RCW 41.50.005 Policy and intent. The legislature sets forth as retirement policy and intent:

(1) The retirement systems of the state shall provide similar benefits wherever possible.

(2) Persons hired into eligible positions shall accrue service credit for all service rendered.

(3) The calculation of benefits shall be done in such a manner as to prevent the arithmetic lowering of benefits.

(4) Liberalization of the granting of service credit shall not jeopardize part-time employment of retirees in ineligible positions. [1991 c 343 § 2.]

Findings—1991 c 343: "The legislature finds:

(1) There is a dichotomy in the provision of service credit within the major two retirement systems of the state. Within plan 1 of the public employees' retirement system, credit is given in whole months upon completing seventy hours per month. Within plan 1 of the teachers' retirement system, full annual service credit is given for full-time employment of four-fifths or more of a school year and partial annual service credit is given for employment of less than four-fifths of a school year but more than twenty days in a school year. Plan 2 of both the public employees' and teachers' retirement systems' full monthly service credit is based on completing ninety hours in each month.

(2) There is an expressed interest by public employers in encouraging job-sharing or tandem positions wherein two persons perform one job. This is seen as opening up job opportunities for those persons who have family responsibilities prohibiting full-time employment." [1991 c 343 § 1.]

Effective dates—1991 c 343: "(1) Sections 3 through 11 and 14 through 18 of this act shall take effect September 1, 1991.

(2) The remainder of this act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1991." [1991 c 343 § 19.]

RCW 41.50.010 Definitions. As used in this chapter, unless the context clearly indicates otherwise:

(a) Service credit accumulated in the preceding calendar year; and

(b) Total service credit accumulated.

(2) The department shall begin notifying members under this section according to the following schedule:

(a) All members of the teachers' retirement system shall begin receiving annual notification of accumulated service credit and service credit earned within the preceding school year or one school year, as appropriate, no later than January 1, 1991;

(b) All members, other than members of the teachers' retirement system, shall begin receiving annual notification of service credit accumulated within the preceding calendar year or school year, as appropriate, no later than June 30, 1992;

(c) All members within five years of being eligible for service retirement shall begin receiving annual notification of total service credit accumulated no later than October 1, 1993;

(d) Members, other than members of the teachers' retirement system, who are not within five years of being eligible for service retirement shall begin receiving annual notification of total service credit accumulated according to the following schedule:

(i) For members of the law enforcement officers' and firefighters' retirement system, Washington state patrol retirement system, judicial retirement system, and judges' retirement system, no later than August 30, 1993;

(3) The department shall adopt rules implementing this section. [1991 c 282 § 1; 1990 c 8 § 2.]

Findings—1990 c 8: "The legislature recognizes that:

(1) It is important that members of the retirement system are informed about the amount of service credit they have earned. Untimely and inaccurate reporting by employers hampers the department's ability to inform members of the service credit they have earned;

(2) Requiring a transfer of funds from the retirement accounts of members of the public employees' retirement system and the law enforcement officers' and firefighters' retirement system to the expense funds of those systems does not represent added revenue to the systems but is instead a transfer from the trust fund to the expense fund that causes administrative costs and results in a loss to the system or to the member; and

(3) A standardized time period for school administrator contracts and a prohibition against retroactive revision of those contracts is needed to prevent potential abuses of the average final compensation calculation process." [1990 c 8 § 1.]

RCW 41.50.070 Personnel. In addition to the exemptions set forth in RCW 41.06.070, the assistant directors, not to exceed two, and an internal auditor shall also be exempt from the application of the state civil service law, chapter 41.06 RCW.

RCW 41.50.110 Expenses of administration paid from department of retirement systems expense fund—Administrative expense fee. (1) Except as provided by RCW 41.50.255 and subsection (6) of this section, all expenses of the administration of the department, the expenses of administration of the retirement systems, and the expenses of the administration of the office of the state actuary created in chapters 2.10, 2.12, 28B.10, 41.26, 41.32, 41.40, 41.34, 41.35, 41.37, 43.43, and 44.44 RCW shall be paid from the department of retirement systems expense fund.

(2) In order to reimburse the department of retirement systems expense fund on an equitable basis the department shall ascertain and report to each employer, as defined in RCW 28B.10.400, 41.26.030, 41.32.010, 41.35.010, 41.37.010, or 41.40.010, the sum necessary to defray its proportional share of the entire expense of the administration of the retirement system that the employer participates in during the ensuing biennium or fiscal year whichever may be required. Such sum is to be computed in an amount directly proportional to the estimated entire expense of the administration as the ratio of monthly salaries of the employer's members bears to the total salaries of all members in the entire system. It shall then be the duty of all such employers to include in their budgets or otherwise provide the amounts so required.

(3) The department shall compute and bill each employer, as defined in RCW 28B.10.400, 41.26.030, 41.32.010, 41.35.010, 41.37.010, or 41.40.010, at the end of each month for the amount due for that month to the department of retirement systems expense fund and the same shall be paid as are its other obligations. Such computation as to each employer shall be made on a percentage rate of salary established by the department. However, the department may at its discretion establish a system of billing based upon calendar year quarters in which event the said billing shall be at the end of each such quarter.

(4) The director may adjust the expense fund contribution rate for each system at any time when necessary to reflect unanticipated costs or savings in administering the department.

(5) An employer who fails to submit timely and accurate reports to the department may be assessed an additional fee related to the increased costs incurred by the department in processing the deficient reports. Fees paid under this subsection shall be deposited in the retirement system expense fund.

(a) Every six months the department shall determine the amount of an employer's fee by reviewing the timeliness and accuracy of the reports submitted by the employer in the preceding six months. If those reports were not both timely and accurate the department may prospectively assess an additional fee under this subsection.

(b) An additional fee assessed by the department under this subsection shall not exceed fifty percent of the standard fee.

(c) The department shall adopt rules implementing this section.

(6) Expenses other than those under RCW 41.34.060(4) shall be paid pursuant to subsection (1) of this section.

(7) During the 2009-2011 and 2011-2013 fiscal biennia, the legislature may transfer from the department of retirement systems' expense fund to the state general fund such amounts as reflect the excess fund balance of the fund. During the 2015-2017 fiscal biennium, state contributions to the judicial retirement system may be made in part by appropriations from the department of retirement systems expense fund. RCW 41.50.112 Report of member data—Department-designed format. Employers, as defined in RCW 41.26.030, 41.32.010, 41.34.020, 41.35.010, and 41.40.010, must report all member data to the department in a format designed and communicated by the department. Employers failing to comply with this reporting requirement shall be assessed an additional fee as defined under RCW 41.50.110(5). [2000 c 247 § 1107.]

Effective dates—Subchapter headings not law—2000 c 247: See RCW 41.40.931 and 41.40.932.

RCW 41.50.120 Payment of moneys due department by employers—Interest. Notwithstanding any provision of law to the contrary, all employers of members of retirement systems administered by the department shall transmit by a warrant or check to the department within fifteen days following the end of each calendar month the moneys due the department as determined by the statutes governing each system together with such reports as the department may require. The director may collect interest on any employer's overdue payments at the rate of one percent per month on the outstanding balance where

necessary to secure adherence to timeliness requirements. [1979 ex.s. c 249 § 9.]

RCW 41.50.125 Interest on contributions—Department may charge.

The department may charge interest, as determined by the director, on member or employer contributions owing to any of the retirement systems listed in RCW 41.50.030. The department's authority to charge interest shall extend to all optional and mandatory billings for contributions where member or employer contributions are paid other than immediately after service is rendered. Except as explicitly limited by statute, the director may delay the imposition of interest charges on late contributions under this section if the delay is necessary to implement required changes in the department's accounting and information systems. [1994 c 177 § 2.]

