(b) "Solar easement" means a right, expressed as an easement, restriction, covenant, or condition contained in any deed, contract, or other written instrument executed by or on behalf of any landowner for the purpose of assuring adequate access to direct sunlight for solar energy systems.

(2) A solar easement is an interest in real property, and shall be created in writing and shall be subject to the same conveyancing and instrument recording requirements as other easements.

(3) A solar easement shall be appurtenant and run with the land or lands benefited and burdened, unless otherwise provided in the easement.

(4) Any instrument creating a solar easement shall include but not be limited to:

(a) A description of the real property subject to the solar easement and a description of the real property benefiting from the solar easement; and

Such description may be made by describing the vertical and horizontal angles, expressed in degrees, at which the solar easement extends over the real property subject to the easement and the points from which those angles are to be measured, or the height over the property above which the solar easement extends, or a prohibited shadow pattern, or any other reasonably certain description.

(5) Any instrument creating a solar easement may include:

(a) The terms or conditions or both under which the solar easement is granted or will be terminated; and

(b) Any provisions for compensation to the owner of property benefiting from the solar easement in the event of interference with the enjoyment of the solar easement, or compensation to the owner of the property subject to the solar easement for maintaining the solar easement. (1) Actual damages as measured by increased charges for supplemental energy, the capital cost of the solar energy system, and/or the cost of additional equipment necessary to supply sufficient energy:

(a) From the time the interference began until the actual or expected cessation of the interference; or

(b) If the interference is not expected to cease, in a lump sum which represents the present value of the damages from the time the interference began until the normally expected end of the useful life of the equipment which was interfered with;

(2) Reasonable and necessary attorney's fees as fixed by the court; and

(3) An injunction against the interference. [1979 ex.s. c 170 s 13.]

It is in the public interest of the state of Washington that such properties retain their character as public utility and transportation corridors, and that they may be made available for public uses including highways, other forms of mass transportation, conservation, energy production or transmission, or recreation. Nothing in this section or in RCW 64.04.190 authorizes a public agency or utility to acquire reversionary interests in public utility and transportation corridors without payment of just compensation. Disclosure—Notice to department of social and health services. (1) If the department of social and health services has filed a request for notice of transfer or encumbrance under RCW 43.20B.750:

(a) A title insurance company or agent that discovers the presence of a request for notice of transfer or encumbrance when performing a title search on real property shall disclose the presence of the request for notice of transfer or encumbrance in any report preliminary to, or any commitment to offer, a certificate of title insurance for the real property; and

(b) Any individual who transfers or encumbers real property shall provide the department of social and health services with a notice of transfer or encumbrance. The department of social and health services shall adopt by rule a model form for notice of transfer or encumbrance to be used by a purchaser or lender when notifying the department.

(2) If the department of social and health services has caused to be recorded a termination of request for notice of transfer or encumbrance in the deed and mortgage records under RCW 43.20B.750, an individual transferring or encumbering the real property is not required to provide the notice of transfer or encumbrance required by subsection (1)(b) of this section. [2005 c 292 s 2.]

RCW 64.04.220 Handling of earnest money—Definitions—Notice from holder—Interpleader action, forms—Application. (1) As used in this section:

(a) "Day" means calendar day.

(b) "Earnest money" means money placed with a holder by a prospective buyer of residential real property to show a good-faith intention to perform pursuant to an executed purchase and sale agreement.

(c) "Holder" means the party holding the earnest money pursuant to an executed purchase and sale agreement including, but not limited to, any of the following:

(i) A real estate firm, as defined in RCW 18.85.011;

(ii) An escrow agent, as defined in RCW 18.44.011;

(iii) A title insurance company issued a certificate of authority pursuant to chapters 48.05 and 48.29 RCW; or

(iv) A title insurance agent licensed pursuant to chapter 48.29 RCW.

(d) "Party" means a person or entity identified as a buyer or seller in an executed purchase and sale agreement for residential real property.

(e) "Residential real property" has the same meaning as defined in RCW 64.06.005.

(2) If a holder receives a written demand from a party to a transaction for all or any part of the earnest money held by the holder in relation to that transaction, the holder must, within fifteen days of receipt of the written demand: (a) Notify all other parties to the transaction of the demand in writing and comply with the other requirements of this section; (b) release the earnest money to one or more of the parties; or (c) commence an interpleader action.

(3) The holder's notice to the other parties must include a copy of the demand and advise the other parties that: (a) They have twenty days from the date of the holder's notice to notify the holder in writing of their objection to the release of the earnest money; and (b) their failure to deliver a timely written objection will result in the holder releasing the earnest money to the demanding party in accordance with the demand upon expiration of the twenty-day period. The holder's notice must also specify an address where written objections to the release of the earnest money must be sent.

(4) The twenty-day period commences upon the date the holder places the holder's notice in the United States postal service mail and sends an email pursuant to subsection (6) of this section. The holder must maintain a log or other method of evidencing the mailing of the holder's notice.

(5) If the holder does not receive, at the address specified in the holder's notice, a written objection from one or more of the other parties within the twenty-day period, the holder must, within ten days of the expiration of the twenty-day period, deliver the earnest money to the demanding party in accordance with the party's written demand. If the holder receives, at the specified address, a written objection or inconsistent demand from another party to the transaction within the twenty-day period, the holder must not release the funds to any party, but must commence an interpleader action within sixty days of receipt of the objection or inconsistent demand, unless the parties provide subsequent consistent instructions that authorize the holder to (a) disburse the earnest money or (b) refrain from commencing an interpleader action for a specified period of time.

(6) The notice from the holder to the other parties must be sent via United States postal service mail and via email using the last known mailing address and email address for such parties to the extent such information is provided by the parties and is contained in the holder's records for that transaction. The holder has no obligation to search outside its records to determine the current mailing or email address of the other parties, and is not liable for unsuccessfully locating the other parties' current mailing or email addresses if outside records are used.

(7) Unless a holder releases the earnest money pursuant to subsection (2)(b) of this section, a holder that complies with this section is not liable to any party to the transaction, or to any other person, for releasing the earnest money to the demanding party.

(8) This section does not prohibit a holder from interpleading the earnest money at any time, including after receiving a written demand as described in subsection (2) of this section and before the expiration of the twenty-day period as described in subsections (3) and (4) of this section.

(9) If the holder commences an interpleader action, the court must award the holder its reasonable attorneys' fees and costs.

(10) The holder may use the following form of summons for the interpleader action:

TO: THE DEFENDANTS

This interpleader lawsuit has been started against you in the above court. The plaintiff's claim is stated in the complaint.

In order to protect any right you have in the money described in the complaint, you must file a response to the complaint and serve a copy of your response on the other defendant within twenty (20) days after the service of this summons, if served within the state of Washington [or within sixty (60) days after service if served outside the state of Washington], excluding the day of service. The day of service is the day that this summons is personally served or postmarked, if served by mail. If you do not respond to the complaint within this time period, the other defendant may enter a default judgment against you, without notice and you would lose any interest you may have in the money described in the complaint. If you serve a "Notice of Appearance" on the other defendant, you are entitled to notice before such a default judgment is entered.

The plaintiff has waived all claims to the money deposited with the court, except for reimbursement of its reasonable attorneys' fees and costs.

You may wish to seek the advice of an attorney. In such case, you should do so promptly so that your response, if any, can be served within the applicable time.

This summons is issued pursuant to Rule 4 of the superior court civil rules of the state of Washington.

(3) The seller disclosure statement shall be for disclosure only, and shall not be considered part of any written agreement between the buyer and seller of residential property. The seller disclosure statement shall be only a disclosure made by the seller, and not any real estate licensee involved in the transaction, and shall not be construed as a warranty of any kind by the seller or any real estate licensee involved in the transaction. RCW 64.06.021 Notice regarding sex offenders. The notice regarding sex offenders under RCW 64.06.020 does not create any legal duty on the part of the seller, or on the part of any real estate licensee, to investigate or to provide the buyer with information regarding the actual presence, or lack thereof, of registered sex offenders in the area of any property, including but not limited to any property that is the subject of a disclosure or waiver of disclosure under this chapter, or that is exempt from disclosure under RCW 64.06.010. [2004 c 114 s 2.]

Application—2004 c 114: "This act applies prospectively only and not retroactively. It applies only to residential real property purchase and sale agreements entered into on or after January 1, 2005, without regard to when the agreements are closed or finalized." [2004 c 114 s 3.]

Effective date—2004 c 114: "This act takes effect January 1, 2005." [2004 c 114 s 4.]

RCW 64.06.022 Disclosure of possible proximity to farm or working forest. A seller of residential real property shall make available to the buyer the following statement: "This notice is to inform you that the real property you are considering for purchase may lie in close proximity to a farm or working forest. The operation of a farm or working forest involves usual and customary agricultural practices or forest practices, which are protected under RCW 7.48.305, the Washington right to farm act." [2019 c 17 s 2; 2010 c 64 s 4; 2006 c 77 s 1; 2005 c 511 s 3.]

Findings—2019 c 17: "(1) The legislature finds that maintaining the ecological and economic benefits of Washington's working forests is a critical part of planning for a fast-growing population and a changing climate. Sustainable, thriving working forests offer multiple benefits to the state, including clean water and air, fish and wildlife habitat, carbon storage, areas of open space and green amidst constant development pressures, and a strong economic base for rural jobs and statewide economic diversity.

(2) The legislature further finds that RCW 7.48.305, also known as the Washington right to farm act, provides certain protections from nuisance lawsuits arising from standard agricultural and forest practices. However, the mandatory real estate disclosure statement that provides residential home purchasers with notice of the right to farm act expressly notifies homebuyers of the law's protections for nearby agricultural operations but fails to provide that same notice for nearby forestry operations.

(3) The legislature further finds that modifying the real estate disclosure statement relating to the right to farm act to include working forests gives homebuyers a more accurate description of the effect of the right to farm act and Washington's science-based forest practices regulations that protect the state's public resources. This is important as population growth encroaches into forestland and brings residential land uses into areas historically dominated by commercial forestry." [2019 c 17 s 1.]

Applicability—2019 c 17: "This act applies prospectively only and not retroactively. It applies only to sales of property that arise on or after January 1, 2020." [2019 c 17 s 3.]

RCW 64.06.030 Delivery of disclosure statement—Buyer's options—Time frame. Unless the buyer has expressly waived the right to receive the disclosure statement, not later than five business days or as otherwise agreed to, after mutual acceptance of a written agreement between a buyer and a seller for the purchase and sale of residential real property, the seller shall deliver to the buyer a completed, signed, and dated real property transfer disclosure statement. Within three business days, or as otherwise agreed to, of receipt of the real property transfer disclosure statement, the buyer shall have the right to exercise one of the following two options: (1) Approving and accepting the real property transfer disclosure statement; or (2) rescinding the agreement for the purchase and sale of the property, which decision may be made by the buyer in the buyer's sole discretion. If the buyer elects to rescind the agreement, the buyer must deliver written notice of rescission to the seller within the three-business-day period, or as otherwise agreed to, and upon delivery of the written rescission notice the buyer shall be entitled to immediate return of all deposits and other considerations less any agreed disbursements paid to the seller, or to the seller's agent or an escrow agent for the seller's account, and the agreement for purchase and sale shall be void. If the buyer does not deliver a written rescission notice to [the] seller within the three-business-day period, or as otherwise agreed to, the real property transfer disclosure statement will be deemed approved and accepted by the buyer. [1996 c 301 s 3; 1994 c 200 s 4.]

RCW 64.06.040 After delivery of disclosure statement—Additional information—Seller's duty—Buyer's options—Closing the transaction.

(1) If, after the date that a seller of real property completes a real property transfer disclosure statement, the seller learns from a source other than the buyer or others acting on the buyer's behalf such as an inspector of additional information or an adverse change which makes any of the disclosures made inaccurate, the seller shall amend the real property transfer disclosure statement, and deliver the amendment to the buyer. No amendment shall be required, however, if the seller takes whatever corrective action is necessary so that the accuracy of the disclosure is restored, or the adverse change is corrected, at least three business days prior to the closing date. Unless the corrective action is completed by the seller prior to the closing date, the buyer shall have the right to exercise one of the following two options: (a) Approving and accepting the amendment, or (b) rescinding the agreement of purchase and sale of the property within three business days after receiving the amended real property transfer disclosure statement. Acceptance or rescission shall be subject to the same procedures described in RCW 64.06.030. If the closing date provided in the purchase and sale agreement is scheduled to occur within the three-business-day rescission period provided for in this section, the closing date shall be extended until the expiration of the three-business-day rescission period. The buyer shall have no right of rescission if the seller takes whatever action is necessary so that the accuracy of the disclosure is restored at least three business days prior to the closing date.

(2) In the event any act, occurrence, or agreement arising or becoming known after the closing of a real property transfer causes a real property transfer disclosure statement to be inaccurate in any way, the seller of such property shall have no obligation to amend the disclosure statement, and the buyer shall not have the right to rescind the transaction under this chapter.

(3) If the seller in a real property transfer fails or refuses to provide to the prospective buyer a real property transfer disclosure statement as required under this chapter, the prospective buyer's right of rescission under this section shall apply until the earlier of three business days after receipt of the real property transfer disclosure statement or the date the transfer has closed, unless the buyer has otherwise waived the right of rescission in writing. Closing is deemed to occur when the buyer has paid the purchase price, or down payment, and the conveyance document, including a deed or real estate contract, from the seller has been delivered and recorded. After closing, the seller's obligation to deliver the real property transfer disclosure statement and the buyer's rights and remedies under this chapter shall terminate.

(4) Failure of a homeowners' association or its officers, directors, employees, or authorized agents to provide requested information in part 8 of the disclosure statement form in RCW 64.06.015 or part 6 of the disclosure statement form in RCW 64.06.020 does not constitute a seller's failure or refusal to provide a real property transfer disclosure statement under subsection (3) of this section. [2010 c 64 s 5. Prior: 2009 c 505 s 4; 2009 c 130 s 3; 1996 c 301 s 4; 1994 c 200 s 5.]

Application—2009 c 505: See note following RCW 64.06.005.

RCW 64.06.050 Error, inaccuracy, or omission in disclosure statement—Actual knowledge—Liability. (1) The seller shall not be liable for any error, inaccuracy, or omission in the real property transfer disclosure statement if the seller had no actual knowledge of the error, inaccuracy, or omission. Unless the seller has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the seller shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

(2) Any real estate licensee involved in a real property transaction is not liable for any error, inaccuracy, or omission in the real property transfer disclosure statement if the licensee had no actual knowledge of the error, inaccuracy, or omission. Unless the licensee has actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement, the licensee shall not be liable for such error, inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by other persons providing information within the scope of their professional license or expertise, including, but not limited to, a report or opinion delivered by a land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed engineer, or contractor. [2010 c 64 s 6; 1996 c 301 s 5; 1994 c 200 s 6.]

RCW 64.06.060 Consumer protection act does not apply. The legislature finds that the practices covered by this chapter are not matters vitally affecting the public interest for the purpose of applying the consumer protection act, chapter 19.86 RCW. [1994 c 200 s 7.]

RCW 64.06.070 Buyer's rights or remedies. Except as provided in RCW 64.06.050, nothing in this chapter shall extinguish or impair any rights or remedies of a buyer of real estate against the seller or against any agent acting for the seller otherwise existing pursuant to common law, statute, or contract; nor shall anything in this chapter create any new right or remedy for a buyer of real property other than the right of rescission exercised on the basis and within the time limits provided in this chapter. [2010 c 64 s 7; 1996 c 301 s 6; 1994 c 200 s 8.]

RCW 64.06.080 Seller and landlord disclosure requirement—Electronic notice by city or county. (1) Any ordinance, resolution, or policy adopted by a city or county that imposes a requirement on landlords or sellers of real property, or their agents, to provide information to a buyer or tenant pertaining to the subject property or the surrounding area is effective only after:

(a) A summary of the ordinance, resolution, or policy is posted electronically in accordance with RCW 43.110.030(2)(e); and

(b) An internet link to the ordinance, resolution, or policy, or the relevant portion of the actual language of the ordinance, resolution, or policy, is posted electronically in accordance with RCW 43.110.030(2)(e).

(2) If, prior to June 9, 2016, a city or county adopted an ordinance, resolution, or policy that imposes a requirement on landlords or sellers of real property, or their agents, to provide information to a buyer or tenant pertaining to the subject property or the surrounding area, the city or county must cause, within ninety days of June 9, 2016:

(a) A summary of the ordinance, resolution, or policy to be posted electronically in accordance with RCW 43.110.030(2)(e); and

(b) An internet link to the ordinance, resolution, or policy, or the relevant portion of the actual language of the ordinance, resolution, or policy, to be posted electronically in accordance with RCW 43.110.030(2)(e). If the requirement is not electronically posted as required by this subsection, the requirement must thereafter cease to be in effect. [2016 c 138 s 1; 2015 2nd sp.s. c 10 s 4.]

RCW 64.06.090 Oil tank for heating—No cost insurance—Seller's notice. A seller of residential real property shall make available to the buyer the following statement: "This notice is to inform you that if the real property you are considering for purchase utilizes an oil tank for heating purposes, no cost insurance may be available from the pollution liability insurance agency." [2018 c 289 s 1.]

Effective date—2018 c 289: "This act takes effect January 1, 2020." [2018 c 289 s 2.]

RCW 64.06.900 Effective date—1994 c 200. This act shall take effect on January 1, 1995. [1994 c 200 s 10.]

Trespass, public lands: Chapter 79.02 RCW.

RCW 64.12.035 Cutting or removing vegetation—Electric utility—Liability—Definitions. (1) An electric utility is immune from liability under RCW 64.12.030, 64.12.040, and 4.24.630 and any claims for general or special damages, including claims of emotional distress, for cutting or removing vegetation located on or originating from land or property adjacent to electric facilities that:

(a) Has come in contact with or caused damage to electric facilities;

(b) Poses an imminent hazard to the general public health, safety, or welfare and the electric utility provides notice and makes a reasonable effort to obtain an agreement from the resident or property owner present on the property to trim or remove such hazard. For purposes of this subsection (1)(b), notice may be provided by posting a notice or flier in a conspicuous location on the affected property that gives a good faith estimate of the time frame in which the electric utility's trimming or removal work must occur, specifies how the electric utility may be contacted, and explains the responsibility of the resident or property owner to respond pursuant to the requirements of the notice. An electric utility may act without agreement if the resident or property owner fails to respond pursuant to the requirements of the notice. No notice or agreement is necessary if the electric utility's action is necessary to protect life, property, or restore electric service; or

(c) Poses a potential threat to damage electric facilities and the electric utility attempts written notice by mail to the last known address of record indicating the intent to act or remove vegetation and secures agreement from the affected property owner of record for the cutting, removing, and disposition of the vegetation. Such notice shall include a brief statement of the need and nature of the work intended that will impact the owner's property or vegetation, a good faith estimate of the time frame in which such work will occur, and how the utility can be contacted regarding the cutting or removal of vegetation. If the affected property owner fails to respond to a notice from the electric utility within two weeks of the date the

electric utility provided notice, the electric utility may secure agreement from a resident of the affected property for the cutting, removing, and disposition of vegetation.

(2) (a) A hazard to the general public health, safety, or welfare is deemed to exist when:

(i) Vegetation has encroached upon electric facilities by overhanging or growing in such close proximity to overhead electric facilities that it constitutes an electrical hazard under applicable electrical construction codes or state and federal health and safety regulations governing persons who are employed or retained by, or on behalf of, an electric utility to construct, maintain, inspect, and repair electric facilities or to trim or remove vegetation; or

(ii) Vegetation is visibly diseased, dead, or dying and has been determined by a qualified forester or certified arborist employed or retained by, or on behalf of, an electric utility to be of such proximity to electric facilities that trimming or removal of the vegetation is necessary to avoid contact between the vegetation and electric facilities.

(b) The factors to be considered in determining the extent of trimming required to remove a hazard to the general public health, safety, or welfare may include normal tree growth, the combined movement of trees and conductors under adverse weather conditions, voltage, and sagging of conductors at elevated temperatures.

(3) A potential threat to damage electric facilities exists when vegetation is of such size, condition, and proximity to electric facilities that it can be reasonably expected to cause damage to electric facilities and, based upon this standard, the vegetation has been determined to pose a potential threat by a qualified forester or certified arborist employed or retained by or on behalf of an electric utility.

(4) For the purposes of this section:

(a) "Electric facilities" means lines, conduits, ducts, poles, wires, pipes, conductors, cables, cross-arms, receivers, transmitters, transformers, instruments, machines, appliances, instrumentalities, and all devices and apparatus used, operated, owned, or controlled by an electric utility, for the purposes of manufacturing, transforming, transmitting, distributing, selling, or furnishing electricity.

(b) "Electric utility" means an electrical company, as defined under RCW 80.04.010, a municipal electric utility formed under Title 35 RCW, a public utility district formed under Title 54 RCW, an irrigation district formed under chapter 87.03 RCW, a cooperative formed under chapter 23.86 RCW, and a mutual corporation or association formed under chapter 24.06 RCW, that is engaged in the business of distributing electricity in the state.

(c) "Vegetation" means trees, timber, or shrubs. [1999 c 248 s 1.]

Severability—1999 c 248: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1999 c 248 s 3.]

RCW 64.12.040 Mitigating circumstances—Damages. If upon trial of such action it shall appear that the trespass was casual or involuntary, or that the defendant had probable cause to believe that

the land on which such trespass was committed was his or her own, or that of the person in whose service or by whose direction the act was done, or that such tree or timber was taken from uninclosed [unenclosed] woodlands, for the purpose of repairing any public highway or bridge upon the land or adjoining it, judgment shall only be given for single damages. [2012 c 117 s 193; Code 1881 s 603; 1877 p 125 s 608; 1869 p 143 s 557; RRS s 940.]

RCW 64.12.050 Injunction to prevent waste on public land. When any two or more persons are opposing claimants under the laws of the United States to any land in this state, and one is threatening to commit upon such land waste which tends materially to lessen the value of the inheritance and which cannot be compensated by damages and there is imminent danger that unless restrained such waste will be committed, the party, on filing his or her complaint and satisfying the court or judge of the existence of the facts, may have an injunction to restrain the adverse party. In all cases he or she shall give notice and bond as is provided in other cases where injunction is granted, and the injunction when granted shall be set aside or modified as is provided generally for injunction and restraining orders. [2012 c 117 s 194; Code 1881 s 604; 1877 p 125 s 609; 1869 p 144 s 558; 1854 p 206 s 404; RRS s 941.]

Injunction, generally: Chapter 7.40 RCW.

RCW 64.12.060 Action by occupant of unsurveyed land. Any person now occupying and settled upon, or who may hereafter occupy or settle upon any of the unsurveyed public lands not to exceed one hundred sixty acres in this territory, for the purpose of holding and cultivating the same, may commence and maintain any action, in any court of competent jurisdiction, for interference with or injuries done to his or her possessions of said lands, against any person or persons so interfering with or injuring such lands or possessions: PROVIDED, ALWAYS, That if any of the aforesaid class of settlers are absent from their claims continuously, for a period of six months in any one year, the said person or persons shall be deemed to have forfeited all rights under this act. [1883 p 70 s 1; RRS s 942.]

Reviser's note: The preamble and sections 2 and 3 of the 1883 act, section 1 of which is codified above as RCW 64.12.060, read as follows:

Preamble: "WHEREAS, A great many citizens of the United States are now settling upon and cultivating the unsurveyed government lands in this territory; and, as many years may elapse before the government surveys will be extended over the said lands, so that the settlers upon the same, can take them under the laws of the United States, and defend them against the trespass of others, therefore:"

"Sec. 2. Any person or persons, who shall wilfully and maliciously disturb, or in any wise injure, or destroy the dwelling house or other building, or any fence inclosing [enclosing], or being on the claim of any of the aforesaid class of settlers, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than fifty nor more than one hundred (\$100) dollars, for each and every offense, to which may be added imprisonment in the county jail, not exceeding ninety (90) days." [1883 p 71 s 2.]

"Sec. 3. Any person or persons, who shall wilfully or maliciously set fire to any dwelling, or other building, of any of the aforesaid class of settlers, shall be deemed guilty of arson, and subject to the penalties of the law in such cases, made and provided." [1883 p 71 s 3.]

RCW 64.28.010 Joint tenancies with right of survivorship authorized—Methods of creation—Creditors' rights saved. Whereas joint tenancy with right of survivorship permits property to pass to the survivor without the cost or delay of probate proceedings, there shall be a form of co-ownership of property, real and personal, known as joint tenancy. A joint tenancy shall have the incidents of survivorship and severability as at common law, including the unilateral right of each tenant to sever the joint tenancy. Joint tenancy shall be created only by written instrument, which instrument shall expressly declare the interest created to be a joint tenancy. It may be created by a single agreement, transfer, deed, will, or other instrument of conveyance, or by agreement, transfer, deed or other instrument from a sole owner to himself or herself and others, or from tenants in common or joint tenants to themselves or some of them, or to themselves or any of them and others, or from both spouses or both domestic partners, when holding title as community property, or otherwise, to themselves or to themselves and others, or to one of them and to another or others, or when granted or devised to executors or trustees as joint tenants: PROVIDED, That such transfer shall not derogate from the rights of creditors. [2008 c 6 s 625; 1993 c 19 s 1; 1963 ex.s. c 16 s 1; 1961 c 2 s 1 (Initiative Measure No. 208, approved November 8, 1960).]

RCW 64.28.020 Interest in favor of two or more is interest in common—Exceptions for joint tenancies, partnerships, trustees, etc.—Presumption of community property. (1) Every interest created in favor of two or more persons in their own right is an interest in common, unless acquired by them in partnership, for partnership purposes, or unless declared in its creation to be a joint tenancy, as provided in RCW 64.28.010, or unless acquired by executors or trustees.

(2) Interests in common held in the names of both spouses or both domestic partners, whether or not in conjunction with others, are presumed to be their community property.

(3) Subsection (2) of this section applies as of June 9, 1988, to all existing or subsequently created interests in common. [2008 c 6 s

626; 1988 c 29 s 10; 1961 c 2 s 2 (Initiative Measure No. 208, approved November 8, 1960).]

RCW 64.28.030 Bank deposits, choses in action, community property agreements not affected. The provisions of this chapter shall not restrict the creation of a joint tenancy in a bank deposit or in other choses in action as heretofore or hereafter provided by law, nor restrict the power of both spouses or both domestic partners to make agreements as provided in RCW 26.16.120. [2008 c 6 s 627; 1961 c 2 s 3 (Initiative Measure No. 208, approved November 8, 1960).]

Part headings not law—Severability—2008 c 6: See RCW 26.60.900 and 26.60.901.

RCW 64.28.040 Character of joint tenancy interests held by both spouses or both domestic partners. (1) Joint tenancy interests held in the names of both spouses or both domestic partners, whether or not in conjunction with others, are presumed to be their community property, the same as other property held in the name of both spouses or both domestic partners. Any such interest passes to the survivor of the spouse or survivor of the domestic partner as provided for property held in joint tenancy, but in all other respects the interest is treated as community property.

(2) Either person in a marriage or either person in a state registered domestic partnership, or both, may sever a joint tenancy. When a joint tenancy is severed, the property, or proceeds of the property, shall be presumed to be their community property, whether it is held in the name of either spouse, or both, or in the name of either domestic partner, or both.

(3) This section applies as of January 1, 1985, to all existing or subsequently created joint tenancies. [2008 c 6 s 628; 1993 c 19 s 2; 1985 c 10 s 2. Prior: 1984 c 149 s 174.]

RCW 64.32.020 Application of chapter. (Effective until January 1, 2028.) This chapter shall be applicable only to property, the sole owner or all of the owners, lessees or possessors of which submit the same to the provisions hereof by duly executing and recording a declaration as hereinafter provided. [1963 c 156 s 2.]

RCW 64.32.030 Apartments and common areas declared real property. (Effective until January 1, 2028.) Each apartment, together with its undivided interest in the common areas and facilities shall not be considered as an intangible or a security or any interest therein but shall for all purposes constitute and be classified as real property. [1963 c 156 s 3.]

RCW 64.32.040 Ownership and possession of apartments and common areas. (Effective until January 1, 2028.) Each apartment owner shall be entitled to the exclusive ownership and possession of his or her apartment but any apartment may be jointly or commonly owned by more than one person. Each apartment owner shall have the common right to a share, with other apartment owners, in the common areas and facilities. [2012 c 117 s 197; 1963 c 156 s 4.]

RCW 64.32.050 Common areas and facilities. (Effective until January 1, 2028.) (1) Each apartment owner shall be entitled to an

undivided interest in the common areas and facilities in the percentage expressed in the declaration. Such percentage shall be computed by taking as a basis the value of the apartment in relation to the value of the property.

(2) The percentage of the undivided interest of each apartment owner in the common areas and facilities as expressed in the declaration shall not be altered except in accordance with procedures set forth in the bylaws and by amending the declaration. The percentage of the undivided interest in the common areas and facilities shall not be separated from the apartment to which it appertains even though such interest is not expressly mentioned or described in the conveyance or other instrument. Nothing in this section or this chapter shall be construed to detract from or limit the powers and duties of any assessing or taxing unit or official which is otherwise granted or imposed by law, rule, or regulation.

(3) The common areas and facilities shall remain undivided and no apartment owner or any other person shall bring any action for partition or division of any part thereof, unless the property has been removed from the provisions of this chapter as provided in RCW 64.32.150 and 64.32.230. Any covenant to the contrary shall be void. Nothing in this chapter shall be construed as a limitation on the right of partition by joint owners or owners in common of one or more apartments as to the ownership of such apartment or apartments.

(4) Each apartment owner shall have a nonexclusive easement for, and may use the common areas and facilities in accordance with the purpose for which they were intended without hindering or encroaching upon the lawful right of the other apartment owners.

(5) The necessary work of maintenance, repair and replacement of the common areas and facilities and the making of any addition or improvement thereto shall be carried out only as provided in this chapter and in the bylaws.

(6) The association of apartment owners shall have the irrevocable right, to be exercised by the manager or board of directors, to have access to each apartment from time to time during reasonable hours as may be necessary for the maintenance, repair, or replacement of any of the common areas and facilities therein or accessible therefrom, or for making emergency repairs therein necessary to prevent damage to the common areas and facilities or to another apartment or apartments. [1965 ex.s. c 11 s 2; 1963 c 156 s 5.]

RCW 64.32.060 Compliance with covenants, bylaws, and administrative rules and regulations. (Effective until January 1, 2028.) Each apartment owner shall comply strictly with the bylaws and with the administrative rules and regulations adopted pursuant thereto, as either may be lawfully amended from time to time, and with the covenants, conditions, and restrictions set forth in the declaration or in the deed to his or her apartment. Failure to comply with any of the foregoing shall be ground for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the manager or board of directors on behalf of the association of apartment owners or by a particularly aggrieved apartment owner. [2012 c 117 s 198; 1963 c 156 s 6.]

RCW 64.32.070 Liens or encumbrances—Enforcement—Satisfaction. (Effective until January 1, 2028.) (1) Subsequent to recording the declaration as provided in this chapter, and while the property remains subject to this chapter, no lien shall thereafter arise or be effective against the property. During such period, liens or encumbrances shall arise or be created only against each apartment and the percentage of undivided interest in the common areas and facilities and appurtenant to such apartment in the same manner and under the same conditions in every respect as liens or encumbrances may arise or be created upon or against any other separate parcel of real property subject to individual ownership: PROVIDED, That no labor performed or materials furnished with the consent of or at the request of the owner of any apartment, or such owner's agent, contractor, or subcontractor, shall be the basis for the filing of a lien against any other apartment or any other property of any other apartment owner not expressly consenting to or requesting the same, except that such express consent shall be deemed to be given by any apartment owner in the case of emergency repairs. Labor performed or materials furnished for the common areas and facilities, if authorized by the association of apartment owners, the manager or board of directors shall be deemed to be performed or furnished with the express consent of each apartment owner and shall be the basis for the filing of a lien against each of the apartments and shall be subject to the provisions of subsection (2) of this section.

(2) In the event a lien against two or more apartments becomes effective, the apartment owners of the separate apartments may remove their apartment and the percentage of undivided interest in the common areas and facilities appurtenant to such apartment from the lien by payment of the fractional or proportional amounts attributable to each of the apartments affected. Such individual payments shall be computed by reference to the percentages appearing on the declaration. Subsequent to any such payment, discharge, or satisfaction, the apartment and the percentage of undivided interest in the common areas and facilities appurtenant thereto shall thereafter be free and clear of the liens so paid, satisfied, or discharged. Such partial payment, satisfaction, or discharge shall not prevent the lienor from proceeding to enforce his or her rights against any apartment and the percentage of undivided interest in the common areas and facilities appurtenant thereto not so paid, satisfied, or discharged. [2012 c 117 s 199; 1963 c 156 s 7.]

(11) A provision requiring the adoption of bylaws for the administration of the property or for other purposes not inconsistent with this chapter, which may include whether administration of the property shall be by a board of directors elected from among the apartment owners, by a manager, or managing agent, or otherwise, and the procedures for the adoption thereof and amendments thereto;

(12) Any further details in connection with the property which the person executing the declaration may deem desirable to set forth consistent with this chapter; and

Such lien is not subject to the ban against execution or forced sales of homesteads under RCW 6.13.080 and, subject to the provisions in subsection (5) of this section, may be foreclosed by suit by the manager or board of directors, acting on behalf of the apartment owners, in like manner as a mortgage of real property. Suit to recover any judgment for any unpaid common expenses shall be maintainable without foreclosing or waiving the liens securing the same.

(3) Where the mortgagee of a mortgage of record or other purchaser of an apartment obtains possession of the apartment as a result of foreclosure of the mortgage, such possessor, his or her successors and assigns shall not be liable for the share of the common expenses or assessments by the association of apartment owners chargeable to such apartment which became due prior to such possession. Such unpaid share of common expenses of assessments shall be deemed to be common expenses collectible from all of the apartment owners including such possessor, his or her successors and assigns.

(4) (a) When the association, or the manager or board of directors on its behalf, mails to the apartment owner by first-class mail the first notice of delinquency for past due assessments to the apartment address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

(b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the apartment owner, the association or the association's attorney shall mail the first preforeclosure notice to the apartment owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (5)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(5) An association, or the manager or board of directors on its behalf, may not commence an action to foreclose a lien on an apartment under this section unless:

(a) The apartment owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (4)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the apartment address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the apartment owner pursuant to subsection (4)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days

after the first preforeclosure notice required in subsection (4)(a) of this section is mailed;

(c) At least 90 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that apartment.

(6) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable. RCW 64.32.210 Conveyance—Liability of grantor and grantee for unpaid common expenses. (Effective until January 1, 2028.) In a voluntary conveyance the grantee of an apartment shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his or her share of the common expenses up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Any such grantee shall be entitled to a statement from the manager or board of directors, as the case may be, setting forth the amount of the unpaid assessments against the grantor and such grantee shall not be liable for, nor shall the apartment conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount therein set forth. [2012 c 117 s 202; 1963 c 156 s 21.]

RCW 64.32.220 Insurance. (Effective until January 1, 2028.) The manager or board of directors, if required by the declaration, bylaws, or by a majority of the apartment owners, or at the request of a mortgagee having a mortgage of record covering an apartment, shall obtain insurance for the property against loss or damage by fire and such other hazards under such terms and for such amounts as shall be required or requested. Such insurance coverage shall be written on the property in the name of the manager or of the board of directors of the association of apartment owners, as trustee for each of the apartment owners in the percentages established in the declaration. Premiums shall be common expenses. Provision for such insurance shall be without prejudice to the right of each apartment owner to insure his or her own apartment and/or the personal contents thereof for his or her benefit. RCW 64.32.230 Destruction or damage to all or part of property—Disposition. (Effective until January 1, 2028.) If, within ninety days of the date of damage or destruction to all or part of the property it is not determined by the apartment owners to repair, reconstruct, or rebuild in accordance with the original plan, or by a

unanimous vote of all apartment owners to do otherwise, then and in that event:

(1) The property shall be owned in common by the apartment owners;

(2) The undivided interest in the property owned in common which appertains to each apartment owner shall be the percentage of undivided interest previously owned by such owner in the common areas and facilities;

(3) Any mortgages or liens affecting any of the apartments shall be deemed transferred in accordance with the existing priorities to the percentage of the undivided interest of the apartment owner in the property as provided herein; and

(4) The property shall be subject to an action for partition at the suit of any apartment owner, in which event the net proceeds of sale, together with the net proceeds of the insurance of the property, if any, shall be considered as one fund; such fund shall be divided into separate shares one for each apartment owner in a percentage equal to the percentage of undivided interest owned by each such owner in the property; then, after first paying out of the respective share of each apartment owner, to the extent sufficient for the purpose, all mortgages and liens on the undivided interest in the property owned by such apartment owner, the balance remaining in each share shall then be distributed to each apartment owner respectively. [1965 ex.s. c 11 s 7; 1963 c 156 s 23.]

RCW 64.32.240 Actions. (Effective until January 1, 2028.)

Without limiting the rights of any apartment owner, actions may be brought as provided by law and by the rules of court by the manager or board of directors, in either case in the discretion of the board of directors, on behalf of two or more of the apartment owners, as their respective interests may appear, with respect to any cause of action relating to the common areas and facilities or more than one apartment. Service of process on two or more apartment owners in any action relating to the common areas and facilities or more than one apartment may be made on the person designated in the declaration to receive service of process. Actions relating to the common areas and facilities for damages arising out of tortious conduct shall be maintained only against the association of apartment owners and any judgment lien or other charge resulting therefrom shall be deemed a common expense, which judgment lien or other charge shall be removed from any apartment and its percentage of undivided interest in the common areas and facilities upon payment by the respective owner of his or her proportionate share thereof based on the percentage of undivided interest owned by such apartment owner. [2012 c 117 s 204; 1963 c 156 s 24.]

(2) All agreements, decisions and determinations made by the association of apartment owners under the provisions of this chapter,

the declaration, or the bylaws and in accordance with the voting percentages established in this chapter, the declaration, or the bylaws, shall be deemed to be binding on all apartment owners. [1963 c 156 s 25.]

RCW 64.32.260 Applicability to common interest communities. (Effective until January 1, 2028.) (1) This chapter does not apply to common interest communities as defined in RCW 64.90.010:

(a) Created on or after July 1, 2018; or

(b) That have amended their governing documents to provide that chapter 64.90 RCW will apply to the common interest community pursuant to RCW 64.90.370.

(2) Pursuant to RCW 64.90.365, the following provisions of chapter 64.90 RCW apply, and any inconsistent provisions of this chapter do not apply, to a common interest community created before July 1, 2018:

(a) RCW 64.90.370;

(b) RCW 64.90.405(1) (b) and (c);

(c) RCW 64.90.525; and

(d) RCW 64.90.545. [2024 c 321 s 433; 2019 c 238 s 217; 2018 c 277 s 503.]

Effective date—2018 c 277: See RCW 64.90.910.

RCW 64.32.270 Notice. (Effective until January 1, 2028.) (1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of apartment owners, board of directors, or any apartment owner or occupant of an apartment under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association of apartment owners or board of directors shall be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the apartment owners.

(b) Notice to an apartment owner or occupant shall be addressed to the apartment address unless the apartment owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association of apartment owners, the board of directors, or apartment owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association of apartment owners in writing.

(d) The consent of any apartment owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association of apartment owners or any other person responsible for giving the notice. The inadvertent failure by the association of apartment owners to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to apartment owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the apartment owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b). [2021 c 227 s 2.]

RCW 64.32.280 Voting—In person, absentee ballots, proxies.

(Effective until January 1, 2028.) (1) Apartment owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, apartment owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of apartment owners the following requirements apply:

(a) Apartment owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of apartment owners, as designated by the person presiding at the meeting.

(b) If only one of several apartment owners of an apartment is present, that apartment owner is entitled to cast all the votes allocated to that apartment. If more than one of the apartment owners are present, the votes allocated to that apartment may be cast only in

accordance with the agreement of a majority in interest of the apartment owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the apartment owners casts the votes allocated to the apartment without protest being made promptly to the person presiding over the meeting by any of the other apartment owners of the apartment.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, an apartment owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When an apartment owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the apartment owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to an apartment may be cast pursuant to a directed or undirected proxy duly executed by an apartment owner in the same manner as provided in RCW 24.06.110.

(b) If an apartment is owned by more than one person, each apartment owner of the apartment may vote or register protest to the casting of votes by the other apartment owners of the apartment through a duly executed proxy.

(c) An apartment owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of an apartment owner does not revoke a proxy given by the apartment owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the apartment owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which apartment owners wishing to deliver information to all apartment owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every apartment owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an apartment owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b) (i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to apartment owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than apartment owners of leased apartments:

(a) This section applies to lessees as if they were apartment owners;

(b) Apartment owners that have leased their apartments to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were apartment owners.

(8) Apartment owners must also be given notice, in the manner provided in RCW 64.32.270, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the apartment owners, votes allocated to an apartment owned by the association must be cast in the same proportion as the votes cast on the matter by apartment owners other than the association.

(10) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of apartment owners may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how apartment owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all apartment

owners the opportunity to hear or perceive the discussion and to comment. [2021 c 227 s 3.]

RCW 64.32.290 Electric vehicle charging stations. (Effective until January 1, 2028.) (1)(a) An association of apartment owners may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station in compliance with the requirements of this section and for the personal noncommercial use of an apartment owner in a designated parking space; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) An association of apartment owners may require an apartment owner to submit an application for approval for the installation of an electric vehicle charging station before installing the charging station.

(3)(a) If approval is required for the installation or use of an electric vehicle charging station, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association of apartment owners may not assess or charge an apartment owner a fee for the placement of an electric vehicle charging station. An association may charge a reasonable fee for processing the application to approve the installation of an electric vehicle charging station, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation or use of an electric vehicle charging station, an association of apartment owners must approve the installation in a designated parking space if the installation is reasonably possible and the apartment owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the electric vehicle charging station;

(b) Engage an electrical contractor familiar with the standards for the installation of electric vehicle infrastructure to assess the existing infrastructure necessary to support the proposed electric vehicle charging station, identify additional infrastructure needs, and install the electric vehicle charging station;

(c)(i) Provide, within the time specified in (c)(ii) of this subsection, a certificate of insurance naming the association as an additional insured on the apartment owner's insurance policy for any claim related to the installation, maintenance, or use of the electric

vehicle charging station, or, reimbursement to the association for the actual cost of any increased insurance premium amount attributable to the charging station;

(ii) A certificate of insurance required under (c)(i) of this subsection must be provided within 14 days after the association approves the installation of the electric vehicle charging station. Reimbursement for an increased insurance premium amount under (c)(i) of this subsection must be provided within 14 days after the apartment owner receives the association's invoice for the amount attributable to the charging station;

(d) Register the electric vehicle charging station with the association within 30 days after installation;

(e) Pay for the electricity usage associated with the electric vehicle charging station and the required means to facilitate payment for the electricity; and

(f) Comply with the requirements of this section.

(5)(a) An apartment owner must obtain any permit or approval for an electric vehicle charging station as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) An electric vehicle charging station must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6)(a) Unless otherwise agreed to by written contract with the association, an apartment owner is responsible for the costs of installing an electric vehicle charging station.

(b) Electric vehicle charging station equipment that is installed at the apartment owner's cost and is removable without damage to the property owned by others may be removed at the apartment owner's cost. Nothing in this subsection requires the association to purchase the electric vehicle charging station.

(7) An apartment owner must disclose to any prospective buyers of the unit:

(a) The existence of an electric vehicle charging station and the related responsibilities of the owner under this section; and

(b) Whether the electric vehicle charging station is removable and whether the owner intends to remove the charging station.

(8) The owner and each successive owner of an electric vehicle charging station is responsible for:

(a) Costs for the maintenance, repair, and replacement of the electric vehicle charging station up until the station is removed;

(b) Costs for damage to the electric vehicle charging station, any apartment, common area, or limited common area resulting from the installation, use, maintenance, repair, removal, or replacement of the electric vehicle charging station;

(c) The cost of electricity associated with the electric vehicle charging station;

(d) Obtaining and maintaining an insurance policy that meets the requirements in subsection (4)(c) of this section;

(e) If the owner decides to remove the electric vehicle charging station, costs for the removal and the restoration of the common area or limited common area after the removal; and

(f) Removing the electric vehicle charging station if reasonably necessary for the repair, maintenance, or replacement of the common area or limited common area.

(9) An association of apartment owners may install an electric vehicle charging station in the common areas for the use of all apartment owners and, in that case, the association must develop appropriate terms of use for the charging station.

(10) (a) An association of apartment owners that willfully violates this section is liable to the apartment owner for actual damages, and shall pay a civil penalty to the apartment owner in an amount not to exceed \$1,000.

(b) In any action by an apartment owner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing apartment owner.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Designated parking space" means a parking space that is specifically designated for use by a particular apartment owner, including a garage, a deeded parking space, and a parking space in a limited common area that is restricted for use by one or more apartment owners.

(b) "Electric vehicle charging station" means a station that delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(c) "Reasonable restriction" means a restriction that does not significantly increase the cost of an electric vehicle charging station or significantly decrease its efficiency or specified performance. [2022 c 27 s 1.]

RCW 64.32.300 Tenant screening. (Effective until January 1, 2028.) (1) Except as otherwise prohibited by law, and subject to the limitations in subsection (2) of this section, an association of apartment owners may:

(a) Require any apartment owner intending to lease the owner's apartment to use a tenant screening service or obtain background information, including criminal history, on a prospective tenant, at the owner's sole cost and expense, prior to the owner entering into a lease agreement with a prospective tenant; and

(b) Require proof that the tenant screening requirement has been fulfilled or that the background information on a prospective tenant has been obtained by the owner intending to lease the owner's apartment.

(2) An association may not require that a copy of the tenant screening report or any background information pertaining to a tenant be furnished to the association. [2023 c 23 s 1.]

RCW 64.32.310 Licensed family home child care or licensed child day care center—Regulations—Liability. (Effective until January 1, 2028.) (1) An association of apartment owners may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that effectively prohibits, unreasonably restricts, or limits, directly or indirectly, the use of an apartment as a licensed family home child

care operated by a family day care provider or as a licensed child day care center, except as provided in subsection (2) of this section.

(2) (a) Nothing in this section prohibits an association of apartment owners from imposing reasonable regulations on a family home child care or a child day care center including, but not limited to, architectural standards, as long as those regulations are identical to those applied to all other apartments within the same association as the family home child care or the child day care center.

(b) An association may require that only an apartment with direct access may be used as a family home child care or child day care center. Direct access must be either from the outside of the building or through publicly accessible common areas and facilities.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of an apartment within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising in common areas and facilities that the association is solely responsible for maintaining under the governing documents;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized; and

(iv) Obtain day care insurance as defined in RCW 48.88.020 or provide self-insurance pursuant to chapter 48.90 RCW, consistent with the requirements in RCW 43.216.700.

(3) An association of apartment owners that willfully violates this section is liable to the family day care provider or the child day care center for actual damages, and shall pay a civil penalty to the family day care provider or the child day care center in an amount not to exceed \$1,000.

(4) For the purposes of this section, the terms "family day care provider" and "child day care center" have the same meanings as in RCW 43.216.010. [2023 c 203 s 1.]

Effective date—2023 c 203: "This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately [May 1, 2023]." [2023 c 203 s 5.]

city or county in which the urban growth area is located would be prohibited from imposing under RCW 36.70A.681.

(2) For the purposes of this section, "urban growth area" has the same meaning as in RCW 36.70A.030.

(3) A city or county issuing a permit for the construction of an accessory dwelling unit may not be held civilly liable on the basis that the construction of the accessory dwelling unit would violate a restrictive covenant or deed restriction. [2023 c 334 s 10.]

RCW 64.32.330 New declaration minimum density. (Effective until January 1, 2028.) A declaration created after July 23, 2023, and applicable to an association of apartment owners located within an area of a city subject to the middle housing requirements in RCW 36.70A.635 may not actively or effectively prohibit the construction, development, or use of additional housing units as required in RCW 36.70A.635. [2023 c 332 s 11.]

Finding—2023 c 332: See note following RCW 36.70A.635.

RCW 64.32.340 Occupancy limits. (Expires January 1, 2028.) Except for occupancy limits on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code, city ordinance, or county ordinance, an association of apartment owners may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that regulates or limits the number of unrelated persons that may occupy an apartment. [2024 c 139 s 1.]

Contingent expiration date—2024 c 139 ss 1-3: "If chapter 321, Laws of 2024 is enacted by June 30, 2024, sections 1 through 3 of this act expire January 1, 2028." [2024 c 139 s 5.]

RCW 64.32.350 Heat pumps. (Expires January 1, 2028.) (1)(a) An association of apartment owners may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

- (i) Effectively prohibits or unreasonably restricts the installation or use of a heat pump in compliance with the requirements of this section and for the personal use of an apartment owner within the boundaries of an apartment; or
- (ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on heat pumps.

(c) This section must not be construed to permit installation by an apartment owner of heat pump equipment on or in common areas without approval of the association, or the manager or board of directors acting on the association's behalf.

(2) An association of apartment owners may require an apartment owner to submit an application for approval for the installation of a heat pump before installing the heat pump.

(3) (a) If approval is required for the installation of a heat pump, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association of apartment owners may not assess or charge an apartment owner a fee for the installation of a heat pump. An association may charge a reasonable fee for processing the application to approve the installation of a heat pump, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation of a heat pump, an association of apartment owners must approve the installation if the installation is reasonably possible and the apartment owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the heat pump;

(b) Engage a heating, ventilation, and air conditioning (HVAC) contractor familiar with the standards for the installation of heat pumps to assess the existing infrastructure necessary to support the proposed heat pump, identify additional infrastructure needs, and install the heat pump; and

(c) Comply with the requirements of this section.

(5) (a) An apartment owner must obtain any permit or approval for a heat pump as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) A heat pump must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the association, an apartment owner is responsible for the costs of installing a heat pump.

(b) Heat pump equipment that is installed at the apartment owner's cost and is removable without damage to the property owned by others may be removed at the apartment owner's cost.

(7) The apartment owner and each successive owner of the heat pump is responsible for:

(a) Costs for the maintenance, repair, and replacement of the heat pump up until the heat pump is removed;

(b) Costs for damage to the heat pump, any apartment, common area, or limited common area resulting from the installation, use, maintenance, repair, removal, or replacement of the heat pump;

(c) If the owner decides to remove the heat pump, costs for the removal and the restoration of the common area or limited common area after the removal; and

(d) Removing heat pump equipment if reasonably necessary for the repair, maintenance, or replacement of the common area or limited common area.

(8) (a) An association of apartment owners that willfully violates this section is liable to the apartment owner for actual damages, and

shall pay a civil penalty to the apartment owner in an amount not to exceed \$1,000.

(b) In any action by an apartment owner requesting to have a heat pump installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing apartment owner.

(9) For the purposes of this section:

(a) "Heat pump" means a heating or refrigerating system used to transfer heat. The heat pump condenser and evaporator may change roles to transfer heat in either direction. By receiving the flow of air or other fluid, a heat pump is used to cool or heat.

(b) "Reasonable restriction" means a restriction that does not significantly increase the cost of a heat pump or significantly decrease its efficiency or specified performance. [2024 c 128 s 1.]

Contingent expiration date—2024 c 128 ss 1-3: "If chapter 321, Laws of 2024 is enacted by June 30, 2024, sections 1 through 3 of this act expire January 1, 2028." [2024 c 128 s 5.]

RCW 64.32.900 Short title. (Effective until January 1, 2028.)

This chapter shall be known as the horizontal property regimes act. [1963 c 156 s 26.]

RCW 64.32.910 Construction of term "this chapter." (Effective until January 1, 2028.) The term "this chapter" means RCW 64.32.010 through 64.32.250 and 64.32.900 through 64.32.920, and as they may hereafter be amended or supplemented by subsequent legislation. [1963 c 156 s 27.]

RCW 64.32.920 Severability—1963 c 156. (Effective until January 1, 2028.) If any provision of this chapter, or its application to any person or circumstance is held invalid, the remainder of the chapter, or the application of the provisions to other persons or circumstances is not affected. ARTICLE 1
GENERAL PROVISIONS

RCW 64.34.005 Findings—Intent—2004 c 201. (Effective until January 1, 2028.) (1) The legislature finds, declares, and determines that:

(a) Washington's cities and counties under the growth management act are required to encourage urban growth in urban growth areas at densities that accommodate twenty-year growth projections;

(b) The growth management act's planning goals include encouraging the availability of affordable housing for all residents of the state and promoting a variety of housing types;

(c) Quality condominium construction needs to be encouraged to achieve growth management act mandated urban densities and to ensure that residents of the state, particularly in urban growth areas, have a broad range of ownership choices.

(2) It is the intent of the legislature that limited changes be made to the condominium act to ensure that a broad range of affordable homeownership opportunities continue to be available to the residents of the state, and to assist cities' and counties' efforts to achieve the density mandates of the growth management act. [2004 c 201 s 1.]

RCW 64.34.010 Applicability. (Effective until January 1, 2028.)
 (1) This chapter applies to all condominiums created within this state after July 1, 1990. (2) The provisions of chapter 64.32 RCW do not apply to condominiums created after July 1, 1990, and do not invalidate any amendment to the declaration, bylaws, and survey maps and plans of any condominium created before July 1, 1990, if the amendment would be permitted by this chapter. The amendment must be adopted in conformity with the procedures and requirements specified by those instruments and by chapter 64.32 RCW. If the amendment grants to any person any rights, powers, or privileges permitted by this chapter which are not otherwise provided for in the declaration or chapter 64.32 RCW, all correlative obligations, liabilities, and restrictions in this chapter also apply to that person.

(3) This chapter does not apply to condominiums or units located outside this state.

RCW 64.34.020 Definitions. (Effective until January 1, 2028.)

In the declaration and bylaws, unless specifically provided otherwise or the context requires otherwise, and in this chapter:

(1) "Affiliate" means any person who controls, is controlled by, or is under common control with the referenced person. A person "controls" another person if the person: (a) Is a general partner, officer, director, or employer of the referenced person; (b) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the referenced person; (c) controls in any manner the election of a majority of the directors of the referenced person; or (d) has contributed more than twenty percent of the capital of the referenced person. A person "is controlled by" another person if the

other person: (i) Is a general partner, officer, director, or employer of the person; (ii) directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing, more than twenty percent of the voting interest in the person; (iii) controls in any manner the election of a majority of the directors of the person; or (iv) has contributed more than twenty percent of the capital of the person. Control does not exist if the powers described in this subsection are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the undivided interest in the common elements, the common expense liability, and votes in the association allocated to each unit.

(3) "Assessment" means all sums chargeable by the association against a unit including, without limitation: (a) Regular and special assessments for common expenses, charges, and fines imposed by the association; (b) interest and late charges on any delinquent account; and (c) costs of collection, including reasonable attorneys' fees, incurred by the association in connection with the collection of a delinquent owner's account.

(4) "Association" or "unit owners' association" means the unit owners' association organized under RCW 64.34.300.

(5) "Baseline funding plan" means establishing a reserve funding goal of maintaining a reserve account balance above zero dollars throughout the thirty-year study period described under RCW 64.34.380.

(6) "Board of directors" means the body, regardless of name, with primary authority to manage the affairs of the association.

(7) "Common elements" means all portions of a condominium other than the units.

(8) "Common expense liability" means the liability for common expenses allocated to each unit pursuant to RCW 64.34.224.

(9) "Common expenses" means expenditures made by or financial liabilities of the association, together with any allocations to reserves.

(10) "Condominium" means real property, portions of which are designated for separate ownership and the remainder of which is designated for common ownership solely by the owners of those portions. Real property is not a condominium unless the undivided interests in the common elements are vested in the unit owners, and unless a declaration and a survey map and plans have been recorded pursuant to this chapter.

(11) "Contribution rate" means, in a reserve study as described in RCW 64.34.380, the amount contributed to the reserve account so that the association will have cash reserves to pay major maintenance, repair, or replacement costs without the need of a special assessment.

(12) "Conversion condominium" means a condominium (a) that at any time before creation of the condominium was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, for which the tenant or subtenant had not received the notice described in (b) of this subsection; or (b) that, at any time within twelve months before the conveyance of, or acceptance of an agreement to convey, any unit therein other than to a declarant or any affiliate of a declarant, was lawfully occupied wholly or partially by a residential tenant of a declarant or an affiliate of a declarant and such tenant was not notified in writing, prior to lawfully occupying a unit or executing a rental agreement, whichever event first occurs,

that the unit was part of a condominium and subject to sale. "Conversion condominium" shall not include a condominium in which, before July 1, 1990, any unit therein had been conveyed or been made subject to an agreement to convey to any transferee other than a declarant or an affiliate of a declarant.

(13) "Conveyance" means any transfer of the ownership of a unit, including a transfer by deed or by real estate contract and, with respect to a unit in a leasehold condominium, a transfer by lease or assignment thereof, but shall not include a transfer solely for security.

(14) "Dealer" means a person who, together with such person's affiliates, owns or has a right to acquire either six or more units in a condominium or fifty percent or more of the units in a condominium containing more than two units.

(15) "Declarant" means:

(a) Any person who executes as declarant a declaration as defined in subsection (17) of this section; or

(b) Any person who reserves any special declarant right in the declaration; or

(c) Any person who exercises special declarant rights or to whom special declarant rights are transferred; or

(d) Any person who is the owner of a fee interest in the real property which is subjected to the declaration at the time of the recording of an instrument pursuant to RCW 64.34.316 and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the condominium created by the recording of the instrument.

(16) "Declarant control" means the right of the declarant or persons designated by the declarant to appoint and remove officers and members of the board of directors, or to veto or approve a proposed action of the board or association, pursuant to RCW 64.34.308 (5) or (6).

(17) "Declaration" means the document, however denominated, that creates a condominium by setting forth the information required by RCW 64.34.216 and any amendments to that document.

(18) "Development rights" means any right or combination of rights reserved by a declarant in the declaration to: (a) Add real property or improvements to a condominium; (b) create units, common elements, or limited common elements within real property included or added to a condominium; (c) subdivide units or convert units into common elements; (d) withdraw real property from a condominium; or (e) reallocate limited common elements with respect to units that have not been conveyed by the declarant.

(19) "Dispose" or "disposition" means a voluntary transfer or conveyance to a purchaser or lessee of any legal or equitable interest in a unit, but does not include the transfer or release of a security interest.

(20) "Effective age" means the difference between the estimated useful life and remaining useful life.

(21) "Electronic transmission" or "electronically transmitted" means any electronic communication not directly involving the physical transfer of a writing in a tangible medium, but that may be retained, retrieved, and reviewed by the sender and the recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(22) "Eligible mortgagee" means the holder of a mortgage on a unit that has filed with the secretary of the association a written

request that it be given copies of notices of any action by the association that requires the consent of mortgagees.

(23) "Foreclosure" means a forfeiture or judicial or nonjudicial foreclosure of a mortgage or a deed in lieu thereof.

(24) "Full funding plan" means setting a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the thirty-year study period described under RCW 64.34.380, in which the reserve account balance equals the sum of the deteriorated portion of all reserve components.

(25) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(26) "Identifying number" means the designation of each unit in a condominium.

(27) "Leasehold condominium" means a condominium in which all or a portion of the real property is subject to a lease, the expiration or termination of which will terminate the condominium or reduce its size.

(28) "Limited common element" means a portion of the common elements allocated by the declaration or by operation of RCW 64.34.204 (2) or (4) for the exclusive use of one or more but fewer than all of the units.

(29) "Master association" means an organization described in RCW 64.34.276, whether or not it is also an association described in RCW 64.34.300.

(30) "Mortgage" means a mortgage, deed of trust or real estate contract.

(31) "Person" means a natural person, corporation, partnership, limited partnership, trust, governmental subdivision or agency, or other legal entity.

(32) "Purchaser" means any person, other than a declarant or a dealer, who by means of a disposition acquires a legal or equitable interest in a unit other than (a) a leasehold interest, including renewal options, of less than twenty years at the time of creation of the unit, or (b) as security for an obligation.

(33) "Real property" means any fee, leasehold or other estate or interest in, over, or under land, including structures, fixtures, and other improvements thereon and easements, rights and interests appurtenant thereto which by custom, usage, or law pass with a conveyance of land although not described in the contract of sale or instrument of conveyance. "Real property" includes parcels, with or without upper or lower boundaries, and spaces that may be filled with air or water.

(34) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(35) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(36) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(37) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with RCW 64.34.380 and 64.34.382.

(38) "Residential purposes" means use for dwelling or recreational purposes, or both.

(39) "Significant assets" means that the current total cost of major maintenance, repair, and replacement of the reserve components is fifty percent or more of the gross budget of the association, excluding reserve account funds.

(40) "Special declarant rights" means rights reserved for the benefit of a declarant to: (a) Complete improvements indicated on survey maps and plans filed with the declaration under RCW 64.34.232; (b) exercise any development right under RCW 64.34.236; (c) maintain sales offices, management offices, signs advertising the condominium, and models under RCW 64.34.256; (d) use easements through the common elements for the purpose of making improvements within the condominium or within real property which may be added to the condominium under RCW 64.34.260; (e) make the condominium part of a larger condominium or a development under RCW 64.34.280; (f) make the condominium subject to a master association under RCW 64.34.276; or (g) appoint or remove any officer of the association or any master association or any member of the board of directors, or to veto or approve a proposed action of the board or association, during any period of declarant control under RCW 64.34.308(5).

(41) "Tangible medium" means a writing, copy of a writing, facsimile, or a physical reproduction, each on paper or on other tangible material.

(42) "Timeshare" shall have the meaning specified in the timeshare act, RCW 64.36.010(11).

(43) "Unit" means a physical portion of the condominium designated for separate ownership, the boundaries of which are described pursuant to RCW 64.34.216(1)(d). "Separate ownership" includes leasing a unit in a leasehold condominium under a lease that expires contemporaneously with any lease, the expiration or termination of which will remove the unit from the condominium.

(44) "Unit owner" means a declarant or other person who owns a unit or leases a unit in a leasehold condominium under a lease that expires simultaneously with any lease, the expiration or termination of which will remove the unit from the condominium, but does not include a person who has an interest in a unit solely as security for an obligation. "Unit owner" means the vendee, not the vendor, of a unit under a real estate contract.

(45) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur. [2021 c 227 s 4. Prior: 2011 c 189 s 1; 2008 c 115 s 8; 2004 c 201 s 9; 1992 c 220 s 2; 1990 c 166 s 1; 1989 c 43 s 1-103.]

Reviser's note: The definitions in this section have been alphabetized pursuant to RCW 1.08.015(2)(k).

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.34.030 Variation by agreement. (Effective until January 1, 2028.) Except as expressly provided in this chapter, provisions of this chapter may not be varied by agreement, and rights conferred by this chapter may not be waived. A declarant may not act under a power of attorney or use any other device to evade the limitations or prohibitions of this chapter or the declaration. [1989 c 43 s 1-104.]

RCW 64.34.040 Separate interests—Taxation. (Effective until January 1, 2028.) (1) If there is any unit owner other than a declarant, each unit that has been created, together with its interest in the common elements, constitutes for all purposes a separate parcel of real property.

