28.]

**RCW 18.108.005 Intent—Health care insurance not affected. (1)**

The legislature finds it necessary to license the practice of massage and massage therapy and certify persons practicing reflexology in order to protect the public health and safety. It is the legislature's intent that only individuals who meet and maintain minimum standards of competence and conduct may provide services to the public.

(2) This chapter shall not be construed to:

(a) Require individual or group policies or contracts of a health carrier to provide, or prohibit such policies or contracts from providing, benefits or coverage for services and supplies provided by a person licensed under this chapter; or

(b) Require that a health carrier contract with a person certified under this chapter. [2012 c 137 § 2; 1997 c 297 § 1; 1987 c 443 § 1.]

**Finding—Purpose—2012 c 137:** "The legislature finds that protecting the public health and safety from the harms of human trafficking has become more difficult and complex, with severe consequences for the victims and the public. The purpose of this legislation is to provide additional tools so that the regulatory agency has authority to make reasonable inspections of the premises in which services subject to this chapter are being provided in order to determine whether the services are being provided in compliance with this chapter and to support state investigations of human trafficking and other illicit activity." [2012 c 137 § 1.]

**Rules—2012 c 137:** "The department of health shall adopt any rules necessary to implement this act." [2012 c 137 § 21.]

**Effective date—2012 c 137:** "Sections 1 through 19 of this act take effect July 1, 2013." [2012 c 137 § 22.]

**Findings—Intent—2001 c 297:** "The legislature finds that massage therapists have contributed significantly to the welfare of humans. The legislature also finds that massage therapists can have a significant positive impact on the well-being of animals, especially in the equine industry.

It is the legislature's intent to have the Washington state board of massage adopt rules under their current authority providing for an endorsement for currently licensed massage practitioners to perform animal massage upon completion of certain training courses." [2001 c 297 § 1.]

**RCW 18.108.020 Board of massage—Generally.** The Washington state board of massage is created. The board shall consist of seven members who shall be appointed by the governor for a term of four years each. All members shall be residents of this state. Five members shall be massage therapists licensed under this chapter with at least three years' experience in the practice of massage immediately preceding their appointment and shall at all times during their terms remain licensed massage therapists.

For purposes of this subsection, "convicted" does not include a conviction that has been the subject of a pardon, annulment, or other equivalent procedure based on a finding of innocence, but does include convictions for offenses for which the defendant received a deferred or suspended sentence, unless the record has been expunged according to law.

**ART DEALERS—ARTISTS**

**Sections**

- 18.110.010 Definitions.
- 18.110.020 Rights—Duties—Liabilities.
- 18.110.030 Contract required—Provisions.
- 18.110.040 Violations—Penalties—Attorney fees.
- 18.110.900 Application of chapter.

**RCW 18.110.010 Definitions.** As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Art dealer" means a person, partnership, firm, association, or corporation, other than a public auctioneer, which undertakes to sell a work of fine art created by another.

(2) "Artist" means the creator of a work of fine art.

(3) "On consignment" means delivered to an art dealer for the purpose of sale or exhibition, or both, to the public by the art dealer other than at a public auction.

(4) "Work of fine art" means an original art work which is:

(a) A visual rendition including a painting, drawing, sculpture, mosaic, or photograph;

(b) A work of calligraphy;

(c) A work of graphic art including an etching, lithograph, offset print, or silk screen;

(d) A craft work in materials including clay, textile, fiber, wood, metal, plastic, or glass; or

(e) A work in mixed media including a collage or a work consisting of any combination of works included in this subsection.  
[1981 c 33 § 1.]

**RCW 18.110.020 Rights—Duties—Liabilities.** If an art dealer accepts a work of fine art on a fee, commission, or other compensation basis, on consignment from the artist:

(1) The art dealer is, with respect to that work of fine art, the agent of the artist.

(2) The work of fine art is trust property and the art dealer is trustee for the benefit of the artist until the work of fine art is sold to a bona fide third party.

(3) The proceeds of the sale of the work of fine art are trust property and the art dealer is trustee for the benefit of the artist until the amount due the artist from the sale is paid. These trust funds shall be paid to the artist within thirty days of receipt by the art dealer unless the parties expressly agree otherwise in writing. If the sale of the work of fine art is on installment, the funds from the installment shall first be applied to pay any balance due the artist on the sale, unless the artist expressly agrees in writing that the proceeds on each installment shall be paid according to a percentage established by the consignment agreement.

(4) The art dealer is strictly liable for the loss of or damage to the work of fine art while it is in the art dealer's possession. For the purpose of this subsection the value of the work of fine art is the value established in a written agreement between the artist and

art dealer prior to the loss or damage or, if no written agreement regarding the value of the work of fine art exists, the fair market value of the work of fine art.

A work of fine art which is trust property when initially accepted by the art dealer remains trust property notwithstanding the subsequent purchase of the work of fine art by the art dealer directly or indirectly for the art dealer's own account until the purchase price is paid in full to the artist. No property which is trust property under this section is subject to the claims, liens, or security interests of the creditors of the art dealer. [1981 c 33 § 2.]

**RCW 18.110.030 Contract required—Provisions.** (1) An art dealer may accept a work of fine art on a fee, commission, or other compensation basis, on consignment from the artist only if prior to or at the time of acceptance the art dealer enters into a written contract with the artist which states:

- (a) The value of the work of fine art;
- (b) The minimum price for the sale of the work of fine art; and
- (c) The fee, commission, or other compensation basis of the art dealer.

(2) An art dealer who accepts a work of fine art on a fee, commission, or other compensation basis, on consignment from the artist may use or display the work of fine art or a photograph of the work of fine art or permit the use or display of the work or photograph only if:

- (a) Notice is given to users or viewers that the work of fine art is the work of the artist; and
- (b) The artist gives prior written consent to the particular use or display.

(3) Any portion of a contract which waives any provision of this chapter is void. [1981 c 33 § 3.]

**RCW 18.110.040 Violations—Penalties—Attorney fees.** An art dealer violating RCW 18.110.030 is liable to the artist for fifty dollars plus actual damages, including incidental and consequential damages, sustained as a result of the violation. If an art dealer violates RCW 18.110.030, the artist's obligation for compensation to the art dealer is voidable. In an action under this section the court may, in its discretion, award the artist reasonable attorney's fees. [1981 c 33 § 4.]

**RCW 18.110.900 Application of chapter.** This chapter applies to any work of fine art accepted on consignment on or after July 26, 1981. If a work of fine art is accepted on consignment on or after July 26, 1981 under a contract made before that date, this section applies only to the extent that it does not conflict with the contract. [1981 c 33 § 5.]

**REGULATION OF BUSINESS PROFESSIONS**

- 18.118.005 Legislative findings—Intent.
- 18.118.010 Purpose—Intent.
- 18.118.020 Definitions.
- 18.118.030 Applicants for regulation—Information.
- 18.118.040 Applicants for regulation—Written report—Recommendation of department of licensing.
- 18.118.901 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.

**RCW 18.118.005 Legislative findings—Intent.** The legislature recognizes the value of an analytical review, removed from the political process, of proposals for increased regulation of real estate and other business professions which the legislature already regulates, as well as of proposals for regulation of professions not currently regulated. The legislature further finds that policies and standards set out for regulation of the health professions in chapter 18.120 RCW have equal applicability to other professions. To further the goal of governmental regulation only as necessary to protect the public interest and to promote economic development through employment, the legislature expands the scope of chapter 18.120 RCW to apply to business professions. The legislature intends that the reviews of proposed business profession regulation be conducted by the department of licensing's policy and research rather than regulatory staff and that the reviews be conducted and recommendations made in an impartial manner. Further, the legislature intends that the department of licensing provide sufficient staffing to conduct the reviews. [1987 c 514 § 3.]

**RCW 18.118.010 Purpose—Intent.** (1) The purpose of this chapter is to establish guidelines for the regulation of the real estate profession and other business professions which may seek legislation to substantially increase their scope of practice or the level of regulation of the profession, and for the regulation of business professions not licensed or regulated on July 26, 1987: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 26, 1987, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or Washington professional educator standards board under RCW 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 26, 1987; and (e) apply to proposals relating solely to continuing education. The legislature believes that all individuals should be permitted to enter into a business profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by

the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall be imposed upon any business profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a business profession for the first time should be reviewed according to the following criteria. A business profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a business profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the business profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing. [2005 c 497 § 218; 1990 c 33 § 553; 1987 c 514 § 4.]

**RCW 18.118.020 Definitions.** The definitions contained in this section shall apply throughout this chapter unless the context clearly requires otherwise.

(1) "Applicant group" includes any business professional group or organization, any individual, or any other interested party which proposes that any business professional group not presently regulated

be regulated or which proposes legislation to substantially increase the scope of practice or the level of regulation of the profession.

**RCW 18.118.030 Applicants for regulation—Information.** After July 26, 1987, if appropriate, applicant groups shall explain each of the following factors to the extent requested by the legislative committees of reference:

- (1) A definition of the problem and why regulation is necessary:
    - (a) The nature of the potential harm to the public if the business profession is not regulated, and the extent to which there is a threat to public health and safety;
    - (b) The extent to which consumers need and will benefit from a method of regulation identifying competent practitioners, indicating typical employers, if any, of practitioners in the profession; and
    - (c) The extent of autonomy a practitioner has, as indicated by:
      - (i) The extent to which the profession calls for independent judgment and the extent of skill or experience required in making the independent judgment; and
      - (ii) The extent to which practitioners are supervised;
  - (2) The efforts made to address the problem:
    - (a) Voluntary efforts, if any, by members of the profession to:
      - (i) Establish a code of ethics; or
      - (ii) Help resolve disputes between practitioners and consumers;
- and
- (b) Recourse to and the extent of use of applicable law and whether it could be strengthened to control the problem;
  - (3) The alternatives considered:
    - (a) Regulation of business employers or practitioners rather than employee practitioners;
    - (b) Regulation of the program or service rather than the individual practitioners;
    - (c) Registration of all practitioners;
    - (d) Certification of all practitioners;
    - (e) Other alternatives;
    - (f) Why the use of the alternatives specified in this subsection would not be adequate to protect the public interest; and
    - (g) Why licensing would serve to protect the public interest;
  - (4) The benefit to the public if regulation is granted:
    - (a) The extent to which the incidence of specific problems present in the unregulated profession can reasonably be expected to be reduced by regulation;
    - (b) Whether the public can identify qualified practitioners;
    - (c) The extent to which the public can be confident that qualified practitioners are competent:
      - (i) Whether the proposed regulatory entity would be a board composed of members of the profession and public members, or a state agency, or both, and, if appropriate, their respective

responsibilities in administering the system of registration, certification, or licensure, including the composition of the board and the number of public members, if any; the powers and duties of the board or state agency regarding examinations and for cause revocation, suspension, and nonrenewal of registrations, certificates, or licenses; the promulgation of rules and canons of ethics; the conduct of inspections; the receipt of complaints and disciplinary action taken against practitioners; and how fees would be levied and collected to cover the expenses of administering and operating the regulatory system;

(ii) If there is a grandfather clause, whether such practitioners will be required to meet the prerequisite qualifications established by the regulatory entity at a later date;

(iii) The nature of the standards proposed for registration, certification, or licensure as compared with the standards of other jurisdictions;

(iv) Whether the regulatory entity would be authorized to enter into reciprocity agreements with other jurisdictions; and

(v) The nature and duration of any training including, but not limited to, whether the training includes a substantial amount of supervised field experience; whether training programs exist in this state; if there will be an experience requirement; whether the experience must be acquired under a registered, certificated, or licensed practitioner; whether there are alternative routes of entry or methods of meeting the prerequisite qualifications; whether all applicants will be required to pass an examination; and, if an examination is required, by whom it will be developed and how the costs of development will be met;

(d) Assurance of the public that practitioners have maintained their competence:

(i) Whether the registration, certification, or licensure will carry an expiration date; and

(ii) Whether renewal will be based only upon payment of a fee, or whether renewal will involve reexamination, peer review, or other enforcement;

(5) The extent to which regulation might harm the public:

(a) The extent to which regulation will restrict entry into the profession:

(i) Whether the proposed standards are more restrictive than necessary to insure safe and effective performance; and

(ii) Whether the proposed legislation requires registered, certificated, or licensed practitioners in other jurisdictions who migrate to this state to qualify in the same manner as state applicants for registration, certification, and licensure when the other jurisdiction has substantially equivalent requirements for registration, certification, or licensure as those in this state; and

(b) Whether there are similar professions to that of the applicant group which should be included in, or portions of the applicant group which should be excluded from, the proposed legislation;

(6) The maintenance of standards:

(a) Whether effective quality assurance standards exist in the profession, such as legal requirements associated with specific programs that define or enforce standards, or a code of ethics; and

(b) How the proposed legislation will assure quality:

(i) The extent to which a code of ethics, if any, will be adopted; and

(ii) The grounds for suspension or revocation of registration, certification, or licensure;

(7) A description of the group proposed for regulation, including a list of associations, organizations, and other groups representing the practitioners in this state, an estimate of the number of practitioners in each group, and whether the groups represent different levels of practice; and

(8) The expected costs of regulation:

(a) The impact registration, certification, or licensure will have on the costs of the services to the public; and

(b) The cost to the state and to the general public of implementing the proposed legislation. [1987 c 514 § 6.]

**RCW 18.118.040 Applicants for regulation—Written report—Recommendation of department of licensing.** Applicant groups shall submit a written report explaining the factors enumerated in RCW 18.118.030 to the legislative committees of reference. Applicant groups, other than state agencies created prior to July 26, 1987, shall submit copies of their written report to the department of licensing for review and comment. The department of licensing shall make recommendations based on the report to the extent requested by the legislative committees. [1987 c 514 § 7.]

**RCW 18.118.901 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. **RCW 18.120.010 Purpose—Criteria.** (1) The purpose of this chapter is to establish guidelines for the regulation of health professions not licensed or regulated prior to July 24, 1983, and those licensed or regulated health professions which seek to substantially increase their scope of practice: PROVIDED, That the provisions of this chapter are not intended and shall not be construed to: (a) Apply to any regulatory entity created prior to July 24, 1983, except as provided in this chapter; (b) affect the powers and responsibilities of the superintendent of public instruction or Washington professional educator standards board under RCW 28A.410.210 and 28A.410.010; (c) apply to or interfere in any way with the practice of religion or to any kind of treatment by prayer; and (d) apply to any remedial or technical amendments to any statutes which licensed or regulated activity before July 24, 1983. The legislature believes that all individuals should be permitted to enter into a health profession unless there is an overwhelming need for the state to protect the interests of the public by restricting entry into the profession. Where such a need is identified, the regulation adopted by the state should be set at the least restrictive level consistent with the public interest to be protected.

(2) It is the intent of this chapter that no regulation shall, after July 24, 1983, be imposed upon any health profession except for the exclusive purpose of protecting the public interest. All bills introduced in the legislature to regulate a health profession for the first time should be reviewed according to the following criteria. A health profession should be regulated by the state only when:

(a) Unregulated practice can clearly harm or endanger the health, safety, or welfare of the public, and the potential for the harm is easily recognizable and not remote or dependent upon tenuous argument;

(b) The public needs and can reasonably be expected to benefit from an assurance of initial and continuing professional ability; and

(c) The public cannot be effectively protected by other means in a more cost-beneficial manner.

(3) After evaluating the criteria in subsection (2) of this section and considering governmental and societal costs and benefits, if the legislature finds that it is necessary to regulate a health profession not previously regulated by law, the least restrictive alternative method of regulation should be implemented, consistent with the public interest and this section:

(a) Where existing common law and statutory civil actions and criminal prohibitions are not sufficient to eradicate existing harm, the regulation should provide for stricter civil actions and criminal prosecutions;

(b) Where a service is being performed for individuals involving a hazard to the public health, safety, or welfare, the regulation should impose inspection requirements and enable an appropriate state agency to enforce violations by injunctive relief in court, including, but not limited to, regulation of the business activity providing the service rather than the employees of the business;

(c) Where the threat to the public health, safety, or economic well-being is relatively small as a result of the operation of the health profession, the regulation should implement a system of registration;

(d) Where the consumer may have a substantial basis for relying on the services of a practitioner, the regulation should implement a system of certification; or

(e) Where apparent that adequate regulation cannot be achieved by means other than licensing, the regulation should implement a system of licensing. [2005 c 497 § 219; 1990 c 33 § 554; 1983 c 168 § 1.]

**RCW 18.120.030 Applicants for regulation—Information.** After July 24, 1983, if appropriate, applicant groups shall explain each of the following factors to the extent requested by the legislative committees of reference:

(1) A definition of the problem and why regulation is necessary:

(a) The nature of the potential harm to the public if the health profession is not regulated, and the extent to which there is a threat to public health and safety;

(b) The extent to which consumers need and will benefit from a method of regulation identifying competent practitioners, indicating typical employers, if any, of practitioners in the health profession; and

(c) The extent of autonomy a practitioner has, as indicated by:

(i) The extent to which the health profession calls for independent judgment and the extent of skill or experience required in making the independent judgment; and

(ii) The extent to which practitioners are supervised;

(2) The efforts made to address the problem:

(a) Voluntary efforts, if any, by members of the health profession to:

(i) Establish a code of ethics; or

(ii) Help resolve disputes between health practitioners and consumers; and

(b) Recourse to and the extent of use of applicable law and whether it could be strengthened to control the problem;

(3) The alternatives considered:

(a) Regulation of business employers or practitioners rather than employee practitioners;

(b) Regulation of the program or service rather than the individual practitioners;

(c) Registration of all practitioners;

(d) Certification of all practitioners;

(e) Other alternatives;

(f) Why the use of the alternatives specified in this subsection would not be adequate to protect the public interest; and

(g) Why licensing would serve to protect the public interest;

(4) The benefit to the public if regulation is granted:

(a) The extent to which the incidence of specific problems present in the unregulated health profession can reasonably be expected to be reduced by regulation;

(b) Whether the public can identify qualified practitioners;

(c) The extent to which the public can be confident that qualified practitioners are competent:

(i) Whether the proposed regulatory entity would be a board composed of members of the profession and public members, or a state agency, or both, and, if appropriate, their respective responsibilities in administering the system of registration, certification, or licensure, including the composition of the board and the number of public members, if any; the powers and duties of the board or state agency regarding examinations and for cause revocation, suspension, and nonrenewal of registrations, certificates, or licenses; the promulgation of rules and canons of ethics; the conduct of inspections; the receipt of complaints and disciplinary action

taken against practitioners; and how fees would be levied and collected to cover the expenses of administering and operating the regulatory system;

(ii) If there is a grandfather clause, whether such practitioners will be required to meet the prerequisite qualifications established by the regulatory entity at a later date;

(iii) The nature of the standards proposed for registration, certification, or licensure as compared with the standards of other jurisdictions;

(iv) Whether the regulatory entity would be authorized to enter into reciprocity agreements with other jurisdictions;

(v) The nature and duration of any training including, but not limited to, whether the training includes a substantial amount of supervised field experience; whether training programs exist in this state; if there will be an experience requirement; whether the experience must be acquired under a registered, certificated, or licensed practitioner; whether there are alternative routes of entry or methods of meeting the prerequisite qualifications; whether all applicants will be required to pass an examination; and, if an examination is required, by whom it will be developed and how the costs of development will be met; and

(vi) What additional training programs are anticipated to be necessary to assure training accessible statewide; the anticipated time required to establish the additional training programs; the types of institutions capable of providing the training; a description of how training programs will meet the needs of the expected workforce, including reentry workers, minorities, placebound students, and others;

(d) Assurance of the public that practitioners have maintained their competence:

(i) Whether the registration, certification, or licensure will carry an expiration date; and

(ii) Whether renewal will be based only upon payment of a fee, or whether renewal will involve reexamination, peer review, or other enforcement;

(5) The extent to which regulation might harm the public:

(a) The extent to which regulation will restrict entry into the health profession:

(i) Whether the proposed standards are more restrictive than necessary to insure safe and effective performance; and

(ii) Whether the proposed legislation requires registered, certificated, or licensed practitioners in other jurisdictions who migrate to this state to qualify in the same manner as state applicants for registration, certification, and licensure when the other jurisdiction has substantially equivalent requirements for registration, certification, or licensure as those in this state; and

(b) Whether there are similar professions to that of the applicant group which should be included in, or portions of the applicant group which should be excluded from, the proposed legislation;

(6) The maintenance of standards:

(a) Whether effective quality assurance standards exist in the health profession, such as legal requirements associated with specific programs that define or enforce standards, or a code of ethics; and

(b) How the proposed legislation will assure quality:

(i) The extent to which a code of ethics, if any, will be adopted; and

(ii) The grounds for suspension or revocation of registration, certification, or licensure;

(7) A description of the group proposed for regulation, including a list of associations, organizations, and other groups representing the practitioners in this state, an estimate of the number of practitioners in each group, and whether the groups represent different levels of practice; and

(8) The expected costs of regulation:

(a) The impact registration, certification, or licensure will have on the costs of the services to the public;

(b) The cost to the state and to the general public of implementing the proposed legislation; and

(c) The cost to the state and the members of the group proposed for regulation for the required education, including projected tuition and expenses and expected increases in training programs, staffing, and enrollments at state training institutions. [1991 c 332 § 6; 1983 c 168 § 3.]

The state board of health and the department of health shall make recommendations based on the report submitted by applicant groups to the extent requested by the legislative committees. Requirements for licensees to engage in continuing education as a condition of continued licensure has not been proven to be an effective method of guaranteeing or improving the competence of licensees or the quality of care received by the consumer. The legislature has serious reservations concerning the appropriateness of mandated continuing education. Any legislative proposal which contains a continuing education requirement should be accompanied by evidence that such a requirement has been proven effective for the profession addressed in the legislation. **RCW 18.120.920 Construction—Chapter applicable to state registered domestic partnerships—2009 c 521.** For the purposes of this chapter, the terms spouse, marriage, marital, husband, wife, widow, widower, next of kin, and family shall be interpreted as applying equally to state registered domestic partnerships or individuals in state registered domestic partnerships as well as to marital relationships and married persons, and references to dissolution of marriage shall apply equally to state registered domestic partnerships that have been terminated, dissolved, or invalidated, to the extent that such interpretation does not conflict with federal law. Where necessary to implement chapter 521, Laws of 2009, gender-specific terms such as husband and wife used in any statute, rule, or other law shall be construed to be gender neutral, and applicable to individuals in state registered domestic partnerships. **RCW 18.122.010 Legislative intent.** The legislature takes note of the burgeoning number of bills proposed to regulate new health and health-related professions and occupations. The legislature further recognizes the number of allied health professions seeking independent practice. Potentially at least one hundred forty-five discrete health professions and occupations are recognized nationally, with at least two hundred fifty secondary job classifications. A uniform and streamlined credentialing process needs to be established to permit the department of health to administer the health professional regulatory programs in the most cost-effective, accountable, and uniform manner. The public interest will be served by establishing uniform administrative provisions for the regulated professions under the jurisdiction of the department of health regulated after July 26, 1987. [1989 1st ex.s. c 9 § 306; 1987 c 150 § 61.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.020 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) To "credential" means to license, certify, or register an applicant.

(2) "Department" means the department of health.

(3) "Secretary" means the secretary of health or the secretary's designee.

(4) "Health profession" means a profession providing health services regulated under the laws of this state and under which laws this statute is specifically referenced.

(5) "Credential" means the license, certificate, or registration issued to a person. [1989 1st ex.s. c 9 § 307; 1987 c 150 § 62.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.030 Registration, certification, and licensure.** (1) The three levels of professional credentialing as defined in chapter 18.120 RCW are:

(a) Registration, which is the least restrictive, and requires formal notification of the department of health identifying the practitioner, and does not require qualifying examinations;

(b) Certification, which is a voluntary process recognizing an individual who qualifies by examination and meets established educational prerequisites, and which protects the title of practice; and

(c) Licensure, which is the most restrictive and requires qualification by examination and educational prerequisites of a practitioner whose title is protected and whose scope of practice is restricted to only those licensed.

(2) No person may practice or represent oneself as a practitioner of a health profession by use of any title or description of services without being registered to practice by the department of health, unless otherwise exempted by this chapter.

(3) No person may represent oneself as certified or use any title or description of services without applying for certification, meeting the required qualifications, and being certified by the department of health, unless otherwise exempted by this chapter.

(4) No person may represent oneself as licensed, use any title or description of services, or engage in any practice without applying for licensure, meeting the required qualifications, and being licensed by the department of health, unless otherwise exempted by this chapter. [1989 1st ex.s. c 9 § 308; 1987 c 150 § 63.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.040 Exemptions.** Nothing in this chapter shall be construed to prohibit or restrict:

(1) The practice by an individual licensed, certified, or registered under the laws of this state and performing services within the authorized scope of practice;

(2) The practice by an individual employed by the government of the United States while engaged in the performance of duties prescribed by the laws of the United States;

(3) The practice by a person who is a regular student in an educational program approved by the secretary, and whose performance of services is pursuant to a regular course of instruction or assignments from an instructor and under the general supervision of the instructor. [1991 c 3 § 260; 1987 c 150 § 64.]

**RCW 18.122.050 Powers of secretary.** In addition to any other authority provided by law, the secretary has the authority to:

- (1) Adopt rules under chapter 34.05 RCW necessary to implement this chapter;
- (2) Establish all credentialing, examination, and renewal fees in accordance with RCW 43.70.250;
- (3) Establish forms and procedures necessary to administer this chapter;
- (4) Register any applicants, and to issue certificates or licenses to applicants who have met the education, training, and examination requirements for licensure or certification and to deny a credential to applicants who do not meet the minimum qualifications, except that proceedings concerning the denial of credentials based upon unprofessional conduct or impairment shall be governed by the uniform disciplinary act, chapter 18.130 RCW;
- (5) Hire clerical, administrative, investigative, and other staff as needed to implement this chapter, and hire individuals credentialed under this chapter to serve as examiners for any practical examinations;
- (6) Determine minimum education requirements and evaluate and designate those educational programs from which graduation will be accepted as proof of eligibility to take a qualifying examination for applicants for certification or licensure;
- (7) Prepare, grade, and administer, or determine the nature of, and supervise the grading and administration of, examinations for applicants for certification or licensure;
- (8) Determine whether alternative methods of training are equivalent to formal education, and establish forms, procedures, and criteria for evaluation of an applicant's alternative training to determine the applicant's eligibility to take any qualifying examination;
- (9) Determine which states have credentialing requirements equivalent to those of this state, and issue credentials to individuals credentialed in those states without examinations;
- (10) Define and approve any experience requirement for credentialing;
- (11) Implement and administer a program for consumer education;
- (12) Adopt rules implementing a continuing competency program;
- (13) Maintain the official department record of all applicants and licensees; and
- (14) Establish by rule the procedures for an appeal of an examination failure. [1989 1st ex.s. c 9 § 309; 1987 c 150 § 65.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.060 Record of proceedings.** The secretary shall keep an official record of all proceedings. A part of the record shall consist of a register of all applicants for credentialing under this chapter and the results of each application. [1991 c 3 § 261; 1987 c 150 § 66.]

**RCW 18.122.070 Advisory committees.** (1) The secretary has the authority to appoint advisory committees to further the purposes of this chapter. Each such committee shall be composed of five members, one member initially appointed for a term of one year, two for a term

of two years, and two for a term of three years. Subsequent appointments shall be for terms of three years. No person may serve as a member of the committee for more than two consecutive terms. Members of an advisory committee shall be residents of this state. Each committee shall be composed of three individuals registered, certified, or licensed in the category designated, and two members who represent the public at large and are unaffiliated directly or indirectly with the profession being credentialed.

(2) The secretary may remove any member of the advisory committees for cause as specified by rule. In the case of a vacancy, the secretary shall appoint a person to serve for the remainder of the unexpired term.

(3) The advisory committees shall each meet at the times and places designated by the secretary and shall hold meetings during the year as necessary to provide advice to the director [secretary]. The committee may elect a chair and a vice chair. A majority of the members currently serving shall constitute a quorum.

(4) Each member of an advisory committee shall be reimbursed for travel expenses as authorized in RCW 43.03.050 and 43.03.060. In addition, members of the committees shall be compensated in accordance with RCW 43.03.240 when engaged in the authorized business of their committees.

(5) The secretary, members of advisory committees, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any credentialing or disciplinary proceedings or other official acts performed in the course of their duties. [1991 c 3 § 262; 1987 c 150 § 67.]

**RCW 18.122.080 Credentialing requirements.** (1) The secretary shall issue a license or certificate, as appropriate, to any applicant who demonstrates to the secretary's satisfaction that the following requirements have been met:

(a) Graduation from an educational program approved by the secretary or successful completion of alternate training meeting established criteria;

(b) Successful completion of an approved examination; and

(c) Successful completion of any experience requirement established by the secretary.

(2) The secretary shall establish by rule what constitutes adequate proof of meeting the criteria.

(3) In addition, applicants shall be subject to the grounds for denial of a license or certificate or issuance of a conditional license or certificate under chapter 18.130 RCW.

(4) The secretary shall issue a registration to any applicant who completes an application which identifies the name and address of the applicant, the registration being requested, and information required by the secretary necessary to establish whether there are grounds for denial of a registration or issuance of a conditional registration under chapter 18.130 RCW. [1991 c 3 § 263; 1987 c 150 § 68.]