Findings—1994 c 177: "The legislature finds that:

(1) Whenever employer or member contributions are not made at the time service is rendered, the state retirement system trust funds lose investment income which is a major source of pension funding. The department of retirement systems has broad authority to charge interest to compensate for the loss to the trust funds, subject only to explicit statutory provisions to the contrary.

(2) The inherent authority of the department to recover all overpayments and unauthorized payments from the retirement trust funds, for the benefit of members and taxpayers, should be established clearly in statute." [1994 c 177 § 1.]

RCW 41.50.130 Correction of retirement systems' records—

Adjustment in payment of benefits—Limitations. (1) The director may at any time correct errors appearing in the records of the retirement systems listed in RCW 41.50.030. Should any error in such records result in any member, beneficiary, or other person or entity receiving more or less than he or she would have been entitled to had the records been correct, the director, subject to the conditions set forth in this section, shall adjust the payment in such a manner that the benefit to which such member, beneficiary, or other person or entity was correctly entitled shall be paid in accordance with the following:

(a) In the case of underpayments to a member or beneficiary, the retirement system shall correct all future payments from the point of error detection, and shall compute the additional payment due for the allowable prior period which shall be paid in a lump sum by the appropriate retirement system.

(b) In the case of overpayments to a retiree or other beneficiary, the retirement system shall adjust the payment so that the retiree or beneficiary receives the benefit to which he or she is correctly entitled. The retiree or beneficiary shall either repay the overpayment in a lump sum within ninety days of notification or, if he or she is entitled to a continuing benefit, elect to have that benefit actuarially reduced by an amount equal to the overpayment. The retiree or beneficiary is not responsible for repaying the overpayment if the employer is liable under RCW 41.50.139.

(c) In the case of overpayments to a person or entity other than a member or beneficiary, the overpayment shall constitute a debt from

the person or entity to the department, recovery of which shall not be barred by laches or statute of limitations.

(2) Except in the case of actual fraud, in the case of overpayments to a member or beneficiary, the benefits shall be adjusted to reflect only the amount of overpayments made within three years of discovery of the error, notwithstanding any provision to the contrary in chapter 4.16 RCW.

(3) Except in the case of actual fraud, no monthly benefit shall be reduced by more than fifty percent of the member's or beneficiary's corrected benefit. Any overpayment not recovered due to the inability to actuarially reduce a member's benefit due to: (a) The provisions of this subsection; or (b) the fact that the retiree's monthly retirement allowance is less than the monthly payment required to effectuate an actuarial reduction, shall constitute a claim against the estate of a member, beneficiary, or other person or entity in receipt of an overpayment.

(4) Except as provided in subsection (2) of this section, obligations of employers or members until paid to the department shall constitute a debt from the employer or member to the department, recovery of which shall not be barred by laches or statutes of limitation. [1997 c 254 § 15; 1994 c 177 § 3; 1987 c 490 § 1; 1982 c 13 § 1.]

Intent—Construction—Application—1997 c 254: See notes following RCW 41.26.490.

Findings—1994 c 177: See note following RCW 41.50.125.

RCW 41.50.131 Correction of errors in reporting compensation earnable. (1) Notwithstanding RCW 41.50.130, the department is not required to correct, nor to cause any employer to correct the reporting error described in subsection (2) of this section.

(2) Standby pay and other similar forms of compensation that are not pay for time worked were not salary or wages for personal services within the meaning of RCW 41.40.010(8). Contrary to RCW 41.40.010(8), some employers have been reporting standby pay to the department as compensation earnable. To avoid unduly impacting the retirement allowances of persons who have retired on or before June 9, 1994, the department is not required to correct, nor cause to be corrected, any misreporting of amounts identified as standby pay through June 9, 1994. Any erroneous reporting of amounts identified as standby pay to the department on or after June 9, 1994, shall be corrected as an error under RCW 41.50.130.

(3) The forgiveness of past misreporting under subsection (2) of this section constitutes a benefit enhancement for those individuals for whom amounts received as standby pay were misreported to the department. Prior to June 9, 1994, no retirement system member had any right, contractual or otherwise, to have amounts identified as standby pay included as compensation earnable. [1994 c 177 § 9.]

Findings—1994 c 177: See note following RCW 41.50.125.

RCW 41.50.132 Correction of erroneous deduction or pickup of contributions. (1) By December 31, 1992, the department of retirement

systems shall implement and complete the following process for those members of the law enforcement officers' and firefighters' retirement system plan 2, public employees' retirement system plans 1 and 2, and teachers' retirement system plan 2 who erroneously had contributions either deducted or picked-up from their earnings on and after January 1, 1987:

(a) Create a list of transactions by employer for those members whose employer either deducted or picked-up employee contributions during a month where an employee did not work sufficient hours to earn service credit;

(b) Provide the affected employers with direction and guidance for the review of the transmitted lists from this subsection and the employers' preparation of any necessary correcting transactions to the department's records;

(c) Receive all correcting transactions submitted by the employer.

(2) All debits and credits to all member accounts affected by this remedial process shall be reconciled by the department.

(3) All moneys payable to an affected member, or any moneys to be further deducted or picked-up from such member's earnings, shall be determined and accomplished solely by the employer.

(4) After December 31, 1992, no credit of employer contributions shall be made.

(5) Return of contributions to an employee by the department is limited solely to when such member retires or otherwise terminates his or her membership and chooses to withdraw them with any accumulated interest.

(6) Employer contributions forfeited under this section shall be transferred to the department of retirement systems expense account. [1991 c 343 § 13.]

Findings—Effective dates—1991 c 343: See notes following RCW 41.50.005.

RCW 41.50.133 Recovery of certain overpayments to surviving beneficiaries under the teachers' retirement system. (1) The director of the department of retirement systems shall not recover from surviving beneficiaries of members who died in service any pension overpayment based on the application of section 2, chapter 96, Laws of 1979 ex. sess., nor shall such benefits be reduced.

(2) The director of the department of retirement systems shall not recover from retirees any pension overpayments made between July 1, 1990, and February 1, 1992, based upon the application of *RCW 41.40.198, 41.40.1981, 41.40.325, 41.32.485, 41.32.487, or 41.32.575 due to the incorrect calculation of the "age sixty-five allowance" as this term is defined in *RCW 41.32.575(1)(a) and 41.40.325(1)(a). [1992 c 212 § 21; 1987 c 490 § 2.]

***Reviser's note:** RCW 41.40.198, 41.40.1981, 41.40.325, 41.32.487, and 41.32.575 were repealed by 1995 c 345 § 11.

RCW 41.50.135 Collection of overpayments—Determination of liability—Administrative process created. (1) If the department finds that any member, beneficiary, or other person or entity has been paid an amount of retirement benefits to which that person or entity

is not entitled, and the person is not entitled to a continuing benefit from any of the retirement systems listed in RCW 41.50.030, the department may issue an order and notice of assessment specifying the amount due, including interest, to be remitted to the department. The order and notice of assessment shall be served upon any person or entity who may have received benefits to which the person or entity is not entitled. The order and notice of assessment shall be served by the department in the manner prescribed for the service of a summons in a civil action, or by certified mail to the last known address of the obligor as shown by the records of the department.