(2) If there is any unit owner other than a declarant, each unit together with its interest in the common elements must be separately taxed and assessed.

(3) If a development right has an ascertainable market value, the development right shall constitute a separate parcel of real property for property tax purposes and must be separately taxed and assessed to the declarant.

(4) If there is no unit owner other than a declarant, the real property comprising the condominium may be taxed and assessed in any manner provided by law. [1992 c 220 s 3; 1989 c 43 s 1-105.]

RCW 64.34.050 Local ordinances, regulations, and building codes—Applicability. (Effective until January 1, 2028.) (1) A zoning, subdivision, building code, or other real property law, ordinance, or regulation may not prohibit the condominium form of ownership or impose any requirement upon a condominium which it would not impose upon a physically identical development under a different form of ownership. Otherwise, no provision of this chapter invalidates or modifies any provision of any zoning, subdivision, building code, or other real property use law, ordinance, or regulation.

(2) This section shall not prohibit a county legislative authority from requiring the review and approval of declarations and amendments thereto and termination agreements executed pursuant to RCW 64.34.268(2) by the county assessor solely for the purpose of allocating the assessed value and property taxes. The review by the assessor shall be done in a reasonable and timely manner. [1989 c 43 s 1-106.]

RCW 64.34.060 Condemnation. (Effective until January 1, 2028.) (1) If a unit is acquired by condemnation, or if part of a unit is acquired by condemnation leaving the unit owner with a remnant of a unit which may not practically or lawfully be used for any purpose permitted by the declaration, the award must compensate the unit owner for the owner's unit and its appurtenant interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association shall promptly prepare, execute, and record an amendment to the declaration reflecting the

reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(2) Except as provided in subsection (1) of this section, if part of a unit is acquired by condemnation, the award must compensate the unit owner for the reduction in value of the unit and its appurtenant interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides: (a) That unit's allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and (b) the portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

(3) If part of the common elements is acquired by condemnation the portion of the award attributable to the common elements taken shall be paid to the owners based on their respective interests in the common elements unless the declaration provides otherwise. Unless the declaration provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

(4) The court judgment shall be recorded in every county in which any portion of the condominium is located.

(5) Should the association not act, based on a right reserved to the association in the declaration, on the owners' behalf in a condemnation process, the affected owners may individually or jointly act on their own behalf. [1989 c 43 s 1-107.]

RCW 64.34.070 Law applicable—General principles. (Effective until January 1, 2028.) [1989 c 43 s 1-108.]

[2005 c 456 s 21.]

Effective date—2005 c 456: See RCW 64.55.901.

(2) Pursuant to RCW 64.90.365, the following provisions of chapter 64.90 RCW apply, and any inconsistent provisions of this chapter do not apply, to a common interest community created before July 1, 2018:

(a) RCW 64.90.370;
(b) RCW 64.90.405(1) (b) and (c);
(c) RCW 64.90.525; and
(d) RCW 64.90.545. [2024 c 321 s 434; 2019 c 238 s 218; 2018 c 277 s 504.]

Effective date—2018 c 277: See RCW 64.90.910.

RCW 64.34.080 Contracts—Unconscionability. (Effective until January 1, 2028.) (1) The court, upon finding as a matter of law that a contract or contract clause was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause in order to avoid an unconscionable result.

(2) Whenever it is claimed, or appears to the court, that a contract or any contract clause is or may be unconscionable, the parties, in order to aid the court in making the determination, shall be afforded a reasonable opportunity to present evidence as to:

(a) The commercial setting of the negotiations;
(b) Whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his or her interests by reason of physical or mental infirmity, illiteracy, or inability to understand the language of the agreement or similar factors;
(c) The effect and purpose of the contract or clause; and
(d) If a sale, any gross disparity at the time of contracting between the amount charged for the real property and the value of the real property measured by the price at which similar real property was readily obtainable in similar transactions, but a disparity between the contract price and the value of the real property measured by the price at which similar real property was readily obtainable in similar transactions does not, of itself, render the contract unconscionable. [1989 c 43 s 1-111.]

RCW 64.34.090 Obligation of good faith. (Effective until January 1, 2028.) Every contract or duty governed by this chapter imposes an obligation of good faith in its performance or enforcement. [1989 c 43 s 1-112.]

RCW 64.34.100 Remedies liberally administered. (Effective until January 1, 2028.) (1) The remedies provided by this chapter shall be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However,

consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

(2) Except as otherwise provided in RCW 64.55.100 through 64.55.160 or chapter 64.35 RCW, any right or obligation declared by this chapter is enforceable by judicial proceeding. The arbitration proceedings provided for in RCW 64.55.100 through 64.55.160 shall be considered judicial proceedings for the purposes of this chapter. [2005 c 456 s 20; 2004 c 201 s 2; 1989 c 43 s 1-113.]

A declaration created after July 23, 2023, and applicable to an area within a city subject to the middle housing requirements in RCW 36.70A.635 may not actively or effectively prohibit the construction, development, or use of additional housing units as required in RCW 36.70A.635. [2023 c 332 s 10.]

Finding—2023 c 332: See note following RCW 36.70A.635.

RCW 64.34.120 New declaration—Accessory dwelling units. (Effective until January 1, 2028.) (1) Except a declaration created to protect public health and safety, and ground and surface waters from on-site wastewater, a declaration created after July 23, 2023, and applicable to a property located within an urban growth area may not impose any restriction or prohibition on the construction, development, or use on a lot of an accessory dwelling unit that the city or county in which the urban growth area is located would be prohibited from imposing under RCW 36.70A.681.

(2) For the purposes of this section, "urban growth area" has the same meaning as in RCW 36.70A.030.

(3) A city or county issuing a permit for the construction of an accessory dwelling unit may not be held civilly liable on the basis that the construction of the accessory dwelling unit would violate a restrictive covenant or deed restriction. [2023 c 334 s 9.]

ARTICLE 2

CREATION, ALTERATION, AND TERMINATION OF CONDOMINIUMS

RCW 64.34.200 Creation of condominium. (Effective until January 1, 2028.) (1) A condominium may be created pursuant to this chapter only by recording a declaration executed by the owner of the interest subject to this chapter in the same manner as a deed and by simultaneously recording a survey map and plans pursuant to RCW 64.34.232. The declaration and survey map and plans must be recorded in every county in which any portion of the condominium is located, and the condominium shall not have the same name as any other existing condominium, whether created under this chapter or under chapter 64.32 RCW, in any county in which the condominium is located.

(2) A declaration or an amendment to a declaration adding units to a condominium may not be recorded unless (a) all structural components and mechanical systems of all buildings containing or

comprising any units thereby created are substantially completed as evidenced by a recorded certificate of completion executed by the declarant which certificate may be included in the declaration or the amendment, the survey map and plans to be recorded pursuant to RCW 64.34.232, or a separately recorded written instrument, and (b) all horizontal and vertical boundaries of such units are substantially completed in accordance with the plans required to be recorded by RCW 64.34.232, as evidenced by a recorded certificate of completion executed by a licensed surveyor. [1992 c 220 s 4; 1990 c 166 s 2; 1989 c 43 s 2-101.]

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.202 Reservation of condominium name. (Effective until January 1, 2028.) Upon the filing of a written request with the county office in which the declaration is to be recorded, using such form of written request as may be required by the county office and paying such fee as the county office may establish not in excess of fifty dollars, a person may reserve the exclusive right to use a particular name for a condominium to be created in that county. The name being reserved shall not be identical to any other condominium or subdivision plat located in that county, and such name reservation shall automatically lapse unless within three hundred sixty-five days from the date on which the name reservation is filed the person reserving that name either records a declaration using the reserved name or files a new name reservation request. [1992 c 220 s 5.]

RCW 64.34.204 Unit boundaries. (Effective until January 1, 2028.) Except as provided by the declaration:

(1) The walls, floors, or ceilings are the boundaries of a unit, and all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(2) If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(3) Subject to the provisions of subsection (2) of this section, all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(4) Any shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, patios, and all exterior doors and windows or other fixtures designed to serve a single unit, but which are located outside the unit's boundaries, are limited common elements allocated exclusively to that unit. [1992 c 220 s 6; 1989 c 43 s 2-102.]

RCW 64.34.208 Declaration and bylaws—Construction and validity. (Effective until January 1, 2028.) (1) All provisions of the declaration and bylaws are severable.

(2) The rule against perpetuities may not be applied to defeat any provision of the declaration, bylaws, rules, or regulations adopted pursuant to RCW 64.34.304(1)(a).

(3) In the event of a conflict between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

(4) The creation of a condominium shall not be impaired and title to a unit and common elements shall not be rendered unmarketable or otherwise affected by reason of an insignificant failure of the declaration or survey map and plans or any amendment thereto to comply with this chapter. Whether a significant failure impairs marketability shall not be determined by this chapter. [1989 c 43 s 2-103.]

RCW 64.34.212 Description of units. (Effective until January 1, 2028.) A description of a unit which sets forth the name of the condominium, the recording number for the declaration, the county in which the condominium is located, and the identifying number of the unit is a sufficient legal description of that unit and all rights, obligations, and interests appurtenant to that unit which were created by the declaration or bylaws. [1989 c 43 s 2-104.]

RCW 64.34.216 Contents of declaration. (Effective until January 1, 2028.) (1) The declaration for a condominium must contain:

(k) If any development right may be exercised with respect to different parcels of real property at different times, a statement to that effect together with: (i) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each development right, or a statement that no assurances are made in those regards; and (ii) a statement as to whether, if any development right is exercised in any portion of the real property subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real property;

Reviser's note: *(1) RCW 64.34.020 was amended by 2008 c 115 s 8, changing subsection (29) to subsection (36). RCW 64.34.020 was subsequently alphabetized pursuant to RCW 1.08.015(2)(k), changing subsection (36) to subsection (39), effective January 1, 2012. RCW 64.34.020 was subsequently alphabetized pursuant to RCW 1.08.015(2)(k), changing subsection (39) to subsection (40).

** (2) RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (4) to subsection (5), effective January 1, 2012.

RCW 64.34.220 Leasehold condominiums. (Effective until January 1, 2028.) (1) Any lease, the expiration or termination of which may terminate the condominium or reduce its size, or a memorandum thereof, shall be recorded. Every lessor of those leases must sign the declaration, and the declaration shall state:

(a) The recording number of the lease or a statement of where the complete lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legal description of the real property subject to the lease;

(d) Any right of the unit owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the unit owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(2) The declaration may provide for the collection by the association of the proportionate rents paid on the lease by the unit owners and may designate the association as the representative of the unit owners on all matters relating to the lease.

(3) If the declaration does not provide for the collection of rents by the association, the lessor may not terminate the interest of a unit owner who makes timely payment of the owner's share of the rent and otherwise complies with all covenants other than the payment of rent which, if violated, would entitle the lessor to terminate the lease.

(4) Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired and the owner thereof records a document confirming the merger.

(5) If the expiration or termination of a lease decreases the number of units in a condominium, the allocated interests shall be reallocated in accordance with RCW 64.34.060(1) as though those units had been taken by condemnation. Reallocations shall be confirmed by an amendment to the declaration and survey map and plans prepared, executed, and recorded by the association. [1989 c 43 s 2-106.]

RCW 64.34.224 Common element interests, votes, and expenses—

Allocation. (Effective until January 1, 2028.) (1) The declaration shall allocate a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association, to each unit and state the formulas or methods used to establish those allocations. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) If units may be added to or withdrawn from the condominium, the declaration shall state the formulas or methods to be used to reallocate the allocated interests among all units included in the condominium after the addition or withdrawal.

(3) The declaration may provide: (a) For cumulative voting only for the purpose of electing members of the board of directors; and (b) for class voting on specified issues affecting the class if necessary to protect valid interests of the class. A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter, nor may units constitute a class because they are owned by a declarant.

(4) Except for minor variations due to rounding, the sum of the undivided interests in the common elements and common expense liabilities allocated at any time to all the units must each equal one

if stated as fractions or one hundred percent if stated as percentages. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(5) Except where permitted by other sections of this chapter, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void. [1992 c 220 s 8; 1989 c 43 s 2-107.]

RCW 64.34.228 Limited common elements. (Effective until January 1, 2028.) (1) Except for the limited common elements described in RCW 64.34.204 (2) and (4), the declaration shall specify to which unit or units each limited common element is allocated.

(2) Except in the case of a reallocation being made by a declarant pursuant to a development right reserved in the declaration, a limited common element may only be reallocated between units with the approval of the board of directors and by an amendment to the declaration executed by the owners of the units to which the limited common element was and will be allocated. The board of directors shall approve the request of the owner or owners under this subsection within thirty days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board of directors to act upon a request within such period shall be deemed approval thereof. The amendment shall be recorded in the names of the parties and of the condominium.

(3) Unless otherwise provided in the declaration, the owners of units to which at least sixty-seven percent of the votes are allocated, including the owner of the unit to which the limited common element will be assigned or incorporated, must agree to reallocate a common element as a limited common element or to incorporate a common element or a limited common element into an existing unit. Such reallocation or incorporation shall be reflected in an amendment to the declaration, survey map, or plans. [1992 c 220 s 9; 1989 c 43 s 2-108.]

RCW 64.34.232 Survey maps and plans. (Effective until January 1, 2028.) (1) A survey map and plans executed by the declarant shall be recorded simultaneously with, and contain cross-references by recording number to, the declaration and any amendments. The survey map and plans must be clear and legible and contain a certification by the person making the survey or the plans that all information required by this section is supplied. All plans filed shall be in such style, size, form and quality as shall be prescribed by the recording authority of the county where filed, and a copy shall be delivered to the county assessor.

(2) Each survey map shall show or state:

(a) The name of the condominium and a legal description and a survey of the land in the condominium and of any land that may be added to the condominium;

(b) The boundaries of all land not subject to development rights, or subject only to the development right to withdraw, and the location

and dimensions of all existing buildings containing units on that land;

(c) The boundaries of any land subject to development rights, labeled "SUBJECT TO DEVELOPMENT RIGHTS SET FORTH IN THE DECLARATION"; any land that may be added to the condominium shall also be labeled "MAY BE ADDED TO THE CONDOMINIUM"; any land that may be withdrawn from the condominium shall also be labeled "MAY BE WITHDRAWN FROM THE CONDOMINIUM";

(d) The extent of any encroachments by or upon any portion of the condominium;

(e) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the condominium and any unrecorded easements of which a surveyor knows or reasonably should have known, based on standard industry practices, while conducting the survey;

(f) Subject to the provisions of subsection (8) of this section, the location and dimensions of any vertical unit boundaries not shown or projected on plans recorded under subsection (4) of this section and that unit's identifying number;

(g) The location with reference to an established datum of any horizontal unit boundaries not shown or projected on plans recorded under subsection (4) of this section and that unit's identifying number;

(h) The location and dimensions of any real property in which the unit owners will own only an estate for years, labeled as "leasehold real property";

(i) The distance between any noncontiguous parcels of real property comprising the condominium;

(j) The general location of any existing principal common amenities listed in a public offering statement under RCW 64.34.410(1)(j) and any limited common elements, including limited common element porches, balconies, patios, parking spaces, and storage facilities, but not including the other limited common elements described in RCW 64.34.204 (2) and (4);

(k) In the case of real property not subject to development rights, all other matters customarily shown on land surveys.

(3) A survey map may also show the intended location and dimensions of any contemplated improvement to be constructed anywhere within the condominium. Any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(4) To the extent not shown or projected on the survey map, plans of the existing units must show or project:

(a) Subject to the provisions of subsection (8) of this section, the location and dimensions of the vertical boundaries of each unit, and that unit's identifying number;

(b) Any horizontal unit boundaries, with reference to an established datum, and that unit's identifying number; and

(c) Any units in which the declarant has reserved the right to create additional units or common elements under RCW 64.34.236(3), identified appropriately.

(5) Unless the declaration provides otherwise, the horizontal boundaries of part of a unit located outside of a building have the same elevation as the horizontal boundaries of the inside part and in such case need not be depicted on the survey map and plans.

(6) Upon exercising any development right, the declarant shall record either a new survey map and plans necessary to conform to the requirements of subsections (1), (2), and (3) of this section or new

certifications of a survey map and plans previously recorded if the documents otherwise conform to the requirements of those subsections.

(7) Any survey map, plan, or certification required by this section shall be made by a licensed surveyor.

(8) In showing or projecting the location and dimensions of the vertical boundaries of a unit under subsections (2)(f) and (4)(a) of this section, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the survey map under subsection (2)(b) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building. [1997 c 400 s 2; 1992 c 220 s 10; 1989 c 43 s 2-109.]

RCW 64.34.236 Development rights. (Effective until January 1, 2028.) (1) To exercise any development right reserved under RCW 64.34.216(1)(j), the declarant shall prepare, execute, and record an amendment to the declaration under RCW 64.34.264, and comply with RCW 64.34.232. The declarant is the unit owner of any units thereby created. The amendment to the declaration shall assign an identifying number to each new unit created, and, except in the case of subdivision or conversion of units described in subsection (2) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common elements thereby created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required by RCW 64.34.228.

(2) Development rights may be reserved within any real property added to the condominium if the amendment adding that real property includes all matters required by RCW 64.34.216 or 64.34.220, as the case may be, and the survey map and plans include all matters required by RCW 64.34.232. This provision does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to RCW 64.34.216(1)(j).

(3) Whenever a declarant exercises a development right to subdivide or convert a unit previously created into additional units, common elements, or both:

(a) If the declarant converts the unit entirely to common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under RCW 64.34.060.

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable and equitable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to RCW 64.34.216(1)(j), that all or a portion of the real property is subject to the development right of withdrawal:

(a) If all the real property is subject to withdrawal, and the declaration or survey map or amendment thereto does not describe

separate portions of real property subject to that right, none of the real property may be withdrawn if a unit in that portion of the real property is owned by a person other than the declarant; and

(b) If a portion or portions are subject to withdrawal as described in the declaration or in the survey map or in any amendment thereto, no portion may be withdrawn if a unit in that portion of the real property is owned by a person other than the declarant. [1989 c 43 s 2-110.]

RCW 64.34.240 Alterations of units. (Effective until January 1, 2028.) Subject to the provisions of the declaration and other provisions of law, a unit owner:

(1) May make any improvements or alterations to the owner's unit that do not affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the condominium;

(2) May not change the appearance of the common elements or the exterior appearance of a unit without permission of the association;

(3) After acquiring an adjoining unit or an adjoining part of an adjoining unit may, with approval of the board of directors, remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not adversely affect the structural integrity or mechanical or electrical systems or lessen the support of any portion of the condominium. Removal of partitions or creation of apertures under this subsection is not a relocation of boundaries. The board of directors shall approve a unit owner's request, which request shall include the plans and specifications for the proposed removal or alteration, under this subsection within thirty days, or within such other period provided by the declaration, unless the proposed alteration does not comply with this chapter or the declaration or impairs the structural integrity or mechanical or electrical systems in the condominium. The failure of the board of directors to act upon a request within such period shall be deemed approval thereof. [1989 c 43 s 2-111.]

RCW 64.34.244 Relocation of boundaries—Adjoining units. (Effective until January 1, 2028.) (1) Subject to the provisions of the declaration and other provisions of law, the boundaries between adjoining units may only be relocated by an amendment to the declaration upon application to the association by the owners of those units. If the owners of the adjoining units have specified a reallocation between their units of their allocated interests, the application must state the proposed reallocations. Unless the board of directors determines within thirty days, or such other period provided in the declaration, that the reallocations are unreasonable, the association shall prepare an amendment that identifies the units involved, states the reallocations, is executed by those unit owners, contains words of conveyance between them, and is recorded in the name of the grantor and the grantee.

(2) The association shall obtain and record survey maps or plans complying with the requirements of RCW 64.34.232(4) necessary to show the altered boundaries between adjoining units and their dimensions and identifying numbers. [1989 c 43 s 2-112.]

RCW 64.34.248 Subdivision of units. (Effective until January 1, 2028.) (1) If the declaration permits, a unit may be subdivided into two or more units. Subject to the provisions of the declaration and other provisions of law, upon application of a unit owner to subdivide a unit, the association shall prepare, execute, and record an amendment to the declaration, including survey maps and plans, subdividing that unit.

(2) The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit to the new units in any reasonable and equitable manner prescribed by the owner of the subdivided unit. [1989 c 43 s 2-113.]

RCW 64.34.252 Monuments as boundaries. (Effective until January 1, 2028.) The physical boundaries of a unit constructed in substantial accordance with the original survey map and set of plans thereof become its boundaries rather than the metes and bounds expressed in the survey map or plans, regardless of settling or lateral movement of the building or minor variance between boundaries shown on the survey map or plans and those of the building. This section does not relieve a declarant or any other person of liability for failure to adhere to the survey map and plans. [1989 c 43 s 2-114.]

RCW 64.34.256 Use by declarant. (Effective until January 1, 2028.) A declarant may maintain sales offices, management offices, and models in units or on common elements in the condominium only if the declaration so provides and specifies the rights of a declarant with regard to the number, location, and relocation thereof. Any sales office, management office, or model not designated a unit by the declaration is a common element and, if a declarant ceases to be a unit owner, the declarant ceases to have any rights with regard thereto unless it is removed promptly from the condominium in accordance with a right to remove reserved in the declaration. Subject to any limitations in the declaration, a declarant may maintain signs on the common elements advertising the condominium. The provisions of this section are subject to the provisions of other state law and to local ordinances. [1992 c 220 s 11; 1989 c 43 s 2-115.]

RCW 64.34.260 Easement rights—Common elements. (Effective until January 1, 2028.) Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging a declarant's obligations or exercising special declarant rights, whether arising under this chapter or reserved in the declaration. [1989 c 43 s 2-116.]

RCW 64.34.264 Amendment of declaration. (Effective until January 1, 2028.) (1) Except in cases of amendments that may be executed by a declarant under RCW 64.34.232(6) or 64.34.236; the association under RCW 64.34.060, 64.34.220(5), 64.34.228(3), 64.34.244(1), 64.34.248, or

64.34.268(8); or certain unit owners under RCW 64.34.228(2), 64.34.244(1), 64.34.248(2), or 64.34.268(2), and except as limited by subsection (4) of this section, the declaration, including the survey maps and plans, may be amended only by vote or agreement of unit owners of units to which at least sixty-seven percent of the votes in the association are allocated, or any larger percentage the declaration specifies: PROVIDED, That the declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential use.

(2) No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the condominium is located, and is effective only upon recording. An amendment shall be indexed in the name of the condominium and shall contain a cross-reference by recording number to the declaration and each previously recorded amendment thereto.

(4) Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may create or increase special declarant rights, increase the number of units, change the boundaries of any unit, the allocated interests of a unit, or the uses to which any unit is restricted, in the absence of the vote or agreement of the owner of each unit particularly affected and the owners of units to which at least ninety percent of the votes in the association are allocated other than the declarant or such larger percentage as the declaration provides.

(5) Amendments to the declaration required by this chapter to be recorded by the association shall be prepared, executed, recorded, and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

(6) No amendment may restrict, eliminate, or otherwise modify any special declarant right provided in the declaration without the consent of the declarant and any mortgagee of record with a security interest in the special declarant right or in any real property subject thereto, excluding mortgagees of units owned by persons other than the declarant. [1989 c 43 s 2-117.]

RCW 64.34.268 Termination of condominium. (Effective until January 1, 2028.) (1) Except in the case of a taking of all the units by condemnation under RCW 64.34.060, a condominium may be terminated only by agreement of unit owners of units to which at least eighty percent of the votes in the association are allocated, or any larger percentage the declaration specifies: PROVIDED, That the declaration may specify a smaller percentage only if all of the units in the condominium are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement will be void unless it is recorded before that date and shall contain a description of the manner in which the creditors of the association will be paid or provided for. A termination agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium is situated and is effective only upon

recording. A termination agreement may be amended by complying with all of the requirements of this section.

(3) A termination agreement may provide that all the common elements and units of the condominium shall be sold following termination. If, pursuant to the agreement, any real property in the condominium is to be sold following termination, the termination agreement must set forth the minimum terms of the sale.

(4) The association, on behalf of the unit owners, may contract for the sale of real property in the condominium, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real property in the condominium is to be sold following termination, title to that real property, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in proportion to the respective interests of unit owners as provided in subsection (7) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real property, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit. During the period of that occupancy, each unit owner and the owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners by this chapter or the declaration.

(5) If the real property constituting the condominium is not to be sold following termination, title to all the real property in the condominium vests in the unit owners upon termination as tenants in common in proportion to their respective interests as provided in subsection (7) of this section, and liens on the units shift accordingly. While the tenancy in common exists, each unit owner and the owner's successors in interest have an exclusive right to occupancy of the portion of the real property that formerly constituted the owner's unit.

(6) Following termination of the condominium, the proceeds of any sale of real property, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units and creditors of the association as their interests may appear. No such proceeds or assets may be disbursed to the owners until all of the creditors of the association have been paid or provided for. Following termination, creditors of the association holding liens on the units, which were recorded or perfected under RCW 4.64.020 before termination, may enforce those liens in the same manner as any lienholder.

(7) The respective interests of unit owners referred to in subsections (4), (5), and (6) of this section are as follows:

(a) Except as provided in (b) of this subsection, the respective interests of unit owners are the fair market values of their units, limited common elements, and common element interests immediately before the termination, as determined by one or more independent appraisers selected by the association. The decision of the independent appraisers shall be distributed to the unit owners and becomes final unless disapproved, within thirty days after distribution, by unit owners of units to which twenty-five percent of

the votes in the association are allocated. The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and common element interest by the total fair market values of all the units and common elements.

(b) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value thereof before destruction cannot be made, the interests of all unit owners are their respective common element interests immediately before the termination.

(8) Except as provided in subsection (9) of this section, foreclosure or enforcement of a lien or encumbrance against the entire condominium does not of itself terminate the condominium, and foreclosure or enforcement of a lien or encumbrance against a portion of the condominium, other than withdrawable real property, does not withdraw that portion from the condominium. Foreclosure or enforcement of a lien or encumbrance against withdrawable real property does not of itself withdraw that real property from the condominium, but the person taking title thereto has the right to require from the association, upon request, an amendment excluding the real property from the condominium.

(9) If a lien or encumbrance against a portion of the real property that is withdrawable from the condominium has priority over the declaration, and the lien or encumbrance has not been partially released as to a unit, the purchaser at the foreclosure or such purchaser's successors may, upon foreclosure, record an instrument exercising the right to withdraw the real property subject to that lien or encumbrance from the condominium. The board of directors shall reallocate interests as if the foreclosed portion were condemned.

(10) The right of partition under chapter 7.52 RCW shall be suspended if an agreement to sell the property is provided for in the termination agreement pursuant to subsection (3) of this section. The suspension of the right to partition shall continue unless and until no binding obligation to sell exists three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever first occurs. [1992 c 220 s 12; 1989 c 43 s 2-118.]

RCW 64.34.272 Rights of secured lenders. (Effective until January 1, 2028.) The declaration may require that all or a specified number or percentage of the holders of mortgages encumbering the units approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to (1) deny or delegate control over the general administrative affairs of the association by the unit owners or the board of directors, or (2) prevent the association or the board of directors from commencing, intervening in, or settling any litigation or proceeding, or receiving and distributing any insurance proceeds except pursuant to RCW 64.34.352. With respect to any action requiring the consent of a specified number or percentage of mortgagees, the consent of only eligible mortgagees holding a first lien mortgage need be obtained and the percentage shall be based upon the votes attributable to units with respect to which eligible mortgagees have an interest. [1989 c 43 s 2-119.]

RCW 64.34.276 Master associations. (Effective until January 1, 2028.) (1) If the declaration provides that any of the powers described in RCW 64.34.304 are to be exercised by or may be delegated to a profit or nonprofit corporation which exercises those or other powers on behalf of a development consisting of one or more condominiums or for the benefit of the unit owners of one or more condominiums, all provisions of this chapter applicable to unit owners' associations apply to any such corporation, except as modified by this section.

(2) Unless a master association is acting in the capacity of an association described in RCW 64.34.300, it may exercise the powers set forth in RCW 64.34.304(1)(b) only to the extent expressly permitted in the declarations of condominiums which are part of the master association or expressly described in the delegations of power from those condominiums to the master association.

(3) If the declaration of any condominium provides that the board of directors may delegate certain powers to a master association, the members of the board of directors have no liability for the acts or omissions of the master association with respect to those powers following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in RCW 64.34.308, 64.34.332, 64.34.336, 64.34.340, and 64.34.348 apply in the conduct of the affairs of a master association only to those persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

(5) Notwithstanding the provisions of *RCW 64.34.308(6) with respect to the election of the board of directors of an association by all unit owners after the period of declarant control ends and even if a master association is also an association described in RCW 64.34.300, the certificate of incorporation or other instrument creating the master association and the declaration of each condominium, the powers of which are assigned by the declaration or delegated to the master association, must provide that the board of directors of the master association shall be elected after the period of declarant control in any of the following ways:

(a) All unit owners of all condominiums subject to the master association may elect all members of that board of directors.

(b) All members of the boards of directors of all condominiums subject to the master association may elect all members of that board of directors.

(c) All unit owners of each condominium subject to the master association may elect specified members of that board of directors.

(d) All members of the board of directors of each condominium subject to the master association may elect specified members of that board of directors. [1989 c 43 s 2-120.]

***Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (6) to subsection (7), effective January 1, 2012.

RCW 64.34.278 Delegation of power to subassociations. (Effective until January 1, 2028.) (1) If the declaration provides that any of the powers described in RCW 64.34.304 are to be exercised by or may be delegated to a profit or nonprofit corporation that exercises those or other powers on behalf of unit owners owning less than all of the units in a condominium, and where those unit owners share the

exclusive use of one or more limited common elements within the condominium or share some property or other interest in the condominium in common that is not shared by the remainder of the unit owners in the condominium, all provisions of this chapter applicable to unit owners' associations apply to any such corporation, except as modified by this section. The delegation of powers to a subassociation shall not be used to discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) A subassociation may exercise the powers set forth in RCW 64.34.304(1) only to the extent expressly permitted by the declaration of the condominium of which the units in the subassociation are a part of or expressly described in the delegations of power from that condominium to the subassociation.

(3) If the declaration of any condominium contains a delegation of certain powers to a subassociation, or provides that the board of directors of the condominium may make such a delegation, the members of the board of directors have no liability for the acts or omissions of the subassociation with respect to those powers so exercised by the subassociation following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners' association set forth in RCW 64.34.300 through 64.34.376 apply to the conduct of the affairs of a subassociation.

(5) Notwithstanding the provisions of *RCW 64.34.308(6) with respect to the election of the board of directors of an association by all unit owners after the period of declarant control ends, the board of directors of the subassociation shall be elected after the period of declarant control by the unit owners of all of the units in the condominium subject to the subassociation.

(6) The declaration of the condominium creating the subassociation may provide that the authority of the board of directors of the subassociation is exclusive with regard to the powers and responsibilities delegated to it. In the alternative, the declaration may provide as to some or all such powers that the authority of the board of directors of a subassociation is concurrent with and subject to the authority of the board of directors of the unit owners' association, in which case the declaration shall also contain standards and procedures for the review of the decisions of the board of directors of the subassociation and procedures for resolving any dispute between the board of the unit owners' association and the board of the subassociation. [1992 c 220 s 13.]

***Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (6) to subsection (7), effective January 1, 2012.

RCW 64.34.280 Merger or consolidation. (Effective until January 1, 2028.) (1) Any two or more condominiums, by agreement of the unit owners as provided in subsection (2) of this section, may be merged or consolidated into a single condominium. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant condominium is, for all purposes, the legal successor of all of the preexisting condominiums and the operations and activities of all associations of the preexisting condominiums shall be merged or consolidated into a single association which shall hold all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more condominiums to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting condominiums following approval by owners of units to which are allocated the percentage of votes in each condominium required to terminate that condominium. Any such agreement must be recorded in every county in which a portion of the condominium is located and is not effective until recorded.

(3) Every merger or consolidation agreement must provide for the reallocation of the allocated interests in the new association among the units of the resultant condominium either (a) by stating the reallocations or the formulas upon which they are based or (b) by stating the portion of overall allocated interests of the new condominium which are allocated to all of the units comprising each of the preexisting condominiums, and providing that the percentages allocated to each unit formerly comprising a part of the preexisting condominium in such portion must be equal to the percentages of allocated interests allocated to that unit by the declaration of the preexisting condominium.

(4) All merged or consolidated condominiums under this section shall comply with this chapter. [1989 c 43 s 2-121.]

with other persons. [2008 c 115 s 9; 1993 c 429 s 11; 1990 c 166 s 3; 1989 c 43 s 3-102.]

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.308 Board of directors and officers. (Effective until January 1, 2028.) (1) Except as provided in the declaration, the bylaws, subsection (2) of this section, or other provisions of this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors are required to exercise: (a) If appointed by the declarant, the care required of fiduciaries of the unit owners; or (b) if elected by the unit owners, ordinary and reasonable care.

(2) The board of directors shall not act on behalf of the association to amend the declaration in any manner that requires the vote or approval of the unit owners pursuant to RCW 64.34.264, to terminate the condominium pursuant to RCW 64.34.268, or to elect members of the board of directors or determine the qualifications, powers, and duties, or terms of office of members of the board of directors pursuant to subsection (7) of this section; but the board of directors may fill vacancies in its membership for the unexpired portion of any term.

(3) Except as provided in RCW 64.90.080, 64.90.405(1) (b) and (c), and 64.90.525, within thirty days after adoption of any proposed budget for the condominium, the board of directors shall provide a summary of the budget to all the unit owners and shall set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners shall be continued until such time as the unit owners ratify a subsequent budget proposed by the board of directors.

(4) As part of the summary of the budget provided to all unit owners, the board of directors shall disclose to the unit owners:

(a) The current amount of regular assessments budgeted for contribution to the reserve account, the recommended contribution rate from the reserve study, and the funding plan upon which the recommended contribution rate is based;

(b) If additional regular or special assessments are scheduled to be imposed, the date the assessments are due, the amount of the assessments per each unit per month or year, and the purpose of the assessments;

(c) Based upon the most recent reserve study and other information, whether currently projected reserve account balances will be sufficient at the end of each year to meet the association's obligation for major maintenance, repair, or replacement of reserve components during the next thirty years;

(d) If reserve account balances are not projected to be sufficient, what additional assessments may be necessary to ensure that sufficient reserve account funds will be available each year

during the next thirty years, the approximate dates assessments may be due, and the amount of the assessments per unit per month or year;

(e) The estimated amount recommended in the reserve account at the end of the current fiscal year based on the most recent reserve study, the projected reserve account cash balance at the end of the current fiscal year, and the percent funded at the date of the latest reserve study;

(f) The estimated amount recommended in the reserve account based upon the most recent reserve study at the end of each of the next five budget years, the projected reserve account cash balance in each of those years, and the projected percent funded for each of those years; and

(g) If the funding plan approved by the association is implemented, the projected reserve account cash balance in each of the next five budget years and the percent funded for each of those years.

(5) (a) Subject to subsection (6) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may: (i) Appoint and remove the officers and members of the board of directors; or (ii) veto or approve a proposed action of the board or association. A declarant's failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action shall be deemed approval by the declarant.

(b) Regardless of the period provided in the declaration, a period of declarant control terminates no later than the earlier of: (i) Sixty days after conveyance of seventy-five percent of the units which may be created to unit owners other than a declarant; (ii) two years after the last conveyance or transfer of record of a unit except as security for a debt; (iii) two years after any development right to add new units was last exercised; or (iv) the date on which the declarant records an amendment to the declaration pursuant to which the declarant voluntarily surrenders the right to further appoint and remove officers and members of the board of directors. A declarant may voluntarily surrender the right to appoint and remove officers and members of the board of directors before termination of that period pursuant to (i), (ii), and (iii) of this subsection (5) (b), but in that event the declarant may require, for the duration of the period of declarant control, that specified actions of the association or board of directors, as described in a recorded instrument executed by the declarant, be approved by the declarant before they become effective.

(6) Not later than sixty days after conveyance of twenty-five percent of the units which may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board of directors must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units which may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board of directors must be elected by unit owners other than the declarant.

(7) Within thirty days after the termination of any period of declarant control, the unit owners shall elect a board of directors of at least three members, at least a majority of whom must be unit owners. The number of directors need not exceed the number of units then in the condominium. The board of directors shall elect the

officers. Such members of the board of directors and officers shall take office upon election.

(8) Notwithstanding any provision of the declaration or bylaws to the contrary, the unit owners, by a two-thirds vote of the voting power in the association present and entitled to vote at any meeting of the unit owners at which a quorum is present, may remove any member of the board of directors with or without cause, other than a member appointed by the declarant. The declarant may not remove any member of the board of directors elected by the unit owners. Prior to the termination of the period of declarant control, the unit owners, other than the declarant, may remove by a two-thirds vote, any director elected by the unit owners. (2) Upon the transfer of control to the unit owners, the records of the association shall be audited as of the date of transfer by an independent certified public accountant in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, by two-thirds vote elect to waive the audit. The cost of the audit shall be a common expense unless otherwise provided in the declaration. The accountant performing the audit shall examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts, and related records to determine if the declarant was charged for and paid the proper amount of assessments. [2004 c 201 s 10; 1989 c 43 s 3-104.]

***Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (4) to subsection (5), effective January 1, 2012.

RCW 64.34.316 Special declarant rights—Transfer. (Effective until January 1, 2028.) (1) No special declarant right, as described in *RCW 64.34.020(29), created or reserved under this chapter may be transferred except by an instrument evidencing the transfer executed by the declarant or the declarant's successor and the transferee is recorded in every county in which any portion of the condominium is located. Each unit owner shall receive a copy of the recorded instrument, but the failure to furnish the copy shall not invalidate the transfer.

(2) Upon transfer of any special declarant right, the liability of a transferor declarant is as follows:

(a) A transferor is not relieved of any obligation or liability arising before the transfer and remains liable for warranty obligations imposed upon the transferor by this chapter. Lack of

privity does not deprive any unit owner of standing to maintain an action to enforce any obligation of the transferor.

(b) If a successor to any special declarant right is an affiliate of a declarant as described in RCW 64.34.020(1), the transferor is jointly and severally liable with the successor for any obligations or liabilities of the successor relating to the condominium.

(c) If a transferor retains any special declarant right, but transfers other special declarant rights to a successor who is not an affiliate of the declarant, the transferor is liable for any obligations or liabilities imposed on a declarant by this chapter or by the declaration relating to the retained special declarant rights arising after the transfer.

(d) A transferor has no liability for any act or omission or any breach of a contractual or warranty obligation arising from the exercise of a special declarant right by a successor declarant who is not an affiliate of the transferor.

(3) In case of foreclosure of a mortgage, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of any unit owned by a declarant or real property in a condominium subject to development rights, a person acquiring title to all the real property being foreclosed or sold succeeds to all special declarant rights related to that real property held by that declarant and to any rights reserved in the declaration pursuant to RCW 64.34.256 and held by that declarant to maintain models, sales offices, and signs, unless such person requests that all or any of such rights not be transferred. The instrument conveying title shall describe any special declarant rights not being transferred.

(4) Upon foreclosure of a mortgage, tax sale, judicial sale, or sale under bankruptcy code or receivership proceedings of all units and other real property in a condominium owned by a declarant:

(a) The declarant ceases to have any special declarant rights; and

(b) The period of declarant control as described in **RCW 64.34.308(4) terminates unless the judgment or instrument conveying title provides for transfer of all special declarant rights held by that declarant to a successor declarant.

(5) The liabilities and obligations of a person who succeeds to special declarant rights are as follows:

(a) A successor to any special declarant right who is an affiliate of a declarant is subject to all obligations and liabilities imposed on the transferor by this chapter or by the declaration;

(b) A successor to any special declarant right, other than a successor described in (c) or (d) of this subsection, who is not an affiliate of a declarant is subject to all obligations and liabilities imposed by this chapter or the declaration:

(i) On a declarant which relate to such successor's exercise or nonexercise of special declarant rights; or

(ii) On the declarant's transferor, other than:

(A) Misrepresentations by any previous declarant;

(B) Warranty obligations on improvements made by any previous declarant or made before the condominium was created;

(C) Breach of any fiduciary obligation by any previous declarant or the declarant's appointees to the board of directors; or

(D) Any liability or obligation imposed on the transferor as a result of the transferor's acts or omissions after the transfer;

(c) A successor to only a right reserved in the declaration to maintain models, sales offices, and signs as described in RCW

64.34.256, if the successor is not an affiliate of a declarant, may not exercise any other special declarant right and is not subject to any liability or obligation as a declarant, except the obligation to provide a public offering statement and any liability arising as a result thereof;

(d) A successor to all special declarant rights held by the successor's transferor who is not an affiliate of that declarant and who succeeded to those rights pursuant to a foreclosure, a deed in lieu of foreclosure, or a judgment or instrument conveying title to units under subsection (3) of this section may declare his or her intention in a recorded instrument to hold those rights solely for transfer to another person. Thereafter, until transferring all special declarant rights to any person acquiring title to any unit owned by the successor or until recording an instrument permitting exercise of all those rights, that successor may not exercise any of those rights other than any right held by the successor's transferor to control the board of directors in accordance with the provisions of **RCW 64.34.308(4) for the duration of any period of declarant control, and any attempted exercise of those rights is void. So long as a successor declarant may not exercise special declarant rights under this subsection, the successor is not subject to any liability or obligation as a declarant other than liability for the successor's acts and omissions under **RCW 64.34.308(4);

(e) Nothing in this section subjects any successor to a special declarant right to any claims against or other obligations of a transferor declarant, other than claims and obligations arising under this chapter or the declaration. [1989 c 43 s 3-105.]

RCW 64.34.320 Contracts and leases—Declarant—Termination.
(Effective until January 1, 2028.) If entered into before the board of directors elected by the unit owners pursuant to *RCW 64.34.308(6) takes office, (1) any management contract, employment contract, or lease of recreational or parking areas or facilities, (2) any other contract or lease between the association and a declarant or an affiliate of a declarant, or (3) any contract or lease that is not bona fide or was unconscionable to the unit owners at the time entered into under the circumstances then prevailing may be terminated without penalty by the association at any time after the board of directors elected by the unit owners pursuant to *RCW 64.34.308(6) takes office upon not less than ninety days' notice to the other party or within such lesser notice period provided for without penalty in the contract or lease. This section does not apply to any lease, the termination of which would terminate the condominium or reduce its size, unless the real property subject to that lease was included in the condominium for the purpose of avoiding the right of the association to terminate a lease under this section. [1989 c 43 s 3-106.]

***Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (6) to subsection (7), effective January 1, 2012.

RCW 64.34.324 Bylaws. (Effective until January 1, 2028.) (1) Unless provided for in the declaration, the bylaws of the association shall provide for:

(a) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(b) Election by the board of directors of such officers of the association as the bylaws specify;

(c) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(d) Which of its officers may prepare, execute, certify, and record amendments to the declaration on behalf of the association;

(e) The method of amending the bylaws; and

(f) A statement of the standard of care for officers and members of the board of directors imposed by RCW 64.34.308(1).

(2) Subject to the provisions of the declaration, the bylaws may provide for any other matters the association deems necessary and appropriate.

(3) In determining the qualifications of any officer or director of the association, notwithstanding the provision of *RCW 64.34.020(32) the term "unit owner" in such context shall, unless the declaration or bylaws otherwise provide, be deemed to include any director, officer, partner in, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner. Any officer or director of the association who would not be eligible to serve as such if he or she were not a director, officer, partner in, or trustee of such a person shall be disqualified from continuing in office if he or she ceases to have any such affiliation with that person, or if that person would have been disqualified from continuing in such office as a natural person. RCW 64.34.328 Upkeep of condominium. (Effective until January 1, 2028.) (1) Except to the extent provided by the declaration, subsection (2) of this section, or RCW 64.34.352(7), the association is responsible for maintenance, repair, and replacement of the common elements, including the limited common elements, and each unit owner is responsible for maintenance, repair, and replacement of the owner's unit. Each unit owner shall afford to the association and the other unit owners, and to their agents or employees, access through the owner's unit and limited common elements reasonably necessary for those purposes. If damage is inflicted on the common elements, or on any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, shall be liable for the repair thereof.

(2) In addition to the liability that a declarant as a unit owner has under this chapter, the declarant alone is liable for all expenses in connection with real property subject to development rights except that the declaration may provide that the expenses associated with the operation, maintenance, repair, and replacement of a common element that the owners have a right to use shall be paid by the association as a common expense. No other unit owner and no other portion of the condominium is subject to a claim for payment of those expenses. Unless the declaration provides otherwise, any income or proceeds from real property subject to development rights inures to the declarant. [1989 c 43 s 3-108.]

RCW 64.34.332 Meetings. (Effective until January 1, 2028.) (1)

A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by unit owners having twenty percent or any lower percentage specified in the declaration or bylaws of the votes in the association. Not less than fourteen nor more than fifty days in advance of any meeting, the secretary or other officer specified in the bylaws shall cause notice to be provided in accordance with this chapter. The notice of any meeting shall state the time and place of the meeting and the items on the agenda to be voted on by the members, including the general nature of any proposed amendment to the declaration or bylaws, changes in the previously approved budget that result in a change in assessment obligations, and any proposal to remove a director or officer.

(2) Except as otherwise restricted by the declaration, bylaws, or articles of incorporation, meetings of unit owners may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all unit owners the opportunity to hear or perceive the discussion and to comment. [2021 c 227 s 5; 1989 c 43 s 3-109.]

RCW 64.34.336 Quorums. (Effective until January 1, 2028.) (1)

Unless the bylaws specify a larger percentage, a quorum is present throughout any meeting of the association if the owners of units to which twenty-five percent of the votes of the association are allocated are present in person or by proxy at the beginning of the meeting.

(2) Unless the bylaws specify a larger percentage, a quorum is deemed present throughout any meeting of the board of directors if persons entitled to cast fifty percent of the votes on the board of directors are present at the beginning of the meeting. [1989 c 43 s 3-110.]

RCW 64.34.340 Voting—In person, absentee ballots, proxies.

(Effective until January 1, 2028.) (1) Unit owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, unit owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of unit owners the following requirements apply:

(a) Unit owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of unit owners, as designated by the person presiding at the meeting.

(b) If only one of several unit owners of a unit is present, that unit owner is entitled to cast all the votes allocated to that unit. If more than one of the unit owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the unit owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the unit owners casts the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other unit owners of the unit.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When a unit owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) If a unit is owned by more than one person, each unit owner of the unit may vote or register protest to the casting of votes by the other unit owners of the unit through a duly executed proxy.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days

after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every unit owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b) (i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board of directors may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(8) Unit owners must also be given notice, in the manner provided in RCW 64.34.396, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association. [2021 c 227 s 6; 1992 c 220 s 17; 1989 c 43 s 3-111.]

RCW 64.34.344 Tort and contract liability. (Effective until January 1, 2028.) Neither the association nor any unit owner except the declarant is liable for that declarant's torts in connection with any part of the condominium which that declarant has the responsibility to maintain. Otherwise, an action alleging a wrong done by the association must be brought against the association and not against any unit owner or any officer or director of the association. Unless the wrong was done by a unit owner other than the declarant, if the wrong by the association occurred during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit owner: (1) For all tort losses not covered by insurance suffered by the association or that unit owner; and (2) for all costs which the association would not have incurred but for a breach of contract or other wrongful act or omission by the association. If the declarant does not defend the action and is determined to be liable to the association under this section, the declarant is also liable for all litigation expenses, including reasonable attorneys' fees, incurred by the association in such defense. Any statute of limitations affecting the association's right of action under this section is tolled until the period of declarant control terminates. A unit owner is not precluded from bringing an action contemplated by this section because he or she is a unit owner or a member or officer of the association. Liens resulting from judgments against the association are governed by RCW 64.34.368. [1989 c 43 s 3-112.]

RCW 64.34.348 Common elements—Conveyance—Encumbrance. (Effective until January 1, 2028.) (1) Portions of the common elements which are not necessary for the habitability of a unit may be conveyed or subjected to a security interest by the association if the owners of units to which at least eighty percent of the votes in the association are allocated, including eighty percent of the votes allocated to units not owned by a declarant or an affiliate of a declarant, or any larger percentage the declaration specifies, agree to that action; but all the owners of units to which any limited common element is allocated must agree in order to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage, but not less than sixty-seven percent of the votes not held by a declarant or an affiliate of a declarant, only if all of the units are restricted exclusively to nonresidential uses. Proceeds of the sale or financing are an asset of the association. The declaration may provide for a special allocation or distribution of the proceeds of the sale or refinancing of a limited common element.

(2) An agreement to convey common elements or subject them to a security interest must be evidenced by the execution of an agreement, or ratifications thereof, in the same manner as a deed, by the requisite number of unit owners. The agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications thereof must be recorded in every county in which a portion of the condominium is situated and is effective only upon recording.

(3) The association, on behalf of the unit owners, may contract to convey common elements or subject them to a security interest, but

the contract is not enforceable against the association until approved pursuant to subsections (1) and (2) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

(4) Any purported conveyance, encumbrance, or other voluntary transfer of common elements, unless made pursuant to this section, is void.

(5) A conveyance or encumbrance of common elements pursuant to this section shall not deprive any unit of its rights of access and support.

(6) A conveyance or encumbrance of common elements pursuant to this section shall not affect the priority or validity of preexisting encumbrances. [1989 c 43 s 3-113.]

RCW 64.34.352 Insurance. (Effective until January 1, 2028.) (1)

Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available:

(a) Property insurance on the condominium, which may, but need not, include equipment, improvements, and betterments in a unit installed by the declarant or the unit owners, insuring against all risks of direct physical loss commonly insured against. The total amount of insurance after application of any deductibles shall be not less than eighty percent, or such greater amount specified in the declaration, of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies; and

(b) Liability insurance, including medical payments insurance, in an amount determined by the board of directors but not less than the amount specified in the declaration, covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

(2) If the insurance described in subsection (1) of this section is not reasonably available, or is modified, canceled, or not renewed, the association promptly shall cause notice of that fact to be provided to each unit owner in accordance with this chapter and hand-delivered or sent prepaid by first-class United States mail to each eligible mortgagee and to each mortgagee to whom a certificate or memorandum of insurance has been issued at their respective last known addresses. The declaration may require the association to carry any other insurance, and the association in any event may carry any other insurance it deems appropriate to protect the association or the unit owners.

(3) Insurance policies carried pursuant to subsection (1) of this section shall provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner, member of the owner's household, and lessee of the owner;

(c) No act or omission by any unit owner, unless acting within the scope of the owner's authority on behalf of the association, will void the policy or be a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(4) Any loss covered by the property insurance under subsection (1)(a) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a mortgage. The insurance trustee or the association shall hold any insurance proceeds in trust for unit owners and lienholders as their interests may appear. Subject to the provisions of subsection (7) of this section, the proceeds must be disbursed first for the repair or restoration of the damaged property, and unit owners and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored or the condominium is terminated.

(5) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the owner's own benefit.

(6) An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit owner or holder of a mortgage. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer shall not modify the amount or the extent of the coverage of the policy, or cancel or refuse to renew the policy without complying with this section.

(7) Any portion of the condominium for which insurance is required under this section which is damaged or destroyed shall be repaired or replaced promptly by the association unless: (a) The condominium is terminated; (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (c) eighty percent of the unit owners, including every owner of a unit or assigned limited common element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense. If all of the damaged or destroyed portions of the condominium are not repaired or replaced: (i) The insurance proceeds attributable to the damaged common elements shall be used to restore the damaged area to a condition compatible with the remainder of the condominium; (ii) the insurance proceeds attributable to units and limited common elements which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and (iii) the remainder of the proceeds shall be distributed to all the unit owners or lienholders, as their interests may appear, in proportion to the common element interests of all the units. If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.34.060(1), and the association promptly shall prepare, execute, and record an amendment to the declaration reflecting the reallocations. Notwithstanding the provisions of this

subsection, RCW 64.34.268 governs the distribution of insurance proceeds if the condominium is terminated.

(8) The provisions of this section may be varied or waived as provided in the declaration if all units of a condominium are restricted to nonresidential use. [2021 c 227 s 7; 1992 c 220 s 18; 1990 c 166 s 4; 1989 c 43 s 3-114.]

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.354 Insurance—Conveyance. (Effective until January 1, 2028.) Promptly upon the conveyance of a unit, the new unit owner shall notify the association of the date of the conveyance and the unit owner's name and address. The association shall notify each insurance company that has issued an insurance policy to the association for the benefit of the owners under RCW 64.34.352 of the name and address of the new owner and request that the new owner be made a named insured under such policy. [1990 c 166 s 8.]

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.356 Surplus funds. (Effective until January 1, 2028.) Unless otherwise provided in the declaration, any surplus funds of the association remaining after payment of or provision for common expenses and any prepayment of reserves shall, in the discretion of the board of directors, either be paid to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments. [1989 c 43 s 3-115.]

RCW 64.34.360 Common expenses—Assessments. (Effective until January 1, 2028.) (1) Until the association makes a common expense assessment, the declarant shall pay all common expenses. After any assessment has been made by the association, assessments must be made against all units, based on a budget adopted by the association. (2) Except for assessments under subsections (3), (4), and (5) of this section, all common expenses must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to RCW 64.34.224(1). Any past due common expense assessment or installment thereof bears interest at the rate established by the association pursuant to RCW 64.34.364.

(3) To the extent required by the declaration:

(a) Any common expense associated with the operation, maintenance, repair, or replacement of a limited common element shall be paid by the owner of or assessed against the units to which that limited common element is assigned, equally, or in any other proportion that the declaration provides;

(b) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited;

(c) The costs of insurance must be assessed in proportion to risk; and

(d) The costs of utilities must be assessed in proportion to usage.

(4) Assessments to pay a judgment against the association pursuant to RCW 64.34.368(1) may be made only against the units in the condominium at the time the judgment was entered in proportion to their allocated common expense liabilities at the time the judgment was entered.

(5) To the extent that any common expense is caused by the misconduct of any unit owner, the association may assess that expense against the owner's unit.

(6) If common expense liabilities are reallocated, common expense assessments and any installment thereof not yet due shall be recalculated in accordance with the reallocated common expense liabilities. [1990 c 166 s 5; 1989 c 43 s 3-116.]

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.364 Lien for assessments—Notice of delinquency—Second notice. (Effective until January 1, 2025.) (1) The association has a lien on a unit for any unpaid assessments levied against a unit from the time the assessment is due.

(2) A lien under this section shall be prior to all other liens and encumbrances on a unit except: (a) Liens and encumbrances recorded before the recording of the declaration; (b) a mortgage on the unit recorded before the date on which the assessment sought to be enforced became delinquent; and (c) liens for real property taxes and other governmental assessments or charges against the unit. A lien under this section is not subject to the provisions of chapter 6.13 RCW.

(3) Except as provided in subsections (4) and (5) of this section, the lien shall also be prior to the mortgages described in subsection (2)(b) of this section to the extent of assessments for common expenses, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.34.360(1) which would have become due during the six months immediately preceding the date of a sheriff's sale in an action for judicial foreclosure by either the association or a mortgagee, the date of a trustee's sale in a nonjudicial foreclosure by a mortgagee, or the date of recording of the declaration of forfeiture in a proceeding by the vendor under a real estate contract.

(4) The priority of the association's lien against units encumbered by a mortgage held by an eligible mortgagee or by a mortgagee which has given the association a written request for a notice of delinquent assessments shall be reduced by up to three months if and to the extent that the lien priority under subsection (3) of this section includes delinquencies which relate to a period after such holder becomes an eligible mortgagee or has given such notice and before the association gives the holder a written notice of the delinquency. This subsection does not affect the priority of mechanics' or material suppliers' liens, or the priority of liens for other assessments made by the association.

(5) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided by subsection (9) of this section, the association shall not be entitled to the lien priority provided for under subsection (3) of this section.

(6) Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same real estate, those liens have equal priority.

(7) Recording of the declaration constitutes record notice and perfection of the lien for assessments. While no further recording of any claim of lien for assessment under this section shall be required to perfect the association's lien, the association may record a notice of claim of lien for assessments under this section in the real property records of any county in which the condominium is located. Such recording shall not constitute the written notice of delinquency to a mortgagee referred to in subsection (2) of this section.

(8) A lien for unpaid assessments and the personal liability for payment of assessments is extinguished unless proceedings to enforce the lien or collect the debt are instituted within three years after the amount of the assessments sought to be recovered becomes due.

(9) The lien arising under this section may be enforced judicially by the association or its authorized representative in the manner set forth in chapter 61.12 RCW. The lien arising under this section may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration (a) contains a grant of the condominium in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, (b) contains a power of sale, (c) provides in its terms that the units are not used principally for agricultural or farming purposes, and (d) provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative shall have the power, unless prohibited by the declaration, to purchase the unit at the foreclosure sale and to acquire, hold, lease, mortgage, or convey the same. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption shall be eight months. Nothing in this section shall prohibit an association from taking a deed in lieu of foreclosure.

(10) From the time of commencement of an action by the association to foreclose a lien for nonpayment of delinquent assessments against a unit that is not occupied by the owner thereof, the association shall be entitled to the appointment of a receiver to collect from the lessee thereof the rent for the unit as and when due. If the rental is not paid, the receiver may obtain possession of the unit, refurbish it for rental up to a reasonable standard for rental units in this type of condominium, rent the unit or permit its rental to others, and apply the rents first to the cost of the receivership and attorneys' fees thereof, then to the cost of refurbishing the unit, then to applicable charges, then to costs, fees, and charges of the foreclosure action, and then to the payment of the delinquent assessments. Only a receiver may take possession and collect rents under this subsection, and a receiver shall not be appointed less than 90 days after the delinquency. The exercise by the association of the foregoing rights shall not affect the priority of preexisting liens on the unit.

(11) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure shall not be liable for assessments or installments thereof that became due prior to such right of possession. Such unpaid assessments shall be deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior owner of personal liability for

assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(12) In addition to constituting a lien on the unit, each assessment shall be the joint and several obligation of the owner or owners of the unit to which the same are assessed as of the time the assessment is due. In a voluntary conveyance, the grantee of a unit shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Suit to recover a personal judgment for any delinquent assessment shall be maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(13) The association may from time to time establish reasonable late charges and a rate of interest to be charged on all subsequent delinquent assessments or installments thereof. In the absence of another established nonusurious rate, delinquent assessments shall bear interest from the date of delinquency at the maximum rate permitted under RCW 19.52.020 on the date on which the assessments became delinquent.

(14) The association shall be entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in suit being commenced or prosecuted to judgment. In addition, the association shall be entitled to recover costs and reasonable attorneys' fees if it prevails on appeal and in the enforcement of a judgment.

(15) The association upon written request shall furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments against that unit. The statement shall be furnished within fifteen days after receipt of the request and is binding on the association, the board of directors, and every unit owner, unless and to the extent known by the recipient to be false.

(16) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(17)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

**THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS

(b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (18)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(18) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (17)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the unit owner pursuant to subsection (17)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice required in subsection (17)(a) of this section is mailed;

(c) At least 180 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

RCW 64.34.364 Lien for assessments—Notice of delinquency—Second notice. (Effective January 1, 2025, until January 1, 2028.) (1) The association has a lien on a unit for any unpaid assessments levied against a unit from the time the assessment is due.

(2) A lien under this section shall be prior to all other liens and encumbrances on a unit except: (a) Liens and encumbrances recorded before the recording of the declaration; (b) a mortgage on the unit recorded before the date on which the assessment sought to be enforced became delinquent; and (c) liens for real property taxes and other governmental assessments or charges against the unit. A lien under this section is not subject to the provisions of chapter 6.13 RCW.

(3) Except as provided in subsections (4) and (5) of this section, the lien shall also be prior to the mortgages described in subsection (2)(b) of this section to the extent of assessments for common expenses, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.34.360(1) which would have become due during the six months immediately preceding the date of a sheriff's sale in an action for judicial foreclosure by either the association or a mortgagee, the date of a trustee's sale in a nonjudicial foreclosure by a mortgagee, or the date of recording of the declaration of forfeiture in a proceeding by the vendor under a real estate contract.

(4) The priority of the association's lien against units encumbered by a mortgage held by an eligible mortgagee or by a mortgagee which has given the association a written request for a notice of delinquent assessments shall be reduced by up to three months if and to the extent that the lien priority under subsection (3) of this section includes delinquencies which relate to a period after such holder becomes an eligible mortgagee or has given such notice and before the association gives the holder a written notice of the delinquency. This subsection does not affect the priority of mechanics' or material suppliers' liens, or the priority of liens for other assessments made by the association.

(5) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided by subsection (9) of this section, the association shall not be entitled to the lien priority provided for under subsection (3) of this section.

(6) Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same real estate, those liens have equal priority.

(7) Recording of the declaration constitutes record notice and perfection of the lien for assessments. While no further recording of any claim of lien for assessment under this section shall be required to perfect the association's lien, the association may record a notice

of claim of lien for assessments under this section in the real property records of any county in which the condominium is located. Such recording shall not constitute the written notice of delinquency to a mortgagee referred to in subsection (2) of this section.

(8) A lien for unpaid assessments and the personal liability for payment of assessments is extinguished unless proceedings to enforce the lien or collect the debt are instituted within three years after the amount of the assessments sought to be recovered becomes due.

(9) The lien arising under this section may be enforced judicially by the association or its authorized representative in the manner set forth in chapter 61.12 RCW. The lien arising under this section may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration (a) contains a grant of the condominium in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, (b) contains a power of sale, (c) provides in its terms that the units are not used principally for agricultural or farming purposes, and (d) provides that the power of sale is operative in the case of a default in the obligation to pay assessments. Only a receiver may take possession and collect rents under this subsection, and a receiver shall not be appointed less than 90 days after the delinquency. The exercise by the association of the foregoing rights shall not affect the priority of preexisting liens on the unit.

(11) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure shall not be liable for assessments or installments thereof that became due prior to such right of possession. Such unpaid assessments shall be deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. RCW 64.34.368 Liens—General provisions. (Effective until January 1, 2028.) (1) Except as provided in subsection (2) of this section, a judgment for money against the association perfected under RCW 4.64.020 is a lien in favor of the judgment lienholder against all of the units in the condominium and their interest in the common elements at the time the judgment was entered. No other property of a unit owner is subject to the claims of creditors of the association.

(2) If the association has granted a security interest in the common elements to a creditor of the association pursuant to RCW 64.34.348, the holder of that security interest shall exercise its right first against such common elements before its judgment lien on any unit may be enforced.

(3) Whether perfected before or after the creation of the condominium, if a lien other than a mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the condominium, becomes effective against two or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to the owner's unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that unit owner's allocated common expense liability bears to the allocated common expense liabilities of all unit owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(4) A judgment against the association shall be filed in the name of the condominium and the association and, when so filed, is notice of the lien against the units. [1989 c 43 s 3-118.]