**RCW 18.122.090 Approval of educational programs.** The secretary shall establish by rule the standards and procedures for approval of educational programs and alternative training. The secretary may utilize or contract with individuals or organizations having expertise in the profession or in education to assist in the evaluations. The

secretary shall establish by rule the standards and procedures for revocation of approval of education programs. The standards and procedures set shall apply equally to educational programs and training in the United States and in foreign jurisdictions. The secretary may establish a fee for educational program evaluations. [1991 c 3 § 264; 1987 c 150 § 69.]

**RCW 18.122.100 Examinations.** (1) The date and location of examinations shall be established by the secretary. Applicants shall be scheduled for the next examination following the filing of the application. The secretary shall establish by rule the examination application deadline.

(2) The secretary or the secretary's designees shall examine each applicant, by means determined most effective, on subjects appropriate to the scope of practice, as applicable. Such examinations shall be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(3) The examination papers, all grading of the papers, and the grading of any practical work shall be preserved for a period of not less than one year after the secretary has made and published the decisions. All examinations shall be conducted under fair and wholly impartial methods.

(4) Any applicant failing to make the required grade in the first examination may take up to three subsequent examinations as the applicant desires upon prepaying a fee determined by the secretary under RCW 43.70.250 for each subsequent examination. Upon failing four examinations, the secretary may invalidate the original application and require such remedial education before the person may take future examinations.

(5) The secretary may approve an examination prepared or administered by a private testing agency or association of licensing agencies for use by an applicant in meeting the credentialing requirements. [2023 c 425 § 9; 1989 1st ex.s. c 9 § 310; 1987 c 150 § 70.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.110 Applications.** Applications for credentialing shall be submitted on forms provided by the secretary. The secretary may require any information and documentation which reasonably relates to the need to determine whether the applicant meets the criteria for credentialing provided for in this chapter and chapter 18.130 RCW. Each applicant shall pay a fee determined by the secretary under RCW 43.70.250. The fee shall accompany the application. [1989 1st ex.s. c 9 § 311; 1987 c 150 § 71.]

**Effective date—Severability—1989 1st ex.s. c 9:** See RCW 43.70.910 and 43.70.920.

**RCW 18.122.120 Waiver of examination for initial applications.** The secretary shall waive the examination and credential a person authorized to practice within the state of Washington if the secretary

determines that the person meets commonly accepted standards of education and experience for the profession. This section applies only to those individuals who file an application for waiver within one year of the establishment of the authorized practice. [1991 c 3 § 265; 1987 c 150 § 72.]

**RCW 18.122.130 Endorsement.** An applicant holding a credential in another state may be credentialed to practice in this state without examination if the secretary determines that the other state's credentialing standards are substantially equivalent to the standards in this state. [1991 c 3 § 266; 1987 c 150 § 73.]

**RCW 18.122.140 Renewals.** The secretary shall establish by rule the procedural requirements and fees for renewal of a credential. Failure to renew shall invalidate the credential and all privileges granted by the credential. If a license or certificate has lapsed for a period longer than three years, the person shall demonstrate competence to the satisfaction of the secretary by taking continuing education courses, or meeting other standards determined by the secretary. [1991 c 3 § 267; 1987 c 150 § 74.]

**RCW 18.122.150 Application of uniform disciplinary act.** The uniform disciplinary act, chapter 18.130 RCW, shall govern the issuance and denial of credentials, unauthorized practice, and the discipline of persons credentialed under this chapter. The secretary shall be the disciplining authority under this chapter. [1991 c 3 § 268; 1987 c 150 § 75.]

**RCW 18.122.160 Application of chapter.** This chapter only applies to a business or profession regulated under the laws of this state if this chapter is specifically referenced in the laws regulating that business or profession. [1987 c 150 § 76.]

**RCW 18.122.165 Health care administration work groups—Secretary's participation.** Pursuant to RCW 48.165.030 and 48.165.035, the secretary or his or her designee shall participate in the work groups and, within funds appropriated specifically for this purpose, implement the standards to enable the department to transmit data to and receive data from the uniform process. [2009 c 298 § 7.]

**RCW 18.122.900 Section captions.** Section captions as used in this chapter do not constitute any part of the law. [1987 c 150 § 77.]

**RCW 18.122.901 Severability—1987 c 150.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [1987 c 150 § 80.]

*AIDS education and training: Chapter 70.24 RCW.*

**RCW 18.130.010 Intent.** It is the intent of the legislature to strengthen and consolidate disciplinary and licensure procedures for the licensed health and health-related professions and businesses by providing a uniform disciplinary act with standardized procedures for the licensure of health care professionals and the enforcement of laws

the purpose of which is to assure the public of the adequacy of professional competence and conduct in the healing arts.

It is also the intent of the legislature that all health and health-related professions newly credentialed by the state come under the Uniform Disciplinary Act.

Further, the legislature declares that the addition of public members on all health care commissions and boards can give both the state and the public, which it has a statutory responsibility to protect, assurances of accountability and confidence in the various practices of health care. [1994 sp.s. c 9 § 601; 1991 c 332 § 1; 1986 c 259 § 1; 1984 c 279 § 1.]

**Severability—Headings and captions not law—Effective date—1994 sp.s. c 9:** See RCW 18.79.900 through 18.79.902.

**Application to scope of practice—1991 c 332:** "Nothing in sections 1 through 39 of this act is intended to change the scope of practice of any health care profession referred to in sections 1 through 39 of this act." [1991 c 332 § 46.]

**Captions not law—1991 c 332:** "Section captions and part headings as used in this act constitute no part of the law." [1991 c 332 § 43.]

**Severability—1986 c 259:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1986 c 259 § 152.]

(7) "Disciplining authority" means the agency, board, or commission having the authority to take disciplinary action against a

[2018 c 300 § 3; 2008 c 134 § 2; 1995 c 336 § 1; 1994 sp.s. c 9 § 602; 1989 1st ex.s. c 9 § 312; 1986 c 259 § 2; 1984 c 279 § 2.]

**Intent—Finding—Construction—2018 c 300:** See notes following RCW 18.130.180.

**Alphabetization—2008 c 134 § 2:** "The code reviser is directed to put the defined terms in RCW 18.130.020 in alphabetical order." [2008 c 134 § 39.]

**Finding—Intent—2008 c 134:** "From statehood, Washington has constitutionally provided for the regulation of the practice of medicine and the sale of drugs and medicines. This constitutional recognition of the importance of regulating health care practitioners derives not from providers' financial interest in their license, but from the greater need to protect the public health and safety by assuring that the health care providers and medicines that society relies upon meet certain standards of quality.

The legislature finds that the issuance of a license to practice as a health care provider should be a means to promote quality and not be a means to provide financial benefit for providers. Statutory and administrative requirements provide sufficient due process protections to prevent the unwarranted revocation of a health care provider's license. While those due process protections must be maintained, there is an urgent need to return to the original constitutional mandate that patients be ensured quality from their health care providers. The legislature has recognized and medical malpractice reforms have recognized the importance of quality and patient safety through such

measures as a new adverse events reporting system. Reforms to the health care provider licensing system is another step toward improving quality in health care. Therefore, the legislature intends to increase the authority of those engaged in the regulation of health care providers to swiftly identify and remove health care providers who pose a risk to the public." [2008 c 134 § 1.]

**Severability—2008 c 134:** "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [2008 c 134 § 38.]

The disciplining authority shall provide written notice of its requirement for a mental or physical examination that includes a statement of the specific conduct, event, or circumstances justifying an examination and a statement of the nature, purpose, scope, and content of the intended examination. If the applicant fails to submit to the examination or provide the results of the examination or any required waivers, the disciplining authority may deny the application.

(ii) An applicant governed by this chapter is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports

by the disciplining authority on the grounds that the testimony or reports constitute privileged communications.

(2) The provisions of RCW 9.95.240 and chapter 9.96A RCW do not apply to a decision to deny a license under this section.

(3) The disciplining authority shall give written notice to the applicant of the decision to deny a license or grant a license with conditions in response to an application for a license. The notice must state the grounds and factual basis for the action and be served upon the applicant.

The disciplining authority shall promptly respond to inquiries made by the license holder or the person or entity making a complaint or report regarding the status of the complaint or report.

(2)(a) Pursuant to chapter 42.56 RCW, following completion of an investigation or closure of a report or complaint, the disciplining authority shall, upon request, provide the license holder or the person or entity making the complaint or report with a copy of the file relating to the complaint or report, including, but not limited to, any response submitted by the license holder under RCW 18.130.095(1).

(c) The exemptions in (b) of this subsection are inapplicable to the extent that the relevant information can be deleted from the documents in question.

(d) The disciplining authority may impose a reasonable charge for copying the file consistent with the charges allowed for copying public records under RCW 42.56.120.

(3) (a) Prior to any final decision on any disciplinary proceeding before a disciplining authority, the disciplining authority shall provide the person submitting the complaint or report or his or her representative, if any, an opportunity to be heard through an oral or written impact statement about the effect of the person's injury on the person and his or her family and on a recommended sanction.

(b) If the license holder is not present at the disciplinary proceeding, the disciplining authority shall transmit the impact statement to the license holder, who shall certify to the disciplining authority that he or she has received it.

(c) For purposes of this subsection, representatives of the person submitting the complaint or report include his or her family members and such other affected parties as may be designated by the disciplining authority upon request.

(4) A disciplining authority shall inform, in writing, the license holder and person or entity submitting the complaint or report of the final disposition of the complaint or report.

(5) (a) If the disciplining authority closes a complaint or report prior to issuing a statement of charges under RCW 18.130.090 or a statement of allegations under RCW 18.130.172, the person or entity submitting the report may, within thirty days of receiving notice under subsection (4) of this section, request the disciplining authority to reconsider the closure of the complaint or report on the basis of new information relating to the original complaint or report. A request for reconsideration made under this subsection may only be brought in relation to the original complaint and may only be brought one time.

(b) The disciplining authority shall, within thirty days of receiving the request for reconsideration, notify the license holder of the request and the new information providing the basis therefor. The license holder has thirty days to provide a response. The disciplining authority shall notify the person or entity and the license holder in writing of its final decision on the request for reconsideration, including an explanation of the reasoning behind the decision. [2011 c 157 § 1.]

**RCW 18.130.060 Additional authority of secretary.** In addition to the authority specified in RCW 18.130.050 and 18.130.062, the secretary has the following additional authority:

(1) To employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter. The secretary must, whenever practical, make primary assignments on a long-term basis to foster the development and maintenance of staff expertise. To ensure continuity and best practices, the secretary will regularly evaluate staff assignments and workload distribution;

(2) Upon the request of a board or commission, to appoint pro tem members to participate as members of a panel of the board or commission in connection with proceedings specifically identified in the request. Individuals so appointed must meet the same minimum qualifications as regular members of the board or commission. Pro tem members appointed for matters under this chapter are appointed for a term of no more than one year. No pro tem member may serve more than four one-year terms. While serving as board or commission members pro

tem, persons so appointed have all the powers, duties, and immunities, and are entitled to the emoluments, including travel expenses in accordance with RCW 43.03.050 and 43.03.060, of regular members of the board or commission. The chairperson of a panel shall be a regular member of the board or commission appointed by the board or commission chairperson. Panels have authority to act as directed by the board or commission with respect to all matters subject to the jurisdiction of the board or commission and within the authority of the board or commission. The authority to act through panels does not restrict the authority of the board or commission to act as a single body at any phase of proceedings within the board's or commission's jurisdiction. Board or commission panels may issue final orders and decisions with respect to matters and cases delegated to the panel by the board or commission. Final decisions may be appealed as provided in chapter 34.05 RCW, the administrative procedure act;

(3) To establish fees to be paid for witnesses, expert witnesses, and consultants used in any investigation and to establish fees to witnesses in any agency adjudicative proceeding as authorized by RCW 34.05.446;

(4) To conduct investigations and practice reviews at the direction of the disciplining authority and to issue subpoenas, administer oaths, and take depositions in the course of conducting those investigations and practice reviews at the direction of the disciplining authority;

(5) To have the health professions regulatory program establish a system to recruit potential public members, to review the qualifications of such potential members, and to provide orientation to those public members appointed pursuant to law by the governor or the secretary to the boards and commissions specified in RCW 18.130.040(2)(b), and to the advisory committees and councils for professions specified in RCW 18.130.040(2)(a); and

(6) To adopt rules, in consultation with the disciplining authorities, requiring every license holder to report information identified in RCW 18.130.070. [2008 c 134 § 4; 2006 c 99 § 1; 2001 c 101 § 1; 1995 c 336 § 5; 1991 c 3 § 269; 1989 c 175 § 68; 1987 c 150 § 3; 1984 c 279 § 6.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.062 Authority of secretary—Disciplinary process—Sexual misconduct—Victim interview training.** (1) With regard to complaints that only allege that a license holder has committed an act or acts of unprofessional conduct involving sexual misconduct, the secretary shall serve as the sole disciplining authority in every aspect of the disciplinary process, including initiating investigations, investigating, determining the disposition of the complaint, holding hearings, preparing findings of fact, issuing orders or dismissals of charges as provided in RCW 18.130.110, entering into stipulations permitted by RCW 18.130.172, or issuing summary suspensions under RCW 18.130.135. The board or commission

shall review all cases and only refer to the secretary sexual misconduct cases that do not involve clinical expertise or standard of care issues.

(2) Beginning July 1, 2016, for all complaints alleging an act or acts of unprofessional conduct involving sexual misconduct, regardless of whether the secretary or a board or commission is the disciplining authority, all victim interviews conducted as part of an investigation must be conducted by a person who has successfully completed a training program on interviewing victims of sexual misconduct in a manner that minimizes the negative impacts on the victims. The training program may be provided by the disciplining authority, the department, or an outside entity. When determining the type of training that is appropriate to comply with this subsection, the disciplining authority shall consult with at least one statewide organization that provides information, training, and expertise to persons and entities who support victims, family and friends, the general public, and other persons whose lives have been affected by sexual assault. [2015 c 159 § 1; 2008 c 134 § 5.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.063 Disclosure—Sexual misconduct.** (1) If a license holder subject to this chapter has been sanctioned by a disciplining authority on or after October 1, 2019, for an act or acts of unprofessional conduct involving sexual misconduct, the license holder or his or her designee must provide a disclosure to any patient scheduled for an appointment with the license holder during the period of time that the license holder is subject to the order or stipulation. The disclosure must only be provided to a patient at or prior to the patient's first visit with the license holder following entry of the order or stipulation.

(2) The disclosure must include a copy of the public order or stipulation, a description of all sanctions placed on the license holder by the disciplining authority in the order or stipulation, the duration of all sanctions, the disciplining authority's telephone number, and an explanation of how the patient can find more information about the license holder on the disciplining authority's online license information website.

(3) The license holder must provide the patient or the patient's surrogate decision maker as designated under RCW 7.70.065 with the disclosure indicating that the patient has received a copy of the public order or stipulation and is aware the provider has been sanctioned for unprofessional conduct involving sexual misconduct, which must be signed by the patient or a surrogate decision maker. A copy of the signed disclosure must be maintained in the patient's file.

(4) A disciplining authority may adopt rules to exempt certain types of sexual misconduct from the requirements of this section.

(5) This section does not apply to license holders subject to chapter 18.92 RCW.

(6) For purposes of this section:

(a) "Order" means an order issued by a disciplining authority including, but not limited to, an agreed order, default order, final

order, or a reinstatement order, but does not include a summary restriction order.

(b) "Stipulation" means a stipulation to informal disposition. [2019 c 69 § 1.]

**Effective date—2019 c 69:** "This act takes effect October 1, 2019." [2019 c 69 § 2.]

**RCW 18.130.064 Authority and duties—Secretary and disciplining authority—Background checks.**

(1) (a) The secretary is authorized to receive criminal history record information that includes nonconviction data for any purpose associated with investigation or licensing and investigate the complete criminal history and pending charges of all applicants and license holders.

(b) Dissemination or use of nonconviction data for purposes other than that authorized in this section is prohibited. Disciplining authorities shall restrict the use of background check results in determining the individual's suitability for a license and in conducting disciplinary functions.

(2) (a) The secretary shall establish requirements for each applicant for an initial license to obtain a state background check through the state patrol prior to the issuance of any license. The background check may be fingerprint-based at the discretion of the department.

(b) The secretary shall specify those situations where a background check under (a) of this subsection is inadequate and an applicant for an initial license must obtain an electronic fingerprint-based national background check through the state patrol and federal bureau of investigation. Situations where a background check is inadequate may include instances where an applicant has recently lived out of state or where the applicant has a criminal record in Washington. The secretary shall issue a temporary practice permit to an applicant who must have a national background check conducted if the background check conducted under (a) of this subsection does not reveal a criminal record in Washington, and if the applicant meets the provisions of RCW 18.130.075.

(3) In addition to the background check required in subsection (2) of this section, an investigation may include an examination of state and national criminal identification data. The disciplining authority shall use the information for determining eligibility for licensure or renewal. The disciplining authority may also use the information when determining whether to proceed with an investigation of a report under RCW 18.130.080. For a national criminal history records check, the department shall require fingerprints be submitted to and searched through the Washington state patrol identification and criminal history section. The Washington state patrol shall forward the fingerprints to the federal bureau of investigation.

(4) The secretary shall adopt rules to require license holders to report to the disciplining authority any arrests, convictions, or other determinations or findings by a law enforcement agency occurring after June 12, 2008, for a criminal offense. The report must be made within fourteen days of the conviction.

(5) The secretary shall conduct an annual review of a representative sample of all license holders who have previously obtained a background check through the department. The selection of

the license holders to be reviewed must be representative of all categories of license holders and geographic locations.

(6) (a) When deciding whether or not to issue an initial license, the disciplining authority shall consider the results of any background check conducted under subsection (2) of this section that reveals a conviction for any criminal offense that constitutes unprofessional conduct under this chapter or the chapters specified in RCW 18.130.040(2) or a series of arrests that when considered together demonstrate a pattern of behavior that, without investigation, may pose a risk to the safety of the license holder's patients.

(b) If the background check conducted under subsection (2) of this section reveals any information related to unprofessional conduct that has not been previously disclosed to the disciplining authority, the disciplining authority shall take appropriate disciplinary action against the license holder.

(7) The department shall:

(a) Require the applicant or license holder to submit full sets of fingerprints if necessary to complete the background check;

(b) Require the applicant to submit any information required by the state patrol; and

(c) Notify the applicant if their background check reveals a criminal record. Only when the background check reveals a criminal record will an applicant receive a notice. Upon receiving such a notice, the applicant may request and the department shall provide a copy of the record to the extent permitted under RCW 10.97.050, including making accessible to the applicant for their personal use and information any records of arrest, charges, or allegations of criminal conduct or other nonconviction data pursuant to RCW 10.97.050(4).

(8) Criminal justice agencies shall provide the secretary with both conviction and nonconviction information that the secretary requests for investigations under this chapter.

(9) There is established a unit within the department for the purpose of detection, investigation, and prosecution of any act prohibited or declared unlawful under this chapter. The secretary will employ supervisory, legal, and investigative personnel for the unit who must be qualified by training and experience.

(10) For purposes of issuing multistate licenses under chapter 18.80 RCW, the board of nursing is authorized to receive criminal history record information that includes nonconviction data for any purpose associated with licensing and investigate the complete criminal history and pending charges of all applicants and license holders. [2023 c 123 § 22; 2008 c 134 § 7.]

**Short title—2023 c 123:** See RCW 18.80.900.

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.065 Rules, policies, and orders—Secretary's role.**

The secretary of health shall review and coordinate all proposed rules, interpretive statements, policy statements, and declaratory orders, as defined in chapter 34.05 RCW, that are proposed for adoption or issuance by any health profession board or commission vested with rule-making authority identified under RCW

18.130.040(2)(b). The secretary shall review the proposed policy statements and declaratory orders against criteria that include the effect of the proposed rule, statement, or order upon existing health care policies and practice of health professionals. Within thirty days of the receipt of a proposed rule, interpretive statement, policy statement, or declaratory order from the originating board or commission, the secretary shall inform the board or commission of the results of the review, and shall provide any comments or suggestions that the secretary deems appropriate. Emergency rule making is not subject to this review process. The secretary is authorized to adopt rules and procedures for the coordination and review under this section. [1995 c 198 § 26.]

**RCW 18.130.070 Rules requiring reports—Court orders—Immunity from liability—Licensees required to report.** (1)(a) The secretary shall adopt rules requiring every license holder to report to the appropriate disciplining authority any conviction, determination, or finding that another license holder has committed an act which constitutes unprofessional conduct, or to report information to the disciplining authority, physician health program, or voluntary substance use disorder monitoring program approved by the disciplining authority, which indicates that the other license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(b) The secretary may adopt rules to require other persons, including corporations, organizations, health care facilities, physician health programs, or voluntary substance use disorder monitoring programs approved by the disciplining authority, and state or local government agencies, to report:

(i) Any conviction, determination, or finding that a license holder has committed an act which constitutes unprofessional conduct; or

(ii) Information to the disciplining authority, physician health program, or voluntary substance use disorder monitoring program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(c) If a report has been made by a hospital to the department pursuant to RCW 70.41.210 or by an ambulatory surgical facility pursuant to RCW 70.230.110, a report to the disciplining authority is not required. To facilitate meeting the intent of this section, the cooperation of agencies of the federal government is requested by reporting any conviction, determination, or finding that a federal employee or contractor regulated by the disciplining authorities enumerated in this chapter has committed an act which constituted unprofessional conduct and reporting any information which indicates that a federal employee or contractor regulated by the disciplining authorities enumerated in this chapter may not be able to practice his or her profession with reasonable skill and safety as a result of a mental or physical condition.

(d) Reporting under this section is not required by:

(i) Any entity with a peer review committee, quality improvement committee or other similarly designated professional review committee, or by a license holder who is a member of such committee, during the

investigative phase of the respective committee's operations if the investigation is completed in a timely manner; or

(ii) A physician health program or voluntary substance use disorder monitoring program approved by a disciplining authority under RCW 18.130.175 if the license holder is currently enrolled in the program, so long as the license holder actively participates in the program and the license holder's impairment does not constitute a clear and present danger to the public health, safety, or welfare.

(2) If a person fails to furnish a required report, the disciplining authority may petition the superior court of the county in which the person resides or is found, and the court shall issue to the person an order to furnish the required report. A failure to obey the order is a contempt of court as provided in chapter 7.21 RCW.

(3) A person is immune from civil liability, whether direct or derivative, for providing information to the disciplining authority pursuant to the rules adopted under subsection (1) of this section.

(4) (a) The holder of a license subject to the jurisdiction of this chapter shall report to the disciplining authority:

(i) Any conviction, determination, or finding that he or she has committed unprofessional conduct or is unable to practice with reasonable skill or safety; and

(ii) Any disqualification from participation in the federal medicare program, under Title XVIII of the federal social security act or the federal medicaid program, under Title XIX of the federal social security act.

(b) Failure to report within thirty days of notice of the conviction, determination, finding, or disqualification constitutes grounds for disciplinary action. [2022 c 43 § 9; 2007 c 273 § 23; 2006 c 99 § 2; 2005 c 470 § 2; 1998 c 132 § 8; 1989 c 373 § 19; 1986 c 259 § 4; 1984 c 279 § 7.]

**Effective date—Implementation—2007 c 273:** See RCW 70.230.900 and 70.230.901.

**Finding—Intent—Severability—1998 c 132:** See notes following RCW 18.71.0195.

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.075 Temporary practice permits—Penalties.** (1) If an individual licensed in another state that has licensing standards substantially equivalent to Washington applies for a license, the disciplining authority shall issue a temporary practice permit authorizing the applicant to practice the profession pending completion of documentation that the applicant meets the requirements for a license and is also not subject to denial of a license or issuance of a conditional license under this chapter. The temporary permit may reflect statutory limitations on the scope of practice. The permit shall be issued only upon the disciplining authority receiving verification from the states in which the applicant is licensed that the applicant is currently licensed and is not subject to charges or disciplinary action for unprofessional conduct or impairment. Notwithstanding RCW 34.05.422(3), the disciplining authority shall establish, by rule, the duration of the temporary practice permits.

(2) Failure to surrender the temporary practice permit is a misdemeanor under RCW 9A.20.010 and shall be unprofessional conduct under this chapter.

(3) The issuance of temporary permits is subject to the provisions of this chapter, including summary suspensions. [2003 c 53 § 140; 1991 c 332 § 2.]

**Intent—Effective date—2003 c 53:** See notes following RCW 2.48.180.

**Application to scope of practice—Captions not law—1991 c 332:** See notes following RCW 18.130.010.

**RCW 18.130.077 Licensure requirements waiver for out-of-state and nationally certified applicants.** (1) Disciplining authorities shall waive education, training, experience, and exam requirements for applicants who have been credentialed in another state or states with substantially equivalent standards for at least two years immediately preceding their application with no interruption in licensure last longer than 90 days.

(2) Disciplining authorities may waive education, training, experience, or exam requirements for applicants who have achieved a national certification for the profession as determined by the disciplining authority in rule.

(3) Disciplining authorities may only issue credentials under this section to applicants who:

(a) Are not subject to denial of a license or issuance of a conditional license under this chapter;

(b) Have not been subject to disciplinary action for unprofessional conduct or impairment in any state, federal, or foreign jurisdiction in the two years preceding their application or during the pendency of their application; and

(c) Are not under investigation or subject to charges in any state, federal, or foreign jurisdiction during the pendency of their application. [2023 c 425 § 8.]

**RCW 18.130.080 Unprofessional conduct—Complaint—Investigation—Civil penalty.** (1)(a) An individual, an impaired practitioner program, or a voluntary substance abuse monitoring program approved by a disciplining authority, may submit a written complaint to the disciplining authority charging a license holder or applicant with unprofessional conduct and specifying the grounds therefor or to report information to the disciplining authority, or voluntary substance abuse monitoring program, or an impaired practitioner program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(b)(i) Every license holder, corporation, organization, health care facility, and state and local governmental agency that employs a license holder shall report to the disciplining authority when the employed license holder's services have been terminated or restricted based upon a final determination that the license holder has either committed an act or acts that may constitute unprofessional conduct or

that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(ii) All reports required by (b) (i) of this subsection must be submitted to the disciplining authority as soon as possible, but no later than twenty days after a determination has been made. A report should contain the following information, if known:

(A) The name, address, and telephone number of the person making the report;

(B) The name, address, and telephone number of the license holder being reported;

(C) The case number of any patient whose treatment is the subject of the report;

(D) A brief description or summary of the facts that gave rise to the issuance of the report, including dates of occurrences;

(E) If court action is involved, the name of the court in which the action is filed, the date of filing, and the docket number; and

(F) Any further information that would aid in the evaluation of the report.

(iii) Mandatory reports required by (b) (i) of this subsection are exempt from public inspection and copying to the extent permitted under chapter 42.56 RCW or to the extent that public inspection or copying of the report would invade or violate a person's right to privacy as set forth in RCW 42.56.050.

(2) If the disciplining authority determines that a complaint submitted under subsection (1) of this section merits investigation, or if the disciplining authority has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional conduct, the disciplining authority shall investigate to determine whether there has been unprofessional conduct. In determining whether or not to investigate, the disciplining authority shall consider any prior complaints received by the disciplining authority, any prior findings of fact under RCW 18.130.110, any stipulations to informal disposition under RCW 18.130.172, and any comparable action taken by other state disciplining authorities.

(3) Notwithstanding subsection (2) of this section, the disciplining authority shall initiate an investigation in every instance where:

(a) The disciplining authority receives information that a health care provider has been disqualified from participating in the federal medicare program, under Title XVIII of the federal social security act, or the federal medicaid program, under Title XIX of the federal social security act; or

(b) There is a pattern of complaints, arrests, or other actions that may not have resulted in a formal adjudication of wrongdoing, but when considered together demonstrate a pattern of similar conduct that, without investigation, likely poses a risk to the safety of the license holder's patients.

(4) Failure of a license holder to submit a mandatory report to the disciplining authority under subsection (1) (b) of this section is punishable by a civil penalty not to exceed five hundred dollars and constitutes unprofessional conduct.

(5) If a report has been made by a hospital to the department under RCW 70.41.210 or an ambulatory surgical facility under RCW 70.230.120, a report to the disciplining authority under subsection (1) (b) of this section is not required.

(6) A person is immune from civil liability, whether direct or derivative, for providing information in good faith to the disciplining authority under this section.

(7) (a) The secretary is authorized to receive criminal history record information that includes nonconviction data for any purpose associated with the investigation or licensing of persons under this chapter.

(b) Dissemination or use of nonconviction data for purposes other than that authorized in this section is prohibited. [2008 c 134 § 8; 2006 c 99 § 5; 1998 c 132 § 9; 1986 c 259 § 5; 1984 c 279 § 8.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**Finding—Intent—Severability—1998 c 132:** See notes following RCW 18.71.0195.

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.085 Communication with complainant.** If the department communicates in writing to a complainant, or his or her representative, regarding his or her complaint, such communication shall not include the address or telephone number of the health care provider against whom he or she has complained. The department shall inform all applicants for a health care provider license of the provisions of this section and chapter 42.56 RCW regarding the release of address and telephone information. [2005 c 274 § 230; 1993 c 360 § 1.]

**Effective date—1993 c 360:** "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [May 15, 1993]." [1993 c 360 § 3.]

**RCW 18.130.090 Statement of charge—Request for hearing.** (1) If the disciplining authority determines, upon investigation, that there is reason to believe a violation of RCW 18.130.180 has occurred, a statement of charge or charges shall be prepared and served upon the license holder or applicant at the earliest practical time. The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the disciplining authority within twenty days after being served the statement of charges. If the twenty-day limit results in a hardship upon the license holder or applicant, he or she may request for good cause an extension not to exceed sixty additional days. If the disciplining authority finds that there is good cause, it shall grant the extension. The failure to request a hearing constitutes a default, whereupon the disciplining authority may enter a decision on the basis of the facts available to it.

