

RCW 24.03A.790 Action on a plan of domestication. In the case of a domestication of a domestic nonprofit corporation in a foreign jurisdiction:

(1) The plan of domestication must be adopted by the board.

(2) If there are no members entitled to vote on the plan, then the plan must be adopted by a vote of the majority of directors then in office. If a membership corporation has no members entitled to vote on the plan, then the corporation shall deliver notice of the proposed domestication to all members of the corporation at least ten days before the meeting at which the board is to adopt the plan.

(3) After adopting the plan of domestication, the board shall submit the plan to the members for their approval, if there are members entitled to vote on the plan. The board shall also transmit to the members a recommendation that the members approve the plan, unless the board determines that, because of conflicts of interest or other special circumstances, it should not make such a recommendation, in which case the board shall transmit to the members the basis for that determination.

(4) The board may condition its submission of the plan of domestication to the members on any basis.

(5) If the approval of the members is to be given at a meeting, then the corporation shall notify each member, whether or not entitled to vote, of the meeting of members at which the plan of domestication is to be submitted for approval. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider the plan and must contain or be accompanied by a copy or summary of the plan. The notice shall include a copy of the articles and bylaws as they will be in effect immediately after the domestication. If a summary is provided in lieu of a copy of the plan, then a copy of the plan must be available to members upon request and this fact must be stated in the notice.

(6) Unless the articles or bylaws, or the board acting pursuant to subsection (4) of this section, requires a greater vote or a greater number of votes to be present, the approval of the plan of domestication by the members entitled to vote thereon requires the approval of a majority of those members at a meeting at which a quorum is present, and, if any class of members is entitled to vote as a separate group on the plan, the approval of a majority of the members of each separate voting group entitled to vote at a meeting at which a quorum of the voting group is present.

(7) A separate voting by voting groups is required by each class of members that:

(a) Is to be reclassified under the plan of domestication into a different class of members, or into obligations, rights to acquire memberships, cash, other property, or any combination of the foregoing;

(b) Would be entitled to vote as a separate group on a provision of the plan that, if contained in a proposed amendment to articles of incorporation, would require action by separate voting groups under RCW 24.03A.660; or

(c) Is entitled under the articles or bylaws to vote as a voting group to approve an amendment of the articles.

(8) If any provision of the articles, bylaws, or an agreement to which any of the directors or members are parties, adopted or entered into before January 1, 2022, applies to a merger of the corporation and that document does not refer to a domestication of the corporation, then the provision is deemed to apply to a domestication

of the corporation until the provision is later amended. [2021 c 176 § 3308.]