RCW 64.34.372 Association records—Funds—Requirements for retaining. (Effective until January 1, 2028.) (1) The association shall keep financial records sufficiently detailed to enable the association to comply with RCW 64.34.425. All financial and other records of the association, including but not limited to checks, bank records, and invoices, are the property of the association. At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association in accordance with generally accepted accounting principles. The financial statements of condominiums consisting of 50 or more units shall be audited at least annually by a certified public accountant. In the case of a condominium consisting of fewer than 50 units, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which 60 percent of the votes are allocated, excluding the votes allocated to units owned by the declarant.

(2) The funds of an association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such

funds. Any reserve funds of an association shall be kept in a segregated account and any transaction affecting such funds, including the issuance of checks, shall require the signature of at least two persons who are officers or directors of the association.

(3) An association must retain the following:

(a) The current budget, detailed records of receipts and expenditures affecting the operation and administration of the association, and other appropriate accounting records within the last seven years;

(k) Copies of insurance policies under which the association is a named insured;

(l) Any current warranties provided to the association;

(m) Copies of all notices provided to unit owners or the association in accordance with this chapter or the governing documents; and

(n) Ballots, proxies, absentee ballots, and other records related to voting by unit owners for one year after the election, action, or vote to which they relate.

(4) (a) Subject to subsections (5) through (7) of this section, and except as provided in (b) of this subsection, all records required to be retained by an association must be made available for examination and copying by all unit owners, holders of mortgages on the units, and their respective authorized agents as follows, unless agreed otherwise:

(i) During reasonable business hours or at a mutually convenient time and location; and

(ii) At the offices of the association or its managing agent.

(b) The list of unit owners required to be retained by an association under subsection (3)(c) of this section is not required to be made available for examination and copying by holders of mortgages on the units.

(5) Records retained by an association must have the following information redacted or otherwise removed prior to disclosure:

 - (i) Unlisted telephone number or electronic address of any unit owner or resident;
 - (j) Security access information provided to the association for emergency purposes; or
 - (k) Agreements that for good cause prohibit disclosure to the members.
- (6) In addition to the requirements in subsection (5) of this section, an association must, prior to disclosure of the list of unit owners required to be retained by an association under subsection (3)(c) of this section, redact or otherwise remove the address of any unit owner or resident who is known to the association to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law.
- (7) (a) Except as provided in (b) of this subsection, an association may charge a reasonable fee for producing and providing copies of any records under this section and for supervising the unit owner's inspection.
- (b) A unit owner is entitled to receive a free annual electronic or paper copy of the list retained under subsection (3)(c) of this section from the association.
- (8) A right to copy records under this section includes the right to receive copies by photocopying or other means, including through an electronic transmission if available upon request by the unit owner.
- (9) An association is not obligated to compile or synthesize information.
- (10) Information provided pursuant to this section may not be used for commercial purposes.
- (11) An association's managing agent must deliver all of the association's original books and records to the association immediately upon termination of its management relationship with the association, or upon such other demand as is made by the board. RCW 64.34.376 Association as trustee. (Effective until January 1, 2028.) With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee. [1989 c 43 s 3-120.]

RCW 64.34.380 Reserve account—Reserve study—Annual update. (Effective until January 1, 2028.) (1) An association is encouraged to establish a reserve account with a financial institution to fund major maintenance, repair, and replacement of common elements, including limited common elements that will require major maintenance, repair, or replacement within thirty years. If the association establishes a reserve account, the account must be in the name of the association. The board of directors is responsible for administering the reserve account.

(2) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, an association with significant assets shall prepare and update a reserve study, in accordance with the association's governing documents and RCW 64.34.224(1). The initial reserve study must be based upon a visual site inspection conducted by a reserve study professional.

(3) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, the association shall update the reserve study annually. At least every three years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional.

(4) Except as provided in RCW 64.90.080 and 64.90.545, this section and RCW 64.34.382 through 64.34.392 apply to condominiums governed by chapter 64.32 RCW or this chapter and intended in whole or in part for residential purposes. These sections do not apply to condominiums consisting solely of units that are restricted in the declaration to nonresidential use. An association's governing documents may contain stricter requirements. [2019 c 238 s 220; 2011 c 189 s 3; 2008 c 115 s 1.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.34.382 Reserve study—Contents. (Effective until January 1, 2028.) (1) A reserve study as described in RCW 64.34.380 is supplemental to the association's operating and maintenance budget. In preparing a reserve study, the association shall estimate the anticipated major maintenance, repair, and replacement costs, whose

infrequent and significant nature make them impractical to be included in an annual budget.

(2) A reserve study must include:

(a) A reserve component list, including roofing, painting, paving, decks, siding, plumbing, windows, and any other reserve component that would cost more than one percent of the annual budget for major maintenance, repair, or replacement. If one of these reserve components is not included in the reserve study, the study should provide commentary explaining the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, remaining useful life of each reserve component, and current repair and replacement cost for each component;

(b) The date of the study and a statement that the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

(iii) Level III: Update with no visual site inspection;

(d) The association's reserve account balance;

(e) The percentage of the fully funded balance that the reserve account is funded;

(f) Special assessments already implemented or planned;

(g) Interest and inflation assumptions;

(h) Current reserve account contribution rate;

(i) A recommended reserve account contribution rate, a contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a baseline funding plan to maintain the reserve balance above zero throughout the thirty-year study period without special assessments, and a contribution rate recommended by a reserve study professional;

(j) A projected reserve account balance for thirty years and a funding plan to pay for projected costs from those reserves without reliance on future unplanned special assessments; and

(k) A statement on whether the reserve study was prepared with the assistance of a reserve study professional.

(3) A reserve study shall include the following disclosure:

"This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a reserve component."

[2011 c 189 s 4; 2008 c 115 s 2.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.34.384 Reserve account—Withdrawals. (Effective until January 1, 2028.) An association may withdraw funds from its reserve account to pay for unforeseen or unbudgeted costs that are unrelated to maintenance, repair, or replacement of the reserve components. The board of directors shall record any such withdrawal in the minute books of the association, cause notice of any such withdrawal to be hand delivered or sent prepaid by first-class United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner, and adopt a repayment schedule not to exceed twenty-four months unless it determines that repayment within twenty-four months would impose an unreasonable burden on the unit owners. Payment for major maintenance, repair, or replacement of the reserve components out of cycle with the reserve study projections or not included in the reserve study may be made from the reserve account without meeting the notification or repayment requirements under this section. [2011 c 189 s 5; 2008 c 115 s 3.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.34.386 Reserve study—Demand by owners—Study not timely prepared. (Effective until January 1, 2028.) (1) Where more than three years have passed since the date of the last reserve study prepared by a reserve study professional, the owners of the units to which at least twenty percent of the votes are allocated may demand, in writing, to the association that the cost of a reserve study be included in the next budget and that the study be obtained by the end of that budget year. The written demand must refer to this section. The board of directors shall, upon receipt of the written demand, provide unit owners making the demand reasonable assurance that the board of directors will include a reserve study in the next budget and, if the budget is not rejected by the owners, will arrange for the completion of a reserve study.

(2) In the event a written demand is made and a reserve study is not timely prepared, a court may order specific performance and award reasonable attorneys' fees to the prevailing party in any legal action brought to enforce this section. An association may assert unreasonable hardship as an affirmative defense in any action brought against it under this section. Without limiting this affirmative defense, an unreasonable hardship exists where the cost of preparing a reserve study would exceed ten percent of the association's annual budget.

(3) A unit owner's duty to pay for common expenses shall not be excused because of the association's failure to comply with this section or RCW 64.34.382 through 64.34.390. A budget ratified by the unit owners under RCW 64.34.308(3) may not be invalidated because of the association's failure to comply with this section or RCW 64.34.382 through 64.34.390. [2008 c 115 s 4.]

RCW 64.34.388 Reserve study—Decision making. (Effective until January 1, 2028.) Subject to RCW 64.34.386, the decisions relating to the preparation and updating of a reserve study must be made by the board of directors of the association in the exercise of the reasonable discretion of the board. Such decisions must include whether a reserve study will be prepared or updated, and whether the

assistance of a reserve study professional will be utilized. [2008 c 115 s 5.]

RCW 64.34.390 Reserve study—Reserve account—Immunity from liability. (Effective until January 1, 2028.) Monetary damages or any other liability may not be awarded against or imposed upon the association, the officers or board of directors of the association, or those persons who may have provided advice or assistance to the association or its officers or directors, for failure to: Establish a reserve account; have a current reserve study prepared or updated in accordance with RCW 64.34.380 through 64.34.388; or make the reserve disclosures in accordance with RCW 64.34.382 and 64.34.410(1)(oo) and *64.34.425(1)(s). [2008 c 115 s 6.]

***Reviser's note:** RCW 64.34.425 was amended by 2022 c 27 s 5, changing subsection (1)(s) to subsection (1)(t).

RCW 64.34.392 Reserve account and study—Exemption—Disclosure. (Effective until January 1, 2028.) (1) Except as provided in RCW 64.90.080 and 64.90.545, a condominium association with ten or fewer unit owners is not required to follow the requirements under RCW 64.34.380 through 64.34.390 if two-thirds of the owners agree to exempt the association from the requirements.

(2) The unit owners must agree to maintain an exemption under subsection (1) of this section by a two-thirds vote every three years.

(3) Notwithstanding subsections (1) and (2) of this section, a disclosure that the condominium association does not have a reserve study must be included in a unit's public offering statement as required under RCW 64.34.410 or resale certificate as required under RCW 64.34.425. [2019 c 238 s 221; 2009 c 307 s 1.]

RCW 64.34.393 Heat pumps. (Expires January 1, 2028.) (1)(a) A unit owners' association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of a heat pump in compliance with the requirements of this section and for the personal use of a unit owner within the boundaries of a unit; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on heat pumps.

(c) This section must not be construed to permit installation by a unit owner of heat pump equipment on or in common elements without approval of the board of directors.

(2) A unit owners' association may require a unit owner to submit an application for approval for the installation of a heat pump before installing the heat pump.

(3)(a) If approval is required for the installation of a heat pump, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge a unit owner a fee for the installation of a heat pump. An association may charge a reasonable fee for processing the application to approve the installation of a heat pump, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation of a heat pump, a unit owners' association must approve the installation if the installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the heat pump;

(b) Engage a heating, ventilation, and air conditioning (HVAC) contractor familiar with the standards for the installation of heat pumps to assess the existing infrastructure necessary to support the proposed heat pump, identify additional infrastructure needs, and install the heat pump; and

(c) Comply with the requirements of this section.

(5) (a) A unit owner must obtain any permit or approval for a heat pump as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) A heat pump must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners' association, a unit owner is responsible for the costs of installing a heat pump.

(b) Heat pump equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost.

(7) The unit owner and each successive owner of the heat pump is responsible for:

(a) Costs for the maintenance, repair, and replacement of the heat pump up until the heat pump is removed;

(b) Costs for damage to the heat pump, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the heat pump;

(c) If the unit owner decides to remove the heat pump, costs for the removal and the restoration of the common elements or limited common elements after the removal; and

(d) Removing heat pump equipment if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(8) (a) A unit owners' association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have a heat pump installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(9) For the purposes of this section:

(a) "Heat pump" means a heating or refrigerating system used to transfer heat. The heat pump condenser and evaporator may change roles to transfer heat in either direction. By receiving the flow of air or other fluid, a heat pump is used to cool or heat.

(b) "Reasonable restriction" means a restriction that does not significantly increase the cost of a heat pump or significantly decrease its efficiency or specified performance. [2024 c 128 s 2.]

Contingent expiration date—2024 c 128 ss 1-3: See note following RCW 64.32.350.

RCW 64.34.394 Installation of drought resistant landscaping or wildfire ignition resistant landscaping. (Effective until January 1, 2028.) (1) The declaration of a condominium and any bylaws, rules, and regulations adopted by the association may not prohibit the installation of drought resistant landscaping or wildfire ignition resistant landscaping. However, the declaration or bylaws, rules, and regulations may include reasonable rules regarding the placement and aesthetic appearance of drought resistant landscaping or wildfire ignition resistant landscaping, as long as the rules do not render the use of drought resistant landscaping or wildfire ignition resistant landscaping unreasonably costly or otherwise effectively infeasible.

(2) If a property is located within the geographic designation of an order of a drought condition issued by the department of ecology under RCW 43.83B.405, an association may not impose a fine or assessment against an owner, or resident on the owner's property, for reducing or eliminating the watering of vegetation or lawns for the duration of the drought condition order.

(3) Nothing in this section may be construed to prohibit or restrict the establishment and maintenance of a fire buffer within the building ignition zone.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Building ignition zone" means a building and surrounding area up to two hundred feet from the foundation.

(b) "Drought resistant landscaping" means the use of any noninvasive vegetation adapted to arid or dry conditions, stone, or landscaping rock.

(c) "Firewise" means the firewise communities program developed by the national fire protection association, which encourages local solutions for wildfire safety by involving homeowners, community leaders, planners, developers, firefighters, and others in the effort to protect people and property from wildfire risks.

(d) "Wildfire ignition resistant landscaping" includes:

(i) Any landscaping tools or techniques, or noninvasive vegetation, that do not readily ignite from a flame or other ignition source; or

(ii) The use of firewise methods to reduce ignition risk in a building ignition zone. [2020 c 9 s 3.]

RCW 64.34.395 Electric vehicle charging stations. (Effective until January 1, 2028.) (1) (a) A unit owners' association may not

adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station in compliance with the requirements of this section and for the personal noncommercial use of a unit owner, within the boundaries of a unit or in a designated parking space; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) A unit owners' association may require a unit owner to submit an application for approval for the installation of an electric vehicle charging station before installing the charging station.

(3) (a) If approval is required for the installation or use of an electric vehicle charging station, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) A unit owners' association may not assess or charge a unit owner a fee for the placement of an electric vehicle charging station. An association may charge a reasonable fee for processing the application to approve the installation of an electric vehicle charging station, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation or use of an electric vehicle charging station, a unit owners' association must approve the installation within the boundaries of a unit or in a designated parking space if the installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the electric vehicle charging station;

(b) Engage an electrical contractor familiar with the standards for the installation of electric vehicle infrastructure to assess the existing infrastructure necessary to support the proposed electric vehicle charging station, identify additional infrastructure needs, and install the electric vehicle charging station;

(c) (i) Provide, within the time specified in (c) (ii) of this subsection, a certificate of insurance naming the association as an additional insured on the unit owner's insurance policy for any claim related to the installation, maintenance, or use of the electric vehicle charging station, or, reimbursement to the association for the actual cost of any increased insurance premium amount attributable to the charging station;

(ii) A certificate of insurance required under (c) (i) of this subsection must be provided within 14 days after the association approves the installation of the electric vehicle charging station. Reimbursement for an increased insurance premium amount under (c) (i)

of this subsection must be provided within 14 days after the unit owner receives the association's invoice for the amount attributable to the charging station;

(d) Register the electric vehicle charging station with the association within 30 days after installation;

(e) Pay for the electricity usage associated with the electric vehicle charging station and the required means to facilitate payment for the electricity; and

(f) Comply with the requirements of this section.

(5) (a) A unit owner must obtain any permit or approval for an electric vehicle charging station as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) An electric vehicle charging station must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners' association, a unit owner is responsible for the costs of installing an electric vehicle charging station.

(b) Electric vehicle charging station equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost. Nothing in this subsection requires the association to purchase the electric vehicle charging station.

(7) A unit owner must disclose to any prospective buyers of the unit:

(a) The existence of an electric vehicle charging station and the related responsibilities of the owner under this section; and

(b) Whether the electric vehicle charging station is removable and whether the owner intends to remove the charging station.

(8) The owner and each successive owner of an electric vehicle charging station is responsible for:

(a) Costs for the maintenance, repair, and replacement of the electric vehicle charging station up until the station is removed;

(b) Costs for damage to the electric vehicle charging station, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the electric vehicle charging station;

(c) The cost of electricity associated with the electric vehicle charging station;

(d) Obtaining and maintaining an insurance policy that meets the requirements in subsection (4) (c) of this section;

(e) If the owner decides to remove the electric vehicle charging station, costs for the removal and the restoration of the common element or limited common element after the removal; and

(f) Removing the electric vehicle charging station if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(9) A unit owners' association may install an electric vehicle charging station in the common elements for the use of all unit owners and, in that case, the association must develop appropriate terms of use for the charging station.

(10) (a) A unit owners' association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Designated parking space" means a parking space that is specifically designated for use by a particular unit owner, including a garage, a deeded parking space, and a parking space in a limited common element that is restricted for use by one or more unit owners.

(b) "Electric vehicle charging station" means a station that delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(c) "Reasonable restriction" means a restriction that does not significantly increase the cost of an electric vehicle charging station or significantly decrease its efficiency or specified performance. [2022 c 27 s 2.]

RCW 64.34.396 Notice. (Effective until January 1, 2028.) (1)

Notwithstanding any inconsistent provision in the governing documents, notice to the association, board of directors, or any owner or occupant of a unit under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association or board of directors shall be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the unit owners.

(b) Notice to a unit owner or occupant shall be addressed to the unit address unless the unit owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association, the board of directors, or unit owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in writing.

(d) The consent of any owner is revoked if the association is unable to electronically transmit two consecutive notices and this

inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b). [2021 c 227 s 8.]

(b) An association may require that only a unit with direct access may be used as a family home child care or child day care center. Direct access must be either from the outside of the building or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of a unit within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising in common elements that the association is solely responsible for maintaining under the governing documents;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized; and

RCW 64.34.435 Release of liens—Conveyance. (Effective until January 1, 2028.) (1) At the time of the first conveyance of each unit, every mortgage, lien, or other encumbrance affecting that unit and any other unit or units or real property, other than the percentage of undivided interest of that unit in the common elements, shall be paid and satisfied of record, or the unit being conveyed and its undivided interest in the common elements shall be released therefrom by partial release duly recorded or the purchaser of that unit shall receive title insurance from a licensed title insurance company against such mortgage, lien or other encumbrance. This subsection does not apply to any real property which a declarant has the right to withdraw.

(2) Before conveying real property to the association the declarant shall have that real property released from: (a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and (b) all other liens on that real property unless the public offering statement describes certain real property which may be conveyed subject to liens in specified amounts. [1989 c 43 s 4-109.]

RCW 64.34.440 Conversion condominiums—Notice—Tenants—Relocation assistance. (Effective until January 1, 2028.) (1) (a) A declarant of a conversion condominium, and any dealer who intends to offer units in such a condominium, shall give each of the residential tenants and any residential subtenant in possession of a portion of a conversion condominium notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenant in possession are required to vacate. The notice must:

(i) Set forth generally the rights of tenants and subtenants under this section;

(ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040;

(iii) Inform the residential tenants and subtenants about the resources and information available under the condominium conversion tenant-to-homeowner program created in RCW 43.180.245; and

(iv) Expressly state whether there is a county or city relocation assistance program for tenants or subtenants of conversion condominiums in the jurisdiction in which the property is located. If

the county or city does have a relocation assistance program, the following must also be included in the notice:

(A) A summary of the terms and conditions under which relocation assistance is paid; and

(B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone number of the city or county department that administers the relocation assistance program for conversion condominiums.

(b) No tenant or subtenant may be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste, conduct that disturbs other tenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.

(c) At the declarant's option, the declarant may provide all tenants in a single building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with 30 days' notice. In such case, tenants continue to have access to relocation assistance under subsection (6)(e) of this section.

(d) Nothing in this subsection shall be deemed to waive or repeal RCW 59.18.200(2). Failure to give notice as required by this section is a defense to an action for possession.

(e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in (a) of this subsection to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of conversion condominium projects proposed in the jurisdiction.

(2) For 60 days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice shall offer to convey each unit or proposed unit occupied for residential use to the tenant who leases that unit. If a tenant fails to purchase the unit during that 60-day period, the offeror may offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the tenant only if: (a) Such offeror, by written notice mailed to the tenant's last known address, offers to sell an interest in that unit at the more favorable price and terms, and (b) such tenant fails to accept such offer in writing within ten days following the mailing of the offer to the tenant. This subsection does not apply to any unit in a conversion condominium if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no knowledge of the violation, recording of the deed conveying the unit extinguishes any right a tenant may have to purchase that unit but does not affect the right of a tenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with the provisions of this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified by that statute.

(5) Nothing in this section permits termination of a lease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.34.050(1), a city or county may by appropriate ordinance require with respect to any conversion condominium within the jurisdiction of such city or county that:

(a) In addition to the statement required by RCW 64.34.415(1)(a), the public offering statement shall contain a copy of the written inspection report prepared by the appropriate department of such city or county, which report shall list any violations of the housing code or other governmental regulation, which code or regulation is applicable regardless of whether the real property is owned as a condominium or in some other form of ownership; said inspection shall be made within 45 days of the declarant's written request therefor and said report shall be issued within 14 days of said inspection being made. Such inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding 24 months; and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a);

(b) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by such city or county, shall be repaired, and (ii) a certification shall be obtained from such city or county that such repairs have been made, which certification shall be based on a reinspection to be made within seven days of the declarant's written request therefor and which certification shall be issued within seven days of said reinspection being made;

(c) The repairs required to be made under (b) of this subsection shall be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion condominium, other than a conveyance to a declarant or affiliate of a declarant: (i) The declarant shall establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to 10 percent of the actual cost of making the repairs required under (b) of this subsection; (ii) during the one-year warranty period, the funds in such account shall be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty; (iii) following the expiration of the one-year warranty period, any funds remaining in such account shall be immediately disbursed to the declarant; and (iv) the declarant shall notify in writing the association and such city or county as to the location of such account and any disbursements therefrom;

(e) (i) A declarant shall pay relocation assistance, in an amount to be determined by the city or county, which may not exceed a sum equal to three months of the tenant's or subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to tenants and subtenants:

(A) Who do not elect to purchase a unit;

(B) Who are in lawful occupancy for residential purposes of a unit; and

(C) Whose annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to 80 percent of:

(I) The annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the condominium is located; or

(II) If the condominium is not within a standard metropolitan statistical area, the annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit shall be based on the number of persons actually in lawful occupancy of the unit. The tenant or subtenant actually in lawful occupancy of the unit shall be entitled to the relocation assistance. Relocation assistance shall be paid on or before the date the tenant or subtenant vacates and shall be in addition to any damage deposit or other compensation or refund to which the tenant is otherwise entitled. Unpaid rent or other amounts owed by the tenant or subtenant to the landlord may be offset against the relocation assistance;

(ii) Elderly or special needs tenants who otherwise meet the requirements of (e)(i)(A) of this subsection shall receive relocation assistance, the greater of:

(A) The sum described in (e)(i) of this subsection; or

(B) The sum of actual relocation expenses of the tenant, up to a maximum of \$1,500 in excess of the sum described in (e)(i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the tenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible tenants, and declarants shall provide the relocation assistance to tenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance;

(iii) For the purposes of this subsection (6)(e):

(A) "Special needs" means, but is not limited to, a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care; and

(B) "Elderly" means a person who is at least 65 years of age;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer shall not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to be converted to a condominium during the 120-day notice period provided for in subsection (1) of this section unless all residential tenants and residential subtenants who have elected not to purchase a unit and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:

(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of converting the condominium, not work that is done to maintain the building or lot for the residential use of the existing tenants or subtenants;

(ii) "Occupied building" means a stand-alone structure occupied by tenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g)(i) If a declarant or dealer has offered existing tenants an option to terminate an existing lease or rental agreement without

cause or consequence as authorized under subsection (1)(c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building, (B) to repair or remodel a vacant unit or common area for use as a sales office, or (C) to do both.

(ii) The work performed under this subsection (6)(g) must not violate the tenant's or subtenant's rights of quiet enjoyment during the 120-day notice period.

(7) Violations of any city or county ordinance adopted as authorized by subsection (6) of this section shall give rise to such remedies, penalties, and causes of action which may be lawfully imposed by such city or county. Such violations shall not invalidate the creation of the condominium or the conveyance of any interest therein. [2022 c 165 s 5; 2008 c 113 s 1; 1992 c 220 s 25; 1990 c 166 s 13; 1989 c 43 s 4-110.]

RCW 64.34.442 Conversion condominium projects—Report.
(Effective until January 1, 2028.) (1) All cities and counties planning under RCW 36.70A.040, which have allowed any conversion condominiums within the jurisdiction within the previous twelve-month period, must report annually to the department of commerce the following information:

(a) The total number of apartment units converted into condominiums;

(b) The total number of conversion condominium projects; and

(c) The total number of apartment tenants who receive relocation assistance.

(2) Upon completion of a conversion condominium project, a city or county may require the declarant to provide the information described in subsection (1) of this section to the appropriately designated department or agency in the city or county for the purpose of complying with subsection (1) of this section. RCW 64.34.443 Express warranties of quality. (Effective until January 1, 2028.) (1) Express warranties made by any seller to a purchaser of a unit, if relied upon by the purchaser, are created as follows:

(a) Any written affirmation of fact or promise which relates to the unit, its use, or rights appurtenant thereto, area improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will conform to the affirmation or promise;

(b) Any model or written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the model or description except pursuant to *RCW 64.34.410(1)(v);

(c) Any written description of the quantity or extent of the real property comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances; and

(d) A written provision that a buyer may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty of quality, but a statement purporting to be merely an opinion or commendation of the real estate or its value does not create a warranty. A purchaser may not rely on any representation or express warranty unless it is contained in the public offering statement or made in writing signed by the declarant or declarant's agent identified in the public offering statement.

(3) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by previous sellers. [1989 c 428 s 2.]

RCW 64.34.445 Implied warranties of quality—Breach. (Effective until January 1, 2028.) (1) A declarant and any dealer warrants that a unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear and damage by casualty or condemnation excepted.

(2) A declarant and any dealer impliedly warrants that a unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

- (a) Free from defective materials;
 - (b) Constructed in accordance with sound engineering and construction standards;
 - (c) Constructed in a workmanlike manner; and
 - (d) Constructed in compliance with all laws then applicable to such improvements.
- (3) A declarant and any dealer warrants to a purchaser of a unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.
- (4) Warranties imposed by this section may be excluded or modified as specified in RCW 64.34.450.
- (5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant, as defined in RCW 64.34.020(1), are made or contracted for by the declarant.
- (6) Any conveyance of a unit transfers to the purchaser all of the declarant's implied warranties of quality.
- (7) In a judicial proceeding for breach of any of the obligations arising under this section, the plaintiff must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. As used in this subsection, an "adverse effect" must be more than technical and must be significant to a reasonable person. To establish an adverse effect, the person alleging the breach is not required to prove that the breach renders the unit or common element uninhabitable or unfit for its intended purpose.
- (8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of an obligation arising under this section are the cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, then damages shall be limited to the loss in market value. [2004 c 201 s 5; 1992 c 220 s 26; 1989 c 43 s 4-112.]

Application—2004 c 201 ss 5 and 6: "Sections 5 and 6 of this act apply only to condominiums created by declarations recorded on or after July 1, 2004." [2004 c 201 s 12.]

RCW 64.34.450 Implied warranties of quality—Exclusion—Modification—Disclaimer—Express written warranty. (Effective until January 1, 2028.) (1) For units intended for nonresidential use, implied warranties of quality:

- (a) May be excluded or modified by written agreement of the parties; and
 - (b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language which in common understanding calls the buyer's attention to the exclusion of warranties.
- (2) For units intended for residential use, no disclaimer of implied warranties of quality is effective, except that a declarant or dealer may disclaim liability in writing, in type that is boldfaced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous, and separately signed by the purchaser, for a specified defect or specified failure to comply with

applicable law, if: (a) The declarant or dealer knows or has reason to know that the specific defect or failure exists at the time of disclosure; (b) the disclaimer specifically describes the defect or failure; and (c) the disclaimer includes a statement as to the effect of the defect or failure.

(3) A declarant or dealer may offer an express written warranty of quality only if the express written warranty does not reduce protections provided to the purchaser by the implied warranty set forth in RCW 64.34.445. [2004 c 201 s 6; 1989 c 43 s 4-113.]

Application—2004 c 201 ss 5 and 6: See note following RCW 64.34.445.

RCW 64.34.452 Warranties of quality—Breach—Actions for construction defect claims. (Effective until January 1, 2028.) (1) A judicial proceeding for breach of any obligations arising under RCW 64.34.443, 64.34.445, and 64.34.450 must be commenced within four years after the cause of action accrues: PROVIDED, That the period for commencing an action for a breach accruing pursuant to subsection (2) (b) of this section shall not expire prior to one year after termination of the period of declarant control, if any, under *RCW 64.34.308(4). Such periods may not be reduced by either oral or written agreement, or through the use of contractual claims or notice procedures that require the filing or service of any claim or notice prior to the expiration of the period specified in this section.

(2) Subject to subsection (3) of this section, a cause of action or [for] breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, the date the purchaser to whom the warranty is first made enters into possession if a possessory interest was conveyed or the date of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(b) As to each common element, at the latest of (i) the date the first unit in the condominium was conveyed to a bona fide purchaser, (ii) the date the common element was completed, or (iii) the date the common element was added to the condominium.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

(4) If a written notice of claim is served under RCW 64.50.020 within the time prescribed for the filing of an action under this chapter, the statutes of limitation in this chapter and any applicable statutes of repose for construction-related claims are tolled until sixty days after the period of time during which the filing of an action is barred under RCW 64.50.020.

(5) Nothing in this section affects the time for filing a claim under chapter 64.35 RCW. [2004 c 201 s 7; 2002 c 323 s 11; 1990 c 166 s 14.]

***Reviser's note:** RCW 64.34.308 was amended by 2011 c 189 s 2, changing subsection (4) to subsection (5), effective January 1, 2012.

Effective date—1990 c 166: See note following RCW 64.34.020.

RCW 64.34.455 Effect of violations on rights of action—Attorney's fees. (Effective until January 1, 2028.) If a declarant or any other person subject to this chapter fails to comply with any provision hereof or any provision of the declaration or bylaws, any person or class of persons adversely affected by the failure to comply has a claim for appropriate relief. The court, in an appropriate case, may award reasonable attorney's fees to the prevailing party. [1989 c 43 s 4-115.]

RCW 64.34.460 Labeling of promotional material. (Effective until January 1, 2028.) If any improvement contemplated in a condominium is labeled "NEED NOT BE BUILT" on a survey map or plan, or is to be located within a portion of the condominium with respect to which the declarant has reserved a development right, no promotional material may be displayed or delivered to prospective purchasers which describes or portrays that improvement unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified as "NEED NOT BE BUILT." [1989 c 43 s 4-116.]

RCW 64.34.465 Improvements—Declarant's duties. (Effective until January 1, 2028.) (1) The declarant shall complete all improvements labeled "MUST BE BUILT" on survey maps or plans prepared pursuant to RCW 64.34.232.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created by RCW 64.34.236, 64.34.240, 64.34.244, 64.34.248, 64.34.256, and 64.34.260. [1989 c 43 s 4-117.]

RCW 64.34.470 Conversion condominium notice. (Effective until January 1, 2028.) A declarant of a conversion condominium, and any dealer who intends to offer units in such a condominium, must provide a conversion condominium notice of the conversion to the Washington state housing finance commission no later than 120 days before the residential tenants and any residential subtenant in possession of a portion of a conversion condominium are required to vacate. RCW 64.36.025 Timeshare interest reservation—Definition—Registration required—Promoter's obligations—Deposits—Escrow—Purchaser cancellation rights—Insolvency prior to completion. (1)

For the purpose of this section, "timeshare interest reservation" means a revocable right to purchase an interest in a timeshare project for which construction has not yet been completed and an effective registration has been obtained under this chapter.

(2) An effective registration pursuant to this chapter is required for any party to offer to sell a timeshare interest reservation. Promoters offering a timeshare interest reservation under this section must provide the registered disclosure document required by RCW 64.36.140 to each prospective purchaser before he or she enters into a timeshare interest reservation. Prior to the signing of a purchase agreement, the subject property or properties must be completed, the timeshare offering registration required by RCW 64.36.020 must be amended to reflect any changes to the property and must be reapproved by the department, the disclosure document required by RCW 64.36.140 must be revised, and the new version of the disclosure document must be provided to the prospective purchaser.

(3) Deposits accepted by promoters on a timeshare interest reservation may be no more than twenty percent of the total purchase price of the timeshare interest that is being purchased. Within one business day after being accepted by the promoter, any deposit on a timeshare interest reservation shall be deposited in an account in a federally insured depository located in the state of Washington. This account must be an escrow account wherein the deposited funds are held for the benefit of the purchaser. The department may request that deposits be placed in impoundment under RCW 64.36.130.

(4) In addition to the cancellation rights provided in RCW 64.36.150, the purchaser has the right to cancel the purchase at any time before the signing of a purchase agreement. If the purchaser notifies the promoter that he or she wishes to cancel the timeshare interest reservation, the promoter must refund the full amount of the deposit minus any account fees within ten days of the notice.

(5) If prior to signing a purchase agreement the purchaser learns that the promoter proposes to raise the purchase price above the price agreed to in the written reservation agreement for the timeshare interest reservation, the written reservation agreement is void and all deposit moneys including account fees shall be returned to the purchaser within ten days after the purchaser learns of the proposed price increase.

(6) If the promoter charges account fees to pay for administrative costs of holding the purchaser's funds in escrow, these fees may be no more than one percent of the total deposit paid towards the timeshare interest reservation by the purchaser.

(7) The promoter shall provide instructions to the escrow company for release of the funds to be held in escrow in compliance with this section and rules of the department.

(8) The purchaser's right to cancel and the amount of the deposit proposed to be retained for account fees in the event of cancellation must be included in the contract for the sale of a timeshare interest reservation and the contract must state:

PURCHASER CANCELLATION RIGHTS

As a purchaser of a timeshare interest reservation, you have the right to cancel this timeshare interest reservation and receive a refund of all consideration paid (less only those account fee deductions which were fully disclosed at the time of the agreement) by providing written notice of the cancellation to the promoter or the promoter's agent at any time prior to signing a purchase agreement. You also have a right to cancel your purchase within seven days of signing a purchase agreement.

(9) If it appears that the timeshare project will become or does become insolvent prior to completion, the promoter shall instruct the escrow company to immediately return all deposits to purchasers of timeshare interest reservations. If funds are returned under this subsection, the promoter may not retain any portion of the deposits for account fees. [2002 c 226 s 2.]

RCW 64.36.028 Timeshare interest—Incomplete projects or facilities—Promoter's obligations—Funds—Purchaser's rights. (1) An effective registration pursuant to this chapter is required for any party to offer to sell a timeshare interest. A promoter who offers to sell or sells revocable timeshare interests in incomplete projects or facilities is limited by and must comply with all of the requirements of RCW 64.36.025. If a promoter seeks to enter into irrevocable purchase agreements with purchasers for timeshare interests in incomplete projects or facilities, the promoter must meet the requirements in this section in addition to RCW 64.36.020 and the following limitations and conditions apply:

(a) The promoter is limited to offering or selling only fee simple deeded timeshare interests;

(b) Construction on the project must have begun by the time the irrevocable purchase agreement is signed and the purchaser must have the right to occupy the unit and use all contracted for amenities no later than within two years of the date that the irrevocable purchase agreement is signed;

(c) The promoter must establish an independent third-party escrow account for the purpose of protecting the funds or other property paid, pledged, or deposited by purchasers;

(d) The promoter's solicitations, advertisements, and promotional materials must clearly and conspicuously disclose that "THE PROJECT IS NOT YET COMPLETED; IT IS STILL UNDER CONSTRUCTION"; and

(e) The promoter's solicitations, advertisements, and promotional materials and the timeshare interest purchase agreement must clearly and conspicuously provide for and disclose the last possible estimated date for completion of construction of any building the promoter is contractually obligated to the purchaser to complete.

(2) The timeshare interest purchase agreement must contain the following language in fourteen-point boldface type: "If the building in which the timeshare interest is located and all contracted for amenities are not completed by [estimated date of completion], the

purchaser has the right to void the purchase agreement and is entitled to a full, unqualified refund of all moneys paid."

(3) One hundred percent of all funds or other property that is received from or on behalf of purchasers of timeshare interests prior to the occurrence of events required in this section must be deposited pursuant to a third-party escrow agreement approved by the director. For purposes of this section, "purchasers" includes all persons solicited, offered, or who purchased a timeshare interest by a promoter within the state of Washington. An escrow agent shall maintain the account only in such a manner as to be under the direct supervision and control of the escrow agent. The escrow agent has a fiduciary duty to each purchaser to maintain the escrow accounts in accordance with good accounting practices and to release the purchaser's funds or other property from escrow only in accordance with this chapter. If the escrow agent receives conflicting demands for funds or property held in escrow, the escrow agent shall immediately notify the department of licensing of the dispute and the department shall determine if and how the funds should be distributed. If the purchaser, promoter, or escrow agent disagrees with the department's determination, the parties have the right to request an administrative hearing under chapter 34.05 RCW. Funds may be released from the escrow account to the purchaser if the purchaser cancels within the cancellation period, or to the promoter only when all three of the following conditions occur:

(a) The purchaser's cancellation period has expired;

(b) Closing has occurred; and

(c) Construction is complete and the building is ready to occupy.

(4) In lieu of depositing purchaser funds into an escrow account, the promoter may post with the department a bond in an amount equal to or greater than the amount that would otherwise be required to be placed into the escrow account.

(5) Any purchaser has the right to void the timeshare purchase agreement and request a full, unqualified refund if construction of the building in which the timeshare interest is located or all contracted for amenities are not completed within two years from the date that the irrevocable purchase agreement is signed or by the last estimated date of construction contained in the irrevocable purchase agreement, whichever is earlier.

(6) If the completed timeshare building or contracted for amenities are materially and adversely different from the building or amenities that were promised to purchasers at the time that the purchase agreements were signed, the director may declare any or all of the purchaser contracts void. Before declaring the contracts void, the director shall give the promoter the opportunity for a hearing in accordance with chapters 34.05 and 18.235 RCW.

(7) If the promoter intends to or does pledge or borrow against funds or properties, that are held in escrow or protected by a bond, to help finance in whole or in part the construction of the timeshare project or to help pay for operating costs, this must be fully, plainly, and conspicuously disclosed in all written advertising, in all written solicitations for the sale of the timeshare interests, in the registration with the director, and in the purchase agreement or contract.

(8) A promoter who obtains an effective registration for a revocable timeshare interest reservation must meet the requirements of this section in order to complete an irrevocable purchase agreement.

[2003 c 348 s 1.]

RCW 64.36.030 Application for registration—Contents. The application for registration signed by the promoter shall contain the following information on a form prescribed by the director:

(b) Upon written request sent by certified mail being made by a member of the timeshare, to a declarant, promoter, or other person who has established and is yet in control of the timeshare;

(c) Upon written request sent by certified mail of a member of a timeshare to the board of directors or appropriate officer of the timeshare or an affiliated timeshare.

(2) The board of directors of the timeshare may require that any applicant for a membership list, other than the department, pay reasonable costs for providing the list and an affidavit that the applicant will not use and will be responsible for any use of the list for commercial purposes.

(3) Upon request, a member's name shall be excluded from a membership list available to any person other than the director of licensing for purposes of administering statutes that are its responsibility. Such persons shall make their request for exclusion in writing by certified mail to the board of directors or the appropriate officer or director of the timeshare.

(4) It is unlawful for any person to use a membership list obtained under this section or otherwise, for commercial purposes, unless written permission to do so has been received from the board of directors or appropriate officer of the timeshare. Wilful use of a membership list for commercial purposes without such permission shall subject the violator to damages, costs, and reasonable attorneys' fees in any legal proceedings instituted by a member in which the member prevails alleging violation of this section. Members may petition the courts of this state for orders restraining such commercial use. [1987 c 370 s 14.]

SHORT-TERM RENTALS

64.37.030 Consumer safety.
64.37.040 Short-term rental platforms.
64.37.050 Liability insurance.

RCW 64.37.010 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Contact" means the operator or the operator's representative who is the point of contact for any short-term rental guest for the duration of the guest's stay in the short-term rental.

(2) "Department" means the department of revenue.

(3) " Dwelling unit " means a residential dwelling of any type, including a single-family residence, apartment, condominium, cooperative unit, or room, in which a person may obtain living accommodations for less than thirty days, but not including duly licensed bed and breakfast, inn, hotel, motel, or timeshare property.

(4) "Fee" means remuneration or anything of economic value that is provided, promised, or donated primarily in exchange for services rendered.

(5) "Guest" means any person or persons renting a short-term rental unit.

(6) "Operator" or "short-term rental operator" means any person who receives payment for owning or operating a dwelling unit, or portion thereof, as a short-term rental unit.

(7) "Owner" means any person who, alone or with others, has title or interest in any building, property, dwelling unit, or portion thereof, with or without accompanying actual possession thereof, and including any person who as agent, executor, administrator, trustee, or guardian of an estate has charge, care, or control of any building, dwelling unit, or portion thereof. A person whose sole interest in any building, dwelling unit, or portion thereof is solely that of a lessee under a lease agreement is not considered an owner.

(8) "Person" has the same meaning as provided in RCW 82.04.030.

(9) (a) "Short-term rental" means a lodging use, that is not a hotel or motel or bed and breakfast, in which a dwelling unit, or portion thereof, that is offered or provided to a guest by a short-term rental operator for a fee for fewer than thirty consecutive nights.

(b) "Short-term rental" does not include any of the following:

(i) A dwelling unit that is occupied by the owner for at least six months during the calendar year and in which fewer than three rooms are rented at any time;

(ii) A dwelling unit, or portion thereof, that is used by the same person for thirty or more consecutive nights; or

(iii) A dwelling unit, or portion thereof, that is operated by an organization or government entity that is registered as a charitable organization with the secretary of state, state of Washington, or is classified by the federal internal revenue service as a public charity or a private foundation, and provides temporary housing to individuals

who are being treated for trauma, injury, or disease, or their family members.

(10) "Short-term rental advertisement" means any method of soliciting use of a dwelling unit for short-term rental purposes.

(11) "Short-term rental platform" or "platform" means a person that provides a means through which an operator may offer a dwelling unit, or portion thereof, for short-term rental use, and from which the person or entity financially benefits. Merely publishing a short-term rental advertisement for accommodations does not make the publisher a short-term rental platform. [2019 c 346 s 1.]

RCW 64.37.020 Taxes. Short-term rental operators must remit all applicable local, state, and federal taxes unless the platform does this on the operator's behalf. This includes occupancy, sales, lodging, and other taxes, fees, and assessments to which an owner or operator of a hotel or bed and breakfast is subject in the jurisdiction in which the short-term rental is located. If the short-term rental platform collects and remits an occupancy, sales, lodging, and other tax, fee, or assessment to which a short-term rental operator is subject on behalf of such operator, the platform must collect and remit such tax to the appropriate authorities. [2019 c 346 s 2.]

RCW 64.37.030 Consumer safety. (1) All short-term rental operators who offer dwelling units, or portions thereof, for short-term rental use in the state of Washington must:

- (a) Provide contact information to all short-term rental guests during a guest's stay. The contact must be available to respond to inquiries at the short-term rental during the length of stay;
- (b) Provide that their short-term rental is in compliance with RCW 19.27.530 and any rules adopted by the state building code council regarding the installation of carbon monoxide alarms; and
- (c) Post the following information in a conspicuous place within each dwelling unit used as a short-term rental:
 - (i) The short-term rental street address;
 - (ii) The emergency contact information for summoning police, fire, or emergency medical services;
 - (iii) The floor plan indicating fire exits and escape routes;
 - (iv) The maximum occupancy limits; and
 - (v) The contact information for the operator or designated contact.

(2) Short-term rental platforms must provide short-term rental operators with a summary of the consumer safety requirements in subsection (1) of this section.

(3) For a first violation of this section, the city or county attorney must issue a warning letter to the owner or operator. An owner that violates this section after receiving a warning letter is guilty of a class 2 civil infraction under chapter 7.80 RCW. [2019 c 346 s 3.]

RCW 64.37.040 Short-term rental platforms. (1) No short-term rental platform may engage in the business in the state of Washington unless the short-term rental platform is in compliance with the requirements of this chapter.

(2) A short-term rental platform must register with the department.

(3) Short-term rental platforms must inform all operators who use the platform of the operator's responsibilities to collect and remit all applicable local, state, and federal taxes unless the platform does this on the operator's behalf.

(4) Short-term rental platforms must inform all operators who use the platform of short-term rental safety requirements required in this chapter.

(5) Short-term rental platforms must provide all operators who use the platform with written notice, delivered by mail or electronically, that the operator's personal insurance policy that covers their dwelling unit might not provide liability protection, defense costs, or first party coverage when their property is used for short-term rental stays. [2019 c 346 s 4.]

RCW 64.37.050 Liability insurance. A short-term rental operator must maintain primary liability insurance to cover the short-term rental dwelling unit in the aggregate of not less than one million dollars or conduct each short-term rental transaction through a platform that provides equal or greater primary liability insurance coverage. Nothing in this section prevents an operator or a platform from seeking contributions from any other insurer also providing primary liability insurance coverage for the short-term rental transaction to the extent of that insurer's primary liability coverage limits. [2019 c 346 s 5.]

RCW 64.38.005 Intent. (Effective until January 1, 2028.) The intent of this chapter is to provide consistent laws regarding the formation and legal administration of homeowners' associations. [1995 c 283 s 1.]

RCW 64.38.010 Definitions. (Effective until January 1, 2028.)

For purposes of this chapter:

(1) "Assessment" means all sums chargeable to an owner by an association in accordance with RCW 64.38.020.

(2) "Baseline funding plan" means establishing a reserve funding goal of maintaining a reserve account balance above \$0 throughout the 30-year study period described under RCW 64.38.065.

(3) "Board of directors" or "board" means the body, regardless of name, with primary authority to manage the affairs of the association.

(4) "Common areas" means property owned, or otherwise maintained, repaired or administered by the association.

(5) "Common expense" means the costs incurred by the association to exercise any of the powers provided for in this chapter.

(6) "Contribution rate" means, in a reserve study as described in RCW 64.38.065, the amount contributed to the reserve account so that the association will have cash reserves to pay major maintenance, repair, or replacement costs without the need of a special assessment.

(7) "Effective age" means the difference between the estimated useful life and remaining useful life.

(8) "Electronic transmission" or "electronically transmitted" means any electronic communication not directly involving the physical transfer of a writing in a tangible medium, but that may be retained, retrieved, and reviewed by the sender and the recipient of the communication, and that may be directly reproduced in a tangible medium by a sender and recipient.

(9) "Full funding plan" means setting a reserve funding goal of achieving one hundred percent fully funded reserves by the end of the 30-year study period described under RCW 64.38.065, in which the reserve account balance equals the sum of the deteriorated portion of all reserve components.

(10) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of the reserve component by its effective age, then dividing the result by the reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(11) "Governing documents" means the articles of incorporation, bylaws, plat, declaration of covenants, conditions, and restrictions, rules and regulations of the association, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(12) "Homeowners' association" or "association" means a corporation, unincorporated association, or other legal entity, each member of which is an owner of residential real property located within the association's jurisdiction, as described in the governing documents, and by virtue of membership or ownership of property is obligated to pay real property taxes, insurance premiums, maintenance costs, or for improvement of real property other than that which is owned by the member. "Homeowners' association" does not mean an association created under chapter 64.32, 64.34, or 64.90 RCW.

(13) "Lot" means a physical portion of the real property located within an association's jurisdiction designated for separate ownership.

(14) "Owner" means the owner of a lot, but does not include a person who has an interest in a lot solely as security for an obligation. "Owner" also means the vendee, not the vendor, of a lot under a real estate contract.

(15) "Remaining useful life" means the estimated time, in years, before a reserve component will require major maintenance, repair, or replacement to perform its intended function.

(16) "Replacement cost" means the current cost of replacing, repairing, or restoring a reserve component to its original functional condition.

(17) "Reserve component" means a common element whose cost of maintenance, repair, or replacement is infrequent, significant, and impractical to include in an annual budget.

(18) "Reserve study professional" means an independent person who is suitably qualified by knowledge, skill, experience, training, or education to prepare a reserve study in accordance with RCW 64.38.065 and 64.38.070.

(19) "Residential real property" means any real property, the use of which is limited by law, covenant or otherwise to primarily residential or recreational purposes.

(20) "Significant assets" means that the current replacement value of the major reserve components is 75 percent or more of the gross budget of the association, excluding the association's reserve account funds.

(21) "Tangible medium" means a writing, copy of a writing, facsimile, or a physical reproduction, each on paper or on other tangible material.

(22) "Useful life" means the estimated time, between years, that major maintenance, repair, or replacement is estimated to occur. [2023 c 337 s 2. Prior: 2021 c 227 s 9; prior: 2011 c 189 s 7; 1995 c 283 s 2.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.015 Association membership. (Effective until January 1, 2028.) The membership of an association at all times shall consist exclusively of the owners of all real property over which the association has jurisdiction, both developed and undeveloped. [1995 c 283 s 3.]

RCW 64.38.020 Association powers. (Effective until January 1, 2028.) Unless otherwise provided in the governing documents, an association may:

- (1) Adopt and amend bylaws, rules, and regulations;
- (2) Adopt and amend budgets for revenues, expenditures, and reserves, and impose and collect assessments for common expenses from owners;
- (3) Hire and discharge or contract with managing agents and other employees, agents, and independent contractors;
- (4) Institute, defend, or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more owners on matters affecting the homeowners' association, but not on behalf of owners involved in disputes that are not the responsibility of the association;

- (5) Make contracts and incur liabilities;
- (6) Regulate the use, maintenance, repair, replacement, and modification of common areas;
- (7) Cause additional improvements to be made as a part of the common areas;
- (8) Acquire, hold, encumber, and convey in its own name any right, title, or interest to real or personal property;
- (9) Grant easements, leases, licenses, and concessions through or over the common areas and petition for or consent to the vacation of streets and alleys;
- (10) Impose and collect any payments, fees, or charges for the use, rental, or operation of the common areas;
- (11) Impose and collect charges for late payments of assessments and, after notice and an opportunity to be heard by the board of directors or by the representative designated by the board of directors and in accordance with the procedures as provided in the bylaws or rules and regulations adopted by the board of directors, levy reasonable fines in accordance with a previously established schedule adopted by the board of directors and furnished to the owners for violation of the bylaws, rules, and regulations of the association;
- (12) Exercise any other powers conferred by the bylaws;
- (13) Exercise all other powers that may be exercised in this state by the same type of corporation as the association; and
- (14) Exercise any other powers necessary and proper for the governance and operation of the association. [1995 c 283 s 4.]

Speed enforcement: RCW 46.61.419.

RCW 64.38.025 Board of directors—Standard of care—Restrictions—Budget—Removal from board. (Effective until January 1, 2028.) (1) Except as provided in the association's governing documents or this chapter, the board of directors shall act in all instances on behalf of the association. In the performance of their duties, the officers and members of the board of directors shall exercise the degree of care and loyalty required of an officer or director of a corporation organized under chapter 24.03A RCW.

(2) The board of directors shall not act on behalf of the association to amend the articles of incorporation, to take any action that requires the vote or approval of the owners, to terminate the association, to elect members of the board of directors, or to determine the qualifications, powers, and duties, or terms of office of members of the board of directors; but the board of directors may fill vacancies in its membership of the unexpired portion of any term.

(3) Except as provided in RCW 64.90.080, 64.90.405(1) (b) and (c), and 64.90.525, within thirty days after adoption by the board of directors of any proposed regular or special budget of the association, the board shall set a date for a meeting of the owners to consider ratification of the budget not less than fourteen nor more than sixty days after mailing of the summary. Unless at that meeting the owners of a majority of the votes in the association are allocated or any larger percentage specified in the governing documents reject the budget, in person or by proxy, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected or the required notice is not given, the periodic budget last ratified

by the owners shall be continued until such time as the owners ratify a subsequent budget proposed by the board of directors.

(4) As part of the summary of the budget provided to all owners, the board of directors shall disclose to the owners:

(a) The current amount of regular assessments budgeted for contribution to the reserve account, the recommended contribution rate from the reserve study, and the funding plan upon which the recommended contribution rate is based;

(b) If additional regular or special assessments are scheduled to be imposed, the date the assessments are due, the amount of the assessments per each owner per month or year, and the purpose of the assessments;

(c) Based upon the most recent reserve study and other information, whether currently projected reserve account balances will be sufficient at the end of each year to meet the association's obligation for major maintenance, repair, or replacement of reserve components during the next thirty years;

(d) If reserve account balances are not projected to be sufficient, what additional assessments may be necessary to ensure that sufficient reserve account funds will be available each year during the next thirty years, the approximate dates assessments may be due, and the amount of the assessments per owner per month or year;

(e) The estimated amount recommended in the reserve account at the end of the current fiscal year based on the most recent reserve study, the projected reserve account cash balance at the end of the current fiscal year, and the percent funded at the date of the latest reserve study;

(f) The estimated amount recommended in the reserve account based upon the most recent reserve study at the end of each of the next five budget years, the projected reserve account cash balance in each of those years, and the projected percent funded for each of those years; and

(g) If the funding plan approved by the association is implemented, the projected reserve account cash balance in each of the next five budget years and the percent funded for each of those years.

(5) The owners by a majority vote of the voting power in the association present, in person or by proxy, and entitled to vote at any meeting of the owners at which a quorum is present, may remove any member of the board of directors with or without cause. [2021 c 176 s 5232; 2019 c 238 s 222; 2011 c 189 s 8; 1995 c 283 s 5.]

Effective date—2021 c 176: See note following RCW 24.03A.005.

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.028 Removal of discriminatory provisions in governing documents—Procedure. (Effective until January 1, 2028.) (1) The association, acting through a simple majority vote of its board, may amend the association's governing documents for the purpose of removing:

(a) Every covenant, condition, or restriction that is void by reason of RCW 49.60.224; and

(b) Every covenant, condition, restriction, or prohibition, including a right of entry or possibility of reverter, that directly

or indirectly limits the use or occupancy of real property on the basis of a protected class under chapter 49.60 RCW.

(2) Upon the board's receipt of a written request by a member of the association that the board exercise its amending authority granted under subsection (1) of this section, the board must, within a reasonable time, amend the governing documents, as provided under this section.

(3) Amendments under subsection (1) of this section may be executed by any board officer.

(4) Amendments made under subsection (1) of this section must be recorded in the public records and state the following:

"This amendment strikes from these covenants, conditions, and restrictions those provisions that are void under RCW 49.60.224. Specifically, this amendment strikes:

(a) Those provisions that forbid or restrict use, occupancy, conveyance, encumbrance, or lease of real property to individuals on the basis of a protected class under chapter 49.60 RCW; and

(b) Every covenant, condition, restriction, or prohibition, including a right of entry or possibility of reverter, that directly or indirectly limits the use or occupancy of real property on the basis of a protected class under chapter 49.60 RCW."

(5) Board action under this section does not require the vote or approval of the owners.

(6) As provided in RCW 49.60.227:

(a) Any owner, occupant, or tenant in the association or board may bring an action in superior court to have any provision of a written instrument that is void pursuant to RCW 49.60.224 stricken from the public records; or

(b) Any owner of property subject to a written instrument that contains a provision that is void pursuant to RCW 49.60.224 may record a restrictive covenant modification as defined in RCW 49.60.227.

(7) Nothing in this section prohibiting discrimination based on families with children status applies to housing for older persons as defined by the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995. Nothing in this section authorizes requirements for housing for older persons different than the requirements in the federal fair housing amendments act of 1988, 42 U.S.C. Sec. 3607(b)(1) through (3), as amended by the housing for older persons act of 1995, P.L. 104-76, as enacted on December 28, 1995.

(8) Except as otherwise provided in subsection (2) of this section, (a) nothing in this section creates a duty on the part of owners, occupants, tenants, associations, or boards to amend the governing documents as provided in this section, or to bring an action as authorized under this section and RCW 49.60.227; and (b) an owner, occupant, tenant, association, or board is not liable for failing to amend the governing documents or to pursue an action in court as authorized under this section and RCW 49.60.227. [2018 c 65 s 2; 2006 c 58 s 2.]

Finding—Intent—2006 c 58: "The legislature finds that some homeowners' associations have governing documents that contain

discriminatory covenants, conditions, or restrictions that are void and unenforceable under both the federal fair housing amendments act of 1988 and RCW 49.60.224. The continued existence of these discriminatory covenants, conditions, or restrictions is contrary to public policy and repugnant to many property owners. It is the intent of chapter 58, Laws of 2006 to allow homeowners' associations to remove all remnants of discrimination from their governing documents." [2006 c 58 s 1.]

RCW 64.38.030 Association bylaws. (Effective until January 1, 2028.) Unless provided for in the governing documents, the bylaws of the association shall provide for:

(1) The number, qualifications, powers and duties, terms of office, and manner of electing and removing the board of directors and officers and filling vacancies;

(2) Election by the board of directors of the officers of the association as the bylaws specify;

(3) Which, if any, of its powers the board of directors or officers may delegate to other persons or to a managing agent;

(4) Which of its officers may prepare, execute, certify, and record amendments to the governing documents on behalf of the association;

(5) The method of amending the bylaws; and

(6) Subject to the provisions of the governing documents, any other matters the association deems necessary and appropriate. [1995 c 283 s 6.]

RCW 64.38.033 Flag of the United States—Outdoor display—Governing documents. (Effective until January 1, 2028.) (1) The governing documents may not prohibit the outdoor display of the flag of the United States by an owner or resident on the owner's or resident's property if the flag is displayed in a manner consistent with federal flag display law, 4 U.S.C. Sec. 1 et seq. The governing documents may include reasonable rules and regulations, consistent with 4 U.S.C. Sec. 1 et seq., regarding the placement and manner of display of the flag of the United States.

(2) The governing documents may not prohibit the installation of a flagpole for the display of the flag of the United States. The governing documents may include reasonable rules and regulations regarding the location and the size of the flagpole.

(3) For purposes of this section, "flag of the United States" means the flag of the United States as defined in federal flag display law, 4 U.S.C. Sec. 1 et seq., that is made of fabric, cloth, or paper and that is displayed from a staff or flagpole or in a window. For purposes of this section, "flag of the United States" does not mean a flag depiction or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative component.

(4) The provisions of this section shall be construed to apply retroactively to any governing documents in effect on June 10, 2004. Any provision in a governing document in effect on June 10, 2004, that is inconsistent with this section shall be void and unenforceable. [2004 c 169 s 1.]

RCW 64.38.034 Political yard signs—Governing documents.

(Effective until January 1, 2028.) The governing documents may include reasonable rules and regulations regarding the placement and manner of display of political yard signs.

(2) This section applies retroactively to any governing documents in effect on July 24, 2005. Any provision in a governing document in effect on July 24, 2005, that is inconsistent with this section is void and unenforceable. [2005 c 179 s 1.]

RCW 64.38.035 Association meetings—Notice—Board of directors.

(Effective until January 1, 2028.) (1) A meeting of the association must be held at least once each year. Special meetings of the association may be called by the president, a majority of the board of directors, or by owners having ten percent of the votes in the association. The association must make available to each owner of record for examination and copying minutes from the previous association meeting not more than sixty days after the meeting. Minutes of the previous association meeting must be approved at the next association meeting in accordance with the association's governing documents.

(2) Not less than fourteen nor more than fifty days in advance of any meeting of the association, the secretary or other officers specified in the bylaws shall cause notice of the meeting to be provided to each owner in accordance with this chapter.

(3) The notice of any meeting shall state the time and place of the meeting and the business to be placed on the agenda by the board of directors for a vote by the owners, including the general nature of any proposed amendment to the articles of incorporation, bylaws, any budget or changes in the previously approved budget that result in a change in assessment obligation, and any proposal to remove a director.

(4) Except as provided in this subsection, all meetings of the board of directors shall be open for observation by all owners of record and their authorized agents. The board of directors shall keep minutes of all actions taken by the board, which shall be available to all owners. Upon the affirmative vote in open meeting to assemble in closed session, the board of directors may convene in closed executive session to consider personnel matters; consult with legal counsel or consider communications with legal counsel; and discuss likely or pending litigation, matters involving possible violations of the governing documents of the association, and matters involving the possible liability of an owner to the association. The motion shall state specifically the purpose for the closed session. Reference to the motion and the stated purpose for the closed session shall be included in the minutes. The board of directors shall restrict the consideration of matters during the closed portions of meetings only to those purposes specifically exempted and stated in the motion. No motion, or other action adopted, passed, or agreed to in closed session may become effective unless the board of directors, following the closed session, reconvenes in open meeting and votes in the open meeting on such motion, or other action which is reasonably identified. The requirements of this subsection shall not require the

disclosure of information in violation of law or which is otherwise exempt from disclosure.

(5) Except as otherwise restricted by the governing documents, meetings of the association may be conducted by telephonic, video, or other conferencing process, if: (a) The meeting notice states the conferencing process to be used and provides information explaining how owners may participate in the conference directly or by meeting at a central location or conference connection; and (b) the process provides all owners the opportunity to hear or perceive the discussion and to comment. [2021 c 227 s 10; 2014 c 20 s 1; 2013 c 108 s 1; 1995 c 283 s 7.]

RCW 64.38.040 Quorum for meeting. (Effective until January 1, 2028.) Unless the governing documents specify a different percentage, a quorum is present throughout any meeting of the association if the owners to which thirty-four percent of the votes of the association are allocated are present in person or by proxy at the beginning of the meeting. [1995 c 283 s 8.]

RCW 64.38.045 Financial and other records—Property of association—Copies—Annual financial statement—Accounts—Requirements for retaining. (Effective until January 1, 2028.) (1) The association or its managing agent shall keep financial and other records sufficiently detailed to enable the association to fully declare to each owner the true statement of its financial status. All financial and other records of the association, including but not limited to checks, bank records, and invoices, in whatever form they are kept, are the property of the association. Each association managing agent shall turn over all original books and records to the association immediately upon termination of the management relationship with the association, or upon such other demand as is made by the board of directors. An association managing agent is entitled to keep copies of association records. All records which the managing agent has turned over to the association shall be made reasonably available for the examination and copying by the managing agent.

(2) At least annually, the association shall prepare, or cause to be prepared, a financial statement of the association. The financial statements of associations with annual assessments of \$50,000 or more shall be audited at least annually by an independent certified public accountant, but the audit may be waived if 67 percent of the votes cast by owners, in person or by proxy, at a meeting of the association at which a quorum is present, vote each year to waive the audit.

(3) The funds of the association shall be kept in accounts in the name of the association and shall not be commingled with the funds of any other association, nor with the funds of any manager of the association or any other person responsible for the custody of such funds.

(4) An association must retain the following:

(a) The current budget, detailed records of receipts and expenditures affecting the operation and administration of the association, and other appropriate accounting records within the last seven years;

(b) Minutes of all meetings of its owners and board other than executive sessions, a record of all actions taken by the owners or

board without a meeting, and a record of all actions taken by a committee in place of the board on behalf of the association;

(c) The names of current owners, addresses used by the association to communicate with them, and the number of votes allocated to each lot;

(d) Its original or restated declaration, organizational documents, all amendments to the declaration and organizational documents, and all rules currently in effect;

(e) All financial statements and tax returns of the association for the past seven years;

(f) A list of the names and addresses of its current board members and officers;

(g) Its most recent annual report delivered to the secretary of state, if any;

(h) Copies of contracts to which it is or was a party within the last seven years;

(i) Materials relied upon by the board or any committee to approve or deny any requests for design or architectural approval for a period of seven years after the decision is made;

(j) Materials relied upon by the board or any committee concerning a decision to enforce the governing documents for a period of seven years after the decision is made;

(k) Copies of insurance policies under which the association is a named insured;

(l) Any current warranties provided to the association;

(m) Copies of all notices provided to owners or the association in accordance with this chapter or the governing documents; and

(n) Ballots, proxies, absentee ballots, and other records related to voting by owners for one year after the election, action, or vote to which they relate.