(2) If a hearing is requested, the time of the hearing shall be fixed by the disciplining authority as soon as convenient, but the hearing shall not be held earlier than thirty days after service of

the charges upon the license holder or applicant. [1993 c 367 § 1; 1986 c 259 § 6; 1984 c 279 § 9.]

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.095 Uniform procedural rules.** (1) (a) The secretary, in consultation with the disciplining authorities, shall develop uniform procedural rules to respond to public inquiries concerning complaints and their disposition, active investigations, statement of charges, findings of fact, and final orders involving a license holder, applicant, or unlicensed person. The uniform procedural rules adopted under this subsection apply to all adjudicative proceedings conducted under this chapter and shall include provisions for establishing time periods for initial assessment, investigation, charging, discovery, settlement, and adjudication of complaints, and shall include enforcement provisions for violations of the specific time periods by the department, the disciplining authority, and the respondent. A license holder must be notified upon receipt of a complaint, except when the notification would impede an effective investigation. At the earliest point of time the license holder must be allowed to submit a written statement about that complaint, which statement must be included in the file. Complaints filed after July 27, 1997, are exempt from public disclosure under chapter 42.56 RCW until the complaint has been initially assessed and determined to warrant an investigation by the disciplining authority. Complaints determined not to warrant an investigation by the disciplining authority are no longer considered complaints, but must remain in the records and tracking system of the department. Information about complaints that did not warrant an investigation, including the existence of the complaint, may be released only upon receipt of a written public disclosure request or pursuant to an interagency agreement as provided in (b) of this subsection. Complaints determined to warrant no cause for action after investigation are subject to public disclosure, must include an explanation of the determination to close the complaint, and must remain in the records and tracking system of the department.

(b) The secretary, on behalf of the disciplining authorities, shall enter into interagency agreements for the exchange of records, which may include complaints filed but not yet assessed, with other state agencies if access to the records will assist those agencies in meeting their federal or state statutory responsibilities. Records obtained by state agencies under the interagency agreements are subject to the limitations on disclosure contained in (a) of this subsection.

(2) The uniform procedures for conducting investigations shall provide that prior to taking a written statement:

(a) For violation of this chapter, the investigator shall inform such person, in writing of: (i) The nature of the complaint; (ii) that the person may consult with legal counsel at his or her expense prior to making a statement; and (iii) that any statement that the person makes may be used in an adjudicative proceeding conducted under this chapter; and

(b) From a witness or potential witness in an investigation under this chapter, the investigator shall inform the person, in writing, that the statement may be released to the license holder, applicant,

or unlicensed person under investigation if a statement of charges is issued.

(3) Only upon the authorization of a disciplining authority identified in RCW 18.130.040(2)(b), the secretary, or his or her designee, may serve as the presiding officer for any disciplinary proceedings of the disciplining authority authorized under this chapter. The presiding officer shall not vote on or make any final decision in cases pertaining to standards of practice or where clinical expertise is necessary. All functions performed by the presiding officer shall be subject to chapter 34.05 RCW. The secretary, in consultation with the disciplining authorities, shall adopt procedures for implementing this subsection.

(4) Upon delegation from the secretary, a presiding officer may conduct disciplinary proceedings for professions identified in RCW 18.130.040(2)(a). All functions performed by the presiding officer are subject to chapter 34.05 RCW. Decisions of the presiding officer are initial decisions subject to review by the secretary. The secretary shall adopt procedures for implementing this subsection.

(5) The uniform procedural rules shall be adopted by all disciplining authorities listed in RCW 18.130.040(2), and shall be used for all adjudicative proceedings conducted under this chapter, as defined by chapter 34.05 RCW. The uniform procedural rules shall address the use of a presiding officer authorized in subsections (3) and (4) of this section to determine and issue decisions on all legal issues and motions arising during adjudicative proceedings. [2013 c 109 § 2; 2008 c 134 § 9; 2005 c 274 § 231; 1997 c 270 § 1; 1995 c 336 § 6; 1993 c 367 § 2.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.098 Settlement—Disclosure—Conference.** (1) The settlement process must be substantially uniform for licensees governed by disciplining authorities under this chapter. The disciplinary [disciplining] authorities may also use alternative dispute resolution to resolve complaints during adjudicative proceedings.

(2) Disclosure of the identity of reviewing disciplining authority members who participate in the settlement process is available to the respondent or his or her representative upon request.

(3) The settlement conference will occur only if a settlement is not achieved through written documents. The respondent will have the opportunity to conference either by phone or in person with the reviewing disciplining authority member if the respondent chooses. The respondent may also have his or her attorney conference either by phone or in person with the reviewing disciplining authority member without the respondent being present personally.

(4) If the respondent wants to meet in person with the reviewing disciplining authority member, he or she will travel to the reviewing disciplining authority member and have such a conference with a department representative in attendance either by phone or in person. **RCW 18.130.100 Hearings—Adjudicative proceedings under chapter 34.05 RCW.** The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the Administrative Procedure Act, govern all hearings before the disciplining authority. The disciplining authority has, in addition to the powers and duties set forth in this chapter, all of the powers and duties under chapter 34.05 RCW, which include, without limitation, all powers relating to the administration of oaths, the receipt of evidence, the issuance and enforcing of subpoenas, and the taking of depositions. [1989 c 175 § 69; 1984 c 279 § 10.]

**Effective date—1989 c 175:** See note following RCW 34.05.010.

**RCW 18.130.110 Findings of fact—Order—Report.** (1) In the event of a finding of unprofessional conduct, the disciplining authority shall prepare and serve findings of fact and an order as provided in chapter 34.05 RCW, the Administrative Procedure Act. If the license holder or applicant is found to have not committed unprofessional conduct, the disciplining authority shall forthwith prepare and serve findings of fact and an order of dismissal of the charges, including public exoneration of the licensee or applicant. The findings of fact and order shall be retained by the disciplining authority as a permanent record.

(2) The disciplining authority shall report the issuance of statements of charges and final orders in cases processed by the disciplining authority to:

(a) The person or agency who brought to the disciplining authority's attention information which resulted in the initiation of the case;

(b) Appropriate organizations, public or private, which serve the professions;

(c) The public. Notification of the public shall include press releases to appropriate local news media and the major news wire services; and

(d) Counterpart licensing boards in other states, or associations of state licensing boards.

(3) This section shall not be construed to require the reporting of any information which is exempt from public disclosure under chapter 42.56 RCW. [2005 c 274 § 232; 1989 c 175 § 70; 1984 c 279 § 11.]

**RCW 18.130.120 Actions against license—Exception.** The department shall not issue any license to any person whose license has been denied, revoked, or suspended by the disciplining authority except in conformity with the terms and conditions of the certificate or order of denial, revocation, or suspension, or in conformity with any order of reinstatement issued by the disciplining authority, or in accordance with the final judgment in any proceeding for review instituted under this chapter. [1984 c 279 § 12.]

**RCW 18.130.127 License suspension—Noncompliance with support order—Reissuance.** The secretary shall immediately suspend the license of any person subject to this chapter who has been certified by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order as provided in RCW 74.20A.320. [1997 c 58 § 830.]

**RCW 18.130.130 Orders—When effective—Stay.** An order pursuant to proceedings authorized by this chapter, after due notice and findings in accordance with this chapter and chapter 34.05 RCW, or an order of summary suspension entered under this chapter, shall take effect immediately upon its being served. The order, if appealed to the court, shall not be stayed pending the appeal unless the disciplining authority or court to which the appeal is taken enters an order staying the order of the disciplining authority, which stay shall provide for terms necessary to protect the public. [1986 c 259 § 7; 1984 c 279 § 13.]

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.135 Suspension or restriction orders—Show cause hearing.** (1) Upon an order of a disciplining authority to summarily suspend a license, or restrict or limit a license holder's practice pursuant to RCW 18.130.050 or 18.130.062, the license holder is entitled to a show cause hearing before a panel or the secretary as identified in subsection (2) of this section within fourteen days of requesting a show cause hearing. The license holder must request the show cause hearing within twenty days of the issuance of the order. At the show cause hearing, the disciplining authority has the burden of demonstrating that more probable than not, the license holder poses an immediate threat to the public health and safety. The license holder must request a hearing regarding the statement of charges in accordance with RCW 18.130.090.

(2) (a) In the case of a license holder who is regulated by a board or commission identified in RCW 18.130.040 (2) (b), the show cause hearing must be held by a panel of the appropriate board or commission.

(b) In the case of a license holder who is regulated by the secretary under RCW 18.130.040(2)(a), the show cause hearing must be held by the secretary.

(3) At the show cause hearing, the show cause hearing panel or the secretary may consider the statement of charges, the motion, and documents supporting the request for summary action, the respondent's answer to the statement of charges, and shall provide the license holder with an opportunity to provide documentary evidence and written testimony, and be represented by counsel. Prior to the show cause hearing, the disciplining authority shall provide the license holder with all documentation in support of the charges against the license holder.

(4) (a) If the show cause hearing panel or secretary determines that the license holder does not pose an immediate threat to the public health and safety, the panel or secretary may overturn the summary suspension or restriction order.

(b) If the show cause hearing panel or secretary determines that the license holder poses an immediate threat to the public health and safety, the summary suspension or restriction order shall remain in effect. The show cause hearing panel or secretary may amend the order as long as the amended order ensures that the license holder will no longer pose an immediate threat to the public health and safety.

(5) Within forty-five days of the show cause hearing panel's or secretary's determination to sustain the summary suspension or place restrictions on the license, the license holder may request a full hearing on the merits of the disciplining authority's decision to suspend or restrict the license. A full hearing must be provided within forty-five days of receipt of the request for a hearing, unless stipulated otherwise. [2008 c 134 § 6.]

**RCW 18.130.140 Appeal.** An individual who has been disciplined, whose license has been denied, or whose license has been granted with conditions by a disciplining authority may appeal the decision as provided in chapter 34.05 RCW. [2008 c 134 § 21; 1984 c 279 § 14.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.150 Reinstatement.** A person whose license has been suspended under this chapter may petition the disciplining authority for reinstatement after an interval as determined by the disciplining authority in the order unless the disciplining authority has found, pursuant to RCW 18.130.160, that the licensee can never be rehabilitated or can never regain the ability to practice with reasonable skill and safety. The disciplining authority shall hold hearings on the petition and may deny the petition or may order reinstatement and impose terms and conditions as provided in RCW 18.130.160 and issue an order of reinstatement. The disciplining authority may require successful completion of an examination as a condition of reinstatement.

A person whose license has been suspended for noncompliance with a support order or visitation order under RCW 74.20A.320 may petition for reinstatement at any time by providing the secretary a release issued by the department of social and health services stating that the person is in compliance with the order. If the person has continued to meet all other requirements for reinstatement during the suspension, the secretary shall automatically reissue the person's license upon receipt of the release, and payment of a reinstatement fee, if any. [2008 c 134 § 22; 1997 c 58 § 831; 1984 c 279 § 15.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.160 Finding of unprofessional conduct—Orders—Sanctions—Stay—Costs—Stipulations.** Upon a finding, after hearing, that a license holder has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the disciplining authority shall issue an order including sanctions adopted in accordance with the schedule adopted under RCW 18.130.390 giving proper consideration to any prior findings of fact under RCW 18.130.110, any stipulations to informal disposition under RCW 18.130.172, and any action taken by other in-state or out-of-state disciplining authorities. The order must provide for one or any combination of the following, as directed by the schedule, except as provided in RCW 9.97.020:

- (1) Revocation of the license;
- (2) Suspension of the license for a fixed or indefinite term;
- (3) Restriction or limitation of the practice;
- (4) Requiring the satisfactory completion of a specific program of remedial education or treatment;
- (5) The monitoring of the practice by a supervisor approved by the disciplining authority;
- (6) Censure or reprimand;
- (7) Compliance with conditions of probation for a designated period of time;
- (8) Payment of a fine for each violation of this chapter, not to exceed five thousand dollars per violation. Funds received shall be placed in the health professions account;
- (9) Denial of the license request;
- (10) Corrective action;
- (11) Refund of fees billed to and collected from the consumer;
- (12) A surrender of the practitioner's license in lieu of other sanctions, which must be reported to the federal data bank.

Any of the actions under this section may be totally or partly stayed by the disciplining authority. Safeguarding the public's health and safety is the paramount responsibility of every disciplining authority. In determining what action is appropriate, the disciplining

authority must consider the schedule adopted under RCW 18.130.390. Where the schedule allows flexibility in determining the appropriate sanction, the disciplining authority must first consider what sanctions are necessary to protect or compensate the public. Only after such provisions have been made may the disciplining authority consider and include in the order requirements designed to rehabilitate the license holder. All costs associated with compliance with orders issued under this section are the obligation of the license holder. The disciplining authority may order permanent revocation of a license if it finds that the license holder can never be rehabilitated or can never regain the ability to practice with reasonable skill and safety.

Surrender or permanent revocation of a license under this section is not subject to a petition for reinstatement under RCW 18.130.150.

The disciplining authority may determine that a case presents unique circumstances that the schedule adopted under RCW 18.130.390 does not adequately address. The disciplining authority may deviate from the schedule adopted under RCW 18.130.390 when selecting appropriate sanctions, but the disciplining authority must issue a written explanation of the basis for not following the schedule.

The license holder may enter into a stipulated disposition of charges that includes one or more of the sanctions of this section, but only after a statement of charges has been issued and the license holder has been afforded the opportunity for a hearing and has elected on the record to forego such a hearing. The stipulation shall either contain one or more specific findings of unprofessional conduct or inability to practice, or a statement by the license holder acknowledging that evidence is sufficient to justify one or more specified findings of unprofessional conduct or inability to practice. The stipulation entered into pursuant to this subsection shall be considered formal disciplinary action for all purposes. [2016 c 81 § 18; 2008 c 134 § 10. Prior: 2006 c 99 § 6; 2006 c 8 § 104; 2001 c 195 § 1; 1993 c 367 § 6; 1986 c 259 § 8; 1984 c 279 § 16.]

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.165 Enforcement of fine.** Where an order for payment of a fine is made as a result of a citation under RCW 18.130.230 or a hearing under RCW 18.130.100 or 18.130.190 and timely payment is not made as directed in the final order, the disciplining authority may enforce the order for payment in the superior court in the county in which the hearing was held. This right of enforcement shall be in addition to any other rights the disciplining authority may have as to any licensee ordered to pay a fine but shall not be construed to limit a licensee's ability to seek judicial review under RCW 18.130.140.

In any action for enforcement of an order of payment of a fine, the disciplining authority's order is conclusive proof of the validity of the order of payment of a fine and the terms of payment. [2008 c 134 § 23; 1993 c 367 § 20; 1987 c 150 § 4.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**Severability—1987 c 150:** See RCW 18.122.901.

**RCW 18.130.170 Capacity of license holder to practice—Hearing—Mental or physical examination—Implied consent.** (1) If the disciplining authority believes a license holder may be unable to practice with reasonable skill and safety to consumers by reason of any mental or physical condition, a statement of charges in the name of the disciplining authority shall be served on the license holder and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder to practice with reasonable skill and safety. If the disciplining authority determines that the license holder is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the disciplining authority shall impose such sanctions under RCW 18.130.160 as is deemed necessary to protect the public.

(2)(a) In investigating or adjudicating a complaint or report that a license holder may be unable to practice with reasonable skill or safety by reason of any mental or physical condition, the disciplining authority may require a license holder to submit to a mental or physical examination by one or more licensed or certified health professionals designated by the disciplining authority. The license holder shall be provided written notice of the disciplining authority's intent to order a mental or physical examination, which notice shall include: (i) A statement of the specific conduct, event, or circumstances justifying an examination; (ii) a summary of the evidence supporting the disciplining authority's concern that the license holder may be unable to practice with reasonable skill and safety by reason of a mental or physical condition, and the grounds for believing such evidence to be credible and reliable; (iii) a statement of the nature, purpose, scope, and content of the intended examination; (iv) a statement that the license holder has the right to respond in writing within twenty days to challenge the disciplining authority's grounds for ordering an examination or to challenge the manner or form of the examination; and (v) a statement that if the license holder timely responds to the notice of intent, then the license holder will not be required to submit to the examination while the response is under consideration.

(b) Upon submission of a timely response to the notice of intent to order a mental or physical examination, the license holder shall have an opportunity to respond to or refute such an order by submission of evidence or written argument or both. The evidence and written argument supporting and opposing the mental or physical examination shall be reviewed by either a panel of the disciplining authority members who have not been involved with the allegations against the license holder or a neutral decision maker approved by the disciplining authority. The reviewing panel of the disciplining

authority or the approved neutral decision maker may, in its discretion, ask for oral argument from the parties. The reviewing panel of the disciplining authority or the approved neutral decision maker shall prepare a written decision as to whether: There is reasonable cause to believe that the license holder may be unable to practice with reasonable skill and safety by reason of a mental or physical condition, or the manner or form of the mental or physical examination is appropriate, or both.

(c) Upon receipt by the disciplining authority of the written decision, or upon the failure of the license holder to timely respond to the notice of intent, the disciplining authority may issue an order requiring the license holder to undergo a mental or physical examination. All such mental or physical examinations shall be narrowly tailored to address only the alleged mental or physical condition and the ability of the license holder to practice with reasonable skill and safety. An order of the disciplining authority requiring the license holder to undergo a mental or physical examination is not a final order for purposes of appeal. The cost of the examinations ordered by the disciplining authority shall be paid out of the health professions account. In addition to any examinations ordered by the disciplining authority, the license holder may submit physical or mental examination reports from licensed or certified health professionals of the license holder's choosing and expense.

(d) If the disciplining authority finds that a license holder has failed to submit to a properly ordered mental or physical examination, then the disciplining authority may order appropriate action or discipline under RCW 18.130.180(9), unless the failure was due to circumstances beyond the person's control. However, no such action or discipline may be imposed unless the license holder has had the notice and opportunity to challenge the disciplining authority's grounds for ordering the examination, to challenge the manner and form, to assert any other defenses, and to have such challenges or defenses considered by either a panel of the disciplining authority members who have not been involved with the allegations against the license holder or a neutral decision maker approved by the disciplining authority, as previously set forth in this section. Further, the action or discipline ordered by the disciplining authority shall not be more severe than a suspension of the license, certification, registration, or application until such time as the license holder complies with the properly ordered mental or physical examination.

(e) Nothing in this section shall restrict the power of a disciplining authority to act in an emergency under RCW 34.05.422(4), 34.05.479, and 18.130.050(8).

(f) A determination by a court of competent jurisdiction that a license holder is mentally incompetent or an individual with mental illness is presumptive evidence of the license holder's inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity, at his or her expense, to demonstrate that the individual can resume competent practice with reasonable skill and safety to the consumer.

(3) For the purpose of subsection (2) of this section, a license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination when directed in writing by the disciplining authority and further to have waived all objections to the admissibility or use of the examining health

professional's testimony or examination reports by the disciplining authority on the ground that the testimony or reports constitute privileged communications. [2008 c 134 § 11; 1995 c 336 § 8; 1987 c 150 § 6; 1986 c 259 § 9; 1984 c 279 § 17.]

**Severability—1987 c 150:** See RCW 18.122.901.

**Severability—1986 c 259:** See note following RCW 18.130.010.

**RCW 18.130.172 Evidence summary and stipulations.** (1) Prior to serving a statement of charges under RCW 18.130.090 or 18.130.170, the disciplinary [disciplining] authority may furnish a statement of allegations to the licensee along with a detailed summary of the evidence relied upon to establish the allegations and a proposed stipulation for informal resolution of the allegations. These documents shall be exempt from public disclosure until such time as the allegations are resolved either by stipulation or otherwise.

(2) The disciplinary [disciplining] authority and the licensee may stipulate that the allegations may be disposed of informally in accordance with this subsection. The stipulation shall contain a statement of the facts leading to the filing of the complaint; the act or acts of unprofessional conduct alleged to have been committed or the alleged basis for determining that the licensee is unable to practice with reasonable skill and safety; a statement that the stipulation is not to be construed as a finding of either unprofessional conduct or inability to practice; an acknowledgment that a finding of unprofessional conduct or inability to practice, if proven, constitutes grounds for discipline under this chapter; and an agreement on the part of the licensee that the sanctions set forth in RCW 18.130.160, except RCW 18.130.160 (1), (2), (6), and (8), may be imposed as part of the stipulation, except that no fine may be imposed but the licensee may agree to reimburse the disciplinary [disciplining] authority the costs of investigation and processing the complaint up to an amount not exceeding one thousand dollars per allegation; and an agreement on the part of the disciplinary [disciplining] authority to forego further disciplinary proceedings concerning the allegations. A stipulation entered into pursuant to this subsection shall not be considered formal disciplinary action.

(3) If the licensee declines to agree to disposition of the charges by means of a stipulation pursuant to subsection (2) of this section, the disciplinary [disciplining] authority may proceed to formal disciplinary action pursuant to RCW 18.130.090 or 18.130.170.

(4) Upon execution of a stipulation under subsection (2) of this section by both the licensee and the disciplinary [disciplining] authority, the complaint is deemed disposed of and shall become subject to public disclosure on the same basis and to the same extent as other records of the disciplinary [disciplining] authority. Should the licensee fail to pay any agreed reimbursement within thirty days of the date specified in the stipulation for payment, the disciplinary [disciplining] authority may seek collection of the amount agreed to be paid in the same manner as enforcement of a fine under RCW 18.130.165. [2008 c 134 § 24; 2000 c 171 § 29; 1993 c 367 § 7.]

**Finding—Intent—Severability—2008 c 134:** See notes following RCW 18.130.020.

**RCW 18.130.175 Physician health and voluntary substance use disorder monitoring programs (as amended by 2023 c 425).** (1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of an applicable impairing or potentially impairing health condition, the disciplining authority may refer the license holder to a physician health program or a voluntary substance use disorder monitoring program approved by the disciplining authority.

The cost of evaluation and treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources. Evaluation and treatment shall be provided by providers approved by the entity or the commission. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the physician health program or voluntary substance use disorder monitoring program shall be done only with the consent of the license holder. Referral to the physician health program or voluntary substance use disorder monitoring program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160 which includes suspension of the license unless or until the disciplining authority, in consultation with the director of the applicable program, determines the license holder is able to practice safely. The secretary shall adopt uniform rules for the evaluation by the disciplining authority of return to substance use or program violation on the part of a license holder in the program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the disciplining authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving the physician health program or the voluntary substance use disorder monitoring program that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their impairing or potentially impairing health condition, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The physician health program or voluntary substance use disorder program shall report to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or who, in the opinion of the program, is unable to practice with reasonable skill or safety.

License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) Program records including, but not limited to, case notes, progress notes, laboratory reports, evaluation and treatment records, electronic and written correspondence within the program, and between the program and the participant or other involved entities including, but not limited to, employers, credentialing bodies, referents, or other collateral sources, relating to license holders referred to or voluntarily participating in approved programs are confidential and exempt from disclosure under chapter 42.56 RCW and shall not be subject to discovery by subpoena or admissible as evidence except:

(a) To defend any civil action by a license holder regarding the restriction or revocation of that individual's clinical or staff privileges, or termination of a license holder's employment. In such an action, the program will, upon subpoena issued by either party to the action, and upon the requesting party seeking a protective order for the requested disclosure, provide to both parties of the action written disclosure that includes the following information:

(i) Verification of a health care professional's participation in the physician health program or voluntary substance use disorder monitoring program as it relates to aspects of program involvement at issue in the civil action;

(ii) The dates of participation;

(iii) Whether or not the program identified an impairing or potentially impairing health condition;

(iv) Whether the health care professional was compliant with the requirements of the physician health program or voluntary substance use disorder monitoring program; and

(v) Whether the health care professional successfully completed the physician health program or voluntary substance use disorder monitoring program; and

(b) Records provided to the disciplining authority for cause as described in subsection (3) of this section. Program records relating to license holders mandated to the program, through order or by stipulation, by the disciplining authority or relating to license holders reported to the disciplining authority by the program for cause, must be released to the disciplining authority at the request of the disciplining authority. Records held by the disciplining authority under this section are exempt from chapter 42.56 RCW and are not subject to discovery by subpoena except by the license holder.

(5) This section does not affect an employer's right or ability to make employment-related decisions regarding a license holder. This section does not restrict the authority of the disciplining authority to take disciplinary action for any other unprofessional conduct.

(6) A person who, in good faith, reports information or takes action in connection with this section is immune from civil liability for reporting information or taking the action.

(a) The immunity from civil liability provided by this section shall be liberally construed to accomplish the purposes of this section, and applies to both license holders and students and trainees when students and trainees of the applicable professions are served by the program. The persons entitled to immunity shall include:

(i) An approved physician health program or voluntary substance use disorder monitoring program;

(ii) The professional association affiliated with the program;  
(iii) Members, employees, or agents of the program or associations;

(iv) Persons reporting a license holder as being possibly impaired or providing information about the license holder's impairment; and

(v) Professionals supervising or monitoring the course of the program participant's treatment or rehabilitation.

(b) The courts are strongly encouraged to impose sanctions on program participants and their attorneys whose allegations under this subsection are not made in good faith and are without either reasonable objective, substantive grounds, or both.

(c) The immunity provided in this section is in addition to any other immunity provided by law.

(7) In the case of a person who is applying to be a substance use disorder professional or substance use disorder professional trainee certified under chapter 18.205 RCW, if the person is:

(b) At least one year in recovery from a substance use disorder, the person may not be required to participate in the approved substance use disorder monitoring program.

(8) In the case of a person who is applying to be an agency affiliated counselor (~~(registered)~~) credentialed under chapter 18.19 RCW and practices or intends to practice as a peer counselor in an agency, as defined in RCW 18.19.020, if the person is:

(a) Less than one year in recovery from a substance use disorder, the duration of time that the person may be required to participate in the approved substance use disorder monitoring program may not exceed the amount of time necessary for the person to achieve one year in recovery; or

**Effective date—2023 c 425 §§ 1-7, 13-20, and 22-26:** See note following RCW 18.83.170.

**RCW 18.130.175 Physician health and voluntary substance use disorder monitoring programs (as amended by 2023 c 469).** (1) In lieu of disciplinary action under RCW 18.130.160 and if the disciplining authority determines that the unprofessional conduct may be the result of an applicable impairing or potentially impairing health condition, the disciplining authority may refer the license holder to a physician health program or a voluntary substance use disorder monitoring program approved by the disciplining authority.

The cost of evaluation and treatment shall be the responsibility of the license holder, but the responsibility does not preclude payment by an employer, existing insurance coverage, or other sources.

Evaluation and treatment shall be provided by providers approved by the entity or the commission. The disciplining authority may also approve the use of out-of-state programs. Referral of the license holder to the physician health program or voluntary substance use disorder monitoring program shall be done only with the consent of the license holder. Referral to the physician health program or voluntary substance use disorder monitoring program may also include probationary conditions for a designated period of time. If the license holder does not consent to be referred to the program or does not successfully complete the program, the disciplining authority may take appropriate action under RCW 18.130.160 which includes suspension of the license unless or until the disciplining authority, in consultation with the director of the applicable program, determines the license holder is able to practice safely. The secretary shall adopt uniform rules for the evaluation by the disciplining authority of return to substance use or program violation on the part of a license holder in the program. The evaluation shall encourage program participation with additional conditions, in lieu of disciplinary action, when the disciplining authority determines that the license holder is able to continue to practice with reasonable skill and safety.

(2) In addition to approving the physician health program or the voluntary substance use disorder monitoring program that may receive referrals from the disciplining authority, the disciplining authority may establish by rule requirements for participation of license holders who are not being investigated or monitored by the disciplining authority. License holders voluntarily participating in the approved programs without being referred by the disciplining authority shall not be subject to disciplinary action under RCW 18.130.160 for their impairing or potentially impairing health condition, and shall not have their participation made known to the disciplining authority, if they meet the requirements of this section and the program in which they are participating.

(3) The license holder shall sign a waiver allowing the program to release information to the disciplining authority if the licensee does not comply with the requirements of this section or is unable to practice with reasonable skill or safety. The physician health program or voluntary substance use disorder program shall report to the disciplining authority any license holder who fails to comply with the requirements of this section or the program or who, in the opinion of the program, is unable to practice with reasonable skill or safety. License holders shall report to the disciplining authority if they fail to comply with this section or do not complete the program's requirements. License holders may, upon the agreement of the program and disciplining authority, reenter the program if they have previously failed to comply with this section.