(2) Any notice of assessment under subsection (1) of this section shall constitute a determination of liability from which the member, beneficiary, or other person or entity served may appeal by filing a petition for adjudicative proceedings with the director personally or by mail within sixty days from the date the assessment was served. If a petition for adjudicative proceedings is not filed within sixty days of the delivery of the notice of assessment, the determination that was the basis for establishing the overpayment debt and the assessment is conclusive and final.

(3) This section creates an administrative process for the collection of overpayments from persons who are not entitled to a continuing benefit from one of the retirement systems listed in RCW 41.50.030. The collection of overpayments from persons entitled to a continuing benefit from one of the retirement systems listed in RCW 41.50.030 is governed by RCW 41.50.130. [1996 c 56 § 1.]

RCW 41.50.136 Collection of overpayments—Issuance of warrant—Lien. Whenever a notice of determination of liability becomes conclusive and final under RCW 41.50.135, the director, upon giving at least twenty days notice by certified mail return receipt requested to the individual's last known address of the intended action, may file with the superior court clerk of any county within the state a warrant in the amount of the notice of determination of liability plus a filing fee under RCW 36.18.012(10). The clerk of the county where the warrant is filed shall immediately designate a superior court cause number for the warrant, and the clerk shall cause to be entered in the judgment docket under the superior court cause number assigned to the warrant, the name of the person mentioned in the warrant, the amount of the notice of determination of liability, and the date when the warrant was filed. The amount of the warrant as docketed shall become a lien upon the title to, and any interest in, all real and personal property of the person against whom the warrant is issued, the same as a judgment in a civil case duly docketed in the office of such clerk. A copy of the warrant shall be mailed to the person mentioned in the warrant by certified mail to the person's last known address within five days of its filing with the clerk. [2001 c 146 § 5; 1996 c 56 § 2.]

RCW 41.50.137 Collection of overpayments—Department may issue subpoenas. The department may issue subpoenas to compel the statement of witnesses and the production of any books, records, or documents necessary or relevant to the department's administration of duties under this chapter. It is unlawful for any person or entity, without

just cause, to fail to comply with any subpoena issued under this section. [1996 c 56 § 3.]

RCW 41.50.138 Collection of overpayments—Waiver of overpayment.

(1) The director may waive repayment of all or part of a retirement allowance overpayment, under RCW 41.50.130 only, if:

(a) The overpayment was not the result of the retiree's or the beneficiary's nondisclosure, fraud, misrepresentation, or other fault; and

(b) The director finds in his or her sole discretion that recovery of the overpayment would be a manifest injustice.

(2) The director may not waive an overpayment if the member, retiree, or beneficiary:

(a) Provided incorrect information to the department or the employer which caused the overpayment;

(b) Failed to provide information to the department or the employer which was necessary to correctly calculate the retirement allowance;

(c) Caused the employer to provide incorrect information or fail to provide necessary information; or

(d) Knew or reasonably should have known that he or she was in receipt of an overpayment.

(3) If the director waives an overpayment and the overpayment occurred because the member's or retiree's employer:

(a) Provided incorrect information to the department which caused the overpayment;

(b) Failed to provide information to the department which was necessary to correctly calculate the retirement allowance;

(c) Caused another party to provide incorrect information or fail to provide necessary information; or

(d) Knew or reasonably should have known that the information provided would cause the retiree or beneficiary to be overpaid; then the department shall bill the member's or retiree's employer for the amount of the overpayment that would have been recoverable under RCW 41.50.130 had the overpayment not been waived pursuant to this section.

(4) Nothing in this section authorizes the director to waive the prospective correction of an overstated retirement allowance.

(5) If the director waives an overpayment he or she must state in writing:

(a) The nature of and reason for the overpayment;

(b) The reason for the waiver; and

(c) The amount of the overpayment that is waived.

The department will maintain a file containing documentation of all overpayments waived. The department will provide the file to any person upon request.

(6) This section applies to overpayments identified on or after September 1, 1994. [1996 c 56 § 4.]

RCW 41.50.139 Retirement status reports—Overpayments—Employer obligations.

(1) Retirement system employers shall elicit on a written form from all new employees as to their having been retired from a retirement system listed in RCW 41.50.030. Employers must report any retirees in their employ to the department. If a retiree

works in excess of applicable postretirement employment restrictions and the employer failed to report the employment of the retiree, that employer is liable for the loss to the trust fund.

(2) If an employer erroneously reports to the department that an employee has separated from service such that a person receives a retirement allowance in contravention of the applicable retirement system statutes, the person's retirement status shall remain unaffected and the employer is liable for the resulting overpayments.

(3) Upon receipt of a billing from the department, the employer shall pay into the appropriate retirement system trust fund the amount of the overpayment plus interest as determined by the director. The employer's liability under this section shall not exceed the amount of overpayments plus interest received by the retiree within three years of the date of discovery, except in the case of fraud. In the case of fraud, the employer is liable for the entire overpayment plus interest. [1997 c 254 § 16.]

Intent—Construction—Application—1997 c 254: See notes following RCW 41.26.490.

RCW 41.50.140 Cooperation of employers in administration of systems—Employer contributions for retroactive service credit—Employee contributions paid by employer.

(1) Every employer participating in one or more of the retirement systems listed in RCW 41.50.030 shall fully cooperate in the administration of the systems in which its employees participate, including the distribution of information to employees, and shall accept and carry out all other duties as required by law, regulation, or administrative instruction.

(2) If an employee is entitled to retroactive service credit which was not previously established through no fault of the employee, or through an employer error which has caused a member's compensation or contributions to be understated or overstated so as to cause a loss to the retirement funds, the director may bill the employer for the loss, to include interest, if applicable. The employer contributions, with interest thereon, will be treated as if in fact the interest was part of the normal employer contribution and no distribution of interest received shall be required.

(3) Employer-paid employee contributions will not be credited to a member's account until the employer notifies the director in writing that the employer has been reimbursed by the employee or beneficiary for the payment. The employer shall have the right to collect from the employee the amount of the employee's obligation. Failure on the part of the employer to collect all or any part of the sums which may be due from the employee or beneficiary shall in no way cause the employer obligation for the total liability to be lessened. [1982 1st ex.s. c 52 § 33.]

(1) The employer of any employee whose retirement benefits are based in part on excess compensation, as defined in this section, shall, upon receipt of a billing from the department, pay into the appropriate retirement system the present value at the time of the employee's retirement of the total estimated cost of all present and future benefits from the retirement system attributable to the excess compensation. The state actuary shall determine the estimated cost using the same method and procedure as is used in preparing fiscal note costs for the legislature. However, the director may in the director's discretion decline to bill the employer if the amount due is less than fifty dollars. Accounts unsettled within thirty days of the receipt of the billing shall be assessed an interest penalty of one percent of the amount due for each month or fraction thereof beyond the original thirty-day period.

(2) "Excess compensation," as used in this section, includes the following payments, if used in the calculation of the employee's retirement allowance:

(ii) Any payment added to salary or wages, concurrent with a reduction of annual leave;

(b) A cash out of any other form of leave;

(c) A payment for, or in lieu of, any personal expense or transportation allowance to the extent that payment qualifies as reportable compensation in the member's retirement system;

(d) The portion of any payment, including overtime payments, that exceeds twice the regular daily or hourly rate of pay; and

(e) Any termination or severance payment.

(3) This section applies to the retirement systems listed in RCW 41.50.030 and to retirements occurring on or after March 15, 1984. Nothing in this section is intended to amend or determine the meaning of any definition in chapter 2.10, 2.12, 41.26, 41.32, 41.40, 41.35, 41.37, or 43.43 RCW or to determine in any manner what payments are includable in the calculation of a retirement allowance under such chapters.