(5) (a) Subject to subsections (6) through (8) of this section, and except as provided in (b) of this subsection, all records required to be retained by an association must be made available for examination and copying by all owners, holders of mortgages on the lots, and their respective authorized agents as follows, unless agreed otherwise:

(i) During reasonable business hours or at a mutually convenient time and location; and

(ii) At the offices of the association or its managing agent.

(b) The list of owners required to be retained by an association under subsection (4) (c) of this section is not required to be made available for examination and copying by holders of mortgages on the lots.

(6) Records retained by an association must have the following information redacted or otherwise removed prior to disclosure:

(a) Personnel and medical records relating to specific individuals;

(b) Contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated;

(c) Existing or potential litigation or mediation, arbitration, or administrative proceedings;

(d) Existing or potential matters involving federal, state, or local administrative or other formal proceedings before a governmental tribunal for enforcement of the governing documents;

(e) Legal advice or communications that are otherwise protected by the attorney-client privilege or the attorney work product

doctrine, including communications with the managing agent or other agent of the association;

(f) Information the disclosure of which would violate a court order or law;

(g) Records of an executive session of the board;

(h) Individual lot files other than those of the requesting owner;

(i) Unlisted telephone number or electronic address of any owner or resident;

(j) Security access information provided to the association for emergency purposes; or

(k) Agreements that for good cause prohibit disclosure to the members.

(7) In addition to the requirements in subsection (6) of this section, an association must, prior to disclosure of the list of owners required to be retained by an association under subsection (4)(c) of this section, redact or otherwise remove the address of any owner or resident who is known to the association to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law.

(8)(a) Except as provided in (b) of this subsection, an association may charge a reasonable fee for producing and providing copies of any records under this section and for supervising the owner's inspection.

(b) An owner is entitled to receive a free annual electronic or paper copy of the list retained under subsection (4)(c) of this section from the association.

(9) A right to copy records under this section includes the right to receive copies by photocopying or other means, including through an electronic transmission if available upon request by the owner.

(10) An association is not obligated to compile or synthesize information.

(11) Information provided pursuant to this section may not be used for commercial purposes.

(12) An association's managing agent must deliver all of the association's original books and records to the association immediately upon termination of its management relationship with the association, or upon such other demand as is made by the board. An association managing agent may keep copies of the association records at its own expense.

(13) This section applies to records in the possession of the association on July 23, 2023, and to records created or maintained after July 23, 2023. An association has no liability under this section for records disposed of prior to July 23, 2023. [2023 c 409 s 3; 1995 c 283 s 9.]

RCW 64.38.050 Violation—Remedy—Attorneys' fees. (Effective until January 1, 2028.) Any violation of the provisions of this chapter entitles an aggrieved party to any remedy provided by law or in equity. The court, in an appropriate case, may award reasonable attorneys' fees to the prevailing party. [1995 c 283 s 10.]

RCW 64.38.055 Governing documents—Solar panels. (Effective until January 1, 2028.) (1) The governing documents may not prohibit

the installation of a solar energy panel by an owner or resident on the owner's or resident's property as long as the solar energy panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency. Certification must be for the solar energy panel and for installation; and

(c) If used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as underwriters laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability.

(2) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roofline;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; or

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) An owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than ten percent; or

(iii) Owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or damage caused by the installation, maintenance, or use of a solar energy panel.

(3) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

(4) For purposes of this section, "solar energy panel" means a panel device or system or combination of panel devices or systems that relies on direct sunlight as an energy source, including a panel device or system or combination of panel devices or systems that collects sunlight for use in:

(a) The heating or cooling of a structure or building;

(b) The heating or pumping of water;

(c) Industrial, commercial, or agricultural processes; or

(d) The generation of electricity.

(5) This section does not apply to common areas as defined in RCW 64.38.010.

(6) This section applies retroactively to a governing document in effect on July 26, 2009. A provision in a governing document in effect on July 26, 2009, that is inconsistent with this section is void and unenforceable. [2009 c 51 s 1.]

RCW 64.38.057 Governing documents—Drought resistant landscaping, pollinator habitat, wildfire ignition resistant landscaping. (1) The governing documents may not prohibit the

installation of drought resistant landscaping, pollinator habitat, including beehives compliant with local regulation, or wildfire ignition resistant landscaping. However, the governing documents may include reasonable rules regarding the placement and aesthetic appearance of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping, as long as the rules do not render the use of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping unreasonably costly or otherwise effectively infeasible.

(2) If a property is located within the geographic designation of an order of a drought condition issued by the department of ecology under RCW 43.83B.405, an association may not sanction or impose a fine or assessment against an owner, or resident on the owner's property, for reducing or eliminating the watering of vegetation or lawns for the duration of the drought condition order.

(3) Nothing in this section may be construed to prohibit or restrict the establishment and maintenance of a fire buffer within the building ignition zone.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Building ignition zone" means a building and surrounding area up to two hundred feet from the foundation.

(b) "Drought resistant landscaping" means the use of any noninvasive vegetation adapted to arid or dry conditions, stone, or landscaping rock.

(c) "Firewise" means the firewise communities program developed by the national fire protection association, which encourages local solutions for wildfire safety by involving homeowners, community leaders, planners, developers, firefighters, and others in the effort to protect people and property from wildfire risks.

(d) "Pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators. "Pollinator habitat" does not include beehives, except for mason bee houses.

(e) "Wildfire ignition resistant landscaping" includes:

(i) Any landscaping tools or techniques, or noninvasive vegetation, that do not readily ignite from a flame or other ignition source; or

(ii) The use of firewise methods to reduce ignition risk in a building ignition zone. [2024 c 337 s 4; 2020 c 9 s 2.]

Reviser's note: RCW 64.38.057 was amended by 2024 c 337 s 4 without cognizance of its repeal by 2024 c 321 s 503, effective January 1, 2028. For rule of construction concerning sections amended and repealed in the same legislative session, see RCW 1.12.025.

Findings—Intent—2020 c 9: "(1) The legislature finds that:

(a) Water is a finite resource whose importance is heightened during the periodic drought conditions and increased wildfire risk that the state experiences;

(b) The maintenance of lawns of green grass during the summer months for aesthetic purposes can be responsible for a noteworthy portion of summer water use by households; and

(c) (i) In the event of a drought, state law already grants extraordinary powers to the department of ecology to manage water resources and provides for other policy responses to encourage efficient use of the state's limited water supplies;

(ii) However, in certain instances, property association rules do not take into account the public goal of making efficient use of water supplies while also protecting properties from wildfire. These association rules can prohibit private property owners from deciding to use low-water plants or other low-water landscaping practices in place of grass lawns. Association rules can also limit the use of landscaping materials that are both drought resistant and fire ignition resistant, making it difficult to create fire safe, drought resistant landscapes and establish defensible space. Similar laws also sometimes prohibit private property owners from allowing their grass to go dormant and brown.

(2) (a) Therefore, it is the intent of the legislature to empower private property owners and remove an obstacle to water use efficiency by prohibiting unreasonable homeowner association, common interest ownership association, and condominium association restrictions that limit private property owners' ability to deploy low-water landscaping techniques, while also ensuring private property owners' ability to create fire safe landscapes.

(b) It is also the intent of the legislature to encourage the use of landscaping design techniques that meet the highest standards for water efficiency in the design and construction of state-funded buildings." [2020 c 9 s 1.]

RCW 64.38.057 Governing documents—Drought resistant landscaping, wildfire ignition resistant landscaping. [2020 c 9 s 2.]

Reviser's note: RCW 64.38.057 was amended by 2024 c 337 s 4 without cognizance of its repeal by 2024 c 321 s 503, effective January 1, 2028. For rule of construction concerning sections amended and repealed in the same legislative session, see RCW 1.12.025.

RCW 64.38.060 Adult family homes. (Effective until January 1, 2028.) (1) To effectuate the public policy of chapter 70.128 RCW, the governing documents may not limit, directly or indirectly:

(a) Persons with disabilities from living in an adult family home licensed under chapter 70.128 RCW; or

(b) Persons and legal entities from operating adult family homes licensed under chapter 70.128 RCW, whether for-profit or nonprofit, to provide services covered under chapter 70.128 RCW. However, this subsection does not prohibit application of reasonable nondiscriminatory regulation, including but not limited to landscaping standards or regulation of sign location or size, that applies to all residential property subject to the governing documents.

(2) This section applies retroactively to any governing documents in effect on July 26, 2009. Any provision in a governing document in effect on or after July 26, 2009, that is inconsistent with subsection (1) of this section is unenforceable to the extent of the conflict. [2009 c 530 s 4.]

RCW 64.38.062 Electric vehicle charging stations. (Effective until January 1, 2028.) (1) (a) A homeowners' association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station in compliance with the requirements of this section and for the personal noncommercial use of a lot owner, within the boundaries of a lot or in a designated parking space; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) A homeowners' association may require a lot owner to submit an application for approval for the installation of an electric vehicle charging station before installing the charging station.

(3) (a) If approval is required for the installation or use of an electric vehicle charging station, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) A homeowners' association may not assess or charge a lot owner a fee for the placement of an electric vehicle charging station. An association may charge a reasonable fee for processing the application to approve the installation of an electric vehicle charging station, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation or use of an electric vehicle charging station, a homeowners' association must approve the installation within the boundaries of a lot or in a designated parking space if the installation is reasonably possible and the lot owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the electric vehicle charging station;

(b) Engage an electrical contractor familiar with the standards for the installation of electric vehicle infrastructure to assess the existing infrastructure necessary to support the proposed electric vehicle charging station, identify additional infrastructure needs, and install the electric vehicle charging station;

(c) Register the electric vehicle charging station with the association within 30 days after installation;

(d) Pay for the electricity usage associated with the electric vehicle charging station and the required means to facilitate payment for the electricity; and

(e) Comply with the requirements of this section.

(5) (a) A lot owner must obtain any permit or approval for an electric vehicle charging station as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) An electric vehicle charging station must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the homeowners' association, a lot owner is responsible for the costs of installing an electric vehicle charging station.

(b) Electric vehicle charging station equipment that is installed at the lot owner's cost and is removable without damage to the property owned by others may be removed at the lot owner's cost. Nothing in this subsection requires the association to purchase the electric vehicle charging station.

(7) A lot owner must disclose to any prospective buyers of the lot:

(a) The existence of an electric vehicle charging station and the related responsibilities of the owner under this section; and

(b) Whether the electric vehicle charging station is removable and whether the owner intends to remove the charging station.

(8) The owner and each successive owner of an electric vehicle charging station is responsible for:

(a) Costs for the maintenance, repair, and replacement of the electric vehicle charging station up until the station is removed;

(b) Costs for damage to the electric vehicle charging station, any lot, common area, or limited common area resulting from the installation, use, maintenance, repair, removal, or replacement of the electric vehicle charging station;

(c) The cost of electricity associated with the electric vehicle charging station;

(d) If the owner decides to remove the electric vehicle charging station, costs for the removal and the restoration of the common area or limited common area after the removal; and

(e) Removing the electric vehicle charging station if reasonably necessary for the repair, maintenance, or replacement of the common area or limited common area.

(9) A homeowners' association may install an electric vehicle charging station in the common area for the use of all lot owners and, in that case, the association must develop appropriate terms of use for the charging station.

(10) (a) A homeowners' association that willfully violates this section is liable to the lot owner for actual damages, and shall pay a civil penalty to the lot owner in an amount not to exceed \$1,000.

(b) In any action by a lot owner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing lot owner.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Designated parking space" means a parking space that is specifically designated for use by a particular lot owner, including a garage, a deeded parking space, and a parking space in a limited common area that is restricted for use by one or more lot owners.

(b) "Electric vehicle charging station" means a station that delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(c) "Reasonable restriction" means a restriction that does not significantly increase the cost of an electric vehicle charging station or significantly decrease its efficiency or specified performance. [2022 c 27 s 3.]

RCW 64.38.065 Reserve account and study. (Effective until January 1, 2028.) (1) An association is encouraged to establish a reserve account with a financial institution to fund major maintenance, repair, and replacement of common elements, including limited common elements that will require major maintenance, repair, or replacement within thirty years. If the association establishes a reserve account, the account must be in the name of the association. The board of directors is responsible for administering the reserve account.

(2) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, an association with significant assets shall prepare and update a reserve study, in accordance with the association's governing documents and this chapter. The initial reserve study must be based upon a visual site inspection conducted by a reserve study professional.

(3) Except as provided in RCW 64.90.080 and 64.90.545, unless doing so would impose an unreasonable hardship, the association shall update the reserve study annually. At least every three years, an updated reserve study must be prepared and based upon a visual site inspection conducted by a reserve study professional.

(4) The decisions relating to the preparation and updating of a reserve study must be made by the board of directors in the exercise of the reasonable discretion of the board. The decisions must include whether a reserve study will be prepared or updated, and whether the assistance of a reserve study professional will be utilized. [2019 c 238 s 223; 2011 c 189 s 9.]

Effective date—2011 c 189: "This act takes effect January 1, 2012." [2011 c 189 s 15.]

RCW 64.38.070 Reserve study—Requirements. (Effective until January 1, 2028.) (1) A reserve study as described in RCW 64.38.065 is supplemental to the association's operating and maintenance budget. In preparing a reserve study, the association shall estimate the anticipated major maintenance, repair, and replacement costs, whose infrequent and significant nature make them impractical to be included in an annual budget.

(2) A reserve study must include:

(a) A reserve component list, including any reserve component that would cost more than one percent of the annual budget of the association, not including the reserve account, for major maintenance, repair, or replacement. If one of these reserve components is not included in the reserve study, the study should provide commentary explaining the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, remaining useful life of each reserve component, and current major maintenance, repair, or replacement cost for each reserve component;

(b) The date of the study, and a statement that the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

(iii) Level III: Update with no visual site inspection;

(d) The association's reserve account balance;

- (e) The percentage of the fully funded balance that the reserve account is funded;
 - (f) Special assessments already implemented or planned;
 - (g) Interest and inflation assumptions;
 - (h) Current reserve account contribution rates for a full funding plan and baseline funding plan;
 - (i) A recommended reserve account contribution rate, a contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a baseline funding plan to maintain the reserve balance above zero throughout the thirty-year study period without special assessments, and a contribution rate recommended by the reserve study professional;
 - (j) A projected reserve account balance for thirty years and a funding plan to pay for projected costs from that reserve account balance without reliance on future unplanned special assessments; and
 - (k) A statement on whether the reserve study was prepared with the assistance of a reserve study professional.
- (3) A reserve study must also include the following disclosure: "This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a reserve component." [2011 c 189 s 10.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.075 Reserve account—Withdrawals. (Effective until January 1, 2028.) An association may withdraw funds from its reserve account to pay for unforeseen or unbudgeted costs that are unrelated to maintenance, repair, or replacement of the reserve components. The board of directors shall record any such withdrawal in the minute books of the association, cause notice of any such withdrawal to be hand delivered or sent prepaid by first-class United States mail to the mailing address of each owner or to any other mailing address designated in writing by the owner, and adopt a repayment schedule not to exceed twenty-four months unless it determines that repayment within twenty-four months would impose an unreasonable burden on the owners. Payment for major maintenance, repair, or replacement of the reserve components out of cycle with the reserve study projections or not included in the reserve study may be made from the reserve account without meeting the notification or repayment requirements under this section. [2011 c 189 s 11.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.080 Reserve study—Demand for preparation and inclusion in budget. (Effective until January 1, 2028.) (1) When more than three years have passed since the date of the last reserve study

prepared by a reserve study professional, the owners to which at least thirty-five percent of the votes are allocated may demand, in writing, to the association that the cost of a reserve study be included in the next budget and that the study be prepared by the end of that budget year. The written demand must refer to this section. The board of directors shall, upon receipt of the written demand, provide the owners who make the demand reasonable assurance that the board will include a reserve study in the next budget and, if the budget is not rejected by a majority of the owners, will arrange for the completion of a reserve study.

(2) If a written demand under this section is made and a reserve study is not timely prepared, a court may order specific performance and award reasonable attorneys' fees to the prevailing party in any legal action brought to enforce this section. An association may assert unreasonable hardship as an affirmative defense in any action brought against it under this section. Without limiting this affirmative defense, an unreasonable hardship exists where the cost of preparing a reserve study would exceed five percent of the association's annual budget.

(3) An owner's duty to pay for common expenses is not excused because of the association's failure to comply with this section or this chapter. A budget ratified by the owners is not invalidated because of the association's failure to comply with this section or this chapter. [2011 c 189 s 12.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.085 Reserve account and study—Liability. (Effective until January 1, 2028.) Monetary damages or any other liability may not be awarded against or imposed upon the association, the officers or board of directors of the association, or those persons who may have provided advice or assistance to the association or its officers or directors, for failure to: Establish a reserve account; have a current reserve study prepared or updated in accordance with the requirements of this chapter; or make the reserve disclosures in accordance with this chapter. [2011 c 189 s 13.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.090 Reserve study—Exemptions. (Effective until January 1, 2028.) Except as provided in RCW 64.90.080 and 64.90.545, an association is not required to follow the reserve study requirements under RCW 64.38.025 and RCW 64.38.065 through 64.38.085 if the cost of the reserve study exceeds five percent of the association's annual budget, the association does not have significant assets, or there are ten or fewer homes in the association. [2019 c 238 s 224; 2011 c 189 s 14.]

Effective date—2011 c 189: See note following RCW 64.38.065.

RCW 64.38.095 Application to common interest communities. (Effective until January 1, 2028.) (1) This chapter does not apply to common interest communities as defined in RCW 64.90.010:

(a) Created on or after July 1, 2018; or
(b) That have amended their governing documents to provide that chapter 64.90 RCW will apply to the common interest community pursuant to RCW 64.90.370.

(2) Pursuant to RCW 64.90.365, the following provisions of chapter 64.90 RCW apply, and any inconsistent provisions of this chapter do not apply, to a common interest community created before July 1, 2018:

RCW 64.38.110 Notice. (Effective until January 1, 2028.) (1) Notwithstanding any inconsistent provision in the governing documents, notice to the association of lot owners, board, or any lot owner or occupant of a lot under this chapter shall be in writing and shall be provided to the recipient by personal delivery, public or private mail or delivery service, or by electronic transmission as provided in this section: PROVIDED, That if this chapter requires different or additional notice requirements for particular circumstances, those requirements shall apply.

(2) Notice in a tangible medium shall be provided as follows:

(a) Notice to the association or board shall be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report, or to an address provided by the association to the lot owners.

(b) Notice to a lot owner or occupant shall be addressed to the lot address unless the owner has requested, in a writing delivered to the association, that notices be sent to an alternate address.

(3) Notice in an electronic transmission shall be provided as follows:

(a) Notice to the association, the board, or lot owners by electronic transmission is effective only upon those who have consented, in writing, to receive electronically transmitted notices under this chapter and have designated the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law.

(b) Notice under this subsection includes any materials that accompany the notice.

(c) Owners who have consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in writing.

(d) The consent of any lot owner is revoked if the association is unable to electronically transmit two consecutive notices and this inability becomes known to the secretary of the association of lot owners or any other person responsible for giving the notice. The inadvertent failure by the association of lot owners to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to lot owners who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the owner separate notice of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(4) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and separate notice of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(5) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(6) This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b). [2023 c 470 s 3017; 2021 c 227 s 11.]

Explanatory statement—2023 c 470: See note following RCW 10.99.030.

RCW 64.38.120 Voting—In person, absentee ballots, proxies.

(Effective until January 1, 2028.) (1) Owners may vote at a meeting in person, by absentee ballot pursuant to subsection (3)(d) of this section, or by a proxy pursuant to subsection (5) of this section.

(2) When a vote is conducted without a meeting, owners may vote by ballot pursuant to subsection (6) of this section.

(3) At a meeting of owners the following requirements apply:

(a) Owners or their proxies who are present in person may vote by voice vote, show of hands, standing, written ballot, or any other method for determining the votes of owners, as designated by the person presiding at the meeting.

(b) If only one of several owners of a lot is present, that lot owner is entitled to cast all the votes allocated to that lot. If more than one of the lot owners are present, the votes allocated to that lot may be cast only in accordance with the agreement of a majority in

interest of the lot owners, unless the declaration expressly provides otherwise. There is a majority agreement if any one of the lot owners casts the votes allocated to the lot without protest being made promptly to the person presiding over the meeting by any of the other lot owners of the lot.

(c) Unless a greater number or fraction of the votes in the association is required under this chapter or the declaration or organizational documents, a majority of the votes cast determines the outcome of any action of the association.

(d) Whenever proposals or board members are to be voted upon at a meeting, an owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(4) When an owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the owner having the right to do so.

(5) Except as provided otherwise in the declaration or organizational documents, the following requirements apply with respect to proxy voting:

(a) Votes allocated to a lot may be cast pursuant to a directed or undirected proxy duly executed by a lot owner in the same manner as provided in RCW 24.06.110.

(b) If a lot is owned by more than one person, each lot owner of the lot may vote or register protest to the casting of votes by the other lot owners of the lot through a duly executed proxy.

(c) An owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of an owner does not revoke a proxy given by the owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates eleven months after its date of issuance.

(6) Unless prohibited or limited by the declaration or organizational documents, an association may conduct a vote without a meeting. In that event, the following requirements apply:

(a) The association must notify the owners that the vote will be taken by ballot.

(b) The notice must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than fourteen days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to meet the quorum requirements;

(iii) The percent of votes necessary to approve each matter other than election of board members; and

(iv) The time, date, and manner by which owners wishing to deliver information to all owners regarding the subject of the vote may do so.

(c) The association must deliver a ballot to every owner with the notice.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A ballot cast pursuant to this section may be revoked only by actual notice to the association of revocation. The death or disability of an owner does not revoke a ballot unless the association has actual notice of the death or disability prior to the date set forth in (b) (i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed eleven months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(7) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than owners of leased lots:

(a) This section applies to lessees as if they were owners;

(b) Owners that have leased their lots to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were owners.

(8) Owners must also be given notice, in the manner provided in RCW 64.38.110, of all meetings at which lessees may be entitled to vote.

(9) In any vote of the lot owners, votes allocated to a lot owned by the association must be cast in the same proportion as the votes cast on the matter by lot owners other than the association. [2021 c 227 s 12.]

RCW 64.38.130 Tenant screening. (Effective until January 1, 2028.) (1) Except as otherwise prohibited by law, and subject to the limitations in subsection (2) of this section, a homeowners' association may:

(a) Require any lot owner intending to lease the owner's lot to use a tenant screening service or obtain background information, including criminal history, on a prospective tenant, at the owner's sole cost and expense, prior to the owner entering into a lease agreement with a prospective tenant; and

(b) Require proof that the tenant screening requirement has been fulfilled or that the background information on a prospective tenant has been obtained by the owner intending to lease the owner's lot.

(2) An association may not require that a copy of the tenant screening report or any background information pertaining to a tenant be furnished to the association. [2023 c 23 s 3.]

RCW 64.38.140 Licensed family home child care or licensed child day care center—Regulations—Liability. (Effective until January 1, 2028.)

(1) A homeowners' association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that effectively prohibits, unreasonably restricts, or limits, directly or indirectly, the use of a lot as a licensed family home child care operated by a family day care provider or as a licensed child day care center, except as provided in subsection (2) of this section.

(2) (a) Nothing in this section prohibits a homeowners' association from imposing reasonable regulations on a family home child care or a child day care center including, but not limited to, architectural standards, as long as those regulations are identical to those applied to all other lots within the same association as the family home child care or the child day care center.

(b) An association may require that only a lot with direct access may be used as a family home child care or child day care center. Direct access must be through publicly accessible common areas.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of a lot within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising in common areas that the association is solely responsible for maintaining under the governing documents;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized; and

(iv) Obtain day care insurance as defined in RCW 48.88.020 or provide self-insurance pursuant to chapter 48.90 RCW, consistent with the requirements in RCW 43.216.700.

(3) A homeowners' association that willfully violates this section is liable to the family day care provider or the child day care center for actual damages, and shall pay a civil penalty to the family day care provider or the child day care center in an amount not to exceed \$1,000.

(4) For the purposes of this section, the terms "family day care provider" and "child day care center" have the same meanings as in RCW 43.216.010. [2023 c 203 s 3.]

Effective date—2023 c 203: See note following RCW 64.32.310.

RCW 64.38.150 New associations minimum density. (Effective until January 1, 2028.) Governing documents of associations within cities subject to the middle housing requirements in RCW 36.70A.635 that are created after July 23, 2023, may not actively or effectively prohibit the construction, development, or use of additional housing units as required in RCW 36.70A.635. [2023 c 332 s 12.]

Finding—2023 c 332: See note following RCW 36.70A.635.

RCW 64.38.160 New associations—Accessory dwelling units. (Effective until January 1, 2028.) (1) Except governing documents of associations created to protect public health and safety, and ground and surface waters from on-site wastewater, governing documents of associations created after July 23, 2023, and applicable to a property located within an urban growth area may not impose any restriction or prohibition on the construction, development, or use on a lot of an accessory dwelling unit that the city or county in which the urban growth area is located would be prohibited from imposing under RCW 36.70A.681.

(2) For the purposes of this section, "urban growth area" has the same meaning as in RCW 36.70A.030.

(3) A city or county issuing a permit for the construction of an accessory dwelling unit may not be held civilly liable on the basis that the construction of the accessory dwelling unit would violate a restrictive covenant or deed restriction. [2023 c 334 s 11.]

RCW 64.38.170 Occupancy limits. (Expires January 1, 2028.) Except for occupancy limits on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code, city ordinance, or county ordinance, a homeowners' association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that regulates or limits the number of unrelated persons that may occupy a lot. [2024 c 139 s 3.]

Contingent expiration date—2024 c 139 ss 1-3: See note following RCW 64.32.340.

RCW 64.38.180 Heat pumps. (Expires January 1, 2028.) (1)(a) A homeowners' association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of a heat pump in compliance with the requirements of this section and for the personal use of an owner within the boundaries of a lot; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on heat pumps.

(c) This section must not be construed to permit installation by an owner of heat pump equipment on or in common areas without approval of the board of directors.

(2) A homeowners' association may require an owner to submit an application for approval for the installation of a heat pump before installing the heat pump.

(3) (a) If approval is required for the installation of a heat pump, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge an owner a fee for the installation of a heat pump. An association may charge a reasonable fee for processing the application to approve the installation of a heat pump, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation of a heat pump, a homeowners' association must approve the installation if the installation is reasonably possible and the owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the heat pump;

(b) Engage a heating, ventilation, and air conditioning (HVAC) contractor familiar with the standards for the installation of heat pumps to assess the existing infrastructure necessary to support the proposed heat pump, identify additional infrastructure needs, and install the heat pump; and

(c) Comply with the requirements of this section.

(5) (a) An owner must obtain any permit or approval for a heat pump as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) A heat pump must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the homeowners' association, an owner is responsible for the costs of installing a heat pump.

(b) Heat pump equipment that is installed at the owner's cost and is removable without damage to the property owned by others may be removed at the owner's cost.

(7) The owner and each successive owner of the heat pump is responsible for:

(a) Costs for the maintenance, repair, and replacement of the heat pump up until the heat pump is removed;

(b) Costs for damage to the heat pump, any unit, common area, or limited common area resulting from the installation, use, maintenance, repair, removal, or replacement of the heat pump;

(c) If the owner decides to remove the heat pump, costs for the removal and the restoration of the common areas or limited common areas after the removal; and

(d) Removing heat pump equipment if reasonably necessary for the repair, maintenance, or replacement of the common area or limited common area.

(8) (a) A homeowners' association that willfully violates this section is liable to the owner for actual damages, and shall pay a civil penalty to the owner in an amount not to exceed \$1,000.

(b) In any action by an owner requesting to have a heat pump installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing owner.

(9) For the purposes of this section:

(a) "Heat pump" means a heating or refrigerating system used to transfer heat. The heat pump condenser and evaporator may change roles to transfer heat in either direction. By receiving the flow of air or other fluid, a heat pump is used to cool or heat.

(b) "Reasonable restriction" means a restriction that does not significantly increase the cost of a heat pump or significantly decrease its efficiency or specified performance. [2024 c 128 s 3.]

Contingent expiration date—2024 c 128 ss 1-3: See note following RCW 64.32.350.

Chapter 64.40 RCW
PROPERTY RIGHTS—DAMAGES FROM GOVERNMENTAL ACTIONS

Sections

- 64.40.010 Definitions—Defense in action for damages.
- 64.40.020 Applicant for permit—Actions for damages from governmental actions.
- 64.40.030 Commencement of action—Time limitation.
- 64.40.040 Remedies cumulative.

RCW 64.40.010 Definitions—Defense in action for damages. As used in this chapter, the terms in this section shall have the meanings indicated unless the context clearly requires otherwise.

(1) "Agency" means the state of Washington, any of its political subdivisions, including any city, town, or county, and any other public body exercising regulatory authority or control over the use of real property in the state.

(2) "Permit" means any governmental approval required by law before an owner of a property interest may improve, sell, transfer, or otherwise put real property to use.

(3) "Property interest" means any interest or right in real property in the state.

(4) "Damages" means reasonable expenses and losses, other than speculative losses or profits, incurred between the time a cause of action arises and the time a holder of an interest in real property is granted relief as provided in RCW 64.40.020. Damages must be caused by an act, necessarily incurred, and actually suffered, realized, or expended, but are not based upon diminution in value of or damage to real property, or litigation expenses.

(5) "Regulation" means any ordinance, resolution, or other rule or regulation adopted pursuant to the authority provided by state law, which imposes or alters restrictions, limitations, or conditions on the use of real property.

(6) "Act" means a final decision by an agency which places requirements, limitations, or conditions upon the use of real property in excess of those allowed by applicable regulations in effect on the date an application for a permit is filed. "Act" also means the failure of an agency to act within time limits established by law in response to a property owner's application for a permit: PROVIDED, That there is no "act" within the meaning of this section when the owner of a property interest agrees in writing to extensions of time, or to the conditions or limitations imposed upon an application for a permit. "Act" shall not include lawful decisions of an agency which are designed to prevent a condition which would constitute a threat to the health, safety, welfare, or morals of residents in the area.

In any action brought pursuant to this chapter, a defense is available to a political subdivision of this state that its act was mandated by a change in statute or state rule or regulation and that such a change became effective subsequent to the filing of an application for a permit. [1982 c 232 s 1.]

RCW 64.40.020 Applicant for permit—Actions for damages from governmental actions. (1) Owners of a property interest who have filed an application for a permit have an action for damages to obtain

relief from acts of an agency which are arbitrary, capricious, unlawful, or exceed lawful authority, or relief from a failure to act within time limits established by law: PROVIDED, That the action is unlawful or in excess of lawful authority only if the final decision of the agency was made with knowledge of its unlawfulness or that it was in excess of lawful authority, or it should reasonably have been known to have been unlawful or in excess of lawful authority.

(2) The prevailing party in an action brought pursuant to this chapter may be entitled to reasonable costs and attorney's fees.

(3) No cause of action is created for relief from unintentional procedural or ministerial errors of an agency.

(4) Invalidation of any regulation in effect prior to the date an application for a permit is filed with the agency shall not constitute a cause of action under this chapter. [1982 c 232 s 2.]

RCW 64.44.005 Legislative finding. The legislature finds that some properties are being contaminated by hazardous chemicals used in unsafe or illegal ways in the manufacture of illegal drugs or by hazardous drugs contaminating transient accommodations regulated by the department. Innocent members of the public may be harmed by the residue left by these chemicals when the properties are subsequently rented or sold without having been decontaminated. [2017 c 115 s 1; 1990 c 213 s 1.]

RCW 64.44.010 Definitions. The words and phrases defined in this section shall have the following meanings when used in this chapter unless the context clearly indicates otherwise.

(1) "Authorized contractor" means a person who decontaminates, demolishes, or disposes of contaminated property as required by this chapter who is certified by the department as provided for in RCW 64.44.060.

(2) "Contaminated" or "contamination" means polluted by hazardous chemicals so that the property is unfit for human habitation or use due to immediate or long-term hazards. Property that at one time was contaminated but has been satisfactorily decontaminated according to procedures established by the state board of health is not "contaminated."

(3) "Department" means the department of health.

(4) "Hazardous chemicals" means:

(a) Methamphetamine in amounts exceeding the decontamination standards set by the department when found in transient accommodations such as hotels, motels, bed and breakfasts, resorts, inns, crisis shelters, hostels, and retreats that are regulated by the department; and

(b) The following substances associated with the illegal manufacture of controlled substances: (i) Hazardous substances as defined in RCW 70A.305.020; (ii) precursor substances as defined in RCW 69.43.010 which the state board of health, in consultation with the pharmacy quality assurance commission, has determined present an immediate or long-term health hazard to humans; and (iii) the controlled substance or substances being manufactured, as defined in RCW 69.50.101.

(5) "Officer" means a local health officer authorized under chapters 70.05, 70.08, and 70.46 RCW.

(6) "Property" means any real or personal property, or segregable part thereof, that is involved in or affected by the unauthorized manufacture, distribution, storage, or use of hazardous chemicals. This includes but is not limited to single-family residences, units of multiplexes, condominiums, apartment buildings, transient accommodations, boats, motor vehicles, trailers, manufactured housing, any shop, booth, garden, or storage shed, and all contents of the items referenced in this subsection. [2021 c 65 s 62; 2017 c 115 s 2; 2013 c 19 s 49; 2006 c 339 s 201; 1999 c 292 s 2; 1990 c 213 s 2.]

Explanatory statement—2021 c 65: See note following RCW 53.54.030.

Intent—Part headings not law—2006 c 339: See notes following RCW 74.34.020.

Finding—Intent—1999 c 292: "The legislature finds that the contamination of properties used for illegal drug manufacturing poses a threat to public health. The toxic chemicals left behind by the illegal drug manufacturing must be cleaned up to prevent harm to subsequent occupants of the properties. It is the intent of the legislature that properties are decontaminated in a manner that is efficient, prompt, and that makes them safe to reoccupy." [1999 c 292 s 1.]

Effective date—1990 c 213 ss 2, 12: "Sections 2 and 12 of this act are necessary for the immediate preservation of the public peace, health, or safety or support of the state government and its public institutions, and shall take effect on the effective date of the 1989-91 supplemental omnibus appropriations act (SSB 6407) [April 23, 1990] if specific funding for this act is provided therein." [1990 c 213 s 17.]

RCW 64.44.020 Reporting—Warning—Notice—Duties of local health officer. Whenever a law enforcement agency becomes aware that property has been contaminated by hazardous chemicals, that agency shall report the contamination to the local health officer. The local health officer shall cause a posting of a written warning on the premises within one working day of notification of the contamination and shall inspect the property within fourteen days after receiving the notice of contamination. The warning posting for any property that includes a hotel or motel holding a current license under RCW 70.62.220, shall be limited to inside the room or on the door of the contaminated room and no written warning posting shall be posted in the lobby of the facility. The warning shall inform the potential

occupants that hazardous chemicals may exist on, or have been removed from, the premises and that entry is unsafe. If a property owner believes that a tenant has contaminated property that was being leased or rented, and the property is vacated or abandoned, then the property owner shall contact the local health officer about the possible contamination. Local health officers or boards may charge property owners reasonable fees for inspections of suspected contaminated property requested by property owners.

A local health officer may enter, inspect, and survey at reasonable times any properties for which there are reasonable grounds to believe that the property has become contaminated. If the property is contaminated, the local health officer shall post a written notice declaring that the officer intends to issue an order prohibiting use of the property as long as the property is contaminated.

If access to the property is denied, a local health officer in consultation with law enforcement may seek a warrant for the purpose of conducting administrative inspections. A superior, district, or municipal court within the jurisdiction of the property may, based upon probable cause that the property is contaminated, issue warrants for the purpose of conducting administrative inspections.

Local health officers must report all cases of contaminated property to the state department of health. The department may make the list of contaminated properties available to health associations, landlord and realtor organizations, prosecutors, and other interested groups. The department shall promptly update the list of contaminated properties to remove those which have been decontaminated according to provisions of this chapter.

The local health officer may determine when the services of an authorized contractor are necessary. [2006 c 339 s 202; 1999 c 292 s 3; 1990 c 213 s 3.]

Intent—Part headings not law—2006 c 339: See notes following RCW 74.34.020.

Finding—Intent—1999 c 292: See note following RCW 64.44.010.

RCW 64.44.030 Order declaring property unfit and prohibiting use—Notice—Hearing—Emergency order. (1) If after the inspection of the property, the local health officer finds that it is contaminated, then the local health officer shall issue an order declaring the property unfit and prohibiting its use. The local health officer shall cause the order to be served either personally or by certified mail, with return receipt requested, upon all occupants and persons having any interest therein as shown upon the records of the auditor's office of the county in which such property is located. The local health officer shall also cause the order to be posted in a conspicuous place on the property. If the whereabouts of such persons is unknown and the same cannot be ascertained by the local health officer in the exercise of reasonable diligence, and the health officer makes an affidavit to that effect, then the serving of the order upon such persons may be made either by personal service or by mailing a copy of the order by certified mail, postage prepaid, return receipt requested, to each person at the address appearing on the last equalized tax assessment roll of the county where the property is located or at the address known to the county assessor, and the order shall be posted

conspicuously at the residence. A copy of the order shall also be mailed, addressed to each person or party having a recorded right, title, estate, lien, or interest in the property. The order shall contain a notice that a hearing before the local health board or officer shall be held upon the request of a person required to be notified of the order under this section. The request for a hearing must be made within ten days of serving the order. The hearing shall then be held within not less than twenty days nor more than thirty days after the serving of the order. The officer shall prohibit use as long as the property is found to be contaminated. A copy of the order shall also be filed with the auditor of the county in which the property is located, where the order pertains to real property, and such filing of the complaint or order shall have the same force and effect as other lis pendens notices provided by law. In any hearing concerning whether property is fit for use, the property owner has the burden of showing that the property is decontaminated or fit for use. The owner or any person having an interest in the property may file an appeal on any order issued by the local health board or officer within thirty days from the date of service of the order with the appeals commission established pursuant to RCW 35.80.030. All proceedings before the appeals commission, including any subsequent appeals to superior court, shall be governed by the procedures established in chapter 35.80 RCW.

(2) If the local health officer determines immediate action is necessary to protect public health, safety, or the environment, the officer may issue or cause to be issued an emergency order, and any person to whom such an order is directed shall comply immediately. Emergency orders issued pursuant to this section shall expire no later than seventy-two hours after issuance and shall not impair the health officer from seeking an order under subsection (1) of this section. [2006 c 339 s 203; 1999 c 292 s 4; 1990 c 213 s 4.]

Intent—Part headings not law—2006 c 339: See notes following RCW 74.34.020.

Finding—Intent—1999 c 292: See note following RCW 64.44.010.

RCW 64.44.040 Orders declaring property unfit and prohibiting use—City, county action—Entrance upon property prohibited. (1) Upon issuance of an order declaring property unfit and prohibiting its use, the city or county in which the contaminated property is located may take action to prohibit use, occupancy, or removal of such property; condemn, decontaminate, or demolish the property; or require that the property be vacated or the contents removed from the property. The city or county may use an authorized contractor if property is demolished, decontaminated, or removed under this section. The city, county, or contractor shall comply with all orders of the health officer during these processes. No city or county may condemn, decontaminate, or demolish property pursuant to this section until all procedures granting the right of notice and the opportunity to appeal in RCW 64.44.030 have been exhausted, but may prohibit use, occupancy, or removal of contaminated property pending appeal of the order.

(2) (a) It is unlawful for any person to enter upon any property, or to remove any property, that has been found unfit for use by a local health officer pursuant to RCW 64.44.030.

(b) This subsection does not apply to: (i) Health officials, law enforcement officials, or other government agents performing their official duties; (ii) authorized contractors or owners performing decontamination pursuant to authorization by the local health officer; and (iii) any person acting with permission of a local health officer, or of a superior court or hearing examiner following an appeal of a decision of the local health officer.

(c) Any person who violates this subsection is guilty of a misdemeanor.

(3) No provision of this section may be construed to limit the ability of the local health officer to permit occupants or owners of the property at issue to remove uncontaminated personal property from the premises. [2006 c 339 s 204; 1999 c 292 s 5; 1990 c 213 s 5.]

Intent—Part headings not law—2006 c 339: See notes following RCW 74.34.020.

Finding—Intent—1999 c 292: See note following RCW 64.44.010.

RCW 64.44.050 Decontamination, demolition, or disposal by owner—Requirements and procedure—Costs—Decontamination timeline. (1) An owner of contaminated property who desires to have the property decontaminated, demolished, or disposed of shall use the services of an authorized contractor unless otherwise authorized by the local health officer. The contractor and property owner shall prepare and submit a written work plan for decontamination, demolition, or disposal to the local health officer. The local health officer may charge a reasonable fee for review of the work plan. If the work plan is approved and the decontamination, demolition, or disposal is completed and the property is retested according to the plan and properly documented, then the health officer shall allow reuse of the property. A release for reuse document shall be recorded in the real property records indicating the property has been decontaminated, demolished, or disposed of in accordance with rules of the state department of health. The property owner is responsible for: (a) The costs of any property testing which may be required to demonstrate the presence or absence of hazardous chemicals; and (b) the costs of the property's decontamination, demolition, and disposal expenses, as well as costs incurred by the local health officer resulting from the enforcement of this chapter.

(2) (a) In a case where the contaminated property is a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.310, and the local health officer has issued an order declaring the property unfit and prohibiting its use, the city or county in which the property is located shall take action to prohibit use, occupancy, or removal, and shall require demolition, disposal, or decontamination of the property. The city, county, or local law enforcement agency may impound the vehicle or vessel to enforce this chapter.

(b) The property owner shall have the property demolished, disposed of, or decontaminated by an authorized contractor, or under a written work plan approved by the local health officer, within thirty days of receiving the order declaring the property unfit and prohibited from use. After all procedures granting the right of notice and the opportunity to appeal in RCW 64.44.030 have been exhausted, if

the property owner has not demolished, disposed of, or decontaminated the property using an authorized contractor, or under a written work plan approved by the local health officer within thirty days, then the local health officer or the local law enforcement agency may demolish, dispose of, or decontaminate the property. The property owner is responsible for the costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, except as otherwise provided under this subsection.

(c) The legal owner of a motor vehicle as defined in RCW 46.04.320, a vehicle as defined in RCW 46.04.670, or a vessel as defined in RCW 88.02.310 whose sole basis of ownership is a bona fide security interest is responsible for costs under this subsection if the legal owner had knowledge of or consented to any act or omission that caused contamination of the vehicle or vessel.

(d) If the vehicle or vessel has been stolen and the property owner neither had knowledge of nor consented to any act or omission that contributed to the theft and subsequent contamination of the vehicle or vessel, the owner is not responsible for costs under this subsection. However, if the registered owner is insured, the registered owner shall, within fifteen calendar days of receiving an order declaring the property unfit and prohibiting its use, submit a claim to his or her insurer for reimbursement of costs of the property's demolition, disposal, or decontamination, as well as all costs incurred by the local health officer or the local law enforcement agency resulting from the enforcement of this chapter, and shall provide proof of claim to the local health officer or the local law enforcement agency.

(e) If the property owner has not acted to demolish, dispose of, or decontaminate as set forth in this subsection regardless of responsibility for costs, and the local health officer or local law enforcement agency has taken responsibility for demolition, disposal, or decontamination, including all associated costs, then all rights, title, and interest in the property shall be deemed forfeited to the local health jurisdiction or the local law enforcement agency.

(f) This subsection may not be construed to limit the authority of a city, county, local law enforcement agency, or local health officer to take action under this chapter to require the owner of the real property upon which the contaminated vehicle or vessel is located to comply with the requirements of this chapter, including provisions for the right of notice and opportunity to appeal as provided in RCW 64.44.030.

(3) Except as provided in subsection (2) of this section, the local health officer has thirty days from the issuance of an order declaring a property unfit and prohibiting its use to establish a reasonable timeline for decontamination. The department of health shall establish the factors to be considered by the local health officer in establishing the appropriate amount of time.

The local health officer shall notify the property owner of the proposed time frame by United States mail to the last known address. Notice shall be postmarked no later than the thirtieth day from the issuance of the order. The property owner may request a modification of the time frame by submitting a letter identifying the circumstances which justify such an extension to the local health officer within thirty-five days of the date of the postmark on the notification

regardless of when received. [2011 c 171 s 106; 2008 c 201 s 1; 2006 c 339 s 205; 1999 c 292 s 6; 1990 c 213 s 6.]

RCW 64.50.020 Construction defect action—Notice of claim—Report—Response—Procedure for negotiations—Commencing an action. (1) In every construction defect action brought against a construction professional, the claimant shall, no later than 45 days before filing an action, serve written notice of claim on the construction professional.

(a) The notice of claim shall state that the claimant asserts a construction defect claim against the construction professional and shall describe the claim in reasonable detail sufficient to determine the general nature of the defect.

(b) If the claimant is a condominium association created after July 23, 2023, the written notice of claim shall include a written report from a construction defect professional. In addition to describing the claim in reasonable detail sufficient to determine the general nature of the defect the written report shall state the construction defect professional's qualifications, the manner and type

of inspection upon which the report was based, and the general location of the defect.

(2) Within 14 days after service of the notice of claim, the construction professional may serve a written response demanding a meeting with the claimant and its expert, including the construction defect professional who authored the report required in subsection (1)(b) of this section to confer regarding the report and its contents. The meeting shall take place within 14 days of service of the construction professional's demand or at such later date as mutually agreed to by the parties.

(3) Within 14 days after the meeting referenced in subsection (2) of this section or, in the absence of a demand for such meeting, within 21 days after service of the notice of claim, whichever is later, the construction professional shall serve a written response on the claimant by registered mail or personal service. The written response shall:

(a) Propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified time frame. The proposal shall include the statement that the construction professional shall, based on the inspection, offer to remedy the defect, compromise by payment, or dispute the claim;

(b) Offer to compromise and settle the claim by monetary payment without inspection. A construction professional's offer under this subsection (3)(b) to compromise and settle a homeowner's claim may include, but is not limited to, an express offer to purchase the claimant's residence that is the subject of the claim, and to pay the claimant's reasonable relocation costs; or

(c) State that the construction professional disputes the claim and will neither remedy the construction defect nor compromise and settle the claim.

(4)(a) If the construction professional disputes the claim or does not respond to the claimant's notice of claim within the time stated in subsection (3) of this section, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(b) If the claimant rejects the inspection proposal or the settlement offer made by the construction professional pursuant to subsection (3) of this section, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within 30 days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the inspection proposal or settlement offer, then at anytime thereafter the construction professional may terminate the proposal or offer by serving written notice to the claimant, and the claimant may thereafter bring an action against the construction professional for the construction defect claim described in the notice of claim.

(5)(a) If the claimant elects to allow the construction professional to inspect in accordance with the construction professional's proposal pursuant to subsection (3)(a) of this section, the claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to inspect the premises and the claimed defect.

(b) Within 14 days following completion of the inspection, the construction professional shall serve on the claimant:

(i) A written offer to remedy the construction defect at no cost to the claimant, including a report of the scope of the inspection, the findings and results of the inspection, a description of the additional construction necessary to remedy the defect described in the claim, and a timetable for the completion of such construction;

(ii) A written offer to compromise and settle the claim by monetary payment pursuant to subsection (3)(b) of this section; or

(iii) A written statement that the construction professional will not proceed further to remedy the defect.

(c) If the construction professional does not proceed further to remedy the construction defect within the agreed timetable, or if the construction professional fails to comply with the provisions of (b) of this subsection, the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(d) If the claimant rejects the offer made by the construction professional pursuant to (b)(i) or (ii) of this subsection to either remedy the construction defect or to compromise and settle the claim by monetary payment, the claimant shall serve written notice of the claimant's rejection on the construction professional. After service of the rejection notice, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within 30 days after the claimant's receipt of the construction professional's response, either an acceptance or rejection of the offer made pursuant to (b)(i) or (ii) of this subsection, then at anytime thereafter the construction professional may terminate the offer by serving written notice to the claimant.

(6)(a) Any claimant accepting the offer of a construction professional to remedy the construction defect pursuant to subsection (5)(b)(i) of this section shall do so by serving the construction professional with a written notice of acceptance within a reasonable time period after receipt of the offer, and no later than 30 days after receipt of the offer. The claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant's residence during normal working hours to perform and complete the construction by the timetable stated in the offer.

(b) The claimant and construction professional may, by written mutual agreement, alter the extent of construction or the timetable for completion of construction stated in the offer, including, but not limited to, repair of additional defects.

(7) Any action commenced by a claimant prior to compliance with the requirements of this section shall be subject to dismissal without prejudice, and may not be recommenced until the claimant has complied with the requirements of this section.

(8) Nothing in this section may be construed to prevent a claimant from commencing an action on the construction defect claim described in the notice of claim if the construction professional fails to perform the construction agreed upon, fails to remedy the defect, or fails to perform by the timetable agreed upon pursuant to subsection (3)(a) or (6) of this section.

(9) Prior to commencing any action alleging a construction defect, or after the dismissal of any action without prejudice

pursuant to subsection (7) of this section, the claimant may amend the notice of claim to include construction defects discovered after the service of the original notice of claim, and must otherwise comply with the requirements of this section for the additional claims. The service of an amended notice of claim shall relate back to the original notice of claim for purposes of tolling statutes of limitations and repose. Claims for defects discovered after the commencement or recommencement of an action may be added to such action only after providing notice to the construction professional of the defect and allowing for response under subsection (3) of this section.

(10) If the claimant is an association, and notwithstanding any contrary provisions in the association's governing documents, the association's board of director's ability to incur expenses to prepare and serve a notice of claim and any related reports and otherwise comply with the requirements of this chapter shall not be restricted. [2023 c 337 s 4; 2002 c 323 s 3.]

(2) The list of known construction defects shall contain a description of the construction that the claimant alleges to be defective. The list of known construction defects shall be filed with the court and served on the defendant within thirty days after the commencement of the action or within such longer period as the court in its discretion may allow.

(3) The list of known construction defects may be amended by the claimant to identify additional construction defects as they become known to the claimant.

(4) The list of known construction defects must specify, to the extent known to the claimant, the construction professional responsible for each alleged defect identified by the claimant.

(5) If a subcontractor or supplier is added as a party to an action under this section, the party making the claim against such subcontractor or supplier shall serve on the subcontractor or supplier the list of construction defects in accordance with this section within thirty days after service of the complaint against the subcontractor or supplier or within such period as the court in its discretion may allow. (a) Require the disclosure in the notice or the disclosure to a unit owner of attorney-client communications or other privileged communications;

RCW 64.55.010 Definitions. (Effective until January 1, 2028.) Unless the context clearly requires otherwise, the definitions in *RCW 64.34.020 and in this section apply throughout this chapter.

(1) "Attached dwelling unit" means any dwelling unit that is attached to another dwelling unit by a wall, floor, or ceiling that separates heated living spaces. A garage is not a heated living space.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped

by a licensed engineer or architect. The building enclosure design documents shall include details and specifications that are appropriate for the building in the professional judgment of the architect or engineer who prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistive membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) " Dwelling unit " has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

(i) Hotels and motels;

(ii) Dormitories;

(iii) Care facilities;

(iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant;

(vii) A building with 12 or fewer units that is no more than two stories; and

(viii) A building with 12 or fewer units that is no more than three stories so long as one story is utilized for parking, either above or below ground, or retail space.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

(i) A building containing only two attached dwelling units;

(ii) A building that does not contain attached dwelling units;

and

(iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(7) "Party unit owner" means a unit owner who is a named party to an action subject to this chapter and does not include any unit owners whose involvement with the action stems solely from their membership in the association.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in *RCW 64.34.400(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of County, Washington, in satisfaction of the requirements of RCW 64.55.010 through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit except for sales listed in *RCW 64.34.400(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications. [2024 c 122 s 1; 2023 c 263 s 1; 2005 c 456 s 2.]

***Reviser's note:** RCW 64.34.020 and 64.34.400 were repealed by 2024 c 321 s 502, effective January 1, 2028.

RCW 64.55.010 Definitions. (Effective January 1, 2028.) Unless the context clearly requires otherwise, the definitions in RCW 64.90.010 and in this section apply throughout this chapter.

(2) "Building enclosure" means that part of any building, above or below grade, that physically separates the outside or exterior environment from interior environments and which weatherproofs, waterproofs, or otherwise protects the building or its components from water or moisture intrusion. Interior environments consist of both heated and unheated enclosed spaces. The building enclosure includes, but is not limited to, that portion of roofs, walls, balcony support columns, decks, windows, doors, vents, and other penetrations through exterior walls, which waterproof, weatherproof, or otherwise protect the building or its components from water or moisture intrusion.

(3) "Building enclosure design documents" means plans, details, and specifications for the building enclosure that have been stamped by a licensed engineer or architect. The building enclosure design documents shall include details and specifications that are appropriate for the building in the professional judgment of the architect or engineer who prepared the same to waterproof, weatherproof, and otherwise protect the building or its components from water or moisture intrusion, including details of flashing, intersections at roof, eaves or parapets, means of drainage, water-resistive membrane, and details around openings.

(4) "Developer" means:

(a) With respect to a condominium or a conversion condominium, the declarant; and

(b) With respect to all other buildings, an individual, group of individuals, partnership, corporation, association, municipal corporation, state agency, or other entity or person that obtains a building permit for the construction or rehabilitative reconstruction of a multiunit residential building. If a permit is obtained by service providers such as architects, contractors, and consultants who obtain permits for others as part of services rendered for a fee, the person for whom the permit is obtained shall be the developer, not the service provider.

(5) "Dwelling unit" has the meaning given to that phrase or similar phrases in the ordinances of the jurisdiction issuing the permit for construction of the building enclosure but if such ordinances do not provide a definition, then "dwelling unit" means a residence containing living, cooking, sleeping, and sanitary facilities.

(6) "Multiunit residential building" means:

(a) A building containing more than two attached dwelling units, including a building containing nonresidential units if the building also contains more than two attached dwelling units, but excluding the following classes of buildings:

(i) Hotels and motels;

(ii) Dormitories;

(iii) Care facilities;

(iv) Floating homes;

(v) A building that contains attached dwelling units that are each located on a single platted lot, except as provided in (b) of this subsection;

(vi) A building in which all of the dwelling units are held under one ownership and is subject to a recorded irrevocable sale prohibition covenant;

(vii) A building with 12 or fewer units that is no more than two stories; and

(viii) A building with 12 or fewer units that is no more than three stories so long as one story is utilized for parking, either above or below ground, or retail space.

(b) If the developer submits to the appropriate building department when applying for the building permit described in RCW 64.55.020 a statement that the developer elects to treat the improvement for which a permit is sought as a multiunit residential building for all purposes under this chapter, then "multiunit residential building" also means the following buildings for which such election has been made:

(i) A building containing only two attached dwelling units;

(ii) A building that does not contain attached dwelling units; and

(iii) Any building that contains attached dwelling units each of which is located on a single platted lot.

(7) "Party unit owner" means a unit owner who is a named party to an action subject to this chapter and does not include any unit owners whose involvement with the action stems solely from their membership in the association.

(8) "Qualified building inspector" means a person satisfying the requirements of RCW 64.55.040.

(9) "Rehabilitative construction" means construction work on the building enclosure of a multiunit residential building if the cost of such construction work is more than five percent of the assessed value of the building.

(10) "Sale prohibition covenant" means a recorded covenant that prohibits the sale or other disposition of individual dwelling units as or as part of a condominium for five years or more from the date of first occupancy except as otherwise provided in RCW 64.55.090, a certified copy of which the developer shall submit to the appropriate building department; provided such covenant shall not apply to sales or dispositions listed in RCW 64.90.600(2). The covenant must be recorded in the county in which the building is located and must be in substantially the following form:

This covenant has been recorded in the real property records of County, Washington, in satisfaction of the requirements of RCW 64.55.010 through 64.55.090. The undersigned is the owner of the property described on Exhibit A (the "Property"). Until termination of this covenant, no dwelling unit in or on the Property may be sold as a condominium unit except for sales or dispositions listed in RCW 64.90.600(2).

This covenant terminates on the earlier of either: (a) Compliance with the requirements of RCW 64.55.090, as certified by the owner of the Property in a recorded supplement hereto; or (b) the fifth anniversary of the date of first occupancy of a dwelling unit as certified by the Owner in a recorded supplement hereto.

All title insurance companies and persons acquiring an interest in the Property may rely on the forgoing certifications without further inquiry in issuing any policy of title insurance or in acquiring an interest in the Property.

(11) "Stamped" means bearing the stamp and signature of the responsible licensed architect or engineer on the title page, and on every sheet of the documents, drawings, or specifications, including modifications to the documents, drawings, and specifications that become part of change orders or addenda to alter those documents, drawings, or specifications. [2024 c 321 s 424; 2024 c 122 s 1; 2023 c 263 s 1; 2005 c 456 s 2.]

Reviser's note: This section was amended by 2024 c 122 s 1 and by 2024 c 321 s 424, each without reference to the other. Both amendments are incorporated in the publication of this section under RCW 1.12.025(2). For rule of construction, see RCW 1.12.025(1).

RCW 64.55.020 Building permit application—Submission of design documents. (1) Any person applying for a building permit for construction of a multiunit residential building or rehabilitative construction shall submit building enclosure design documents to the appropriate building department prior to the start of construction or rehabilitative construction of the building enclosure. If construction work on a building enclosure is not rehabilitative construction because the cost thereof is not more than five percent of the assessed value of the building, then the person applying for a building permit shall submit to the building department a letter so certifying. Any changes to the building enclosure design documents that alter the manner in which the building or its components is waterproofed, weatherproofed, and otherwise protected from water or moisture intrusion shall be stamped by the architect or engineer and shall be provided to the building department and to the person conducting the course of construction inspection in a timely manner to permit such person to inspect for compliance therewith, and may be provided through individual updates, cumulative updates, or as-built updates.

(2) The building department shall not issue a building permit for construction of the building enclosure of a multiunit residential building or for rehabilitative construction unless the building enclosure design documents contain a stamped statement by the person stamping the building enclosure design documents in substantially the following form: "The undersigned has provided building enclosure documents that in my professional judgment are appropriate to satisfy the requirements of RCW 64.55.005 through 64.55.090."

(3) The building department is not charged with determining whether the building enclosure design documents are adequate or appropriate to satisfy the requirements of RCW 64.55.005 through 64.55.090. Nothing in RCW 64.55.005 through 64.55.090 requires a building department to review, approve, or disapprove enclosure design documents. [2005 c 456 s 3.]

RCW 64.55.030 Inspection required. All multiunit residential buildings shall have the building enclosure inspected by a qualified inspector during the course of initial construction and during rehabilitative construction. [2005 c 456 s 4.]

RCW 64.55.040 Inspectors—Qualifications. (1) A qualified building enclosure inspector:

(a) Must be the architect or engineer of record or another person with substantial and verifiable training and experience in building enclosure design and construction;

(b) Shall be free from improper interference or influence relating to the inspections; and

(c) May not be an employee, officer, or director of, nor have any pecuniary interest in, the declarant, developer, association, or any party providing services or materials for the project, or any of their respective affiliates, except that the qualified inspector may be the architect or engineer who approved the building enclosure design documents or the architect or engineer of record. The qualified inspector may, but is not required to, assist with the preparation of such design documents.

(2) Nothing in this section alters requirements for licensure of any architect, engineer, or other professional, or alters the jurisdiction, authority, or scope of practice of architects, engineers, other professionals, or general contractors. [2021 c 260 s 1; 2005 c 456 s 5.]

RCW 64.55.050 Scope of inspection—Definition. (1) Any inspection required by this chapter shall include, at a minimum, the following:

(a) Water penetration resistance testing of a representative sample of windows and window installations. Such tests shall be conducted according to industry standards. Where appropriate, tests shall be conducted with an induced air pressure difference across the window and window installation. Additional testing is not required if the same assembly has previously been tested in situ within the previous two years in the project under construction by the builder, by another member of the construction team such as an architect or engineer, or by an independent testing laboratory; and

(b) An independent periodic review of the building enclosure during the course of construction or rehabilitative construction to ascertain whether the multiunit residential building has been constructed, or the rehabilitative construction has been performed, in substantial compliance with the building enclosure design documents.

(2) Subsection (1)(a) of this section shall not apply to rehabilitative construction if the windows and adjacent cladding are not altered in the rehabilitative construction.

(3) "Project" means one or more parcels of land in a single ownership, which are under development pursuant to a single land use approval or building permit, where window installation is performed by the owner with its own forces, or by the same general contractor, or, if the owner is contracting directly with trade contractors, is performed by the same trade contractor. [2005 c 456 s 6.]

RCW 64.55.060 Certification—Certificate of occupancy. Upon completion of an inspection required by this chapter, the qualified inspector shall prepare and submit to the appropriate building department a signed letter certifying that the building enclosure has been inspected during the course of construction or rehabilitative construction and that it has been constructed or reconstructed in

substantial compliance with the building enclosure design documents, as updated pursuant to RCW 64.55.020. The building department shall not issue a final certificate of occupancy or other equivalent final acceptance until the letter required by this section has been submitted. The building department is not charged with and has no responsibility for determining whether the building enclosure inspection is adequate or appropriate to satisfy the requirements of this chapter. [2005 c 456 s 7.]

(b) Create any independent basis for liability against an inspector, architect, or engineer.

(2) The qualified inspector, architect, or engineer and the developer that retained the inspector, architect, or engineer may contractually agree to the amount of their liability to the developer. [2024 c 321 s 425; 2005 c 456 s 8.]

RCW 64.55.080 Inspector's report or testimony—No evidentiary presumption—Admissibility. A qualified inspector's report or testimony regarding an inspection conducted pursuant to this chapter is not entitled to any evidentiary presumption in any arbitration or court proceeding. Nothing in this chapter restricts the admissibility of such a report or testimony, and questions of the admissibility of such a report or testimony shall be determined under the rules of evidence. [2005 c 456 s 9.]

RCW 64.55.100 Arbitration—Election—Number of arbitrators—Qualifications—Trial de novo. (1) If the declarant, an association, or a party unit owner demands an arbitration by filing such demand with the court not less than thirty and not more than ninety days after filing or service of the complaint, whichever is later, the parties shall participate in a private arbitration hearing. The declarant, the association, and the party unit owner do not have the right to compel arbitration without giving timely notice in compliance with this subsection. Unless otherwise agreed by the parties, the

arbitration hearing shall commence no more than fourteen months from the later of the filing or service of the complaint.

