

RCW 19.230.270 Consent orders. The director may enter into a consent order at any time with a person to resolve a matter arising under this chapter or a rule adopted or order issued under this chapter. A consent order must be signed by the person to whom it is issued or by the person's authorized representative, and must indicate agreement with the terms contained in the order. [2003 c 287 § 29.]