(4) Program records including, but not limited to, case notes, progress notes, laboratory reports, evaluation and treatment records, electronic and written correspondence within the program, and between the program and the participant or other involved entities including, but not limited to, employers, credentialing bodies, referents, or other collateral sources, relating to license holders referred to or voluntarily participating in approved programs are confidential and exempt from disclosure under chapter 42.56 RCW and shall not be subject to discovery by subpoena or admissible as evidence except:

(a) To defend any civil action by a license holder regarding the restriction or revocation of that individual's clinical or staff

privileges, or termination of a license holder's employment. In such an action, the program will, upon subpoena issued by either party to the action, and upon the requesting party seeking a protective order for the requested disclosure, provide to both parties of the action written disclosure that includes the following information:

(i) Verification of a health care professional's participation in the physician health program or voluntary substance use disorder monitoring program as it relates to aspects of program involvement at issue in the civil action;

(ii) The dates of participation;

(iii) Whether or not the program identified an impairing or potentially impairing health condition;

(iv) Whether the health care professional was compliant with the requirements of the physician health program or voluntary substance use disorder monitoring program; and

(v) Whether the health care professional successfully completed the physician health program or voluntary substance use disorder monitoring program; and

(b) Records provided to the disciplining authority for cause as described in subsection (3) of this section. Program records relating to license holders mandated to the program, through order or by stipulation, by the disciplining authority or relating to license holders reported to the disciplining authority by the program for cause, must be released to the disciplining authority at the request of the disciplining authority. Records held by the disciplining authority under this section are exempt from chapter 42.56 RCW and are not subject to discovery by subpoena except by the license holder.

(5) This section does not affect an employer's right or ability to make employment-related decisions regarding a license holder. This section does not restrict the authority of the disciplining authority to take disciplinary action for any other unprofessional conduct.

(6) A person who, in good faith, reports information or takes action in connection with this section is immune from civil liability for reporting information or taking the action.

(a) The immunity from civil liability provided by this section shall be liberally construed to accomplish the purposes of this section, and applies to both license holders and students and trainees when students and trainees of the applicable professions are served by the program. The persons entitled to immunity shall include:

(i) An approved physician health program or voluntary substance use disorder monitoring program;

(ii) The professional association affiliated with the program;

(iii) Members, employees, or agents of the program or associations;

(iv) Persons reporting a license holder as being possibly impaired or providing information about the license holder's impairment; and

(v) Professionals supervising or monitoring the course of the program participant's treatment or rehabilitation.

(b) The courts are strongly encouraged to impose sanctions on program participants and their attorneys whose allegations under this subsection are not made in good faith and are without either reasonable objective, substantive grounds, or both.

(c) The immunity provided in this section is in addition to any other immunity provided by law.

(7) In the case of a person who is applying to be a substance use disorder professional or substance use disorder professional trainee

certified under chapter 18.205 RCW, an agency affiliated counselor registered under chapter 18.19 RCW, or a peer specialist or peer specialist trainee certified under chapter 18.420 RCW, if the person is:

(a) Less than one year in recovery from a substance use disorder, the duration of time that the person may be required to participate in an approved substance use disorder monitoring program may not exceed the amount of time necessary for the person to achieve one year in recovery; or

(b) At least one year in recovery from a substance use disorder, the person may not be required to participate in the approved substance use disorder monitoring program.

~~(8) ((In the case of a person who is applying to be an agency affiliated counselor registered under chapter 18.19 RCW and practices or intends to practice as a peer counselor in an agency, as defined in RCW 18.19.020, if the person is:~~

To this extent, subsection (7) of this section applies retroactively, but in all other respects it applies prospectively. [2023 c 469 § 19; 2022 c 43 § 10. **Finding—Intent—Severability—1998 c 132:** See notes following RCW 18.71.0195.

**Legislative intent—1988 c 247:** "Existing law does not provide for a program for rehabilitation of health professionals whose competency may be impaired due to the abuse of alcohol and other drugs.

It is the intent of the legislature that the disciplining authorities seek ways to identify and support the rehabilitation of health professionals whose practice or competency may be impaired due to the abuse of drugs or alcohol. The legislature intends that such health professionals be treated so that they can return to or continue to practice their profession in a way which safeguards the public. The legislature specifically intends that the disciplining authorities

establish an alternative program to the traditional administrative proceedings against such health professionals." [1988 c 247 § 1.]

**RCW 18.130.180 Unprofessional conduct.** Except as provided in RCW 18.130.450, the following conduct, acts, or conditions constitute unprofessional conduct for any license holder under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual's license to practice any health care profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers, documents, records, or other items;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority;

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding; or

(d) Not providing reasonable and timely access for authorized representatives of the disciplining authority seeking to perform practice reviews at facilities utilized by the license holder;

- (9) Failure to comply with an order issued by the disciplining authority or a stipulation for informal disposition entered into with the disciplining authority;
- (10) Aiding or abetting an unlicensed person to practice when a license is required;
- (11) Violations of rules established by any health agency;
- (12) Practice beyond the scope of practice as defined by law or rule;
- (13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;
- (14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;
- (15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;
- (16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;
- (17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;
- (18) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;
- (19) The willful betrayal of a practitioner-patient privilege as recognized by law;
- (20) Violation of chapter 19.68 RCW or a pattern of violations of RCW 41.05.700(8), 48.43.735(8), 48.49.020, 48.49.030, 71.24.335(8), or 74.09.325(8);
- (21) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action, or by the use of financial inducements to any patient or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary proceeding;
- (22) Current misuse of:
- (a) Alcohol;
  - (b) Controlled substances; or
  - (c) Legend drugs;
- (23) Abuse of a client or patient or sexual contact with a client or patient;
- (24) Acceptance of more than a nominal gratuity, hospitality, or subsidy offered by a representative or vendor of medical or health-related products or services intended for patients, in contemplation of a sale or for use in research publishable in professional journals, where a conflict of interest is presented, as defined by rules of the disciplining authority, in consultation with the department, based on recognized professional ethical standards;
- (25) Violation of RCW 18.130.420;

(26) Performing conversion therapy on a patient under age eighteen;

(27) Violation of RCW 18.130.430;

(28) Violation of RCW 18.130.460. [2023 c 192 § 2; 2023 c 122 § 4; 2021 c 157 § 7; 2020 c 187 § 2; 2019 c 427 § 17. The injunction shall not relieve the offender from criminal prosecution, but the remedy by injunction shall be in addition to the liability of the offender to criminal prosecution and disciplinary action. [1993 c 367 § 8; 1987 c 150 § 8; 1986 c 259 § 15.]

**RCW 18.130.186 Voluntary substance abuse monitoring program—Content—License surcharge.** (1) To implement a substance abuse monitoring program for license holders specified under RCW 18.130.040, who are impaired by substance abuse, the disciplinary [disciplining] authority may enter into a contract with a voluntary substance abuse program under RCW 18.130.175. The program may include any or all of the following:

- (a) Contracting with providers of treatment programs;
- (b) Receiving and evaluating reports of suspected impairment from any source;
- (c) Intervening in cases of verified impairment;
- (d) Referring impaired license holders to treatment programs;
- (e) Monitoring the treatment and rehabilitation of impaired license holders including those ordered by the disciplinary [disciplining] authority;
- (f) Providing education, prevention of impairment, posttreatment monitoring, and support of rehabilitated impaired license holders; and
- (g) Performing other activities as agreed upon by the disciplinary [disciplining] authority.

(2) A contract entered into under subsection (1) of this section may be financed by a surcharge on each license issuance or renewal to be collected by the department of health from the license holders of the same regulated health profession. These moneys shall be placed in the health professions account to be used solely for the implementation of the program. [1993 c 367 § 9; 1989 c 125 § 3.]

**RCW 18.130.190 Practice without license—Investigation of complaints—Cease and desist orders—Injunctions—Penalties.** (1) The secretary shall investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. In the investigation of the complaints, the secretary shall have the same authority as provided the secretary under RCW 18.130.050.

(2) The secretary may issue a notice of intention to issue a cease and desist order to any person whom the secretary has reason to believe is engaged in the unlicensed practice of a profession or business for which a license is required by the chapters specified in RCW 18.130.040. The person to whom such notice is issued may request an adjudicative proceeding to contest the charges. The request for

hearing must be filed within twenty days after service of the notice of intention to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.

(3) If the secretary makes a final determination that a person has engaged or is engaging in unlicensed practice, the secretary may issue a cease and desist order. In addition, the secretary may impose a civil fine in an amount not exceeding one thousand dollars for each day upon which the person engaged in unlicensed practice of a business or profession for which a license is required by one or more of the chapters specified in RCW 18.130.040. The proceeds of such fines shall be deposited to the health professions account.

(4) If the secretary makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the secretary may issue a temporary cease and desist order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. The temporary cease and desist order shall remain in effect until further order of the secretary. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the secretary may enter a permanent cease and desist order, which may include a civil fine.

(5) Neither the issuance of a cease and desist order nor payment of a civil fine shall relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy of a cease and desist order or civil fine shall be in addition to any criminal liability. The cease and desist order is conclusive proof of unlicensed practice and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(6) The attorney general, a county prosecuting attorney, the secretary, a board, or any person may in accordance with the laws of this state governing injunctions, maintain an action in the name of this state to enjoin any person practicing a profession or business for which a license is required by the chapters specified in RCW 18.130.040 without a license from engaging in such practice or operating such business until the required license is secured. However, the injunction shall not relieve the person so practicing or operating a business without a license from criminal prosecution therefor, but the remedy by injunction shall be in addition to any criminal liability.

(7) (a) Unlicensed practice of a profession or operating a business for which a license is required by the chapters specified in RCW 18.130.040, unless otherwise exempted by law, constitutes a gross misdemeanor for a single violation.

(b) Each subsequent violation, whether alleged in the same or in subsequent prosecutions, is a class C felony punishable according to chapter 9A.20 RCW.

(8) All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be remitted to the health professions account. For the purpose of this section, the superior court issuing any injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. **RCW 18.130.230 Production of documents—Administrative fines.**

(1)(a) A licensee must produce documents, records, or other items that are within his or her possession or control within twenty-one calendar days of service of a request by a disciplining authority. If the twenty-one calendar day limit results in a hardship upon the licensee, he or she may request, for good cause, an extension not to exceed thirty additional calendar days.

(b) In the event the licensee fails to produce the documents, records, or other items as requested by the disciplining authority or fails to obtain an extension of the time for response, the disciplining authority may issue a written citation and assess a fine of up to one hundred dollars per day for each day after the issuance of the citation until the documents, records, or other items are produced.

(c) In no event may the administrative fine assessed by the disciplining authority exceed five thousand dollars for each investigation made with respect to the violation.

(2) Citations issued under this section must include the following:

(a) A statement that the citation represents a determination that the person named has failed to produce documents, records, or other items as required by this section and that the determination is final unless contested as provided in this section;

(b) A statement of the specific circumstances;

(c) A statement of the monetary fine, which is up to one hundred dollars per day for each day after the issuance of the citation;

(d) A statement informing the licensee that if the licensee desires a hearing to contest the finding of a violation, the hearing must be requested by written notice to the disciplining authority within twenty days of the date of issuance of the citation. The hearing is limited to the issue of whether the licensee timely produced the requested documents, records, or other items or had good cause for failure to do so; and

(e) A statement that in the event a licensee fails to pay a fine within thirty days of the date of assessment, the full amount of the assessed fine must be added to the fee for renewal of the license unless the citation is being appealed.

(1) "Appraisal" means the act or process of estimating value; an estimate of value; or of or pertaining to appraising and related functions.

(2) "Appraisal assignment" means an engagement for which an appraiser is employed or retained to act, or would be perceived by third parties or the public as acting, as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion relating to the value of specified interests in, or aspects of, identified real estate. The term "appraisal assignment" may apply to valuation work and analysis work.

(3) "Appraisal report" means any communication, written or oral, of an appraisal, review, or consulting service in accordance with the standards of professional conduct or practice, adopted by the director, that is transmitted to the client upon completion of an assignment.

(4) "Brokers price opinion" means an oral or written report of property value that is prepared by a real estate broker or salesperson licensed under chapter 18.85 RCW.

(5) "Client" means any party for whom an appraiser performs a service.

(6) "Commission" means the real estate appraiser commission of the state of Washington.

(12) "Federal financial institutions regulatory agency" means the board of governors of the federal reserve system, the federal deposit insurance corporation, the office of the comptroller of the currency, the national credit union administration, their successors and/or such other agencies as may be named in future amendments to 12 U.S.C. Sec. 3350(6).

(13) "Federal secondary mortgage marketing agency" means the federal national mortgage association, the government national mortgage association, the federal home loan mortgage corporation, their successors and/or such other similarly functioning housing finance agencies as may be federally chartered in the future.

**RCW 18.155.010 Findings—Construction.** The legislature finds that sex offender therapists who examine and treat sex offenders pursuant to the special sexual [sex] offender sentencing alternative under RCW 9.94A.670 and who may treat juvenile sex offenders pursuant to RCW 13.40.160, play a vital role in protecting the public from sex offenders who remain in the community following conviction. The legislature finds that the qualifications, practices, techniques, and effectiveness of sex offender treatment providers vary widely and that the court's ability to effectively determine the appropriateness of granting the sentencing alternative and monitoring the offender to ensure continued protection of the community is undermined by a lack of regulated practices. The legislature recognizes the right of sex offender therapists to practice, consistent with the paramount requirements of public safety. Public safety is best served by regulating sex offender therapists whose clients are being evaluated and being treated pursuant to RCW 9.94A.670 and 13.40.160. This chapter shall be construed to require only those sex offender therapists who examine and treat sex offenders pursuant to RCW 9.94A.670 and 13.40.160 to obtain a sexual [sex] offender treatment certification as provided in this chapter. [2000 c 171 § 32; 2000 c 28 § 37; 1990 c 3 § 801.]

**RCW 18.160.070 Local government regulation—Application to state and government contractors.** (1) Nothing in this chapter limits the power of a municipality, county, or the state to regulate the quality and character of work performed by contractors, through a system of permits, fees, and inspections which are designed to assure compliance with and aid in the implementation of state and local building laws or to enforce other local laws for the protection of the public health and safety. Nothing in this chapter limits the power of the municipality, county, or the state to adopt any system of permits requiring submission to and approval by the municipality, county, or the state, of technical drawings and specifications for work to be performed by contractors before commencement of the work. The official authorized to issue building or other related permits shall ascertain that the fire protection sprinkler system contractor is duly licensed by requiring evidence of a valid fire protection sprinkler system contractor's license.

(2) This chapter applies to any fire protection sprinkler system contractor performing work for any municipality, county, or the state. Officials of any municipality, county, or the state are required to determine compliance with this chapter before awarding any contracts for the installation, repair, service, alteration, fabrication, addition, or inspection of a fire protection sprinkler system. [1990 c 177 § 8.]

**RCW 18.160.080 Actions against certificates or licenses—Grounds—Appeal.** (1) The state director of fire protection may refuse to issue or renew or may suspend or revoke the privilege of a licensed fire protection sprinkler system contractor or the certificate of a certificate of competency holder to engage in the fire protection sprinkler system business or in lieu thereof, establish penalties as prescribed by Washington state law, for any of the following reasons:

(a) Gross incompetency or gross negligence in the preparation of technical drawings, installation, repair, alteration, maintenance, inspection, service, or addition to fire protection sprinkler systems;

- (b) Except as provided in RCW 9.97.020, conviction of a felony;
- (c) Fraudulent or dishonest practices while engaging in the fire protection sprinkler system business;
- (d) Use of false evidence or misrepresentation in an application for a license or certificate of competency;
- (e) Permitting his or her license to be used in connection with the preparation of any technical drawings which have not been prepared by him or her personally or under his or her immediate supervision, or in violation of this chapter; or
- (f) Knowingly violating any provisions of this chapter or the regulations issued thereunder.

(2) The state director of fire protection shall revoke the license of a licensed fire protection sprinkler system contractor or the certificate of a certificate of competency holder who engages in the fire protection sprinkler system business while the license or certificate of competency is suspended.

(3) The state director of fire protection shall immediately suspend any license or certificate issued under this chapter if the holder has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for issuance or reinstatement during the suspension, issuance or reissuance of the license or certificate shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order.

(4) Any licensee or certificate of competency holder who is aggrieved by an order of the state director of fire protection suspending or revoking a license may, within thirty days after notice of such suspension or revocation, appeal under chapter 34.05 RCW. This subsection does not apply to actions taken under subsection (3) of this section. [2016 c 81 § 17; 1997 c 58 § 834; 1990 c 177 § 10.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Provisions ordering the department of social and health services to certify a responsible parent based on a court order to certify for noncompliance with residential provisions of a parenting plan were vetoed. See RCW 74.20A.320.

**Finding—Conflict with federal requirements—2016 c 81:** See notes following RCW 9.97.010.

**Short title—Part headings, captions, table of contents not law—Exemptions and waivers from federal law—Conflict with federal requirements—Severability—1997 c 58:** See RCW 74.08A.900 through 74.08A.904.

**Effective dates—Intent—1997 c 58:** See notes following RCW 74.20A.320.

**RCW 18.160.090 Surety bond—Security deposit—Venue and time limit for actions upon bonds—Limit of liability of surety—Payment of claims.** (1) Before granting a license under this chapter, the director of fire protection shall require that the applicant file with

the state director of fire protection a surety bond issued by a surety insurer who meets the requirements of chapter 48.28 RCW in a form acceptable to the director of fire protection running to the state of Washington in the penal sum of ten thousand dollars. However, the surety bond for a fire protection sprinkler system contractor whose business is restricted solely to NFPA 13-D or NFPA 13-R systems shall be in the penal sum of six thousand dollars. The bond shall be conditioned that the applicant will pay all purchasers of fire protection sprinkler systems with whom the applicant has a contract for the applicant to install, inspect, maintain, or service a fire protection sprinkler system, and who have obtained a judgment against the applicant for the breach of such a contract. The term "purchaser" means an owner of property who has entered into a contract for the installation of a fire protection sprinkler system on that property, or a contractor who contracts to install, inspect, maintain, or service such a system with an owner of property and subcontracts the work to the applicant. No other person, including, but not limited to, persons who supply labor, materials, or rental equipment to the applicant, shall have any rights against the bond.

(2) In lieu of the surety bond required by this section the applicant may file with the director of fire protection a deposit consisting of cash or other security acceptable to the director of fire protection in an amount equal to the penal sum of the required bond. The director of fire protection may adopt rules necessary for the proper administration of the security.

(3) Before granting renewal of a fire protection sprinkler system contractor's license to any applicant, the director of fire protection shall require that the applicant file with the director satisfactory evidence that the surety bond or cash deposit is in full force.

(4) Any purchaser of a fire protection sprinkler system having a claim against the licensee for the breach of a contract for the licensee to install, inspect, maintain, or service a fire protection sprinkler system may bring suit upon such bond in superior court of the county in which the work was done or of any county in which jurisdiction of the licensee may be had. Any such action must be brought not later than one year after the expiration of the licensee's license or renewal license then in effect at the time of the alleged breach of contract.

(5) The bond shall be considered one continuous obligation, and the surety upon the bond shall not be liable in aggregate or cumulative amount exceeding ten thousand dollars, or six thousand dollars if the bond was issued to a licensee whose business is restricted solely to NFPA 13-D or NFPA 13-R systems, regardless of the number of years the bond is in effect, or whether it is reinstated, renewed, reissued, or otherwise continued, and regardless of the year in which any claim accrued. The bond shall not be liable for any liability of the licensee for tortious acts, whether or not such liability is imposed by statute or common law, or is imposed by contract. The bond shall not be a substitute or supplemental to any liability or other insurance required by law or by the contract.

(6) If the surety desires to make payment without awaiting court action against it, the amount of the bond shall be reduced to the extent of any payment made by the surety in good faith under the bond. Any payment shall be based on final judgments received by the surety.

(7) Claims against the bond shall be satisfied from the bond in the following order:

(a) Claims by a purchaser of a fire protection sprinkler system for the breach of a contract for the licensee to install, inspect, maintain, or service a fire protection sprinkler system;

(b) Any court costs, interest, and attorneys' fees the plaintiff may be entitled to recover by contract, statute, or court rule. A condition precedent to the surety being liable to any claimant is a final judgment against the licensee, unless the surety desires to make payment without awaiting court action. In the event of a dispute regarding the apportionment of the bond proceeds among claimants, the surety may bring an action for interpleader against all claimants upon the bond.

(8) Any purchaser of a fire protection sprinkler system having an unsatisfied final judgment against the licensee for the breach of a contract for the licensee to install, inspect, maintain, or service a fire protection sprinkler system may execute upon the security held by the director of fire protection by serving a certified copy of the unsatisfied final judgment by registered or certified mail upon the director within one year of the date of entry of such judgment. Upon the receipt of service of such certified copy the director shall pay or order paid from the deposit, through the registry of the court which rendered judgment, towards the amount of the unsatisfied judgment. The priority of payment by the director shall be the order of receipt by the director, but the director shall have no liability for payment in excess of the amount of the deposit. [1991 sp.s. c 6 § 1.]

**RCW 18.160.100 Unlicensed operations—Penalty.** Any fire protection sprinkler system contractor who constructs, installs, or maintains a fire protection sprinkler system in any occupancy, except an owner-occupied single-family dwelling, without first obtaining a fire sprinkler contractor's license from the state of Washington, is guilty of a gross misdemeanor. This section may not be construed to create any criminal liability for a prime contractor or an owner of an occupancy unless it is proved that the prime contractor or owner had actual knowledge of an illegal construction, installation, or maintenance of a fire protection sprinkler system by a fire protection sprinkler system contractor. [1992 c 116 § 3.]

**Wrongful acts by contractor, criminal penalty:** RCW 9.45.260.

**RCW 18.160.110 Enforcement—Civil proceedings.** Civil proceedings to enforce this chapter may be brought by the attorney general or the prosecuting attorney of any county where a violation occurs on his or her own motion or at the request of the state director of fire protection. **RCW 18.160.120 Infractions—Failure to obtain certificate of competency—Fines. (Effective until January 1, 2024.)** (1) A fire protection sprinkler system contractor found to have committed an infraction under this chapter as defined in rule under RCW 18.160.030(2)(b)(iii) shall be assessed a fine of not less than two hundred dollars and not more than five thousand dollars.

(2) A fire protection sprinkler system contractor who fails to obtain a certificate of competency under RCW 18.160.040 shall be assessed a fine of not less than one thousand dollars and not more than five thousand dollars.

(3) All fines collected under this section shall be deposited into the fire protection contractor license fund. [2003 c 74 § 2.]

**RCW 18.160.120 Infractions—Failure to obtain certificate of competency—Fines. (4) The director may approve alternative methods of guaranteeing financial responsibility. [1995 c 277 § 28; 1991 c 328 § 10.]

**RCW 18.165.110 Regulatory provisions exclusive—Authority of the state and political subdivisions.** (1) The provisions of this chapter relating to the licensing for regulatory purposes of private investigators, armed private investigators, and private investigator agencies are exclusive. No governmental subdivision of this state may enact any laws or rules licensing for regulatory purposes such persons, except as provided in subsections (2) and (3) of this section.

(2) This section shall not be construed to prevent a political subdivision of this state from levying a business fee, business and

occupation tax, or other tax upon private investigator agencies if such fees or taxes are levied by the state on other types of businesses within its boundaries.

(3) This section shall not be construed to prevent this state or a political subdivision of this state from licensing for regulatory purposes private investigator agencies with respect to activities that are not regulated under this chapter. [1995 c 277 § 29; 1991 c 328 § 11.]

(2) A private investigator agency shall notify the director within seventy-two hours and the chief law enforcement officer of the county, city, or town in which the agency is located immediately upon receipt of information affecting a licensed private investigator's or armed private investigator's continuing eligibility to hold a license under the provisions of this chapter.

(3) A private investigator company shall notify the local law enforcement agency whenever an employee who is an armed private investigator discharges his or her firearm while on duty other than on a supervised firearm range. The notification shall be made within ten business days of the date the firearm is discharged. [2000 c 171 § 38; 1995 c 277 § 31; 1991 c 328 § 13.]

**RCW 18.165.140 Out-of-state private investigators—Application—Fee—Temporary assignment.** (1) Any person from another state that the director determines has selection, training, and other requirements at least equal to those required by this chapter, and who holds a valid license, registration, identification, or similar card issued by the other state, may apply for a private investigator license card or armed private investigator license card on a form prescribed by the director. Upon receipt of an application fee to be determined by the director, the director shall issue the individual a private investigator license card or armed private investigator license card.

(2) A valid license, registration, identification, or similar card issued by any other state of the United States is valid in this state for a period of ninety days, but only if the licensee is on temporary assignment for the same employer that employs the licensee in the state in which he or she is a permanent resident.

(2) After January 1, 1992, a person is guilty of a gross misdemeanor if he or she owns or operates a private investigator agency in this state without first obtaining a private investigator agency license.

(3) After June 30, 1992, the owner or qualifying agent of a private investigator agency is guilty of a gross misdemeanor if he or she employs any person to perform the duties of a private investigator without the employee having in his or her possession a permanent private investigator license issued by the department. This shall not preclude a private investigator agency from requiring applicants to attend preassignment training classes or from paying wages for attending the required preassignment training classes.

(4) After June 30, 1992, a person is guilty of a gross misdemeanor if he or she performs the functions and duties of an armed private investigator in this state unless the person holds a valid armed private investigator license issued by the department.

(5) After June 30, 1992, it is a gross misdemeanor for a private investigator agency to hire, contract with, or otherwise engage the services of an unlicensed armed private investigator knowing that the private investigator does not have a valid armed private investigator license issued by the director.

**Effective dates—2002 c 86:** See note following RCW 18.08.340.

**Part headings not law—Severability—2002 c 86:** See RCW 18.235.902 and 18.235.903.

**Short title—Part headings, captions, table of contents not law—Exemptions and waivers from federal law—Conflict with federal requirements—Severability—1997 c 58:** See RCW 74.08A.900 through 74.08A.904.

**Effective dates—Intent—1997 c 58:** See notes following RCW 74.20A.320.

**RCW 18.165.165 Display of firearms while soliciting clients.** No licensee, employee or agent of a licensee, or anyone accompanying a licensee, employee, or agent may display a firearm while soliciting a client. [1995 c 277 § 24.]

- (1) To adopt, amend, and rescind rules as deemed necessary to carry out this chapter;
  - (2) To enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter; and
  - (3) To adopt standards of professional conduct or practice.
- [2007 c 256 § 8; 2002 c 86 § 246; 1995 c 277 § 35; 1991 c 328 § 17.]

**Effective dates—2002 c 86:** See note following RCW 18.08.340.

**Part headings not law—Severability—2002 c 86:** See RCW 18.235.902 and 18.235.903.

**RCW 18.165.180 Complaints—Investigation—Immunity.** A person, including but not limited to consumers, licensees, corporations, organizations, and state and local governmental agencies, may submit a written complaint to the department charging a license holder or applicant with unprofessional or unlawful conduct and specifying the grounds for the charge. If the director determines that the complaint merits investigation, or if the director has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional or unlawful conduct, the director shall investigate to determine if there has been unprofessional or unlawful conduct. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint. [1995 c 277 § 36; 1991 c 328 § 18.]

**RCW 18.165.210 Inability to practice by reason of a mental or physical condition—Statement of charges—Hearing—Sanctions—Mental or physical examinations—Presumed consent for examination.** (1) If the director believes a license holder or applicant may be unable to practice with reasonable skill and safety to the public by reason of any mental or physical condition, a statement of charges shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill or safety. If the director determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the director shall impose such sanctions as are deemed necessary to protect the public.

(2) In investigating or adjudicating a complaint or report that a license holder or applicant may be unable to practice with reasonable skill or safety by reason of a mental or physical condition, the department may require a license holder or applicant to submit to a mental or physical examination by one or more licensed or certified

health professionals designated by the director. The cost of the examinations ordered by the department shall be paid by the department. In addition to any examinations ordered by the department, the licensee may submit physical or mental examination reports from licensed or certified health professionals of the license holder's or applicant's choosing and expense. Failure of the license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or withholding of the license, consequent upon which a default and final order may be entered without the taking of testimony or presentations of evidence, unless the failure was due to circumstances beyond the person's control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder's or applicant's inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the public.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination if directed in writing by the department and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports by the director on the ground that the testimony or reports constitute hearsay or privileged communications. [1991 c 328 § 21.]

**RCW 18.165.220 Unprofessional, unlawful conduct or inability to practice—Penalties.** Upon a finding that a license holder or applicant has committed unprofessional or unlawful conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the director may issue an order providing for one or any combination of the following:

- (1) Revocation of the license;
- (2) Suspension of the license for a fixed or indefinite term;
- (3) Restriction or limitation of the practice;
- (4) Requiring the satisfactory completion of a specific program of remedial education or treatment;
- (5) Monitoring of the practice by a supervisor approved by the director;
- (6) Censure or reprimand;
- (7) Compliance with conditions of probation for a designated period of time;
- (8) Withholding a license request;
- (9) Other corrective action;
- (10) Refund of fees billed to and collected from the consumer; or
- (11) Assessing administrative penalties.

Any of the actions under this section may be totally or partly stayed by the director. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant. [1995 c 277 § 38; 1991 c 328 § 22.]

**RCW 18.165.230 Enforcement of orders for payment of fines.** If an order for payment of a fine is made as a result of a hearing and timely payment is not made as directed in the final order, the director may enforce the order for payment in the superior court in the county in which the hearing was held. This right of enforcement shall be in addition to any other rights the director may have as to a licensee ordered to pay a fine but shall not be construed to limit a licensee's ability to seek judicial review.

In an action for enforcement of an order of payment of a fine, the director's order is conclusive proof of the validity of the order of payment of a fine and the terms of payment. [1991 c 328 § 23.]

**RCW 18.165.270 Application of administrative procedure act to acts of the director.** The director, in implementing and administering the provisions of this chapter, shall act in accordance with the administrative procedure act, chapter 34.05 RCW. [1991 c 328 § 27.]

