

**RCW 43.21K.100 Continued effect of agreements and permits—  
Modification of affected permit or approval.** After a termination under \*section 11 of this act is final and no longer subject to judicial review, the sponsor has sixty days in which to apply for any permit or approval affected by any terminated portion of the environmental excellence program agreement. An application filed during the sixty-day period shall be deemed a timely application for renewal of a permit under the terms of any applicable law. Except as provided in \*section 11(4) of this act, the terms and conditions of the environmental excellence program agreement and of permits issued will continue in effect until a final permit or approval is issued. If the sponsor fails to submit a timely or complete application, any affected permit or approval may be modified at any time that is consistent with applicable law. [1997 c 381 § 12.]

**\*Reviser's note:** Section 11 of this act was vetoed.