(2) Unless otherwise agreed by the parties, claims that in aggregate are for less than one million dollars shall be heard by a single arbitrator and all other claims shall be heard by three arbitrators. As used in this chapter, arbitrator also means arbitrators where applicable.

(5) If the judgment for damages, not including awards of fees and costs, in the trial de novo is not more favorable to the appealing party than the damages awarded by the arbitrator, not including awards of fees and costs, the appealing party shall pay the nonappealing adverse party's costs and fees incurred after the filing of the appeal, including reasonable attorneys' fees so incurred.

(6) If the judgment for damages, not including awards of fees and costs, in the trial de novo is more favorable to the appealing party than the damages awarded by the arbitrator, not including awards of fees and costs, then the court may award costs and fees, including reasonable attorneys' fees, incurred after the filing of the request for trial de novo in accordance with applicable law; provided if such a judgment is not more favorable to the appealing party than the most recent offer of judgment, if any, made pursuant to RCW 64.55.160, the court shall not make an award of fees and costs to the appealing party.

(7) If a party is entitled to an award with respect to the same fees and costs pursuant to this section and RCW 64.55.160, then the party shall only receive an award of fees and costs as provided in and limited by RCW 64.55.160. - (6) A party may, by motion to the court, or to the arbitrator if then appointed, object to the individual appointed to serve as the neutral expert and to determinations regarding the neutral expert's assignment.
- (7) The neutral expert shall have no liability to the parties for the performance of his or her duties as the neutral expert.
- (8) Except as otherwise agreed by the parties, the parties have a right to review and comment on the neutral expert's report before it is made final.
- (9) A neutral expert's report or testimony is not entitled to any evidentiary presumption in any arbitration or court proceeding. Nothing in this chapter and RCW 64.90.610 (1)(t), (1)(oo), and (3) and 64.90.620(1)(c) restricts the admissibility of such a report or testimony, provided it is within the scope of the neutral expert's assigned duties, and questions of the admissibility of such a report or testimony shall be determined under the rules of evidence.
- (10) The court, or arbitrator if then appointed, shall determine the significance of the neutral expert's report and testimony with respect to parties joined after the neutral expert's appointment and shall determine whether additional neutral experts should be appointed or other measures should be taken to protect such joined parties from undue prejudice. [2024 c 321 s 428; 2005 c 456 s 14.]

Effective dates—2024 c 321 ss 319 and 401-432: See note following RCW 64.90.485.

- (a) (i) If the action is referred to arbitration under RCW 64.55.100, the party who demands arbitration shall advance the fees of any arbitrator and any mediator appointed under RCW 64.55.120; and
- (ii) A party who requests the appointment of a neutral expert pursuant to RCW 64.55.130 shall advance any appointed neutral expert's fees incurred up to the issuance of a final report.

(b) If the action has not been referred to arbitration, the court shall determine liability for the fees of any mediator appointed under RCW 64.55.120, unless the parties agree otherwise.

(c) Ultimate liability for any fees or costs advanced pursuant to this subsection (1) is subject to the fee- and cost-shifting provisions of RCW 64.55.160.

(2) Where the building permit that authorized commencement of construction of a building was issued before August 1, 2005:

(a) (i) If the action is referred to arbitration under RCW 64.55.100, the party who demands arbitration is liable for and shall pay the fees of any appointed arbitrator and any mediator appointed under RCW 64.55.120; and

(ii) A party who requests the appointment of a neutral expert pursuant to RCW 64.55.130 is liable for and shall pay any appointed neutral expert's fees incurred up to the issuance of a final report.

(b) If the action has not been referred to arbitration, the court shall determine liability for the fees of any mediator appointed under RCW 64.55.120, unless the parties agree otherwise.

(c) Fees and costs paid under this subsection (2) are not subject to the fee- and cost-shifting provisions of RCW 64.55.160. [2005 c 456 s 15.]

RCW 64.55.150 Subcontractors and suppliers—When party to arbitration. Upon the demand of a party to an arbitration demanded under RCW 64.55.100, any subcontractor or supplier against whom such party has a legal claim and whose work or performance on the building in question becomes an issue in the arbitration may be joined in and become a party to the arbitration. However, joinder of such parties shall not be allowed if such joinder would require the arbitration hearing date to be continued beyond the date established pursuant to RCW 64.55.100, unless the existing parties to the arbitration agree otherwise. Nothing in RCW 64.55.010 through 64.55.090 shall be construed to release, modify, or otherwise alleviate the liabilities or responsibilities that any party may have towards any other party, contractor, or subcontractor. [2005 c 456 s 16.]

RCW 64.55.160 Offers of judgment—Costs and fees. (1) On or before the 60th day following completion of the mediation pursuant to RCW 64.55.120(4) and following filing and service of the complaint, the declarant, association, or party unit owner may serve on an adverse party an offer to allow judgment to be entered. The offer of judgment shall specify the amount of damages, not including costs or fees, that the declarant, association, or party unit owner is offering to pay or receive. A declarant's offer shall also include its commitment to pay costs and fees that may be awarded as provided in this section. The declarant, association, or party unit owner may make more than one offer of judgment so long as each offer is timely made. Each subsequent offer supersedes and replaces the previous offer. Any offer not accepted within 21 days of the service of that offer is deemed rejected and withdrawn and evidence thereof is not admissible and may not be provided to the court or arbitrator except in a proceeding to determine costs and fees or as part of the motion identified in subsection (2) of this section.

(2) A declarant's offer must include a demonstration of ability to pay damages, costs, and fees, including reasonable attorneys' fees, within thirty days of acceptance of the offer of judgment. The demonstration of ability to pay shall include a sworn statement signed by the declarant, the attorney representing the declarant, and, if any insurance proceeds will be used to fund any portion of the offer, an authorized representative of the insurance company. If the association or party unit owner disputes the adequacy of the declarant's demonstration of ability to pay, the association or party unit owner may file a motion with the court requesting a ruling on the adequacy of the declarant's demonstration of ability to pay. Upon filing of such motion, the deadline for a response to the offer shall be tolled from the date the motion is filed until the court has ruled.

(3) An association or party unit owner that accepts the declarant's offer of judgment shall be deemed the prevailing party and, in addition to recovery of the amount of the offer, shall be entitled to a costs and fees award, including reasonable attorneys' fees, in an amount to be determined by the court in accordance with applicable law.

(4) If the amount of the final nonappealable or nonappealed judgment, exclusive of costs or fees, is not more favorable to the offeree than the offer of judgment, then the offeror is deemed the prevailing party for purposes of this section only and is entitled to an award of costs and fees, including reasonable attorneys' fees, incurred after the date the last offer of judgment was rejected and through the date of entry of a final nonappealable or nonappealed judgment, in an amount to be determined by the court in accordance with applicable law. The nonprevailing party shall not be entitled to receive any award of costs and fees.

(5) If the final nonappealable or nonappealed judgment on damages, not including costs or fees, is more favorable to the offeree than the last offer of judgment, then the court shall determine which party is the prevailing party and shall determine the amount of the costs and fees award, including reasonable attorneys' fees, in accordance with applicable law.

(6) Notwithstanding any other provision in this section, with respect to claims brought by an association or unit owner, the liability for declarant's costs and fees, including reasonable attorneys' fees, shall:

(a) With respect to claims brought by an association, not exceed five percent of the assessed value of the condominium as a whole, which is determined by the aggregate tax-assessed value of all units at the time of the award; and

(b) With respect to claims brought by a party unit owner, not exceed five percent of the assessed value of the unit at the time of the award. [2023 c 337 s 12; 2005 c 456 s 17.]

RCW 64.60.005 Findings. The legislature finds and declares that the public policy of this state favors the marketability of real property and the transferability of interests in real property free of title defects or unreasonable restraints on alienation. The legislature further finds and declares that private transfer fee obligations violate this public policy by impairing the marketability and transferability of real property and by constituting an unreasonable restraint on alienation regardless of the duration of the obligation to pay a private transfer fee, the amount of a private transfer fee, or the method by which any private transfer fee is created or imposed. Thus, the legislature finds and declares that a private transfer fee obligation may not run with the title to real property, touch or concern the real property, or otherwise bind subsequent owners of real property under any common law or equitable principle. [2011 c 36 s 1.]

RCW 64.60.020 Private transfer fee obligations—Enforceability—Interpretation. (1) A private transfer fee obligation recorded or entered into in this state on or after April 13, 2011, does not run

with the title to real property and is not binding on or enforceable at law or in equity against any subsequent owner, purchaser, or mortgagee or holder of any interest in real property as an equitable servitude or otherwise. Any private transfer fee obligation that is recorded or entered into in this state on or after April 13, 2011, is void and unenforceable.

(2) A private transfer fee obligation recorded or entered into in this state before April 13, 2011, is not presumed valid and enforceable. Any such private transfer fee obligation must be interpreted and enforced according to principles of applicable real estate, servitude contract, and other law including, without limitation, restraints on alienation, the rule against perpetuities, the touch and concern doctrine, and the requirement for covenants to run with the land, as well as fraud, misrepresentation, violation of public policy, or another invalidating cause. [2011 c 36 s 4.]

RCW 64.60.030 Liability. Any person who records, or enters into, an agreement imposing a private transfer fee obligation in the person's favor after April 13, 2011, is liable for (1) any damages resulting from the imposition of the private transfer fee obligation on the transfer of an interest in the real property including, but not limited to, the amount of any private transfer fee paid by a party to the transfer, and (2) reasonable attorneys' fees, expenses, and costs incurred by a party to the transfer or mortgagee of the real property to recover any private transfer fee paid or in connection with an action to quiet title. If an agent acts on behalf of a principal to record or secure a private transfer fee obligation, liability must be assessed to the principal, rather than the agent. [2011 c 36 s 5.]

RCW 64.60.040 Notice of private transfer fee obligation. (1) A payee of a private transfer fee obligation imposed before April 13, 2011, shall record, before December 31, 2011, against the real property subject to the private transfer fee obligation, a separate document in the county auditor's office in the county in which the real property is located that includes all of the following requirements:

- (a) The title, "Notice of Private Transfer Fee Obligation";
- (b) The amount if the private transfer fee is a flat amount, the percentage of the sales price constituting the cost of the private transfer fee, or another basis by which the private transfer fee is to be calculated;
- (c) The date under which the private transfer fee obligation expires, if any;
- (d) The name and address of the payee;
- (e) The acknowledged signature of the payee or a representative of the payee; and
- (f) The legal description of the real property purportedly burdened by the private transfer fee obligation.

(2) A payee may file an amendment to the notice of private transfer fee obligation containing new contact information. The amendment must contain the recording information of the notice of private transfer fee obligation which it amends and the legal description of the real property burdened by the private transfer fee obligation.

(3) If a payee fails to file the notice required under subsection (1) of this section before December 31, 2011, the private transfer fee obligation is not enforceable by the payee. [2011 c 36 s 6.]

RCW 64.65.020 Right of servient estate owner to relocate easement. A servient estate owner may relocate an easement under this chapter only if the relocation does not materially:

- (1) Lessen the utility of the easement;
- (2) After the relocation, increase the burden on the easement holder in its reasonable use and enjoyment of the easement;
- (3) Impair an affirmative, easement-related purpose for which the easement was created;
- (4) During or after the relocation, impair the safety of the easement holder or another entitled to use and enjoy the easement;

- (6) Impair the physical condition, use, or value of the dominant estate or improvements on the dominant estate; or
- (7) Impair the value of the collateral of a security interest holder of record in the servient estate or dominant estate, impair a real property interest of a lessee of record in the dominant estate, or impair a recorded real property interest of any other person in the servient estate or dominant estate.  - (b) Is not required to serve a summons and complaint on the owner of a recorded real property interest in oil, gas, or minerals unless the interest includes an easement to facilitate oil, gas, or mineral development.
- (3) A complaint under this section must state:
- (a) The intent of the servient estate owner to seek the relocation;
 - (b) The nature, extent, and anticipated dates of commencement and completion of the proposed relocation;
 - (c) The current and proposed locations of the easement;
 - (d) The reason the easement is eligible for relocation under RCW 64.65.120;
 - (e) The reason the proposed relocation satisfies the conditions for relocation under RCW 64.65.020; and

(f) That the servient estate owner has made a reasonable attempt to notify the holders of any public utility easement, conservation easement, or negative easement on the servient estate or dominant estate of the proposed relocation.

(4) At any time before the court renders a final order in an action under subsection (1) of this section, a person served under subsection (2)(a)(ii), (iii), or (iv) of this section may file a document, in recordable form, that waives its rights to contest or obtain relief in connection with the relocation or subordinates its interests to the relocation. On filing of the document, the court may order that the person is not required to answer or participate further in the action. [2023 c 6 s 205.]

RCW 64.65.040 Required findings—Order. (1) The court may not approve relocation of an easement under this chapter unless the servient estate owner:

(a) Establishes that the easement is eligible for relocation under RCW 64.65.120; and

(b) Satisfies the conditions for relocation under RCW 64.65.020.

(2) An order under this chapter approving relocation of an easement must:

(a) State that the order is issued in accordance with this chapter;

(b) Recite the recording data of the instrument creating the easement, if any, any amendments, and any preservation notice;

(c) Identify the immediately preceding location of the easement;

(d) Describe in a legally sufficient manner the new location of the easement;

(e) Describe mitigation required of the servient estate owner during relocation;

(f) Refer in detail to the plans and specifications of improvements necessary for the easement holder to enter, use, and enjoy the easement in the new location;

(g) Specify conditions to be satisfied by the servient estate owner to relocate the easement and construct improvements necessary for the easement holder to enter, use, and enjoy the easement in the new location;

(h) Include a provision for payment by the servient estate owner of expenses under RCW 64.65.050;

(i) Include a provision for compliance by the parties with the obligation of good faith under RCW 64.65.060; and

(j) Instruct the servient estate owner to record an affidavit, if required under RCW 64.65.070(1), when the servient estate owner substantially completes relocation.

(3) An order under subsection (2) of this section may include any other provision consistent with this chapter for the fair and equitable relocation of the easement.

(4) Before a servient estate owner proceeds with relocation of an easement under this chapter, the owner must record, in the land records of each jurisdiction where the servient estate is located, a certified copy of the order under subsection (2) of this section. [2023 c 6 s 206.]

RCW 64.65.050 Expenses of relocation. A servient estate owner is responsible for reasonable expenses of relocation of an easement under this chapter, including the expense of:

- (1) Constructing improvements on the servient estate or dominant estate in accordance with an order under RCW 64.65.040;
- (2) During the relocation, mitigating disruption in the use and enjoyment of the easement by the easement holder or another person entitled to use and enjoy the easement;
- (3) Obtaining a governmental approval or permit to relocate the easement and construct necessary improvements;
- (4) Preparing and recording the certified copy required by RCW 64.65.040(4) and any other document required to be recorded;
- (5) Any title work required to complete the relocation or required by a party to the civil action as a result of the relocation;
- (6) Applicable premiums for title insurance related to the relocation;
- (7) Any expert necessary to review plans and specifications for an improvement to be constructed in the relocated easement or on the dominant estate and to confirm compliance with the plans and specifications referred to in the order under RCW 64.65.040(2)(f);
- (8) Payment of any maintenance cost associated with the relocated easement which is greater than the maintenance cost associated with the easement before relocation; and
- (9) Obtaining any third-party consent required to relocate the easement. [2023 c 6 s 207.]

RCW 64.65.060 Duty to act in good faith. After the court, under RCW 64.65.040, approves relocation of an easement and the servient estate owner commences the relocation, the servient estate owner, the easement holder, and other parties in the civil action shall act in good faith to facilitate the relocation in compliance with this chapter. [2023 c 6 s 208.]

RCW 64.65.070 Relocation affidavit. (1) If an order under RCW 64.65.040 requires the construction of an improvement as a condition for relocation of an easement, relocation is substantially complete, and the easement holder is able to enter, use, and enjoy the easement in the new location, the servient estate owner shall:

- (a) Record, in the land records of each jurisdiction where the servient estate is located, an affidavit certifying that the easement has been relocated; and
 - (b) Send, by certified mail, a copy of the recorded affidavit to the easement holder and parties to the civil action.
- (2) Until an affidavit under subsection (1) of this section is recorded and sent, the easement holder may enter, use, and enjoy the easement in the current location, subject to the court's order under RCW 64.65.040 approving relocation.
- (3) If an order under RCW 64.65.040 does not require an improvement to be constructed as a condition of the relocation, recording the order under RCW 64.65.040(4) constitutes relocation. [2023 c 6 s 209.]

RCW 64.65.080 Limited effect of relocation. (1) Relocation of an easement under this chapter:

(a) Is not a new transfer or a new grant of an interest in the servient estate or the dominant estate;

(b) Is not a breach or default of, and does not trigger, a due-on-sale clause or other transfer-restriction clause under a security instrument, except as otherwise determined by a court under law other than this chapter;

(c) Is not a breach or default of a lease, except as otherwise determined by a court under law other than this chapter;

(d) Is not a breach or default by the servient estate owner of a recorded document affected by the relocation, except as otherwise determined by a court under law other than this chapter;

(e) Does not affect the priority of the easement with respect to other recorded real property interests burdening the area of the servient estate where the easement was located before the relocation; and

(f) Is not a fraudulent conveyance or voidable transaction under law.

(2) This chapter does not affect any other method of relocating an easement permitted under law of this state other than this chapter. [2023 c 6 s 210.]

RCW 64.65.090 Nonwaiver. The right of a servient estate owner to relocate an easement under this chapter may not be waived, excluded, or restricted by agreement even if:

(1) The instrument creating the easement prohibits relocation or contains a waiver, exclusion, or restriction of this chapter;

(2) The instrument creating the easement requires consent of the easement holder to amend the terms of the easement; or

(3) The location of the easement is fixed by the instrument creating the easement, another agreement, previous conduct, acquiescence, estoppel, or implication. [2023 c 6 s 211.]

RCW 64.65.100 Uniformity of application and construction. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among the states that enact it. [2023 c 6 s 212.]

RCW 64.65.110 Relation to electronic signatures in global and national commerce act. This chapter modifies, limits, or supersedes the electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede section 101(c) of that act, 15 U.S.C. Sec. 7001(c), or authorize electronic delivery of any of the notices described in section 103(b) of that act, 15 U.S.C. Sec. 7003(b). [2023 c 6 s 213.]

RCW 64.65.120 Application—Scope—Exclusions. (1) Except as otherwise provided in subsection (2) of this section, this chapter applies to an easement established by express grant or reservation or by prescription, implication, necessity, estoppel, or other method.

(2) This chapter may not be used to relocate:

(a) A public utility easement, conservation easement, or negative easement; or

(b) An easement if the proposed location would encroach on an area of an estate burdened by a conservation easement or would interfere with the use or enjoyment of a public utility easement or an easement appurtenant to a conservation easement.

(3) This chapter does not apply to relocation of an easement by consent. [2023 c 6 s 203.]

RCW 64.65.130 Application—Transitional provision. This chapter applies to an easement created before, on, or after July 23, 2023. [2023 c 6 s 214.]

RCW 64.65.900 Short title. RCW 64.65.010 through 64.65.130 may be known and cited as the uniform easement relocation act. [2023 c 6 s 201.]

RCW 64.70.005 Findings—National uniform legislation. The legislature finds that the national conference of commissioners on uniform state laws has developed uniform legislation called the uniform environmental covenants act. The act ensures that environmental covenants, recorded use restrictions negotiated in connection with hazardous waste site cleanups, and other environmental response projects are legally valid and enforceable. The uniform environmental covenants act achieves this objective by providing clear statutory standards that override court-made doctrines that do not fit such cleanup and reuse contexts. The legislature further finds that nothing in this chapter will amend or modify any local or state laws that determine when environmental covenants are required, when a particular contaminated site must be cleaned up, or the standards for a cleanup.

Adoption of the uniform environmental covenants act in Washington will provide all participants in a cleanup with greater confidence that environmental covenants and other institutional controls will be effective over the life of the cleanup. This will facilitate cleanups of many sites and assist in the recycling of urban brownfield properties into new economic uses for the benefit of the citizens of Washington.

This chapter adopts most provisions of the uniform legislation while making modifications to integrate the uniform environmental covenants act with Washington's environmental cleanup programs. [2007 c 104 s 1.]

RCW 64.70.010 Short title. This chapter may be cited as the uniform environmental covenants act. [2007 c 104 s 2.]

RCW 64.70.015 Application—Construction—2007 c 104. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it. [2007 c 104 s 14.]

Effective dates—2024 c 321 ss 319 and 401-432: See note following RCW 64.90.485.

RCW 64.70.030 Interests in real property—Subordination. (1) Any person, including a person that owns an interest in the real property, the agency, or a municipality or other unit of local government, may be a holder. An environmental covenant may identify more than one holder. The interest of a holder is an interest in real property.

(2) A right of an agency under this chapter or under an environmental covenant, other than a right as a holder, is not an interest in real property.

(3) An agency is bound by any obligation it assumes in an environmental covenant, but an agency does not assume obligations merely by signing an environmental covenant. Any other person that signs an environmental covenant is bound by the obligations the person assumes in the covenant, but signing the covenant does not change obligations, rights, or protections granted or imposed under law other than this chapter except as provided in the covenant.

(4) The following rules apply to interests in real property in existence at the time an environmental covenant is created or amended:

(a) An interest that has priority under other law is not affected by an environmental covenant unless the person that owns the interest subordinates that interest to the covenant.

(b) This chapter does not require a person that owns a prior interest to subordinate that interest to an environmental covenant or to agree to be bound by the covenant.

(c) A subordination agreement may be contained in an environmental covenant covering real property or in a separate record. If the environmental covenant covers commonly owned property in a common interest community, the record may be signed by any person authorized by the governing board of the owners' association.

(d) An agreement by a person to subordinate a prior interest to an environmental covenant affects the priority of that person's interest but does not by itself impose any affirmative obligation on the person with respect to the environmental covenant. [2007 c 104 s 4.]

RCW 64.70.040 Covenants—Contents—Agency discretion—Local land use consideration. (1) An environmental covenant must:

(a) State that the instrument is an environmental covenant executed pursuant to this chapter;

(b) Contain a legally sufficient description of the real property subject to the covenant;

(c) Describe with specificity the activity or use limitations on the real property;

(d) Identify every holder;

(e) Be signed by the agency, every holder, and unless waived by the agency every owner of the fee simple of the real property subject to the covenant; and

(f) Identify the name and location of any administrative record for the environmental response project reflected in the environmental covenant.

(2) In addition to the information required by subsection (1) of this section, an environmental covenant may contain other information, restrictions, and requirements agreed to by the persons who signed it, including any:

(a) Requirements for notice following transfer of a specified interest in, or concerning proposed changes in use of, applications for building permits for, or proposals for any site work affecting the contamination on, the property subject to the covenant;

(b) Requirements for periodic reporting describing compliance with the covenant;

(c) Rights of access to the property granted in connection with implementation or enforcement of the covenant;

(d) Narrative descriptions of the contamination and remedy, including the contaminants of concern, the pathways of exposure, limits on exposure, and the location and extent of the contamination;

(e) Limitations on amendment or termination of the covenant in addition to those contained in RCW 64.70.090 and 64.70.100;

(f) Rights of the holder in addition to its right to enforce the covenant pursuant to RCW 64.70.110;

(g) Other information, restrictions, or requirements required by the agency, including the department of ecology under the authority of chapter 70A.305 RCW.

(3) In addition to other conditions for its approval of an environmental covenant, the agency may require those persons specified by the agency who have interests in the real property to sign the covenant.

(4) The agency may also require notice and opportunity to comment upon an environmental covenant as part of public participation efforts related to the environmental response project.

(5) The agency shall consult with local land use planning authorities in the development of the land use or activity restrictions in the environmental covenant. The agency shall consider potential redevelopment and revitalization opportunities and obtain information regarding present and proposed land and resource uses, and consider comprehensive land use plan and zoning provisions applicable to the real property to be subject to the environmental covenant. [2020 c 20 s 1065; 2007 c 104 s 5.]

RCW 64.70.050 Covenants—Enforceability. (1) An environmental covenant that complies with this chapter runs with the land.

(2) An environmental covenant that is otherwise effective is valid and enforceable even if:

(a) It is not appurtenant to an interest in real property;

(b) It can be or has been assigned to a person other than the original holder;

(c) It is not of a character that has been recognized traditionally at common law;

(d) It imposes a negative burden;

(e) It imposes an affirmative obligation on a person having an interest in the real property or on the holder;

(f) The benefit or burden does not touch or concern real property;

(g) There is no privity of estate or contract;

(h) The holder dies, ceases to exist, resigns, or is replaced; or

(i) The owner of an interest subject to the environmental covenant and the holder are the same person.

(3) An instrument that creates restrictions or obligations with respect to real property that would qualify as activity or use limitations except for the fact that the instrument was recorded before July 22, 2007, is not invalid or unenforceable because of any of the limitations on enforcement of interests described in subsection (2) of this section or because it was identified as an easement, servitude, deed restriction, or other interest. This chapter does not apply in any other respect to such an instrument.

(4) This chapter does not invalidate or render unenforceable any interest, whether designated as an environmental covenant or other interest, that is otherwise enforceable under the law of this state. [2007 c 104 s 6.]

RCW 64.70.060 Use of real property—Chapter application. This chapter does not authorize a use of real property that is otherwise prohibited by zoning, by law other than this chapter regulating use of real property, or by a recorded instrument that has priority over the environmental covenant. An environmental covenant may prohibit or restrict uses of real property that are authorized by zoning or by law other than this chapter. [2007 c 104 s 7.]

RCW 64.70.070 Covenants—Providing copies. (1) A copy of an environmental covenant shall be provided by the persons and in the manner required by the agency to:

- (a) Each person that signed the covenant;
- (b) Each person holding a recorded interest in the real property subject to the covenant;
- (c) Each person in possession of the real property subject to the covenant at the time the covenant is executed;
- (d) Each municipality or other unit of local government in which real property subject to the covenant is located;
- (e) The department of ecology; and
- (f) Any other person the agency requires.

(2) The validity of an environmental covenant is not affected by failure to provide a copy of the covenant as required under this section.

(3) If the agency has not designated the persons to provide a copy of an environmental covenant, the grantor shall be responsible for providing a copy of an environmental covenant as required under subsection (1) of this section. [2007 c 104 s 8.]

RCW 64.70.080 Covenants—Recording and priority of interests. (1) An environmental covenant and any amendment or termination of the covenant must be recorded in every county in which any portion of the real property subject to the covenant is located. For purposes of indexing, a holder shall be treated as a grantee.

(2) Except as otherwise provided in RCW 64.70.090(3), an environmental covenant is subject to the laws of this state governing recording and priority of interests in real property. [2007 c 104 s 9.]

RCW 64.70.090 Covenant—Duration—Court action. (1) An environmental covenant is perpetual unless it is:

- (a) By its terms limited to a specific duration or terminated by the occurrence of a specific event;
- (b) Terminated by consent pursuant to RCW 64.70.100;
- (c) Terminated pursuant to subsection (2) of this section;
- (d) Terminated by foreclosure of an interest that has priority over the environmental covenant; or

(e) Terminated or modified in an eminent domain proceeding, but only if:

(i) The agency that signed the covenant is a party to the proceeding;

(ii) All persons identified in RCW 64.70.100 (1) and (2) are given notice of the pendency of the proceeding; and

(iii) The court determines, after hearing, that the termination or modification will not adversely affect human health or the environment.

(2) If the agency that signed an environmental covenant has determined that the intended benefits of the covenant can no longer be realized, a court, under the doctrine of changed circumstances, in an action in which all persons identified in RCW 64.70.100 (1) and (2) have been given notice, may terminate the covenant or reduce its burden on the real property subject to the covenant.

(3) Except as otherwise provided in subsections (1) and (2) of this section, an environmental covenant may not be extinguished, limited, or impaired through issuance of a tax deed, foreclosure of a tax lien, or application of the doctrine of adverse possession, prescription, abandonment, waiver, lack of enforcement, or acquiescence, or a similar doctrine.

(4) An environmental covenant may not be extinguished, limited, or impaired by the extinguishment of a mineral interest under chapter 78.22 RCW. [2007 c 104 s 10.]

RCW 64.70.100 Covenant—Amendment or termination by consent.

(1) An environmental covenant may be amended or terminated by consent only if the amendment or termination is signed by:

(a) The agency;

(b) Unless waived by the agency, the current owner of the fee simple of the real property subject to the covenant;

(c) Each person that originally signed the covenant, unless the person waived in a signed record the right to consent or a court finds that the person no longer exists or cannot be located or identified with the exercise of reasonable diligence; and

(d) Except as otherwise provided in subsection (4) (b) of this section, the holder.

(2) If an interest in real property is subject to an environmental covenant, the interest is not affected by an amendment of the covenant unless the current owner of the interest consents to the amendment or has waived in a signed record the right to consent to amendments.

(3) Except for an assignment undertaken pursuant to a governmental reorganization, assignment of an environmental covenant to a new holder is an amendment.

(4) Except as otherwise provided in an environmental covenant:

(a) A holder may not assign its interest without consent of the other parties;

(b) A holder may be removed and replaced by agreement of the other parties specified in subsection (1) of this section; and

(c) A court of competent jurisdiction may fill a vacancy in the position of holder. [2007 c 104 s 11.]

RCW 64.70.110 Violations—Civil actions—Regulatory authority under chapter—Liability. (1) A civil action for injunctive or other equitable relief for violation of an environmental covenant may be maintained by:

- (a) A party to the covenant;
 - (b) The agency or, if it is not the agency, the department of ecology;
 - (c) Any person to whom the covenant expressly grants power to enforce;
 - (d) A person whose interest in the real property or whose collateral or liability may be affected by the alleged violation of the covenant; and
 - (e) A municipality or other unit of local government in which the real property subject to the covenant is located.
- (2) This chapter does not limit the regulatory authority of the agency or the department of ecology under law other than this chapter with respect to an environmental response project.
- (3) A person is not responsible for or subject to liability for environmental remediation solely because it has the right to enforce an environmental covenant. [2007 c 104 s 12.]

RCW 64.70.120 Covenants—Registry—Information contained. (1) The department of ecology shall establish and maintain a registry that contains information identifying all environmental covenants established under this chapter and any amendment or termination of those covenants, including the county where the covenant is recorded and the recording number. The registry may also contain any other information concerning environmental covenants and the real property subject to them that the department of ecology considers appropriate. The registry is a public record for purposes of chapter 42.56 RCW, but the department shall maintain electronic access to the registry without requiring a public records request for any information included in the registry.

(2) Failure to include information or inclusion of inaccurate information concerning an environmental covenant in the registry does not invalidate or limit the application or enforceability of the covenant. [2007 c 104 s 13.]

RCW 64.70.130 Electronic signatures in global and national commerce act. This chapter modifies, limits, or supersedes the federal electronic signatures in global and national commerce act (15 U.S.C. Sec. 7001 et seq.) but does not modify, limit, or supersede section 101 of that act (15 U.S.C. Sec. 7001(a)) or authorize electronic delivery of any of the notices described in section 103 of that act (15 U.S.C. Sec. 7003(b)). [2007 c 104 s 15.]

RCW 64.80.060 Requirements. A transfer on death deed:

(1) Except as otherwise provided in subsection (2) of this section, must contain the essential elements and formalities of a properly recordable inter vivos deed;

(2) Must state that the transfer to the designated beneficiary is to occur at the transferor's death; and

(3) Must be recorded before the transferor's death in the public records in the office of the auditor of the county where the property is located. [2014 c 58 s 9.]

RCW 64.80.070 Notice, delivery, acceptance, consideration not required. A transfer on death deed is effective without:

(1) Notice or delivery to or acceptance by the designated beneficiary during the transferor's life; or

(2) Consideration. [2014 c 58 s 10.]

RCW 64.80.080 Revocation, when authorized or prohibited. (1) Subject to subsection (2) of this section, an instrument is effective to revoke a recorded transfer on death deed, or any part of it, only if the instrument:

(a) Is one of the following:

(i) A transfer on death deed that revokes the deed or part of the deed expressly or by inconsistency;

(ii) An instrument of revocation that expressly revokes the deed or part of the deed; or

(iii) An inter vivos deed that expressly revokes the transfer on death deed or part of the deed; and

(b) Is acknowledged by the transferor after the acknowledgment of the deed being revoked and recorded before the transferor's death in the public records in the office of the county auditor of the county where the deed is recorded.

(2) If a transfer on death deed is made by more than one transferor:

(a) Revocation by a transferor does not affect the deed as to the interest of another transferor;

(b) A deed of joint owners is revoked only if it is revoked by all of the joint owners living at the time that the revocation is recorded; and

(c) A deed of community property by both spouses or by both domestic partners is revoked only if it is revoked by both of the spouses or domestic partners, provided that if only one of the spouses

or domestic partners is then surviving, that spouse or domestic partner may revoke the deed.

(3) After a transfer on death deed is recorded, it may not be revoked by a revocatory act on the deed.

(4) This section does not limit the effect of an inter vivos transfer of the property. [2014 c 58 s 11.]

RCW 64.80.090 Effect during transferor's life. During a transferor's life, a transfer on death deed does not:

(2) Affect an interest or right of a transferee, even if the transferee has actual or constructive notice of the deed;

(3) Affect an interest or right of a secured or unsecured creditor or future creditor of the transferor, even if the creditor has actual or constructive notice of the deed;

(4) Affect the transferor's or designated beneficiary's eligibility for any form of public assistance;

(5) Create a legal or equitable interest in favor of the designated beneficiary; or

(6) Subject the property to claims or process of a creditor of the designated beneficiary. [2014 c 58 s 12.]

RCW 64.80.100 Effect at transferor's death. (1) Except as otherwise provided in this section, or in RCW 11.07.010, and 11.05A.030, on the death of the transferor, the following rules apply to property that is the subject of a transfer on death deed and owned by the transferor at death:

(a) Subject to (b) of this subsection, the interest in the property is transferred to the designated beneficiary in accordance with the deed.

(b) The interest of a designated beneficiary is contingent on the designated beneficiary surviving the transferor. The interest of a designated beneficiary that fails to survive the transferor lapses.

(c) Subject to (d) of this subsection, concurrent interests are transferred to the beneficiaries in equal and undivided shares with no right of survivorship.

(d) If the transferor has identified two or more designated beneficiaries to receive concurrent interests in the property, the share of one which lapses or fails for any reason is transferred to the other, or to the others in proportion to the interest of each in the remaining part of the property held concurrently.

(2) Subject to chapter 65.08 RCW, a beneficiary takes the property subject to all conveyances, encumbrances, assignments, contracts, mortgages, liens, and other interests to which the property is subject at the transferor's death, including liens recorded within twenty-four months after the transferor's death under RCW 41.05A.090 and 43.20B.080. For purposes of this subsection and chapter 65.08 RCW, the recording of the transfer on death deed is deemed to have occurred at the transferor's death.

(3) If a transferor is a joint owner and is:

(a) Survived by one or more other joint owners, the property that is the subject of a transfer on death deed belongs to the surviving joint owner or owners with right of survivorship; or

(b) The last surviving joint owner, the transfer on death deed is effective.

(4) If the property that is the subject of a transfer on death deed is community property and:

(a) The transferor is married and is not joined in the deed by the transferor's spouse or is in a registered domestic partnership and is not joined in the deed by the transferor's domestic partner, the transferor's interest in the property is transferred to the designated beneficiary in accordance with the deed on the transferor's death; or

(b) The transferor is married and is joined in the deed by the transferor's spouse, or is in a registered domestic partnership and is joined in the deed by the transferor's domestic partner, and:

(i) Is survived by the transferor's spouse or domestic partner, the deed is not effective upon the transferor's death; or

(ii) Is the surviving spouse or domestic partner, the transfer on death deed is effective on the transferor's death with respect to the transferor's interest in the property as of the time of the transferor's death.

(5) A transfer on death deed transfers property without covenant or warranty of title even if the deed contains a contrary provision. [2014 c 58 s 13.]

RCW 64.80.110 Disclaimer of interest. A beneficiary may disclaim all or part of the beneficiary's interest as provided by chapter 11.86 RCW. [2014 c 58 s 14.]

(a) A person controls a declarant if the person:

(i) Is a general partner, managing member, officer, director, or employer of the declarant;

(ii) Directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing more than 20 percent of the voting interest in the declarant;

(iii) Controls in any manner the election or appointment of a majority of the directors, managing members, or general partners of the declarant; or

(iv) Has contributed more than 20 percent of the capital of the declarant.

(b) A person is controlled by a declarant if the declarant:

(i) Is a general partner, managing member, officer, director, or employer of the person;

(ii) Directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote, or holds proxies representing more than 20 percent of the voting interest in the person;

(iii) Controls in any manner the election or appointment of a majority of the directors, managing members, or general partners of the person; or

(iv) Has contributed more than 20 percent of the capital of the person.

(c) Control does not exist if the powers described in this subsection (1) are held solely as security for an obligation and are not exercised.

(2) "Allocated interests" means the following interests allocated to each unit:

(a) In a condominium, the undivided interest in the common elements, the common expense liability, and votes in the association;

(b) In a cooperative, the common expense liability, the ownership interest, and votes in the association; and

(c) In a plat community and miscellaneous community, the common expense liability and the votes in the association, and also the undivided interest in the common elements if owned in common by the unit owners rather than an association.

(3) "Assessment" means all sums chargeable by the association against a unit, including any assessments levied pursuant to RCW 64.90.480, fines or fees levied or imposed by the association pursuant to this chapter or the governing documents, interest and late charges on any delinquent account, and all costs of collection incurred by the association in connection with the collection of a delinquent owner's account, including reasonable attorneys' fees.

(4) "Association" or "unit owners association" means the unit owners association organized under RCW 64.90.400 and, to the extent necessary to construe sections of this chapter made applicable to common interest communities pursuant to RCW 64.90.365, *64.90.090, or 64.90.370, the association organized or created to administer such common interest communities.

(b) In a plat community or miscellaneous community, any real estate other than a unit within a plat community or miscellaneous

community that is owned or leased either by the association or in common by the unit owners rather than an association; and

(c) In all common interest communities, any other interests in real estate for the benefit of any unit owners that are subject to the declaration.

(10) "Common interest community" means real estate described in a declaration with respect to which a person, by virtue of the person's ownership of a unit, is obligated to pay for a share of real estate taxes, insurance premiums, maintenance, or improvement of, or services or other expenses related to, common elements, other units, or other real estate described in the declaration. "Common interest community" does not include an arrangement described in RCW 64.90.110 or 64.90.115. A common interest community may be a part of another common interest community.

(11) "Condominium" means a common interest community in which portions of the real estate are designated for separate ownership and the remainder of the real estate is designated for common ownership solely by the owners of those portions. A common interest community is not a condominium unless the undivided interests in the common elements are vested in the unit owners.

(12) "Condominium notice" means the notice given to tenants pursuant to subsection (13)(c) of this section.

(13)(a) "Conversion building" means a building:

(i) That at any time before creation of the common interest community was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, who did not receive a condominium notice prior to entering into the rental agreement or lawfully taking occupancy, whichever event occurred first; or

(ii) That at any time within the 12 months preceding the first acceptance of an agreement with the declarant to convey, or the first conveyance of, any unit in the building, whichever event occurred first, to any person who was not a declarant or dealer, or affiliate of a declarant or dealer, was lawfully occupied wholly or partially by a tenant or subtenant for residential purposes pursuant to a rental agreement, oral or written, express or implied, who did not receive a condominium notice prior to entering into the rental agreement or lawfully taking occupancy, whichever event occurred first.

(b) A building in a common interest community is a conversion building only if:

(i) The building contains more than two attached dwelling units as defined in RCW 64.55.010(1); and

(ii) Acceptance of an agreement to convey, or conveyance of, any unit in the building to any person who was not a declarant or dealer, or affiliate of a declarant or dealer, did not occur prior to July 1, 2018.

(c) The notice referred to in (a)(i) and (ii) of this subsection must be in writing and must state: "The unit you will be occupying is, or may become, part of a common interest community and subject to sale."

(14) "Convey" or "conveyance" means, with respect to a unit, any transfer of ownership of the unit, including a transfer by deed or by

real estate contract and, with respect to a unit in a leasehold common interest community or a proprietary lease in a cooperative, a transfer by lease or assignment of the unit, but does not include the creation, transfer, or release of a security interest.

(15) "Cooperative" means a common interest community in which the real estate is owned by an association, each member of which is entitled by virtue of the member's ownership interest in the association and by a proprietary lease to exclusive possession of a unit.

(16) "Dealer" means a person who, together with such person's affiliates, owns or has a right to acquire either six or more units in a common interest community or 50 percent or more of the units in a common interest community containing more than two units.

(17) "Declarant" means:

(a) Any person who executes as declarant a declaration;

(b) Any person who reserves or succeeds to any special declarant right in a declaration;

(c) Any person who exercises special declarant rights or to whom special declarant rights are transferred of record. The holding or exercise of rights to maintain sales offices, signs advertising the common interest community, and models, and related right of access, does not confer the status of being a declarant; or

(d) Any person who is the owner of a fee interest in the real estate that is subjected to the declaration at the time of the recording of an instrument pursuant to RCW 64.90.425 and who directly or through one or more affiliates is materially involved in the construction, marketing, or sale of units in the common interest community created by the recording of the instrument.

(18) "Declarant control" means the right of the declarant or persons designated by the declarant to appoint or remove any officer or board member of the association or to veto or approve a proposed action of any board or association, pursuant to RCW 64.90.415(1)(a).

(25) "Foreclosure" means a statutory forfeiture or a judicial or nonjudicial foreclosure of a security interest or a deed or other conveyance in lieu of a security interest.

(26) "Full funding plan" means a reserve funding goal of achieving 100 percent fully funded reserves by the end of the 30-year study period described under RCW 64.90.550, in which the reserve account balance equals the sum of the estimated costs required to maintain, repair, or replace the deteriorated portions of all reserve components.

(27) "Fully funded balance" means the current value of the deteriorated portion, not the total replacement value, of all the reserve components. The fully funded balance for each reserve component is calculated by multiplying the current replacement cost of that reserve component by its effective age, then dividing the result by that reserve component's useful life. The sum total of all reserve components' fully funded balances is the association's fully funded balance.

(28) "Governing documents" means the organizational documents, map, declaration, rules, or other written instrument by which the association has the authority to exercise any of the powers provided for in this chapter or to manage, maintain, or otherwise affect the property under its jurisdiction.

(34) "Miscellaneous community" means a common interest community in which units are lawfully created in a manner not inconsistent with chapter 58.17 RCW and that is not a condominium, cooperative, or plat community.

(35) "Nominal reserve costs" means that the current estimated total replacement costs of the reserve components are less than 50 percent of the annual budgeted expenses of the association, excluding contributions to the reserve fund, for a condominium or cooperative containing horizontal unit boundaries, and less than 75 percent of the

annual budgeted expenses of the association, excluding contributions to the reserve fund, for all other common interest communities.

(36) "Organizational documents" means the instruments filed with the secretary of state to create an entity and the instruments governing the internal affairs of the entity including, but not limited to, any articles of incorporation, certificate of formation, bylaws, and limited liability company or partnership agreement.

***Reviser's note:** RCW 64.90.090 was repealed by 2024 c 321 s 505, effective January 1, 2028.

RCW 64.90.015 No variation by agreement. Except as expressly provided in this chapter, the effect of the provisions of this chapter may not be varied by agreement, and rights conferred by this chapter may not be waived. Except as provided otherwise in RCW 64.90.110, a declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of this chapter or the declaration. [2018 c 277 s 103.]

RCW 64.90.020 Separate titles and taxation. (1) In a cooperative, unless the declaration provides that a unit owner's interest in a unit and its allocated interests is real estate for all purposes, that interest is personal property.

(2) In a condominium, plat community, or miscellaneous community, if there is any unit owner other than a declarant:

(a) Each unit that has been created, together with its interest in the common elements, constitutes for all purposes a separate parcel of real estate; and

(b) Each unit together with its interest in the common elements must be separately taxed and assessed.

(3) If a development right has an ascertainable market value, the development right constitutes a separate parcel of real estate for property tax purposes and must be separately taxed and assessed to the declarant, and the declarant alone is liable for payment of those taxes.

(4) If there is no unit owner other than a declarant, the real estate comprising the common interest community may be taxed and assessed in any manner provided by law. [2018 c 277 s 104.]

RCW 64.90.025 Applicability of local ordinances, regulations, and building codes. (1) A building, fire, health, or safety statute, ordinance, or regulation may not impose any requirement upon any structure in a common interest community that it would not impose upon a physically identical development under a different form of ownership.

(2) A zoning, subdivision, or other land use statute, ordinance, or regulation may not prohibit the condominium or cooperative form of ownership or impose any requirement upon a condominium or cooperative or miscellaneous community that it would not impose upon a physically identical development under a different form of ownership.

(3) Chapter 58.17 RCW does not apply to the creation of a condominium or a cooperative. This chapter must not be construed to permit the creation of a condominium or cooperative or miscellaneous community on a lot, tract, or parcel of land that could not be sold or transferred without violating chapter 58.17 RCW.

(4) Except as provided in subsections (1), (2), and (3) of this section, this chapter does not invalidate or modify any provision of any building, zoning, subdivision, or other statute, ordinance, rule, or regulation governing the use of real estate.

(5) This section does not prohibit a county legislative authority from requiring the review and approval of declarations and amendments to declarations and of termination agreements executed pursuant to RCW 64.90.290(2) by the county assessor solely for the purpose of allocating the assessed value and property taxes. The review by the assessor must be done in a reasonable and timely manner. [2019 c 238 s 202; 2018 c 277 s 105.]

RCW 64.90.030 Eminent domain. (1) If a unit is acquired by condemnation or part of a unit is acquired by condemnation leaving the unit owner with a remnant that may not practically or lawfully be used for any purpose permitted by the declaration, the award must include compensation to the unit owner for that unit and its allocated interests, whether or not any common elements are acquired. Upon acquisition, unless the decree otherwise provides, that unit's allocated interests are automatically reallocated to the remaining units in proportion to the respective allocated interests of those units before the taking, and the association must promptly prepare, execute, and record an amendment to the declaration reflecting the reallocations. Any remnant of a unit remaining after part of a unit is taken under this subsection is thereafter a common element.

(2) Except as provided in subsection (1) of this section, if part of a unit is acquired by condemnation, the award must compensate the unit owner for the reduction in value of the unit and its interest in the common elements, whether or not any common elements are acquired. Upon acquisition, unless the decree provides otherwise:

(a) That unit's allocated interests are reduced in proportion to the reduction in the size of the unit, or on any other basis specified in the declaration; and

(b) The portion of the allocated interests divested from the partially acquired unit are automatically reallocated to that unit and

to the remaining units in proportion to the respective allocated interests of those units before the taking, with the partially acquired unit participating in the reallocation on the basis of its reduced allocated interests.

(3) (a) If part of the common elements is acquired by condemnation, the portion of the award attributable to the common elements taken must be paid to the association. A court may award damages to a unit owner or owners for particular damage to the owner's units arising from condemnation.

(b) Unless the declaration or the decree provides otherwise, any portion of the award attributable to the acquisition of a limited common element must be equally divided among the owners of the units to which that limited common element was allocated at the time of acquisition.

(4) The decree must be recorded in every county in which any portion of the common interest community is located. [2018 c 277 s 106.]

RCW 64.90.035 Supplemental general principles of law applicable.

The principles of law and equity, including the law of corporations and any other form of organization authorized by the law of this state and unincorporated associations, the law of real estate, and the law relative to the capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating cause supplement this chapter, except to the extent inconsistent with this chapter. [2018 c 277 s 107.]

RCW 64.90.040 Construction against implicit repeal.

This chapter is intended as a unified coverage of its subject matter and no part of it must be construed to be impliedly repealed by subsequent legislation if that construction can reasonably be avoided. [2018 c 277 s 108.]

RCW 64.90.045 Application—Construction.

This chapter must be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it. [2018 c 277 s 109.]

RCW 64.90.050 Unconscionable agreement or term of contract. (1)

The court, upon finding as a matter of law that a contract or contract clause was unconscionable at the time the contract was made, may refuse to enforce the contract, enforce the remainder of the contract without the unconscionable clause, or limit the application of any unconscionable clause to avoid an unconscionable result.

(2) Whenever it is claimed, or appears to the court, that a contract or any contract clause is or may be unconscionable, the parties, to aid the court in making the determination, must be afforded a reasonable opportunity to present evidence as to:

(a) The commercial setting of the negotiations;

(b) Whether a party has knowingly taken advantage of the inability of the other party reasonably to protect his or her

interests by reason of physical or mental infirmity, illiteracy, inability to understand the language of the agreement, or similar factors;

(c) The effect and purpose of the contract or clause; and

(d) If a sale, any gross disparity at the time of contracting between the amount charged for the property and the value of that property measured by the price at which similar property was readily obtainable in similar transactions. A disparity between the contract price and the value of the property measured by the price at which similar property was readily obtainable in similar transactions does not, of itself, render the contract unconscionable. [2018 c 277 s 111.]

RCW 64.90.055 Obligation of good faith. Every contract or duty governed under this chapter imposes an obligation of good faith in its performance or enforcement. [2018 c 277 s 112.]

RCW 64.90.060 Remedies. The remedies provided under this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. However, consequential, special, or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law. [2018 c 277 s 113.]

RCW 64.90.065 Adjustment of dollar amounts. (1) From time to time the dollar amount specified in RCW 64.90.360(4) and 64.90.640(2) must change, as provided in subsections (2) and (3) of this section, according to and to the extent of changes in the consumer price index for urban wage earners and clerical workers: United States city average, all items 1967 = 100, compiled by the bureau of labor statistics, United States department of labor, (the "index"). The index for December 1979, which was 230, is the reference base index.

(2) The dollar amounts specified in RCW 64.90.360(4) and 64.90.640(2) and any amount stated in the declaration pursuant to RCW 64.90.360(4) and 64.90.640(2) must change on July 1st of each year if the percentage of change, calculated to the nearest whole percentage point, between the index at the end of the preceding year and the reference base index, is 10 percent or more, but: (a) The portion of the percentage change in the index in excess of a multiple of 10 percent must be disregarded and the dollar amount may only change in multiples of 10 percent of the amount appearing in this chapter on July 1, 2018; (b) the dollar amount must not change if the amount required under this section is that currently in effect pursuant to this chapter as a result of earlier application of this section; and (c) the dollar amount must not be reduced below the amount appearing in this chapter on July 1, 2018.

(3) If the index is revised after December 1979, the percentage of change pursuant to this section must be calculated on the basis of the revised index. If the revision of the index changes the reference base index, a revised reference base index must be determined by multiplying the reference base index then applicable by the rebasing factor furnished by the bureau of labor statistics. If the index is superseded, the index referred to in this section is the one represented by the bureau of labor statistics as reflecting most

accurately the changes in the purchasing power of the dollar for consumers. [2024 c 321 s 302; 2018 c 277 s 114.]

RCW 64.90.070 Electronic signatures in global and national commerce act. This chapter modifies, limits, and supersedes the federal electronic signatures in global and national commerce act, 15 U.S.C. Sec. 7001 et seq., but does not modify, limit, or supersede 15 U.S.C. Sec. 7001(c) or authorize electronic delivery of any of the notices described in 15 U.S.C. Sec. 7003(b). [2018 c 277 s 115.]

RCW 64.90.085 Common interest communities, amendments to. Amendments to this chapter apply to all common interest communities subject to this chapter, regardless of when the amendments become effective. [2024 c 321 s 201; 2018 c 277 s 118.]

RCW 64.90.090 Prior condominium statutes. (Effective until January 1, 2028.) (1) Chapter 64.32 RCW does not apply to condominiums created on or after July 1, 1990, and except as otherwise provided in subsection (2) of this section, chapter 64.34 RCW does not apply to condominiums created on or after July 1, 2018.

(2) RCW 64.34.405, 64.34.410, 64.34.415, 64.34.417, 64.34.418, and 64.34.420 continue to apply, and RCW 64.90.605, 64.90.610, 64.90.615, 64.90.620, 64.90.625, 64.90.630, and 64.90.635 do not apply, to any public offering statement first delivered to a prospective purchaser prior to July 1, 2018, for any common interest community created on or after July 1, 2018. A declarant or dealer who first delivered a public offering statement to a prospective purchaser pursuant to chapter 64.34 RCW prior to July 1, 2018, is not required to deliver a new or amended public offering statement to that purchaser pursuant to chapter 238, Laws of 2019. [2019 c 238 s 205; 2018 c 277 s 119.]

RCW 64.90.100 Common interest communities, nonresidential and mixed-use. (1) A plat community, miscellaneous community, or cooperative in which all the units are restricted exclusively to nonresidential use is not subject to this chapter except to the extent the declaration provides that:

(a) This entire chapter applies to the community;

(b) RCW 64.90.010 through 64.90.325 and 64.90.900 apply to the community; or

(c) Only RCW 64.90.020, 64.90.025, and 64.90.030 apply to the community.

(2) A condominium in which all the units are restricted exclusively to nonresidential use is subject to this chapter, but the declaration may provide that only RCW 64.90.010 through 64.90.325 and 64.90.900 apply to the community.

(3) If this entire chapter applies to a common interest community in which all the units are restricted exclusively to nonresidential use, the declaration may also require, subject to RCW 64.90.050, that:

(a) Any management, maintenance, operations, or employment contract, lease of recreational or parking areas or facilities, and any other contract or lease between the association and a declarant or

an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Purchasers of units must execute proxies, powers of attorney, or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

(4) A common interest community that contains both units restricted to nonresidential purposes and units that may be used for residential purposes is not subject to this chapter unless the units that may be used for residential purposes would comprise a common interest community subject to this chapter in the absence of such nonresidential units or the declaration provides that this chapter applies as provided in subsection (2) or (3) of this section. [2024 c 321 s 304; 2018 c 277 s 121.]

RCW 64.90.105 Common interest communities, out-of-state. This chapter does not apply to a common interest community located outside this state, but RCW 64.90.605 and 64.90.610, and, to the extent applicable, RCW 64.90.615 and 64.90.620, apply to a contract for the disposition of a unit in that common interest community signed in this state by any party unless exempt under RCW 64.90.600(2). [2024 c 321 s 202; 2018 c 277 s 122.]

RCW 64.90.110 Exempt real estate arrangements. (1) An arrangement between the associations for two or more common interest communities to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement or declarations does not create a separate common interest community.

(2) An arrangement between an association for a common interest community and the owner of real estate that is not part of a common interest community to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in their arrangement does not create a separate common interest community. However, costs payable by the common interest community as a result of the arrangement must be included in the periodic budget for the common interest community, and the arrangement must be disclosed in all public offering statements and resale certificates required under this chapter.

(3) Except for a cooperative, a lease in which the tenant is obligated to share the costs of real estate taxes, insurance premiums, services, maintenance or improvements of real estate, or other activities specified in an arrangement does not create a separate common interest community. [2018 c 277 s 123.]

RCW 64.90.115 Other exempt covenants. An easement or covenant that requires the owners of separately owned parcels of real estate to share costs or other obligations associated with a party wall, driveway, well, or other similar use does not create a common interest community. [2018 c 277 s 124.]

II. CREATION, ALTERATION, AND TERMINATION OF COMMON INTEREST COMMUNITIES

RCW 64.90.200 Common interest communities, creation of. (1) (a)

A common interest community may be created under this chapter only by (i) recording a declaration executed in the same manner as a deed, and (ii) recording a map pursuant to RCW 64.90.245(3), and (iii) with respect to a cooperative, conveying the real estate subject to that declaration to the association.

(b) The declaration and map must be recorded in every county in which any portion of the common interest community is located. The name of a condominium must not be identical to the name of any other existing condominium or plat community, whether created under this chapter or *chapter 64.32 or 64.34 RCW, in any county in which the condominium is located.

(2) A declaration or an amendment to a declaration adding units to a common interest community other than a plat community may not be recorded unless a certification required under RCW 64.90.245(6) (a) or (b) regarding the map is also recorded.

(3) (a) Except as provided otherwise in the declaration or map, if, in a common interest community other than a condominium or cooperative, real estate described as a common element in the declaration or map is not conveyed to the association or expressly dedicated in the declaration or map to the unit owners as tenants in common, that real estate is deemed to be conveyed to the association at the time the first unit is conveyed, subject to the authority and jurisdiction of the association and subject to development rights, if any, reserved in the declaration.

(b) Except as provided otherwise in the declaration or map, in the event of the dissolution of an association, any real estate owned by the association vests in the unit owners as tenants in common with each unit owner's interest being determined in accordance with the provisions of RCW 64.90.290 regarding a termination of the common interest community. [2018 c 277 s 201.]

***Reviser's note:** Chapters 64.32 and 64.34 RCW were repealed by 2024 c 321 ss 501 and 502, effective January 1, 2028.

RCW 64.90.205 Reservation of name. Upon the filing of a written request with the county office in which the declaration is to be recorded, using a form of written request as may be required by the county office and paying a fee as the county office may establish not in excess of fifty dollars, a person may reserve the exclusive right to use a particular name for a condominium to be created in that county. The reserved name must not be identical to any other condominium or plat community located in that county. The name reservation expires unless within three hundred sixty-five days from the date on which the name reservation is filed the person reserving that name either records a declaration using the reserved name or files a new name reservation request. [2018 c 277 s 202.]

RCW 64.90.210 Unit boundaries. (1) Except as provided by the declaration or, in the case of a plat community or miscellaneous community, by the map:

(a) If walls, floors, or ceilings are designated as boundaries of a unit, all lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and any other materials constituting any part of the finished surfaces thereof are a part of the unit, and all other portions of the walls, floors, or ceilings are a part of the common elements.

(b) If any chute, flue, duct, wire, conduit, bearing wall, bearing column, or any other fixture lies partially within and partially outside the designated boundaries of a unit, any portion thereof serving only that unit is a limited common element allocated solely to that unit, and any portion thereof serving more than one unit or any portion of the common elements is a part of the common elements.

(2) Subject to subsection (1)(b) of this section, all spaces, interior partitions, and other fixtures and improvements within the boundaries of a unit are a part of the unit.

(3) Any fireplaces, shutters, awnings, window boxes, doorsteps, stoops, porches, balconies, decks, patios, and all exterior doors and windows or other fixtures designed to serve a single unit, but located outside the unit's boundaries, are limited common elements allocated exclusively to that unit. [2018 c 277 s 203.]

RCW 64.90.215 Construction and validity of governing documents.

(1) All provisions of the governing documents are severable. If any provision of a governing document, or its application to any person or circumstances, is held invalid, the remainder of the governing document or application to other persons or circumstances is not affected.

(2) The rule against perpetuities may not be applied to defeat any provision of the governing documents adopted pursuant to RCW 64.90.405(1)(a).

(3) If a conflict exists between the declaration and the organizational documents, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

(4)(a) The creation of a common interest community must not be impaired and title to a unit and any common elements must not be rendered unmarketable or otherwise affected by reason of an insignificant failure of the governing documents, or any amendment to the governing documents, to comply with this chapter.

(b) This chapter does not determine whether a significant failure impairs marketability. Any unit owner, record owner of a security interest in any portion of the common interest community, or the association has standing to obtain a court order compelling the recordation of a declaration or map or adoption of organizational documents, or any appropriate amendment thereto, or to any other governing document, necessary to comply with the requirements of this chapter and to effectuate the reasonably ascertainable intent of the parties, including the intent to create a common interest community in compliance with this chapter. The failure to (i) include in the declaration or any amendment to the declaration cross-references by recording number to the map or any amendment to the map, or (ii) include in the map or any amendment to the map cross-references by recording number to the declaration or any amendment to the

declaration is deemed an insignificant failure to comply with this chapter. [2018 c 277 s 204.]

(1) In a condominium or a cooperative, a description of a unit that sets forth the name of the common interest community, the recording data for the declaration, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit that were created by the governing documents.

(2) In a plat community or miscellaneous community, a description of a unit that sets forth the name of the common interest community, the recording data for the map, the county and state in which the common interest community is located, and the identifying number of the unit is a legally sufficient description of that unit and all rights, obligations, and interests appurtenant to that unit. [2018 c 277 s 205.]

RCW 64.90.225 Declaration—Contents. (1) The declaration must contain:

(b) A legal description of the real estate included in the common interest community;

(c) A statement of the number of units that the declarant has created and, if the declarant has reserved the right to create additional units, the maximum number of such additional units;

(d) In all common interest communities, a reference to the recorded map creating the units and common elements, if any, subject to the declaration, and in a common interest community other than a plat community, the identifying number of each unit created by the declaration, a description of the boundaries of each unit if and to the extent they are different from the boundaries stated in RCW 64.90.210(1)(a), and with respect to each existing unit, and if known at the time the declaration is recorded, the (i) approximate square footage, (ii) number of whole or partial bathrooms, (iii) number of rooms designated primarily as bedrooms, and (iv) level or levels on which each unit is located. The data described in this subsection (1)(d)(ii) and (iii) may be omitted with respect to units restricted to nonresidential use;

(e) A description of any limited common elements, other than those specified in RCW 64.90.210 (1)(b) and (3);

(f) A description of any real estate, except real estate subject to development rights, that may be allocated subsequently by the declarant as limited common elements, other than limited common elements specified in RCW 64.90.210 (1)(b) and (3), together with a statement that they may be so allocated;

(g) A description of any development right and any other special declarant rights reserved by the declarant, a time limit within which each of those rights must be exercised, and a legal description of the real property to which each development right applies;

(h) If any development right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:

(i) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each development right or a statement that no assurances are made in those regards; and

(ii) A statement as to whether, if any development right is exercised in any portion of the real estate subject to that development right, that development right must be exercised in all or in any other portion of the remainder of that real estate;

(i) Any other conditions or limitations under which the rights described in (g) of this subsection may be exercised or will lapse;

(j) An allocation to each unit of the allocated interests in the manner described in RCW 64.90.235;

(k) Any restrictions on alienation of the units, including any restrictions on leasing that exceed the restrictions on leasing units that boards may impose pursuant to RCW 64.90.510(10)(c) and on the amount for which a unit may be sold or on the amount that may be received by a unit owner on sale, condemnation, or casualty loss to the unit or to the common interest community, or on termination of the common interest community;

(l) A cross-reference by recording number to the map for the units created by the declaration;

(m) Any authorization pursuant to which the association may establish and enforce construction and design criteria and aesthetic standards as provided in RCW 64.90.505;

(n) All matters required under RCW 64.90.230, 64.90.235, 64.90.240, 64.90.275, 64.90.280, and 64.90.410;

(o) A statement on the first page of the declaration whether the common interest community is subject to this chapter.

(2) All amendments to the declaration must contain a cross-reference by recording number to the declaration and to any prior amendments to the declaration. All amendments to the declaration adding units must contain a cross-reference by recording number to the map relating to the added units and set forth all information required under subsection (1) of this section with respect to the added units.

(3) The declaration may contain any other matters the declarant considers appropriate, including any restrictions on the uses of a unit or the number or other qualifications of persons who may occupy units. [2024 c 321 s 305; 2019 c 238 s 206; 2018 c 277 s 206.]