**RCW 18.165.290 License suspension—Noncompliance with support order—Reissuance.** The director shall immediately suspend a license issued under this chapter if the holder has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order. [1997 c 58 § 836.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Provisions ordering the department of social and health services to certify a responsible parent based on a court order to certify for noncompliance with residential provisions of a parenting plan were vetoed. The notification shall be made within ten business days of the date the firearm is discharged. [2000 c 171 § 39; 1995 c 277 § 8; 1991 c 334 § 11.]

**RCW 18.170.120 Out-of-state licensees—Application—Fee—Temporary assignment.** (1) Any person from another state that the director determines has selection, training, and other requirements at least equal to those required by this chapter, and who holds a valid license, registration, identification, or similar card issued by the other state, may apply for a private security guard license card or armed private security guard license card on a form prescribed by the director. Upon receipt of a processing fee to be determined by the director, the director shall issue the individual a private security guard license card or armed private security guard license card.

(2) A valid private security guard license, registration, identification, or similar card issued by any other state of the United States is valid in this state for a period of ninety days, but only if the licensee is on temporary assignment as a private security guard for the same employer that employs the licensee in the state in which he or she is a permanent resident.

The Washington state patrol shall forward the fingerprints of applicants for an armed private security guard license to the federal bureau of investigation for a national criminal history records check. The director may require that fingerprint cards of licensees be periodically reprocessed to identify criminal convictions subsequent to registration.

(3) The director shall solicit comments from the chief law enforcement officer of the county and city or town in which the applicant's employer is located on issuance of a permanent private security guard license.

(4) A summary of the information acquired under this section, to the extent that it is public information, shall be forwarded by the department to the applicant's employer. [1995 c 277 § 10; 1991 c 334 § 13.]

**RCW 18.170.140 Regulatory provisions exclusive—Authority of the state and political subdivisions.** (1) The provisions of this chapter relating to the licensing for regulatory purposes of private security guards, armed private security guards, and private security companies are exclusive. No governmental subdivision of this state may enact any laws or rules licensing for regulatory purposes such persons, except as provided in subsections (2) and (3) of this section.

(2) This section shall not be construed to prevent a political subdivision of this state from levying a business license fee, business and occupation tax, or other tax upon private security companies if such fees or taxes are levied on other types of businesses within its boundaries.

(3) This section shall not be construed to prevent this state or a political subdivision of this state from licensing or regulating private security companies with respect to activities performed or offered that are not of a security nature. [1991 c 334 § 14.]

**RCW 18.170.150 Out-of-state private security guards operating across state lines.** Private security guards or armed private security guards whose duties require them to operate across state lines may operate in this state if they are properly registered and certified in another state with training, insurance, and certification requirements that the director finds are at least equal to the requirements of this state. (6) It is a gross misdemeanor for a person to possess or use any vehicle or equipment displaying the word "police" or "law enforcement officer" or having any sign, shield, marking, accessory, or insignia that indicates that the equipment or vehicle belongs to a public law enforcement agency.

**RCW 18.170.164 License suspension—Noncompliance with support order—Reissuance.** The director shall immediately suspend any license issued under this chapter if the holder has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order. [1997 c 58 § 838.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Provisions ordering the department of social and health services to certify a responsible parent based on

- (7) Failing to return immediately on demand any uniform, badge, or other item of equipment issued to the private security guard by an employer;
- (8) Making any statement that would reasonably cause another person to believe that the private security guard is a sworn peace officer;
- (9) Divulging confidential information that may compromise the security of any premises, or valuables shipment, or any activity of a client to which he or she was assigned;
- (10) Assigning or transferring any license issued pursuant to the provisions of this chapter, except as provided in RCW 18.170.060;
- (11) Failure to maintain insurance; and
- (12) Failure to have a qualifying principal in place. [2002 c 86 § 248; 1997 c 58 § 837; 1995 c 277 § 12; 1991 c 334 § 17.]

**Effective dates—Intent—1997 c 58:** See notes following RCW 74.20A.320.

**RCW 18.170.180 Authority of director.** The director or the director's designee has the following authority in administering this chapter:

- (1) To adopt, amend, and rescind rules as deemed necessary to carry out this chapter;
- (2) To adopt standards of professional conduct or practice; and
- (3) To employ such administrative and clerical staff as necessary for the enforcement of this chapter. [2007 c 256 § 9; 2002 c 86 § 249; 1991 c 334 § 18.]

**Effective dates—2002 c 86:** See note following RCW 18.08.340.

**Part headings not law—Severability—2002 c 86:** See RCW 18.235.902 and 18.235.903.

**RCW 18.170.210 Application of administrative procedure act to hearings.** The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern all hearings before the director. [1991 c 334 § 21.]

**RCW 18.170.220 Inability to practice by reason of a mental or physical condition—Statement of charges—Hearing—Sanctions—Examinations—Presumed consent.** (1) If the director believes a license holder or applicant may be unable to practice with reasonable skill and safety to the public by reason of a mental or physical condition, a statement of charges shall be served on the license holder or applicant and notice shall also be issued providing an opportunity for a hearing. The hearing shall be limited to the sole issue of the capacity of the license holder or applicant to practice with reasonable skill or safety. If the director determines that the license holder or applicant is unable to practice with reasonable skill and safety for one of the reasons stated in this subsection, the director shall impose such sanctions as are deemed necessary to protect the public.

(2) In investigating or adjudicating a complaint or report that a license holder or applicant may be unable to practice with reasonable skill or safety by reason of a mental or physical condition, the department may require a license holder or applicant to submit to a mental or physical examination by one or more licensed or certified

health professionals designated by the director. The cost of the examinations ordered by the department shall be paid by the department. In addition to any examinations ordered by the department, the licensee may submit physical or mental examination reports from licensed or certified health professionals of the license holder's or applicant's choosing and expense. Failure of the license holder or applicant to submit to examination when directed constitutes grounds for immediate suspension or withholding of the license, consequent upon which a default and final order may be entered without the taking of testimony or presentations of evidence, unless the failure was due to circumstances beyond the person's control. A determination by a court of competent jurisdiction that a license holder or applicant is mentally incompetent or mentally ill is presumptive evidence of the license holder's or applicant's inability to practice with reasonable skill and safety. An individual affected under this section shall at reasonable intervals be afforded an opportunity to demonstrate that the individual can resume competent practice with reasonable skill and safety to the public.

(3) For the purpose of subsection (2) of this section, an applicant or license holder governed by this chapter, by making application, practicing, or filing a license renewal, is deemed to have given consent to submit to a mental, physical, or psychological examination if directed in writing by the department and further to have waived all objections to the admissibility or use of the examining health professional's testimony or examination reports by the director on the ground that the testimony or reports constitute hearsay or privileged communications. [1991 c 334 § 22.]

**RCW 18.170.230 Unprofessional conduct or inability to practice—Penalties.** Upon a finding that a license holder or applicant has committed unprofessional conduct or is unable to practice with reasonable skill and safety due to a physical or mental condition, the director may issue an order providing for one or any combination of the following:

- (1) Revocation of the license;
- (2) Suspension of the license for a fixed or indefinite term;
- (3) Restriction or limitation of the practice;
- (4) Requiring the satisfactory completion of a specific program of remedial education or treatment;
- (5) Monitoring of the practice by a supervisor approved by the director;
- (6) Censure or reprimand;
- (7) Compliance with conditions of probation for a designated period of time;
- (8) Withholding a license request;
- (9) Other corrective action;
- (10) Refund of fees billed to and collected from the consumer; or
- (11) The assessment of administrative penalties.

Any of the actions under this section may be totally or partly stayed by the director. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant. [1995 c 277 § 15; 1991 c 334 § 23.]

**RCW 18.170.280 Application of administrative procedure act to acts of the director.** The director, in implementing and administering the provisions of this chapter, shall act in accordance with the administrative procedure act, chapter 34.05 RCW. [1991 c 334 § 28.]

**RCW 18.170.290 Uniform regulation of business and professions act.** The uniform regulation of business and professions act, chapter 18.235 RCW, governs unlicensed practice, the issuance and denial of licenses, and the discipline of licensees under this chapter. [2002 c 86 § 250.]

**Effective dates—2002 c 86:** See note following RCW 18.08.340.

**Part headings not law—Severability—2002 c 86:** See RCW 18.235.902 and 18.235.903.

**RCW 18.170.300 Reciprocity agreements.** The director has the authority to negotiate reciprocity agreements with other states allowing licensed security officers from Washington to work in those other states. [2004 c 50 § 3.]

**RCW 18.170.310 Military training or experience.** An applicant with military training or experience satisfies the training or experience requirements of this chapter unless the director determines that the military training or experience is not substantially equivalent to the standards of this state. [2011 c 351 § 11.]

**RCW 18.170.902 Effective date—1995 c 277.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately [May 9, 1995]. [1995 c 277 § 41.]

**RCW 18.185.005 Declaration, intent, construction.** The legislature declares that the licensing of bail bond agents should be uniform throughout the state. Therefore, it is the intent of the legislature to preempt any local regulation of bail bond agents, including licensing fees, but not including local business license fees. Nothing in this chapter limits the discretion of the courts of this state to accept or reject a particular surety or recognizance bond in a particular case. [1993 c 260 § 1.]

**RCW 18.185.010 Definitions.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

- (1) "Department" means the department of licensing.
- (2) "Director" means the director of licensing.
- (3) "Commission" means the criminal justice training commission.
- (4) "Collateral or security" means property of any kind given as security to obtain a bail bond.
- (5) "Bail bond agency" means a business that sells and issues corporate surety bail bonds or that provides security in the form of personal or real property to ensure the appearance of a criminal defendant before the courts of this state or the United States.
- (6) "Qualified agent" means an owner, sole proprietor, partner, manager, officer, or chief operating officer of a corporation who meets the requirements set forth in this chapter for obtaining a bail bond agency license.
- (7) "Bail bond agent" means a person who is employed by a bail bond agency and engages in the sale or issuance of bail bonds, but does not mean a clerical, secretarial, or other support person who does not participate in the sale or issuance of bail bonds.
- (8) "Licensee" means a bail bond agency, a bail bond agent, a qualified agent, or a bail bond recovery agent.
- (9) "Branch office" means any office physically separated from the principal place of business of the licensee from which the licensee or an employee or agent of the licensee conducts any activity meeting the criteria of a bail bond agency.
- (10) "Bail bond recovery agent" means a person who is under contract with a bail bond agent to receive compensation, reward, or any other form of lawful consideration for locating, apprehending, and surrendering a fugitive criminal defendant for whom a bail bond has been posted. "Bail bond recovery agent" does not include a general authority Washington peace officer or a limited authority Washington peace officer.
- (11) "Contract" means a written agreement between a bail bond agent or qualified agent and a bail bond recovery agent for the purpose of locating, apprehending, and surrendering a fugitive criminal defendant in exchange for lawful consideration.
- (12) "Planned forced entry" means a premeditated forcible entry into a dwelling, building, or other structure without the occupant's knowledge or consent for the purpose of apprehending a fugitive criminal defendant subject to a bail bond. "Planned forced entry" does not include situations where, during an imminent or actual chase or pursuit of a fleeing fugitive criminal defendant, or during a casual or unintended encounter with the fugitive, the bail bond recovery agent forcibly enters into a dwelling, building, or other structure without advanced planning. [2004 c 186 § 2; 2000 c 171 § 40; 1996 c 242 § 1; 1993 c 260 § 2.]

**Legislative recognition—2004 c 186:** "The legislature recognizes that bail bond agents and bail bond recovery agents serve a necessary and important purpose in the criminal justice system by locating, apprehending, and surrendering fugitive criminal defendants. The legislature also recognizes that locating, apprehending, and surrendering fugitives requires special skills and expertise; that bail bond agents and bail bond recovery agents are often required to perform their duties under stressful and demanding conditions; and

that it serves the public interest to have qualified people performing such essential functions. Therefore, bail bond agencies that use the services of bail bond recovery agents must, in the interest of public safety, use bail bond recovery agents who possess the knowledge and competence necessary for the job." [2004 c 186 § 1.]

**RCW 18.185.015 Cost of administration—Fees.** Pursuant to RCW 43.24.086 and 43.135.055, the department may increase fees as necessary to defray the cost of administering \*chapter 105, Laws of 2008 (Engrossed Substitute Senate Bill No. 6347). [2008 c 285 § 29.]

**\*Reviser's note:** 2008 c 285 § 29 referenced Engrossed Substitute Senate Bill No. 6347. Engrossed Substitute Senate Bill No. 6437 was apparently intended.

**Intent—Captions not law—Effective date—2008 c 285:** See notes following RCW 43.22.434.

**RCW 18.185.020 Agent license requirements.** An applicant must meet the following minimum requirements to obtain a bail bond agent license:

- (1) Be at least eighteen years of age;
- (2) Be a citizen or resident alien of the United States;
- (3) Not have been convicted of a crime in any jurisdiction in the preceding ten years, if the director determines that the applicant's particular crime directly relates to a capacity to perform the duties of a bail bond agent and the director determines that the license should be withheld to protect the citizens of Washington state. If the director shall make a determination to withhold a license because of previous convictions, the determination shall be consistent with the restoration of employment rights act, chapter 9.96A RCW;
- (4) Be employed by a bail bond agency or be licensed as a bail bond agency; and
- (5) Pay the required fee. [1993 c 260 § 3.]

**RCW 18.185.030 Agency license requirements.** (1) In addition to meeting the minimum requirements to obtain a license as a bail bond agent, a qualified agent must meet the following additional requirements to obtain a bail bond agency license:

- (a) Pass an examination determined by the director to measure the person's knowledge and competence in the bail bond agency business; or
- (b) Have had at least three years' experience as a manager, supervisor, or administrator in the bail bond business or a related field in Washington state as determined by the director. A year's experience means not less than two thousand hours of actual compensated work performed before the filing of an application. An applicant shall substantiate the experience by written certifications from previous employers. If the applicant is unable to supply written certifications from previous employers, applicants may offer written certifications from persons other than employers who, based on personal knowledge, can substantiate the employment; and
- (c) Pay any additional fees as established by the director.

(2) An agency license issued under this section may not be assigned or transferred without prior written approval of the director. [2008 c 105 § 1; 1993 c 260 § 4.]

**RCW 18.185.040 License applications.** (1) Applications for licenses required under this chapter shall be filed with the director on a form provided by the director. The director may require any information and documentation that reasonably relates to the need to determine whether the applicant meets the criteria, including fingerprints.

(2) Applicants for licensure or endorsement as a bail bond recovery agent must complete a records check through the Washington state patrol criminal identification system and through the federal bureau of investigation at the applicant's expense. Such record check shall include a fingerprint check using a Washington state patrol approved fingerprint card. The Washington state patrol shall forward the fingerprints of applicants to the federal bureau of investigation for a national criminal history records check. The director may accept proof of a recent national crime information center/III criminal background report or any national or interstate criminal background report in addition to fingerprints to accelerate the licensing and endorsement process. The director is authorized to periodically perform a background investigation of licensees to identify criminal convictions subsequent to the renewal of a license or endorsement. [2004 c 186 § 4; 1993 c 260 § 5.]

**Legislative recognition—2004 c 186:** See note following RCW 18.185.010.

**RCW 18.185.050 License cards, certificates—Advertising—Notice of changes.** (1) The director shall issue a bail bond agent license card to each licensed bail bond agent. A bail bond agent shall carry the license card whenever he or she is performing the duties of a bail bond agent and shall exhibit the card upon request.

(2) The director shall issue a license certificate to each licensed bail bond agency.

(a) Within seventy-two hours after receipt of the license certificate, the licensee shall post and display the certificate in a conspicuous place in the principal office of the licensee within the state.

(b) It is unlawful for any person holding a license certificate to knowingly and willfully post the license certificate upon premises other than those described in the license certificate or to materially alter a license certificate.

(c) Every advertisement by a licensee that solicits or advertises business shall contain the name of the licensee, the address of record, and the license number as they appear in the records of the director.

(d) The licensee shall notify the director within thirty days of any change in the licensee's officers or directors or any material change in the information furnished or required to be furnished to the director. [1993 c 260 § 6.]

**RCW 18.185.056 License suspension—Electronic benefit cards.**

The director shall immediately suspend any license issued under this chapter if the director receives information that the license holder has not complied with RCW 74.08.580(2). If the license holder has otherwise remained eligible to be licensed, the director may reinstate the suspended license when the holder has complied with RCW 74.08.580(2). [2011 1st sp.s. c 42 § 18.]

**Findings—Intent—Effective date—2011 1st sp.s. c 42:** See notes following RCW 74.08A.260.

**RCW 18.185.057 License suspension—Noncompliance with support order—Reissuance.** The director shall immediately suspend any license issued under this chapter if the holder has been certified pursuant to RCW 74.20A.320 by the department of social and health services as a person who is not in compliance with a support order or a \*residential or visitation order. If the person has continued to meet all other requirements for reinstatement during the suspension, reissuance of the license shall be automatic upon the director's receipt of a release issued by the department of social and health services stating that the person is in compliance with the order. [1997 c 58 § 840.]

**\*Reviser's note:** 1997 c 58 § 886 requiring a court to order certification of noncompliance with residential provisions of a court-ordered parenting plan was vetoed. Provisions ordering the department of social and health services to certify a responsible parent based on a court order to certify for noncompliance with residential provisions of a parenting plan were vetoed. See RCW 74.20A.320.

**Effective dates—Intent—1997 c 58:** See notes following RCW 74.20A.320.

**RCW 18.185.060 Prelicensing training and continuing education requirements.** (1) The director shall adopt rules establishing prelicense training and testing requirements for bail bond agents, which shall include no less than four hours of classes. The director may establish, by rule, continuing education requirements for bail bond agents.

(2) The director or the director's designee, with the advice of law enforcement agencies and associations, the criminal justice training commission, prosecutors' associations, or such other entities as may be appropriate, shall consult with representatives of the bail bond industry and associations before adopting or amending the prelicensing training or continuing education requirements of this section.

(3) The director may appoint an advisory committee consisting of representatives from the bail bond industry and a consumer to assist

in the development of rules to implement and administer this chapter.  
[2008 c 105 § 2; 1993 c 260 § 7.]

**RCW 18.185.070 Bond.** (1) No bail bond agency license may be issued under the provisions of this chapter unless the qualified agent files with the director a bond, executed by a surety company authorized to do business in this state, in the sum of ten thousand dollars conditioned to recover against the agency and its servants, officers, agents, and employees by reason of its violation of the provisions of RCW 18.185.100. The bond shall be made payable to the state of Washington, and anyone so injured by the agency or its servants, officers, agents, or employees may bring suit upon the bond in any county in which jurisdiction over the licensee may be obtained. The suit must be brought not later than two years after the failure to return property in accordance with RCW 18.185.100. If valid claims against the bond exceed the amount of the bond or deposit, each claimant shall be entitled only to a pro rata amount, based on the amount of the claim as it is valid against the bond, without regard to the date of filing of any claim or action.

(2) Every licensed bail bond agency must at all times maintain on file with the director the bond required by this section in full force and effect. Upon failure by a licensee to do so, the director shall suspend the licensee's license and shall not reinstate the license until this requirement is met.

(3) In lieu of posting a bond, a qualified agent may deposit in an interest-bearing account, ten thousand dollars.

(4) The director may waive the bond requirements of this section, in his or her discretion, pursuant to adopted rules. [1993 c 260 § 8.]

**RCW 18.185.080 Relation of this chapter to local regulation, taxation.** (1) The provisions of this chapter relating to the licensing for regulatory purposes of bail bond agents and bail bond agencies are exclusive. No governmental subdivision of this state may enact any laws or rules licensing for regulatory purposes such persons, except as provided in subsections (2) and (3) of this section.

(2) This section shall not be construed to prevent a political subdivision of this state from levying a business fee, business and occupation tax, or other tax upon bail bond agencies if such fees or taxes are levied by the political subdivision on other types of businesses within its boundaries.

(3) This section shall not be construed to prevent this state or a political subdivision of this state from licensing for regulatory purposes bail bond agencies with respect to activities that are not regulated under this chapter. [1993 c 260 § 9.]

**RCW 18.185.090 Notice concerning agent's status—Forced entry—Discharge of firearm.** (1) A bail bond agency shall notify the director within thirty days after the death or termination of employment of any employee who is a licensed bail bond agent.

(2) A bail bond agency shall notify the director within seventy-two hours upon receipt of information affecting a licensed bail bond

agent's continuing eligibility to hold a license under the provisions of this chapter.

(3) A bail bond agent or bail bond recovery agent shall notify the director within seventy-two hours upon receipt of information affecting the bail bond recovery agent's continuing eligibility to hold a bail bond recovery agent's license under the provisions of this chapter.

(4) A bail bond recovery agent shall notify the director within ten business days following a forced entry for the purpose of apprehending a fugitive criminal defendant, whether planned or unplanned. The notification under this subsection must include information required by rule of the director.

(5) A bail bond recovery agent shall notify the local law enforcement agency whenever the bail bond recovery agent discharges his or her firearm while on duty, other than on a supervised firearms range. The notification must be made within ten business days of the date the firearm is discharged. [2008 c 105 § 3; 2004 c 186 § 7; 1993 c 260 § 10.]

**RCW 18.185.100 Records—Finances—Disposition of security.** (1) Every qualified agent shall keep adequate records for three years of all collateral and security received, all trust accounts required by this section, and all bail bond transactions handled by the bail bond agency, as specified by rule. The records shall be open to inspection without notice by the director or authorized representatives of the director.

(2) Every qualified agent who receives collateral or security is a fiduciary of the property and shall keep adequate records for three years of the receipt, safekeeping, and disposition of the collateral or security. Every qualified agent shall maintain a trust account in a federally insured financial institution located in this state. All moneys, including cash, checks, money orders, wire transfers, and credit card sales drafts, received as collateral or security or otherwise held for a bail bond agency's client shall be deposited in the trust account not later than the third banking day following receipt of the funds or money. A qualified agent shall not in any way encumber the corpus of the trust account or commingle any other moneys with moneys properly maintained in the trust account. Each qualified agent required to maintain a trust account shall report annually under oath to the director the account number and balance of the trust account, and the name and address of the institution that holds the trust account, and shall report to the director within ten business days whenever the trust account is changed or relocated or a new trust account is opened.

(3) Whenever a bail bond is exonerated by the court, the qualified agent shall, within five business days after written notification of exoneration, return all collateral or security to the person entitled thereto.

(4) Records of contracts for fugitive apprehension must be retained by the bail bond agent and by the bail bond recovery agent for a period of three years. [2004 c 186 § 8; 1996 c 242 § 3; 1993 c 260 § 11.]

(2) Failing to meet the qualifications set forth in RCW 18.185.020, 18.185.030, and 18.185.250;

(3) Knowingly committing, or being a party to, any material fraud, misrepresentation, concealment, conspiracy, collusion, trick, scheme, or device whereby any other person lawfully relies upon the word, representation, or conduct of the licensee. However, this subsection (3) does not prevent a bail bond recovery agent from using any pretext to locate or apprehend a fugitive criminal defendant or gain any information regarding the fugitive;

(4) Assigning or transferring any license issued pursuant to the provisions of this chapter, except as provided in RCW 18.185.030 or 18.185.250;

(5) Conversion of any money or contract, deed, note, mortgage, or other evidence of title, to his or her own use or to the use of his or her principal or of any other person, when delivered to him or her in trust or on condition, in violation of the trust or before the happening of the condition; and failure to return any money or contract, deed, note, mortgage, or other evidence of title within thirty days after the owner is entitled to possession, and makes demand for possession, shall be prima facie evidence of conversion;

(6) Failing to keep records, maintain a trust account, or return collateral or security, as required by RCW 18.185.100;

(7) Any conduct in a bail bond transaction which demonstrates bad faith, dishonesty, or untrustworthiness;

(8) Violation of an order to cease and desist that is issued by the director under chapter 18.235 RCW;

**RCW 18.185.115 Unprofessional conduct—Certain contracts—General power of attorney—Presumption.** Entering into a contract, including a general power of attorney, that gives a bail bond agent full authority over a person's finances, assets, real property, or personal property creates a presumption of unprofessional conduct that may be overcome by a preponderance of the evidence presented to the department to the contrary. The department has the discretion to determine whether or not the bail bond agency or agent has overcome the presumption and if unprofessional conduct was committed. [2016 c 73 § 1.]

**RCW 18.185.120 Director's powers.** In addition to those powers set forth in RCW 18.235.030, the director or the director's designee has the authority to order restitution to the person harmed by the licensee. [2007 c 256 § 3; 2002 c 86 § 252; 1993 c 260 § 13.]

**RCW 18.185.130 Complaints.** Any person may submit a written complaint to the department charging a license holder or applicant with unprofessional conduct and specifying the grounds for the charge. If the director determines that the complaint merits investigation, or if the director has reason to believe, without a formal complaint, that a license holder or applicant may have engaged in unprofessional conduct, the director shall investigate to determine if there has been unprofessional conduct. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint. [1993 c 260 § 14.]

**RCW 18.185.140 Statement of charges—Notice.** When a statement of charges is issued against a license holder or applicant under RCW 18.235.050, notice of this action must be given to the owner or qualified agent of the employing bail bond agency. [2002 c 86 § 253; 1993 c 260 § 15.]

(2) A person is guilty of a gross misdemeanor if the person owns or operates a bail bond agency in this state without first obtaining a bail bond agency license.

(3) The owner or qualified agent of a bail bond agency is guilty of a gross misdemeanor if the owner or qualified agent employs any person to perform the duties of a bail bond agent without the employee having in the employee's possession a permanent bail bond agent license issued by the department.

(4) After December 31, 2005, a person is guilty of a gross misdemeanor if the person:

(a) Performs the functions of a bail bond recovery agent without first obtaining a license from the department and entering into a contract with a bail bond agent as required by this chapter; or, in the case of a bail bond recovery agent from another state, the person performs the functions of a bail bond recovery agent without operating under the direct supervision of a licensed bail bond recovery agent as required by this chapter; or

(b) Conducts a planned forced entry without first complying with the requirements of this chapter. [2004 c 186 § 13; 2002 c 86 § 254; 1993 c 260 § 18.]

**RCW 18.185.210 Application of Consumer Protection Act.** Failure to fulfill the fiduciary duties and other duties as prescribed in RCW 18.185.100 is not reasonable in relation to the development and preservation of business. A violation of RCW 18.185.100 is an unfair or deceptive act in trade or commerce for the purpose of applying the Consumer Protection Act, chapter 19.86 RCW. [1993 c 260 § 22.]

**RCW 18.185.220 Branch office—Qualified bail bond agent as manager.** A branch office may not operate under a business name other than the name of the principal bail bond agency and must have a qualified bail bond agent as manager of the office. The qualified agent shall comply with the provisions of RCW 18.185.100. [1996 c 242 § 2.]

**RCW 18.185.230 License required for branch office.** If a licensee maintains a branch office, the licensee shall not operate that branch office until a branch office license has been received from the director. A bail bond agency may apply to the director for authority to establish one or more branch offices under the same name as the main office upon the payment of a fee as prescribed by the director by rule. The director shall issue a separate license for each branch office showing the location of each branch which shall be prominently displayed in the office for which it is issued. - (3) Be at least twenty-one years old;

The director shall make the director's determination to withhold a license because of previous convictions notwithstanding the restoration of employment rights act, chapter 9.96A RCW;
- (6) Not have had certification as a peace officer revoked or denied under chapter 43.101 RCW, unless certification has subsequently been reinstated under RCW 43.101.115;

The director may establish, by rule, continuing education and recertification requirements for bail bond recovery agents.

(2) The director or the director's designee, with the advice of law enforcement agencies and associations, the criminal justice training commission, prosecutors' associations, or such other entities as may be appropriate, shall consult with representatives of the bail bond industry and associations before adopting or amending the prelicensing training, testing, and continuing education and recertification requirements of this section and shall establish minimum exam standards necessary for a bail bond recovery agent to qualify for licensure or endorsement.

(3) The standards must include, but are not limited to, the following:

(a) A minimum level of education or experience appropriate for performing the duties of a bail bond recovery agent;

(b) A minimum level of knowledge in relevant areas of criminal and civil law;

(c) A minimum level of knowledge regarding the appropriate use of force and different degrees of the use of force; and

**Legislative recognition—2004 c 186:** See note following RCW 18.185.010.

**RCW 18.185.270 Bail bond agent/bail bond recovery agent—Each fugitive an individual contract—Format of contract.** (1) Each fugitive criminal defendant to be recovered will be treated as an individual contract between the bail bond agent and the bail bond recovery agent. A bail bond agent shall provide a bail bond recovery agent a copy of each individual contract. A bail bond recovery agent must carry, in addition to the license issued by the department, a copy of the contract and, if requested, must present a copy of the contract and the license to the fugitive criminal defendant, the owner or manager of the property in which the agent entered in order to locate or apprehend the fugitive, other residents, if any, of the residence in which the agent entered in order to locate or apprehend the fugitive, and to the local law enforcement agency or officer. If presenting a copy of the contract or the license at the time of the request would unduly interfere with the location or apprehension of the fugitive, the agent shall present the copy of the contract or the license within a reasonable period of time after the exigent circumstances expire.

(2) The director, or the director's designee, with the advice of the bail bond industry and associations, law enforcement agencies and associations, and prosecutors' associations shall develop a format for the contract. At a minimum, the contract must include the following:

(a) The name, address, phone number, and license number of the bail bond agency or bail bond agent contracting with the bail bond recovery agent;

(2) A bail bond agent may contract with a person to perform the functions of a bail bond recovery agent. Before contracting with the bail bond recovery agent, the bail bond agent must check the license issued by the department under this chapter. The requirements established by the department under this chapter do not prevent the bail bond agent from imposing additional requirements that the bail bond agent considers appropriate.