(4) An employer is not relieved of liability under this section because of the death of any person either before or after the billing from the department. [2004 c 242 § 47; 1998 c 341 § 509; 1997 c 221 § 1; 1995 c 244 § 1; 1984 c 184 § 1.]

The definition of "cash out" applies retroactively to payments made before July 23, 1995." [1995 c 244 § 2.]

Severability—1984 c 184: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1984 c 184 § 31.]

(a) A cash out of unused annual leave in excess of two hundred forty hours of such leave. "Cash out" for purposes of this subsection means any payment in lieu of an accrual of annual leave or any payment added to regular salary, concurrent with a reduction of annual leave;

(b) A cash out of any other form of leave;

(c) A payment for, or in lieu of, any personal expense or transportation allowance;

(d) The portion of any payment, including overtime payments, that exceeds twice the regular rate of pay; or

The erroneous withdrawal shall be treated as an authorized withdrawal, subject to all conditions imposed by the member's system for restoration of withdrawn contributions. Failure to restore the contributions within the time permitted by the system shall constitute a waiver by the member of any right to receive a retirement allowance based upon the period of service represented by the withdrawn contributions.

(2) All erroneous withdrawals occurring prior to June 9, 1994, shall be subject to the provisions of this section. The deadline for restoring the prior erroneous withdrawals shall be five years from June 9, 1994, for members who are currently active members of a system. [1994 c 177 § 4.]

(3) Any establishment of service credit for service previously rendered, restoration of service credit destroyed, or repayment of a lump sum received in lieu of benefit must be completed prior to retirement.

(4) Service credit is established for or restored to the period in which the service credit is earned. [1994 c 197 § 2.]

Intent—1994 c 197: "(1) This act removes the time limitations within the state's retirement systems for:

(b) The crediting of certain service that, under the provisions of the system, was not creditable at the time it was performed, such as a probationary period or interrupted military service.

(2) This act expands the current procedures for establishing service credit previously earned, restoring withdrawn contributions, or repaying lump sums received in lieu of a benefit. In so doing, it allows the member of one of the state's retirement systems to obtain additional service credit by paying the value of this added benefit that was previously unavailable." [1994 c 197 § 1.]

Intent—1991 c 35: See note following RCW 41.26.005.

RCW 41.50.280 Higher education retirement plan supplemental beneficiaries—Department assumption of responsibility for making benefit payments. (1) On July 1st of the fiscal year following a determination by the pension funding council that a higher education institution has sufficiently funded the liabilities of that institution through contributions to the higher education retirement plan supplemental benefit fund, the department shall assume responsibility for making benefit payments to higher education retirement plan supplemental beneficiaries for that institution from the portion of the higher education retirement plan supplemental benefit fund attributed to the individual institution.

(2) Immediately following the determination by the pension funding council under RCW 41.45.060(9) that an institution participating in the higher education retirement plan supplemental benefits has sufficiently funded the benefits of the plan that higher education institution:

(a) Must provide any data and assistance requested by the department to facilitate the transition of responsibility for making benefit payments to higher education retirement plan members eligible for supplemental benefit payments; and

(b) Is governed by the provisions of RCW 41.50.110.

(3) On the date that the department assumes responsibility for benefit payments under subsection (1) of this section, the department shall assess contributions to the department of retirement systems expense fund under RCW 41.50.110(3) for active participants in the higher education retirement plan. Contributions to the expense fund for higher education retirement plan members must end when there are no longer retirees or beneficiaries from an institution receiving payments administered by the department.

(4) (a) Upon the department's assumption of responsibility for making benefit payments from an institution's higher education retirement plan, the institution shall submit to the department the

benefit level for current higher education retirement plan supplemental beneficiaries, and each month following the department's assumption of responsibility for making benefit payments to an institution's higher education retirement plan supplemental beneficiaries, the institution shall submit to the department information on any new retirees covered by the higher education retirement plan supplemental benefit. The submission shall include all data relevant to the calculation of a supplemental benefit for each retiree, and the benefit that the institution determines the individual qualifies to receive. No later than January 1st, following the funding determination in RCW 41.45.060(9) that begins the transition of responsibility for benefit payments to the department, the department shall provide the institution with a notice of what data will be required to determine higher education retirement plan supplemental benefit determinations for future retirees.

(b) The department shall review the information provided by the institution for each retiring higher education retirement plan member eligible for the supplemental benefit and determine the supplemental benefit amount the member is eligible to receive, if any.

(c) In the event that the department is not provided with all data required by the notice in (a) of this subsection, the institution of higher education will remain responsible for payment of higher education retirement plan supplemental benefits to that member. In addition, the collection of overpayments and error correction provisions of this chapter apply in the event that the department makes supplemental benefit payments based on incomplete or inaccurate data provided by an institution. [2020 c 103 § 6.]

Findings—Intent—Effective date—2020 c 103: See notes following RCW 28B.10.423.

RCW 41.50.290 Shared work programs—Effect of employer's participation. (1) With respect to plans administered by the department:

(a) If an employer participates in the shared work program under chapter 50.60 RCW, any reduction in hours worked by a member as a result of the employer's participation in the program does not impact the retirement benefit the member would otherwise be entitled to receive had the member's hours not been reduced. A member's benefit will be calculated as if the member did not incur a reduction in hours through participating in an approved shared work compensation plan under chapter 50.60 RCW.

(b) This section does not apply to deferred compensation plans.

(2) This section applies both prospectively and retroactively to July 28, 2013, the date that chapter 79, Laws of 2013 became effective. [2021 c 12 § 9.]

Retroactive application—2021 c 12: See note following RCW 41.26.030.

(3) RCW 41.50.530 through 41.50.650 and 26.09.138 apply to all dissolution orders incident to a decree of divorce, dissolution, or legal separation whether entered before or after July 1, 1987. [1991 c 365 § 2; 1987 c 326 § 2.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.520 Mandatory assignment of retirement benefits—Other remedies not limited. Nothing in RCW 41.50.500 through 41.50.650 limits the use of any and all civil and criminal remedies against an obligor to enforce the obligations of a dissolution order. [1987 c 326 § 3.]

RCW 41.50.530 Mandatory assignment of retirement benefits—Proceeding to enforce spousal maintenance—Venue—Jurisdiction. (1) A proceeding to enforce a duty of spousal maintenance through a mandatory benefits assignment order may be commenced by an obligee:

(a) By filing a petition for an original action; or

(b) By motion in an existing action or under an existing cause number.

(2) Venue for the action is in the superior court of the county of the state of Washington where the obligee resides or is present, where the obligor resides, or where the prior dissolution order was entered.

(3) The court retains continuing jurisdiction under RCW 41.50.500 through 41.50.650 and 26.09.138 until the obligor has satisfied all duties of spousal maintenance, including arrearages, to the obligee. [1991 c 365 § 3; 1987 c 326 § 4.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.540 Mandatory assignment of retirement benefits—Notice to obligor. (1) Every court order or decree establishing a spousal maintenance obligation may state that if any such payment is more than fifteen days past due and the total of such past due payments is equal to or greater than one hundred dollars or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems, the obligee may seek a mandatory benefits assignment order without prior notice to the obligor. Failure

to include this provision does not affect the validity of the dissolution order.

