

RCW 52.14.017 Decrease in the number of commissioners—Election—Disposition of commissioner districts. Except as provided in RCW 52.14.020, in the event a five-member or seven-member board of commissioners of any fire protection district determines by resolution that it would be in the best interest of the fire protection district to decrease the number of commissioners from five to three or from seven to five, or in the event the board is presented with a petition signed by ten percent of the registered voters resident within the district who voted in the last general municipal election calling for such a decrease in the number of commissioners of the district, the board shall submit a resolution to the county legislative authority or authorities of the county or counties in which the district is located requesting that an election be held. Upon receipt of the resolution, the legislative authority or authorities of the county or counties shall call a special election to be held within the fire protection district at which election the following proposition shall be submitted to the voters substantially as follows:

Shall the board of commissioners of county fire protection district no. . . . be decreased from five (seven) members to three (five) members?

Yes
No

If the fire protection district has commissioner districts, the commissioners of the district must pass a resolution, before the submission of the proposition to the voters, to either redistrict from five or seven commissioner districts to three or five commissioner districts or eliminate the commissioner districts. The resolution takes effect upon approval of the proposition by the voters.

If the fire protection district is located in more than a single county, this proposition shall indicate the name of the district.

If the proposition receives a majority approval at the election, the board of commissioners of the fire protection district shall be decreased to five or three members. The two members shall be decreased in accordance with RCW 52.06.085. [2012 c 174 § 5; 1997 c 43 § 1.]