(3) A contract entered into under this chapter is authority for the person to perform the functions of a bail bond recovery agent as specifically authorized by the contract and in accordance with applicable law. A contract entered into by a bail bond agent with a bail bond recovery agent is not transferable by the bail bond recovery agent to another bail bond recovery agent.

(4) Whenever a person licensed by the department as a bail bond recovery agent is engaged in the performance of the person's duties as a bail bond recovery agent, the person must carry a copy of the license.

(5) A license or endorsement issued by the department under this chapter is valid from the date the license or endorsement is issued

until its expiration date unless it is suspended or revoked by the department prior to its expiration date.

(6) Nothing in this chapter is meant to prevent a bail bond agent from contacting a fugitive criminal defendant for the purpose of requesting the surrender of the fugitive, or from accepting the voluntary surrender of the fugitive. [2008 c 105 § 7; 2004 c 186 § 10.]

**Legislative recognition—2004 c 186:** See note following RCW 18.185.010.

(a) Have reasonable cause to believe that the defendant is inside the dwelling, building, or other structure where the planned forced entry is expected to occur; and

(b) Notify an appropriate law enforcement agency in the local jurisdiction in which the apprehension is expected to occur. Notification must include, at a minimum: The name of the defendant; the address, or the approximate location if the address is undeterminable, of the dwelling, building, or other structure where the planned forced entry is expected to occur; the name of the bail bond recovery agent; the name of the contracting bail bond agent; and the alleged offense or conduct the defendant committed that resulted in the issuance of a bail bond.

(2) During the actual planned forced entry, a bail bond recovery agent:

(a) Shall wear a shirt, vest, or other garment with the words "BAIL BOND RECOVERY AGENT," "BAIL ENFORCEMENT," or "BAIL ENFORCEMENT AGENT" displayed in at least two-inch-high reflective print letters across the front and back of the garment and in a contrasting color to that of the garment; and

(b) May display a badge approved by the department with the words "BAIL BOND RECOVERY AGENT," "BAIL ENFORCEMENT," or "BAIL ENFORCEMENT AGENT" prominently displayed.

**RCW 18.185.310 Military training or experience.** An applicant with military training or experience satisfies the training or experience requirements of this chapter unless the director determines that the military training or experience is not substantially equivalent to the standards of this state. [2011 c 351 § 12.]

**RCW 18.185.901 Effective date—1993 c 260.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1993. [1993 c 260 § 25.]

**Implementation—1993 c 260:** "The director of licensing may take such steps as are necessary to ensure that this act is implemented on its effective date." [1993 c 260 § 24.]

**RCW 18.195.010 Findings—Intent.** The legislature finds that in the newly reformed health care delivery system it is necessary to clarify providers' roles to ensure that they are working together to maximize patient access while controlling costs. This is especially important in the vision care industry, where the potential for confusion exists due to some overlapping scopes of practice among licensed providers.

The legislature finds that boards regulating health care professions should be mindful of the necessary balance between public safety and access to affordable care, and adopt rules that are consistent with their legislative intent. The risk that this balance may be lost is especially high in the optical industry, where competitive pressures have led to the involvement of the federal trade commission. The legislature recognizes its role in ensuring appropriate access to vision care for state residents by clarifying necessary prescription content and ensuring prescription release to the patient. [1994 c 106 § 1.]

**RCW 18.195.020 Definitions.** For purposes of this chapter, the following definitions apply:

(1) "Dispensing" means the retail delivery of ophthalmic goods to the patient by a prescriber or optician.

(2) "Eye examination" means a testing process administered by a prescriber that includes the process of determining the refractive condition of a patient's eyes. If requested by the patient, it also determines the appropriateness of contact lenses.

(3) "Fitting" means the performance of mechanical procedures and measurements necessary to adapt and fit eyeglasses or contact lenses from a written prescription. In the case of contact lenses, the prescription must be in writing and fitting includes the selection of the physical characteristics of the lenses including conversion of the spectacle power to contact lens equivalents, lens design, material and manufacturer of the lenses, and supervision of the trial wearing of the lenses which may require incidental revisions during the fitting period. The revisions may not alter the effect of the written prescription.

(4) "Ophthalmic goods" means eyeglasses or a component or components of eyeglasses, and contact lenses.

(5) "Ophthalmic services" means the measuring, fitting, adjusting, and fabricating of ophthalmic goods subsequent to an eye examination.

(6) "Optician" means a person licensed under chapter 18.34 RCW.

(7) "Patient" means a person who has had an eye examination.

(8) "Practitioner" includes prescribers and opticians.

(9) "Prescriber" means an ophthalmologist or optometrist who performs eye examinations under chapter 18.53, 18.57, or 18.71 RCW.

(10) "Prescription" means the written directive from a prescriber for corrective lenses and consists of the refractive powers. If the patient wishes to purchase contact lenses, the prescription must contain a notation that the patient is "OK for contacts" or similar language confirming there are no contraindications for contacts.

(11) "Secretary" means the secretary of the department of health.  
[1994 c 106 § 2.]

**RCW 18.195.030 Prohibited practices—Separation of examination and dispensing—Notice—Duplication of lenses.** (1) No prescriber shall:

(a) Fail to provide to the patient one copy of the patient's prescription at the completion of the eye examination. A prescriber may refuse to give the patient a copy of the patient's prescription until the patient has paid for the eye examination, but only if that prescriber would have required immediate payment from that patient had the examination revealed that no ophthalmic goods were required;

(b) Condition the availability of an eye examination or prescription, or both, to a patient on a requirement that the patient agree to purchase ophthalmic goods from the prescriber or a dispenser approved by the prescriber;

(c) Fail to include a notation of "OK for contacts" or similar language on the prescription if the prescriber would have fitted the patient himself or herself, provided there are no contraindications for contacts, and if the patient has requested contact lenses. Such a notation will indicate to the practitioner fitting the contact lenses that the initial fitting and follow-up must be completed within six months of the date of the eye examination. The prescriber will inform the patient that failure to complete the initial fitting and obtain the follow-up evaluation by a prescriber within the six-month time frame will void the "OK for contacts" portion of the prescription. The prescriber who performs the follow-up will place on the prescription "follow-up completed," or similar language, and include his or her name and the date of the follow-up. Patients who comply with both the initial fitting and follow-up requirements will then be able to obtain replacement contact lenses until the expiration date listed on the prescription. If the prescriber concludes the ocular health of the eye presents a contraindication for contact lenses, a verbal explanation of that contraindication must be given to the patient by the prescriber at the time of the eye examination and documentation maintained in the patient's records. However, a prescriber may exclude categories of contact lenses where clinically indicated;

(d) Include a prescription expiration date of less than two years, unless warranted by the ocular health of the eye. If a prescription is to expire in less than two years, an explanatory notation must be made by the prescriber in the patient's record and a

verbal explanation given to the patient at the time of the eye examination;

(e) Charge the patient a fee in addition to the prescriber's examination fee as a condition to releasing the prescription to the patient. However, a prescriber may charge a reasonable, additional fee for verifying ophthalmic goods dispensed by another practitioner if that fee is imposed at the time the verification is performed; or

(f) Place on the prescription, or require the patient to sign, or deliver to the patient a form or notice waiving or disclaiming the liability or responsibility of the prescriber for the accuracy of the eye examination or the accuracy of the ophthalmic goods and services dispensed by another practitioner. In prohibiting the use of waivers and disclaimers of liability under this subsection, it is not the intent of the legislature to impose liability on an ophthalmologist or optometrist for the ophthalmic goods and services dispensed by another seller pursuant to the ophthalmologist's or optometrist's prescription.

(2) Nothing contained in this title shall prevent a prescriber or optician from measuring the refractive power of eyeglass lenses and duplicating the eyeglass lenses upon the request of a patient. [1994 c 106 § 3.]

**RCW 18.195.040 Prescription not referring to contacts—Verification of performance—Notice—Prescription time limit—Safety notice—Noncompliance.** (1) If the patient chooses to purchase contact lenses from an optician and the prescription is silent regarding contact lenses, the optician shall contact the prescriber and request a written prescription with a notation of "OK for contacts" or similar language. However, if no evaluation for contact lenses had been done during the eye examination, the prescriber may decline to approve the prescription for contact lenses without further evaluation.

(2) If a patient chooses to purchase contact lenses from an optician, the optician shall advise the patient, in writing, that a prescriber is to verify the performance of the initial set of contact lenses on the eyes within six months of the date of the eye examination or the "OK for contacts" portion of the prescription will be void. The patient shall be requested to sign the written advisement and the signed document will be maintained as part of the patient's records. If the patient declines to sign the document, it shall be noted in the record.

(3) No practitioner may dispense contact lenses based on a prescription that is over two years old.

(4) All fitters and dispensers of contact lenses shall distribute safety pamphlets to their patients in order to improve consumer decisions as well as health-related decisions.

(5) It is unprofessional conduct under chapter 18.130 RCW for a practitioner to fail to comply with this section. [1994 c 106 § 4.]

**RCW 18.195.050 Rule making—Effect.** (1) The secretary shall adopt rules necessary to implement the purposes of this chapter. The secretary is specifically directed to adopt rules that maximize competition in the delivery of vision care limited only by the existing scope of practice of the professions and by provisions

preventing demonstrated and substantial threats to the public's vision health.

(2) This chapter and the rules adopted by the secretary pursuant to this section shall supersede rules adopted pursuant to chapter 18.34, 18.53, 18.57, or 18.71 RCW that conflict with this chapter. To the extent that, in the secretary's opinion, these rules conflict with the purposes of this chapter, the secretary may declare such rules null and void. [1994 c 106 § 6.]

**RCW 18.195.900 Short title.** This chapter may be cited as the consumer access to vision care act. [1994 c 106 § 7.]

**RCW 18.195.901 Construction.** Nothing in this chapter shall be construed as expanding the scope of practice of a vision care practitioner beyond that currently authorized by state law. [1994 c 106 § 5.]

**RCW 18.200.005 Intent—Purpose—1997 c 285.** It is the intent of the legislature that this act accomplish the following: Safeguard public health, safety, and welfare; protect the public from being misled by unethical, ill-prepared, unscrupulous, and unauthorized persons; assure the highest degree of professional conduct on the part of orthotists and prosthetists; and assure the availability of orthotic and prosthetic services of high quality to persons in need of the services. The purpose of this act is to provide for the regulation of persons offering orthotic and prosthetic services to the public. [1997 c 285 § 1.]

**RCW 18.200.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Advisory committee" means the orthotics and prosthetics advisory committee.

(2) "Department" means the department of health.

(3) "Secretary" means the secretary of health or the secretary's designee.

(4) "Orthotics" means the science and practice of evaluating, measuring, designing, fabricating, assembling, fitting, adjusting, or servicing, as well as providing the initial training necessary to accomplish the fitting of, an orthosis for the support, correction, or alleviation of neuromuscular or musculoskeletal dysfunction, disease, injury, or deformity. The practice of orthotics encompasses evaluation, treatment, and consultation. With basic observational gait and postural analysis, orthotists assess and design orthoses to maximize function and provide not only the support but the alignment necessary to either prevent or correct deformity or to improve the safety and efficiency of mobility or locomotion, or both. Orthotic practice includes providing continuing patient care in order to assess its effect on the patient's tissues and to assure proper fit and function of the orthotic device by periodic evaluation.

(5) "Orthotist" means a person licensed to practice orthotics under this chapter.

(6) "Orthosis" means a custom-fabricated, definitive brace or support that is designed for long-term use. Except for the treatment of scoliosis, orthosis does not include prefabricated or direct-formed orthotic devices, as defined in this section, or any of the following assistive technology devices: Commercially available knee orthoses used following injury or surgery; spastic muscle tone-inhibiting orthoses; upper extremity adaptive equipment; finger splints; hand splints; custom-made, leather wrist gauntlets; face masks used following burns; wheelchair seating that is an integral part of the wheelchair and not worn by the patient independent of the wheelchair; fabric or elastic supports; corsets; arch supports, also known as foot orthotics; low-temperature formed plastic splints; trusses; elastic hose; canes; crutches; cervical collars; dental appliances; and other similar devices as determined by the secretary, such as those commonly carried in stock by a pharmacy, department store, corset shop, or surgical supply facility. Prefabricated orthoses, also known as custom-fitted, or off-the-shelf, are devices that are manufactured as commercially available stock items for no specific patient. Direct-formed orthoses are devices formed or shaped during the molding process directly on the patient's body or body segment. Custom-fabricated orthoses, also known as custom-made orthoses, are devices designed and fabricated, in turn, from raw materials for a specific patient and require the generation of an image, form, or mold that replicates the patient's body or body segment and, in turn, involves the rectification of dimensions, contours, and volumes to achieve proper fit, comfort, and function for that specific patient.

(7) "Prosthetics" means the science and practice of evaluating, measuring, designing, fabricating, assembling, fitting, aligning, adjusting, or servicing, as well as providing the initial training necessary to accomplish the fitting of, a prosthesis through the replacement of external parts of a human body lost due to amputation or congenital deformities or absences. The practice of prosthetics also includes the generation of an image, form, or mold that replicates the patient's body or body segment and that requires rectification of dimensions, contours, and volumes for use in the design and fabrication of a socket to accept a residual anatomic limb to, in turn, create an artificial appendage that is designed either to support body weight or to improve or restore function or cosmesis, or both. Involved in the practice of prosthetics is observational gait analysis and clinical assessment of the requirements necessary to refine and mechanically fix the relative position of various parts of the prosthesis to maximize the function, stability, and safety of the patient. The practice of prosthetics includes providing continuing patient care in order to assess the prosthetic device's effect on the patient's tissues and to assure proper fit and function of the prosthetic device by periodic evaluation.

(8) "Prosthetist" means a person who is licensed to practice prosthetics under this chapter.

(9) "Prosthesis" means a definitive artificial limb that is alignable or articulated, or, in lower extremity applications, capable of weight bearing. Prosthesis means an artificial medical device that is not surgically implanted and that is used to replace a missing limb, appendage, or other external human body part including an artificial limb, hand, or foot. The term does not include artificial eyes, ears, fingers or toes, dental appliances, ostomy products,

devices such as artificial breasts, eyelashes, wigs, or other devices as determined by the secretary that do not have a significant impact on the musculoskeletal functions of the body. In the lower extremity of the body, the term prosthesis does not include prostheses required for amputations distal to and including the transmetatarsal level. In the upper extremity of the body, the term prosthesis does not include prostheses that are provided to restore function for amputations distal to and including the carpal level.

(10) "Authorized health care practitioner" means licensed physicians, physician's assistants, osteopathic physicians, chiropractors, naturopaths, podiatric physicians and surgeons, dentists, and advanced registered nurse practitioners. [1997 c 285 § 2.]

**RCW 18.200.020 Treatment limits.** An orthotist or prosthetist may only provide treatment utilizing new orthoses or prostheses for which the orthotist or prosthetist is licensed to do so, and only under an order from or referral by an authorized health care practitioner. A consultation and periodic review by an authorized health care practitioner is not required for evaluation, repair, adjusting, or servicing of orthoses by a licensed orthotist and servicing of prostheses by a licensed prosthetist. Nor is an authorized health care practitioner's order required for maintenance of an orthosis or prosthesis to the level of its original prescription for an indefinite period of time if the order remains appropriate for the patient's medical needs.

Orthotists and prosthetists must refer persons under their care to authorized health care practitioners if they have reasonable cause to believe symptoms or conditions are present that require services beyond the scope of their practice or for which the prescribed orthotic or prosthetic treatment is contraindicated. [1997 c 285 § 3.]

**RCW 18.200.030 Use of title—Prohibited without license—Posting of license.** No person may represent himself or herself as a licensed orthotist or prosthetist, use a title or description of services, or engage in the practice of orthotics or prosthetics without applying for licensure, meeting the required qualifications, and being licensed by the department of health, unless otherwise exempted by this chapter.

A person not licensed with the secretary must not represent himself or herself as being so licensed and may not use in connection with his or her name the words or letters "L.O.," "L.P.," or "L.P.O.," or other letters, words, signs, numbers, or insignia indicating or implying that he or she is either a licensed orthotist or a licensed prosthetist, or both. No person may practice orthotics or prosthetics without first having a valid license. The license must be posted in a conspicuous location at the person's work site. [1997 c 285 § 4.]

**RCW 18.200.040 Practices not limited by chapter.** Nothing in this chapter shall be construed to prohibit or restrict:

(1) The practice by individuals listed under RCW 18.130.040 and performing services within their authorized scopes of practice;

(2) The practice by an individual employed by the government of the United States while engaged in the performance of duties prescribed by the laws of the United States;

(3) The practice by a person who is a regular student in an orthotic or prosthetic educational program approved by the secretary, and whose performance of services is pursuant to a regular course of instruction or assignments from an instructor and under the general supervision of the instructor, if the person is designated by a title that clearly indicates the person's status as a student or trainee;

(4) A person fulfilling the supervised residency or internship experience requirements described in RCW 18.200.070, if the activities and services constitute a part of the experience necessary to meet the requirements of this chapter; or

(5) A person from performing orthotic or prosthetic services in this state if: (a) The services are performed for no more than ninety working days; and (b) the person is licensed in another state or has met commonly accepted standards for the practice of orthotics or prosthetics as determined by the secretary. [1997 c 285 § 5.]

(1) Adopt rules under chapter 34.05 RCW necessary to implement this chapter;

(2) Establish administrative procedures, administrative requirements, and fees in accordance with RCW 43.70.250 and 43.70.280. All fees collected under this section must be credited to the health professions account as required under RCW 43.70.320;

(3) Register applicants, issue licenses to applicants who have met the education, training, and examination requirements for licensure, and deny licenses to applicants who do not meet the minimum qualifications, except that proceedings concerning the denial of credentials based upon unprofessional conduct or impairment are governed by the uniform disciplinary act, chapter 18.130 RCW;

**RCW 18.200.060 Advisory committee—Composition—Terms—Duties.**

- (1) The secretary has the authority to appoint an advisory committee to further the purposes of this chapter. The secretary may consider the persons who are recommended for appointment by the orthotic and prosthetic associations of the state. The committee is composed of five members, one member initially appointed for a term of one year, two for a term of two years, and two for a term of three years. Subsequent appointments are for terms of three years. No person may serve as a member of the committee for more than two consecutive terms. Members of the advisory committee must be residents of this state. The committee is composed of three individuals licensed in the category designated and engaged in rendering services to the public. Two members must at all times be holders of licenses for the practice of either prosthetics or orthotics, or both, in this state, except for the initial members of the advisory committee, all of whom must fulfill the requirements for licensure under this chapter. One member must be a practicing orthotist. One member must be a practicing prosthetist. One member must be licensed by the state as a physician licensed under chapter 18.57 or 18.71 RCW, specializing in orthopedic medicine or surgery or physiatry. The two members appointed to the advisory committee representing the public at large must have an interest in the rights of consumers of health services and must not be or have been a licensee of a health occupation committee or an employee of a health facility, nor derive his or her primary livelihood from the provision of health services at any level of responsibility.

**RCW 18.210.005 Findings—Purpose—Prohibition.** (1) In order to safeguard life, health, and property and to promote the public welfare, the legislature finds that it is in the public interest to permit the limited practice of engineering by qualified individuals who are not registered as professional engineers under chapter 18.43 RCW. The increased complexity of on-site wastewater treatment systems, changes in treatment technology, and the need to protect groundwater and watershed areas make it essential that qualified professionals design the systems. Furthermore, the legislature finds that individuals who have been authorized by local health jurisdictions to design on-site wastewater treatment systems have performed these designs in the past. However, it is desirable to establish a statewide licensing program to create uniform application of design practices, standards for designs, individual qualifications, and consistent enforcement efforts applicable to all persons who design on-site wastewater treatment systems, including persons licensed to practice as professional engineers under chapter 18.43 RCW. It is further desirable to establish a certification program applicable to all persons who inspect or approve on-site wastewater treatment systems on behalf of a local health jurisdiction.

(2) It is unlawful for any individual to practice or offer to practice the design of on-site wastewater treatment systems unless licensed in accordance with this chapter or licensed as a professional engineer under chapter 18.43 RCW. [1999 c 263 § 1.]

**RCW 18.210.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board" means the board of registration for professional engineers and land surveyors as defined in chapter 18.43 RCW.

(2) "Certificate of competency" or "certificate" means a certificate issued to employees of local health jurisdictions indicating that the certificate holder has passed the licensing examination required under this chapter.

(3) "Designer" or "licensee" means an individual authorized under this chapter to perform design services for on-site wastewater treatment systems.

(4) "Director" means the executive director of the Washington state board of registration for professional engineers and land surveyors.

(5) "Engineer" means a professional engineer licensed under chapter 18.43 RCW.

(6) "License" means a license to design on-site wastewater treatment systems under this chapter.

(7) "Local health jurisdiction" or "jurisdictional health department" means an administrative agency created under chapter 70.05, 70.08, or 70.46 RCW, that administers the regulation and codes regarding on-site wastewater treatment systems.

(8) "On-site wastewater design" means the development of plans, details, specifications, instructions, or inspections by application of specialized knowledge in analysis of soils, on-site wastewater treatment systems, disposal methods, and technologies to create an integrated system of collection, transport, distribution, treatment, and disposal of on-site wastewater.

(9) "On-site wastewater treatment system" means an integrated system of components that: Convey, store, treat, and/or provide subsurface soil treatment and disposal of wastewater effluent on the property where it originates or on adjacent or other property and includes piping, treatment devices, other accessories, and soil underlying the disposal component of the initial and reserve areas, for on-site wastewater treatment under three thousand five hundred gallons per day when not connected to a public sewer system.

(10) "Practice of engineering" has the meaning set forth in RCW 18.43.020(8). [2019 c 442 § 15; 2011 c 256 § 1. Prior: 2010 1st sp.s. c 7 § 76; 1999 c 263 § 2.]

**Effective date—2010 1st sp.s. c 26; 2010 1st sp.s. c 7:** See note following RCW 43.03.027.

**RCW 18.210.020 Unprofessional conduct.** In addition to the unprofessional conduct described in RCW 18.235.130, the following conduct, acts, and conditions constitute unprofessional conduct:

(1) Practicing with a \*practice permit or license issued under this chapter that is expired, suspended, or revoked;

(2) Being willfully untruthful or deceptive in any document, report, statement, testimony, or plan that pertains to the design or construction of an on-site wastewater treatment system;

(3) Submission of a design or as-built record to a local health jurisdiction, to the department of health, or to the department of

ecology, that is knowingly based upon false, incorrect, misleading, or fabricated information; and

(4) Submission of any application for licensure or certification that contains false, fraudulent, or misleading information. [2011 c 256 § 2; 2002 c 86 § 256; 1999 c 263 § 3.]

**\*Reviser's note:** The definition of "practice permit" was deleted pursuant to 2011 c 256 § 1.

If the person has continued to meet all other requirements for a license under this chapter during the suspension, reissuance of the license or certificate shall be automatic upon the department's receipt of a release issued by the department of social and health services stating that the licensee is in compliance with the child support order. The procedure in RCW 74.20A.320 is the exclusive administrative remedy for contesting the establishment of noncompliance with a child support order, and suspension of a license under this section, and satisfies the requirements of RCW 34.05.422. [2011 c 256 § 3; 2002 c 86 § 257; 1999 c 263 § 4.]

(3) The board, shall determine an application fee for licensure as an on-site wastewater treatment system designer. A nonrefundable application fee must accompany the application. The board shall ensure that the application fee includes the cost of the examination and the cost issuance of a license and certificate. A candidate who fails an examination may apply for reexamination. The board shall determine the fee for reexamination. [2019 c 442 § 17; 2011 c 256 § 7; 1999 c 263 § 13.]

**RCW 18.210.130 Issuance of license.** (1) The directors shall issue a license to any applicant who meets the requirements of this chapter. The issuance of a license by the director is evidence that the person named is entitled to the rights and privileges of a licensed on-site wastewater treatment system designer as long as the license remains valid.

(2) Each person licensed under this chapter shall obtain an inking stamp, of a design authorized by the board, that contains the licensee's name and license number. Plans, specifications, and reports prepared by the registrant must be signed, dated, and stamped. Signature and stamping constitute certification by the licensee that a plan, specification, or report was prepared by or under the direct supervision of a licensee.

(3) Those persons who obtain a certificate of competency as provided in chapter 70A.105 RCW do not have the privileges granted to a license holder under this chapter and do not have authority to obtain and use a stamp as described in this section. [2021 c 65 § 16; 1999 c 263 § 14.]

Any licensee or certificate holder who fails to pay the renewal fee within ninety days following the date of expiration shall be assessed a penalty fee as determined by the board and must pay the penalty fee and the base renewal fee before the license or certificate may be renewed.

(2) Any license issued under this chapter that is not renewed within two years of its date of expiration must be canceled. Following cancellation, a person seeking to renew must reapply as a new applicant under this chapter.

(3) The board shall determine the fee for applications and for renewals of licenses and certificates issued under this chapter. For determining renewal fees, the pool of licensees and certificate holders under this chapter must be combined with the licensees established in chapter 18.43 RCW. [2019 c 442 § 18; 2011 c 256 § 8; 1999 c 263 § 15.]

**RCW 18.210.150 Persons exempt from licensure.** A person engaged in any of the following activities is not required to be licensed in accordance with this chapter:

(1) A licensed professional engineer, as provided in chapter 18.43 RCW, if the professional engineer performs the design work in accordance with this chapter and rules adopted under this chapter; or

(2) An employee or a subordinate of a person licensed under chapter 18.43 RCW as a professional engineer, or a person licensed under this chapter if the work is performed under the direct supervision of the engineer or licensee and does not include final design decisions. [1999 c 263 § 16.]

**RCW 18.210.160 Prohibited practices—Penalty.** On or after July 1, 2003, it is a gross misdemeanor for any person, not otherwise exempt from the requirements of this chapter, to: (1) Perform on-site wastewater treatment systems design services without a license; (2) purport to be qualified to perform those services without having been issued a license under this chapter; (3) attempt to use the license or seal of another; (4) attempt to use a revoked or suspended license; or (5) attempt to use false or fraudulent credentials. In addition, action may be taken under RCW 18.235.150. [2011 c 256 § 9; 2002 c 86 § 259; 1999 c 263 § 17.]

The board may require these licensees to demonstrate maintenance of knowledge and skills as a condition of license renewal, including peer review of work products and periodic reexamination. [2011 c 256 § 10; 1999 c 263 § 18.]

**RCW 18.210.180 Foreign jurisdiction—License without examination.** Any person holding a license issued by a jurisdiction outside the state of Washington authorizing that person to perform design services for site soil assessment, hydraulics, topographic delineations, use of specialized treatment processes and devices, microbiology, and construction practices of on-site wastewater treatment systems may be granted a license without examination under this chapter, if:

(1) The education, experience, and/or examination forming the basis of the license is determined by the board to be equal to or greater than the conditions for the issuance of a license under this chapter; and

(2) The individual has paid the applicable fee and has submitted the necessary application form. [2011 c 256 § 11; 1999 c 263 § 19.]

**RCW 18.210.190 Local health jurisdictions—Certificate of competency—Fee.** (1) Employees of local health jurisdictions who

review, inspect, or approve the design and construction of on-site wastewater treatment systems shall obtain a certificate of competency by obtaining a passing score on the written examination administered for licensure under this chapter. Eligibility to apply for the certificate of competency is based upon a written request from the local health director or designee and payment of a fee established by the director. The certificate of competency is renewable upon payment of a fee established by the director. Certificate holders are also subject to the requirements of RCW 18.210.140(1).

(2) Issuance of the certificate of competency does not authorize the certificate holder to offer or provide on-site wastewater treatment system design services. However, nothing in this chapter limits or affects the ability of local health jurisdictions to perform on-site design services under their authority in chapter 70.05 RCW.

(3) Local health jurisdictions and the state department of health retain authority to:

(a) Administer state and local regulations and codes for approval or disapproval of designs for on-site wastewater treatment systems;

(b) Issue permits for construction;

(c) Evaluate soils and site conditions for compliance with code requirements; and

(d) Perform on-site wastewater treatment design work as authorized in state and local board of health rules. [2011 c 256 § 12; 1999 c 263 § 20.]

**RCW 18.210.200 Account—Budget request—Fees.** (1) The board shall set fees at a level adequate to pay the costs of administering this chapter. All fees and fines collected under this chapter shall be paid into the professional engineers' account established under RCW 18.43.150. Moneys in the account may be spent only after appropriation and must be used to carry out all the purposes and provisions of this chapter and chapter 18.43 RCW, including the cost of administering this chapter.

(2) The director shall biennially prepare a budget request based on the anticipated cost of administering licensing and certification activities. The budget request shall include the estimated income from fees contained in this chapter. [2019 c 442 § 22; 1999 c 263 § 21.]

The supervisor of geology of the department of natural resources is an ex officio member of the board. Members of the board shall be appointed for terms of four years. Terms shall be staggered so that not more than two appointments are scheduled to be made in any calendar year. Members shall hold office until the expiration of the terms for which they were appointed and until their successors have been appointed and have qualified. A board member may be removed for just cause. The director may appoint a new member to fill a vacancy on the board for the remainder of the unexpired term.

The suggested ballot title for this act is: "Shall the state department of licensing be authorized to levy fees on geologists sufficient to pay for their licensure?" [2000 c 253 § 24.]