(2) If the dissolution order under which the obligor owes the duty of spousal maintenance is not in compliance with subsection (1) of this section or if the obligee cannot show that the obligor has approved or received a copy of the court order or decree that complies with subsection (1) of this section, then notice shall be provided to the obligor at least fifteen days before the obligee seeks a mandatory benefits assignment order. The notice shall state that, if a spousal maintenance payment is more than fifteen days past due and the total of such past due payments is equal to or greater than one hundred dollars or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems, the obligee may seek a mandatory benefits assignment order without further notice to the obligor. Service of the notice shall be by personal service, or by any form of mail requiring a return receipt. The notice requirement under this subsection is not jurisdictional. [1991 c 365 § 4; 1987 c 326 § 5.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.550 Mandatory assignment of retirement benefits—Withdrawal of accumulated contributions—Notice to obligee—Payment to obligee. (1) An obligee who wishes to be notified by the department of retirement systems if the obligor seeks a withdrawal of accumulated contributions shall submit such a request to the department in writing on a form supplied by the department. The request shall be filed by certified or registered mail and shall include the obligee's address and a copy of the dissolution order requiring the spousal maintenance owed.

(2) The department shall thereafter promptly send notice to the obligee at the address provided in subsection (1) of this section when the obligor applies for a withdrawal of accumulated contributions. The department shall not process the obligor's request for a withdrawal of accumulated contributions sooner than seventy-five days after sending the notice to the obligee.

(3) The department shall pay directly to an obligee who has not obtained a mandatory benefits assignment order all or part of the accumulated contributions if the dissolution order filed with the department pursuant to subsection (1) of this section includes a provision that states:

"At such time as (the obligor) requests a withdrawal of accumulated contributions as defined in RCW 41.50.500, the department of retirement systems shall pay to (the obligee) dollars from such accumulated contributions or . . . percentage of such accumulated contributions (whichever is provided by the court)." [1991 c 365 § 5; 1987 c 326 § 6.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.560 Mandatory assignment of retirement benefits—Petition for order. (1) A petition or motion seeking a mandatory benefits assignment order in an action under RCW 41.50.530 may be filed by an obligee if the obligor is more than fifteen days past due

in spousal maintenance payments and the total of such past due payments is equal to or greater than one hundred dollars or if the obligor requests a withdrawal of accumulated contributions from the department of retirement systems. The petition or motion shall include a sworn statement by the obligee, stating the facts authorizing the issuance of the mandatory benefits assignment order, including:

(a) That the obligor, stating his or her name, residence, and social security number, (i) is more than fifteen days past due in spousal maintenance payments and that the total of such past due payments is equal to or greater than one hundred dollars, or (ii) has requested a withdrawal of accumulated contributions from the department of retirement systems;

(b) A description of the terms of the dissolution order requiring payment of spousal maintenance and the amount, if any, past due;

(c) The name of the public retirement system or systems from which the obligor is currently receiving periodic retirement benefits or from which the obligor has requested a withdrawal of accumulated contributions; and

(d) That notice has been provided to the obligor as required by RCW 41.50.540.

(2) If the court in which a mandatory benefits assignment order is sought does not already have a copy of the dissolution order in the court file, then the obligee shall attach a copy of the dissolution order to the petition or motion seeking the mandatory benefits assignment order. [1991 c 365 § 6; 1987 c 326 § 7.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.570 Mandatory assignment of retirement benefits—Issuance of order. Upon receipt of a petition or motion seeking a mandatory benefits assignment order that complies with RCW 41.50.560, the court shall issue a mandatory benefits assignment order as provided in RCW 41.50.590, including the information required in RCW 41.50.580 (1)(a) or (2)(a), directed to the department of retirement systems, and commanding the department to answer the order on the forms served with the order that comply with RCW 41.50.610 within twenty days after service of the order upon the department. [1987 c 326 § 8.]

RCW 41.50.580 Mandatory assignment of retirement benefits—Order—Contents. (1)(a) The mandatory benefits assignment order issued pursuant to RCW 41.50.570 and directed at periodic retirement benefits shall include:

(i) The maximum amount of current spousal maintenance to be withheld from the obligor's periodic retirement benefits each month;

(ii) The total amount of the arrearage judgments previously entered by the court, if any, together with interest, if any; and

(iii) The maximum amount to be withheld from the obligor's periodic retirement payments each month to satisfy the arrearage judgments specified in (a)(ii) of this subsection.

(b) The total amount to be withheld from the obligor's periodic retirement payments each month pursuant to a mandatory benefits assignment order shall not exceed fifty percent of the disposable benefits of the obligor. If the amounts to be paid toward the

arrearage are specified in the assignment order, then the maximum amount to be withheld is the sum of the current maintenance ordered and the amount ordered to be paid toward the arrearage, or fifty percent of the disposable benefits of the obligor, whichever is less.

(c) Fifty percent of the disposable benefits of the obligor are exempt from collection under the assignment order, and may be disbursed by the department to the obligor. The provisions of RCW 6.27.150 do not apply to mandatory benefits assignment orders under this chapter.

(2)(a) A mandatory benefits assignment order issued pursuant to RCW 41.50.570 and directed at a withdrawal of accumulated contributions shall include:

(i) The maximum amount of current spousal maintenance to be withheld from the obligor's accumulated contributions;

(ii) The total amount of the arrearage judgments for spousal maintenance payments entered by the court, if any, together with interest, if any; and

(iii) The amount to be withheld from the obligor's withdrawal of accumulated contributions to satisfy the current maintenance obligation and the arrearage judgments specified in (a)(i) and (ii) of this subsection;

(b) The total amount to be withheld from the obligor's withdrawal of accumulated contributions may be up to one hundred percent of the disposable benefits of the obligor.

(3) If an obligor is subject to two or more mandatory benefits assignment orders on account of different obligees and if the nonexempt portion of the obligor's benefits is not sufficient to respond fully to all the mandatory benefits assignment orders, the department shall apportion the obligor's nonexempt disposable benefits among the various obligees in proportionate shares to the extent permitted by federal law. Any obligee may seek a court order directing the department to reapportion the obligor's nonexempt disposable earnings upon notice to all interested obligees. The order must specifically supersede the terms of previous mandatory benefits assignment orders the terms of which it alters. Notice shall be by personal service, or in a manner provided by the civil rules of superior court or applicable statute. [1991 c 365 § 7; 1987 c 326 § 9.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.590 Mandatory assignment of retirement benefits—Order—Form. The mandatory benefits assignment order shall be in the following form:

IN THE SUPERIOR COURT OF THE STATE OF
WASHINGTON IN AND FOR THE COUNTY OF
.....
.....,
Obligee No.
vs.
....., MANDATORY
Obligor BENEFITS ASSIGNMENT
ORDER
.....,
The Department of Retirement Systems
of the State of Washington

THE STATE OF WASHINGTON TO: The Department
of Retirement Systems

AND TO:
Obligor

The above-named obligee claims that the above-named obligor is more than fifteen days past due in spousal maintenance payments and that the total amount of such past due payments is equal to or greater than one hundred dollars or that the obligor has requested a withdrawal of accumulated contributions from the department of retirement systems. The amount of the accrued past due spousal maintenance debt as of this date is dollars. If the obligor is receiving periodic retirement payments from the department, the amount to be withheld from the obligor's benefits to satisfy such accrued spousal maintenance is dollars per month and the amount to be withheld from the obligor's benefits to satisfy current and continuing spousal maintenance is per month. Upon satisfaction of the accrued past due spousal maintenance debt, the department shall withhold only dollars, the amount necessary to satisfy current and continuing spousal maintenance from the obligor's benefits. If the obligor has requested a withdrawal of accumulated contributions from the department, the amount to be withheld from the obligor's benefits to satisfy such accrued spousal maintenance is dollars.