RCW 64.90.230 Leasehold common interest communities. (1) Any lease the expiration or termination of which may terminate the common interest community or reduce its size, or a memorandum of the lease, must be recorded. Every lessor of these leases in a condominium, plat community, or miscellaneous community must sign the declaration. The declaration must state:

(a) The recording number of the lease or a statement of where the complete lease may be inspected;

(b) The date on which the lease is scheduled to expire;

(c) A legal description of the real estate subject to the lease;

(d) Any right of the unit owners to redeem the reversion and the manner in which those rights may be exercised, or a statement that they do not have those rights;

(e) Any right of the unit owners to remove any improvements within a reasonable or stated time after the expiration or termination of the lease, or a statement that they do not have those rights; and

(f) Any rights of the unit owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

(2) The declaration may provide for the collection by the association of the proportionate rents paid on the lease by the unit owners and may designate the association as the representative of the unit owners on all matters relating to the lease.

(3) After the declaration for a condominium, miscellaneous community, or plat community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit owner who makes timely payment of a unit owner's share of the rent and otherwise complies with all covenants that, if violated, would entitle the lessor to terminate the lease. A unit owner's leasehold interest in a condominium, miscellaneous community, or plat community is not affected by failure of any other person to pay rent or fulfill any other covenant.

(4) Acquisition of the leasehold interest of any unit owner by the owner of the reversion or remainder does not merge the leasehold and fee simple interests unless the leasehold interests of all unit owners subject to that reversion or remainder are acquired and the owner of the reversion or remainder records a document confirming the merger.

(5) If the expiration or termination of a lease decreases the number of units in a common interest community, the allocated interests must be reallocated in accordance with RCW 64.90.030(1) as though those units had been taken by condemnation. Reallocations must be confirmed by an amendment to the declaration and map prepared, executed, and recorded by the association. [2018 c 277 s 207.]

RCW 64.90.235 Allocated interests. (1) The declaration must allocate to each unit:

(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association and a portion of the votes in the association;

(b) In a cooperative, an ownership interest in the association, a fraction or percentage of the common expenses of the association, and a portion of the votes in the association; and

(c) In a plat community and miscellaneous community, a fraction or percentage of the common expenses of the association and a portion of the votes in the association.

(2) The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(3) If units may be added to or withdrawn from the common interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common interest community after the addition or withdrawal.

(4) (a) The declaration may provide:

(i) That different allocations of votes are made to the units on particular matters specified in the declaration;

(ii) For cumulative voting only for the purpose of electing board members; and

(iii) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

(b) A declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants under this chapter, and units do not constitute a class because they are owned by a declarant.

(5) Except for minor variations due to rounding, the sum of the common expense liabilities and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or one hundred percent if stated as a percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

(6) (a) In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

(b) In a cooperative, any purported conveyance, encumbrance, judicial sale, or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void. [2018 c 277 s 208.]

RCW 64.90.240 Limited common elements. (1) (a) Except for the limited common elements described in RCW 64.90.210 (1)(b) and (3), the declaration must specify to which unit or units each limited common element is allocated.

(b) An allocation of a limited common element may not be altered without the consent of the owners of the units from which and to which the limited common element is allocated.

(2) (a) Except in the case of a reallocation being made by a declarant pursuant to a development right reserved in the declaration, a limited common element may be reallocated between units only with the approval of the board and by an amendment to the declaration executed by the unit owners between or among whose units the reallocation is made.

(b) The board must approve the request of the unit owner or owners under this subsection (2) within 30 days, or within such other period provided by the declaration, unless the proposed reallocation does not comply with this chapter or the declaration. The failure of the board to act upon a request within such period is deemed an approval of the request. If approved, the unit owners must provide the proposed amendment to the association for review and approval before execution. The association may require revisions to ensure correctness, clarity, and compliance with this chapter or the declaration. Unless otherwise agreed by the unit owners and association, all costs of preparing, revising, executing, and recording the amendment shall be borne by the affected unit owners.

(c) The unit owners executing the amendment shall provide a copy of the amendment to the association, and the association shall record the amendment in accordance with the requirements of subsection (4) of this section.

(3) (a) A common element not previously allocated as a limited common element may be so allocated only by an amendment to the declaration. A unit owner may request the board to amend the

declaration to allocate all or part of a common element as a limited common element for the exclusive use of the owner's unit. The board may prescribe in the amendment a condition or obligation, including an obligation to maintain the new limited common element or pay a fee or charge to the association.

(b) If the board approves the amendment, the board shall give notice to all unit owners of its action and include a statement that unit owners may object in a record to the amendment not later than 30 days after delivery of the notice. The amendment becomes effective if the board does not receive a timely objection.

(c) If the board receives a timely objection, the amendment becomes effective only if the unit owners of units to which at least 67 percent of the votes are allocated, including at least 67 percent of the votes that are allocated to units not owned by the declarant, vote under RCW 64.90.455 to approve the amendment.

(d) If the amendment becomes effective, the association and the owner of the benefited unit shall execute the amendment.

(4) The association shall record the amendment as provided in RCW 64.90.285. If the amendment changes information shown in a map concerning a common element or limited common element other than a common wall between units, the association shall prepare and record a revised map. [2024 c 321 s 306; 2018 c 277 s 209.]

RCW 64.90.245 Maps—Exception—Amendments—Requirements—

Recording. (1) A map is required for all common interest communities. For purposes of this chapter, a map must be construed as part of the declaration.

(2) With the exception of subsections (1), (3), (4), and (14) of this section, this section does not apply to a plat as defined in RCW 58.17.020.

(3) The map for a common interest community must be executed by the declarant and recorded concurrently with, and contain cross-references by recording number to, the declaration.

(4) An amendment to a map for a common interest community must be executed by the same party or parties authorized or required to execute an amendment to the declaration, contain cross-references by recording number to the declaration and any amendments to the declaration, and be recorded concurrently with an amendment to the declaration. With respect to a plat community, (a) any amendment to the map must be prepared and recorded in compliance with the requirements, processes, and procedures in chapter 58.17 RCW and of the local subdivision ordinances of the city, town, or county in which the plat community is located, and (b) any amendment to the declaration must conform to the map as so approved and recorded.

(5) A map for a cooperative may be prepared by a licensed land surveyor, and may be incorporated into the declaration to satisfy subsection (3) of this section and RCW 64.90.225(1)(d). If the map for a cooperative is not prepared by a licensed land surveyor, the map need not contain the certification required in subsection (6)(a) of this section.

(6) The map for a common interest community must be clear and legible and must contain:

(a) If the map is a survey, a certification by a licensed land surveyor in substantially the following form:

SURVEYOR CERTIFICATE: This map correctly represents a survey made by me or under my direction in conformance with the requirements of the Survey Recording Act at the request of (name of party requesting the survey) on (date). I hereby certify that this map for (name of common interest community) is based upon an actual survey of the property herein described; that the bearings and distances are correctly shown; that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Surveyor's name, signature, license or certificate number, and acknowledgment)

(b) If the map is not a survey, a certification in substantially the following form:

DECLARANT CERTIFICATE: I hereby certify on behalf of (declarant) that this map for (name of common interest community) was made by me or under my direction in conformance with the requirements of RCW 64.90.245; that all information required by the Washington Uniform Common Interest Ownership Act is supplied herein; and that all horizontal and vertical boundaries of the units, (1) to the extent determined by the walls, floors, or ceilings thereof, or other physical monuments, are substantially completed in accordance with said map, or (2) to the extent such boundaries are not defined by physical monuments, such boundaries are shown on the map. (Declarant's name, signature, and acknowledgment)

(c) A declaration by the declarant in substantially the following form:

DECLARANT DECLARATION: The undersigned owner or owners of the interest in the real estate described herein hereby declare this map and dedicate the same for a common interest community named (name of common interest community), a (type of community), as that term is defined in the Washington Uniform Common Interest Ownership Act, solely to meet the requirements of the Washington Uniform Common Interest Ownership Act and not for any public purpose. This map and any portion thereof is restricted by law and the Declaration for (name of common interest community), recorded under (name of county in which the common interest community is located) County Recording No. (recording number). (Declarant's name, signature, and acknowledgment)

(7) Each map filed for a common interest community, and any amendments to the map, must be in the style, size, form, and quality as prescribed by the recording authority of the county where filed, and a copy must be delivered to the county assessor.

(8) Each map prepared for a common interest community in compliance with this chapter, and any amendments to the map, must show or state:

(a) The name of the common interest community and, immediately following the name of the community, a statement that the common interest community is a condominium, cooperative, or miscellaneous community as defined in this chapter. A local jurisdiction may also require that the name of a plat community on the survey, plat, or map

be followed by a statement that the common interest community is a plat community as defined in this chapter;

(b) A legal description of the land in the common interest community;

(c) As to a condominium, a survey of the land in the condominium, and as to a cooperative, a survey or a drawing of the land included in the entire cooperative that complies with the other requirements of this section;

(d) If the boundaries of land subject to the development right to withdraw are fixed in the declaration or an amendment to the declaration pursuant to RCW 64.90.225(1)(h)(i), and subject to the provisions of the declaration, an amendment to the map if not contained in the initial recorded map, the legal description and boundaries of that land, labeled "MAY BE WITHDRAWN FROM THE [COMMON INTEREST COMMUNITY];

(e) If the boundaries of land subject to the development right to add units that will result in the reallocation of allocated interests is fixed in the declaration or an amendment to the declaration pursuant to RCW 64.90.225(1)(h)(i), and subject to the provisions of the declaration, the legal description and boundaries of that land, labeled "SUBJECT TO DEVELOPMENT RIGHTS TO ADD UNITS THAT WILL RESULT IN A REALLOCATION OF ALLOCATED INTERESTS";

(f) The location and dimensions of all existing buildings containing or comprising units;

(g) The extent of any encroachments by or upon any portion of the common interest community;

(h) To the extent feasible, the location and dimensions of all recorded easements serving or burdening any portion of the common interest community and any unrecorded easements of which a surveyor or declarant knows or reasonably should have known;

(i) The location and dimensions of vertical unit boundaries;

(j) The location with reference to an established datum of horizontal unit boundaries, and that unit's identifying number. With respect to a cooperative, miscellaneous community, or condominium for which the horizontal boundaries are not defined by physical monuments, reference to an established datum is not required if the location of the horizontal boundaries of a unit is otherwise reasonably described or depicted;

(k) The legal description and the location and dimensions of any real estate in which the unit owners will own only an estate for years, labeled as "LEASEHOLD REAL ESTATE";

(l) The distance between any noncontiguous parcels of real estate comprising the common interest community;

(m) The general location of any existing principal common amenities listed in a public offering statement under RCW 64.90.610(1)(k);

(n) The general location of porches, decks, balconies, patios, storage facilities, moorage spaces, or parking spaces that are allocated as limited common elements, and any applicable identifying number or designation; and

(o) As to any survey, all other matters customarily shown on land surveys.

(9) The map for a common interest community may also show the anticipated approximate location and dimensions of any contemplated improvement to be constructed anywhere within the common interest community, and any contemplated improvement shown must be labeled either "MUST BE BUILT" or "NEED NOT BE BUILT."

(10) The map for a common interest community must identify any unit in which the declarant has reserved the right to create additional units or common elements under RCW 64.90.250(3).

(11) Unless the declaration provides otherwise, any horizontal boundary of part of a unit located outside a building has the same elevation as the horizontal boundary of the inside part and need not be depicted on the map.

(12) Upon exercising any development right, the declarant must record either new maps necessary to conform to the requirements of subsections (3), (4), (6), and (8) of this section, or new certifications of any map previously recorded if that map otherwise conforms to the requirements of subsections (3), (4), (6), and (8) of this section.

(13) Any survey and the surveyor certifications required under this section must be made by a licensed surveyor.

(14) As to a plat community, the information required under subsections (6)(a) and (c), (8)(d) through (g), (k), (m), and (n), (9), and (10) of this section is required, but may be shown on a map incorporated in or attached to the declaration, and need not be shown on the plat community map. Any such map is deemed a map for purposes of applying the provisions of this section, and the declarant must provide the certification required under subsection (6)(b) of this section.

(15) In showing or projecting the location and dimensions of the vertical boundaries of a unit located in a building, it is not necessary to show the thickness of the walls constituting the vertical boundaries or otherwise show the distance of those vertical boundaries either from the exterior surface of the building containing that unit or from adjacent vertical boundaries of other units if: (a) The walls are designated to be the vertical boundaries of that unit; (b) the unit is located within a building, the location and dimensions of the building having been shown on the map under subsection (8)(f) of this section; and (c) the graphic general location of the vertical boundaries are shown in relation to the exterior surfaces of that building and to the vertical boundaries of other units within that building. [2019 c 238 s 207; 2018 c 277 s 210.]

RCW 64.90.250 Development rights. (1) To exercise any development right reserved under RCW 64.90.225(1)(g), the declarant must prepare, execute, and record any amendments to the declaration and map in accordance with the requirements of RCW 64.90.245 and 64.90.285(3). The declarant is the unit owner of any units created. The amendment to the declaration must assign an identifying number to each new unit created and, except in the case of subdivision, combination, or conversion of units described in subsection (3) of this section, reallocate the allocated interests among all units. The amendment must describe any common elements and any limited common elements created and, in the case of limited common elements, designate the unit to which each is allocated to the extent required under RCW 64.90.240. The amendments are effective upon recording.

(2) Development rights may be reserved within any real estate added to the common interest community if the amendment to the declaration adding that real estate includes all matters required under RCW 64.90.225 and 64.90.230 and the amendment to the map includes all matters required under RCW 64.90.245. This subsection

does not extend the time limit on the exercise of development rights imposed by the declaration pursuant to RCW 64.90.225(1)(h).

(3) When a declarant exercises a development right to subdivide, combine, or convert a unit previously created into additional units or common elements, or both:

(a) If the declarant converts the unit entirely into common elements, the amendment to the declaration must reallocate all the allocated interests of that unit among the other units as if that unit had been taken by condemnation under RCW 64.90.030; or

(b) If the declarant subdivides the unit into two or more units, whether or not any part of the unit is converted into common elements, the amendment to the declaration must reallocate all the allocated interests of the unit among the units created by the subdivision in any reasonable manner prescribed by the declarant.

(4) If the declaration provides, pursuant to RCW 64.90.225(1)(h), that all or a portion of the real estate is subject to a right of withdrawal:

(a) If all the real estate is subject to withdrawal, and the declaration or map or amendment to the declaration or map does not describe separate portions of real estate subject to that right, none of the real estate may be withdrawn if a unit in that real estate has been conveyed to a purchaser; or

(b) If any portion of the real estate is subject to withdrawal as described in the declaration or map or amendment to the declaration or map, none of that portion of the real estate may be withdrawn if a unit in that portion has been conveyed to a purchaser.

(5) If the declarant combines two or more units into a lesser number of units, whether or not any part of a unit is converted into common elements or common elements are converted units, the amendment to the declaration must reallocate all of the allocated interests of the units being combined into the unit or units created by the combination in any reasonable manner prescribed by the declarant.

(6) A unit conveyed to a purchaser may not be withdrawn pursuant to subsection (4)(a) or (b) of this section without the consent of the unit owner of that unit and the holder of a security interest in the unit. [2023 c 337 s 6; 2018 c 277 s 211.]

RCW 64.90.255 Common elements and units—Alterations. Subject to the provisions of the governing documents and other provisions of law, a unit owner:

(1) May make any improvements or alterations to the unit owner's unit that do not impair the structural integrity or mechanical or electrical systems or lessen the support of any portion of the common interest community;

(2) May not change the appearance of the common elements without approval of the board;

(3) After acquiring an adjoining unit or an adjoining part of an adjoining unit, with approval of the board, may remove or alter any intervening partition or create apertures in the unit or adjoining unit, even if the partition in whole or in part is a common element. The removal of partitions or creation of apertures under this subsection is not an alteration of boundaries. The board must approve a unit owner's request, which must include the plans and specifications for the proposed removal or alteration, under this subsection (3) after receipt of all required information unless the

proposed alteration does not comply with this section or the governing documents; and

(4) May eliminate the title to a mobile home or manufactured home within the unit as permitted under chapter 65.20 RCW without the consent or joinder by the association, any other unit owner, or any party having a security interest in any other unit or the common elements. [2018 c 277 s 212.]

RCW 64.90.260 Unit boundaries—Relocation. (1) Subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, the boundaries between adjoining units may be relocated upon application to the board by the unit owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries and such other information as the board may require. If the unit owners of the adjoining units have specified a reallocation between their units of their allocated interests, the application must state the proposed reallocations. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.255, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (3) of this section.

(2) (a) The boundary of a unit may be relocated only by an amendment to the declaration. A unit owner may request the board to amend the declaration to include all or part of a common element within the unit owner's unit. The board may prescribe in the amendment a fee or charge payable by the unit owner to the association in connection with the relocation.

(b) The board may approve the amendment only if the unit owners of units to which at least 67 percent of the votes are allocated, including at least 67 percent of the votes that are allocated to units not owned by the declarant, vote under RCW 64.90.455 to approve the amendment.

(3) The association and the owners of the units whose boundaries are relocated must execute an amendment under this section. The amendment must contain words of conveyance between the parties. The association shall record the amendment as provided in RCW 64.90.285. The association:

(a) In a condominium, plat community, or miscellaneous community shall prepare and record an amendment to the map necessary to show the altered boundaries of affected units and their dimensions and identifying numbers; and

(b) In a cooperative shall prepare and record amendments to the declaration, including any amendment to the map necessary to show or describe the altered boundaries of affected units, and their dimensions and identifying numbers.

(4) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated. [2024 c 321 s 307; 2018 c 277 s 213.]

RCW 64.90.265 Subdivision and combination of units. (1) Unless prohibited in the declaration, subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, a unit may be subdivided into two or more units upon application to the association by the unit owner of the unit and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units among the units created by the subdivision, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.240 and 64.90.255, or other provisions of law, the board must approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.

(2) Unless prohibited in the declaration, subject to the provisions of the declaration, RCW 64.90.255, and other provisions of law, two or more units may be combined into a lesser number of units upon application to the association by the owners of those units and upon approval by the board pursuant to this section. The application must include plans showing the relocated boundaries, a reallocation of all the allocated interests of the units being combined among the units resulting from the combination, and such other information as the board may require. Unless the board determines, after receipt of all required information, that the reallocations are unreasonable or that the proposed boundary relocation does not comply with the declaration, RCW 64.90.240 and 64.90.255, or other provisions of law, the board shall approve the application and prepare any amendments to the declaration and map in accordance with the requirements of subsection (4) of this section.

(3) The association may require payment to the association of a one-time fee or charge or continuing fees or charges payable by the owners of the units whose boundaries are being relocated to include common elements.

(4) The association must prepare, execute, and record any amendments to the declaration and, in a condominium, cooperative, or miscellaneous community, the map, prepared in accordance with the requirements of RCW 64.90.245 and 64.90.285(3), subdividing or combining those units. The amendment to the declaration must be executed by the association and unit owner or owners of the units from which the subdivided or combined unit or units are derived, assign an identifying number to each resulting unit, and reallocate the allocated interests formerly allocated to the unit from which a combination was derived to the new unit or, if two or more units are derived from such combination, among the new units in any reasonable manner prescribed by such owners in the amendment or on any other basis the declaration requires. The amendments are effective upon recording.

(5) All costs, including reasonable attorneys' fees, incurred by the association for preparing and recording amendments to the declaration and map under this section must be assessed to the unit, the boundaries of which are being relocated.

(6) This section does not apply to the declarant's exercise of any development right to subdivide or combine a unit previously created. [2018 c 277 s 214.]

RCW 64.90.270 Monuments as boundaries. (1) Except as provided in subsection (2) of this section, if the construction, reconstruction, or alteration of a building or the vertical or lateral movement of a building results in an encroachment due to a divergence between the existing physical boundaries of a unit and the boundaries described in the declaration under RCW 64.90.225(1)(d), the existing physical boundaries of the unit are its legal boundaries, rather than the boundaries described in the declaration.

(2) Subsection (1) of this section does not apply if the encroachment:

(a) Extends beyond five feet, as measured from any point on the common boundary along a line perpendicular to the boundary; or

(b) Results from willful misconduct of the unit owner that claims a benefit under subsection (1) of this section.

(3) This section does not relieve a declarant or other person of liability for failure to adhere to the map or a representation in the public offering statement. [2024 c 321 s 308; 2018 c 277 s 215.]

RCW 64.90.275 Sales purposes. (1) A declarant may maintain sales offices, management offices, and models in units or on common elements in the common interest community only if the declaration so provides. In a cooperative or condominium, any sales office, management office, or model not designated a unit by the declaration is a common element.

(2) When a declarant no longer owns a unit or has the right to create a unit in the common interest community, the declarant ceases to have any rights under this section unless the unit is removed promptly from the common interest community in accordance with a right to remove reserved in the declaration.

(3) Subject to any limitations in the declaration, a declarant may maintain signs in or on units owned by the declarant or the common elements advertising the common interest community.

(4) This section is subject to the provisions of other state law and local ordinances. [2018 c 277 s 216.]

RCW 64.90.280 Easement and use. (1) Subject to the declaration, a declarant has an easement through the common elements as may be reasonably necessary for the purpose of discharging the declarant's obligations or exercising special declarant rights, whether arising under this chapter or reserved in the declaration.

(2) Subject to RCW 64.90.405(2)(f) and 64.90.465, the unit owners have an easement in the common elements for access to their units.

(3) Subject to the declaration and rules, the unit owners have a right to use the common elements that are not limited common elements for the purposes for which the common elements were intended. [2018 c 277 s 217.]

RCW 64.90.285 Amendment of declaration. (1)(a) Except in cases of amendments that may be executed by: A declarant under subsection (9) of this section, RCW 64.90.240(2), 64.90.245(12), 64.90.250, or 64.90.415(2)(d); the association under RCW 64.90.030, 64.90.230(5), 64.90.260, 64.90.265, or 64.90.511 or subsection (10) of this section; or certain unit owners under RCW 64.90.240(2) or (3), 64.90.265(2), or 64.90.290(2), and except as limited by subsections (4), (6), (7),

and (11) of this section, the declaration may be amended only by vote or agreement of unit owners of units to which at least 67 percent of the votes in the association are allocated, unless the declaration specifies a different percentage not to exceed 90 percent for all amendments or for specific subjects of amendment. For purposes of this section, "amendment" means any change to the declaration, including adding, removing, or modifying restrictions contained in a declaration.

(b) If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

(2) In the absence of fraud, any action to challenge the validity of an amendment adopted by the association may not be brought more than one year after the amendment is recorded.

(3) Every amendment to the declaration must be recorded in every county in which any portion of the common interest community is located and is effective only upon recordation. An amendment must be indexed in the grantee's index in the name of the common interest community and the association and in the grantor's index in the name of the parties executing the amendment.

(4) Except to the extent expressly permitted or required under this chapter, an amendment may not create or increase special declarant rights, increase the number of units, change the boundaries of any unit, or change the allocated interests of a unit without the consent of unit owners to which at least 90 percent of the votes in the association are allocated, including the consent of any unit owner of a unit, the boundaries of which or allocated interest of which is changed by the amendment.

(5) Amendments to the declaration required to be executed by the association must be executed by any authorized officer of the association who must certify in the amendment that it was properly adopted.

(6) The time limits specified in the declaration pursuant to RCW 64.90.225(1)(g) within which reserved development rights must be exercised may be extended, and additional development rights may be created, if persons entitled to cast at least 80 percent of the votes in the association, including 80 percent of the votes allocated to units not owned by the declarant, agree to that action. The agreement is effective 30 days after an amendment to the declaration reflecting the terms of the agreement is recorded unless all the persons holding the affected special declarant rights, or security interests in those rights, record a written objection within the 30-day period, in which case the amendment is void, or consent in writing at the time the amendment is recorded, in which case the amendment is effective when recorded.

(7) A provision in the declaration creating special declarant rights that have not expired may not be amended without the consent of the declarant.

(8) If any provision of this chapter or the declaration requires the consent of a holder of a security interest in a unit as a condition to the effectiveness of an amendment to the declaration, the consent is deemed granted if a refusal to consent in a record is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder at an address for notice provided by the holder or mails the notice to the holder by certified mail, return receipt requested, at that address. If the holder has not provided an address for notice to the association, the

association must provide notice to the address in the security interest of record.

(9) Upon 30-day advance notice to unit owners, the declarant may, without a vote of the unit owners or approval by the board, unilaterally adopt, execute, and record a corrective amendment or supplement to the governing documents to correct a mathematical mistake, an inconsistency, or a scrivener's error, or clarify an ambiguity in the governing documents with respect to an objectively verifiable fact including, without limitation, recalculating the undivided interest in the common elements, the liability for common expenses, or the number of votes in the unit owners association appertaining to a unit, within five years after the recordation or adoption of the governing document containing or creating the mistake, inconsistency, error, or ambiguity. Any such amendment or supplement may not materially reduce what the obligations of the declarant would have been if the mistake, inconsistency, error, or ambiguity had not occurred.

(10) Upon 30-day advance notice to unit owners, the association may, upon a vote of two-thirds of the members of the board, without a vote of the unit owners, adopt, execute, and record an amendment to the declaration for the following purposes:

(a) To correct or supplement the governing documents as provided in subsection (9) of this section;

(b) To remove language and otherwise amend as necessary to effect the removal of language that purports to impose limitations on the power of the association beyond the limit authorized in RCW 64.90.405(3)(a) to deal with the declarant that are more restrictive than the limitations imposed on the power of the association to deal with other persons; and

(c) To remove any other language and otherwise amend as necessary to effect the removal of language purporting to limit the rights of the association or its unit owners in direct conflict with this chapter.

(11) If the declaration requires that amendments to the declaration may be adopted only if the amendment is signed by a specified number or percentage of unit owners and if the common interest community contains more than 20 units, such requirement is deemed satisfied if the association obtains such signatures or the vote or agreement of unit owners holding such number or percentage.

(12)(a) If the declaration requires that amendments to the declaration may be adopted only by the vote or agreement of unit owners of units to which more than 67 percent of the votes in the association are allocated, and the percentage required is otherwise consistent with this chapter, the amendment is approved if:

(i) The approval of the percentage specified in the declaration is obtained;

(ii)(A) Unit owners of units to which at least 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) A unit owner does not vote against the proposed amendment; and

(C) Notice of the proposed amendment, including notice that the failure of a unit owner to object may result in the adoption of the amendment, is delivered to the unit owners holding the votes in the association that have not voted or agreed to the proposed amendment and no written objection to the proposed amendment is received by the association within 60 days after the association delivers notice; or

(iii) (A) Unit owners of units to which at least 67 percent of the votes in the association are allocated vote for or agree to the proposed amendment;

(B) At least one unit owner objects to the proposed amendment;
and

(C) Pursuant to an action brought by the association in the county in which the common interest community is situated against all objecting unit owners, the court finds, under the totality of circumstances including, but not limited to, the subject matter of the amendment, the purpose of the amendment, the percentage voting to approve the amendment, and the percentage objecting to the amendment, that the amendment is reasonable.

(b) If the declaration requires the affirmative vote or approval of any particular unit owner or class of unit owners as a condition of its effectiveness, the amendment is not valid without that vote or approval. [2024 c 321 s 309; 2019 c 238 s 208; 2018 c 277 s 218.]

RCW 64.90.290 Termination. (1) Except for a taking of all the units by condemnation, foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in RCW 64.90.325, a common interest community may be terminated only by agreement of unit owners of units to which at least 80 percent of the votes in the association are allocated, including at least 80 percent of the votes allocated to units not owned by the declarant, and with any other approvals required by the declaration. The declaration may require a larger percentage of total votes in the association for approval, but termination requires approval by at least 80 percent of the votes allocated to units not owned by the declarant. The declaration may specify smaller percentages only if all of the units are restricted exclusively to nonresidential uses.

(2) An agreement to terminate must be evidenced by the execution of a termination agreement, or ratifications of the agreement, in the same manner as a deed, by the requisite number of unit owners. The termination agreement must specify a date after which the agreement is void unless it is recorded before that date. A termination agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation. An agreement to terminate may only be amended by complying with the requirements of this subsection and subsection (1) of this section.

(3) A termination agreement may provide for the sale of some or all of the common elements and units of the common interest community following termination. If, pursuant to the agreement, any real estate in the common interest community is to be sold following termination, the termination agreement must set forth the minimum purchase price, manner of payment, and outside closing date, and may include any other terms of the sale.

(4) (a) The association, on behalf of the unit owners, may contract for the sale of real estate in a common interest community, but the contract is not binding on the unit owners until approved pursuant to subsections (1) and (2) of this section. If any real estate is to be sold following termination, title to that real estate not already owned by the association vests on termination in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate

to effect the sale. Until the sale has been concluded and the proceeds of the sale distributed, the association continues in existence with all powers it had before termination.

(b) Proceeds of the sale must be distributed to unit owners and lienholders as their interests may appear, in accordance with subsections (7), (8), (9), and (13) of this section. Unless otherwise specified in the termination agreement, as long as the association holds title to the real estate, each unit owner and the unit owner's successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit owner and the unit owner's successors in interest remain liable for all assessments and other obligations imposed on unit owners under this chapter or the declaration.

(5) Termination does not change title to a unit or common element not to be sold following termination unless the termination agreement otherwise provides.

(6) Following termination of the common interest community, the proceeds of a sale of real estate, together with the assets of the association, are held by the association as trustee for unit owners and holders of liens on the units as their interests may appear.

(7) (a) Following termination of a condominium, plat community, or miscellaneous community, creditors of the association holding liens on the units that were recorded or perfected under RCW 4.64.020 before termination may enforce those liens in the same manner as any lienholder.

(b) All other creditors of the association are to be treated as if they had perfected liens on the units immediately before termination.

(8) In a cooperative, the declaration may provide that all creditors of the association have priority over any interests of unit owners and creditors of unit owners. In that event, following termination, creditors of the association holding liens on the cooperative that were recorded or perfected under RCW 4.64.020 before termination may enforce their liens in the same manner as any lienholder, and any other creditor of the association is to be treated as if the creditor had perfected a lien against the cooperative immediately before termination. Unless the declaration provides that all creditors of the association have that priority:

(a) The lien of each creditor of the association that was perfected against the association before termination becomes, upon termination, a lien against each unit owner's interest in the unit as of the date the lien was perfected;

(b) Any other creditor of the association must be treated, upon termination, as if the creditor had perfected a lien against each unit owner's interest immediately before termination;

(c) The amount of the lien of an association's creditor described in (a) and (b) of this subsection against each of the unit owners' interest must be proportionate to the ratio that each unit's common expense liability bears to the common expense liability of all of the units;

(d) The lien of each creditor of each unit owner that was perfected before termination continues as a lien against that unit owner's unit as of the date the lien was perfected;

(e) The assets of the association must be distributed to all unit owners and all lienholders as their interests may appear in the order described in this subsection; and

(f) Creditors of the association are not entitled to payment from any unit owner in excess of the amount of the creditor's lien against that unit owner's interest.

(9) The respective interests of unit owners referred to in subsections (4), (5), (6), (7), (8), and (13) of this section are as follows:

(a) Except as otherwise provided in (d) of this subsection, the respective interests of unit owners are the fair market values of their units, allocated interests, and any limited common elements immediately before the termination, as determined by appraisal made by one or more independent appraisers selected by the association. The appraisal must be distributed to the unit owners and becomes final unless:

(i) Disapproved not later than 30 days after distribution by unit owners of units to which at least 25 percent of the votes in the association are allocated; or

(ii) A unit owner objects in a record not later than 30 days after distribution to the determination of value of the unit owner's unit.

(b) A unit owner that objects under (a)(ii) of this subsection may select an appraiser to represent the owner and make an appraisal of the unit owner's unit. If the association's appraisal and the unit owner's appraisal of the fair market value of the unit owner's interest differ, a panel consisting of an appraiser selected by the association, the unit owner's appraiser, and a third appraiser mutually selected by the first two appraisers shall determine, by majority vote, the value of the unit owner's interest. The determination of value by the panel is final.

(c) The proportion of any unit owner's interest to that of all unit owners is determined by dividing the fair market value of that unit owner's unit and its allocated interests by the total fair market values of all the units and their allocated interests.

(d) If any unit or any limited common element is destroyed to the extent that an appraisal of the fair market value of the unit or limited common element before destruction cannot be made, the interests of all unit owners are:

(i) In a condominium, their respective common element interests immediately before the termination;

(ii) In a cooperative, their respective ownership interests immediately before the termination; and

(iii) In a plat community or miscellaneous community, their respective common expense liabilities immediately before the termination.

(10) In a condominium, plat community, or miscellaneous community, except as otherwise provided in subsection (11) of this section, foreclosure or enforcement of a lien or encumbrance against the entire common interest community does not terminate the common interest community, and foreclosure or enforcement of a lien or encumbrance against a portion of the common interest community, other than withdrawable real estate, does not withdraw that portion from the common interest community. Foreclosure or enforcement of a lien or encumbrance against withdrawable real estate, or against common elements that have been subjected to a security interest by the association under RCW 64.90.465, does not withdraw that real estate from the common interest community, but the person taking title to the real estate may require from the association, upon request, an

amendment excluding the real estate from the common interest community.

(11) In a condominium, plat community, or miscellaneous community, if a lien or encumbrance against a portion of the real estate comprising the common interest community has priority over the declaration and the lien or encumbrance has not been partially released, the parties foreclosing the lien or encumbrance, upon foreclosure, may record an instrument excluding the real estate subject to that lien or encumbrance from the common interest community.

(12) The right of partition under chapter 7.52 RCW is suspended if an agreement to sell property is provided for in the termination agreement pursuant to subsection (3) of this section. The suspension of the right to partition continues unless a binding obligation to sell does not exist three months after the recording of the termination agreement, the binding sale agreement is terminated, or one year after the termination agreement is recorded, whichever occurs first.

(13) A termination agreement complying with this section may provide for termination of fewer than all of the units in a common interest community, subject to the following:

(a) In addition to the approval required by subsection (1) of this section, the termination agreement must be approved by at least 80 percent of the votes allocated to the units being terminated;

(b) The termination agreement must reallocate under RCW 64.90.235 the allocated interests for the units that remain in the common interest community after termination;

(c) The aggregate values of the units and common elements being terminated must be determined under subsection (9) of this section. The termination agreement must specify the allocation of the proceeds of sale for the units and common elements being terminated and sold;

(d) Security interests and liens on remaining units and remaining common elements continue, and security interests and liens on units being terminated no longer extend to any remaining common elements;

(e) The unit owners association continues as the association for the remaining units; and

(f) The association shall record with the termination agreement under subsection (2) of this section an amendment to the declaration or an amended and restated declaration, and, if necessary, an amendment to the map or an amended and restated map. [2024 c 321 s 310; 2018 c 277 s 219.]

RCW 64.90.295 Rights of secured lenders. (1) The declaration may require that all or a specified number or percentage of the lenders who hold security interests encumbering the units or who have extended credit to the association approve specified actions of the unit owners or the association as a condition to the effectiveness of those actions, but no requirement for approval may operate to:

(a) Deny or delegate control over the general administrative affairs of the association by the unit owners or the board;

(b) Prevent the association or the board from commencing, intervening in, or settling any litigation or proceeding; or

(c) Prevent any insurance trustee or the association from receiving and distributing any insurance proceeds except pursuant to RCW 64.90.470.

(2) With respect to any action requiring the consent of a specified number or percentage of mortgagees, the consent of only eligible mortgagees holding a first lien security interest need be obtained and the percentage must be based upon the votes attributable to units with respect to which eligible mortgagees have an interest.

(3) A lender who has extended credit to an association secured by an assignment of income or an encumbrance on the common elements may enforce its security agreement in accordance with its terms, subject to the requirements of this chapter and other law. A requirement that the association must deposit its periodic common charges before default with the lender to which the association's income has been assigned, or increase its common charges at the lender's direction by amounts reasonably necessary to amortize the loan in accordance with its terms, does not violate the prohibitions on lender approval contained in subsection (1) of this section. [2018 c 277 s 220.]

RCW 64.90.300 Master association. (1) A declaration may:

(a) Delegate a power under RCW 64.90.405(1) from the unit owners association to a master association;

(b) Provide for exercise of the powers under RCW 64.90.405(1) by a master association that also serves as the unit owners association for the common interest community; and

(c) Reserve a special declarant right to make the common interest community subject to a master association.

(2) All provisions of this chapter applicable to unit owners associations apply to the master association, except as modified by this section.

(3) A unit owners association may delegate a power under RCW 64.90.405(1) to a master association without amending the declaration. The board of the unit owners association shall give notice to the unit owners of a proposed delegation and include a statement that unit owners may object in a record to the delegation not later than 30 days after delivery of the notice. The delegation becomes effective if the board does not receive a timely objection from unit owners of units to which at least 10 percent of the votes in the association are allocated. If the board receives a timely objection by at least 10 percent of the votes, the delegation becomes effective only if the unit owners vote under RCW 64.90.455 to approve the delegation by a majority vote. The delegation is not effective until the master association accepts the delegation.

(4) A delegation under subsection (1)(a) of this section may be revoked only by an amendment to the declaration.

(5) At a meeting of the unit owners which lists in the notice of the meeting the subject of delegation of powers from the board to a master association, the unit owners may revoke the delegation by a majority of the votes cast at the meeting. The effect of revocation on the rights and obligations of parties under a contract between a unit owners association and a master association is determined by law of this state other than this chapter.

(6) Unless it is acting in the capacity of a unit owners association, a master association may exercise the powers set forth in RCW 64.90.405(1)(b) only to the extent expressly permitted in the declarations of common interest communities that are part of the master association or expressly described in the delegations of power from those common interest communities to the master association.

(7) After a unit owners association delegates a power to a master association, the unit owners association, its board members, and its officers are not liable for an act or omission of the master association with respect to the delegated power.

(8) The rights and responsibilities of unit owners with respect to the unit owners association set forth in RCW 64.90.410, 64.90.445, 64.90.450, 64.90.455, 64.90.465, and 64.90.505 apply in the conduct of the affairs of a master association only to persons who elect the board of a master association, whether or not those persons are otherwise unit owners within the meaning of this chapter.

(9) Not later than 90 days after termination of a period of declarant control of the master association, the board of the master association must be elected in one of the following ways:

(a) The unit owners of all common interest communities subject to the master association may elect all members of the master association's board; or

(b) The unit owners in, or the board of, each common interest community subject to the master association elect one or more members of the master association's board if the instruments governing the master association apportion the seats on the board to each common interest community in a manner roughly proportional to the number of units in each common interest community.

(10) A period of declarant control of the master association under subsection (9) of this section terminates not later than the earlier of:

(a) The termination under RCW 64.90.415 of all periods of declarant control of all common interest communities subject to the master association under RCW 64.90.415; or

(b) 60 days after conveyance to unit owners other than a declarant of 75 percent of the units that may be created in all common interest communities subject to the master association. [2024 c 321 s 203; 2018 c 277 s 221.]

RCW 64.90.305 Delegation of power to subassociations. (1)(a) If the declaration provides that any of the powers described in RCW 64.90.405 are to be exercised by or may be delegated to a for-profit corporation or limited liability company that exercises those or other powers on behalf of unit owners owning less than all of the units in a common interest community, and if those unit owners share the exclusive use of one or more limited common elements within the common interest community or share some property or other interest in the common interest community in common that is not shared by the remainder of the unit owners in the common interest community, all provisions of this chapter applicable to unit owners associations apply to any such corporation or limited liability company, except as modified under this section.

(b) The delegation of powers to a subassociation must not be used to discriminate in favor of units owned by the declarant or an affiliate of the declarant.

(2) A subassociation may exercise the powers set forth in RCW 64.90.405 only to the extent expressly permitted by the declaration of the common interest community of which the units in the subassociation are a part of or expressly described in the delegations of power from that common interest community to the subassociation.

(3) If the declaration of any common interest community contains a delegation of certain powers to a subassociation, or provides that

the board of the common interest community may make such a delegation, the board members are not liable for the acts or omissions of the subassociation with respect to those powers so exercised by the subassociation following delegation.

(4) The rights and responsibilities of unit owners with respect to the unit owners association set forth in RCW 64.90.400 through 64.90.500 apply to the conduct of the affairs of a subassociation.

(5) Notwithstanding RCW 64.90.415(4), the board of the subassociation must be elected after any period of declarant control by the unit owners of all of the units in the common interest community subject to the subassociation.

(6) The declaration of the common interest community creating the subassociation may provide that the authority of the board of the subassociation is exclusive with regard to the powers and responsibilities delegated to it. In the alternative, the declaration may provide as to some or all such powers that the authority of the board of a subassociation is concurrent with and subject to the authority of the board of the unit owners association, in which case the declaration must also contain standards and procedures for the review of the decisions of the board of the subassociation and procedures for resolving any dispute between the board of the unit owners association and the board of the subassociation. [2018 c 277 s 222.]

RCW 64.90.310 Merger or consolidation. (1) Any two or more common interest communities may be merged or consolidated under subsection (2) of this section into a single common interest community by agreement of the unit owners or exercise of a special declarant right. In the event of a merger or consolidation, unless the agreement otherwise provides, the resultant common interest community is the legal successor, for all purposes, of all of the preexisting common interest communities, and the operations and activities of all associations of the preexisting common interest communities are merged or consolidated into a single association that holds all powers, rights, obligations, assets, and liabilities of all preexisting associations.

(2) An agreement of two or more common interest communities to merge or consolidate pursuant to subsection (1) of this section must be evidenced by an agreement prepared, executed, recorded, and certified by the president of the association of each of the preexisting common interest communities following approval by unit owners of units to which are allocated the percentage of votes in each common interest community required to terminate that common interest community. If a special declarant right is exercised in a common interest community, approval by the unit owners is not required and the declarant may execute the agreement on behalf of the common interest community. The agreement must be recorded in every county in which a portion of the common interest community is located and is not effective until recorded.

(3) Every merger or consolidation agreement, and every amendment providing for a merger or consolidation made by a declarant when exercising a special declarant right, must identify the declaration that will apply to the resultant common interest community and provide for the reallocation of allocated interests among the units of the resultant common interest community either (a) by stating the reallocations or the formulas upon which they are based or (b) by

stating the percentage of overall allocated interests of the resultant common interest community that are allocated to all of the units comprising each of the preexisting common interest communities, and providing that the portion of the percentages allocated to each unit formerly comprising a part of the preexisting common interest community is equal to the percentages of allocated interests allocated to that unit by the declaration of the preexisting common interest community. [2024 c 321 s 204; 2018 c 277 s 223.]

RCW 64.90.315 Addition of unspecified real estate. In a plat community or miscellaneous community, if the right is originally reserved in the declaration, the declarant, in addition to any other development right, may amend the declaration at any time during as many years as are specified in the declaration for adding additional real estate to the plat community or miscellaneous community without describing the location of that real estate in the original declaration. The amount of real estate added to the plat community or miscellaneous community pursuant to this section may not exceed ten percent of the real estate described in RCW 64.90.225(1)(b) together with any real estate that is described in the declaration for addition to the plat community or miscellaneous community, and the declarant may not increase the number of units in the plat community or miscellaneous community beyond the number stated in the original declaration pursuant to RCW 64.90.225(1)(c). [2018 c 277 s 224.]

RCW 64.90.320 Large scale communities. (1) The declaration for a common interest community may state that it is a large scale community if the declarant has reserved the development right to create at least five hundred units that may be used for residential purposes and, at the time of the reservation, that declarant owns or controls more than five hundred acres on which the units may be built.

(2) If the requirements of subsection (1) of this section are satisfied, the declaration for the large scale community need not state a maximum number of units and need not contain any of the information required under RCW 64.90.225(1)(c) through (n) until the declaration is amended under subsection (3) of this section.

(3) When each unit in a large scale community is conveyed to a purchaser, the declaration must contain:

(a) A sufficient legal description of the unit and all portions of the large scale community in which any other units have been conveyed to a purchaser; and

(b) All the information required under RCW 64.90.225(1)(c) through (n) with respect to that real estate.

(4) The only real estate in a large scale community subject to this chapter are units that have been made subject to the declaration or that are being offered for sale and any other real estate described pursuant to subsection (3) of this section. Other real estate that is or may become part of the large scale community is only subject to other law and to any other restrictions and limitations that appear of record.

(5) If the public offering statement conspicuously identifies the fact that the community is a large scale community, the disclosure requirements contained in RCW 64.90.600 through 64.90.695 apply only to units that have been made subject to the declaration or are being offered for sale in connection with the public offering statement and

to any other real estate described pursuant to subsection (3) of this section.

(6) Limitations in this chapter on the addition of unspecified real estate do not apply to a large scale community.

(7) The period of declarant control of the association for a large scale community terminates in accordance with any conditions specified in the declaration or otherwise at the time the declarant, in a recorded instrument and after giving notice in a record to the board of the association, voluntarily surrenders all rights to control the activities of the association. [2018 c 277 s 225.]

RCW 64.90.325 Judicial termination. (1) If substantially all the units in a common interest community have been destroyed or abandoned or are uninhabitable and the available methods for giving notice under RCW 64.90.515 of a meeting of unit owners to consider termination under RCW 64.90.290 will not likely result in receipt of the notice, the board or any other interested person may commence an action seeking to terminate the common interest community in the superior court for any county in which a portion of the common interest community is located. If any portion of the common interest community is located in a county other than the county in which the action is commenced, the person commencing the action must record a copy of the judgment in the other county.

(2) During the pendency of the action, the court may issue whatever orders it considers appropriate, including appointment of a receiver. After a hearing, the court may terminate the common interest community or reduce its size and may issue any other order the court considers to be in the best interest of the unit owners and persons holding an interest in the common interest community. [2018 c 277 s 226.]

RCW 64.90.340 New interests minimum density. Declarations and governing documents of a common interest community within cities subject to the middle housing requirements in RCW 36.70A.635 that are created after July 23, 2023, may not actively or effectively prohibit the construction, development, or use of additional housing units as required in RCW 36.70A.635. [2023 c 332 s 13.]

Finding—2023 c 332: See note following RCW 36.70A.635.

RCW 64.90.350 New common interest communities—Accessory dwelling units. (1) Except declarations and governing documents of common interest communities created to protect public health and safety, and ground and surface waters from on-site wastewater, declarations and governing documents of common interest communities created after July 23, 2023, and applicable to a property located within an urban growth area may not impose any restriction or prohibition on the construction, development, or use on a lot of an accessory dwelling unit that the city or county in which the urban growth area is located would be prohibited from imposing under RCW 36.70A.681.

(2) For the purposes of this section, "urban growth area" has the same meaning as in RCW 36.70A.030.

(3) A city or county issuing a permit for the construction of an accessory dwelling unit may not be held civilly liable on the basis that the construction of the accessory dwelling unit would violate a restrictive covenant or deed restriction. [2023 c 334 s 12.]

Findings—Intent—2023 c 334: See note following RCW 36.70A.680.

RCW 64.90.360 Common interest communities. (1) Except as provided otherwise in this section, RCW 64.90.365 and 64.90.375, this chapter applies to all common interest communities.

(2) Before January 1, 2028, this chapter applies only to:

(a) A common interest community created on or after July 1, 2018; and

(b) A common interest community created before July 1, 2018, that amends its declaration to elect to be subject to this chapter.

(3) *Chapters 58.19, 64.32, 64.34, and 64.38 RCW:

(a) Do not apply to common interest communities subject to this chapter; and

(b) Apply to a common interest community created before July 1, 2018, only until the community becomes subject to this chapter.

(4) (a) Unless the declaration provides that this entire chapter is applicable, a plat community or miscellaneous community that is not subject to any development right is subject only to RCW 64.90.020, 64.90.025, and 64.90.030, if the community: (i) Contains no more than 12 units; and (ii) provides in its declaration that the annual average assessment of all units restricted to residential purposes, exclusive of optional user fees and any insurance premiums paid by the association, may not exceed \$300, as adjusted pursuant to RCW 64.90.065.

(b) The exemption provided in this subsection applies only if:

(i) The declarant reasonably believes in good faith that the maximum stated assessment will be sufficient to pay the expenses of the association for the community; and

(ii) The declaration provides that the assessment may not be increased above the limitation in (a)(ii) of this subsection prior to the transition meeting without the consent of unit owners, other than the declarant, holding 90 percent of the votes in the association.

(5) Before January 1, 2028, except as otherwise provided in **RCW 64.90.080, this chapter does not apply to any common interest community created within this state on or after July 1, 2018, if:

(a) That common interest community is made part of a common interest community created in this state prior to July 1, 2018, pursuant to a right expressly set forth in the declaration of the preexisting common interest community; and

(b) The declaration creating that common interest community expressly subjects that common interest community to the declaration of the preexisting common interest community pursuant to such right described in (a) of this subsection. [2024 c 321 s 506; 2019 c 238 s 203; 2018 c 277 s 116. Formerly RCW 64.90.075.]

Reviser's note: *(1) Chapters 58.19, 64.32, 64.34, and 64.38 RCW were repealed by 2024 c 321, effective January 1, 2028.

** (2) RCW 64.90.080 was recodified as RCW 64.90.365 pursuant to 2024 c 321 s 510.

RCW 64.90.365 Common interest communities—Exceptions. (1)

Except for a plat community or miscellaneous community described in RCW 64.90.360(4) and a nonresidential or mixed-use common interest community described in RCW 64.90.100, the following sections apply to a common interest community created before July 1, 2018, and any inconsistent provisions of *chapter 58.19, 64.32, 64.34, or 64.38 RCW do not apply:

- (a) RCW 64.90.370;
- (b) RCW 64.90.405(1) (b) and (c);
- (c) RCW 64.90.525;
- (d) RCW 64.90.545; and
- (e) RCW 64.90.010, to the extent necessary to construe this subsection.

(2) Except to the extent provided in this subsection, the sections listed in subsection (1) of this section apply only to events and circumstances occurring on or after July 1, 2018, and do not invalidate existing provisions of the governing documents of those common interest communities existing on July 1, 2018. To protect the public interest, RCW **64.90.095 and 64.90.525 supersede existing provisions of the governing documents of all plat communities and miscellaneous communities previously subject to *chapter 64.38 RCW.

(3) This section does not apply to a common interest community that becomes subject to this chapter under RCW 64.90.360(1) or by election under RCW 64.90.360(4), 64.90.370(1)(b), or 64.90.100. [2024 c 321 s 508; 2019 c 238 s 204; 2018 c 277 s 117. Formerly RCW 64.90.080.]

Reviser's note: *(1) Chapters 58.19, 64.32, 64.34, and 64.38 RCW were repealed by 2024 c 321, effective January 1, 2028.

** (2) RCW 64.90.095 was recodified as RCW 64.90.370 pursuant to 2024 c 321 s 510.

RCW 64.90.370 Election of preexisting common interest communities, plat communities, miscellaneous communities. (1) The declaration of any common interest community created before July 1, 2018, or of a plat community or miscellaneous community described in RCW 64.90.360(4) may be amended to:

- (a) Provide that all the sections listed in RCW 64.90.365(1) apply to the common interest community; or
- (b) Provide that this chapter will apply to the common interest community, regardless of what applicable law provided before chapter 277, Laws of 2018 was adopted.

(2) Except as provided otherwise in subsection (3) of this section or in RCW 64.90.285 (8), (9), or (10), an amendment under this section to the governing documents of a common interest community created before July 1, 2018, must be adopted in conformity with any procedures and requirements for amending the instruments specified by those instruments and in conformity with the amendment procedures of this chapter. If the governing documents do not contain provisions authorizing amendment, the amendment procedures of this chapter apply. If an amendment grants to a person a right, power, or privilege permitted under this chapter, any correlative obligation, liability, or restriction in this chapter also applies to the person.

(3) Notwithstanding any provision in the governing documents of a common interest community that govern the procedures and requirements

for amending the governing documents, an amendment under subsection (1) of this section may be made as follows:

(a) The board shall propose such amendment to the owners if the board deems it appropriate or if owners holding 20 percent or more of the votes in the association request such an amendment in writing to the board;

(b) Upon satisfaction of the foregoing requirements, the board shall prepare a proposed amendment and shall provide the owners with a notice in a record containing the proposed amendment and at least 30 days' advance notice of a meeting to discuss the proposed amendment;

(c) Following such meeting, the board shall provide the owners with a notice in a record containing the proposed amendment and a ballot to approve or reject the amendment;

(d) The amendment shall be deemed approved if owners holding at least 30 percent of the votes in the association participate in the voting process, and at least 67 percent of the votes cast by participating owners are in favor of the proposed amendment. [2024 c 321 s 509; 2018 c 277 s 120. Formerly RCW 64.90.095.]

RCW 64.90.375 Governing documents—Inconsistency. (1) Except as provided in subsection (2) of this section, if a common interest community created before July 1, 2018, becomes subject to this chapter on January 1, 2028, or earlier, a provision of its governing documents inconsistent with this chapter is invalid unless:

(a) The provision is expressly permitted under RCW 64.90.509; or

(b) The common interest community is a plat community or miscellaneous community described in RCW 64.90.360(4), or a nonresidential or mixed-use common interest community described in RCW 64.90.100.

(2) This chapter does not require a common interest community validly created before July 1, 2018, to:

(a) Comply with the requirements of this chapter for creation of a common interest community; or

(b) Prepare or amend the map.

(3) This chapter does not invalidate an action validly taken or transaction validly entered into before a common interest community becomes subject to this chapter. [2024 c 321 s 507.]

(x) Suspend any right or privilege of a unit owner who fails to pay an assessment which suspension may be imposed for a reasonable amount of time not to exceed one business day after the association receives full payment of the delinquent assessment and the board has received confirmation of payment and cleared funds, but may not:

(ii) Suspend a unit owner's right to vote; or

(iii) Withhold services provided to a unit or a unit owner by the association if the effect of withholding the service would be to endanger the health, safety, or property of any person.

(3) The declaration may not limit the power of the association beyond the limit authorized in subsection (2)(w) of this section to:

(a) Deal with the declarant if the limit is more restrictive than the limit imposed on the power of the association to deal with other persons; or

(b) Institute litigation or an arbitration, mediation, or administrative proceeding against any person, subject to the following:

(i) The association must comply with chapter 64.50 RCW, if applicable, before instituting any proceeding described in chapter 64.50 RCW in connection with construction defects; and

(ii) The board must promptly provide notice to the unit owners of any legal proceeding in which the association is a party other than proceedings involving enforcement of rules or to recover unpaid assessments or other sums due the association.

(4) Any borrowing by an association that is to be secured by an assignment of the association's right to receive future income pursuant to subsection (2)(e) and (p) of this section requires ratification by the unit owners as provided in this subsection.

(a) The board must provide notice of the intent to borrow to all unit owners. The notice must include the purpose and maximum amount of the loan, the estimated amount and term of any assessments required to repay the loan, a reasonably detailed projection of how the money will be expended, and the interest rate and term of the loan.

(b) In the notice, the board must set a date for a meeting of the unit owners, which must not be less than 14 and no more than 50 days after mailing of the notice, to consider ratification of the borrowing.

(c) Unless at that meeting, whether or not a quorum is present, unit owners holding a majority of the votes in the association or any larger percentage specified in the declaration reject the proposal to borrow funds, the association may proceed to borrow the funds in substantial accordance with the terms contained in the notice.

(5) If a tenant of a unit owner violates the governing documents, in addition to exercising any of its powers against the unit owner, the association may:

(a) Exercise directly against the tenant the powers described in subsection (2)(1) of this section;

(b) After giving notice to the tenant and the unit owner and an opportunity to be heard, levy reasonable fines against the tenant and unit owner for the violation; and

(c) Enforce any other rights against the tenant for the violation that the unit owner as the landlord could lawfully have exercised under the lease or that the association could lawfully have exercised directly against the unit owner, or both; but the association does not have the right to terminate a lease or evict a tenant unless permitted by the declaration. The rights referred to in this subsection (5)(c) may be exercised only if the tenant or unit owner fails to cure the violation within 10 days after the association notifies the tenant and unit owner of that violation.

(6) Unless a lease otherwise provides, this section does not:

(a) Affect rights that the unit owner has to enforce the lease or that the association has under other law; or

(b) Permit the association to enforce a lease to which it is not a party in the absence of a violation of the governing documents.

(7) The board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commencing an action for a violation of the governing documents, including whether to compromise any claim for unpaid assessments or other claim made by or against it.

(8) The board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction, or rule being enforced is, or is likely to be construed as, inconsistent with law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

(9) The board's decision under subsections (7) and (8) of this section to not pursue enforcement under one set of circumstances does not prevent the board from taking enforcement action under another set of circumstances, but the board may not be arbitrary or capricious in taking enforcement action. [2024 c 321 s 311; 2019 c 238 s 209; 2018 c 277 s 302.]

RCW 64.90.410 Board members, officers, and committees. (1) (a) Except as provided otherwise in the governing documents, subsection (4) of this section, or other provisions of this chapter, the board may act on behalf of the association.

(b) In the performance of their duties, officers and board members must exercise the degree of care and loyalty to the association required of an officer or director of a corporation organized, are subject to the conflict of interest rules governing directors and officers, and are entitled to the immunities from liability available to officers and directors under chapter 24.06 RCW. The standards of care and loyalty, and conflict of interest rules and immunities described in this section apply regardless of the form in which the association is organized.

(2) (a) Except as provided otherwise in RCW 64.90.300(9), effective as of the transition meeting held in accordance with RCW 64.90.415(4), the board must be comprised of at least three members, at least a majority of whom must be unit owners. However, the number of board members need not exceed the number of units then in the common interest community.

(b) Unless the declaration or organizational documents provide for the election of officers by the unit owners, the board must elect the officers.

(c) Unless provided otherwise in the declaration or organizational documents, board members and officers must take office upon adjournment of the meeting at which they were elected or appointed or, if not elected or appointed at a meeting, at the time of such election or appointment, and must serve until their successor takes office.

(d) In determining the qualifications of any officer or board member of the association, "unit owner" includes, unless the declaration or organizational documents provide otherwise, any board member, officer, member, partner, or trustee of any person, who is, either alone or in conjunction with another person or persons, a unit owner.

(e) Any officer or board member of the association who would not be eligible to serve as such if he or she were not a board member, officer, partner in, or trustee of such a person is disqualified from continuing in office if he or she ceases to have any such affiliation with that person or that person would have been disqualified from continuing in such office as a natural person.

(3) Except when voting as a unit owner, the declarant may not appoint or elect any person or to serve itself as a voting, ex officio or nonvoting board member following the transition meeting.

(4) The board may not, without vote or agreement of the unit owners:

- (a) Amend the declaration, except as provided in RCW 64.90.285;
- (b) Amend the organizational documents of the association;
- (c) Terminate the common interest community;
- (d) Elect members of the board, but may fill vacancies in its membership not resulting from removal for the unexpired portion of any term or, if earlier, until the next regularly scheduled election of board members; or
- (e) Determine the qualifications, powers, duties, or terms of office of board members.

(5) The board must adopt budgets as provided in RCW 64.90.525.

(6) Except for committees appointed by the declarant pursuant to special declarant rights, all committees of the association must be appointed by the board. Committees authorized to exercise any power reserved to the board must include at least two board members who have exclusive voting power for that committee. Committees that are not so composed may not exercise the authority of the board and are advisory only.

(7) A declaration may provide for the appointment of specified positions on the board by persons other than the declarant or an affiliate of the declarant during or after the period of declarant control. It also may provide a method for filling vacancies in those positions, other than by election by the unit owners. However, after the period of declarant control, appointed members:

- (a) May not comprise more than one-third of the board; and
- (b) Have no greater authority than any other board member. [2024 c 321 s 312; 2019 c 238 s 101; 2018 c 277 s 303.]

RCW 64.90.415 Period of declarant control—Transition. (1)(a)

Subject to subsection (3) of this section, the declaration may provide for a period of declarant control of the association, during which period a declarant, or persons designated by the declarant, may:

- (i) Appoint and remove the officers and board members; or
- (ii) Veto or approve a proposed action of the board or association.

(b) A declarant may voluntarily surrender the right to appoint and remove officers and board members before the period ends. In that event, the declarant may require that during the remainder of the period, specified actions of the association or board, as described in a recorded amendment to the declaration executed by the declarant, be approved by the declarant before they become effective. A declarant's failure to veto or approve such proposed action in writing within thirty days after receipt of written notice of the proposed action is deemed approval by the declarant.

(2) Regardless of the period provided in the declaration, and except as provided in RCW 64.90.320(7), a period of declarant control terminates no later than the earliest of:

- (a) Sixty days after conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant;
- (b) Two years after the last conveyance of a unit, except to a dealer;

(c) Two years after any right to add new units was last exercised; or

(d) The day the declarant, after giving notice in a record to unit owners, records an amendment to the declaration voluntarily surrendering all rights to appoint and remove officers and board members.

(3) Not later than sixty days after conveyance of twenty-five percent of the units that may be created to unit owners other than a declarant, at least one member and not less than twenty-five percent of the members of the board must be elected by unit owners other than the declarant. Not later than sixty days after conveyance of fifty percent of the units that may be created to unit owners other than a declarant, not less than thirty-three and one-third percent of the members of the board must be elected by unit owners other than the declarant. Until such members are elected and take office, the existing board may continue to act on behalf of the association.

(4) Within thirty days after the termination of any period of declarant control or, in the absence of such period, not later than a date that is sixty days after the conveyance of seventy-five percent of the units that may be created to unit owners other than a declarant, the board must schedule a transition meeting and provide notice to the unit owners in accordance with RCW 64.90.445(1)(c). At the transition meeting, the board elected by the unit owners must be elected in accordance with RCW 64.90.410(2). [2018 c 277 s 304.]

RCW 64.90.420 Transfer of association property. (1) No later than 30 days following the date of the transition meeting held pursuant to RCW 64.90.415(4), the declarant must deliver or cause to be delivered to the board elected at the transition meeting all property of the unit owners and association as required by the declaration or this chapter including, but not limited to:

(a) The original or a copy of the recorded declaration and each amendment to the declaration;

(b) The organizational documents of the association;

(c) The minute books, including all minutes, and other books and records of the association;

(d) Current rules and regulations that have been adopted;

(e) Resignations of officers and members of the board who are required to resign because the declarant is required to relinquish control of the association;

(f) The financial records, including canceled checks, bank statements, and financial statements of the association, and source documents from the time of formation of the association through the date of transfer of control to the unit owners;

(g) Association funds or the control of the funds of the association;

(h) Originals or copies of any recorded instruments of conveyance for any common elements included within the common interest community but not appurtenant to the units;

(i) All tangible personal property of the association;

(j) Except for alterations to a unit done by a unit owner other than the declarant, a copy of the most recent plans and specifications used in the construction or remodeling of the common interest community, except for buildings containing fewer than three units;

(k) Originals or copies of insurance policies for the common interest community and association;

(l) Originals or copies of any certificates of occupancy that may have been issued for the common interest community;

(m) Originals or copies of any other permits obtained by or on behalf of the declarant and issued by governmental bodies applicable to the common interest community;

(n) Originals or copies of all written warranties that are still in effect for the common elements, or any other areas or facilities that the association has the responsibility to maintain and repair, from the contractor, subcontractors, suppliers, and manufacturers and all owners' manuals or instructions furnished to the declarant with respect to installed equipment or building systems;

(o) A roster of unit owners and eligible mortgagees and their addresses and telephone numbers, if known, as shown on the declarant's records and the date of closing of the first sale of each unit sold by the declarant;

(p) Originals or copies of any leases of the common elements and other leases to which the association is a party;

(q) Originals or photocopies of any employment contracts or service contracts in which the association is one of the contracting parties or service contracts in which the association or the unit owners have an obligation or a responsibility, directly or indirectly, to pay some or all of the fee or charge of the person performing the service;

(r) Originals or copies of any qualified warranty issued to the association as provided for in RCW 64.35.505;

(s) Originals or copies of all other contracts to which the association is a party; and

(t) Originals or copies of the most recent reserve study prepared pursuant to RCW 64.90.545, if one exists.

