

RCW 18.64.530 Topical ophthalmic products—Early refills authorized. A pharmacist is authorized, without consulting a physician or obtaining a new prescription or refill from a physician, to provide for one early refill of a prescription for topical ophthalmic products if all of the following criteria are met:

- (1) The refill is requested by a patient at or after seventy percent of the predicted days of use of:
 - (a) The date the original prescription was dispensed to the patient; or
 - (b) The date that the last refill of the prescription was dispensed to the patient;
- (2) The prescriber indicates on the original prescription that a specific number of refills will be needed; and
- (3) The refill does not exceed the number of refills that the prescriber indicated under subsection (2) of this section. [2015 c 85 § 1.]