**Reviser's note:** Chapter 1, Laws of 2000 (Initiative Measure No. 695) was declared unconstitutional in its entirety by *Amalgamated Transit v. State*, 142 Wn.2d 183, 11 P.3d 762 (2000). Therefore 2000 c 253 § 5 was not referred to the electorate.

**RCW 18.225.005 Findings.** The legislature finds that licensed advanced social workers and licensed independent clinical social workers represent different specializations within the social work profession, with each license signifying the highest degree of licensure as it pertains to each specialty. Therefore, for purposes of job classification, licensed advanced social workers and licensed independent clinical social workers licensed under this chapter shall both be considered the top tier of licensure for the profession. [2013 c 73 § 1.]

(iv) Successful completion of continuing education requirements of 36 hours, with six in professional ethics.

(2) The department shall establish by rule what constitutes adequate proof of meeting the criteria. Only rules in effect on the date of submission of a completed application of an associate for her or his license shall apply. If the rules change after a completed application is submitted but before a license is issued, the new rules shall not be reason to deny the application.

(B) Have no disciplinary record or disqualifying criminal history.

(b) The department shall issue a probationary license to an applicant who meets the requirements of (a) (ii) of this subsection. The department must determine what deficiencies, if any, exist between the education and experience requirements of the other state's credential and, after consideration of the experience and capabilities of the applicant, determine whether it is appropriate to require the applicant to complete additional education or experience requirements to maintain the probationary license and, within a reasonable time period, transition to a full license. The department may place a reasonable time limit on a probationary license and may, if appropriate, require the applicant to pass a jurisprudential examination.

(c) The department must maintain and publish a list of credentials in other states and territories that the department has determined to have a scope of practice that is substantially equivalent to or greater than the scope of practice for licensed advanced social workers, independent clinical social workers, mental health counselors, or marriage and family therapists as established under this chapter. **RCW 18.230.005 Finding.** The overriding mission of therapeutic recreation is the provision of purposeful intervention designed to help clients grow and to assist them to prevent or relieve problems through recreation and leisure. It is a systematic methodology through a progression of phases, including assessment, planning, implementation, and evaluation. It is not a limited or restricted concept of service carried out only within the constraints of institutional care, but is a client-centered model that reflects a concern for the total well-being of the client. Recreation therapy is cost-effective and can decrease the costs of health care services by reducing primary and secondary disabilities. In anticipation of the expansion in long-term care, physical and psychiatric rehabilitation, and services for people with disabilities, the legislature finds and declares that the registration of recreational therapists is in the interest of the public health and safety. If the subject licensee, registrant, or endorsement or permit holders may only practice or operate a business under the supervision of another licensee, registrant, or endorsement or permit holder under the terms of the law regulating that occupation or business, the supervising licensee, registrant, or endorsement or permit holder must consent to the monitoring or supervision under this subsection, unless the supervising licensee, registrant, or endorsement or permit holder is, at the time, the subject of a disciplinary order. **RCW 18.235.040 Director's authority.** The director has the following additional authority:

(1) To employ investigative, administrative, and clerical staff as necessary for the enforcement of this chapter, except as provided otherwise by statute;

service of charge, charges, or intent to deny. The disciplinary authority may hold a hearing sooner than thirty days only if the disciplinary authority has issued a summary suspension or summary restriction. [2007 c 256 § 14; 2002 c 86 § 106.]

**RCW 18.235.070 Previous denial, revocation, or suspension of license.** The department shall not issue a license to any person whose license has been previously denied, revoked, or suspended by the disciplinary authority for that profession or business, except in conformity with the terms and conditions of the certificate or order of denial, revocation, or suspension, or in conformity with any order of reinstatement issued by the disciplinary authority, or in accordance with the final judgment in any proceeding for review instituted under this chapter. [2002 c 86 § 108.]

**RCW 18.235.080 Orders.** An order pursuant to proceedings authorized by this chapter, after due notice and findings in accordance with this chapter and chapter 34.05 RCW, or an order of summary suspension entered under this chapter, takes effect immediately upon its being served. The final order, if appealed to the court, may not be stayed pending the appeal unless the disciplinary authority or court to which the appeal is taken enters an order staying the order of the disciplinary authority, which stay shall provide for terms necessary to protect the public. [2007 c 256 § 15; 2002 c 86 § 109.]

**RCW 18.235.090 Appeal.** A person who has been disciplined or has been denied a license by a disciplinary authority may appeal the decision as provided in chapter 34.05 RCW. [2007 c 256 § 16; 2002 c 86 § 110.]

**RCW 18.235.100 Reinstatement.** A person whose license has been suspended or revoked under this chapter may petition the disciplinary authority for reinstatement after an interval of time and upon conditions determined by the disciplinary authority in the order suspending or revoking the license. The disciplinary authority may require successful completion of an examination as a condition of reinstatement. [2007 c 256 § 17; 2002 c 86 § 111.]

**RCW 18.235.110 Unprofessional conduct—Finding.** (1) Upon finding unprofessional conduct, except as provided in RCW 9.97.020, the disciplinary authority may issue an order providing for one or any combination of the following:

- (b) Suspension of the license for a fixed or indefinite term;
- (c) Restriction or limitation of the practice;
- (d) Satisfactory completion of a specific program of remedial education or treatment;
- (e) Monitoring of the practice in a manner directed by the disciplinary authority;
- (f) Censure or reprimand;
- (g) Compliance with conditions of probation for a designated period of time;
- (h) Payment of a fine for each violation found by the disciplinary authority, not to exceed five thousand dollars per violation. The disciplinary authority must consider aggravating or mitigating circumstances in assessing any fine. Funds received must be deposited in the related program account;
- (i) Denial of an initial or renewal license application for an interval of time; or
- (j) Other corrective action.

(2) The disciplinary authority may require reimbursement to the disciplinary authority for the investigative costs incurred in investigating the matter that resulted in issuance of an order under this section, but only if any of the sanctions in subsection (1)(a) through (j) of this section is ordered.

(3) Any of the actions under this section may be totally or partly stayed by the disciplinary authority. In determining what action is appropriate, the disciplinary authority must first consider what sanctions are necessary to protect the public health, safety, or welfare. Only after these provisions have been made may the disciplinary authority consider and include in the order requirements designed to rehabilitate the license holder or applicant. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

(4) The licensee or applicant may enter into a stipulated disposition of charges that includes one or more of the sanctions of this section, but only after a statement of charges has been issued and the licensee has been afforded the opportunity for a hearing and has elected on the record to forego such a hearing. The stipulation shall either contain one or more specific findings of unprofessional conduct or a statement by the licensee acknowledging that evidence is sufficient to justify one or more specified findings of unprofessional conduct. The stipulations entered into under this subsection are considered formal disciplinary action for all purposes. [2016 c 81 § 14; 2007 c 256 § 18; 2002 c 86 § 112.]

**Finding—Conflict with federal requirements—2016 c 81:** See notes following RCW 9.97.010.

**RCW 18.235.120 Payment of a fine.** Where payment of a fine is required as a result of a disciplinary action under RCW 18.235.060 or 18.235.150 and timely payment is not made as directed in the final order, the disciplinary authority may enforce the order for payment in

the superior court in the county in which the hearing was held. This right of enforcement is in addition to any other rights the disciplinary authority may have as to any licensee ordered to pay a fine but may not be construed to limit a licensee's ability to seek judicial review under RCW 18.235.090. In any action for enforcement of an order of payment of a fine, the disciplinary authority's order is conclusive proof of the validity of the order of a fine and the terms of payment. [2002 c 86 § 113.]

**RCW 18.235.130 Unprofessional conduct—Acts or conditions that constitute.** The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession or operation of the person's business, whether the act constitutes a crime or not. At the disciplinary hearing a certified copy of a final holding of any court of competent jurisdiction is conclusive evidence of the conduct of the license holder or applicant upon which a conviction or the final holding is based. Upon a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Except as specifically provided by law, nothing in this subsection abrogates the provisions of chapter 9.96A RCW. However, RCW 9.96A.020 does not apply to a person who is required to register as a sex offender under RCW 9A.44.130;

(2) Misrepresentation or concealment of a material fact in obtaining or renewing a license or in reinstatement thereof;

(3) Advertising that is false, deceptive, or misleading;

(4) Incompetence, negligence, or malpractice that results in harm or damage to another or that creates an unreasonable risk of harm or damage to another;

(5) The suspension, revocation, or restriction of a license to engage in any business or profession by competent authority in any state, federal, or foreign jurisdiction. A certified copy of the order, stipulation, or agreement is conclusive evidence of the revocation, suspension, or restriction;

(6) Failure to cooperate with the disciplinary authority in the course of an investigation, audit, or inspection authorized by law by:

(a) Not furnishing any papers or documents requested by the disciplinary authority;

(b) Not furnishing in writing an explanation covering the matter contained in a complaint when requested by the disciplinary authority;

(c) Not responding to a subpoena issued by the disciplinary authority, whether or not the recipient of the subpoena is the accused in the proceeding; or

(d) Not providing authorized access, during regular business hours, to representatives of the disciplinary authority conducting an investigation, inspection, or audit at facilities utilized by the license holder or applicant;

(7) Failure to comply with an order issued by the disciplinary authority;

(8) Violating any of the provisions of this chapter or the chapters specified in RCW 18.235.020(2) or any rules made by the disciplinary authority under the chapters specified in RCW 18.235.020(2);

(9) Aiding or abetting an unlicensed person to practice or operate a business or profession when a license is required;

(10) Practice or operation of a business or profession beyond the scope of practice or operation as defined by law or rule;

(11) Misrepresentation in any aspect of the conduct of the business or profession;

(12) Failure to adequately supervise or oversee auxiliary staff, whether employees or contractors, to the extent that consumers may be harmed or damaged;

(13) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession or operation of the person's business. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Except as specifically provided by law, nothing in this subsection abrogates the provisions of chapter 9.96A RCW. However, RCW 9.96A.020 does not apply to a person who is required to register as a sex offender under RCW 9A.44.130;

(14) Interference with an investigation or disciplinary action by willful misrepresentation of facts before the disciplinary authority or its authorized representatives, or by the use of threats or harassment against any consumer or witness to discourage them from providing evidence in a disciplinary action or any other legal action, or by the use of financial inducements to any consumer or witness to prevent or attempt to prevent him or her from providing evidence in a disciplinary action; and

(15) Engaging in unlicensed practice as defined in RCW 18.235.010. [2007 c 256 § 19; 2002 c 86 § 114.]

**RCW 18.235.140 Final order issued under RCW 18.235.130—Failure to comply.** If a person or business regulated by this chapter violates or fails to comply with a final order issued under RCW 18.235.130, the attorney general, any prosecuting attorney, the director, the board or commission, or any other person may maintain an action in the name of the state of Washington to enjoin the person from violating the order or failing to comply with the order. The injunction does not relieve the offender from criminal prosecution, but the remedy by injunction is in addition to the liability of the offender to criminal prosecution and disciplinary action. [2002 c 86 § 115.]

**RCW 18.235.150 Investigation of complaint—Cease and desist order/notice of intent to issue—Final determination—Fine—Temporary cease and desist order—Action/who may maintain—Remedies not limited.**

(1) The disciplinary authority may investigate complaints concerning practice by unlicensed persons of a profession or business for which a license is required by the chapters specified in RCW 18.235.020. In the investigation of the complaints, the director has the same authority as provided the disciplinary authority under RCW 18.235.030.

(2) The disciplinary authority may issue a notice of intent to issue a cease and desist order to any person whom the disciplinary authority has reason to believe is engaged or is about to engage in the unlicensed practice of a profession or operation of a business for which a license is required by the chapters specified in RCW 18.235.020.

(3) The disciplinary authority may issue a notice of intent to issue a cease and desist order to any person whom the disciplinary authority has reason to believe is engaged or is about to engage in an act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters.

(4) The person to whom such a notice is issued may request an adjudicative proceeding to contest the allegations. The notice shall include a brief, plain statement of the alleged unlicensed activities, act, or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters. The request for hearing must be filed within twenty days after service of the notice of intent to issue a cease and desist order. The failure to request a hearing constitutes a default, whereupon the disciplinary authority may enter a permanent cease and desist order, which may include a civil fine. All proceedings shall be conducted in accordance with chapter 34.05 RCW.

(5) If the disciplinary authority makes a final determination that a person has engaged or is engaging in unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters, the disciplinary authority may issue a permanent cease and desist order. In addition, the disciplinary authority may impose a civil fine in an amount not exceeding one thousand dollars for each day upon which the person engaged in the unlicensed practice of a profession or operation of a business for which a license is required by one or more of the chapters specified in RCW 18.235.020. The proceeds of such a fine shall be deposited in the related program account.

(6) The disciplinary authority may issue a temporary cease and desist order if a person is engaged or is about to engage in unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters if the disciplinary authority makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order. The person receiving a temporary cease and desist order shall be provided an opportunity for a prompt hearing. A temporary cease and desist order shall remain in effect until further order of the disciplinary authority. The failure to request a prompt or regularly scheduled hearing constitutes a default, whereupon the disciplinary authority may enter a permanent cease and desist order, which may include a civil fine.

(7) The cease and desist order is conclusive proof of unlicensed practice or other act or practice constituting a violation of this chapter or the chapters specified in RCW 18.235.020(2) or a rule adopted or order issued under those chapters and may be enforced under RCW 7.21.060. This method of enforcement of the cease and desist order or civil fine may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(8) The attorney general, a county prosecuting attorney, the director, a board or commission, or any person may, in accordance with the laws of this state governing injunctions, maintain an action in the name of the state of Washington to enjoin any person practicing a profession or business without a license for which a license is required by the chapters specified in RCW 18.235.020. All fees, fines, forfeitures, and penalties collected or assessed by a court because of a violation of this section shall be deposited in the related program account.

(9) The civil remedies in this section do not limit the ability to pursue criminal prosecution as authorized in any of the acts specified in RCW 18.235.020 nor do the civil remedies limit any criminal sanctions. [2007 c 256 § 20; 2002 c 86 § 116.]

**RCW 18.235.160 Violation of injunction—Contempt of court—Civil penalty.** A person or business that violates an injunction issued under this chapter may be found in contempt of court under RCW 7.21.010. Upon a finding by a court of competent jurisdiction that the person or business is in contempt, the court may order any remedial sanction as authorized by RCW 7.21.030. Further, the court may, in addition to the remedial sanctions available under RCW 7.21.030, order the person or business to pay a civil penalty to the state in an amount not to exceed twenty-five thousand dollars, which shall be deposited in the related program account. For the purposes of this section, the superior court issuing any injunction retains jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties. [2002 c 86 § 117.]

**RCW 18.235.170 Misrepresentation—Gross misdemeanor.** A person who attempts to obtain, obtains, or attempts to maintain a license by willful misrepresentation or fraudulent representation is guilty of a gross misdemeanor. [2002 c 86 § 118.]

**RCW 18.235.180 Crime or violation by license holder—Disciplinary authority may give notification.** If the disciplinary authority has reason to believe that a license holder has committed a crime, or violated the laws of another regulatory body, the disciplinary authority may notify the attorney general or the county prosecuting attorney in the county in which the act took place, or other responsible official of the facts known to the disciplinary authority. [2002 c 86 § 119.]

**RCW 18.235.190 Immunity from suit.** The director, members of the boards or commissions, or individuals acting on their behalf are immune from suit in any action, civil or criminal, based on any disciplinary actions or other official acts performed in the course of their duties. [2002 c 86 § 120.]

**RCW 18.235.200 Use of records—Exchange of information—Chapter does not affect or limit.** This chapter does not affect the use of

records, obtained from the director or the disciplinary authorities, in any existing investigation or action by any public agency. Nor does this chapter limit any existing exchange of information between the director or the disciplinary authorities and other public agencies. [2002 c 86 § 121.]

**RCW 18.235.210 Application of chapter—January 1, 2003.** (1)

This chapter applies to any conduct, acts, or conditions occurring on or after January 1, 2003.

(2) This chapter does not apply to or govern the construction of and disciplinary action for any conduct, acts, or conditions occurring prior to January 1, 2003. The conduct, acts, or conditions must be construed and disciplinary action taken according to the provisions of law existing at the time of the occurrence in the same manner as if this chapter had not been enacted.

(3) Notwithstanding subsection (2) of this section, this chapter applies to applications for licensure made on or after January 1, 2003. [2007 c 256 § 21; 2002 c 86 § 122.]

**RCW 18.235.215 Application of chapter to notarial officers.** See RCW 42.45.270.

**RCW 18.235.900 Short title.** This chapter may be known and cited as the uniform regulation of business and professions act. [2002 c 86 § 123.]

**RCW 18.235.901 Effective date—2002 c 86 §§ 101-123.** Sections 101 through 123 of this act take effect January 1, 2003. [2002 c 86 § 124.]

**RCW 18.235.902 Part headings not law—2002 c 86.** Part headings used in this act are not any part of the law. [2002 c 86 § 402.]

**RCW 18.235.903 Severability—2002 c 86.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. [2002 c 86 § 404.]

**RCW 18.240.005 Finding.** The certification of animal massage therapists is in the interest of the public health, safety, and welfare. While veterinarians and certain massage therapists may perform animal massage techniques, the legislature finds that meeting all of the requirements of those professions can be unnecessarily cumbersome for those individuals who would like to limit their practice only to animal massage. [2016 c 41 § 19; 2007 c 70 § 1.]

**Effective date—2016 c 41:** See note following RCW 18.108.010.

**RCW 18.240.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Board" means the veterinary board of governors established in chapter 18.92 RCW.

(2) "Certified animal massage therapist" means an individual who provides external manipulation or pressure of soft tissues by use of the hands, body, or device designed and limited to providing massage. Animal massage may include techniques such as stroking, percussions, compressions, friction, Swedish gymnastics or movements, gliding, kneading, range of motion or stretching, and fascial or connective tissue stretching, with or without the aid of superficial heat, cold, water, lubricants, or salts. Animal massage does not include: Diagnosis, prognosis, or all treatment of diseases, deformities, defects, wounds, or injuries of animals; attempts to adjust or manipulate any articulations of the animal's body or spine or mobilization of these articulations by the use of a thrusting force; acupuncture involving the use of needles; or mechanical therapies that are restricted to the field of veterinary medicine. Animal massage may be performed solely for purposes of patient well-being.

(3) "Department" means the department of health.

(4) "Secretary" means the secretary of health or the secretary's designee. [2016 c 41 § 20; 2007 c 70 § 2.]

**Effective date—2016 c 41:** See note following RCW 18.108.010.

**RCW 18.240.020 Certification required.** No person may practice as a certified animal massage therapist in this state without having a

certification issued by the secretary unless he or she is exempt under RCW 18.240.040. [2016 c 41 § 21; 2007 c 70 § 3.]

**Effective date—2016 c 41:** See note following RCW 18.108.010.

**RCW 18.240.030 Certification requirements.** The secretary shall issue a certificate to any applicant who demonstrates that the following requirements have been met:

(1) Successful completion of a training program approved by the secretary that includes three hundred hours of instruction in general animal massage techniques, kinesiology, anatomy, physiology, behavior, first aid care, and handling techniques as follows:

(a) For a certificate to practice animal massage on large animals, the three hundred hours of specialized instruction must be related to the performance of animal massage on large animals; and

(b) For a certificate to practice animal massage on small animals, the three hundred hours of specialized instruction must be related to the performance of animal massage on small animals; and

(2) Successful completion of a competency evaluation, approved by the secretary, in either large animal massage or small animal massage, or both. [2007 c 70 § 4.]

**RCW 18.240.040 Limitation of chapter.** Nothing in this chapter may be construed to prohibit or restrict:

(1) The practice of veterinary medicine by those who are in compliance with chapter 18.92 RCW;

(2) The practice of animal massage by those who are in compliance with chapter 18.108 RCW;

(3) The practice of animal massage therapy by a person who is a regular student in an educational program whose performance of services is pursuant to a regular course of instruction or assignments from an instructor and under the general supervision of the instructor; or

(4) The use of animal massage techniques by the owner of the animal who is the recipient of the services or by an employee of the owner or another person providing gratuitous assistance. [2007 c 70 § 5.]

**RCW 18.240.050 Secretary's authority.** In addition to any other authority provided by law, the secretary has the authority to:

(1) Adopt rules under chapter 34.05 RCW as required to implement this chapter;

(2) Establish all certification and renewal fees in accordance with RCW 43.70.110 and 43.70.250;

(6) Hire clerical, administrative, investigative, and other staff as needed to implement this chapter;

(7) Maintain the official department record for all applicants and persons with certifications;

(8) Review coursework and training taken by an applicant in another state to determine whether it is substantially equivalent to that required under this chapter and determine whether additional coursework or training is needed before taking an examination for certification under RCW 18.240.060;

(9) Approve education and training programs; and

(10) Convene temporary work groups of individuals knowledgeable in the practice of animal massage to advise the secretary on appropriate standards of practice and credentialing, as necessary. [2007 c 70 § 6.]

**RCW 18.240.060 Examinations.** (1) The date and location of examinations must be established by the secretary. Applicants who have been found by the secretary to meet the other requirements for obtaining a certificate must be scheduled for the next examination following the filing of the application. The secretary shall establish by rule the examination application deadline.

(2) The secretary shall examine each applicant, by means determined most effective, on subjects appropriate to the scope of practice, as applicable. The examinations must be limited to the purpose of determining whether the applicant possesses the minimum skill and knowledge necessary to practice competently.

(3) The examination papers, all grading of the papers, and the grading of any practical work must be preserved for a period of not less than one year after the secretary has made and published the decisions. All examinations must be conducted under fair and wholly impartial methods.

(4) Any applicant failing to make the required grade in the first examination may take up to three subsequent examinations as the applicant desires upon prepaying a fee determined by the secretary under RCW 43.70.250 for each subsequent examination. Upon failing four examinations, the secretary may invalidate the original application and require remedial education before the person may take future examinations.

(5) The secretary may approve an examination prepared or administered by a private testing agency or association of licensing agencies for use by an applicant in meeting the certification requirements. [2007 c 70 § 7.]

**RCW 18.240.070 Applicant certification—Fees.** The secretary shall certify an applicant on forms provided by the secretary. Each applicant shall pay a fee determined by the secretary under RCW 43.70.250. The fee must accompany the application. [2007 c 70 § 8.]

**RCW 18.240.080 Renewal of certification.** The secretary shall establish by rule the procedural requirements and fees for renewal of certification. Failure to renew invalidates the certification and all privileges granted by the certification. [2007 c 70 § 9.]

**RCW 18.240.090 Application of uniform disciplinary act.** The uniform disciplinary act, chapter 18.130 RCW, governs the uncertified practice, the issuance and denial of certification, and the discipline of persons certified under this chapter. The secretary is the disciplining authority under this chapter. [2007 c 70 § 10.]

**RCW 18.265.005 Finding—Intent. (Effective January 1, 2024.)**

The legislature finds that good oral health is an integral piece of overall health and well-being. Without treatment, dental disease compromises overall health and requires increasingly costly interventions. However, most dental disease can be prevented at little cost through routine dental care and disease prevention.

Dental-related issues are a leading reason that Washingtonians seek care in hospital emergency departments, which has become the source of care for many, especially uninsured and low-income populations.

It is the intent of the legislature to expand access to oral health care for all Washingtonians through an evidence-based mid-level dental provider called a dental therapist. Dental therapy is a strategy to address racial and ethnic disparities in health and rural health care access gaps. Dental therapists are also a strategy to increase workforce diversity in health care and expand career opportunities for existing members of the dental care workforce such as dental hygienists.

It is the legislature's intent that dental therapists will meet the needs of local communities as they work under the direction of a dentist licensed in accordance with state or federal law. The legislature intends for dental therapists to be incorporated into the dental care workforce and used to effectively treat more patients.

It is the intent of the legislature to follow the national commission on dental accreditation's standards for dental therapy education. This will ensure that dental therapists are trained to the highest quality standards and provide state-to-state consistency. It is the intent of the legislature that incorporating the commission on dental accreditation's standards for dental therapy education will pave the way for Washington education institutions to become accredited programs and for students to qualify for financial aid.

It is also the intent of the legislature to provide an efficient and reasonable pathway, through a limited license, for federally certified dental health aide therapists or tribally licensed dental therapists to become a Washington state licensed dental therapist.

In such a proceeding, it is not necessary to allege or prove either that an adequate remedy at law does not exist, or that substantial or irreparable damage would result from continued violation. The director, individuals acting on the director's behalf, and members of the board are immune from suit in any action, civil or criminal, based on disciplinary proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter. (8) To make information available to the department of revenue to assist in collecting taxes from persons and businesses required to be licensed under this chapter. [2009 c 412 § 3.]

**RCW 18.300.030 License required to be in good standing.** (1) It is unlawful for any person to engage in a practice listed in subsection (2) of this section unless the person has a license in good standing as required by this chapter. A license issued under this chapter is considered to be "in good standing" except when:

(a) The license has expired or has been canceled and has not been renewed in accordance with RCW 18.300.050;

(b) The license has been denied, revoked, or suspended under RCW 18.300.110 or 18.300.130, and has not been reinstated; or

Licensing fees for individual practitioners must be set in an amount less than licensing fees for shops and businesses.

(2) Failure to renew a license by its expiration date subjects the holder to a penalty fee and payment of each year's renewal fee, at the current rate.

(3) A person whose license has not been renewed within one year after its expiration date must have his or her license canceled and must be required to submit an application, pay the license fee, meet current licensing requirements, and pass any applicable examination or examinations, in addition to the other requirements of this chapter, before the license may be reinstated.

(4) Nothing in this section authorizes a person whose license has expired to engage in a practice prohibited under RCW 18.300.030 until the license is renewed or reinstated.

SOCIAL WORKERS**

**Sections**

18.320.005 Findings—2011 c 89.  
18.320.010 Representation as social worker.  
18.320.020 Application of consumer protection act.

**RCW 18.320.005 Findings—2011 c 89.** (1) The legislature finds that:

(a) The practice of social work by persons in the public and private sectors improves the lives of many people throughout the state through the application of a broad spectrum of social sciences to enhance the quality of life and develop the full potential of each client;

(b) The practice of social work is a complex discipline that, appropriately undertaken, can address client problems, needs, and concerns, with the goal that clients achieve the maximum possible enhancement of their quality of life and develop to their full potential. However, improper assessment of client problems and needs by unqualified persons can lead to client harm;

(c) It is in the state's interest to take steps to safeguard state residents from misrepresentations about qualifications for practicing social work. Because such misrepresentations could lead to the improper practice of social work by unqualified persons, those who represent themselves as social workers should have a qualifying degree from an accredited and approved social work program.

(2) The legislature declares that chapter 89, Laws of 2011 to regulate social workers constitutes an exercise of the state's police power to protect and promote the health, safety, and welfare of the residents of the state in general. Accordingly, while chapter 89, Laws of 2011 is intended to protect the public generally, it does not create a duty owed by the state or its instrumentalities to any individual or entity. [2011 c 89 § 1.]

**Effective date—2011 c 89:** "This act takes effect January 1, 2012." [2011 c 89 § 21.]

**RCW 18.320.010 Representation as social worker.** (1) To address the goal of safeguarding Washington residents from the unqualified or improper practice of social work, a person may not represent himself or herself as a social worker unless qualified as a social worker as defined in this section.

(2) For purposes of this section, "social worker" means a person who meets one of the following qualifications:

(a) Is licensed under RCW 18.225.090(1)(a) or 18.225.145(1)(a);  
or

(b) Has graduated with at least a bachelor's degree from a social work educational program accredited by the council on social work education.

(3) A public agency or private entity doing business in Washington may not use the title of social worker, or a form of the title, for describing or designating volunteer or employment positions or within contracts for services, reference materials, manuals, or

other documents, unless the volunteers or employees working in those positions are qualified as a social worker as defined in this section.

(4) This section does not apply to:

(a) Persons employed in Washington on January 1, 2012, under the job title of social worker so long as the person continues to be employed by the same agency as on January 1, 2012;

(b) Persons employed by the state of Washington on January 1, 2012, under the job title of social worker so long as the person continues to be employed by the state and who shall continue to have the same layoff, reversion, transfer, and promotional opportunities as were available to the employee on January 1, 2012;

(c) Individuals employed by the government of the United States while engaged in the performance of duties prescribed by the laws of the United States; or

(d) Persons providing services as an educational staff associate who are certified by the Washington professional educator standards board. However, this section applies to a certified educational staff associate providing services outside the school setting.

(5) As used in subsection (4) of this section, "agency" means any private employer or any agency of state government. [2011 c 89 § 2.]

**Effective date—2011 c 89:** See note following RCW 18.320.005.

**RCW 18.320.020 Application of consumer protection act.** (1) The legislature finds that the practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of this chapter is not reasonable in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(2) Remedies available under chapter 19.86 RCW for a violation of this chapter do not affect any other remedy available under the law. [2011 c 89 § 3.]

**RCW 18.340.005 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Authority" means any agency, board, commission, or other authority for issuance of a license, certificate, registration, or permit under this title. "Authority" does not include the department of labor and industries, or the department of financial institutions with respect to escrow agent licensure under chapter 18.44 RCW.

(2) "License" means a license, certificate, registration, or permit to perform professional services. [2023 c 165 § 3.]