You are hereby commanded to answer this order by filling in the attached form according to the instructions, and you must mail or deliver the original of the answer to the court, one copy to the obligee or obligee's attorney, and one copy to the obligor within twenty days after service of this benefits assignment order upon you.

(1) If you are currently paying periodic retirement payments to the obligor, then you shall do as follows:

(a) Withhold from the obligor's retirement payments each month the lesser of:

(i) The sum of the specified arrearage payment amount plus the specified current spousal maintenance amount; or

(ii) Fifty percent of the disposable benefits of the obligor.

(b) The total amount withheld above is subject to the mandatory benefits assignment order, and all other sums may be disbursed to the obligor.

You shall continue to withhold the ordered amounts from nonexempt benefits of the obligor until notified by a court order that the mandatory benefits assignment order has been modified or terminated. You shall promptly notify the court if and when the obligor is no longer receiving periodic retirement payments from the department of retirement systems.

You shall deliver the withheld benefits to the clerk of the court that issued this mandatory benefits assignment order each month, but the first delivery shall occur no sooner than twenty days after your receipt of this mandatory benefits assignment order.

(2) If you are not currently paying periodic retirement payments to the obligor but the obligor has requested a withdrawal of accumulated contributions, then you shall do as follows:

(a) Withhold from the obligor's benefits the sum of the specified arrearage payment amount plus the specified interest amount, up to one hundred percent of the disposable benefits of the obligor.

(b) The total amount withheld above is subject to the mandatory benefits assignment order, and all other sums may be disbursed to the obligor.

You shall mail a copy of this order and a copy of your answer to the obligor at the mailing address in the department's files as soon as is reasonably possible. This mandatory benefits assignment order has priority over any assignment or order of execution, garnishment, attachment, levy, or similar legal process authorized by Washington law, except for a wage assignment order for child support under chapter 26.18 RCW or order to withhold or deliver under chapter 74.20A RCW.

NOTICE TO OBLIGOR: YOU HAVE A RIGHT TO REQUEST A HEARING IN THE SUPERIOR COURT THAT ISSUED THIS MANDATORY BENEFITS ASSIGNMENT ORDER, TO REQUEST THAT THE COURT QUASH, MODIFY, OR TERMINATE THE MANDATORY BENEFITS ASSIGNMENT ORDER.

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.600 Mandatory assignment of retirement benefits—Duties of department. (1) The director or the director's designee shall answer an order by sworn affidavit within twenty days after the date of service. The answer shall state whether the obligor receives periodic payments from the department of retirement systems, whether the obligor has requested a withdrawal of accumulated contributions from the department, whether the department will honor the mandatory benefits assignment order and if not, the reasons why, and whether there are other current court or administrative orders on file with the department directing the department to withhold all or a portion of the obligor's benefits.

(2) (a) If any periodic retirement payments are currently payable to the obligor, the funds subject to the mandatory benefits assignment order shall be withheld from the next periodic retirement payment due twenty days or more after receipt of the mandatory benefits assignment order. The withheld amount shall be delivered to the clerk of the court that issued the mandatory benefits assignment order each month, but the first delivery shall occur no sooner than twenty days after receipt of the mandatory benefits assignment order.

(b) The department shall continue to withhold the ordered amount from nonexempt benefits of the obligor until notified by the court that the mandatory benefits assignment order has been modified or terminated. If the department is initially unable to comply, or able to comply only partially, with the withholding obligation, the court's order shall be interpreted to require the department to comply to the greatest extent possible at the earliest possible date. The department shall notify the court of changes in withholding amounts and the reason for the change. When the obligor is no longer eligible to

receive funds from one or more public retirement systems the department shall promptly notify the court.

(3) (a) If no periodic retirement payments are currently payable to the obligor but the obligor has requested a withdrawal of accumulated contributions, the funds subject to the mandatory benefits assignment order shall be withheld from the withdrawal payment. The withheld amount shall be delivered to the clerk of the court that issued the mandatory benefits assignment order.

(b) If the department is unable to comply fully with the withholding obligation, the court's order shall be interpreted to require the department to comply to the greatest extent possible.

(4) The department may deduct a processing fee from the remainder of the obligor's funds after withholding under the mandatory benefits assignment order, unless the remainder is exempt under RCW 41.50.580. The processing fee may not exceed (a) twenty-five dollars for the first disbursement made by the department to the superior court clerk; and (b) six dollars for each subsequent disbursement to the clerk. Funds collected pursuant to this subsection shall be deposited in the department of retirement systems expense fund.

(5) A court order for spousal maintenance governed by RCW 41.50.500 through 41.50.650 or 26.09.138 shall have priority over any other assignment or order of execution, garnishment, attachment, levy, or similar legal process authorized under Washington law, except for a mandatory wage assignment for child support under chapter 26.18 RCW, or an order to withhold and deliver under chapter 74.20A RCW.

(6) If the department, without good cause, fails to withhold funds as required by a mandatory benefits assignment order issued under RCW 41.50.570, the department may be held liable to the obligee for any amounts wrongfully disbursed to the obligor in violation of the mandatory benefits assignment order. However, the department shall under no circumstances be held liable for failing to withhold funds from a withdrawal of accumulated contributions unless the mandatory benefits assignment order was properly served on the department at least thirty days before the department made the withdrawal payment to the obligor. If the department is held liable to an obligee for failing to withhold funds as required by a mandatory benefits assignment order, the department may recover such amounts paid to an obligee by thereafter either withholding such amounts from the available nonexempt benefits of the obligor or filing a legal action against the obligor.

(7) If the department complies with a court order pursuant to RCW 41.50.500 through 41.50.650, neither the department, its officers, its employees, nor any of the retirement systems listed in RCW 41.50.030 may be liable to the obligor or an obligee for wrongful withholding.

(8) The department may combine amounts withheld from various obligors into a single payment to the superior court clerk, if the payment includes a listing of the amounts attributable to each obligor and other information as required by the clerk.

(9) The department shall mail to the obligor at the obligor's last known mailing address appearing in the department's files copies of the mandatory benefits assignment order and the department's answer within twenty days after receiving the mandatory benefits assignment order.

(10) The department shall not consider any withholding allowance that is elective to the employee to be a mandatory deduction for purposes of calculating the member's disposable benefits subject to a mandatory benefits assignment order. The department shall withhold

elective withholdings as elected by the employee after deducting from the benefit the amount owing to an obligee pursuant to a mandatory benefits assignment order. [1991 c 365 § 9; 1987 c 326 § 11.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.620 Mandatory assignment of retirement benefits—Order—Service. (1) Service of the mandatory benefits assignment order on the department is invalid unless it is served with four answer forms in conformance with RCW 41.50.610, together with stamped envelopes

addressed to, respectively, the clerk of the court where the order was issued, the obligee's attorney or the obligee, and the obligor at the last mailing address known to the obligee. The obligee shall also include an extra copy of the mandatory benefits assignment order for the department to mail to the obligor. Service on the department shall be in person or by any form of mail requiring a return receipt.

