

RCW 64.35.510 Schedule of expiration dates must be provided.

(1) A qualified insurer must, as soon as reasonably possible after the beginning date for the qualified warranty, provide an owner and association with a schedule of the expiration dates for coverages under the qualified warranty as applicable to the unit and the common elements, respectively.

(2) The expiration date schedule for a unit must set out all the required dates on an adhesive label that is a minimum size of four inches by four inches and is suitable for affixing by the owner in a conspicuous location in the unit. [2004 c 201 § 1101.]