**Short title—Finding—Intent—2023 c 165:** See notes following RCW 18.340.020.

**RCW 18.340.010 Intent.** The lives of military families are dominated by frequent deployments, relocations, and extended periods of single parenthood. Military spouses are some of the most mobile populations in our country, making the maintenance of professional licenses a significant obstacle. According to the 2010 defense management data center, there are thirty-three thousand three hundred eighty active duty and ten thousand eight hundred thirty-seven reserve military spouses residing in Washington. Military families depend on two incomes and want to achieve their goals and aspirations. It is the intent of the legislature to recognize the sacrifices made by military families in service to our country and our state and to help alleviate the hardships military families face due to their highly transient life. [2011 2nd sp.s. c 5 § 1.]

**Implementation—2011 2nd sp.s. c 5:** "The regulating authorities for the department of licensing, the department of health, the department of labor and industries, and the superintendent of public instruction shall appear before the joint committee on veteran and military affairs in December 2012 to inform the committee as to their efforts to implement the requirements of this chapter." [2011 2nd sp.s. c 5 § 3.]

**RCW 18.340.020 Expedition of professional license, certification, registration, or permit. (Effective until October 1, 2023.)** (1) For the purposes of this section, "authority" means any board, commission, or other authority for issuance of a license, certificate, registration, or permit under this title.

(2) To the extent resources are available:

(a) Each authority shall establish procedures to expedite the issuance of a license, certificate, registration, or permit to perform professional services regulated by each such authority to a person:

(i) Who is certified or licensed, certified, or registered, or has a permit in another state to perform professional services in that state;

(ii) Whose spouse is the subject of a military transfer to Washington; and

(iii) Who left employment in the other state to accompany the person's spouse to Washington.

(b) The procedure must include a process for issuing the person a license, certificate, registration, or permit, if, in the opinion of the authority, the requirements for licensure, certification, registration, or obtaining a permit of such other state are substantially equivalent to that required in Washington.

(c) Each authority in this title shall develop a method and adopt rules to authorize a person who meets the criteria in (a)(i) through (iii) of this subsection to perform services regulated by the authority in Washington by issuing the person a temporary license, certificate, registration, or permit for a limited period of time to allow the person to perform services regulated by the authority while completing any specific additional requirements in Washington that are not related to training or practice standards of the profession that were not required in the other state in which the person is licensed, certified, or registered, or has a permit. Nothing in this section requires the authority to issue a temporary license, certificate, registration, or permit if the standards of the other state are substantially unequal to Washington standards.

(d) An applicant must state in the application that he or she:

(i) Has requested verification from the other state or states that the person is currently licensed, certified, registered, or has a permit; and

(ii) Is not subject to any pending investigation, charges, or disciplinary action by the regulatory body of the other state or states.

(e) If the authority finds reasonable cause to believe that an applicant falsely affirmed or stated either of the requirements under (d)(i) or (ii) of this subsection, the authority may summarily suspend the license, certificate, registration, or permit pending an investigation or further action to discipline or revoke the license, certificate, registration, or permit. [2011 2nd sp.s. c 5 § 2.]

**Implementation—2011 2nd sp.s. c 5:** See note following RCW 18.340.010.

**RCW 18.340.020 Expedition of professional license. (Effective October 1, 2023.)** (1)(a) Each authority shall establish procedures to expedite the issuance of a license regulated by each such authority to a person:

(i) Who is licensed, certified, or registered, or has a permit in another state to perform professional services in that state; and

(ii) Whose spouse is the subject of a military transfer to Washington.

(b) The procedure must include a process for issuing the person a license within 30 days of receiving a completed application. A completed application means that the authority has received all supporting materials, related application fees, fingerprints, and required documentation associated with a criminal background check.

(2) Each authority in this title shall develop a method and adopt rules to authorize a person who meets the criteria in this section to perform services regulated by the authority in Washington by issuing the person a temporary license within 30 days of receiving a completed application. A completed application means that the authority has received a copy of the certificate issued by the other state for a certificated education professional, related application fees, fingerprints, and required documentation associated with a criminal background check. The license may be issued for a limited period of time of no less than 180 days to allow the person to perform services regulated by the authority while completing any specific additional requirements in Washington that are not related to training or practice standards of the profession that were not required in the other state in which the person is licensed, certified, or registered, or has a permit.

(3) Nothing in this section requires the authority to issue a license if the standards of the other state are substantially unequal to Washington standards.

(4) An applicant must state in the application that the applicant:

(a) Has requested verification from the other state or states that the person is currently licensed, certified, registered, or has a permit; and

(b) Is not subject to any pending investigation, charges, or disciplinary action by the regulatory body of the other state or states.

(5) If the authority finds reasonable cause to believe that an applicant falsely affirmed or stated either of the requirements under subsection (4)(a) or (b) of this section, the authority may summarily suspend the license pending an investigation or further action to discipline or revoke the license. [2023 c 165 § 4; 2011 2nd sp.s. c 5 § 2.]

**Effective date—2023 c 165 § 4:** "Section 4 of this act takes effect October 1, 2023." [2023 c 165 § 11.]

**Short title—2023 c 165:** "This act may be known and cited as the military spouse employment act." [2023 c 165 § 1.]

**Finding—Intent—2023 c 165:** "The legislature finds that the lives of military spouses are dominated by frequent deployments and relocations, and one-third of military families move each year. Many military families depend on two incomes, and military spouses tend to be better educated than the civilian population, with approximately 34 to 50 percent working in fields that require a professional license. The length of time to credential after a move is a significant employment barrier, with one study finding 20 percent of military spouses waited at least 10 months for a license after moving to a new state. This wait contributes to higher rates of unemployment or underemployment for military spouses when compared to their civilian counterparts. Given the fiscal and economic constraints of military

families and the readiness considerations of the department of defense, the legislature intends to help alleviate the career turmoil military spouses face while serving in our state." [2023 c 165 § 2.]

**Implementation—2011 2nd sp.s. c 5:** See note following RCW 18.340.010.

**RCW 18.340.030 Authority duties and recommendations—Person to assist—Member training.** (1) Each authority must identify a contact or coordinator within the authority to assist military spouse applicants and licensees.

(2) Each authority must provide training to each board or commission member on the culture of military spouses, the military spouse experience, and issues related to military spouse career paths. Board or commission members appointed on or before October 1, 2023, must complete the training by January 1, 2024. Board or commission members appointed after October 1, 2023, must complete the training within 90 days after appointment. The department of veterans affairs shall create an internet-based training that may be used by each authority to satisfy this requirement.

(3) Each authority is encouraged to:

(a) Appoint a military spouse to serve on its licensing board or commission;

(b) Conduct a review of the authority's licensing application process for military spouses and identify barriers to military spouse employment; and

(c) Review licensing fees and related expenses and identify possible ways to reduce costs for military spouses. [2023 c 165 § 5.]

**Short title—Finding—Intent—2023 c 165:** See notes following RCW 18.340.020.

**RCW 18.340.040 Military spouse assistance web pages.** (1) The employment security department, the department of health, the department of licensing, and the department of veterans affairs shall each maintain a military spouse assistance web page containing, at a minimum:

(a) Each authority's rules and procedures, including any required fees, related to the licensing of military spouses;

(b) Contact information for each authority's military spouse contact or coordinator; and

(c) Links to the military spouse assistance web pages of other agencies.

(2) A direct link to the agency's military spouse assistance web page must be displayed on the agency's home page. [2023 c 165 § 6.]

**RCW 18.360.005 Findings—Intent.** The legislature finds that medical assistants are health professionals specifically trained to work in settings such as physicians' offices, clinics, group practices, and other health care facilities. These multiskilled personnel are trained to perform administrative and clinical procedures under the supervision of health care providers. Physicians value this unique versatility more and more because of the skills of medical assistants and their ability to contain costs and manage human resources efficiently. The demand for medical assistants is expanding rapidly. The efficient and effective delivery of health care in Washington will be improved by recognizing the valuable contributions of medical assistants, and providing statutory support for medical assistants in Washington state. The legislature intends that individuals performing specialized functions be trained and supervised in a manner that will not pose an undue risk to patient safety. The legislature further finds that rural and small medical practices and clinics may have limited access to formally trained medical assistants. The legislature further intends that the secretary of health develop recommendations for a career ladder that includes medical assistants. [2013 c 128 § 1; 2012 c 153 § 1.]

(5) "Department" means the department of social and health services.

(6) "Entrance fee" means an initial or deferred transfer to a continuing care retirement community of a sum of money or other property made or promised to be made as full or partial consideration for acceptance of one or more residents in a continuing care retirement community. "Entrance fee" does not include deposits of ten thousand dollars or less or any amount that is based on rental or lease payments of one month or more.

(7) "Prospective resident" means a person who has completed an application for admission to a continuing care retirement community and makes a refundable deposit to reserve a unit, excluding applicable administrative fees.

(8) "Residency agreement" means a contract between a continuing care retirement community and a resident for the provision of continuing care for a period of greater than one year.

(9) "Resident" means a person who enters into a residency agreement with a continuing care retirement community or who is designated in a residency agreement to be a person being provided with continuing care. [2016 c 183 § 1.]

**RCW 18.390.020 Requirement to register.** A person or entity must be registered by the department under this chapter prior to:

- (1) Operating a continuing care retirement community;
- (2) Entering into a residency agreement with a prospective resident;
- (3) Soliciting a prospective resident to pay an application fee or executing a residency agreement; or
- (4) Collecting an entrance fee. [2016 c 183 § 2.]

**RCW 18.390.030 Application for registration—Required materials—Issuance—Validity period—Transferability—Public records act exemption.** (1) An applicant for a registration as a continuing care retirement community must submit the following materials to the department:

(a) A written application to the department providing all necessary information on a form provided by the department;

(b) Information about the licensed assisted living facility component of the continuing care retirement community and, if the continuing care retirement community operates a nursing home, information about that component;

(c) Copies of any residency agreements that the continuing care retirement community intends to use for the certification period;

(d) A copy of the disclosure statement that includes current information required by RCW 18.390.060;

(e) (i) Except as provided in (e) (ii) of this subsection, copies of audited financial statements for the two most recent fiscal years. The audited financial statement for the most current period may not have been prepared more than eighteen months prior to the date that the continuing care retirement community applied for its current registration;

(ii) If the continuing care retirement community:

(A) Has obtained financing, but has been in operation less than two years, a copy of the audited financial statement for the most current period, if available, and an independent accountant's report opinion letter that has evaluated the financial feasibility of the continuing care retirement community; or

(B) Has not obtained financing, a summary of the actuarial analysis for the new continuing care retirement community stating that the continuing care retirement community is in satisfactory actuarial balance;

(f) An attestation by a management representative of the continuing care retirement community that the continuing care retirement community is in compliance with the disclosure notification requirements of RCW 18.390.060; and

(g) Payment of any registration fees associated with the department's cost of registering continuing care retirement communities.

(2) The department shall base its decision to issue a registration on the completeness of the application. If an application is incomplete, the department shall inform the applicant and give the applicant an opportunity to supplement its submission. An applicant may appeal a decision of the department to deny an application for registration.

(3) The department shall issue the registration within sixty days of the receipt of a complete application, payment of fees, submission of disclosures, residency agreements, and the attestation. The department's failure to timely issue a registration may not cause a delay in the change of ownership and ongoing operation of the continuing care retirement community.

(4) Registration is valid for two years.

(5) Registration is not transferable.

(6) Materials submitted pursuant to this section are not subject to disclosure under the public records act, chapter 42.56 RCW. [2016 c 183 § 3.]

**RCW 18.390.040 Department of social and health services—Duties—Fees—Effect of registration activities.** (1) The department shall:

(a) Register an entity that submits a complete application that includes all of the materials required in RCW 18.390.030;

(2) The department's registration activities consist of reviewing an application for completeness and do not signify that the department has otherwise issued a certification or license to the continuing care retirement community or any of its component parts. [2016 c 183 § 4.]

**RCW 18.390.050 Use of titles—Registration required.** An entity that is not registered with the department may not represent itself, or refer to itself in advertising and marketing materials as a "registered continuing care retirement community" or "continuing care retirement community," as defined by this chapter. (ii) The services made available by the continuing care retirement community for an additional charge; and

(m) (i) The continuing care retirement community's two most recent annual audited financial statements prepared in accordance with generally accepted accounting principles by a certified public accountant. The most recently audited financial statement may not have

been prepared more than eighteen months prior to the date that the continuing care retirement community applied for its current registration; or

(A) Has obtained financing, but does not have two years of audited financial statements as required under (m)(i) of this subsection, an independent accountant's report opinion letter that has evaluated the financial feasibility of the continuing care retirement community; or

(B) Has not obtained financing, a summary of the actuarial analysis for the new continuing care retirement community stating that the continuing care retirement community is in satisfactory actuarial balance.

(2) The disclosure statement must be written in understandable language and a clear format.

(3) Prior to entering into a residency agreement with, or accepting an entrance fee from, any prospective resident, a continuing care retirement community must deliver to the prospective resident a copy of the disclosure statement most recently submitted to the department. [2016 c 183 § 6.]

**RCW 18.390.070 Inspections by prospective residents—Resident expectations—Right to file complaint.** (1) A prospective resident may visit each of the different care levels of the continuing care retirement community, assisted living facility, and nursing home, and may inspect the most recent inspection reports and findings of complaint investigations related to the assisted living and nursing home components covering a period of not less than two years, as available, prior to signing a residency agreement.

(2) All residents of a continuing care retirement community in a living unit that is not used exclusively for assisted living or nursing services have the following expectations:

(a) Transparency regarding the financial stability of the provider operating the facility;

(b) Timely notifications of developments affecting the facility, including ownership changes of the provider operating the facility, a change in the financial condition of the provider operating the facility, and construction and renovation at the facility. The management of the continuing care retirement community may deem certain information to be confidential if it is of a sensitive nature such that disclosure of the information would materially harm the position of the continuing care retirement community;

(c) Reasonable accommodations for persons with disabilities;

(d) The opportunity to participate freely in the operation of independent resident organizations and associations;

(e) The opportunity to seek independent counsel review of all contracts, including residency agreements, prior to executing the residency agreement; and

(f) The assurance that all requests for donations, contributions, and gifts, when made by residents to the continuing care retirement community, are voluntary and may not be used as a condition of residency.

(3) The continuing care retirement community shall:

(a) Provide a copy of the expectations specified in this section to each prospective resident prior to signing a residency agreement; and

(b) Make copies of the expectations specified in this section publicly available in areas accessible to the independent residents and visitors. The copies of the expectations must also state that independent residents have the right, as an affected party, to file a complaint with the attorney general for violations of this chapter that may constitute a violation of the consumer protection act and contain information explaining how and where a complaint may be filed. [2016 c 183 § 7.]

**RCW 18.390.080 Violations—Application of consumer protection act—Notice of complaints—Attorney general enforcement.** (1) The legislature finds that the violation of the title protection requirements of RCW 18.390.050, the failure of a continuing care retirement community to register with the department under RCW 18.390.020, the failure of a continuing care retirement community to comply with the disclosure statement delivery and content requirements under RCW 18.390.060, and the failure of a continuing care retirement community to comply with the resident expectations established under RCW 18.390.070 are matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. A violation of the title protection requirements under RCW 18.390.050, registration requirement under RCW 18.390.020, the disclosure statement delivery and content requirements under RCW 18.390.060, and the resident expectations requirements under RCW 18.390.070 are not reasonable in relation to the development and preservation of business and are an unfair or deceptive act in trade or commerce and an unfair method of competition for the purpose of applying the consumer protection act, chapter 19.86 RCW.

(2) The attorney general shall provide notice to the management of the continuing care retirement community of submitted complaints including the name of the complainant to allow the community to take corrective action. Except for violations of the title protection requirements of RCW 18.390.050 and the failure of a continuing care retirement community to register with the department under RCW 18.390.020, the attorney general shall limit its application of the consumer protection act in subsection (1) of this section to those cases in which a pattern of complaints, submitted by affected parties, or other activity that, when considered together, demonstrate a pattern of similar conduct that, without enforcement, likely establishes an unfair or deceptive act in trade or commerce and an unfair method of competition. [2016 c 183 § 8.]

**RCW 18.390.090 Scope of chapter—Limitation.** Nothing in this chapter:

(1) Affects any of the requirements and standards associated with a license to operate an assisted living facility under chapter 18.20 RCW or a nursing home under chapter 18.51 RCW; and

(2) Applies to any of the provisions of chapter 74.46 or 70.38 RCW. [2016 c 183 § 9.]

**RCW 18.390.900 Prospective application of chapter.** The provisions of this chapter apply prospectively to acts and omissions that occur after July 1, 2017. [2016 c 183 § 10.]

**RCW 18.390.901 Effective date—2016 c 183.** This act takes effect July 1, 2017. [2016 c 183 § 11.]

**PROFESSIONAL LICENSURE—PREVIOUS CRIMINAL CONVICTIONS**

**Sections**

- 18.400.010 Findings—Intent.
- 18.400.020 Preliminary application for a professional license with a criminal conviction.
- 18.400.030 Licensing authority disqualification determination.
- 18.400.900 Effective date—2021 c 194.

**RCW 18.400.010 Findings—Intent.** (1) The legislature finds that individuals with prior criminal convictions, upon completing the terms of one's sentence, have paid their debt to society, and should be given the opportunity to be regular and productive members of society by seeking gainful employment. Recognizing the perils recidivism poses to the individual, families, public safety, and general well-being, the legislature should prioritize that removal of these barriers which prevent these individuals from entering the workforce.

(2) It is the intent of the legislature to provide a reliable process for individuals with past criminal convictions to apply for a professional license, and to not be prevented from obtaining a professional license due to a prior criminal conviction which does not directly relate to the applicable profession, business, or trade.  
[2021 c 194 § 1.]

**RCW 18.400.020 Preliminary application for a professional license with a criminal conviction.** (1) An individual who has a criminal conviction may submit to the appropriate licensing authority a preliminary application for a professional license, government certification, or state recognition of the individual's personal qualifications for a determination as to whether the individual's criminal conviction would disqualify the individual from obtaining the occupational or professional license, government certification, or state recognition of the individual's personal qualifications from that licensing authority. The preliminary application may be submitted at any time, including prior to obtaining required education or paying any fee. Only licenses, certifications, or recognitions administered by the department of licensing or a board or commission with the support of the department of licensing are eligible for a determination under this section.

(2) In making a determination under this section, the appropriate licensing authority must consider, but is not limited to, the following factors:

- (a) The nature and seriousness of the offense;
- (b) The relationship of the offense to the ability, capacity, and fitness required to perform the duties and discharge the responsibilities of the profession;
- (c) The age of the person at the time of the offense;
- (d) The length of time elapsed since the offense;
- (e) Completion of the criminal sentence; and
- (f) Other evidence of rehabilitation, treatment, testimonials, employment history, and employment aspirations.

(3) Upon receipt of a preliminary application, the appropriate licensing authority shall make a determination of whether the

individual's criminal conviction would disqualify the individual from obtaining a professional license, government certification, or state recognition of the individual's personal qualifications from that licensing authority.

(4) The licensing authority shall issue its determination in writing within two months after receiving a preliminary application. If the licensing authority determines that the individual's criminal conviction would disqualify the individual, the licensing authority will provide a written determination that:

(a) Includes the specific factors in subsection (2) of this section that the licensing authority deemed disqualifying;

(b) Advises the individual of any action the individual may take to remedy the disqualification; and

(c) Provides the earliest date the individual may reapply for a new determination.

(5) If the licensing authority finds that the individual has been convicted of a subsequent criminal conviction, or that the individual has failed to disclose a conviction, the licensing authority may rescind a determination upon finding that the subsequent criminal conviction would be disqualifying under subsection (3) of this section.

(6) The individual may appeal the determination of the licensing authority. The appeal shall be in accordance with chapter 34.05 RCW.

(7) An individual whose preliminary application has been disqualified shall not file another preliminary application under this section with the same licensing authority within two years after the final decision on the previous preliminary application, except that if the individual has taken action to remedy the disqualification as advised by the licensing board. If such action has been taken, the individual may file another preliminary application under this section with the same licensing authority six months after the final decision on the previous preliminary application.

(8) A licensing authority shall not charge a fee to a person for any preliminary application filed pursuant to this section. [2022 c 32 § 1; 2021 c 194 § 2.]

**RCW 18.400.030 Licensing authority disqualification**

**determination.** (1) When issuing a professional license, government certification, or state recognition, the appropriate licensing authority may not disqualify an individual based on:

(a) A conviction that has been sealed, dismissed, expunged, or pardoned; or

(b) A juvenile adjudication.

(2) The appropriate licensing authority may disqualify an individual from obtaining a professional license, government certification, or state recognition if it determines the individual's conviction is related to the occupation or profession unless the individual has requested and received a certificate of restoration of opportunity under RCW 9.97.020. [2022 c 32 § 2; 2021 c 194 § 3.]

**RCW 18.400.900 Effective date—2021 c 194.** This act takes effect January 1, 2022. [2021 c 194 § 4.]

**PROFESSIONAL LICENSE REVIEW ACT**

**Sections**

- 18.410.005 Finding—Intent.
- 18.410.010 Definitions.
- 18.410.020 Review of professional licenses—Report and recommendations.
- 18.410.900 Short title.

**RCW 18.410.005 Finding—Intent.** (1) The legislature finds that, at times, additional protection by means of the regulation of a profession through professional licensure may be deemed necessary to ensure that the public's health, safety, and general welfare is protected. Furthermore, technological innovation continues to change the responsibilities and practices surrounding these professions, and by result, the potential harms associated with them.

(2) It is also recognized that requirements, such as educational requirements, fees, and training hours, which an individual must fulfill before receiving a license to practice in a profession, can create barriers to an individual's upward mobility and freedom to pursue their profession of choice.

(3) It is, therefore, the intent of the legislature to establish a sunset review process for all professional licensing requirements regulated by the department of licensing, to ensure that the rights and well-being of current and future practitioners of the profession be given full protection from unnecessary regulatory burden and that regulations meant to safeguard public health and safety are still warranted. [2023 c 412 § 1.]

**RCW 18.410.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of licensing.

(2) "Director" means the director of licensing. [2023 c 412 § 3.]

**RCW 18.410.020 Review of professional licenses—Report and recommendations.** (1) Beginning in 2024, the department shall annually review and analyze approximately 10 percent of the professional licenses regulated by the department and prepare and submit an annual report electronically to the chief clerk of the house of representatives, the secretary of the senate, and each member of the house of representatives and senate by August 31st of each year as provided in this section. The department shall complete this process for all professional licenses within its jurisdiction within 10 years and every 10 years thereafter. Each report shall include the department's recommendations regarding whether the professional licenses should be terminated, continued, or modified.

(2) The department may require the submission of information by the affected professional board or commission and other affected or interested parties. The department shall provide notice to the

relevant professional board or commission and all licensees, not regulated under a board or commission, prior to commencing the review.

(3) The department's report shall include, but not be limited to, the following:

(a) The title of the professional license and, if applicable, the name of the professional board or commission responsible for enforcement of the professional license, if any;

(b) The statutory citation or other authorization for the creation of the professional license and, if applicable, the professional board or commission;

(c) If applicable, the number of members of the professional board or commission and how the members are appointed;

(d) If applicable, the qualifications for membership on the professional board or commission;

(e) If applicable, the number of times the professional board or commission is required to meet during the year and the number of times it actually met during the preceding five calendar years;

(f) Annual budget information for the five most recently completed fiscal years;

(g) For the immediately preceding five calendar years, or for the period of time less than five years for which the information is practically available, the number of government certifications, professional licenses, and registrations the department, professional board, or commission has issued, revoked, denied, or assessed penalties against, listed anonymously and separately per type of credential, and the reasons for such revocations, denials, and other penalties;

(h) A review of the basic assumptions underlying the creation of the professional license;

(i) A comparison of whether and how other states regulate the profession;

(j) A review and analysis of the hours or other amount of education, training, or experience required to obtain the license or credential;

(k) A summary of any regulatory changes made by the department, professional board, or commission as a result of the review; and

(l) Any recommendations regarding whether the professional license should be terminated, continued, or modified.

(4) After the report in subsection (3) of this section is submitted, if the relevant legislative committee determines further analysis is needed it may request the department to conduct further analysis. Specifically, the extended report shall include:

(a) Whether the professional license meets the policies stated and the following recommended courses of action for meeting such policies:

(i) If the need is to protect consumers against fraud, the recommended course of action should be to strengthen powers under chapter 19.86 RCW, or require disclosures that will reduce misleading attributes of the specific goods or services;

(ii) If the need is to protect consumers against unclean facilities or to promote general health and safety, the recommended course of action should be to require periodic inspections of such facilities;

(iii) If the need is to protect consumers against potential damages from failure by providers to complete a contract fully or up to standards, the recommended course of action should be to require that providers be bonded;

(iv) If the need is to protect a person who is not a party to a contract between the provider and consumer, the recommended course of action should be to require that the provider have insurance;

(v) If the need is to protect consumers against potential damages by transient providers, the recommended course of action should be to require that providers register their businesses with the state;

(vi) If the need is to protect consumers against a shortfall or imbalance of knowledge about the goods or services relative to the providers' knowledge, the recommended course of action should be to enact government certification; and

(vii) If the need is to address a systematic information shortfall such that a reasonable consumer is unable to distinguish between the quality of providers, there is an absence of institutions that provide adequate guidance to the consumer, and the consumer's inability to distinguish between providers and the lack of adequate guidance allows for undue risk of present, significant, and substantiated harms, the recommended course of action should be to enact a professional license; and

(b) If education, training, or experience is a qualification in the professional license under review, a review and analysis of the hours or other amount of education, training, or experience required to ensure such requirements are as least restrictive as necessary to protect the public's health, safety, and welfare.

(5) If a lawful profession is subject to chapter 18.120 RCW, the analysis under subsection (4)(a) of this section shall be made using the least restrictive method of regulation as set out in RCW 18.120.010.

(6) If the department finds that it is necessary to change professional licenses, the department shall recommend the least restrictive regulation consistent with the public interest and the policies in this section. [2023 c 412 § 4.]

**RCW 18.410.900 Short title.** This chapter may be known and cited as the professional license review act. [2023 c 412 § 2.]

18.420.020	Authority of secretary.
18.420.030	Representation as certified peer specialist.

18.420.080	Renewal of certificate.
18.420.090	Application of uniform disciplinary act.
18.420.800	Report—Supervisor supply adequacy.

**RCW 18.420.005 Finding—Intent.** (1) The legislature finds that peers play a critical role along the behavioral health continuum of care, from outreach to treatment to recovery support. Peers deal in the currency of hope and motivation and are incredibly adept at supporting people with behavioral health challenges on their recovery journeys. Peers represent the only segment of the behavioral health workforce where there is not a shortage, but a surplus of willing workers. Peers, however, are presently limited to serving only medicaid recipients and working only in community behavioral health agencies. As a result, youth and adults with commercial insurance have no access to peer services. Furthermore, peers who work in other settings, such as emergency departments and behavioral health urgent care, cannot bill insurance for their services.

(2) Therefore, it is the intent of the legislature to address the behavioral health workforce crisis, expand access to peer services, eliminate financial barriers to professional licensing, and honor the contributions of the peer profession by creating the profession of certified peer specialists. [2023 c 469 § 1.]

**RCW 18.420.010 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Advisory committee" means the Washington state certified peer specialist advisory committee established under \*section 4 of this act.

(2) "Approved supervisor" means:

(a) Until July 1, 2028, a behavioral health provider, as defined in RCW 71.24.025 with at least two years of experience working in a behavioral health practice that employs peer specialists as part of treatment teams; or

(b) A certified peer specialist who has completed:

(i) At least 1,500 hours of work as a fully certified peer specialist engaged in the practice of peer support services, with at least 500 hours attained through the joint supervision of peers in conjunction with another approved supervisor; and

(ii) The training developed by the health care authority under RCW 71.24.920.

(3) "Certified peer specialist" means a person certified under this chapter to engage in the practice of peer support services.

(4) "Certified peer specialist trainee" means an individual working toward the supervised experience and written examination requirements to become a certified peer specialist under this chapter.

(5) "Department" means the department of health.

(6) "Practice of peer support services" means the provision of interventions by either a person in recovery from a mental health condition or substance use disorder, or both, or the parent or legal guardian of a youth who is receiving or has received behavioral health services. The client receiving the interventions receives them from a person with a similar lived experience as either a person in recovery from a mental health condition or substance use disorder, or both, or the parent or legal guardian of a youth who is receiving or has received behavioral health services. The person provides the interventions through the use of shared experiences to assist a client in the acquisition and exercise of skills needed to support the client's recovery. Interventions may include activities that assist clients in accessing or engaging in treatment and in symptom management; promote social connection, recovery, and self-advocacy; provide guidance in the development of natural community supports and basic daily living skills; and support clients in engagement, motivation, and maintenance related to achieving and maintaining health and wellness goals.

(7) "Secretary" means the secretary of health. [2023 c 469 § 2.]

**\*Reviser's note:** 2023 c 469 § 4, which established the Washington state certified peer specialist advisory committee, was vetoed by the governor.

**RCW 18.420.020 Authority of secretary.** In addition to any other authority, the secretary has the authority to:

(1) Adopt rules under chapter 34.05 RCW necessary to implement this chapter;

(2) Establish all certification, examination, and renewal fees for certified peer specialists in accordance with RCW 43.70.110 and 43.70.250;

(3) Establish forms and procedures necessary to administer this chapter;

(4) Issue certificates to applicants who have met the education, training, and examination requirements for obtaining a certificate and to deny a certificate to applicants who do not meet the requirements;