(2) On or before the date of service of the mandatory benefits assignment order on the department, the obligee shall mail or cause to be mailed by certified or registered mail a copy of the mandatory benefits assignment order to the obligor at the obligor's last mailing address known to the obligee; or, in the alternative, a copy of the mandatory benefits assignment order shall be served on the obligor in the same manner as a summons in a civil action on, before, or within two days after the date of service of the order on the department. This requirement is not jurisdictional, but if the copy is not mailed or served as this subsection requires, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion, may quash the mandatory benefits assignment order, upon motion of the obligor promptly made and supported by an affidavit showing that the obligor has been prejudiced due to the failure to mail or serve the copy. [1991 c 365 § 10; 1987 c 326 § 13.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.630 Mandatory assignment of retirement benefits—Hearing to quash, modify, or terminate order. In a hearing to quash, modify, or terminate the mandatory benefits assignment order, the court may grant relief only upon a showing that the mandatory benefits assignment order causes extreme hardship or substantial injustice. Satisfaction by the obligor of all past due payments subsequent to the issuance of the mandatory benefits assignment order is not grounds to quash, modify, or terminate the mandatory benefits assignment order. If a mandatory benefits assignment order has been in operation for twelve consecutive months and the obligor's spousal maintenance is current, the court may terminate the order upon motion of the obligor unless the obligee can show good cause as to why the mandatory benefits assignment order should remain in effect. [1991 c 365 § 11; 1987 c 326 § 14.]

Severability—1991 c 365: See note following RCW 41.50.500.

RCW 41.50.640 Mandatory assignment of retirement benefits—Award of costs to prevailing party. In any action to enforce a dissolution order by means of a mandatory benefits assignment order pursuant to RCW 41.50.530 through 41.50.630 and 26.09.138, the court may award costs to the prevailing party, including an award for reasonable attorneys' fees consistent with RCW 26.09.140. RCW 41.50.660 Mandatory assignment of retirement benefits—
Rules. The director shall adopt such rules under RCW 41.50.050 as the director may find necessary to carry out the purposes of RCW 41.50.500 through 41.50.650 and to avoid conflicts with any applicable federal or state laws. [1987 c 326 § 27.]

RCW 41.50.670 Property division obligations—Direct payments pursuant to court order. (1) Nothing in this chapter regarding mandatory assignment of benefits to enforce a spousal maintenance obligation shall abridge the right of an obligee to direct payments of retirement benefits to satisfy a property division obligation ordered pursuant to a court decree of dissolution or legal separation or any court order or court-approved property settlement agreement incident to any court decree of dissolution or legal separation as provided in RCW 2.10.180, 2.12.090, 41.26.053, 41.26.162, 41.32.052, 41.35.100, 41.34.070(4), 41.40.052, 43.43.310, 41.37.090, or 26.09.138, as those statutes existed before July 1, 1987, and as those statutes exist on and after July 28, 1991. The department shall pay benefits under this chapter in a lump sum or as a portion of periodic retirement payments as expressly provided by the dissolution order. A dissolution order

may not order the department to pay a periodic retirement payment or lump sum unless that payment is specifically authorized under the provisions of chapter 2.10, 2.12, 41.26, 41.32, 41.35, 41.34, 41.40, 41.37, or 43.43 RCW, as applicable.

(2) The department shall pay directly to an obligee the amount of periodic retirement payments or lump sum payment, as appropriate, specified in the dissolution order if the dissolution order filed with the department pursuant to subsection (1) of this section includes a provision that states in the following form:

If (the obligor) receives periodic retirement payments as defined in RCW 41.50.500, the department of retirement systems shall pay to (the obligee) dollars from such payments or . . . percent of such payments. If the obligor's debt is expressed as a percentage of his or her periodic retirement payment and the obligee does not have a survivorship interest in the obligor's benefit, the amount received by the obligee shall be the percentage of the periodic retirement payment that the obligor would have received had he or she selected a standard allowance.

If (the obligor) requests or has requested a withdrawal of accumulated contributions as defined in RCW 41.50.500, or becomes eligible for a lump sum death benefit, the department of retirement systems shall pay to (the obligee) dollars plus interest at the rate paid by the department of retirement systems on member contributions. Such interest to accrue from the date of this order's entry with the court of record.

(3) This section does not require a member to select a standard allowance upon retirement nor does it require the department to recalculate the amount of a retiree's periodic retirement payment based on a change in survivor option.

(4) A court order under this section may not order the department to pay more than seventy-five percent of an obligor's periodic retirement payment to an obligee.

(5) Persons whose court decrees were entered between July 1, 1987, and July 28, 1991, shall also be entitled to receive direct payments of retirement benefits to satisfy court-ordered property divisions if the dissolution orders comply or are modified to comply with this section and RCW 41.50.680 through 41.50.720 and, as applicable, RCW 2.10.180, 2.12.090, 41.26.053, 41.32.052, 41.35.100, 41.34.070, 41.40.052, 43.43.310, 41.37.090, and 26.09.138.

(6) The obligee must file a copy of the dissolution order with the department within ninety days of that order's entry with the court of record.

(7) A division of benefits pursuant to a dissolution order under this section shall be based upon the obligor's gross benefit prior to any deductions. If the department is required to withhold a portion of the member's benefit pursuant to 26 U.S.C. Sec. 3402 and the sum of that amount plus the amount owed to the obligee exceeds the total benefit, the department shall satisfy the withholding requirements under 26 U.S.C. Sec. 3402 and then pay the remainder to the obligee. The provisions of this subsection do not apply to amounts withheld pursuant to 26 U.S.C. Sec. 3402(i). However, if an obligor dies and is eligible for a lump sum death benefit, the department shall be obligated to provide direct payment to the obligee of all or a portion of the withdrawal of accumulated contributions pursuant to a court order that complies with RCW 41.50.670.

Any payment made by an employer to a member of any retirement system enumerated in RCW 41.50.030 based on either an agreement of the employee to terminate or retire; or notification to the employer of intent to retire; shall affect retirement as follows:

(1) If the agreement does not require the employee to perform additional service, the payment shall not be used in any way to calculate the pension benefit.

(2) If the agreement requires additional service and results in payment at the same or a lower rate than that paid for the same or similar service by other employees it may be included in the pension benefit calculation but shall be deemed excess compensation and is billable to the employer as provided in RCW 41.50.150.

(3) If the agreement requires additional service and results in payment at a rate higher than that paid for the same or similar service by other employees, that portion of the payment which equals the payment for the same or similar service shall be treated as described in subsection (2) of this section, and the balance of the payment shall be treated as described in subsection (1) of this section. [1993 c 270 § 1.]

**RCW 41.50.740 Retirement or termination agreement payments—

The retirees' allowances shall be prospectively adjusted to reflect the benefits to which the retirees are correctly entitled.

(2) Subsection (1) of this section shall apply only to members of the teachers' retirement system who retired prior to January 1, 1993, from service with a community college district.

(3) Any retirees under subsection (2) of this section who, since January 1, 1990, have had their retirement allowances reduced under RCW 41.50.130(1)(b) because of the inclusion of retirement agreement payments in calculating their allowances, shall have their allowances adjusted to reflect the benefits to which the retirees are correctly entitled, but without a reduction to recoup prior overpayments. The retirees shall be reimbursed by the retirement system for the cumulative amount of the reduction in the retirement allowance that has occurred since January 1, 1990, to recoup prior overpayments.

(4) Any retirees covered by subsection (2) of this section who, after January 1, 1990, repaid a previous overpayment in a lump sum under RCW 41.50.130(1)(b) because of the inclusion of retirement agreement payments in calculating their allowances, shall be

Persons who participate in the plan without having selected a deferral amount or investment option shall contribute three percent of taxable compensation to their plan account which shall be invested in a default option selected by the state investment board in consultation with the director. This subsection does not apply to higher education

undergraduate and graduate student employees and shall be administered consistent with the requirements of the federal internal revenue code.

