

RCW 41.26.720 Board of trustees—Powers—Meeting procedures—Quorum—Judicial review—Budget. (1) The board of trustees have the following powers and duties and shall:

(a) Adopt actuarial tables, assumptions, and cost methodologies in consultation with an enrolled actuary retained by the board. The state actuary shall provide assistance when the board requests. The actuary retained by the board shall utilize the aggregate actuarial cost method, or other recognized actuarial cost method based on a level percentage of payroll, as that term is employed by the American academy of actuaries. The actuary retained by the board shall adjust the actuarial cost method to recognize the actuarial present value of future revenue that will be included in the calculation of the market value of assets pursuant to RCW 41.26.805(2), using the methods and assumptions employed by the state actuary in RCW 41.26.805(9). In determining the reasonableness of actuarial valuations, assumptions, and cost methodologies, the actuary retained by the board shall provide a copy of all such calculations to the state actuary. If the two actuaries concur on the calculations, contributions shall be made as set forth in the report of the board's actuary. If the two actuaries cannot agree, they shall appoint a third, independent, enrolled actuary who shall review the calculations of the actuary retained by the board and the state actuary. Thereafter, contributions shall be based on the methodology most closely following that of the third actuary;

(b) (i) Provide for the design and implementation of increased benefits for members and beneficiaries of the plan, subject to the contribution limitations under RCW 41.26.725. Increased benefits as approved by the board shall be presented to the legislature on January 1st of each year. The increased benefits as approved by the board shall become effective within ninety days unless a bill is enacted in the next ensuing session of the legislature, by majority vote of each house of the legislature, repealing the action of the board;

(ii) As an alternative to the procedure in (b) (i) of this subsection, recommend to the legislature changes in the benefits for members and beneficiaries, without regard to the cost limitations in RCW 41.26.725(3). Benefits adopted in this manner shall have the same contractual protections as the minimum benefits in the plan. The recommendations of the board shall be presented to the legislature on January 1st of each year. These measures shall take precedence over all other measures in the legislature, except appropriations bills, and shall be either enacted or rejected without change or amendment by the legislature before the end of such regular session;

(c) Retain professional and technical advisors necessary for the accomplishment of its duties. The cost of these services may be withdrawn from the trust;

(3) A quorum of the board is six board members. All board actions require six concurring votes.

(4) The decisions of the board shall be made in good faith and are final, binding, and conclusive on all parties. The decisions of the board shall be subject to judicial review as provided by law.

(5) A law enforcement officers' and firefighters' retirement system plan 2 expense fund is established for the purpose of defraying the expenses of the board. The board shall cause an annual budget to be prepared consistent with the requirements of chapter 43.88 RCW and shall draw the funding for the budget from the investment income of the trust.