(2) Within 60 days of the transition meeting, the board must retain the services of a certified public accountant to audit the records of the association as the date of the transition meeting in accordance with generally accepted auditing standards unless the unit owners, other than the declarant, to which a majority of the votes are allocated elect to waive the audit. The cost of the audit must be a common expense unless otherwise provided in the declaration. The accountant performing the audit must examine supporting documents and records, including the cash disbursements and related paid invoices, to determine if expenditures were for association purposes and the billings, cash receipts, and related records to determine if the declarant was charged for and paid the proper amount of assessments. [2024 c 321 s 314; 2018 c 277 s 305.]

RCW 64.90.425 Transfer of special declarant rights. (1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Involuntary transfer" means a transfer by foreclosure of a mortgage, deed in lieu of foreclosure, tax sale, judicial sale, or sale in a bankruptcy or receivership proceeding of real estate owned by a declarant.

(b) "Nonaffiliate successor" means a person that succeeds to a special declarant right and is not an affiliate of the declarant that transferred the special declarant right to the person.

(2) A special declarant right is an interest in real estate. The interest is appurtenant to:

(a) All units owned by the declarant; and

(b) Real estate that is subject to a development right.

(3) A declarant that no longer owns a unit or a development right ceases to have any special declarant rights.

(4) A declarant may voluntarily transfer part or all of a special declarant right only by an instrument that describes the special declarant right being transferred. The transfer becomes effective when recorded in every county in which any portion of the common interest community is located.

(5) Except as otherwise provided in subsection (8), (9), (11), or (12) of this section, a successor to a special declarant right is subject to all obligations and liabilities imposed on the transferor by this chapter or the declaration.

(6) If a declarant transfers a special declarant right to an affiliate of the declarant, the transferor and the successor are jointly and severally liable for all obligations and liabilities imposed on either person by this chapter or the declaration. Lack of privity does not deprive a unit owner of standing to maintain an action to enforce any obligation or liability of the transferor or successor.

(7) A declarant that transfers a special declarant right to a nonaffiliate successor:

(a) Remains liable for an obligation or liability imposed by this chapter or the declaration, including a warranty obligation, that arose before the transfer; and

(b) Is not liable for an obligation or liability imposed on the successor by this chapter or the declaration that arose after the transfer.

(8) A nonaffiliate successor that succeeds to fewer than all special declarant rights held by the transferor is not subject to an obligation or liability that relates to a special declarant right not transferred to the successor.

(9) A nonaffiliate successor is not liable for an obligation or liability imposed by this chapter or the declaration that relates to:

(a) A misrepresentation by a previous declarant;

(b) A warranty obligation on an improvement made by a previous declarant or before the common interest community was created;

(c) Breach of a fiduciary obligation by a previous declarant or the previous declarant's appointees to the board; or

(d) An obligation or liability imposed on the transferor as a result of the transferor's act or omission after the transfer.

(10) If an involuntary transfer includes a special declarant right, the transferee may elect to acquire or reject the special declarant right. A transferee that elects to acquire the special declarant right is a successor declarant. The election is effective only if the judgment or instrument conveying title describes the special declarant right. If the judgment or instrument does not describe the special declarant right, the transferee will be presumed to have elected to accept the special declarant right.

(11) A successor to a special declarant right by an involuntary transfer may declare in a recorded instrument the successor's intent to hold the right solely for transfer to another person. After recording the instrument, the successor may not exercise a special declarant right, other than a right under RCW 64.90.415(1)(a) to control the board, and an attempt to exercise a special declarant right in violation of this subsection is void. A successor that complies with this subsection is not liable for an obligation or liability imposed by this chapter or the declaration other than

liability for the successor's act or omission under RCW 64.90.415(1)(a).

(12) This section does not subject a successor to a special declarant right to a claim against or obligation of a transferor, other than a claim or obligation imposed by this chapter or the declaration. [2024 c 321 s 315; 2018 c 277 s 306.]

RCW 64.90.430 Contracts and leases—Termination. (1) Within two years after the transition meeting, the association may terminate without penalty, upon not less than ninety days' notice to the other party, any of the following if it was entered into before the board was elected:

(a) Any management, maintenance, operations, or employment contract, or lease of recreational or parking areas or facilities; or

(b) Any other contract or lease between the association and a declarant or an affiliate of a declarant.

(2) The association may terminate without penalty, at any time after the board elected by the unit owners pursuant to RCW 64.90.415(4) takes office upon not less than ninety days' notice to the other party, any contract or lease that is not bona fide or was unconscionable to the unit owners at the time entered into.

(3) This section does not apply to:

(a) Any lease the termination of which would terminate the common interest community or reduce its size, unless the real estate subject to that lease was included in the common interest community for the purpose of avoiding the right of the association to terminate a lease under this section; or

(b) A proprietary lease. [2018 c 277 s 307.]

RCW 64.90.435 Organizational documents. (1) Unless provided for in the declaration, the organizational documents of the association must:

(a) Provide the number of board members and the titles of the officers of the association;

(b) Provide for election by the board or, if the declaration requires, by the unit owners of a president, treasurer, secretary, and any other officers of the association the organizational documents specify;

(c) Specify the qualifications, powers and duties, terms of office, and manner of electing and removing board members and officers and filling vacancies in accordance with RCW 64.90.410;

(d) Specify the powers the board or officers may delegate to other persons or to a managing agent;

(e) Specify a method for the unit owners to amend the organizational documents;

(f) Describe the budget ratification process required under RCW 64.90.525, if not provided in the declaration;

(g) Contain any provision necessary to satisfy requirements in this chapter or the declaration concerning meetings, voting, quorums, and other activities of the association; and

(h) Provide for any matter required by law of this state other than this chapter to appear in the organizational documents of organizations of the same type as the association.

(2) Subject to the declaration and this chapter, the organizational documents may provide for any other necessary or appropriate matters. [2018 c 277 s 308.]

RCW 64.90.440 Maintenance, repair, replacement—Liability of unit owner—Inspection.

(1) Except to the extent provided by the declaration, subsections (2) and (4) of this section, or RCW 64.90.470(8), the association must maintain, repair, and replace the common elements, including limited common elements, and each unit owner must maintain, repair, and replace that owner's unit.

(2) The board may by rule designate physical components of the property for which a unit owner is otherwise responsible that present a heightened risk of damage or harm to persons or property if the physical components fail. The association may require that specific measures be taken by the unit owner or the association to diminish that risk of harm. If a unit owner fails to accomplish any necessary maintenance, repair, or replacement to those components, or fails to take any other measures required of the unit owner under this subsection, the association may, after notice to a unit owner and an opportunity to be heard, enter the unit in the manner pursuant to subsection (3) of this section to perform such maintenance, repair, replacement, or measure at the expense of that unit owner.

(3) Upon prior notice, except in case of an emergency, each unit owner must afford to the association and the other unit owners, and to their agents or employees, access through that owner's unit and limited common elements reasonably necessary for the purposes stated in subsections (1) and (2) of this section, including necessary inspections by the association. If damage is inflicted on the common elements or on any unit through which access is taken, the unit owner responsible for the damage, or the association if it is responsible, is liable for the prompt repair of the damage.

(4) In addition to the liability that a declarant as a unit owner has under this chapter, the declarant alone is liable for all expenses in connection with real estate subject to development rights and no other unit owner and no other portion of the common interest community is subject to a claim for payment of those expenses. However, the declaration may provide that the expenses associated with the operation, maintenance, repair, and replacement of a common element that the owners have a right to use must be paid by the association as a common expense. Unless the declaration provides otherwise, any income or proceeds from real estate subject to development rights inures to the declarant.

(5) In a plat community or miscellaneous community, if all development rights have expired with respect to any real estate, the declarant remains liable for all expenses of that real estate unless, upon expiration, the declaration provides that the real estate becomes common elements or units. [2018 c 277 s 309.]

RCW 64.90.445 Meetings. (1) The following requirements apply to unit owner meetings:

(a) A meeting of the association must be held at least once each year. Failure to hold an annual meeting does not cause a forfeiture or give cause for dissolution of the association and does not affect otherwise valid association acts.

(b) (i) An association must hold a special meeting of unit owners to address any matter affecting the common interest community or the association if its president, a majority of the board, or unit owners having at least 20 percent, or any lower percentage specified in the organizational documents, of the votes in the association request that the secretary call the meeting.

(ii) If the association does not provide notice to unit owners of a special meeting within 30 days after the requisite number or percentage of unit owners request the secretary to do so, the requesting members may directly provide notice to all the unit owners of the meeting. The unit owners may discuss at a special meeting a matter not described in the notice under (c) of this subsection but may not take action on the matter without the consent of all unit owners.

(c) An association must provide notice to unit owners of the time, date, and place of each annual and special unit owners meeting not less than 14 days and not more than 50 days before the meeting date. Notice may be by any means described in RCW 64.90.515. The notice of any meeting must state the time, date, and place of the meeting and the items on the agenda, including:

(i) The text of any proposed amendment to the declaration or organizational documents;

(ii) Any changes in the previously approved budget that result in a change in the assessment obligations; and

(iii) Any proposal to remove a board member or officer.

(d) Unit owners must be given a reasonable opportunity at any meeting to comment regarding any matter affecting the common interest community or the association.

(e) A meeting of unit owners is not required to be held at a physical location if:

(i) The meeting is conducted by a means of communication that enables owners in different locations to communicate in real time to the same extent as if they were physically present in the same location, provided that such means of communication must have an option for owners to communicate by telephone; and

(ii) The declaration or organizational documents do not require that the owners meet at a physical location.

(f) In the notice for a meeting held at a physical location, the board may notify all unit owners that they may participate remotely in the meeting by a means of communication described in (e) of this subsection.

(2) The following requirements apply to meetings of the board and committees authorized to act for the board:

(a) Meetings must be open to the unit owners except during executive sessions, but the board may expel or prohibit attendance by any person who, after warning by the chair of the meeting, disrupts the meeting. The board and those committees may hold an executive session only during a regular or special meeting of the board or a committee. A final vote or action may not be taken during an executive session.

(b) An executive session may be held only to:

(i) Consult with the association's attorney concerning legal matters;

(ii) Discuss existing or potential litigation or mediation, arbitration, or administrative proceedings;

(iii) Discuss labor or personnel matters;

(iv) Discuss contracts, leases, and other commercial transactions to purchase or provide goods or services currently being negotiated, including the review of bids or proposals, if premature general knowledge of those matters would place the association at a disadvantage; or

(v) Prevent public knowledge of the matter to be discussed if the board or committee determines that public knowledge would violate the privacy of any person.

(c) For purposes of this subsection, a gathering of members of the board or committees at which the board or committee members do not conduct association business is not a meeting of the board or committee. Board members and committee members may not use incidental or social gatherings to evade the open meeting requirements of this subsection.

(d) During the period of declarant control, the board must meet at least four times a year. At least one of those meetings must be held at the common interest community or at a place convenient to the community. After the transition meeting, all board meetings must be at the common interest community or at a place convenient to the common interest community unless the unit owners amend the bylaws to vary the location of those meetings.

(e) At each board meeting, the board must provide a reasonable opportunity for unit owners to comment regarding matters affecting the common interest community and the association.

(f) Unless the meeting is included in a schedule given to the unit owners, the secretary or other officer specified in the organizational documents must provide notice of each board meeting to each board member and to the unit owners. The notice must be given at least 14 days before the meeting and must state the time, date, place, and agenda of the meeting.

(g) If any materials are distributed to the board before the meeting, the board must make copies of those materials reasonably available to the unit owners, except that the board need not make available copies of unapproved minutes or materials that are to be considered in executive session.

(h) Unless the organizational documents provide otherwise, fewer than all board members may participate in a regular or special meeting by or conduct a meeting through the use of any means of communication by which all board members participating can hear each other during the meeting. A board member participating in a meeting by these means is deemed to be present in person at the meeting.

(i) Unless the organizational documents provide otherwise, the board may meet by participation of all board members by telephonic, video, or other conferencing process if:

(i) The meeting notice states the conferencing process to be used and provides information explaining how unit owners may participate in the conference directly or by meeting at a central location or conference connection; and

(ii) The process provides all unit owners the opportunity to hear or perceive the discussion and to comment as provided in (e) of this subsection.

(j) After the transition meeting, unit owners may amend the organizational documents to vary the procedures for meetings described in (i) of this subsection.

(k) Prior to the transition meeting, without a meeting, the board may act by unanimous consent as documented in a record by all its members. Actions taken by unanimous consent must be kept as a record

of the association with the meeting minutes. After the transition meeting, the board may act by unanimous consent only to undertake ministerial actions, actions subject to ratification by the unit owners, or to implement actions previously taken at a meeting of the board.

(1) A board member who is present at a board meeting at which any action is taken is presumed to have assented to the action taken unless the board member's dissent or abstention to such action is lodged with the person acting as the secretary of the meeting before adjournment of the meeting or provided in a record to the secretary of the association immediately after adjournment of the meeting. The right to dissent or abstain does not apply to a board member who voted in favor of such action at the meeting.

(m) A board member may not vote by proxy or absentee ballot.

(n) Even if an action by the board is not in compliance with this section, it is valid unless set aside by a court. An action seeking relief for failure of the board to comply with this section may not be brought more than 90 days after the minutes of the board of the meeting at which the action was taken are approved or the record of that action is distributed to unit owners, whichever is later.

(3) Minutes of all unit owner meetings and board meetings, excluding executive sessions, must be maintained in a record. The decision on each matter voted upon at a board meeting or unit owner meeting must be recorded in the minutes. [2024 c 321 s 316; 2021 c 227 s 13; 2019 c 238 s 210; 2018 c 277 s 310.]

RCW 64.90.450 Quorum. (1) Unless the organizational documents provide otherwise, a quorum is present throughout any meeting of the unit owners if at the beginning of the meeting persons entitled to cast 20 percent of the votes in the association attend in person, by proxy, by means of communication under RCW 64.90.445(1) (e) or (f), or have voted by absentee ballot.

(2) Unless the organizational documents specify a larger number, a quorum of the board is present for purposes of determining the validity of any action taken at a meeting of the board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the board members present is the act of the board unless a greater vote is required by the organizational documents. [2024 c 321 s 206; 2018 c 277 s 311.]

RCW 64.90.455 Unit owner voting. (1) Unit owners may vote at a meeting under subsection (2) or (3) of this section or, when a vote is conducted without a meeting, by ballot in the manner provided in subsection (4) of this section.

(2) At a meeting of unit owners the following requirements apply:

(a) Unless the declaration or bylaws otherwise provide, and except as provided in subsection (9) of this section, unit owners or their proxy holders may vote by voice vote, show of hands, standing, written ballot, or any other method authorized at the meeting.

(b) If unit owners attend the meeting by a means of communication under RCW 64.90.445(1) (e) or (f), the association shall implement reasonable measures to verify the identity of each unit owner attending remotely.

(c) Whenever proposals or board members are to be voted upon at a meeting, a unit owner may vote by duly executed absentee ballot if:

(i) The name of each candidate and the text of each proposal to be voted upon are set forth in a writing accompanying or contained in the notice of meeting; and

(ii) A ballot is provided by the association for such purpose.

(d) When a unit owner votes by absentee ballot under (c) of this subsection, the association must be able to verify that the ballot is cast by the unit owner having the right to do so.

(3) Unless the declaration or organizational documents otherwise provide, unit owners may vote by proxy subject to the following requirements:

(a) Votes allocated to a unit may be cast pursuant to a directed or undirected proxy duly executed by a unit owner in the same manner as provided in RCW 24.06.110.

(b) When a unit owner votes by proxy, the association shall implement reasonable measures to verify the identity of the unit owner and the proxy holder.

(c) A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the secretary or the person presiding over a meeting of the association or by delivery of a subsequent proxy. The death or disability of a unit owner does not revoke a proxy given by the unit owner unless the person presiding over the meeting has actual notice of the death or disability.

(d) A proxy is void if it is not dated or purports to be revocable without notice.

(e) Unless stated otherwise in the proxy, a proxy terminates 11 months after its date of issuance.

(4) Unless the declaration or organizational documents otherwise provide, an association may conduct a vote without a meeting. The following requirements apply:

(a) The association must notify the unit owners that the vote will be taken by ballot without a meeting.

(b) The notice under (a) of this subsection must state:

(i) The time and date by which a ballot must be delivered to the association to be counted, which may not be fewer than 14 days after the date of the notice, and which deadline may be extended in accordance with (g) of this subsection;

(ii) The percent of votes necessary to approve each matter other than election of board members; and

(iii) The time, date, and manner by which unit owners wishing to deliver information to all unit owners regarding the subject of the vote may do so.

(c) The association must deliver with the notice under (a) of this subsection:

(i) Instructions for casting a ballot;

(ii) A ballot in a tangible medium to every unit owner except a unit owner that has consented in a record to electronic voting; and

(iii) If the association allows electronic voting, instructions for electronic voting.

(d) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

(e) A unit owner may revoke a ballot cast pursuant to this section before the date and time under (b) of this subsection by which the ballot must be delivered to the association only by actual notice to the association of revocation. The death or disability of a unit owner does not revoke a ballot unless the association has actual

notice of the death or disability prior to the date set forth in (b) (i) of this subsection.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

(g) If the association does not receive a sufficient number of votes to constitute a quorum or to approve the proposal by the date and time established for return of ballots, the board may extend the deadline for a reasonable period not to exceed 11 months upon further notice to all members in accordance with (b) of this subsection. In that event, all votes previously cast on the proposal must be counted unless subsequently revoked as provided in this section.

(h) A ballot or revocation is not effective until received by the association.

(i) The association must give notice to unit owners of any action taken pursuant to this subsection within a reasonable time after the action is taken.

(j) When an action is taken pursuant to this subsection, a record of the action, including the ballots or a report of the persons appointed to tabulate such ballots, must be kept with the minutes of meetings of the association.

(k) The association shall implement reasonable measures to verify that each ballot in a tangible medium and electronic ballot is cast by the unit owner having a right to do so.

(l) A unit owner consents to electronic voting by delivering to the association a record indicating such consent or by casting an electronic ballot.

(m) An association that allows electronic ballots shall create a record of electronic votes capable of retention, retrieval, and review.

(5) If the governing documents require that votes on specified matters affecting the common interest community be cast by lessees rather than unit owners of leased units:

(a) This section applies to lessees as if they were unit owners;

(b) Unit owners that have leased their units to other persons may not cast votes on those specified matters; and

(c) Lessees are entitled to notice of meetings, access to records, and other rights respecting those matters as if they were unit owners.

(6) Unit owners must also be given notice of all meetings at which lessees may be entitled to vote.

(7) In any vote of the unit owners, votes allocated to a unit owned by the association must be cast in the same proportion as the votes cast on the matter by unit owners other than the association.

(8) (a) Unless a different number or fraction of the votes in an association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of a vote taken at a meeting or without a meeting.

(b) If a unit is owned by more than one person and:

(i) Only one owner casts a vote, that vote must be counted as casting all votes allocated to the unit by the declaration; and

(ii) More than one owner casts a vote for the unit, no vote from any owner of the unit may be counted unless the declaration provides a manner for allocating votes cast by multiple owners of a unit.

(9) Notwithstanding any other law or provision of the governing documents, the following votes of unit owners shall be conducted by secret ballot: (a) Election of board members; (b) removal of board

members or officers; (c) amendments to the declaration or governing documents; or (d) unit owner approval of an amendment to the declaration for the reallocation of a common element as a limited common element for the exclusive use of an owner's unit pursuant to RCW 64.90.240. [2024 c 321 s 317; 2018 c 277 s 312.]

RCW 64.90.460 Liability—Tolling. (1) A unit owner is not liable, solely by reason of being a unit owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit owner except the declarant is liable for that declarant's torts in connection with any part of the common interest community which that declarant must maintain.

(2) (a) An action alleging a wrong done by the association, including an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit owner.

(b) If the wrong occurred during any period of declarant control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit owner for (i) all tort losses not covered by insurance suffered by the association or that unit owner and (ii) all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission by the association.

(c) If a declarant is liable to an association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorneys' fees and costs, incurred by the association.

(3) (a) Except as provided in RCW 64.90.680 with respect to warranty claims, any statute of limitation affecting the association's right of action against a declarant under this chapter is tolled until any period of declarant control terminates.

(b) A unit owner is not precluded from maintaining an action contemplated under this section because that person is a unit owner, board member, or officer of the association. Liens resulting from judgments against the association are governed under RCW 64.90.490. [2018 c 277 s 313.]

RCW 64.90.465 Conveyance or encumbrance of common elements.

(1) (a) In a common interest community other than a cooperative, portions of the common elements may be conveyed or subjected to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to that action; but all unit owners of units to which any limited common element is allocated must agree to convey that limited common element or subject it to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association, but the proceeds of the sale of limited common elements must be distributed equitably among the unit owners of units to which the limited common elements were allocated. This subsection (1) does

not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to RCW 64.90.260, to subdividing or combining units pursuant to RCW 64.90.265, or to eminent domain proceedings pursuant to RCW 64.90.030.

(2) (a) Part of a cooperative may be conveyed and all or part of a cooperative may be subjected to a security interest by the association if unit owners entitled to cast at least eighty percent of the votes in the association, including eighty percent of the votes allocated to units not owned by a declarant, or any larger percentage the declaration specifies, agree to that action; but, if fewer than all of the units or limited common elements are to be conveyed or subjected to a security interest, all unit owners of those units, or the units to which those limited common elements are allocated, must agree to convey those units or limited common elements or subject them to a security interest. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

(b) Proceeds of the sale or a loan are an asset of the association. Any purported conveyance or other voluntary transfer of an entire cooperative, unless made pursuant to RCW 64.90.290, is void. This subsection (2) does not apply to the incorporation of common elements into units as a result of relocating unit boundaries pursuant to RCW 64.90.260, to subdividing or combining units pursuant to RCW 64.90.265, or to eminent domain proceedings pursuant to RCW 64.90.030.

(3) An agreement to convey common elements in a common interest community other than a cooperative, or to subject them to a security interest, or in a cooperative, an agreement to convey any part of a cooperative or subject it to a security interest, must be evidenced by the execution of an agreement, or ratifications of an agreement, in the same manner as a deed, by the requisite number of unit owners. The agreement must specify a date after which the agreement will be void unless recorded before that date. The agreement and all ratifications of the agreement must be recorded in every county in which a portion of the common interest community is situated and is effective only upon recordation.

(4) The association, on behalf of the unit owners, may contract to convey or dedicate an interest in a common interest community pursuant to subsection (1) of this section, but the contract is not enforceable against the association until approved pursuant to subsection (1), (2), or (3) of this section. Thereafter, the association has all powers necessary and appropriate to effect the conveyance or encumbrance, including the power to execute deeds or other instruments.

(5) Unless made pursuant to this section, any purported conveyance, encumbrance, judicial sale, or other voluntary transfer of common elements or of any other part of a cooperative is void.

(6) A conveyance or encumbrance of common elements or of a cooperative pursuant to this section does not deprive any unit of its rights of access and support.

(7) Unless the declaration requires a higher percentage, if the consent of eligible mortgagees holding security interests on at least eighty percent of the units subject to security interests held by eligible mortgagees on the day the unit owners' agreement under subsection (3) of this section is recorded, is obtained:

(a) A conveyance of common elements pursuant to this section terminates both the undivided interests in those common elements allocated to the units and the security interests in those undivided

interests held by all persons holding security interests in the units; and

(b) An encumbrance of common elements pursuant to this section has priority over all preexisting encumbrances on the undivided interests in those common elements held by all persons holding security interests in the units.

(8) The consents of eligible mortgagees, or a certificate of the secretary affirming that the requisite percentage of eligible mortgagees have consented, may be recorded at any time before the date on which the agreement under subsection (3) of this section becomes void. Such consents or certificates recorded are valid from the date they are recorded for purposes of calculating the percentage of consenting eligible mortgagees, regardless of later conveyance or encumbrances on those units. If the required percentage of eligible mortgagees consent, a conveyance or encumbrance of common elements does not affect interests having priority over the declaration or created by the association after the declaration was recorded.

(9) In a cooperative, the association may acquire, hold, encumber, or convey a proprietary lease without complying with this section. [2018 c 277 s 314.]

RCW 64.90.470 Insurance. (1) Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association must maintain in its own name, to the extent reasonably available and subject to reasonable deductibles:

(a) Property insurance on the common elements and, in a plat community or miscellaneous community, also on property that must become common elements, insuring against risks of direct physical loss commonly insured against, which insurance, after application of any deductibles, must be not less than eighty percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations, and other items normally excluded from property policies;

(b) Commercial general liability insurance, including medical payments insurance, in an amount determined by the board, but not less than any amount specified in the declaration, covering all occurrences commonly insured against for bodily injury and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, of all units;

(c) Fidelity insurance; and

(d) Other insurance required under the declaration.

(2) In the case of a building that contains units divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under subsection (1)(a) of this section, to the extent reasonably available, must include the units and, unless provided otherwise in the declaration, all improvements and betterments to the units.

(3) If the insurance described in subsections (1) and (2) of this section is not reasonably available, the association must promptly cause notice of that fact to be given to all unit owners. The association may carry any other insurance it considers appropriate to protect the association or the unit owners.

(4) Insurance policies carried pursuant to subsections (1) and (2) of this section must provide that:

(a) Each unit owner is an insured person under the policy with respect to liability arising out of the unit owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit owner or member of the unit owner's household;

(c) Any act or omission by a unit owner, unless acting within the unit owner's scope of authority on behalf of the association, does not void the policy and is not a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit owner covering the same risk covered by the policy, the association's policy provides primary insurance.

(5) Any loss covered by the property insurance policy under subsection (1)(a) and (b) of this section must be adjusted with the association, but the insurance proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association must hold any insurance proceeds in trust for the association, unit owners, and lienholders as their interests may appear. Subject to subsection (8) of this section, the proceeds must be disbursed first for the repair or replacement of the damaged property, and the association, unit owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or replaced, or the common interest community is terminated.

(6) An insurance policy issued to the association does not prevent a unit owner from obtaining insurance for the unit owner's own benefit.

(7) An insurer that has issued an insurance policy under this section must issue certificates or memoranda of insurance to the association and, upon a request made in a record, to any unit owner or holder of a security interest. The insurer issuing the policy may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy unless the insurer has complied with all applicable provisions of chapter 48.18 RCW pertaining to the cancellation or nonrenewal of contracts of insurance. The insurer may not modify the amount or the extent of the coverage of the policy or cancel or refuse to renew the policy without complying with this section.

(8) Any portion of the common interest community for which insurance is required under this section that is damaged or destroyed must be repaired or replaced promptly by the association unless:

(a) The common interest community is terminated, in which case RCW 64.90.290 applies;

(b) Repair or replacement would be illegal; or

(c) Eighty percent of the unit owners, including every unit owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

(9) The cost of repair or replacement not paid from insurance proceeds is a common expense. If all of the damaged or destroyed portions of the common interest community are not repaired or replaced:

(a) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common interest community; and

(b) Except to the extent that other persons will be distributees:

(i) The insurance proceeds attributable to units and limited common elements that are not repaired or replaced must be distributed to the unit owners of those units and the unit owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and

(ii) The remainder of the proceeds must be distributed to all the unit owners or lienholders, as their interests may appear, as follows:

(A) In a condominium, in proportion to the common element interests of all the units; and

(B) In a cooperative, plat community, or miscellaneous community, in proportion to the common expense liabilities of all the units.

(10) If the unit owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under RCW 64.90.030, and the association promptly must prepare, execute, and record an amendment to the declaration reflecting the reallocations.

(11) The provisions of this section may be varied or waived as provided in the declaration if all units of a common interest community are restricted to nonresidential use. [2018 c 277 s 315.]

RCW 64.90.475 Accounts and records—Reconciliation. (1) The association must establish and maintain its accounts and records in a manner that will enable it to credit assessments for common expenses and specially allocated expenses, including allocations to reserves, and other income to the association, and to charge expenditures, to the account of the appropriate units in accordance with the provisions of the declaration.

(2) To assure that the unit owners are correctly assessed for the actual expenses of the association, the accounts of the association must be reconciled at least annually unless the board determines that a reconciliation would not result in a material savings to any unit owner. Unless provided otherwise in the declaration, any surplus funds of the association remaining after the payment of or provision for common expenses and any prepayment of reserves must be paid annually to the unit owners in proportion to their common expense liabilities or credited to them to reduce their future common expense assessments. [2018 c 277 s 316.]

RCW 64.90.480 Assessments and capital contributions. (1) (a) Assessments for common expenses and those specially allocated expenses that are subject to inclusion in a budget must be made at least annually based on a budget adopted at least annually by the association in the manner provided in RCW 64.90.525.

(b) Assessments for common expenses and specially allocated expenses must commence on all units that have been created upon the conveyance of the first unit in the common interest community; however, the declarant may delay commencement of assessments for some or all common expenses or specially allocated expenses, in which event the declarant must pay all of the common expenses or specially allocated expenses that have been delayed. In a common interest community in which units may be added pursuant to reserved development rights, the declarant may delay commencement of assessments for such units in the same manner.

(2) The declaration may provide that, upon closing of the first conveyance of each unit to a purchaser or first occupancy of a unit, whichever occurs first, the association may assess and collect a working capital contribution for such unit. The working capital contribution may be collected prior to the commencement of common assessments under subsection (1) of this section. A working capital contribution may not be used to defray expenses that are the obligation of the declarant.

(3) Except as provided otherwise in this section, all common expenses must be assessed against all the units in accordance with their common expense liabilities, subject to the right of the declarant to delay commencement of certain common expenses under subsections (1) and (2) of this section. Any past due assessment or installment of past due assessment bears interest at the rate established by the association pursuant to RCW 64.90.485.

(4) The declaration may provide that any of the following expenses of the association must be assessed against the units on some basis other than common expense liability. If and to the extent the declaration so provides, the association must assess:

(a) Expenses associated with the operation, maintenance, repair, or replacement of any specified limited common element against the units to which that limited common element is assigned, equally or in any other proportion that the declaration provides;

(b) Expenses specified in the declaration as benefiting fewer than all of the units or their unit owners exclusively against the units benefited in proportion to their common expense liability or in any other proportion that the declaration provides, but if the common expense is for the maintenance, repair, or replacement of a common element other than a limited common element, the expense may be assessed exclusively against them only if the declaration reasonably identifies the common expense by specific listing or category;

(c) The costs of insurance in proportion to risk; and

(d) The costs of one or more specified services or utilities in proportion to respective usage, whether metered, billed in bulk based on unit count, or reasonably estimated, or upon the same basis as such utility charges are made by the utility provider.

(5) Assessments to pay a judgment against the association may be made only against the units in the common interest community at the time the judgment was entered, in proportion to their common expense liabilities.

(6) The association may assess exclusively against a unit owner's unit common expenses, including expenses relating to damage to or loss of property, caused by the:

(a) Willful misconduct or gross negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant;

(b) Failure of the unit owner to comply with a maintenance standard prescribed by the declaration or a rule, if the standard contains a statement that an owner may be liable for damage or loss caused by failure to comply with the standard; or

(c) Negligence of the unit owner or the unit owner's tenant, guest, invitee, or occupant, if the declaration contains a statement that an owner may be liable for damage or loss caused by such negligence.

(7) Before an association makes an assessment under subsection (6) of this section, the association must give notice to the unit owner and provide an opportunity for a hearing. The assessment is limited to the expense the association incurred under subsection (6)

of this section less any insured proceeds received by the association, whether the difference results from the application of a deductible or otherwise.

(8) In the event of a loss or damage to a unit that would be covered by the association's property insurance policy, excluding policies for earthquake, flood, or similar losses that have higher than standard deductibles, but that is within the deductible under that policy and if the declaration so provides, the association may assess the amount of the loss up to the deductible against that unit. This subsection does not prevent a unit owner from asserting a claim against another person for the amount assessed if that other person would be liable for the damages under general legal principles.

(9) If common expense liabilities are reallocated, assessments and any installment of assessments not yet due must be recalculated in accordance with the reallocated common expense liabilities. [2024 c 321 s 207; 2018 c 277 s 317.]

RCW 64.90.485 Liens—Enforcement—Notice of delinquency—Second notice. (Effective until January 1, 2025.) (1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3) (a) A lien under this section also has priority over the security interests described in subsection (2) (b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2) (b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a) (iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3) (a) (ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a) (i) of this subsection, whichever is less;

(iii) The amounts described in (a) (ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid

assessment became due and only if the association has given that holder not less than 60 days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a)(i) of this subsection will result in the priority of the amounts described in (a)(ii) of this subsection; and

(iv) Upon payment of the amounts described in (a)(i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3)(a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and

any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person

signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The

prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS. THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING YOUR HOME.

(b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (22)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(22) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the

association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the owner pursuant to subsection (21)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed;

(c) At least 180 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(23) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable. [2024 c 321 s 318; 2023 c 214 s 7; 2021 c 222 s 1; 2019 c 238 s 211; 2018 c 277 s 318.]

RCW 64.90.485 Liens—Enforcement—Notice of delinquency—Second notice. (Effective January 1, 2025.) (1) The association has a statutory lien on each unit for any unpaid assessment against the unit from the time such assessment is due.

(2) A lien under this section has priority over all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances that the association creates, assumes, or takes subject to;

(b) Except as otherwise provided in subsection (3) of this section, a security interest on the unit recorded before the date on which the unpaid assessment became due or, in a cooperative, a

security interest encumbering only the unit owner's interest and perfected before the date on which the unpaid assessment became due; and

(c) Liens for real estate taxes and other state or local governmental assessments or charges against the unit or cooperative.

(3) (a) A lien under this section also has priority over the security interests described in subsection (2) (b) of this section to the extent of an amount equal to the following:

(i) The common expense assessments, excluding any amounts for capital improvements, based on the periodic budget adopted by the association pursuant to RCW 64.90.480(1), along with any specially allocated assessments that are properly assessable against the unit under such periodic budget, which would have become due in the absence of acceleration during the six months immediately preceding the institution of proceedings to foreclose either the association's lien or a security interest described in subsection (2) (b) of this section;

(ii) The association's actual costs and reasonable attorneys' fees incurred in foreclosing its lien but incurred after the giving of the notice described in (a) (iii) of this subsection; provided, however, that the costs and reasonable attorneys' fees that will have priority under this subsection (3) (a) (ii) shall not exceed \$2,000 or an amount equal to the amounts described in (a) (i) of this subsection, whichever is less;

(iii) The amounts described in (a) (ii) of this subsection shall be prior only to the security interest of the holder of a security interest on the unit recorded before the date on which the unpaid assessment became due and only if the association has given that holder not less than 60 days' prior written notice that the owner of the unit is in default in payment of an assessment. The notice shall contain:

(A) Name of the borrower;

(B) Recording date of the trust deed or mortgage;

(C) Recording information;

(D) Name of condominium, unit owner, and unit designation stated in the declaration or applicable supplemental declaration;

(E) Amount of unpaid assessment; and

(F) A statement that failure to, within 60 days of the written notice, submit the association payment of six months of assessments as described in (a) (i) of this subsection will result in the priority of the amounts described in (a) (ii) of this subsection; and

(iv) Upon payment of the amounts described in (a) (i) and (ii) of this subsection by the holder of a security interest, the association's lien described in this subsection (3) (a) shall thereafter be fully subordinated to the lien of such holder's security interest on the unit.

(b) For the purposes of this subsection:

(i) "Institution of proceedings" means either:

(A) The date of recording of a notice of trustee's sale by a deed of trust beneficiary;

(B) The date of commencement, pursuant to applicable court rules, of an action for judicial foreclosure either by the association or by the holder of a recorded security interest; or

(C) The date of recording of a notice of intention to forfeit in a real estate contract forfeiture proceeding by the vendor under a real estate contract.

(ii) "Capital improvements" does not include making, in the ordinary course of management, repairs to common elements or

replacements of the common elements with substantially similar items, subject to: (A) Availability of materials and products, (B) prevailing law, or (C) sound engineering and construction standards then prevailing.

(c) The adoption of a periodic budget that purports to allocate to a unit any fines, late charges, interest, attorneys' fees and costs incurred for services unrelated to the foreclosure of the association's lien, other collection charges, or specially allocated assessments assessed under RCW 64.90.480 (6) or (7) does not cause any such items to be included in the priority amount affecting such unit.

(4) Subsections (2) and (3) of this section do not affect the priority of mechanics' or material suppliers' liens to the extent that law of this state other than chapter 277, Laws of 2018 gives priority to such liens, or the priority of liens for other assessments made by the association.

(5) A lien under this section is not subject to chapter 6.13 RCW.

(6) If the association forecloses its lien under this section nonjudicially pursuant to chapter 61.24 RCW, as provided under subsection (13) of this section, the association is not entitled to the lien priority provided for under subsection (3) of this section, and is subject to the limitations on deficiency judgments as provided in chapter 61.24 RCW.

(7) Unless the declaration provides otherwise, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority as to each other, and any foreclosure of one such lien shall not affect the lien of the other.

(8) Recording of the declaration constitutes record notice and perfection of the statutory lien created under this section. Further notice or recordation of any claim of lien for assessment under this section is not required, but is not prohibited.

(9) A lien for unpaid assessments and the personal liability for payment of those assessments are extinguished unless proceedings to enforce the lien or collect the debt are instituted within six years after the full amount of the assessments sought to be recovered becomes due.

(10) This section does not prohibit actions against unit owners to recover sums for which subsection (1) of this section creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

(11) The association upon written request must furnish to a unit owner or a mortgagee a statement signed by an officer or authorized agent of the association setting forth the amount of unpaid assessments or the priority amount against that unit, or both. The statement must be furnished within 15 days after receipt of the request and is binding on the association, the board, and every unit owner unless, and to the extent, known by the recipient to be false. The liability of a recipient who reasonably relies upon the statement must not exceed the amount set forth in any statement furnished pursuant to this section or RCW 64.90.640(1)(b).

(12) In a cooperative, upon nonpayment of an assessment on a unit, the unit owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and the lien may be foreclosed as provided under this section.

(13) The association's lien may be foreclosed in accordance with (a) and (b) of this subsection.

(a) In a common interest community other than a cooperative, the association's lien may be foreclosed judicially in accordance with chapter 61.12 RCW, subject to any rights of redemption under chapter 6.23 RCW.

(b) The lien may be enforced nonjudicially in the manner set forth in chapter 61.24 RCW for nonjudicial foreclosure of deeds of trust if the declaration: Contains a grant of the common interest community in trust to a trustee qualified under RCW 61.24.010 to secure the obligations of the unit owners to the association for the payment of assessments, contains a power of sale, provides in its terms that the units are not used principally for agricultural purposes, and provides that the power of sale is operative in the case of a default in the obligation to pay assessments. The association or its authorized representative may purchase the unit at the foreclosure sale and acquire, hold, lease, mortgage, or convey the unit. Upon an express waiver in the complaint of any right to a deficiency judgment in a judicial foreclosure action, the period of redemption is eight months.

(c) In a cooperative in which the unit owners' interests in the units are real estate, the association's lien must be foreclosed in like manner as a mortgage on real estate or by power of sale under (b) of this subsection.

(d) In a cooperative in which the unit owners' interests in the units are personal property, the association's lien must be foreclosed in like manner as a security interest under chapter 62A.9A RCW.

(e) No member of the association's board, or their immediate family members or affiliates, are eligible to bid for or purchase, directly or indirectly, any interest in a unit at a foreclosure of the association's lien. For the purposes of this subsection, "immediate family member" includes spouses, domestic partners, children, siblings, parents, parents-in-law, and stepfamily members; and "affiliate" of a board member includes any person controlled by the board member, including any entity in which the board member is a general partner, managing member, majority member, officer, or director. Nothing in this subsection prohibits an association from bidding for or purchasing interest in a unit at a foreclosure of the association's lien.

(14) If the unit owner's interest in a unit in a cooperative is real estate, the following requirements apply:

(a) The association, upon nonpayment of assessments and compliance with this subsection, may sell that unit at a public sale or by private negotiation, and at any time and place. The association must give to the unit owner and any lessee of the unit owner reasonable notice in a record of the time, date, and place of any public sale or, if a private sale is intended, of the intention of entering into a contract to sell and of the time and date after which a private conveyance may be made. Such notice must also be sent to any other person that has a recorded interest in the unit that would be cut off by the sale, but only if the recorded interest was on record seven weeks before the date specified in the notice as the date of any public sale or seven weeks before the date specified in the notice as the date after which a private sale may be made. The notices required under this subsection may be sent to any address reasonable in the circumstances. A sale may not be held until five weeks after the sending of the notice. The association may buy at any public sale and, if the sale is conducted by a fiduciary or other person not related to the association, at a private sale.

(b) Unless otherwise agreed to or as stated in this section, the unit owner is liable for any deficiency in a foreclosure sale.

(c) The proceeds of a foreclosure sale must be applied in the following order:

(i) The reasonable expenses of sale;

(ii) The reasonable expenses of securing possession before sale; the reasonable expenses of holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges and premiums on insurance; and, to the extent provided for by agreement between the association and the unit owner, reasonable attorneys' fees, costs, and other legal expenses incurred by the association;

(iii) Satisfaction of the association's lien;

(iv) Satisfaction in the order of priority of any subordinate claim of record; and

(v) Remittance of any excess to the unit owner.

(d) A good-faith purchaser for value acquires the unit free of the association's debt that gave rise to the lien under which the foreclosure sale occurred and any subordinate interest, even though the association or other person conducting the sale failed to comply with this section. The person conducting the sale must execute a conveyance to the purchaser sufficient to convey the unit and stating that it is executed by the person after a foreclosure of the association's lien by power of sale and that the person was empowered to make the sale. Signature and title or authority of the person signing the conveyance as grantor and a recital of the facts of nonpayment of the assessment and of the giving of the notices required under this subsection are sufficient proof of the facts recited and of the authority to sign. Further proof of authority is not required even though the association is named as grantee in the conveyance.

(e) At any time before the association has conveyed a unit in a cooperative or entered into a contract for its conveyance under the power of sale, the unit owners or the holder of any subordinate security interest may cure the unit owner's default and prevent sale or other conveyance by tendering the performance due under the security agreement, including any amounts due because of exercise of a right to accelerate, plus the reasonable expenses of proceeding to foreclosure incurred to the time of tender, including reasonable attorneys' fees and costs of the creditor.

(15) In an action by an association to collect assessments or to foreclose a lien on a unit under this section, the court may appoint a receiver to collect all sums alleged to be due and owing to a unit owner before commencement or during pendency of the action. The receivership is governed under chapter 7.60 RCW. During pendency of the action, the court may order the receiver to pay sums held by the receiver to the association for any assessments against the unit. The exercise of rights under this subsection by the association does not affect the priority of preexisting liens on the unit.

(16) Except as provided in subsection (3) of this section, the holder of a mortgage or other purchaser of a unit who obtains the right of possession of the unit through foreclosure is not liable for assessments or installments of assessments that became due prior to such right of possession. Such unpaid assessments are deemed to be common expenses collectible from all the unit owners, including such mortgagee or other purchaser of the unit. Foreclosure of a mortgage does not relieve the prior unit owner of personal liability for

assessments accruing against the unit prior to the date of such sale as provided in this subsection.

(17) In addition to constituting a lien on the unit, each assessment is the joint and several obligation of the unit owner of the unit to which the same are assessed as of the time the assessment is due. A unit owner may not exempt himself or herself from liability for assessments. In a voluntary conveyance other than by foreclosure, the grantee of a unit is jointly and severally liable with the grantor for all unpaid assessments against the grantor up to the time of the grantor's conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee. Suit to recover a personal judgment for any delinquent assessment is maintainable in any court of competent jurisdiction without foreclosing or waiving the lien securing such sums.

(18) The association may from time to time establish reasonable late charges and a rate of interest to be charged, not to exceed the maximum rate calculated under RCW 19.52.020, on all subsequent delinquent assessments or installments of assessments. If the association does not establish such a rate, delinquent assessments bear interest from the date of delinquency at the maximum rate calculated under RCW 19.52.020 on the date on which the assessments became delinquent.

(19) The association is entitled to recover any costs and reasonable attorneys' fees incurred in connection with the collection of delinquent assessments, whether or not such collection activities result in a suit being commenced or prosecuted to judgment. The prevailing party is also entitled to recover costs and reasonable attorneys' fees in such suits, including any appeals, if it prevails on appeal and in the enforcement of a judgment.

(20) To the extent not inconsistent with this section, the declaration may provide for such additional remedies for collection of assessments as may be permitted by law.

(21)(a) When the association mails to the unit owner by first-class mail the first notice of delinquency for past due assessments to the unit address and to any other address that the owner has provided to the association, the association shall include a first preforeclosure notice that states as follows:

THIS IS A NOTICE OF DELINQUENCY FOR PAST DUE ASSESSMENTS FROM THE UNIT OWNERS ASSOCIATION TO WHICH YOUR HOME BELONGS. THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING YOUR HOME. (b) If, when a delinquent account is referred to an association's attorney, the first preforeclosure notice required under (a) of this subsection has not yet been mailed to the unit owner, the association or the association's attorney shall mail the first preforeclosure notice to the unit owner in order to satisfy the requirement in (a) of this subsection.

(c) Mailing the first preforeclosure notice pursuant to (a) of this subsection does not satisfy the requirement in subsection (22)(b) of this section to mail a second preforeclosure notice at or after the date that assessments have become past due for at least 90 days. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice is mailed.

(22) An association may not commence an action to foreclose a lien on a unit under this section unless:

(a) The unit owner, at the time the action is commenced, owes at least a sum equal to the greater of:

(i) Three months or more of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account; or

(ii) \$2,000 of assessments, not including fines, late charges, interest, attorneys' fees, or costs incurred by the association in connection with the collection of a delinquent owner's account;

(b) At or after the date that assessments have become past due for at least 90 days, but no sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed, the association has mailed, by first-class mail, to the owner, at the unit address and to any other address which the owner has provided to the association, a second notice of delinquency, which must include a second preforeclosure notice that contains the same information as the first preforeclosure notice provided to the owner pursuant to subsection (21)(a) of this section. The second preforeclosure notice may not be mailed sooner than 60 days after the first preforeclosure notice required in subsection (21)(a) of this section is mailed;

(c) At least 90 days have elapsed from the date the minimum amount required in (a) of this subsection has accrued; and

(d) The board approves commencement of a foreclosure action specifically against that unit.

(23) Every aspect of a collection, foreclosure, sale, or other conveyance under this section, including the method, advertising, time, date, place, and terms, must be commercially reasonable. [2024 c 321 s 319; 2023 c 214 s 8; 2021 c 222 s 2; 2021 c 222 s 1; 2019 c 238 s 211; 2018 c 277 s 318.]

RCW 64.90.490 Other liens. (1) In a condominium, plat community, and miscellaneous community:

(a) Except as otherwise provided in (b) of this subsection, a judgment for money against the association perfected under RCW 4.64.020 is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real estate of the association and all of the units in the common interest community at the time the judgment was entered. Other property of a unit owner is not subject to the claims of creditors of the association.

(b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to RCW 64.90.465, the holder of that security interest must exercise its right against the common elements before its judgment lien on any unit may be enforced.

(c) Whether perfected before or after the creation of the common interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common interest community, becomes effective against two or more units, the unit owner of an affected unit may pay to the lienholder the amount of the lien attributable to the unit, and the lienholder, upon receipt of payment, must promptly deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio that the unit owner's common expense liability bears to the common expense liabilities of all unit owners that are subject to the lien. After payment, the association may not assess or have a lien against that unit owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be recorded and indexed in the name of the common interest community and the association and, when so indexed, is notice of the lien against the units.

(2) In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association must promptly transmit a copy of that notice to each unit owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether a unit owner's unit is subject to the claims of the association's creditors, other property of a unit owner is not subject to those claims. [2018 c 277 s 319.]

RCW 64.90.495 Association records. (1) An association must retain the following:

(2) (a) Subject to subsections (3) through (5) of this section, and except as provided in (b) of this subsection, all records required to be retained by an association must be made available for examination and copying by all unit owners, holders of mortgages on the units, and their respective authorized agents as follows, unless agreed otherwise:

(i) During reasonable business hours and at the offices of the association or its managing agent, or at a mutually convenient time and location; and

(ii) Upon 10 days' notice unless the size of the request or need to redact information reasonably requires a longer time, but in no event later than 21 days without a court order allowing a longer time.

(b) The list of unit owners required to be retained by an association under subsection (1)(c) of this section is not required to:

(i) Be made available for examination and copying by holders of mortgages on the units; or

(ii) Contain the electronic addresses of unit owners who have elected to keep such addresses confidential pursuant to RCW 64.90.515(3)(a).

(l) Any information which would compromise the secrecy of a ballot cast under RCW 64.90.455(9).

(4) In addition to the requirements in subsection (3) of this section, an association must, prior to disclosure of the list of unit owners required to be retained by an association under subsection (1)(c) of this section, redact or otherwise remove the address of any unit owner or resident who is known to the association to be a participant in the address confidentiality program described in chapter 40.24 RCW or any similar program established by law.

(5)(a) Except as provided in (b) of this subsection, an association may charge a reasonable fee for producing and providing copies of any records under this section and for supervising the unit owner's inspection.

(b) A unit owner is entitled to receive a free annual electronic or written copy of the list retained under subsection (1)(c) of this section from the association.

(6) A right to copy records under this section includes the right to receive copies by photocopying or other means, including through an electronic transmission if available upon request by the unit owner.

(7) An association is not obligated to compile or synthesize information.

(8) Information provided pursuant to this section may not be used for commercial purposes.

(9) An association's managing agent must deliver all of the association's original books and records to the association upon termination of its management relationship with the association, or upon such other demand as is made by the board. An association managing agent may keep copies of the association records at its own expense. [2024 c 321 s 320; 2023 c 409 s 4; 2018 c 277 s 320.]

RCW 64.90.500 Association as trustee. With respect to a third person dealing with the association in the association's capacity as a trustee, the existence of trust powers and their proper exercise by the association may be assumed without inquiry. A third person is not bound to inquire whether the association has power to act as trustee or is properly exercising trust powers. A third person, without actual knowledge that the association is exceeding or improperly exercising its powers, is fully protected in dealing with the association as if it possessed and properly exercised the powers it purports to exercise. A third person is not bound to assure the proper application of trust assets paid or delivered to the association in its capacity as trustee. [2018 c 277 s 321.]

RCW 64.90.502 Emergency. (1) In this section, "emergency" means an event or condition or a state of emergency declared by a government for an area that includes the common interest community that constitutes an imminent:

(a) Threat to the health or safety of the public or residents of the common interest community;

(b) Threat to the habitability of units; or

(c) Risk of substantial economic loss to the association.

(2) In an emergency, this section governs the authority of a board to respond to the emergency. If another provision of this chapter is inconsistent with this section, this section prevails.

(3) The board may call a unit owner's meeting to respond to an emergency by giving notice to the unit owners in a manner that is practicable and appropriate under the circumstances.

(4) The board may call a board meeting to respond to an emergency by giving notice to the unit owners and board members in a manner that is practicable and appropriate under the circumstances. A quorum is not required for a meeting under this subsection. After giving notice under this subsection, the board may take action by vote without a meeting.

(5) In an emergency, the board may, without regard to limitations in the governing documents, take action it considers necessary, as a result of the emergency, to protect the interests of the unit owners and other persons holding interests in the common interest community, acting in a manner reasonable under the circumstances.

(6) If, under subsection (5) of this section, the board determines by a two-thirds vote that a special assessment is necessary:

(a) The assessment becomes effective immediately or in accordance with the terms of the vote; and

(b) The board may spend funds paid on the assessment only in accordance with the action taken by the board.

(7) The board may use funds of the association, including reserves, to pay the reasonable costs of an action under subsection (5) of this section.

(8) After taking an action under this section, the board shall promptly notify the unit owners of the action in a manner that is practicable and appropriate under the circumstances. [2024 c 321 s 321.]

RCW 64.90.505 Rules—Notice. (1) Unless the declaration provides otherwise, the board must, before adopting, amending, or repealing any rule, give all unit owners notice of:

(a) Its intention to adopt, amend, or repeal a rule and provide the text of the rule or the proposed change; and

(b) A date on which the board will act on the proposed rule or amendment after considering comments from unit owners.

(2) Following adoption, amendment, or repeal of a rule, the association must give notice to the unit owners of its action and provide a copy of any new or revised rule.

(3) If the declaration so provides, an association may adopt rules to establish and enforce construction and design criteria and aesthetic standards and, if so, must adopt procedures for enforcement of those standards and for approval of construction applications, including a reasonable time within which the association must act after an application is submitted and the consequences of its failure to act.

(4) An association's internal business operating procedures need not be adopted as rules.

(5) Every rule must be reasonable. [2018 c 277 s 322.]

RCW 64.90.510 Regulatory authority—Limitations—Governing documents—Association may adopt certain rules. (1)(a) An association may not prohibit display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable restrictions pertaining to the time, place, or manner of displaying the flag of the United States necessary to protect a substantial interest of the association.

(b) The association may not prohibit the installation of a flagpole for the display of the flag of the United States, or the flag of Washington state, on or within a unit or a limited common element, except that an association may adopt reasonable rules and regulations pertaining to the location and the size of the flagpole.

(c) For purposes of this section, "flag of the United States" means the flag of the United States as described in 4 U.S.C. Sec. 1 et seq. that is made of fabric, cloth, or paper. "Flag of the United States" does not mean a flag, depiction, or emblem made of lights, paint, roofing, siding, paving materials, flora, or balloons, or of any similar building, landscaping, or decorative components.

(2) An association may not prohibit display of signs, including outdoor signs, regarding candidates for public or association office, or ballot issues, on or within a unit or limited common element, but an association may adopt reasonable rules pertaining to the placement and manner of those displays.

(3) The association may not prohibit the installation of a solar energy panel on or within a unit so long as the solar panel:

(a) Meets applicable health and safety standards and requirements imposed by state and local permitting authorities;

(b) If used to heat water, is certified by the solar rating certification corporation or another nationally recognized certification agency. Certification must be for the solar energy panel and for installation; and

(c) If used to produce electricity, meets all applicable safety and performance standards established by the national electric code, the institute of electrical and electronics engineers, accredited testing laboratories, such as underwriters laboratories, and, where applicable, rules of the utilities and transportation commission regarding safety and reliability.

(4) The association may not prohibit a unit owner from storing containers for municipal or private collection, such as compost, garbage, and recycling receptacles, in any private garage, side yard, or backyard reserved for the exclusive use of a unit. However, the association may adopt and enforce rules requiring that such receptacles be screened from view and establishing acceptable dates and times that such receptacles may be presented for collection.

(5) The governing documents may:

(a) Prohibit the visibility of any part of a roof-mounted solar energy panel above the roof line;

(b) Permit the attachment of a solar energy panel to the slope of a roof facing a street only if:

(i) The solar energy panel conforms to the slope of the roof; and

(ii) The top edge of the solar energy panel is parallel to the roof ridge; and

(c) Require:

(i) A solar energy panel frame, a support bracket, or any visible piping or wiring to be painted to coordinate with the roofing material;

(ii) A unit owner or resident to shield a ground-mounted solar energy panel if shielding the panel does not prohibit economic installation of the solar energy panel or degrade the operational performance quality of the solar energy panel by more than 10 percent; and

(iii) Unit owners or residents who install solar energy panels to indemnify or reimburse the association or its members for loss or

damage caused by the installation, maintenance, or use of a solar energy panel.

(6) The governing documents may include other reasonable rules regarding the placement and manner of a solar energy panel.

(7) For purposes of this section, "solar energy panel" means a panel device or system or combination of panel devices or systems that relies on direct sunlight as an energy source, including a panel device or system or combination of panel devices or systems that collects sunlight for use in:

- (a) The heating or cooling of a structure or building;
- (b) The heating or pumping of water;
- (c) Industrial, commercial, or agricultural processes; or
- (d) The generation of electricity.

(8) This section must not be construed to permit installation by a unit owner of a solar panel on or in common elements without approval of the board.

(9) Unit owners may peacefully assemble on the common elements to consider matters related to the common interest community, but the association may adopt rules governing the time, place, and manner of those assemblies.

(10) An association may adopt rules that affect the use or occupancy of or behavior in units that may be used for residential purposes, only to:

- (a) Implement a provision of the declaration;
- (b) Regulate any behavior in or occupancy of a unit that violates the declaration or adversely affects the use and enjoyment of other units or the common elements by other occupants; and
- (c) Restrict the leasing of residential units to the extent those rules are reasonably designed to meet underwriting requirements of institutional lenders that regularly make loans secured by first mortgages on units in comparable common interest communities or that regularly purchase those mortgages. [2024 c 321 s 322; 2018 c 277 s 323.]

RCW 64.90.511 Governing documents—Unlawful restriction,

removal. (1) The board of an association may, without a vote of the unit owners, amend the governing documents to remove an unlawful restriction.

(2) A unit owner may request, in a record that sufficiently identifies an unlawful restriction in the governing document, that the board exercise its authority under subsection (1) of this section. Not later than 90 days after the board receives the request, the board shall determine reasonably and in good faith whether the governing document includes the unlawful restriction. If the board determines the governing document includes the unlawful restriction, the board not later than 90 days after the determination shall amend the governing document to remove the unlawful restriction.

(3) Notwithstanding any provision of the governing document or other law of this state, the board may execute an amendment under this section.

(4) An amendment under this section is effective notwithstanding any provision of the governing document or other law of this state that requires a vote of the unit owners to amend the governing document.

(5) For purposes of this section and RCW 64.90.5111:

(a) "Amendment" means a document that removes an unlawful restriction.

(b) "Document" means a record recorded or eligible to be recorded in land records.

(c) "Remove" means eliminate any apparent or purportedly continuing effect on title to real property.

(d) "Unlawful restriction" means a prohibition, restriction, covenant, or condition in a governing document that purports to interfere with or restrict the transfer, use, or occupancy of a unit:

(i) On the basis of race, color, religion, national origin, sex, familial status, disability, or other personal characteristics; and

(ii) In violation of other law of this state or federal law.
[2024 c 321 s 101.]

RCW 64.90.5111 Governing documents—Unlawful restriction—

Amendment. (1) An amendment under RCW 64.90.511 must identify the association of owners, the real property affected, and the document containing the unlawful restriction. The amendment must include a conspicuous statement in substantially the following form:

"This amendment removes from this deed or other document affecting title to real property an unlawful restriction as defined under RCW 64.90.511. This amendment does not affect the validity or enforceability of a restriction that is not an unlawful restriction."

(2) The amendment must be executed and acknowledged in the manner required for recordation of a document in the land records. The amendment must be recorded in the land records of each county in which the document containing the unlawful restriction is recorded.

(3) The amendment does not affect the validity or enforceability of any restriction that is not an unlawful restriction.

(4) The amendment or a future conveyance of the affected real property is not a republication of a restriction that otherwise would expire by passage of time under other law of this state. [2024 c 321 s 102.]

RCW 64.90.512 Installation of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping.

(1)(a) The declaration of a common interest ownership and any governing documents adopted by an association may not prohibit the installation of drought resistant landscaping, pollinator habitat, including beehives compliant with local regulation, or wildfire ignition resistant landscaping. However, the declaration or governing documents may include reasonable rules regarding the placement and aesthetic appearance of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping, as long as the rules do not render the use of drought resistant landscaping, pollinator habitat, or wildfire ignition resistant landscaping unreasonably costly or otherwise effectively infeasible.

(b) This subsection does not apply to condominium associations.

(2) If a property is located within the geographic designation of an order of a drought condition issued by the department of ecology under RCW 43.83B.405, an association may not impose a fine or assessment against an owner, or resident on the owner's property, for reducing or eliminating the watering of vegetation or lawns for the duration of the drought condition order.

(3) Nothing in this section may be construed to prohibit or restrict the establishment and maintenance of a fire buffer within the building ignition zone.

(4) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Building ignition zone" means a building and surrounding area up to two hundred feet from the foundation.

(b) "Drought resistant landscaping" means the use of any noninvasive vegetation adapted to arid or dry conditions, stone, or landscaping rock.

(c) "Firewise" means the firewise communities program developed by the national fire protection association, which encourages local solutions for wildfire safety by involving homeowners, community leaders, planners, developers, firefighters, and others in the effort to protect people and property from wildfire risks.

(d) "Pollinator habitat" means an area of land that is or may be developed as habitat beneficial for the feeding, nesting, and reproduction of all pollinators. "Pollinator habitat" does not include beehives, except for mason bee houses.

(e) "Wildfire ignition resistant landscaping" includes:

(i) Any landscaping tools or techniques, or noninvasive vegetation, that do not readily ignite from a flame or other ignition source; or

(ii) The use of firewise methods to reduce ignition risk in a building ignition zone. [2024 c 337 s 5; 2020 c 9 s 4.]

Findings—Intent—2020 c 9: See note following RCW 64.38.057.

RCW 64.90.513 Electric vehicle charging stations. (1) (a) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of an electric vehicle charging station in compliance with the requirements of this section and for the personal noncommercial use of a unit owner, within the boundaries of a unit or in a designated parking space; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on electric vehicle charging stations. However, it is the policy of the state to promote, encourage, and remove obstacles to the use of electric vehicle charging stations.

(2) A unit owners association may require a unit owner to submit an application for approval for the installation of an electric vehicle charging station before installing the charging station.

(3) (a) If approval is required for the installation or use of an electric vehicle charging station, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed

approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge a unit owner a fee for the placement of an electric vehicle charging station. An association may charge a reasonable fee for processing the application to approve the installation of an electric vehicle charging station, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation or use of an electric vehicle charging station, a unit owners association must approve the installation within the boundaries of a unit or in a designated parking space if the installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the electric vehicle charging station;

(b) Engage an electrical contractor familiar with the standards for the installation of electric vehicle infrastructure to assess the existing infrastructure necessary to support the proposed electric vehicle charging station, identify additional infrastructure needs, and install the electric vehicle charging station;

(c) (i) Provide, within the time specified in (c) (ii) of this subsection, a certificate of insurance naming the association as an additional insured on the unit owner's insurance policy for any claim related to the installation, maintenance, or use of the electric vehicle charging station in a common interest community other than an association of single-family homes, site condominiums, or a planned use development where the units are not immediately adjacent;

(ii) A certificate of insurance required under (c) (i) of this subsection must be provided within 14 days after the association approves the installation of the electric vehicle charging station. Reimbursement for an increased insurance premium amount under (c) (i) of this subsection must be provided within 14 days after the unit owner receives the association's invoice for the amount attributable to the charging station;

(d) Register the electric vehicle charging station with the association within 30 days after installation;

(e) Pay for the electricity usage associated with the electric vehicle charging station and the required means to facilitate payment for the electricity; and

(f) Comply with the requirements of this section.

