(a) The "Moody's Corporate Bond Yield Average - Monthly Average Corporates" as published by Moody's Investors Service, Incorporated or any successor thereto; or

(b) If the "Moody's Corporate Bond Yield Average - Monthly Average Corporates" is no longer published, a substantially similar average, established by rule issued by the commissioner.

(2) Policies issued on or after August 1, 1981, shall provide for policy loan interest rates by containing:

(a) A provision permitting a maximum interest rate of not more than eight percent per annum; or

(b) A provision permitting an adjustable maximum interest rate established from time to time by the life insurer as permitted by law.

(3) The rate of interest charged on a policy loan made under

(2)(b) of this section shall not exceed the higher of the following:

(a) The published monthly average for the calendar month ending two months before the date on which the rate is determined; or

(b) The rate used to compute the cash surrender values under the policy during the applicable period plus one percent per annum.

(4) If the maximum rate of interest is determined pursuant to (2)(b) of this section, the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy.

(5) The maximum rate for each policy shall be determined at regular intervals at least once every twelve months, but not more frequently than once in any three-month period. At the intervals specified in the policy:

(a) The rate being charged may be increased whenever such increase as determined under subsection (3) of this section would increase that rate by one-half of one percent or more per annum; and

(b) The rate being charged shall be reduced whenever such reduction as determined under subsection (3) of this section would decrease that rate by one-half of one percent or more per annum.

(6) The life insurer shall:

(a) Notify the policyholder at the time a cash loan is made of the initial rate of interest on the loan;

(b) Notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in (c) of this subsection;

(c) Send to policyholders with loans reasonable advance notice of any increase in the rate; and

(d) Include in the notices required in this subsection the substance of the pertinent provisions of subsections (2) and (4) of this section.

(7) The substance of the pertinent provisions of subsections (2) and (4) of this section shall be set forth in the policies to which they apply.

(8) The loan value of the policy shall be determined in accordance with RCW 48.23.080, but no policy shall terminate in a policy year as the sole result of change in the interest rate during that policy year, and the life insurer shall maintain coverage during that policy year until the time at which it would otherwise have terminated if there had been no change during that policy year.