(4) Beginning no later than January 1, 2017, any county, municipality, or other political subdivision offering the state deferred compensation plan authorized under this section, may choose to administer the plan with an opt-out feature for new employees as described in subsection (3) of this section.

Sec. 457 or money-purchase retirement savings plan under 26 U.S.C. Any income deferred under these plans shall continue to be included as regular compensation, for the purpose of computing the state or local retirement and pension benefits earned by any employee.

(8) Any retirement strategy fund asset mix may include investment in a state investment board commingled fund. Retirement strategy fund means one of several diversified asset allocation portfolios managed by investment advisors under contract to the state investment board. The state investment board shall declare unit values for its commingled funds no less than monthly for the funds or portions thereof requiring valuation. The declared values shall be an approximation of portfolio or fund values, and both the values and the frequency of the valuation shall be based on internal procedures of the state investment board. Such declared unit values, the frequency of their valuation, and internal procedures shall be in the sole discretion of the state investment board. The state investment board may delegate any of the powers and duties under this subsection, including discretion, pursuant to RCW 43.33A.030.

(2) The amount of compensation deferred under 26 U.S.C. Sec. 457 by employees under agreements entered into under the authority contained in RCW 41.50.770 shall be paid into the deferred compensation principal account and shall be sufficient to cover costs of administration and staffing in addition to such other amounts as determined by the department. The deferred compensation principal account shall be used to carry out the purposes of RCW 41.50.770. All eligible state employees shall be given the opportunity to participate in agreements entered into by the department under RCW 41.50.770. State agencies shall cooperate with the department in providing employees with the opportunity to participate.

(3) Any county, municipality, or other subdivision of the state may elect to participate in any agreements entered into by the department under RCW 41.50.770, including the making of payments therefrom to the employees participating in a deferred compensation plan upon their separation from state or other qualifying service. Accordingly, the deferred compensation principal account shall be considered to be a public pension or retirement fund within the meaning of Article XXIX, section 1 of the state Constitution, for the purpose of determining eligible investments and deposits of the moneys therein.

(4) All moneys in the state deferred compensation principal account and the state deferred compensation administrative account, all property and rights purchased therewith, and all income attributable thereto, shall be held in trust by the state investment board, as set forth under RCW 43.33A.030, for the exclusive benefit of the state deferred compensation plan's participants and their beneficiaries. Neither the participant, nor the participant's beneficiary or beneficiaries, nor any other designee, has any right to commute, sell, assign, transfer, or otherwise convey the right to receive any payments under the plan. These payments and right thereto are nonassignable and nontransferable. Unpaid accumulated deferrals are not subject to attachment, garnishment, or execution and are not transferable by operation of law in event of bankruptcy or insolvency, except to the extent otherwise required by law.

(5) The state investment board has the full power to invest moneys in the state deferred compensation principal account and the state deferred compensation administrative account in accordance with RCW 43.84.150, 43.33A.140, 43.33A.170, and 41.50.770, and cumulative investment directions received pursuant to RCW 41.50.770. All investment and operating costs of the state investment board

associated with the investment of the deferred compensation plan assets shall be paid pursuant to RCW 43.33A.160 and 43.84.160. With the exception of these expenses, one hundred percent of all earnings from these investments shall accrue directly to the deferred compensation principal account.

(6) (a) No state board or commission, agency, or any officer, employee, or member thereof is liable for any loss or deficiency resulting from participant investments selected pursuant to *RCW 41.50.770(5).

(b) Neither the department, nor the director or any employee, nor the state investment board, nor any officer, employee, or member thereof is liable for any loss or deficiency resulting from reasonable efforts to implement investment directions pursuant to *RCW 41.50.770(5).

(c) The state investment board, or any officer, employee, or member thereof is not liable with respect to any declared unit valuations or crediting of rates of return, or any other exercise of powers or duties.

(d) The department, or any officer or employee thereof, is not liable for crediting rates of return which are consistent with the state investment board's declaration of unit valuations.

(7) The deferred compensation administrative account is hereby created in the state treasury. All expenses of the department pertaining to the deferred compensation plan including staffing and administrative expenses shall be paid out of the deferred compensation administrative account. Any excess balances credited to this account over administrative expenses disbursed from this account shall be transferred to the deferred compensation principal account at such time and in such amounts as may be determined by the department with the approval of the office of financial management. Any deficiency in the deferred compensation administrative account caused by an excess of administrative expenses disbursed from this account shall be transferred to this account from the deferred compensation principal account.

(8) (a) (i) The department shall keep or cause to be kept full and adequate accounts and records of the assets of each individual participant, obligations, transactions, and affairs of any deferred compensation plans created under RCW 41.50.770 and this section. The department shall account for and report on the investment of state deferred compensation plan assets or may enter into an agreement with the state investment board for such accounting and reporting.

(ii) The department's duties related to individual participant accounts include conducting the activities of trade instruction, settlement activities, and direction of cash movement and related wire transfers with the custodian bank and outside investment firms.

(iii) The department has sole responsibility for contracting with any recordkeepers for individual participant accounts and shall manage the performance of recordkeepers under those contracts.

(b) (i) The department's duties under (a) (ii) of this subsection do not limit the authority of the state investment board to conduct its responsibilities for asset management and balancing of the deferred compensation funds.

(ii) The state investment board has sole responsibility for contracting with outside investment firms to provide investment management for the deferred compensation funds and shall manage the performance of investment managers under those contracts.

(c) The state treasurer shall designate and define the terms of engagement for the custodial banks.

RCW 41.50.790 Survivor benefits—Dissolution orders. (1) The department shall designate an obligee as a survivor beneficiary of a member under RCW 2.10.146, 41.26.460, 41.32.530, 41.32.785, 41.32.851, 41.35.220, 41.40.188, 41.40.660, 41.37.170, or 41.40.845 if the department has been served by registered or certified mail with a dissolution order as defined in RCW 41.50.500 at least thirty days prior to the member's retirement. When (the obligor) applies for retirement the department shall designate (the obligee) as survivor beneficiary with a survivor benefit.

The survivor benefit designated in the dissolution order must be consistent with the survivor benefit options authorized by statute or administrative rule.

(2) The obligee's entitlement to a survivor benefit pursuant to a dissolution order filed with the department in compliance with subsection (1) of this section shall cease upon the death of the obligee.

(3) (a) A subsequent dissolution order may order the department to divide a survivor benefit between a survivor beneficiary and an alternate payee. In order to divide a survivor benefit between more than one payee, the dissolution order must:

(d) For purposes of this section, "survivor beneficiary" means:

(i) The obligee designated in the provision of dissolution filed in compliance with subsection (1) of this section; or

(ii) In the event of more than one dissolution order, the obligee named in the first decree of dissolution received by the department.

(e) For purposes of this section, "alternate payee" means a person, other than the survivor beneficiary, who is granted a percentage of a survivor benefit pursuant to a dissolution order.

(5) If a dissolution order directing designation of a survivor beneficiary has been previously filed with the department in compliance with this section, no additional obligation shall arise on the part of the department upon filing of a subsequent dissolution order unless the subsequent dissolution order:

(a) Specifically amends or supersedes the dissolution order already on file with the department; and

(b) Is filed with the department by registered or certified mail at least thirty days prior to the member's retirement.

(6) The department shall designate a court-ordered survivor beneficiary pursuant to a dissolution order filed with the department before June 6, 1996, only if the order:

(a) Specifically directs the member or department to make such selection;

(b) Specifies the survivor option to be selected; and