(5) (a) A unit owner must obtain any permit or approval for an electric vehicle charging station as required by the local government in which the common interest community is located and comply with all relevant building codes and safety standards.

(b) An electric vehicle charging station must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners association, a unit owner is responsible for the costs of installing an electric vehicle charging station.

(b) Electric vehicle charging station equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost. Nothing in this subsection requires the association to purchase the electric vehicle charging station.

(7) A unit owner must disclose to any prospective buyers of the unit:

(a) The existence of an electric vehicle charging station and the related responsibilities of the owner under this section; and

(b) Whether the electric vehicle charging station is removable and whether the owner intends to remove the charging station.

(8) The owner and each successive owner of an electric vehicle charging station is responsible for:

(a) Costs for the maintenance, repair, and replacement of the electric vehicle charging station up until the station is removed;

(b) Costs for damage to the electric vehicle charging station, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the electric vehicle charging station;

(c) The cost of electricity associated with the electric vehicle charging station;

(d) Obtaining and maintaining an insurance policy that meets the requirements in subsection (4) (c) of this section;

(e) If the owner decides to remove the electric vehicle charging station, costs for the removal and the restoration of the common element or limited common element after the removal; and

(f) Removing the electric vehicle charging station if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(9) A unit owners association may install an electric vehicle charging station in the common elements for the use of all unit owners and, in that case, the association must develop appropriate terms of use for the charging station.

(10) (a) A unit owners association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have an electric vehicle charging station installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(11) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Designated parking space" means a parking space that is specifically designated for use by a particular unit owner, including a garage, a deeded parking space, and a parking space in a limited common element that is restricted for use by one or more unit owners.

(b) "Electric vehicle charging station" means a station that delivers electricity from a source outside an electric vehicle into one or more electric vehicles. An electric vehicle charging station may include several charge points simultaneously connecting several electric vehicles to the station and any related equipment needed to facilitate charging plug-in electric vehicles.

(c) "Reasonable restriction" means a restriction that does not significantly increase the cost of an electric vehicle charging station or significantly decrease its efficiency or specified performance. [2022 c 27 s 4.]

RCW 64.90.515 Notice. (1) Notice to the association, board, or any owner or occupant of a unit under this chapter must be provided in the form of a record.

(2) Notice provided in a tangible medium may be transmitted by mail, private carrier, or personal delivery; telegraph or teletype; or telephone, wire, or wireless equipment that transmits a facsimile of the notice.

(a) Notice in a tangible medium to an association may be addressed to the association's registered agent at its registered office, to the association at its principal office shown in its most recent annual report or provided by notice to the unit owners, or to the president or secretary of the association at the address shown in the association's most recent annual report or provided by notice to the unit owners.

(b) Notice in a tangible medium to a unit owner or occupant must be addressed to the unit address unless the unit owner or occupant has requested, in a record delivered to the association, that notices be sent to an alternate address or by other method allowed by this section and the governing documents.

(3) Notice may be provided in an electronic transmission as follows:

(a) Notice to unit owners or board members by electronic transmission is effective only upon unit owners and board members who have consented, in the form of a record, to receive electronically transmitted notices under this chapter and have designated in the consent the address, location, or system to which such notices may be electronically transmitted, provided that such notice otherwise complies with any other requirements of this chapter and applicable law. An owner's consent under this subsection (3)(a), and any other notice in the form of a record delivered to the association from time to time, may indicate whether the owner elects to keep the owner's electronic address confidential and exempt from disclosure by the association pursuant to RCW 64.90.495(2). Failure to deliver such notice permits disclosure by the association.

(b) Notice to unit owners or board members under this subsection includes material that this chapter or the governing documents requires or permits to accompany the notice.

(c) A unit owner or board member who has consented to receipt of electronically transmitted notices may revoke this consent by delivering a revocation to the association in the form of a record.

(d) The consent of any unit owner or board member is revoked if: The association is unable to electronically transmit two consecutive notices given by the association in accordance with the consent, and this inability becomes known to the secretary of the association or any other person responsible for giving the notice. The inadvertent failure by the association to treat this inability as a revocation does not invalidate any meeting or other action.

(e) Notice to unit owners or board members who have consented to receipt of electronically transmitted notices may be provided by posting the notice on an electronic network and delivering to the unit owner or board member a separate record of the posting, together with comprehensible instructions regarding how to obtain access to the posting on the electronic network.

(f) Notice to an association in an electronic transmission is effective only with respect to an association that has designated in a record an address, location, or system to which the notices may be electronically transmitted.

(4) Notice may be given by any other method reasonably calculated to provide notice to the recipient.

(5) Notice is effective as follows:

(a) Notice provided in a tangible medium is effective as of the date of hand delivery, deposit with the carrier, or when sent by fax.

(b) Notice provided in an electronic transmission is effective as of the date it:

(i) Is electronically transmitted to an address, location, or system designated by the recipient for that purpose; or

(ii) Has been posted on an electronic network and a separate record of the posting has been sent to the recipient containing instructions regarding how to obtain access to the posting on the electronic network.

(6) The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

(7) If this chapter prescribes different or additional notice requirements for particular circumstances, those requirements govern. [2024 c 321 s 323; 2018 c 277 s 324.]

RCW 64.90.518 Board members—Election—Notice. (1)

Notwithstanding any contrary provision in the declaration or organizational documents, prior to an election of board members, the association must provide notice to all unit owners of the following:

(a) The number of board positions that may be filled;

(b) The qualifications to be a board candidate, if any; and

(c) The process, manner, and deadline for submitting nominations.

(2) If the board determines that any nominee is not a qualified candidate, the board shall notify the nominee of the basis for the disqualification, and the procedure for appealing the disqualification. [2024 c 321 s 313.]

RCW 64.90.520 Officers and board members—Removal. (1)

Unit owners present in person, by proxy, by means of communication under RCW 64.90.445(1) (e) or (f), or by absentee ballot at any meeting of the unit owners at which a quorum is present, may remove any board member and any officer elected by the unit owners, with or without cause, if the number of votes in favor of removal cast by unit owners entitled to vote for election of the board member or officer proposed to be removed is at least the lesser of (a) a majority of the votes in the association held by such unit owners or (b) two-thirds of the votes cast by such unit owners at the meeting, but:

(i) A board member appointed by the declarant may not be removed by a unit owner vote during any period of declarant control;

(ii) A board member appointed under RCW 64.90.410(7) may be removed only by the person that appointed that member; and

(iii) The unit owners may not consider whether to remove a board member or officer at a meeting of the unit owners unless that subject was listed in the notice of the meeting.

(2) At any meeting at which a vote to remove a board member or officer is to be taken, the board member or officer being considered for removal must have a reasonable opportunity to speak before the vote.

(3) At any meeting at which a board member or officer is removed, the unit owners entitled to vote for the board member or officer may immediately elect a successor board member or officer consistent with this chapter.

(4) The board may, without a unit owner vote, remove from the board a board member or officer elected by the unit owners if (a) the board member or officer is delinquent in the payment of assessments more than 60 days and (b) the board member or officer has not cured the delinquency within 30 days after receiving notice of the board's intent to remove the board member or officer. Unless provided otherwise by the governing documents, the board may remove an officer elected by the board at any time, with or without cause. The removal must be recorded in the minutes of the next board meeting. [2024 c 321 s 208; 2018 c 277 s 325.]

RCW 64.90.525 Budgets—Assessments—Special assessments. (1) (a) Within thirty days after adoption of any proposed budget for the common interest community, the board must provide a copy of the budget to all the unit owners and set a date for a meeting of the unit owners to consider ratification of the budget not less than fourteen nor more than fifty days after providing the budget. Unless at that meeting the unit owners of units to which a majority of the votes in the association are allocated or any larger percentage specified in the declaration reject the budget, the budget and the assessments against the units included in the budget are ratified, whether or not a quorum is present.

(b) If the proposed budget is rejected or the required notice is not given, the periodic budget last ratified by the unit owners continues until the unit owners ratify a subsequent budget proposed by the board.

(2) The budget must include:

(a) The projected income to the association by category;

(b) The projected common expenses and those specially allocated expenses that are subject to being budgeted, both by category;

(c) The amount of the assessments per unit and the date the assessments are due;

(d) The current amount of regular assessments budgeted for contribution to the reserve account;

(e) A statement of whether the association has a reserve study that meets the requirements of RCW 64.90.550 and, if so, the extent to which the budget meets or deviates from the recommendations of that reserve study; and

(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

(3) The board, at any time, may propose a special assessment. The assessment is effective only if the board follows the procedures for ratification of a budget described in subsection (1) of this section and the unit owners do not reject the proposed assessment. The board may provide that the special assessment may be due and payable in installments over any period it determines and may provide a discount for early payment. [2018 c 277 s 326.]

RCW 64.90.530 Financial statements—Association funds. (1) The association must prepare, or cause to be prepared, at least annually, a financial statement of the association in accordance with accrual based accounting practices.

(2) The financial statements of associations with annual assessments of fifty thousand dollars or more must be audited at least

annually by a certified public accountant. In the case of an association with annual assessments of less than fifty thousand dollars, an annual audit is also required but may be waived annually by unit owners other than the declarant of units to which a majority of the votes in the association are allocated, excluding the votes allocated to units owned by the declarant.

(3) The association must keep all funds of the association in the name of the association with a qualified financial institution. The funds must not be commingled with the funds of any other association or with the funds of any managing agent of the association or any other person, or be kept in any trust account or custodial account in the name of any trustee or custodian.

(4) A managing agent who accepts or receives funds belonging to the association must promptly deposit all such funds into an account maintained by the association as provided in subsection (3) of this section or RCW 64.90.535, as appropriate. [2018 c 277 s 327.]

RCW 64.90.535 Reserve accounts. An association required to obtain a reserve study pursuant to RCW 64.90.545 must establish one or more accounts for the deposit of funds, if any, for the replacement costs of reserve components. Any reserve account must be an income-earning account maintained under the direct control of the board, and the board is responsible for administering the reserve account. [2018 c 277 s 328.]

RCW 64.90.540 Reserve account—Withdrawals. (1) The board may withdraw funds from the association's reserve account to pay for unforeseen or unbudgeted costs that are unrelated to replacement costs of the reserve components. Any such withdrawal must be recorded in the minute books of the association. The board must give notice of any such withdrawal to each unit owner and adopt a repayment schedule not to exceed twenty-four months unless the board determines that repayment within twenty-four months would impose an unreasonable burden on the unit owners. The board must provide to unit owners along with the annual budget adopted in accordance with RCW 64.90.525 (a) notice of any such withdrawal, (b) a statement of the current deficiency in reserve funding expressed on a per unit basis, and (c) the repayment plan.

(2) The board may withdraw funds from the reserve account without satisfying the notification of repayment requirements under this section to pay for replacement costs of reserve components not included in the reserve study. [2018 c 277 s 329.]

RCW 64.90.545 Reserve study. (1) Unless exempt under subsection (2) of this section, an association must prepare and update a reserve study in accordance with this chapter. An initial reserve study must be prepared by a reserve study professional and based upon either a reserve study professional's visual site inspection of completed improvements or a review of plans and specifications of or for unbuilt improvements, or both when construction of some but not all of the improvements is complete. An updated reserve study must be prepared annually. An updated reserve study must be prepared at least every

third year by a reserve study professional and based upon a visual site inspection conducted by the reserve study professional.

(2) Unless the governing documents require otherwise, subsection (1) of this section does not apply (a) to common interest communities containing units that are restricted in the declaration to nonresidential use, (b) to common interest communities that have only nominal reserve costs, or (c) when the cost of the reserve study or update exceeds ten percent of the association's annual budget.

(3) The governing documents may impose greater requirements on the board. [2018 c 277 s 330.]

RCW 64.90.550 Reserve study—Contents. (1) Any reserve study is supplemental to the association's operating and maintenance budget.

(2) A reserve study must include:

(a) A reserve component list, including any reserve component, the replacement cost of which exceeds one percent of the annual budget of the association, excluding contributions to the reserves for that reserve component. If one of these reserve components is not included in the reserve study, the study must explain the basis for its exclusion. The study must also include quantities and estimates for the useful life of each reserve component, the remaining useful life of each reserve component, and current major replacement costs for each reserve component;

(b) The date of the study and a disclosure as to whether the study meets the requirements of this section;

(c) The following level of reserve study performed:

(i) Level I: Full reserve study funding analysis and plan;

(ii) Level II: Update with visual site inspection; or

(iii) Level III: Update with no visual site inspection;

(d) The association's reserve account balance;

(e) The percentage of the fully funded balance to which the reserve account is funded;

(f) Special assessments already implemented or planned;

(g) Interest and inflation assumptions;

(h) Current reserve account contribution rates for a full funding plan and a baseline funding plan;

(i) A recommended reserve account contribution rate for a full funding plan to achieve one hundred percent fully funded reserves by the end of the thirty-year study period, a recommended reserve account contribution rate for a baseline funding plan to maintain the reserve account balance above zero throughout the thirty-year study period without special assessments, and a reserve account contribution rate recommended by the reserve study professional;

(j) A projected reserve account balance for thirty years based on each funding plan presented in the reserve study;

(k) A disclosure on whether the reserve study was prepared with the assistance of a reserve study professional, and whether the reserve study professional was independent; and

(l) A statement of the amount of any current deficit or surplus in reserve funding expressed on a dollars per unit basis. The amount is calculated by subtracting the association's reserve account balance as of the date of the study from the fully funded balance, and then multiplying the result by the fraction or percentage of the common expenses of the association allocable to each unit; except that if the fraction or percentage of the common expenses of the association

allocable vary by unit, the association must calculate any current deficit or surplus in a manner that reflects the variation.

(3) A reserve study must also include the following disclosure:

"This reserve study should be reviewed carefully. It may not include all common and limited common element components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. The failure to include a component in a reserve study, or to provide contributions to a reserve account for a component, may, under some circumstances, require the association to (1) defer major maintenance, repair, or replacement, (2) increase future reserve contributions, (3) borrow funds to pay for major maintenance, repair, or replacement, or (4) impose special assessments for the cost of major maintenance, repair, or replacement." [2018 c 277 s 331.]

RCW 64.90.555 Reserve study—Demand—Enforcement. (1) When more than three years have passed since the date of the last reserve study prepared by a reserve study professional, unit owners of units to which at least twenty percent of the votes in the association are allocated may demand in a record delivered to the board that the cost of a reserve study be included in the next annual budget and that the study be prepared by the end of that budget year. The demand must refer to this section. The board must, upon receipt of the demand, include the cost of a reserve study in the next budget and, if that budget is not rejected by the unit owners pursuant to RCW 64.90.525, arrange for the preparation of a reserve study.

(2) One or more unit owners may bring an action to enforce the requirements of this section and RCW 64.90.545 and 64.90.550. In such an action, a court may order specific performance and may award reasonable attorneys' fees and costs to the prevailing party.

(3) A unit owner's duty to pay assessments is not excused because of the association's failure to comply with this section and RCW 64.90.545 and 64.90.550. A budget ratified by the unit owners pursuant to RCW 64.90.525 is not invalidated because of the association's failure to comply with this section and RCW 64.90.545 and 64.90.550. [2018 c 277 s 332.]

RCW 64.90.560 Reserve account—Reserve study—Reserve disclosure—Liability. Except for an award for attorneys' fees and costs under RCW 64.90.555(2), monetary damages or other liability may not be awarded against or imposed upon the association or its officers or board members, or upon any person who may have provided advice or assistance to the association or its officers or board members, for failure to: Establish or replenish a reserve account, have a current reserve study prepared or updated in accordance with the requirements of this chapter, or make reserve disclosures in accordance with this chapter. [2018 c 277 s 333.]

RCW 64.90.565 Tenant screening. (1) Except as otherwise prohibited by law, and subject to the limitations in subsection (2) of this section, a unit owners association may:

(a) Require any unit owner intending to lease the owner's unit to use a tenant screening service or obtain background information, including criminal history, on a prospective tenant, at the owner's sole cost and expense, prior to the owner entering into a lease agreement with a prospective tenant; and

(b) Require proof that the tenant screening requirement has been fulfilled or that the background information on a prospective tenant has been obtained by the owner intending to lease the owner's unit.

(2) An association may not require that a copy of the tenant screening report or any background information pertaining to a tenant be furnished to the association. [2023 c 23 s 4.]

RCW 64.90.570 Licensed family home child care or licensed child day care center—Rules—Liability. (1) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that effectively prohibits or unreasonably restricts the use of a unit as a licensed family home child care operated by a family day care provider or as a licensed child day care center, except as provided in subsection (2) of this section.

(2)(a) Nothing in this section prohibits a unit owners association from imposing reasonable rules on a family home child care or a child day care center including, but not limited to, architectural standards, as long as those rules are identical to those applied to all other units restricted to similar uses within the same common interest community as the family home child care or the child day care center.

(b) An association may require that only a unit with direct access may be used as a family home child care or child day care center. A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that requires a family home child care or a child day care center operating out of a unit within the association to:

(i) Be licensed under chapter 43.216 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the family home child care or the child day care center, excluding claims arising from the condition of a common element that the association is solely responsible for maintaining;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of the family home child care or the child day care center from the parent, guardian, or caretaker of each child being cared for by the family home child care or the child day care center. However, an association may not require that a waiver of liability under this subsection be notarized;

(iv) Obtain day care insurance as defined in RCW 48.88.020 or provide self-insurance pursuant to chapter 48.90 RCW, consistent with the requirements in RCW 43.216.700; and

(v) Pay any costs or expenses, including insurance costs, arising from the operation of the facility.

(3) A unit owners association that willfully violates this section is liable to the family day care provider or the child day

care center for actual damages, and shall pay a civil penalty to the family day care provider or the child day care center in an amount not to exceed \$1,000.

(4) For the purposes of this section, the terms "family day care provider" and "child day care center" have the same meanings as in RCW 43.216.010. [2024 c 321 s 324; 2023 c 203 s 4.]

RCW 64.90.575 Occupancy limits. Except for occupancy limits on short-term rentals as defined in RCW 64.37.010 and any lawful limits on occupant load per square foot or generally applicable health and safety provisions as established by applicable building code, city ordinance, or county ordinance, a unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that regulates or limits the number of unrelated persons that may occupy a unit. [2024 c 139 s 4.]

RCW 64.90.580 Heat pumps. (1) (a) A unit owners association may not adopt or enforce a restriction, covenant, condition, bylaw, rule, regulation, provision of a governing document, or master deed provision that:

(i) Effectively prohibits or unreasonably restricts the installation or use of a heat pump in compliance with the requirements of this section and for the personal use of a unit owner within the boundaries of a unit; or

(ii) Is in conflict with the provisions of this section.

(b) Nothing in this section prohibits an association from imposing reasonable restrictions on heat pumps.

(c) This section must not be construed to permit installation by a unit owner of heat pump equipment on or in common elements without approval of the board.

(2) A unit owners association may require a unit owner to submit an application for approval for the installation of a heat pump before installing the heat pump.

(3) (a) If approval is required for the installation of a heat pump, the application for approval must be processed and approved in the same manner as an application for approval of an architectural modification.

(b) The approval or denial of an application must be in writing and must not be willfully avoided or delayed.

(c) If an application is not denied in writing within 60 days from the date of receipt of the application, the application is deemed approved, unless that delay is the result of a reasonable request for additional information.

(d) An association may not assess or charge a unit owner a fee for the installation of a heat pump. An association may charge a reasonable fee for processing the application to approve the installation of a heat pump, but only if such a fee exists for all applications for approval of architectural modifications.

(4) If approval is required for the installation of a heat pump, a unit owners association must approve the installation if the

installation is reasonably possible and the unit owner agrees in writing to:

(a) Comply with the association's reasonable architectural standards applicable to the installation of the heat pump;

(b) Engage a heating, ventilation, and air conditioning (HVAC) contractor familiar with the standards for the installation of heat pumps to assess the existing infrastructure necessary to support the proposed heat pump, identify additional infrastructure needs, and install the heat pump; and

(c) Comply with the requirements of this section.

(b) A heat pump must meet all applicable health and safety standards and requirements imposed by national, state, or local authorities, and all other applicable zoning, land use or other ordinances, building codes, or land use permits.

(6) (a) Unless otherwise agreed to by written contract with the unit owners association, a unit owner is responsible for the costs of installing a heat pump.

(b) Heat pump equipment that is installed at the unit owner's cost and is removable without damage to the property owned by others may be removed at the unit owner's cost.

(7) The unit owner and each successive owner of the heat pump is responsible for:

(a) Costs for the maintenance, repair, and replacement of the heat pump up until the heat pump is removed;

(b) Costs for damage to the heat pump, any unit, common element, or limited common element resulting from the installation, use, maintenance, repair, removal, or replacement of the heat pump;

(c) If the unit owner decides to remove the heat pump, costs for the removal and the restoration of the common elements or limited common elements after the removal; and

(d) Removing heat pump equipment if reasonably necessary for the repair, maintenance, or replacement of the common element or limited common element.

(8) (a) A unit owners association that willfully violates this section is liable to the unit owner for actual damages, and shall pay a civil penalty to the unit owner in an amount not to exceed \$1,000.

(b) In any action by a unit owner requesting to have a heat pump installed and seeking to enforce compliance with this section, the court shall award reasonable attorneys' fees and costs to any prevailing unit owner.

(9) For the purposes of this section:

(a) "Heat pump" means a heating or refrigerating system used to transfer heat. The heat pump condenser and evaporator may change roles to transfer heat in either direction. By receiving the flow of air or other fluid, a heat pump is used to cool or heat.

(b) "Reasonable restriction" means a restriction that does not significantly increase the cost of a heat pump or significantly decrease its efficiency or specified performance. [2024 c 128 s 4.]

(2) (a) Nothing in this section prohibits a unit owners association from imposing reasonable rules on an adult family home including, but not limited to, architectural standards, as long as those rules are identical to those applied to all other units restricted to similar uses within the same common interest community as an adult family home.

(b) An association may require that only a unit with direct access may be used as an adult family home. A unit has direct access if it is accessible from public property or through publicly accessible common elements.

(c) An association may adopt or enforce a restriction, covenant, condition, bylaw, rule, provision of a governing document, or master deed provision that requires an adult family home operating out of a unit within the association to:

(i) Be licensed under chapter 70.128 RCW;

(ii) Indemnify and hold harmless the association against all claims, whether brought by judicial or administrative action, relating to the operation of the adult family home, excluding claims arising from the condition of a common element that the association is solely responsible for maintaining;

(iii) Obtain a signed waiver of liability releasing the association from legal claims directly related to the operation of an adult family home from each resident, or resident's guardian, being cared for by the adult family home. However, an association may not require that a waiver of liability under this subsection be notarized;

(iv) Obtain liability insurance as required by rule of the department of social and health services; and

(v) Pay any costs or expenses, including insurance costs, arising from the operation of the facility.

(3) A unit owners association that willfully violates this section is liable to the adult family home for actual damages, and shall pay a civil penalty to the adult family home in an amount not to exceed \$1,000.

(4) For the purposes of this section, "adult family home" has the same meaning as in RCW 70.128.010. [2024 c 321 s 325.]

(3) (a) Any declarant or dealer who offers a unit to a purchaser shall deliver a public offering statement in the manner prescribed in RCW 64.90.635.

(b) Any agent, attorney, or other person assisting the declarant or dealer in preparing the public offering statement may rely upon information provided by the declarant or dealer without independent investigation. The agent, attorney, or other person is not liable for any material misrepresentation in or omissions of material facts from the public offering statement unless the person had actual knowledge of the misrepresentation or omission at the time the public offering statement was prepared.

(c) The declarant or dealer who prepared all or part of the public offering statement is liable for any misrepresentation contained in the public offering statement or for any omission of material fact from the public offering statement if the declarant or dealer had actual knowledge of the misrepresentation or omission or, in the exercise of reasonable care, should have known of the misrepresentation or omission.

(4) If a unit is part of a common interest community and is part of any other real estate regime in connection with the sale of which the delivery of a public offering statement is required under the laws of this state, a single public offering statement conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620 as those requirements relate to each regime in which the unit is located, and to any other requirements imposed under the laws of this state, may be prepared and delivered in lieu of providing two or more public offering statements.

(e) Any other information and cross-references that the declarant or dealer believes will be helpful in describing the common interest community to the purchaser, all of which may be included or not included at the option of the declarant or dealer.

(7) A declarant or dealer is not liable to a purchaser for the failure or delay of the association to provide the resale certificate in a timely manner, but the purchase contract is voidable by the purchaser of a unit sold by the declarant or dealer until the resale certificate required under RCW 64.90.640(2) and the information required under subsection (6) of this section have been provided and for five days thereafter or until conveyance, whichever occurs first. (a) "RIGHT TO CANCEL. (1) You are entitled to receive a copy of this public offering statement and all material amendments to this public offering statement before conveyance of your unit. Under RCW 64.90.635, you have the right to cancel your contract for the purchase of your unit within seven days after first receiving this public offering statement. If this public offering statement is first provided to you more than seven days before you sign your contract for the purchase of your unit, you have no right to cancel your contract. If this public offering statement is first provided to you seven days or less before you sign your contract for the purchase of your unit, you have the right to cancel, before conveyance of the unit, the executed contract by delivering, no later than the seventh day after first receiving this public offering statement, a notice of cancellation pursuant to section (3) of this notice. If this public offering statement is first provided to you less than seven days before the closing date for the conveyance of your unit, you may, before conveyance of your unit to you, extend the closing date to a date not more than seven days after you first received this public

offering statement, so that you may have seven days to cancel your contract for the purchase of your unit.

(2) You have no right to cancel your contract upon receipt of an amendment to this public offering statement; however, this does not eliminate any right to rescind your contract, due to the disclosure of the information in the amendment, that is otherwise available to you under generally applicable contract law.

(3) If you elect to cancel your contract pursuant to this notice, you may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the seller at the address set forth in this public offering statement or at the address of the seller's registered agent for service of process. The date of such notice is the date of receipt, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by you before cancellation must be refunded promptly."

(b) "OTHER DOCUMENTS CREATING BINDING LEGAL OBLIGATIONS. This public offering statement is a summary of some of the significant aspects of purchasing a unit in this common interest community. The governing documents and the purchase agreement are complex, contain other important information, and create binding legal obligations. You should consider seeking the assistance of legal counsel."

(c) "OTHER REPRESENTATIONS. You may not rely on any statement, promise, model, depiction, or description unless it is (1) contained in the public offering statement delivered to you or (2) made in writing signed by the declarant or dealer or the declarant's or dealer's agent identified in the public offering statement. A statement of opinion, or a commendation of the real estate, its quality, or its value, does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change."

(d) "MODEL UNITS. Model units are intended to provide you with a general idea of what a finished unit might look like. Units being offered for sale may vary from the model unit in terms of floor plan, fixtures, finishes, and equipment. You are advised to obtain specific information about the unit you are considering purchasing."

(e) "RESERVE STUDY. The association [does] [does not] have a current reserve study. Any reserve study should be reviewed carefully. It may not include all reserve components that will require major maintenance, repair, or replacement in future years, and may not include regular contributions to a reserve account for the cost of such maintenance, repair, or replacement. You may encounter certain risks, including being required to pay as a special assessment your share of expenses for the cost of major maintenance, repair, or replacement of a reserve component, as a result of the failure to: (1) Have a current reserve study or fully funded reserves, (2) include a component in a reserve study, or (3) provide any or sufficient contributions to a reserve account for a component."

(f) "DEPOSITS AND PAYMENTS. Only earnest money and reservation deposits are required to be placed in an escrow or trust account. Any other payments you make to the seller of a unit are at risk and may be lost if the seller defaults."

(g) "CONSTRUCTION DEFECT CLAIMS. Chapter 64.50 RCW contains important requirements you must follow before you may file a lawsuit for defective construction against the seller or builder of your home. Forty-five days before you file your lawsuit, you must deliver to the

seller or builder a written notice of any construction conditions you allege are defective and provide your seller or builder the opportunity to make an offer to repair or pay for the defects. You are not obligated to accept any offer made by the builder or seller. There are strict deadlines and procedures under state law, and failure to follow them may affect your ability to file a lawsuit."

(h) "ASSOCIATION INSURANCE. The extent to which association insurance provides coverage for the benefit of unit owners (including furnishings, fixtures, and equipment in a unit) is determined by the provisions of the declaration and the association's insurance policy, which may be modified from time to time. You and your personal insurance agent should read the declaration and the association's policy prior to closing to determine what insurance is required of the association and unit owners, unit owners' rights and duties, what is and is not covered by the association's policy, and what additional insurance you should obtain."

(i) "QUALIFIED WARRANTY. Your unit [is] [is not] covered by a qualified warranty under chapter 64.35 RCW."

(j) "THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS").

THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES.

THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH FORECLOSURE.

THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF [THE] UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(3) The public offering statement must include copies of each of the following documents: The declaration; the map; the organizational documents; the rules, if any; the current or proposed budget for the association; a dated balance sheet of the association; any inspection and repair report or reports prepared in accordance with the requirements of RCW 64.55.090; and any qualified warranty provided to a purchaser by a declarant together with a history of claims under the qualified warranty. If any of these documents are not in final form, the documents must be marked "draft" and, before closing the sale of a unit, the purchaser must be given notice of any material changes to the draft documents.

(4) A declarant must promptly amend the public offering statement to reflect any material change in the information required under this section. [2024 c 321 s 327; 2019 c 238 s 212; 2018 c 277 s 403.]

RCW 64.90.615 Public offering statement—Common interest communities subject to development rights. If the declaration provides that a common interest community is subject to any development rights or if the declarant reserves any special declarant rights, the public offering statement must include, in addition to the information required under RCW 64.90.610:

(1) A statement of all development rights and special declarant rights reserved to the declarant, together with the dates or other circumstances under which such rights must terminate; and

(2) A statement describing how the allocated interests of a unit may be changed by the exercise of any development right. [2018 c 277 s 404.]

RCW 64.90.620 Public offering statement—Conversion buildings.

(1) A public offering statement for a unit in a conversion building must contain, in addition to the information required under RCW 64.90.610, 64.90.615, and 64.90.655(6) (a):

(a) Either a copy of a report prepared by an independent, licensed architect or engineer or a statement by the declarant based on such report that describes, to the extent reasonably ascertainable, the present condition of all structural components and mechanical and electrical installations material to the use and enjoyment of the common interest community;

(b) A statement by the declarant or dealer of the expected useful life of each item reported on in (a) of this subsection or a statement that no representations are made in that regard;

(c) A copy of any inspection and repair report for the conversion building required under RCW 64.55.090, if applicable;

(d) A list of any outstanding notices of uncured violations of building code or other municipal ordinances and regulations, together with the estimated cost of curing those violations and a statement that such list is not a representation that the conversion building is in compliance with the current building code or other municipal ordinances and regulations;

(e) A statement of the improvements to the conversion building made or contracted for by the declarant or dealer, or affiliate of either, offering the unit for sale; and

(f) The current deficiency or surplus in reserve funding expressed on a per unit basis.

(2) The obligation to provide the information required in subsection (1) of this section as to any particular conversion building ceases on the earlier of (a) the date when all units in the building have been conveyed to persons other than the declarant or a dealer, or any affiliate of the declarant or dealer, or (b) the date set forth in RCW 64.90.605(5). [2018 c 277 s 405.]

RCW 64.90.625 Public offering statement—Disclosure document.

If a unit is offered for sale for which the delivery of a public offering statement or other disclosure document is required under the

laws of any state or the United States, a single disclosure document conforming to the requirements of RCW 64.90.610, 64.90.615, and 64.90.620 and conforming to any other requirement imposed under such laws may be prepared and delivered in lieu of providing two or more disclosure documents. [2018 c 277 s 406.]

RCW 64.90.630 Public offering statement—Contract of sale—Conveyance restriction. In the case of a sale of a unit in which delivery of a public offering statement is required, a contract of sale may be executed unless otherwise prohibited by applicable law, but interest in that unit may not be conveyed until:

(1) The declaration and map that create the common interest community in which that unit is located are recorded pursuant to RCW 64.90.200(1) and 64.90.245(3); and

(2) In the case of a unit in a building containing that unit or a building comprising that unit, the unit is substantially completed and available for occupancy, and all structural components and mechanical systems of the building containing or comprising that unit are substantially completed, but a declarant or dealer and a purchaser may otherwise specifically agree in writing as to the extent to which the unit will not be substantially completed and available and to which any structural components and mechanical systems will not be substantially completed at the time of conveyance. [2018 c 277 s 407.]

RCW 64.90.635 Purchaser's right to cancel. (1) A person required to deliver a public offering statement pursuant to RCW 64.90.605(3)(a) shall provide a purchaser with a copy of the public offering statement and all amendments thereto before conveyance of the unit, and not later than the date of any contract of sale. The purchaser may cancel a contract for the purchase of the unit within seven days after first receiving the public offering statement. If the public offering statement is first provided to a purchaser more than seven days before execution of a contract for the purchase of a unit, the purchaser does not have the right under this section to cancel the executed contract. If the public offering statement is first provided to a purchaser seven days or less before the purchaser signs a contract for the purchase of a unit, the purchaser, before conveyance of the unit to the purchaser, may cancel the contract by delivering, no later than the seventh day after first receiving the public offering statement, a notice of cancellation, delivered pursuant to subsection (3) of this section. If the public offering statement is first provided to a purchaser less than seven days before the closing date for the conveyance of that unit, the purchaser may, before conveyance of the unit to the purchaser, extend the closing date to a date not more than seven days after the purchaser first received the public offering statement.

(2) A purchaser does not have the right under this section to cancel a contract upon receipt of an amendment to a public offering statement. This subsection does not eliminate any right that is otherwise available to the purchaser under generally applicable contract law to rescind the contract due to a material change in the information disclosed in the amendment.

(3) If a purchaser elects to cancel a contract under subsection (1) of this section, the purchaser may do so by hand-delivering notice of cancellation, or by mailing notice of cancellation by prepaid United States mail, to the declarant at the address set forth in the public offering statement or at the address of the declarant's registered agent for service of process. The date of such notice is the date of receipt of delivery, if hand-delivered, or the date of deposit in the United States mail, if mailed. Cancellation is without penalty, and all payments made to the seller by the purchaser before cancellation must be refunded promptly. There is no liability for failure to deliver any amendment unless such failure would have entitled the purchaser under generally applicable legal principles to cancel the contract for the purchase of the unit had the undisclosed information been evident to the purchaser before the closing of the purchase.

(4) The language of the notice required under RCW 64.90.610(2)(a) must not be construed to modify the rights set forth in this section. [2024 c 321 s 328; 2018 c 277 s 408.]

RCW 64.90.640 Unit resales—Resale certificate. (1) Except in the case of a sale when delivery of a public offering statement is required, or unless exempt under RCW 64.90.600(2), a unit owner must furnish to a purchaser before execution of any contract for sale of a unit, or otherwise before conveyance, a resale certificate, signed by an officer or authorized agent of the association and based on the books and records of the association and the actual knowledge of the person signing the certificate, containing:

(a) A statement disclosing any right of first refusal or other restraint on the free alienability of the unit contained in the declaration;

(e) A statement of any other fees payable to the association by unit owners;

(f) A statement of any expenditure or anticipated repair or replacement cost reasonably anticipated to be in excess of five percent of the board-approved annual budget of the association, regardless of whether the unit owners are entitled to approve such cost;

(g) A statement whether the association does or does not have a reserve study prepared in accordance with RCW 64.90.545 and 64.90.550;

(h) The annual financial statement of the association, including the audit report if it has been prepared, for the year immediately preceding the current year;

(i) The most recent balance sheet and revenue and expense statement, if any, of the association;

(m) A statement as to whether the board has given or received notice in a record that any existing uses, occupancies, alterations, or improvements in or to the seller's unit or to the limited common elements allocated to the unit violate any provision of the governing documents;

(n) A statement of the number of units, if any, still owned by the declarant, whether the declarant has transferred control of the association to the unit owners, and the date of such transfer;

(o) A statement as to whether the board has received notice in a record from a governmental agency of any violation of environmental, health, or building codes with respect to the seller's unit, the limited common elements allocated to that unit, or any other portion of the common interest community that has not been cured;

(p) A statement of the remaining term of any leasehold estate affecting the common interest community and the provisions governing any extension or renewal of the leasehold estate;

(q) A statement of any restrictions in the declaration affecting the amount that may be received by a unit owner upon sale;

(r) In a cooperative, an accountant's statement, if any was prepared, as to the deductibility for federal income tax purposes by the unit owner of real estate taxes and interest paid by the association;

(s) A statement describing any pending sale or encumbrance of common elements;

(u) A copy of the declaration, the organizational documents, the rules or regulations of the association, the minutes of board meetings and association meetings, except for any information exempt from disclosure under RCW 64.90.495(3), for the last 12 months, a summary of the current reserve study for the association, and any other information reasonably requested by mortgagees of prospective purchasers of units. Information requested generally by the federal national mortgage association, the federal home loan bank board, the government national mortgage association, the veterans administration, or the department of housing and urban development is deemed reasonable if the information is reasonably available to the association;

(v) A statement whether the units or common elements of the common interest community are covered by a qualified warranty under chapter 64.35 RCW and, if so, a history of claims known to the association as having been made under any such warranty;

(w) A description of any age-related occupancy restrictions affecting the common interest community;

(x) A statement describing any requirements related to electric vehicle charging stations located in the unit or the limited common elements allocated to the unit, including application status, insurance information, maintenance responsibilities, and any associated costs;

(y) If the association does not have a reserve study that has been prepared in accordance with RCW 64.90.545 and 64.90.550 or its governing documents, the following disclosure:

"This association does not have a current reserve study. The lack of a current reserve study poses certain risks to you, the purchaser. Insufficient reserves may, under some circumstances, require you to pay on demand as a special assessment your share of common expenses for the cost of major maintenance, repair, or replacement of a common element."; and

(z) The resale certificate must include a notice in substantially the following form and in conspicuous type:

"THIS UNIT IS LOCATED WITHIN A COMMON INTEREST COMMUNITY AND IS SUBJECT TO THE DECLARATION, BYLAWS, RULES, AND OTHER WRITTEN INSTRUMENTS GRANTING AUTHORITY TO THE ASSOCIATION AS ADOPTED (THE "GOVERNING DOCUMENTS").

THE PURCHASER OF THIS UNIT WILL BE REQUIRED TO BE A MEMBER OF THE ASSOCIATION AND WILL BE SUBJECT TO THE GOVERNING DOCUMENTS.

THE GOVERNING DOCUMENTS WILL IMPOSE FINANCIAL OBLIGATIONS UPON THE OWNER OF THE UNIT, INCLUDING AN OBLIGATION TO PAY ASSESSMENTS TO THE ASSOCIATION WHICH MAY INCLUDE REGULAR AND SPECIAL ASSESSMENTS, FINES, FEES, INTEREST, LATE CHARGES, AND COSTS OF COLLECTION, INCLUDING REASONABLE ATTORNEYS' FEES.

THE ASSOCIATION HAS A STATUTORY LIEN ON EACH INDIVIDUAL UNIT FOR ANY UNPAID ASSESSMENT FROM THE TIME IT IS DUE. FAILURE TO PAY ASSESSMENTS COULD RESULT IN THE FILING OF A LIEN ON THE UNIT AND LOSS OF THE UNIT THROUGH FORECLOSURE.

THE GOVERNING DOCUMENTS MAY PROHIBIT OWNERS FROM MAKING CHANGES TO THE UNIT WITHOUT REVIEW AND THE APPROVAL OF THE ASSOCIATION, AND MAY ALSO IMPOSE RESTRICTIONS ON THE USE OF [THE] UNIT, DISPLAY OF SIGNS, CERTAIN BEHAVIORS, AND OTHER ITEMS.

PURCHASERS OF THIS UNIT SHOULD CAREFULLY REVIEW THE FINANCIAL OBLIGATIONS OF MEMBERS OF THE ASSOCIATION, THE CURRENT STATE OF THE ASSOCIATION'S FINANCES, THE CURRENT RESERVE STUDY, IF ANY, THE GOVERNING DOCUMENTS, AND THE OTHER INFORMATION AVAILABLE IN THE RESALE CERTIFICATE. THE GOVERNING DOCUMENTS CONTAIN IMPORTANT INFORMATION AND CREATE BINDING LEGAL OBLIGATIONS. YOU SHOULD CONSIDER SEEKING THE ASSISTANCE OF LEGAL COUNSEL."

(2) The association, within 10 days after a request by a unit owner, and subject to the payment of any fees imposed pursuant to RCW 64.90.405(2)(m), must furnish a resale certificate signed by an officer or authorized agent of the association and containing the information necessary to enable the unit owner to comply with this section. For the purposes of this chapter, a reasonable charge for the preparation of a resale certificate may not exceed \$275. The association may charge a unit owner a nominal fee not to exceed \$100 for updating a resale certificate within six months of the unit owner's request. A unit owner is not liable to the purchaser for any erroneous information provided by the association and included in the certificate.

(3) (a) A purchaser is not liable for any unpaid assessment or fee greater than the amount set forth in the certificate prepared by the association.

(b) A unit owner is not liable to a purchaser for the failure or delay of the association to provide the certificate in a timely manner, but the purchase contract is voidable by the purchaser until the certificate has been provided and for five days thereafter or until conveyance, whichever occurs first. [2024 c 321 s 329; 2022 c 27 s 6; 2018 c 277 s 409.]

RCW 64.90.645 Deposits—Escrow. (1) Except as provided in subsection (2) of this section, any earnest money deposit, as defined in RCW 64.04.005, made in connection with the right to purchase a unit from a person required to deliver a public offering statement pursuant to RCW 64.90.605(3) must be placed in escrow and held in this state in an escrow or trust account designated solely for that purpose by a licensed title insurance company or agent, a licensed attorney, a real estate broker or independent bonded escrow company, or an institution whose accounts are insured by a governmental agency or instrumentality until: (a) Delivered to the declarant at closing, (b) delivered to the declarant because of the purchaser's default under a contract to purchase the unit, (c) refunded to the purchaser, or (d) delivered to a court in connection with the filing of an interpleader action.

(2) (a) If a purchase agreement for the sale of a unit provides that deposit funds may be used for construction costs and the declarant obtains and maintains a surety bond as required by this section, the declarant may withdraw escrow funds when construction of improvements has begun. The funds may be used only for actual building and construction costs of the project in which the unit is located.

(b) The bond must be issued by a surety insurer licensed in this state in favor of the purchaser in an amount adequate to cover the amount of the deposit to be withdrawn. The declarant may not withdraw more than the face amount of the bond. The bond must be payable to the purchaser if the purchaser obtains a final judgment against the declarant requiring the declarant to return the deposit pursuant to the purchase agreement. The bond may be either in the form of an individual bond for each deposit accepted by the declarant or in the form of a blanket bond assuring the return of all deposits received by the declarant.

(c) The party holding escrow funds who releases all or any portion of the funds to the declarant has no obligation to monitor the progress of construction or the expenditure of the funds by the declarant and is not liable to any purchaser for the release of funds pursuant to this section.

(3) The amount of deposit funds that may be used pursuant to subsection (2) of this section may not exceed five percent of the purchase price. [2023 c 337 s 8; 2021 c 260 s 2; 2018 c 277 s 410.]

RCW 64.90.650 Liens—Release. (1) In the case of a sale of a unit when delivery of a public offering statement is required pursuant to RCW 64.90.605(3) and subject to subsection (2) of this section, a seller before conveying a unit:

(a) Must record or furnish to the purchaser releases of all liens that encumber:

(i) In a condominium, that unit and its common element interest;
and

(ii) In a cooperative, plat community, or miscellaneous community, that unit and any limited common elements assigned to that unit; or

(b) Must provide the purchaser of that unit with title insurance from a licensed title insurance company against any lien not released pursuant to (a) of this subsection.

(2) Subsection (1) of this section does not apply to liens that encumber:

(a) Real estate that a declarant has the right to withdraw from the common interest community;

(b) In a condominium, the unit and its common element interest being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien;

(c) In a cooperative, plat community, or miscellaneous community, the unit and any limited common element allocated to the unit being purchased, but no other unit, if the purchaser expressly agrees in writing to take subject to or assume such lien.

(3) Before conveying real property to the association, the declarant must have that real property released from:

(a) All liens the foreclosure of which would deprive unit owners of any right of access to or easement of support of their units; and

(b) All other liens on that real property unless the public offering statement describes certain real property that may be conveyed subject to liens in specified amounts.

(4) In the case of a cooperative, the provisions of this section do not apply to liens securing indebtedness that represent a common expense liability for which the purchaser expressly agrees in writing to be responsible. [2019 c 238 s 213; 2018 c 277 s 411.]

RCW 64.90.655 Conversion buildings—Tenant rights—City and county requirements—Violations. (1) (a) A declarant or dealer who intends to offer units in a conversion building must give each of the residential tenants and any residential subtenants in possession of a portion of a conversion building notice of the conversion and provide those persons with the public offering statement no later than 120 days before the tenants and any subtenants in possession are required to vacate. The notice must:

(i) Set forth generally the rights of residential tenants and residential subtenants under this section;

(ii) Be delivered pursuant to notice requirements set forth in RCW 59.12.040;

(iii) Inform the residential tenants and subtenants about the resources and information available under the condominium conversion tenant-to-homeowner program created in RCW 43.180.245; and

(iv) Expressly state whether there is a county or city relocation assistance program for residential tenants or residential subtenants of conversion buildings in the jurisdiction in which the property is located. If the county or city does have a relocation assistance program, the following must also be included in the notice:

(A) A summary of the terms and conditions under which relocation assistance is paid; and

(B) Contact information for the city or county relocation assistance program, which must include, at a minimum, a telephone

number of the city or county department that administers the relocation assistance program for conversion buildings.

(b) A residential tenant or residential subtenant may not be required to vacate upon less than 120 days' notice, except by reason of nonpayment of rent, waste, or conduct that disturbs other residential tenants' or residential subtenants' peaceful enjoyment of the premises, or act of unlawful detainer as defined in RCW 59.12.030, and the terms of the tenancy may not be altered during that period except as provided in (c) of this subsection.

(c) At the declarant's option, the declarant may provide all residential tenants and residential subtenants in a single conversion building with an option to terminate their lease or rental agreements without cause or consequence after providing the declarant with thirty days' notice. In such case, residential tenants and residential subtenants continue to have access to relocation assistance under subsection (6)(e)(i) of this section.

(d)(i) Nothing in this subsection (1) waives or repeals RCW 59.18.200(2)(b).

(ii) Failure to give notice as required under this section is a defense to an action for possession.

(e) The city or county in which the property is located may require the declarant to forward a copy of the conversion notice required in this subsection (1) to the appropriately designated department or agency in the city or county for the purpose of maintaining a list of common interest communities containing conversion buildings in the jurisdiction.

(2)(a) For 60 days after delivery or mailing of the notice described in subsection (1) of this section, the person required to give the notice must offer to convey each unit or proposed unit occupied for residential use to the residential tenant or residential subtenant who leases that unit. If a residential tenant or residential subtenant fails to purchase the unit during that 60-day period, the offeror may offer to dispose of an interest in that unit during the following 180 days at a price or on terms more favorable to the offeree than the price or terms offered to the residential tenant or residential subtenant only if:

(i) Such offeror, by written notice mailed to the residential tenant's or residential subtenant's last known address, offers to sell an interest in that unit at the more favorable price and terms; and

(ii) Such residential tenant or residential subtenant fails to accept the offer in writing within 10 days following the mailing of the offer to the tenant or subtenant.

(b) This subsection (2) does not apply to any unit in a conversion building if that unit will be restricted exclusively to nonresidential use or the boundaries of the converted unit do not substantially conform to the dimensions of the residential unit before conversion.

(3) If a seller, in violation of subsection (2) of this section, conveys a unit to a purchaser for value who has no actual knowledge of the violation, the recording of the deed conveying the unit, or, in a cooperative, the conveyance of the unit, extinguishes any right a residential tenant or residential subtenant may have under subsection (2) of this section to purchase that unit, but does not affect the right of a residential tenant or residential subtenant to recover damages from the seller for a violation of subsection (2) of this section.

(4) If a notice of conversion specifies a date by which a unit or proposed unit must be vacated and otherwise complies with this chapter and chapter 59.18 RCW, the notice also constitutes a notice to vacate specified under chapter 59.18 RCW.

(5) This section does not permit termination of a lease or sublease by a declarant in violation of its terms.

(6) Notwithstanding RCW 64.90.025, a city or county may by appropriate ordinance require with respect to any conversion building within the jurisdiction of the city or county that:

(a) In addition to the statement required under RCW 64.90.620(1)(a), the public offering statement must contain a copy of a written inspection report of that building prepared by the appropriate department of the city or county listing any violations of the housing code or other governmental regulation that is applicable regardless of whether the real property is owned as a common interest community or in some other form of ownership. The inspection must be made within 45 days of the declarant's written request, and the report must be issued within 14 days of the inspection being made. The inspection may not be required with respect to any building for which a final certificate of occupancy has been issued by the city or county within the preceding 24 months, and any fee imposed for the making of such inspection may not exceed the fee that would be imposed for the making of such an inspection for a purpose other than complying with this subsection (6)(a).

(b) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) All violations disclosed in the inspection report provided for in (a) of this subsection, and not otherwise waived by the city or county, must be repaired; and

(ii) A certification must be obtained from the city or county that such repairs have been made. The certification must be based on a reinspection to be made within seven days of the declarant's written request and be issued within seven days of the reinspection being made;

(c) The repairs required to be made under (b) of this subsection must be warranted by the declarant against defects due to workmanship or materials for a period of one year following the completion of such repairs;

(d) Prior to the conveyance of any residential unit within a conversion building, other than a conveyance to a declarant or dealer, or affiliate of either:

(i) The declarant must establish and maintain, during the one-year warranty period provided under (c) of this subsection, an account containing a sum equal to 10 percent of the actual cost of making the repairs required under (b) of this subsection;

(ii) During the one-year warranty period, the funds in the account must be used exclusively for paying the actual cost of making repairs required, or for otherwise satisfying claims made, under such warranty;

(iii) Following the expiration of the one-year warranty period, any funds remaining in the account must be immediately disbursed to the declarant; and

(iv) The declarant must notify in writing the association and the city or county as to the location of the account and any disbursements from the account;

(e) (i) A declarant must pay relocation assistance, in an amount to be determined by the city or county, which may not exceed a sum equal to three months of the residential tenant's or residential subtenant's rent at the time the conversion notice required under subsection (1) of this section is received, to residential tenants or residential subtenants:

(A) Who do not elect to purchase a unit in the common interest community;

(B) Who are in lawful occupancy for residential purposes of a unit in the conversion building; and

(C) Whose annual household income from all sources, on the date of the notice described in subsection (1) of this section, was less than an amount equal to 80 percent of:

(I) The annual median income for comparably sized households in the standard metropolitan statistical area, as defined and established by the United States department of housing and urban development, in which the conversion building is located; or

(II) If the conversion building is not within a standard metropolitan statistical area, the annual median income for comparably sized households in the state of Washington, as defined and determined by said department.

The household size of a unit must be based on the number of persons actually in lawful occupancy of the unit. The residential tenant or residential subtenant actually in lawful occupancy of the unit is entitled to the relocation assistance. Relocation assistance must be paid on or before the date the residential tenant or residential subtenant vacates and is in addition to any damage deposit or other compensation or refund to which the residential tenant or residential subtenant is otherwise entitled. Unpaid rent or other amounts owed by the residential tenant or residential subtenant to the landlord may be offset against the relocation assistance.

(ii) Elderly residential tenants or residential subtenants and residential tenants or residential subtenants with special needs who otherwise meet the requirements of (e) (i) (A) of this subsection must receive relocation assistance, the greater of:

(A) The sum described in (e) (i) of this subsection; or

(B) The sum of actual relocation expenses of the residential tenant or residential subtenant, up to a maximum of \$1,500 in excess of the sum described in (e) (i) of this subsection, which may include costs associated with the physical move, first month's rent, and the security deposit for the dwelling unit to which the residential tenant or residential subtenant is relocating, rent differentials for up to a six-month period, and any other reasonable costs or fees associated with the relocation. Receipts for relocation expenses must be provided to the declarant by eligible residential tenants or residential subtenants, and declarants must provide the relocation assistance to residential tenants or residential subtenants in a timely manner. The city or county may provide additional guidelines for the relocation assistance.

(iii) For the purposes of this subsection (6) (e):

(A) "Elderly" means a person who is at least 65 years of age; and

(B) "Special needs" means a chronic mental illness or physical disability, a developmental disability, or other condition affecting cognition, disease, chemical dependency, or a medical condition that is permanent, not reversible or curable, or is long lasting, and severely limits a person's mental or physical capacity for self-care;

(f) Except as authorized under (g) of this subsection, a declarant and any dealer may not begin any construction, remodeling, or repairs to any interior portion of an occupied building that is to become a conversion building during the 120-day notice period provided for in subsection (1) of this section unless all residential tenants and residential subtenants who have elected not to purchase a unit in the common interest community and who are in lawful occupancy in the building have vacated the premises. For the purposes of this subsection:

(i) "Construction, remodeling, or repairs" means the work that is done for the purpose of establishing or selling units in a conversion building, and does not mean the work that is done to maintain the building or lot for the residential use of the existing residential tenants or residential subtenants; and

(ii) "Occupied building" means a stand-alone structure occupied by residential tenants or residential subtenants and does not include other stand-alone buildings located on the property or detached common area facilities; and

(g) (i) If a declarant or dealer has offered existing residential tenants or residential subtenants an option to terminate an existing lease or rental agreement without cause or consequence as authorized under subsection (1)(c) of this section, a declarant and any dealer may begin construction, remodeling, or repairs to interior portions of an occupied building (A) to repair or remodel vacant units to be used as model units, if the repair or remodel is limited to one model for each unit type in the building; (B) to repair or remodel a vacant unit or common element for use as a sales office; or (C) to do both.

(ii) The work performed under this subsection (6)(g) must not violate the residential tenants' or residential subtenants' rights of quiet enjoyment during the 120-day notice period.

(7) Violations of any city or county ordinance adopted as authorized under subsection (6) of this section gives rise to such remedies, penalties, and causes of action that may be lawfully imposed by the city or county. Such violations do not invalidate the creation of the common interest community or the conveyance of any interest in the common interest community. [2022 c 165 s 6; 2018 c 277 s 412.]

Findings—Intent—2022 c 165: See note following RCW 43.180.245.

RCW 64.90.660 Conversion buildings—Common interest community units—Report. (1) All cities and counties planning under RCW 36.70A.040, which have inspected any conversion buildings or managed the payment of relocation assistance within the jurisdiction within the previous twelve-month period, must report annually to the department of commerce the following information:

(a) The total number of apartment units converted into common interest community units;

(b) The total number of conversion common interest community projects; and

(c) The total number of residential tenants and residential subtenants who receive relocation assistance.

(2) Upon completion of a conversion common interest community project, a city or county may require the declarant to provide the information described in subsection (1)(a) and (c) of this section for the converted common interest community to the appropriately

designated department or agency in the city or county for the purpose of complying with subsection (1) of this section. [2018 c 277 s 413.]

RCW 64.90.665 Express warranties. (1) Subject to subsections (2) and (3) of this section, express warranties made by any declarant or dealer to a purchaser of a unit in a condominium, if relied upon by the purchaser in purchasing the unit, are created as follows:

(a) Any written affirmation of fact or written promise that relates to the unit, its use, or rights appurtenant to the unit or its use, improvements to the condominium that would directly benefit the unit, or the right to use or have the benefit of facilities not located in the condominium creates an express warranty that the unit and related rights and uses will not materially deviate from the affirmation or promise.

(b) Any written description of the physical characteristics of the condominium at the time the purchase agreement is executed, including plans and specifications of or for improvements, creates an express warranty that the condominium will conform to the written description in all material respects.

(c) Any written description of the quantity or extent of the real estate comprising the condominium, including plats or surveys, creates an express warranty that the condominium will conform to the description, subject to customary tolerances.

(d) A written statement that a purchaser may put a unit only to a specified use is an express warranty that the specified use is lawful.

(2) Subject to subsection (3) of this section, neither formal words, such as "warranty" or "guarantee," nor a specific intention to make a warranty are necessary to create an express warranty, but a statement of opinion or a commendation of the real estate, its quality, or its value does not create a warranty, and a statement, promise, model, depiction, or description does not create a warranty if it discloses that it is only proposed, is not representative, or is subject to change.

(3) A purchaser may not rely on any statement, affirmation, promise, model, depiction, or description unless it is contained in the public offering statement delivered to the purchaser or made in a record signed by the declarant or dealer, or the declarant's or dealer's agent identified in the public offering statement.

(4) Any conveyance of a unit transfers to the purchaser all express warranties of quality made by the declarant or dealer. [2018 c 277 s 414.]

RCW 64.90.670 Implied warranties of quality. (1) A declarant and any dealer warrants to a purchaser of a condominium unit that the unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, except for reasonable wear and tear and damage by casualty or condemnation.

(2) A declarant and any dealer impliedly warrants to a purchaser of a condominium unit that the unit and the common elements in the condominium are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by such declarant or dealer will be:

(a) Free from defective materials;

(b) Constructed in accordance with engineering and construction standards, including applicable building codes, generally accepted in the state of Washington at the time of construction; and

(c) Constructed in a workmanlike manner.

(3) A declarant and any dealer warrants to a purchaser of a condominium unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

(4) Warranties imposed under this section may be excluded or modified as specified in RCW 64.90.675.

(5) For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

(6) Any conveyance of a condominium unit transfers to the purchaser all of a declarant's or dealer's implied warranties of quality.

(7) (a) In a proceeding for breach of any of the obligations arising under this section, the purchaser must show that the alleged breach has adversely affected or will adversely affect the performance of that portion of the unit or common elements alleged to be in breach. Nothing in this section limits the ability of a board to bring claims on behalf of two or more unit owners pursuant to RCW 64.90.405(2)(d).

(b) To establish an adverse effect on performance, the purchaser is required to prove that the alleged breach:

(i) Is more than technical;

(ii) Is significant to a reasonable person; and

(iii) Has caused or will cause physical damage to the unit or common elements; has materially impaired the performance of mechanical, electrical, plumbing, elevator, or similar building equipment; or presents an actual, unreasonable safety risk to the occupants of the condominium.

(8) Proof of breach of any obligation arising under this section is not proof of damages. Damages awarded for a breach of a warranty arising under subsection (2) of this section are the reasonable cost of repairs. However, if it is established that the cost of such repairs is clearly disproportionate to the loss in market value caused by the breach, damages are limited to the loss in market value. [2019 c 238 s 102; 2018 c 277 s 415.]

RCW 64.90.675 Implied warranties of quality—Exclusion or modification. (1) Except as limited under subsection (2) of this section with respect to a purchaser of a condominium unit that may be used for residential use, implied warranties of quality under RCW 64.90.670:

(a) May be excluded or modified by written agreement of the parties; and

(b) Are excluded by written expression of disclaimer, such as "as is," "with all faults," or other language that in common understanding calls the buyer's attention to the exclusion of warranties.

(2) With respect to a purchaser of a condominium unit that may be used for residential use, no disclaimer of implied warranties of quality under RCW 64.90.670 is effective, except that a declarant and

any dealer may disclaim liability in an instrument for one or more specified defects or failures to comply with applicable law, if:

(a) The declarant or dealer knows or has reason to believe that the specific defects or failures exist at the time of disclosure;

(b) The disclaimer specifically describes the defects or failures;

(c) The disclaimer includes a statement as to the effect of the defects or failures;

(d) The disclaimer is boldfaced, capitalized, underlined, or otherwise set out from surrounding material so as to be conspicuous; and

(e) The disclaimer is signed by the purchaser.

(3) A declarant or dealer may not make an express written warranty of quality that limits the implied warranties of quality made to the purchaser set forth in RCW 64.90.670. [2018 c 277 s 416.]

RCW 64.90.680 Warranties of quality—Breach—Actions for construction defect claims. (1) A proceeding for breach of any obligations arising under RCW 64.90.665, 64.90.670, or 64.90.675 must be commenced within four years after the cause of action accrues. The period for commencing an action for a breach accruing pursuant to subsection (2)(a) of this section does not expire prior to one year after termination of the period of declarant control, if any, under RCW 64.90.415. Such periods may not be reduced by either oral or written agreement or through the use of contractual claims or notice procedures that require the filing or service of any claim or notice prior to the expiration of the period specified in this section.

(2) Subject to subsection (3) of this section, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, the latest of:

(i) The date the unit was conveyed to the purchaser to whom the warranty is first made; or

(ii) The date any portion of the unit that constitutes a building enclosure as defined in RCW 64.55.010(3) was completed; and

(b) As to each common element, at the latest of:

(i) The date the common element was completed;

(ii) The date the common element was added to the condominium; or

(iii) The date the first unit in the condominium was conveyed to a bona fide purchaser.

(3) If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the condominium, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

(4) If a written notice of claim is served under RCW 64.50.020 within the time prescribed for the filing of an action under this chapter, the statutes of limitation in this chapter and any applicable statutes of repose for construction-related claims are tolled until sixty days after the period of time during which the filing of an action is barred under RCW 64.50.020. [2018 c 277 s 417.]

RCW 64.90.685 Action to enforce right granted, obligation imposed—Court may award reasonable attorneys' fees and costs—

Alternative dispute resolution allowed. (1) A declarant, association, unit owner, or any other person subject to this chapter may bring an action to enforce a right granted or obligation imposed under this chapter or the governing documents. The court may award reasonable attorneys' fees and costs.

(2) Parties to a dispute arising under this chapter or the governing documents may agree at any time to resolve the dispute by any form of binding or nonbinding alternative dispute resolution. [2018 c 277 s 418.]

RCW 64.90.690 Promotional material—Labeling requirement.

Promotional material may not be displayed or delivered to prospective purchasers of a condominium unit that describes or portrays an unbuilt contemplated improvement in the condominium unless the description or portrayal of the improvement in the promotional material is conspicuously labeled or identified either as "MUST BE BUILT" or as "NEED NOT BE BUILT" or words to that effect. [2018 c 277 s 419.]

RCW 64.90.695 Improvements—Duties of declarant. (1) Except for improvements labeled "NEED NOT BE BUILT" on the map in conformity to RCW 64.90.245(9), the declarant must complete all improvements depicted on the map or other graphic representation of a condominium, if the map or other graphic representation is contained in the public offering statement or in any promotional material approved or authorized by the declarant with respect to the condominium.

(2) The declarant is subject to liability for the prompt repair and restoration, to a condition compatible with the remainder of the condominium, of any portion of the condominium damaged by the exercise of rights reserved pursuant to or created under RCW 64.90.250 through 64.90.280. [2018 c 277 s 420.]

RCW 64.90.700 Conversion building notice. A declarant or dealer who intends to offer units in a conversion building must provide a conversion building notice of the conversion to the Washington state housing finance commission no later than 120 days before the residential tenants and any residential subtenant in possession of a portion of a conversion building are required to vacate.
